

**Wellness Goal** As the District supports the general wellness of all students, the District's wellness goal shall be to provide an age-appropriate wellness education and an environment for students that encourages healthy eating and a physically active lifestyle.

[See EHAA for information regarding the District's coordinated school health program.]

**Development, Implementation, and Review of Guidelines and Criteria**

The local School Health Advisory Council (SHAC), on behalf of the District, shall review and consider evidence-based strategies and techniques and shall develop nutrition guidelines and wellness criteria. In the development, implementation, and review of these guidelines and criteria, the SHAC shall permit participation by parents, students, representatives of the District's food service provider, physical education teachers and school health professionals, members of the Board, school administrators, and members of the public.

[See BDF for required membership of the SHAC.]

Wellness Plan

The SHAC, in collaboration with the District, shall develop a wellness plan to implement the District's nutrition guidelines and wellness criteria. The wellness plan shall, at a minimum, address:

1. Strategies for soliciting involvement by and input from persons interested in the wellness plan;
2. Objectives, benchmarks, and activities for implementing the wellness criteria;
3. Methods for measuring implementation of the wellness criteria;
4. The District's standards for foods and beverages provided, but not sold, to students during the school day on a school campus; and
5. The manner of communicating to the public applicable information about the District's wellness plan.

The SHAC shall review and revise the plan on a regular basis and recommend revisions to the wellness policy when necessary.

**Nutrition Guidelines**

Food and  
Beverages Sold

The District's nutrition guidelines for reimbursable school meals and all other foods and beverages sold or marketed to students during the school day shall be designed to promote student health and reduce childhood obesity and shall be at least as restrictive as federal regulations and guidance, except when the District allows an exemption for fundraising activities as authorized by state and federal rules.
