

Arlington Independent School District
Special Education Department
English / Language Arts

We are dedicated to helping your student become a life long reader. The following pages provide a list of book titles sorted by DRA level which are available at the Arlington Public Libraries. The Developmental Reading Assessment (DRA) is an assessment tool that all K-8 English / Language Arts teachers utilize in resource reading classes to help determine the appropriate independent reading level for your student. We encourage you to visit with your student's teacher about this assessment and at which levels of books your student can read with success.
