

2023-2024 Title I School-Parent-Student Compact

Sherrod Elementary School

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve ([link to webpage](#))
- Progress Reports and Report Cards in six-week intervals ([link to webpage or provide dates](#))
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by (how will parents contact teachers?)
- You can contact us through Class Dojo or by emailing your student's teacher.
- *List additional ways schools communicate about student learning*

Goals

We know you have goals for your student and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship

Student Outcome

Goals:

- 70% of Sherrod students in grades 3-6 will score at or above grade level on the STAAR Reading Language Arts Test by May 2024
- 70% of Sherrod students in grades 3-6 will score at or above grade level on the STAAR Mathematics Test by May 2024.

Focus Areas of Learning:

Reading Language Arts- Word Study (Phonics, Phonological Awareness, & Vocabulary)

Math- Conceptual Learning Understanding using the CRA Model

Because every student deserves the best education, together, we commit to the following

Teachers will...

- Model instruction and provide parents with reading materials and strategies by grade level during parent workshops, newsletters, and Class Dojo
- Share parent tips and resources on how to choose the right reading level book
- Send home to parents one math application problem per week
- Host grade level math and reading nights to share strategies with parents

Parents can...

- Practice with their children grade level reading strategies to improve fluency and vocabulary building
- Read with their children daily
- Use application problems and other strategies to help children make real world/math concept connections
- Practice math facts with their child
- Attend parent workshops and academic nights to learn strategies at home

Students can...

- Keep a reading log of weekly readings
- Read at least 20 minutes each day
- Practice math facts for fluency (repetitive practice) using manipulatives or online resources
- Find ways of using math concepts at home

Together, we'll make sure your child has the best education.
