

FLU SHOTS ON CAMPUS – NOVEMBER 6

AISD will be offering flu shots on campus November 6! Due to last year's very active flu season, the AISD has decided to be proactive in offering the flu shot on campus for students' convenience. In order to receive the shot, you must go online and fill out the form! The co-pay will be \$0 dollars when you fully complete the registration online.

Sign up online at aisdflu.com

**Focus on Literacy**

Moving forward, Seguin staff and administration will be focusing on increasing the literacy level of ALL students. There is a direct correlation between literacy and success in college, work and life. It is the goal of Seguin staff to ensure that ALL students excel in reading, writing, speaking, and reasoning. Strategies to enhance and improve literacy will be taught and reinforced in ALL classes. Also, I will be sending out tips to you, the parents, on how you can support the literacy initiative - including facts about literacy you can share with your students! We look forward to this learning adventure!!!

PTSA Fall Craft Fair

SATURDAY, OCTOBER 20

9AM – 5PM
