**RE: RFP 19-60 Dry Staple & Canned Goods**

Request for Proposal **19-60** is an annual contract for dry staples and canned goods for Food & Nutrition Services. This bid has the option to renew for two additional one-year periods. Vendors marked with an asterisk were not as specified for that line item due to package size, minimum shipment requirements, samples not provided, non-domestic products or quality standards not met.

It is recommended that the low bids meeting specifications be awarded by line item and all vendors responding be approved for catalog purchases.

**RE: RFP 19-61 Frozen & Refrigerated Foods**

Request for Proposal **19-61** is an annual contract for frozen and refrigerated goods for Food & Nutrition Services. This bid has the option to renew for two additional one-year periods. Vendors marked with an asterisk were not as specified for that line item due to package size, minimum shipment requirements, samples not provided, non-domestic products or quality standards not met.

It is recommended that the low bids meeting specifications be awarded by line item and all vendors responding be approved for catalog purchases.

**AWARDED VENDOR**

**ESTIMATED AWARD: \$250,000.00**

**TO:** Cindy Powell  
Chief Financial Officer

**FROM:** Tammy Craig  
Director of Purchasing

**DATE:** May 2, 2019

**RE:** **Bid 19-64 Grounds Supplies for Inventory & Catalog**

Bid Number **19-64** is an annual contract for grounds supplies for inventory. In addition to the inventory line items, the bid asked for a discount from the vendor’s catalog, price list or shelf price. This will allow the District to purchase items which are not identified at this time. Item marked with an asterisk was a tie-bid award.

In accordance with Subchapter Z, section 271.901(b) of the *Local Government Code* regarding tie bids, a tie bid drawing was held between Gail’s Flags & Golf Course Accessories and Lowery Sand & Gravel, for one item. The awarded vendor drew the lot marked “contract.”

It is recommended that the low bids meeting specifications be awarded by line item, and that all vendors meeting specifications submitting catalog bids be approved.

**DATE:** May 2, 2019

**RE:** **Bid 19-66 Tools for Inventory**

**AWARDED VENDOR**

**Estimated Award: \$ 200,000.00**

**TO:** Cindy Powell  
Chief Financial Officer

**FROM:** Tammy Craig  
Director of Purchasing

**DATE:** May 2, 2019

**RE:** **Bid 19-67 Door Hardware & Accessories for Inventory & Catalog**

Bid Number **19-67** is an annual contract for door hardware & accessories and/or services for inventory. In addition to the inventory line items, the bid asked for a discount from the vendor's catalog, price list or shelf price. This will allow the District to purchase items which are not identified at this time. Items marked with an asterisk are not as specified due to brand substitution. Item marked with two asterisks was a tie-bid award.

In accordance with Subchapter Z, section 271.901(b) of the *Local Government Code* regarding tie bids, a tie bid drawing was held between Fairway and Woodard Builders Supply, for one item. The awarded vendor drew the lot marked "contract."

It is recommended that the low bids meeting specifications be awarded by line item, and all vendors meeting specifications be approved for catalog purchasing.

\*\*Tie bid award

**TO:** Cindy Powell  
Chief Financial Officer

**FROM:** Tammy Craig  
Director of Purchasing

**DATE:** May 2, 2019

**RE: Bid 19-68 Band Equipment & Catalog**

Bid Number **19-68** is for band equipment for 2019-2020. The bid asked for pricing on selected items in the AISD Band Equipment catalog. Brands and part numbers are specified to match existing equipment that has been tested and found to have the greatest durability and the best sound quality. Two asterisks next to the price notates an item that did not meet specifications. In addition to the line items, the bid asked for a discount from the vendor's catalog, shelf price or price list. This will allow the District to purchase items or services, which are not identified at this time. An asterisk next to the price notates a tie bid, and a drawing was conducted for the award.

It is recommended that the low bid meeting specifications be awarded by line item, and all vendors meeting specifications be approved for catalog purchasing.

**DATE:** May 2, 2019

**RE:** **Bid 19-70 Choral & Elementary Music Equipment & Catalog**

Bid Number **19-70** is for choral & elementary music equipment for 2019. The bid asked for pricing on selected items in the AISD Choral & Elementary Music catalog. Brands and part numbers are specified to match existing equipment that has been tested and found to have the greatest durability and the best sound quality. Two asterisks next to the price notates an item that did not meet specifications. In addition to the line items, the bid asked for a discount from the vendor's catalog, shelf price or price list. This will allow the District to purchase items or services, which are not identified at this time. An asterisk next to the price notates a tie bid, and a drawing was conducted for the award.

It is recommended that the low bid meeting specifications be awarded by line item, and all vendors meeting specifications be approved for catalog purchasing.

**RE:** **RFP 19-79** Books for Summer Reading Program

Request for Proposal Number **19-79** is for an annual contract for the summer reading program. This program was started three years ago and the District has had great success. The program is based on research and impacts the summer-slide scale and reading levels. The RFP asked for the ability for our teachers to be able to select reading materials from the vendor's local warehouse. A list of books was provided as an example of some of the choices. The RFP also asked for the vendor to have the ability to provide a high percentage of stock of the listed examples for selection.

The RFP was evaluated by the Director of State and Federal Programs, the Specialist of State and Federal Programs and the Director of Purchasing and the Assistant Director of Purchasing. Awards were based on the criteria attached in the tabulation and were made for K-12 and College-Level selections, as per the specifications. The committee evaluated all vendors and made the decision based on the best value to the District. This contract has the option to renew for two additional one-year periods.

It is recommended that Scholastic Book Fairs be awarded the contract for K-12 level books and Barnes & Noble Booksellers be awarded the contract for college level books.
