Board of Trustees Communication

Meeting Date: February 20, 2020 **Action Item**

Subject: Consider Extending the Terms of Members of the Financial Futures Committee, Appointing New Members and Alternates to the Committee and Appointing the Financial Futures Committee Chairperson

Purpose:
To give the Board of Trustees the opportunity to extend the terms of members of the Financial Futures Committee, appoint new members and alternates to the committee and appoint the Financial Futures Committee chairperson

Background:
The scope and purpose of the Financial Futures Committee ("FFC") is to provide findings and recommendations from community stakeholders to the Board of Trustees relating to budgets and long-range financial planning to support the District's Strategic Plan. The FFC serves in an advisory capacity to the Board of Trustees.

A charge to the FFC was approved by the Board of Trustees on January 19, 2017, and a copy of that charge is attached hereto. A maximum of 18 individuals are appointed by the Board to serve two-year staggered terms on the committee. The charge details the composition of the FFC and contains a provision stating "[t]erms may be extended for additional one or two year terms upon approval by the Board."

The terms of all individuals currently serving on the FFC will expire February 29, 2020. The individuals whose terms were originally scheduled to end in February 2019 were extended for one additional year by the Board of Trustees on February 7, 2019, to continue work in progress around potential recommendations regarding a tax ratification election and/or a bond election to address long-range financial needs.

The Board Community Engagement Committee will recommend appointing members and alternates to the committee, possibly extending the terms of current members of the Financial Futures Committee and appointing a Financial Futures Committee chairperson.

Recommendation:
Administration recommends that the Board of Trustees extend the terms of members of the Financial Futures Committee, appoint new members and alternates to the committee and appoint the Financial Futures Committee chairperson in accordance with provisions in the FFC Charge.

AISD BOARD OF TRUSTEES CHARGE
to the
FINANCIAL FUTURES COMMITTEE

The scope and purpose of the Financial Futures Committee ("Committee") is to provide findings and recommendations from community stakeholders to the Board of Trustees ("Board") relating to budgets and long-range financial planning to support the District's Strategic Plan. The Board believes the function of the Committee is vital to the Board, AISD administration, and taxpayers.

The Committee shall operate strictly within the charge approved by the Board of Trustees.

The Committee shall serve in an advisory capacity to the Board and shall not assume the responsibilities or duties of the Board or the administration.

The Committee shall be comprised of a maximum of 18 members appointed by the Board of Trustees. Committee membership shall include:

- One representative from each of the six high school networks. Individuals serving on the Committee in this capacity must reside within their respective network attendance zone. Individuals related to an AISD employee by blood (consanguinity) within the third degree, or by marriage (affinity) within the second degree are not eligible for these positions.
- One employee representative from each of the three teacher associations (ATPE, TSTA, and UEA)
- One AISD campus principal
- Five at-large members who reside in the District. AISD employees and individuals related to an AISD employee by blood (consanguinity) within the third degree, or by marriage (affinity) within the second degree are not eligible for these positions.
- Three at-large AISD employee members including one secondary teacher, one elementary teacher and one salary non-exempt employee.

Every application received by the Board will be given careful consideration. The final selection will be determined by the Board in accordance with the membership composition detailed above.

In addition to Committee members, the Board may appoint Committee alternates at their discretion. Alternates may attend Committee meetings and participate in Committee discussions; however, they are not eligible to vote on Committee recommendations.

Committee members shall serve two-year staggered terms. In the year of creation, 9 of the 18 Committee members will be appointed to one-year terms, and 9 of the 18 Committee members will be appointed to two-year terms.

Terms may be extended for additional one or two year terms upon approval by the Board.

Any Committee member who files for election to the Board must immediately resign from the Committee.

The committee shall represent equally all citizens, all students, all school campuses, and all taxpayers within the boundaries of the Arlington ISD. Individual members of the Committee shall not exercise authority for the Committee as a whole and shall not act independently of the Committee.

The Committee shall operate within applicable AISD policies and regulations and applicable law. The Board may suspend the Committee at any time.

All meetings of the Committee shall be open to the public.

The Board of Trustees will appoint a Committee Chairperson to serve at the will of the Board. The Committee Chairperson and Superintendent or Superintendent's designee shall establish the specific timeline, frequency of meetings, and agendas for the meetings. The Committee Chairperson and Superintendent or Superintendent's designee shall also organize the formation of subcommittees, as appropriate, to research and analyze issues in greater detail. Subcommittees shall operate strictly within the Committee charge approved by the Board.

Members of the AISD administration shall be available to the Committee as required, but within limitations imposed by the administrators' daily duties.

Each Committee member will be asked to make a firm commitment to attend all Committee meetings, to visit District facilities as needed, and to participate in the formation of reports to the Board. Committee members shall miss no more than two Committee meetings in any calendar year (not including subcommittee meetings) to remain a member of the Committee. Any member who misses three Committee meetings in any calendar year will be removed from the Committee, and the Board may appoint an alternate to that vacant position.

Two-thirds of the Committee membership must be present at scheduled meetings in order for the Committee to vote. If less than two-thirds of the Committee membership is present, they shall meet but not vote. All decisions of the Committee shall be made by majority vote of those in attendance who are eligible to vote.

The Committee shall provide progress reports, findings, and recommendations to the Board annually or more frequently, if appropriate. The Committee Chairperson may contact the Board regarding Committee matters at any time.

Actions taken by the Board of Trustees on the recommendations presented by the Committee could include approval, amendment, alteration, or non-approval of Committee recommendations either in-whole or in-part.

The Financial Futures Committee is charged with the following responsibilities:

- Review external and internal data on issues relating to Texas public education, including the school finance and accountability systems and Texas bond election laws, to understand how those issues affect AISD's budget, tax rates and long-range financial planning.

- Review the District's strategic plan to understand the impact that the strategic plan may have on the budget, tax rates and long-range financial planning.

- Review the current general operating budget to gain an understanding of cost drivers and financial trends.

- Review data including, but not limited to, the following topics in order to assess the impact on AISD budgets and provide input, as appropriate:
    - Enrollment trends and projections
    - Property value trends and projections
    - Academic Services priorities and operational efficiency priorities presented to the Committee by the AISD administration
    - Current staffing methods in relation to state education law and current administration protocol
    - Compensation and benefits, including available salary market information, health insurance and wellness plan
    - Operating costs associated with bond projects

- Formalize recommendations for the budget and long-range financial plans as appropriate to support the District's strategic plan, including possible additions, reductions or deletions to the budget. Recommendations should be aligned with the strategic plan, priorities and budget considerations presented by AISD administration and should consider operational efficiencies. The Committee may recommend that budget items/initiatives be: (1) deferred to a future year budget or possible future bond election, (2) eliminated, or (3) outsourced.

- Present advisory, consensus reports and recommendations to the administration and Board annually or more frequently, if necessary, regarding the AISD budget and long-range financial plans.

RE: Bid Number **20-46** Fall Athletic Sports Supplies & Catalog

Bid Number **20-46** is an annual contract for fall athletic sports supplies. The supplies for this bid will be purchased for archery, basketball, cheerleading, cross-country, football, golf, gymnastics, softball, tennis & volleyball. In addition to the inventory line items, the bid asked for a discount from the vendor's catalog, price list or shelf price. This will allow the District to purchase items which are not identified at this time. Vendors marked with an asterisk were not as specified due to incorrect bid documentation and/or commodities specified in the bid. Items marked with two asterisks indicate a tie-bid, awarded to the local/Texas vendor.

It is recommended that the low bids meeting specifications be awarded by line item, and that all vendors meeting specifications submitting catalog bids be approved.

Subject: Change Order #1 Amending the Substantial Completion Date for 2014 Bond Construction Project for the Fine Arts Center and the Athletic Center (CSP#19-10)

Purpose: To give the Board of Trustees the opportunity to consider and act on Change Order #1 amending the substantial completion date for 2014 Bond Construction Project for the Fine Arts Center and the Athletic Center (CSP#19-10).

Background: During the early stages of project construction the General Contractor, AP Gulf State, Inc. dba Adolfson & Peterson Construction (AP), encountered unusually heavy periods of rainfall which caused delays to the construction schedule. AP is requesting an additional sixty-two (62) days to complete the project. The original contracted substantial completion date is July 10, 2020. Approval of the additional days will make the new substantial completion date September 10, 2020. The proposed Change Order #1 does not include adjustments to the Contract Sum.

The project architect, HKS Architects, has reviewed the change order and validated the additional days with AP and AISD staff. Attached are letters from HKS and AP explaining the need for amending the contract and increasing the number of days to complete the project for the Fine Arts Center and the Athletic Center. Administration is seeking Board approval for Change Order #1 adding 62 days to the contracted substantial complete date. Pending approval of Change Order #1 the amended substantial completion date will be September 10, 2020.

Recommendation: Administration Recommends Approval of Change Order #1 Amending the Substantial Completion Date for 2014 Bond Construction Project for the Fine Arts Center and the Athletic Center (CSP#19-10).

Change Order No. 01, dated December 12, 2018

Dear Mr. Parkos,

We are in receipt of AP's request dated 1/6/20 for 62 additional days to be added to the contract to extend the substantial completion date as a result of weather delays, to change the date from 7/10/20 to 9/10/20, with the Contract Sum to remain unchanged. HKS has reviewed this claim and find it to be valid and recommend approval by AISD.

Sincerely,

Scott B. Dunning

Subject: 2020-21 Budget Development Update	

Purpose: To present to the Board of Trustees an update on the development of Arlington ISD's 2020-21 General Fund Budget

Background: Arlington ISD's Board Policy CE (LOCAL) sets forth the following parameters for developing and adopting annual operating budgets:

- Target resources to support achievement growth
- Competitive compensation
- Staffing ratios approved before staffing process begins
- Balanced budget with limited use of fund balance
- Prioritize budget reductions with least negative impact on classroom

Development of the District's 2020-21 General Fund Budget began in January with the budget parameters above and the *Achieve Today. Excel Tomorrow.* strategic plan guiding the work. Campus and department budget requests have been submitted to the Budget Department, and department budget review meetings are underway. The Human Resources Department is meeting with principals to formalize campus staffing levels based on enrollment projections and staffing ratios approved by the Board of Trustees in December.

Work will continue on the 2020-21 budget throughout the spring, and a preliminary budget will be presented to the Board in June. The budget must be adopted by June 30, 2020, and the tax rate will be set in August 2020.

The administration will present an update on the 2020-21 budget development process, including information on revenue and expenditure projections, enrollment projections, compensation, full-day prekindergarten, property values and tax rates.
