

2023-2024 Title I School-Parent-Student Compact

Thornton Elementary School

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to:

- Help students reach their academic goals.
- Focus on student learning.
- Explain how teachers and parents can communicate about student progress.
- Describe opportunities to be a part of the school.

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships.

Caring for adults is essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come see classroom activities. Community health conditions may change the way adults can volunteer and visit the school; however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

- Coffee with the Principal.
- Parent Empowerment Workshops.
- Café Conversation Workshop.
- Toddler Time Workshop.
- Socio-Emotional Support Workshops.
- AISD and Thornton Community Resource Fair.
- Technology Workshop.
- Reading, Math, and Science Academic Night.
- Volunteer Opportunities.

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Service.
 - Access link- <https://www.aisd.net/family-support/>
 - English video Link to learn how to register in the Parent Self-Service portal. <https://www.youtube.com/watch?v=O3m1IFTQeUY>

- Spanish video Link to learn how to register in the Parent Self-Service portal.
<https://www.youtube.com/watch?v=xexvxG265A0>.

- Progress report and report cards within six weeks.

Elementary		
Grades	Distribute Progress Report	Distribute Report Cards
K-6	Sept. 7	Sept. 29
Pk-6	Oct. 18	Nov. 10
K-6	Dec. 6	Jan. 16
Pk-6	Jan. 31	Feb 23
K-6	Mar. 20	Apr. 12
Pk-6	May. 1	May. 24

- Parent/Teacher Conferences- We will discuss the student's progress and this compact. Please contact your student's teacher through:
 - Phone calls to the school office at 682-867-4200.
 - Send a note to the teacher through the "Class Dojo" app, after you have received the QR code or link that your student's teacher sent you to enter the class history.
 - Thornton Elementary School dojo application link.
<https://teach.classdojo.com/#!/schools/514a24783480340a690002f9/story>
 - Email the teacher through the Parent Self-Serve Portal.

Goals

We know you have goals for your student, and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship.

Student Outcomes

Goals:

Every student has individual growth goals based on assessments that include:

- Universal screeners.
- Curriculum assessments.
- STAAR
- Classroom tests.

Your child's teacher will be glad to discuss the goals with you and show you the assessment data.

Together, we'll make sure your child has the best education.

Approved by EET on Dec 21, 2022

Because every student deserves the best education, together, we commit to the following

Teachers Will...

- Model instruction and provide parents with reading tools and strategies by grade level through activities such as: "Reading Night" and "Book Fair."
- Share workshops with parents on online resources and applications to support and enrich learning to read and math.
- They will provide strategies and tools to increase mathematics development through activities such as: "Imagine Mathematics" and "Math Olympic".

Parents can...

- Using reading strategies at home to increase fluency in your vocabulary.
- Supporting your students to access online programs such as Pebble Go and Capstone, for the development of reading skills.
- Practicing math facts with your students at home, to help them strengthen conflict resolution.

Students can...

Participate in academic challenges and school events such as:

- "Imagine Mathematics".
- "Family Math Night".
- "Mathematics Olympiads".
- "Book Fair".
- "Reading Night."
- Read 20 minutes with parents at home.
 - Practice math fact for fluency.
- Participate in school library digital applications such as: Pebble Go and Capstone to read digitized books.
