School Hours 8:45 am - 4:10 pm

Office Hours 8:00 am - 4:20 pm

"Building Excellence in the Community One Wildcat at a Time with Respect, Relationships, and Results" is the vision for Workman Junior High. As a staff we believe in helping our scholars recognize their potential. Together we can do great things and we are already off to a wonderful start. In August we started the year off with "Meet the Teacher." This event allowed all of us to get acquainted as a school community, we want to continue to work together for purpose of building excellence. Join us Thursday, September 19th for the annual Title I meeting. Come and enjoy a hotdog super and learn about the exciting things that are planned for the remainder of the semester. The meeting will also provide you an opportunity to get to know other parents and to ask questions.

As a campus we are using an academic planner. The Academic Planner will come home daily and should be used as communication between home and school. Review the academic planner and use it as a resource when you have questions regarding school. We are getting to know your children and we are working hard to meet their individual needs. Parents we also need your continued involvement. Research shows that scholars who have parents who are involved in their education have a greater level of achievement. Continue to do the things that connected you to school when your children were younger. Stay in contact with your scholar's teachers, review homework, volunteer, attend school activities, and above all make sure that your scholar is reading for enjoyment daily. As a school we have a goal of reading 10,000 books. That's simply one book per person (Scholars, faculty and staff members) every six weeks. Regular reading improves many skills. Let's vow to get better every day together as a community.

Respectfully,

Jacquelyn McClendon, Principal

IMPORTANT REMINDER

Clerk's Corner:

Please keep all of your demographic information up to date. If you get a new phone number or if you have a change in your address please stop by the front office. You will need your proof of residency and a valid form of identification. Other information such as grades, report cards, and attendance can be accessed by logging into Parent Self-Serve. If you do not have Parent Self-Serve stop by the office on your next visit to Workman.

Safety:

For your safety and the safety of others avoid parking vehicles and/or leaving them unattended in the fire lane during school visits. Visitor's parking is available for your convenience on the west side of the pick-up/drop-off lanes in the front of Workman Junior High.

Early Dismissals:

Starting October 1, 2019, early dismissals will not be processed after 3:30. This will give every scholar the opportunity to finish 8th period uninterrupted. Thank you for allowing us to focus on instruction for the entire school day.

Your help is needed:

Workman Junior High is offering free breakfast and lunch to students this year through the Community Eligibility Provision. You do not need to submit a free and reduced-price meal application for your child to receive these benefits; however we do need your help! To help ensure our students receive all federal and state funding available and for appropriate comparisons for state accountability purposes, we are asking you to complete a household family data collection form. Please submit this form by Thursday, September 19. This form is available at www.aisd.net or stop by the school office for a form to fill out. Thank you
