Subject: 2019-2020 Board of Trustees Meeting Calendar

Purpose:

The purpose is to adopt a meeting schedule for the 2019-2020 school year.

Background:

RE: RFP 19-80 Soap, Sanitizer and Paper Goods

RFP Number **19-80** is an annual contract for sanitizer, soap and paper goods including dispensers. This contract has the option to extend for two additional one-year periods.

Proposals were solicited in order to maintain standardization across the District. By standardizing the dispensers along with the items, the District will:

- Reduce stock in the warehouse
- Refill less dispensers
- Reduce maintenance of the dispensers
- Lower cost by all departments and schools using the same products

The RFP specified that dispensers for all products listed shall be furnished, installed and maintained, at no cost to the District, for the life of the dispenser.

Items marked with an asterisk were not as specified due to size and packaging.

This bid has two all-or-none award sections marked in highlights. It is recommended that the low bids meeting specifications per section be awarded.

RE: Bid 19-81 Maintenance Supplies for Inventory & Catalog

Items marked with an asterisk were not as specified due to items being listed as no substitution.

It is recommended that the low bid meeting specifications be awarded by line item, and all vendors meeting specifications be approved for catalog purchasing.

Purpose:

Establish the 2018-19 special revenue budget for the Summer Feeding Program. Revenues and expenditures each total \$820,889.65. The grant period covers June 1, 2019 – August 1, 2019.

Background:

The District received notice that the award amount for the Summer Feeding Program is \$820,889.65.

The purpose of this program is to feed children during the summer months who have a nutritious breakfast, lunch, supper and snacks offered during the regular school session, but who may not have anything to eat when the regular school session is over. All students under age 18 are eligible to receive meals through this program. This year, 43 schools will be summer feeding sites and will serve approximately 91,199 free breakfasts; 147,721 free lunches; 2,100 free suppers; and 14,180 free snacks.

Revenue is generated through federal and state reimbursement at a set rate, based on the number of meals served. All expenses of the program are covered with the reimbursement. Because revenue is based on a per-meal-reimbursement, it is possible to generate more revenue than expenses. Program guidelines allow the District to transfer excess revenue into the general Food Service fund.

The funds received will be used for staffing, food and supplies, and for mileage reimbursement for the program coordinator and supervisor to travel between summer feeding locations.

They combine outside of class to prepare for their holiday tour, UIL contest, and other special performances. This year they were the only junior high mixed choir in the country to be invited to sing at the American Choral Directors Association National Convention in Kansas City, Missouri. They were actually the first junior high choir program in Arlington to ever receive this honor. The directors are Christi Jones, a product of AISD who has been teaching for nineteen years, and Keith Daniel, who has been teaching for twelve years. They have been teaching together at Young for ten years. They performed "Mimi ni Nuru", which is Swahili for, "I am the Light", based on the text from John 8:12, written by Mrs. Jones as a closer for their ACDA program.

B. Student of the Month

Venture High School Principal Mr. Greg Meeks introduced the May 2019 Student of the Month Marcus Harris, Junior. He shared that Marcus arrived at Venture in October 2018 from Bowie High School. He was and remained connected to the Bowie band, which allowed him to participate and perform with the band. Marcus was proactive about his UIL eligibility and requirements to meet that eligibility. Marcus also joined the Venture creative music (band) class that performs at graduations and other events. With that motivation and work to understand how Venture could assist him in meeting his goals, Marcus has acquired enough credits to be on track and graduate with his class of 2019 cohort. Marcus is a very respectful and responsible student who is diligent about taking the right steps to be successful in his future endeavors. A. TASB Board Policy Update 112

Assistant Superintendent of Administration Michael Hill shared an overview of the 41 legal and 14 local policies included in TASB Update 112. He highlighted some of the local policy changes recommended by TASB related to purchasing, technology resources, employee standards of conduct, parent complaints and advertising. Next steps include continued review by the appropriate staff and the Board Governance Committee, then bringing this update back for Board consideration and adoption at the May 16, 2019 Board meeting. Dr. Reich recommended any Board Members with questions share those with Dr. Cavazos for review by the Board Governance Committee.

B. 2014 Bond Update

Mrs. Powell presented a financial summary and status review of the 2014 bond program projects. She reported that all projects are expected to be completed within budget. Phase five projects include construction at twelve schools, five projects in design and one project in bid phase. Mrs. Powell also shared an overview of the work of the Citizens Bond Oversight Committee for the 2014 bond program. They are preparing a presentation to possibly present to the Board on May 16, 2019. She reported that the Capital Needs Steering Committee continues their work with meetings, surveys and further refining district needs. Minutes – Regular Meeting May 2, 2019 Page 5 of 6

Board members asked clarifying questions regarding the HUB consultant, alignment with bond work and future presentations.

C. Legislative Update

Mrs. Powell reported that twenty-five days remain in the 86th Legislative Session; the last day is May 27, 2019. Regarding academic accountability, Mrs. Powell reported that both bills filed by Representative Turner passed the House and moved to the Senate for consideration. Legislation for school safety and mental health, Senate Bill 11 passed through both chambers and moved to conference committee. Mrs. Powell shared the differences between the House and Senate plans for school finance and tax relief. She explained that they both include \$9 billion in new money for school districts. Due to the specific requirements within each plan, however, she estimated that AISD would gain \$32 million with the House plan and \$644,284 with the Senate plan. The House plan includes funds designated for raises but does not define the calculation, while the Senate plan requires a \$5,000 raise for all full-time teachers and librarians and does not include other employees. The Senate plan would not provide the funds needed to support a full-day prekindergarten program. Districts across the state have expressed concerns related to the Senate version of the school finance and tax relief plan. The House passed a school finance plan and once the Senate passes a school finance plan, a conference committee will negotiate the final terms. Mrs. Powell presented a chart reflecting the maintenance and operations tax rate categories. The Arlington ISD current tax rate is \$1.04 and the current law allows a tax rate maximum of \$1.17. The House and Senate plans for property tax relief include possible changes in homestead exemptions, reduced tax rates, and further compressions over the next three years. Mrs. Powell also reported that following AISD testimonies for House Bill 2097 before the House Public Education Committee on April 4, 2019 the Committee Chair directed AISD representatives to meet with TRS officials. The meeting took place on April 18, 2019 and TRS agreed to partner with AISD on a plan design, separate from existing ActiveCare plans, as a pilot. A memorandum of understanding is being prepared to establish each party's responsibilities, timeline, and reporting.

Board members thanked Mrs. Powell and staff for continuing to provide detailed legislative updates, noting the continued engagement of the Board and AISD staff. Critical decisions are being made over the next couple of weeks. Board members asked clarifying questions regarding the constitutional amendment, the genuine interest of TRS in partnering with AISD, and school safety.

OPEN FORUM FOR NON-AGENDA ITEMS: None

SUPERINTENDENT'S REPORT:

Dr. Cavazos reported that the Parent and Community Engagement Department did a fantastic job at Father Fest last weekend, continuing their focus on dad's outreach for the district. This event has evolved from Papapalooza in past years, and this year's event, held inside the MAC at Bowie High School, was the biggest turnout yet. Dr. Cavazos thanked all of the community partners who helped make that event a success.

The inaugural Arlington College and Career High School class met for a welcome celebration at the TCC-Southeast campus. The Class of 2023 will be the first graduating class from ACCHS and this event gave them a chance to meet and get to know each other and the school. Dr. Cavazos shared that AISD is excited for the newest collegiate high school and the opportunities it will provide our students.

Superintendent Cavazos shared that Seguin High School celebrated its senior class with a senior walk for National College Signing Day. Graduating seniors walked the halls escorted by the Seguin cheerleaders and drum line. Most seniors were wearing their college shirt to show which college they will be attending in the fall. Dr. Cavazos congratulated the seniors on graduating and a bright future ahead.

Dr. Cavazos also reported that the AVID students received their graduation cords during the AVID Senior Celebration at Sam Houston High School. More than 425 students from all six traditional high schools will graduate with AVID cords. Combined they have earned more than \$19 million in scholarships. Dr. Cavazos congratulated all the AVID students.

B. Community Engaged for Excellence Award of Appreciation

Executive Director of Marketing and Communications Anita Foster announced that the Arlington Police Department was the May Community Engaged for Excellence Award of Appreciation recipient and introduced Arlington Police Department Chief, Mr. Will Johnson. Ms. Foster reported that the Arlington Police Department is engaged with Arlington ISD in various collaborative programs to support the needs of local youth. Mentoring programs include Coach 5.0 and the MAY program. Established in 2015, Coach 5.0 is a program that provides Arlington police officers to help teens cope with the pressures associated with being a student athlete. Working with coaches, the officers help to reinforce the messages of perseverance, discipline and teamwork. The positive results are immediate and nurture long-term relationships. The Mentoring Arlington Youth Program was created to serve young African-American and Hispanic male students in the seventh and eighth grades. This 18-month program offers interactive workshops on leadership, team building, education and career development. To emphasize the importance of giving, this program also includes community servicelearning modules. Launched in July 2015 at Workman Junior High, the Mentoring Arlington Youth (MAY) program seeks to foster one-on-one relationships between higher potential youth and positive adult role models to enhance confidence by supporting academic achievement, increasing social and cultural awareness and promoting personal development. The Arlington Police Department works with area community partners and the Arlington ISD to pair mentors with student mentees. Career exploration programs include Hometown Recruiting Program and the Youth Explorer Program. With the Hometown Recruiting Program, the Arlington Police Department invests in the youth of Arlington and helps to ensure that new generations of degreed hometown recruits will be available to serve the community as trained officers in the future. The Arlington Police Department has partnered with the Arlington ISD and the University of Texas at Arlington to, upon completion of their degree at UT Arlington; program graduates are guaranteed an interview with the Arlington Police Department. They are invited to participate in recognition ceremonies and are given preferred consideration in an upcoming police training academy. The Youth

Explorer Program is open to anyone age 14 to 20 who is interested in pursuing a law enforcement career. Members receive police-related training and exposure that includes ride-outs with APD patrol officers. Explorer Post members are also involved in many community service projects in Arlington. Lastly, the Take 25 Campaign is a grassroots safety initiative created by the National Center for Missing and Exploited Children. On National Missing Children's Day, observed annually on May 25th, the Arlington Police Department encourages parents and guardians to "Take 25" minutes to talk with their children about staying safe. The Take 25 campaign serves as a reminder to make child safety a national priority. As the school year draws to an end every year, the Arlington Police Department takes this campaign into area schools. The Arlington Police Department continues to be a committed Arlington ISD partner. President Mays and Dr. Cavazos presented Chief Johnson with the Community Engaged for Excellence Award of Appreciation.

C. Special Recognition for Arlington Police Officers Assisting Student

Ms. Anita Foster shared that the AISD and Board also wanted to recognize and show gratitude to an outstanding group of officers from the Arlington Police Department. On March 27, 2019 Rodney Rundles, Terry Slaybaugh, Jill Willis, Keith Farley and Deric Sheriff demonstrated an extraordinary act of service. They were resourceful and quick thinking as they flagged down an 18-wheeler and directed the driver to pull up under a bridge just below where a teenage student was standing and looking like he was getting ready to jump. As soon as the truck driver got under the bridge, the teen jumped off the bridge and landed safely on the trailer. The teen was not injured, and officers took him to the hospital to get help. She thanked the officers intervening, helping this teen and showing care. President Mays and Superintendent Cavazos presented Officer Rodney Rundles, Officer Terry Slaybaugh, Officer Jill Willis, Officer Keith Farley, and Officer Deric Sherrif with certificates in recognition of their extraordinary act of service to the Arlington ISD and its students.

President Mays announced that the Citizens Bond Oversight Committee presentation would be moved to follow the break, and that we would proceed with the administrative appointments.

DISCUSSION / ACTION:

A. Consider 2019-2020 Student Code of Conduct

Dr. Cavazos shared that staff had been working with the Board Governance Committee on the 2019-2020 Student Code of Conduct and turned discussion over to Chair Bowie Hogg.

Mr. Hogg shared that the draft was sent to the Board with many updates. He thanked Mr. Chapa for all the work on the revisions, noting he did a very good job and it was very helpful. The revised draft is easily readable; it is easy to find items and is very succinct. Mr. Hogg reported that there would be no motion at this time and that Mr. Hill was taking the revisions from the Board Governance Committee back to the Student Code of Conduct committee for their review. The Student Code of Conduct is a base standard for behavior to be used when needed as a basis to empower teachers and principals. Most of the revisions are in the dress code section. He shared that the committee was open to discussion and those with input could send an email. This item will be brought back to the next meeting for additional discussion.

DISCUSSION:

A. 2019-2020 Board of Trustees Meeting Calendar

Dr. Cavazos reported that the Board was provided with a draft calendar. He thanked Administrative Assistant Lisa Benjamin for her work reviewing for possible conflicts and preparing the draft.

President Mays shared that this is a discussion item for the Board to review and consider and that this will be brought back as an action item at the next meeting.

B. Legislative Update

Chief Financial Officer Cindy Powell reported that there was not much change in the legislature in the last two weeks and that there were ten days to the end of the session. Mrs. Powell shared a review of the school finance and tax relief plans, comparing the difference between the House plan and the Senate plan. While both plans provide \$9 billion total new money, AISD would gain an estimated \$32 million with the House plan and an estimated \$644,285 with the Senate plan. Mrs. Powell shared an overview of the main differences between House and Senate versions related to basic allotment, tax rate compression, property values used to determine local share, funding for tax relief, and outcomesbased funding. She shared that the House and Senate members of the Conference Committee will meet to work through the differences in the two plans and come to an agreement.

Board Governance Committee Chair Mr. Hogg thanked committee members Ms. Walton and Mr. Chapa, as well as Mrs. Powell, for their continuing work. He also thanked Superintendent Cavazos for his trips to meet with Lt. Governor Patrick. He shared that the next ten days were crunch time and the vast differences between the House and Senate were critical. He noted that the Senate version creates an unfunded mandate for AISD in order to make sure all staff is funded, as they only provide raises for teachers. The Board Governance Committee meets every Friday with the legislative consultant and has had a number of letters delivered to House and Senate members sharing opposition or support. The letters are making a difference as legislators are calling to ask questions regarding the specific reasons for AISD's position. Mr. Hogg reported that he used a TASB app program to send a letter directly to the legislators on the HB 3 Conference Committee. He encouraged his colleagues to send a letter and shared that if HB 3 goes through and then \$500 million helps with property tax relief it would be a good thing for Texas.

Board members asked questions regarding the funding for the teacher raises after ten years, the source of the funding, legislative consultant support, local governance and the constitutionality of a bill that would limit the ability to support legislative agendas that advocate for teacher, students and education.

OPEN FORUM FOR NON-AGENDA ITEMS:

Hector Carillo, representing LULAC, spoke regarding the grievance procedure.

Luis C. Castillo spoke regarding due process.

SUPERINTENDENT'S REPORT:

Dr. Cavazos reported that AISD night at the Texas Rangers game was a huge success. The Lamar Madrigals sang both the Canadian and United States national anthems since the Rangers were facing the Toronto Blue Jays. Bowie High School head football coach Danny DeArman threw out the first pitch, and many AISD employees and families enjoyed a beautiful evening for a baseball game. He thanked the Texas Rangers for their continued support of the district and its students.

The 2019 AWARE winners were honored in a nice ceremony and dinner. Heather Bush from Little Elementary, Kimberly Scioneaux from Larson Elementary, Emmanuel Ruiz from Butler Elementary, Ginny Leatherwood from Bailey Junior High and Johnathane Gaffney from Seguin High School were recognized. The AWARE Foundation has recognized teaching excellence in the AISD for thirty years, and AISD appreciates all that they do for our teachers.

They acknowledged the storied history and also celebrated a bright future as the school transitions to become Crow Leadership Academy next school year. Principal Jamie MacDougall and the staff and families at Crow Elementary did a great job.

Superintendent Cavazos also shared that he spent some time with two of the first-ever STEM Academy graduates at Martin High School. Trinity Stallins and Samantha Maldonado are examples of the excellence, rigorous coursework and innovative learning experiences taking place at the STEM Academy as both will be headed to MIT in the fall as freshmen.

Ms. Walton noted that Samantha Maldonado, mentioned in the Superintendent's report, went to Swift Elementary when she was there. Samantha was a hard worker on battle of books and Ms. Walton is glad for her access to such a wonderful future.

Mr. Chapa reported that the Board received information this week, in connection with the Bond and other goals to increase choice. In the second graduating class for the Arlington Collegiate High School, 90 out of 98 students will earn their associate degrees. He is looking forward to the opening of a second early college high school. He noted that recently a company interviewed students at the Career Tech Center and all twenty-five students were offered positions.

President Mays reported that her last student was graduating from high school. She thanked her colleagues for trusting her to serve as president. She shared that she humbly appreciates the opportunity and will work diligently. She noted that when the mic goes off, they are just a team.

Meeting Date:	June 4, 2019	Consent Item
Subject: Contrac	t Renewal with Tarrant County for Assessment and Collection of Ta	xes

Purpose:

To consider renewal of the contract with the Tarrant County Tax Assessor/Collector for the collection of property taxes during the 2019 tax year.

Background: The District has contracted with the Tarrant County Tax Assessor/Collector to collect the District's property taxes since 1994. The contract provides the District with an efficient, economical way to collect property taxes. The Tarrant County Tax Assessor/Collector mails consolidated tax bills to all property owners in Tarrant County, including all AISD property owners. Property owners render their payment of property taxes to Tarrant County. Tarrant County deposits property tax collections into an interest-bearing investment for safekeeping until the collections are distributed to the AISD, generally within three working days of their collection. Interest earned on these tax deposits is distributed to the taxing entities on an annual basis.

The Tarrant County Tax Assessor/Collector is required, by law, to charge taxing entities 100% of the cost the County incurs to collect taxes. For the 2019 tax year the County will charge its customer entities \$0.98 per account, which is the same rate the County charged for the prior year. The total cost for this service is approximately \$304,377 for the year.

<u>Recommendation</u>: Administration recommends approval of the contract for property tax collection services for the 2019 tax year.

The purpose of this Agreement is to state the terms and conditions under which the ASSESSOR/COLLECTOR will provide assessment and collection services of Ad Valorem taxes levied by the School.

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

Arlington ISD hereinafter referred to as School, whose address is 1203 W Pioneer Pkwy, Arlington, TX 76013.

I. SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR agrees to bill and collect the taxes due and owing on taxable property upon which the School has imposed said taxes. The ASSESSOR/COLLECTOR shall perform the said services in the same manner and fashion as Tarrant County collects its own taxes due and owing on taxable property. The services performed are as follows: receiving the Certified Appraisal Roll from the appropriate Appraisal District and monthly changes thereto; providing mortgage companies, property owners and tax representatives, tax roll and payment data; providing all necessary assessments of taxes and Truth in Taxation calculations as required; the transmittal of tax statements via the U.S. Mail or electronic transfer of data; and payment processing. All School disbursements, made by check or by electronic transfer (ACH), for collected tax accounts will be made to the School on the day the COUNTY Depository Bank indicates the mandatory assigned "float" period has elapsed and the funds are posted to the collected balance. If any daily collection total is less than one hundred dollars (\$100.00), the disbursement may be withheld until the cumulative total of taxes collected for the School equals at least one hundred dollars (\$100.00), or at the close of the month.

III. COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, compensation for the services rendered is a rate of ninety-eight cents (\$0.98) per account located within Tarrant County, and two-dollars (\$2.00) per account located outside Tarrant County. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be

received from the School by February 28 of each contract year. The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV. AUDITS

The ASSESSOR/COLLECTOR will provide to the School auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the School auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the School.

V. TAX RATE REQUIREMENT

The School will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the School's current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Wednesday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the School. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by Arlington ISD will be paid by Arlington ISD.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI. COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the School of that fact and the reasons therefore.

VII. DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the School shall be promptly transferred to the account of the School at the School's depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the School's funds from the COUNTY Depository to the School's designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to Arlington ISD due to unforeseen or unanticipated circumstances.

VIII. INVESTMENT OF FUNDS

The School hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the School during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the School all interest or other earnings attributable to taxes owed to the School. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the School.

IX. REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the School of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for Arlington ISD exceeds collections for Arlington ISD, Arlington ISD will be placed in a negative status and no distributions made to Arlington ISD until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the School's jurisdiction. The proportional share is based upon the School's percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the School is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the School to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the School and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X. DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the School through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the School.

If the delinquent collection Attorney contracted by the School requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the School and will be added to the collection expenses and charged to the School.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI. TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out, and shall continue in effect through the 2021 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

XII. NOTICES

Any notices to be given hereunder by either party to the other may be effected by e-mail, or in writing, either by personal delivery or by mail, registered or certified, postage prepaid with return receipt requested. Mailed notices shall be addressed to the address of the parties as they appear in the introductory paragraph of this Agreement, but each party may change this address by notice in accordance with this paragraph.

XIII.

MISCELLANEOUS PROVISIONS

Meeting Date: June 4, 2019 Discussion/Action Item

Subject: Consider Proposed 2019 Tax Rate for Required Notice of Public Meeting to Discuss Budget and

Proposed Tax Rate

<u>Purpose</u>: To provide the Board of Trustees an opportunity to vote on the proposed tax rate that will be posted in the Notice of Public Meeting to Discuss Budget and Proposed Tax Rate for the 2019-20 Budget.

<u>Background:</u> Texas Education Code 44.004 requires school districts to hold a public meeting to discuss the budget and proposed tax rate for the succeeding year, and to publish a "Notice of Public Meeting to Discuss Budget and Proposed Tax Rate" (Notice) at least 10, but not more than 30, days prior to that meeting. The public meeting must be held before the budget can be adopted.

The language and format of the notice is prescribed by the state Comptroller's office and must include both the proposed Maintenance & Operations tax rate and the proposed Debt Service tax rate. A school district may not adopt a tax rate that exceeds the proposed rate published in the notice. Should the Board desire to set a tax rate higher than that published in the original notice, the District would be required to publish a revised notice with the higher proposed tax rate and hold another public hearing to discuss the revised tax rate.

The District will hold a public meeting on June 18, 2019, to discuss the 2019-20 budget and proposed tax rate. The 2019-20 budget must be adopted by June 30, 2019. The tax rate will be adopted in August, following receipt of the July 25th certified property values from Tarrant Appraisal District.

School finance and property tax reform legislation passed during the last three days of the 86th Texas Legislature will lower school district property tax rates and increase state funding for public education. June 16, 2019, is the deadline for the governor to approve or veto bills passed by the Legislature, and it is widely expected that the governor will approve the school finance and property tax reform bills. The technical changes included in the reform bills are comprehensive. Time will be required for the Texas Education Agency and Texas Comptroller to thoroughly analyze and incorporate the changes into funding formulas and tax rate disclosure forms. The required Notice that school districts publish in June 2019 will be based on the best understanding of new legislation. Following the initial publication of the Notice, if it is determined that the new legislation requires different or additional disclosures for adoption of the tax rate, the District will publish a revised Notice before the Board considers adoption of the 2019 tax rate in August.

<u>Recommendation:</u> A formal vote on the proposed Maintenance & Operations and Debt Service tax rates that will be posted in the Notice of Public Meeting to Discuss Budget and Proposed Tax Rate for the 2019-20 Budget is recommended.

Subject:	Consider 2019-2020 Student Code of Conduct	

Purpose:

To present recommended changes to the Student Code of Conduct for the 2019-2020 school year for discussion and possible action.

Background:

A committee consisting of students, parent/community members, teachers representing elementary, junior high and high school, campus administrators and central administrators met over a three-week period during the spring of 2019 to review and consider changes to the Student Code of Conduct. The process included all stakeholders reviewing the document and making recommendations for additions, deletions and revisions to the document. Those recommendations were vetted by the committee and presented to administration and the legal department for review. The proposed revisions were presented to the Board Governance Committee for further review.

Recommendation:

The Administration recommends the Board of Trustees approve the recommended changes to the Student Code of Conduct for the 2019-2020 school year.
