

TEAMS Mobile App

The free TEAMS Mobile app by Prologic Technology Systems is available on the Apple and Android app store. This topic is a general overview of the TEAMS Mobile app. For more information about the functionality of the specific applications, use the links below.

Currently, districts have the option to use the TEAMS Mobile app with the following mobile web applications:

- Student Self Serve Mobile, which is the mobile version of the [Student Self Serve application](#).
- Parent Self Serve Mobile, which is the mobile version of the [Parent Self Serve application](#).

Getting Started With the TEAMS Mobile App

Below is an overview of how users can get started with the TEAMS Mobile app by Prologic Technology Systems.

Downloading the TEAMS Mobile App

On their mobile devices, users go to the Apple App Store or Android Apps on Google Play and search for "TEAMS Prologic" to find the TEAMS Mobile app and download the TEAMS Mobile app by Prologic Technology Systems.

Configuring the TEAMS Mobile App

When users first access the TEAMS Mobile app, the Configure page is displayed. Follow the steps below to complete the fields on this page.

1. In the **District** field, select your school district Arlington ISD
2. For the Account Type:
 - Tap **Student** to access TEAMS Student Mobile.
 - Tap **Parent** to access TEAMS Parent Mobile.
3. Tap **Submit**. A pop-up box is displayed asking you to confirm your selections.
4. Tap **OK** to save your selections.
 - The Configure page will not be displayed again when you open the TEAMS Mobile app, but you can change your selections in Settings if necessary.

Accessing Mobile Applications With a Mobile Web Browser

The mobile web applications can also be accessed outside of the TEAMS Mobile App by using a specific URL for each application. Districts can post these links on their websites or communicate the links to the appropriate users. The link for each application is below (where "teamsurl" is your district's URL for TEAMS).

- Student Self Serve Mobile: *https://teamsurl/mobile/student*
- Parent Self Serve Mobile: *https://teamsurl/mobile*

Supported Devices for Accessing Applications With a Mobile Web Browser

Mobile web applications accessed by using one of the links above in a mobile web browser support the following devices:

- Apple products running iOS 5 or later on iPhone, iPad, or iPad Touch using Chrome Web browsers
- Android devices running version 3 or newer on smartphones or tablets using Chrome Web browsers
