General Guidelines

- All courses can be taken for credit recovery except EOC courses which may not be taken at ASA for original credit. Courses are self-paced.
- Attendance requirements are based on amount of course work needed. Most courses are Web based with additional offline work required, and all courses have some assignments that must be completed while present at The Learning Center.
- The AISD code of conduct applies to the After School Academy, and students removed for disciplinary reasons will not be allowed to return.

For more information or to enroll in the Summer Academy, please see your campus counselor.
