

## 2023-2024 Title I School-Parent-Student Compact

*South Davis Elementary School / Principal Kalisse Kelly*

### What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact will guide us on how we can work together to:

- o Help student reach their academic goals
- o Focus on student learning
- o Explain how teachers and parents can communicate about student progress
- o Describe opportunities to be a part of the school

Parents and teachers create the compact, together.

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Student Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy

The compact builds partnerships between teachers and parents.

Adults who care are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. This year the community health conditions have improved. Parents will have more opportunities to visit the school. We are committed to building a partnership with all parents and families. Here are a few events that we can collaborate to help students learn and show them we care about their education.

*Registration help, Sneak-a Peek, Math-O-Ween, Parent Information Nights, Toddler Time, Parent-Teacher Conferences (by appointment), Parent Empowerment Classes online and on campus, and volunteering.
