SUBJECT: Competitive Sealed Proposal for the 2019 Bond Program, Phase 1, Bid

Package 6, Webb Elementary School Replacement Project

The District approved constructing a replacement school for Webb Elementary School as a part of the 2019 Bond program. Additionally, the Board of Trustees approved BRW Architects (BRW) as the design professional and approved Competitive Sealed Proposal (CSP) as the method of construction procurement for the project.

The project architect, BRW, completed the construction documents and the District requested proposals. Notification of the request for CSP was sent to local contractors, area chambers of commerce and contractors on a list supplied by the DFW Minority Business Council. Notice of the request for CSP was advertised in accordance with state law.

Proposals were received from thirteen general contractors:

AP Gulf States, Inc., dba Adolfson & Peterson Construction

Construction Zone of DFW, LLC

ICI Construction, Inc.

Imperial Construction, Inc.

Joeris General Contractors, Ltd.

Key Construction of Texas, LLC.

Lee Lewis Construction, Inc.

Gilbert May, Inc., dba Phillips/May Corporation

Poque Constructors, LP

RJM Contractors, Inc.

Ratcliff Constructors, Inc.

Reeder General Contractors, Inc.

Rogers O'Brien Construction, LLC.

Competitive Sealed Proposals received from the proposers were evaluated based criteria published in the CSP document:

Price	35%
Qualifications	40%
HUB Participation	10%
Interview	15%

An evaluation committee consisting of the Executive Director of Plant Services, Director of Facility Planning and Construction, the Senior Project Manager, the Staff Architect, the Project Manager, and the Design Architect completed evaluations. Lee Lewis Construction, Inc., (Lee Lewis) ranked highest amongst all proposers at 91.78 points. District staff has worked with Lee Lewis to ensure that the intended project scope is addressed and identify opportunities to reduce the proposed project cost.

The original project construction budget for the Webb Elementary School Replacement project is \$29,908.500. Lee Lewis offered a competitive sealed proposal amount of \$25,464,000 for the project. Administration recommends accepting Value Engineering (VE) option #1 deducting test and balance engineering services; #2 deleting Aaon roof top HVAC units in lieu of Lennox roof top HVAC units; and #3 deducting indoor air quality testing to reduce the proposed project cost by \$169,953. Additionally, administration recommends accepting add Alternate #1 for \$75,000 to provide LVT flooring in lieu of VCT; and, #2 for \$212,000 to construct the south drive of the entry boulevard into the campus. Finally, administration recommends establishing owner controlled allowance option #1 for \$30,000 to construct an additional faculty restroom on the second floor; #2 for \$250,000 to address site utility improvements; and #3 for \$50,000 to address pier depth overages. The final contract amount including VE options, add alternates, and owner controlled allowances is \$25,911,027.

The proposed construction contract is \$3,997,473 under the original project construction budget.

The architect's letter of recommendation for construction contract award for the replacement of Webb Elementary School is attached.

Administration recommends acceptance and approval of the Competitive Sealed Proposal from Lee Lewis Construction, Inc., in the amount of \$25,911,027. Pending approval, work on this project will begin in the spring of 2021 with final completion in the winter of 2022.

RE: CSP 21-28 FOR PH1-BP6 WEBB ELEMENTARY SCHOOL REPLACEMENT

Brown Reynolds Watford Architects has reviewed the Schedule of Values (SOV), provided by Lee Lewis Construction for the PH1-BP6 Webb Elementary School Replacement and the cost reduction options and allowances reviewed with Lee Lewis Construction and Arlington ISD. We believe the CSP amount of \$25,911,027.00, accurately reflects the scope of work documented in the Contract Documents dated January 8, 2021 and the subsequent value engineering review log dated March 9, 2021.

It is our recommendation that the Arlington ISD approve the proposed CSP.

RE: RFP Number **21-30**– Frozen/Refrigerated/Dry- Commodity/Commercial

RFP Number **21-30** is an annual contract for frozen/refrigerated/dry commodity processing. The proposal asked for pricing on commodity and commercial products. Vendors were allowed to submit alternate products not listed in the RFP. Commercial products will only be ordered when commodity products are not available for the menu cycle. In addition to the line items, the proposal asked for a discount from the vendor's catalog, price list or shelf price. This will allow the District to purchase items which are not identified at this time. Alternate products will be ordered if a need arises for those products.

The items with an asterisk were rejected because of taste, texture, or appearance, no sample submitted, or incorrect size. This contract has the option to renew for two additional one-year periods.

It is recommended that the low proposals meeting specifications be awarded for each commodity, and that all vendors meeting specifications, submitting catalog bids be approved.

RE: RFP 21-43 – Milk, Juice & Dairy

RFP Number 21-43 is an annual contract for Milk and Juice for the District's Child Nutrition program. Milk and juice are delivered directly to the schools. The bid asked for alternate items in addition to the line items. This RFP has the option to renew for two additional one-year periods. In addition to the line items, the bid asked for a discount from the vendor's catalog, shelf price or price list. This will allow the District to purchase items or services, which are not identified at this time.

It is recommended that the low bid meeting specifications be awarded the annual contract for milk and juice and all vendors submitting alternate products be approved for purchase of alternate items listed.

PROGRAM AND/OR PRESENTATION:

A. Student of the Month

Martin High School Principal Ms. Roddy introduced the March 2021 student of the month, Grace Soontornviwath. Grace is a top student, ranked in the top two percent and number nine in her class of 830 at Martin High School in Arlington, Texas. Grace is a member of Martin's STEM Academy and she is a member of all the following organizations and honor societies: National Honor Society, the Math National Honor Society, the Science National Honor Society, HOSA, and the Key Club. Grace not only participates in these organizations, but she won second place in a Medical Innovation Competition and is certified in Phlebotomy. She currently is the HOSA Vice President and was the historian before this year. Grace's passions also include a love for soccer and music. She is a member of the Varsity Soccer team and she also plays club soccer. She says soccer is her go-to for staying healthy and mentally focused. Grace's soccer coach, Coach Harrington says, "Grace always arrives to practice prepared to get better. Grace is a teammate that helps those around her reach greater heights. The Lady Warrior soccer team is stronger because "Soonie" is on the roster." Grace is a pianist who has competed and won seven state piano titles. She also is part of the Martin choir and received a number one rating in a solo/ensemble contest. Grace said that competing at the state level in piano helped her to develop stress management and discipline. She shared that her piano instructor, Ms. Shelly Fuller, helped her to rebound after her first entry at the state level when she was still in elementary school. By focusing on improving those areas highlighted for growth, she was able to win

Minutes – Regular Meeting March 11, 2021 Page 2 of 6

the state level each of her subsequent years of entry. Grace's interests in science and the STEM Academy probably are influenced by her parents. Her mom is a nurse, and her father is an engineer. A special experience for Grace was working in the summers at Texas Health Harris Methodist Hospital in Fort Worth as a volunteer. Her first summer she worked in the orthopedic wing and her second summer she worked in the NICU. She was able to hold babies as part of her volunteer position. Those special experiences at the hospital reinforced her interest in becoming a physician and going into premed when she starts college. Grace says someone she greatly admires is her own physician, Dr. Mark Jones. She says that what most impresses her about him is that he builds relationships with all his patients by taking notes on their conversations and then reviewing those notes before each of his appointments with patients. He asks questions about her life that are unique to her and she says she will adhere to his practice so that she can bond with her patients in the future. This next fall Grace will start Stanford University in Palo Alto, California where she has been accepted. This will be a new adventure for Grace because she has never lived anywhere but Arlington, Texas so while this opportunity is especially exciting, it also presents Grace with some trepidation. She plans to deal with this by immediately getting involved with campus life and meeting new friends. Grace Soontornviwath is a definite risk-taker who takes ownership of her learning. She seeks challenges and demonstrates a growth mindset in all facets of her life. Her academic and extracurricular accomplishments are extensive and impressive.

DISCUSSION / ACTION:

A. Reopening Schools 2020-2021 Plan Update and Any Motions Therewith

Assistant Superintendent of School Leadership Dr. Tracie Brown presented an update on the COVID-19 vaccination event, the CDC post-vaccine guidance and the AISD and Tarrant County COVID-19 data. On March 8, 2021, a joint effort led by the Arlington Fire Department and including FEMA, the Arlington Police Department, and AISD nurses and security staff, provided an opportunity for all AISD employees to receive the Johnson & Johnson vaccine. Dr. Brown reported that although Governor Abbott rescinded the mask mandate, AISD plans to continue the *Return to School Plan* that has been in place since the beginning of the school year. The plan includes wearing masks, social distancing where possible, hand sanitizing and other safety protocols. She also reported that people who tested positive during the last ninety days and those who are fully vaccinated for COVID, do not need to isolate during a ninety-day period unless they are symptomatic. It is possible that the exemption window for vaccinated individuals will be extended as more is known about the vaccines. Data reflects that all Tarrant County COVID-19 metrics are trending downward. COVID hospitalizations are down to six percent. The AISD COVID dashboard, which is updated every Tuesday, also reflects a downward trend.

Board members had an extended conversation with clarifying questions regarding students returning to campus, protocols, student learning and student well-being. President Mays noted that they took the time for the discussion because they care. The Board always considers the impact on students, impact on student achievements and providing resources needed. Their focus cannot change due to the pandemic or economic situation.

President Mays asked Board Members to vote by roll call.

Voting For: <u>5</u> Voting Against: 0

Abstain: 1

Kecia Mays abstained due to conflict of interest.

President Mays reported that the motion passed.

Regarding Consent Item L, Mr. Chapa stated he pulled the item and several meetings ago he also pulled this item and voted against it then and would likely vote against it again. This is not a statement on this project or the work being performed by the contractors as Crow is an integral part of the East Arlington master plan. This is a substantial and worthwhile project for Crow. This project has come back again for a change order due to a large drainage component and request from the City of Arlington. The City is a great partner and AISD is a good faith partner, however, every once in a while a project comes back again and again. This is another almost \$100 thousand for a drainage project that we thought was done. This single component of the project has exceeded \$1.3 million, ten percent of the entire project for Crow Elementary. He feels there is a misallocation for this component of the project and the District is subsidizing what should probably be a future City bond package. He feels this part of the project has not gone the way it should have, so he pulled the item again and made this statement of his opinion.

Motion by Bowie Hogg, second by Melody Fowler, to approve.

DISCUSSION:

A. Summer 2021 Instructional Planning Update

Chief Academic Officer Dr. Wurtz presented an overview of *Operation Reconnect* and instructional programs planned for summer 2021. Students with excessive absences in the spring 2021 semester and no show students are the focus student population for summer programs. Dr. Wurtz reviewed the student performance data and failure rates for elementary, junior high and high school students. *Operation Reconnect* is an initiative designed to reconnect students who have been chronically absent or disconnected from school. Summer programming will be offered in-person and virtually. Teachers will teach in one environment only, either in-person learning or remote learning, and will participate in professional development specific to summer instructional programs. Kindergarten through sixth grade summer programs will focus academic gaps in English Language Arts and Reading (ELAR), Spanish Language Arts and Reading (SLAR) and math. Students will also engage in social emotional learning and at least one enrichment class. Seventh and eighth grade summer programs will focus on ELAR and math. Each high school will offer in-person and remote learning opportunities for ninth through twelfth graders. Their instruction will include end-of-course remediation, credit recovery, first time credit acceleration and dual credit opportunities. Summer programming is six weeks: session one is June 7-25; session two is July 5-23. Transportation and food service will be provided for students.

B. 2019 Bond Program Update

Executive Director of Plant Services Kelly Horn provided an update on the 2019 bond work. The total bond package is \$966,000,000 and \$41,270,921 has been expended to date. Mr. Horn provided a financial summary of the phase one bond work. There are twenty-five active bond projects at this time. Mr. Horn highlighted facility work at Gunn Fine Arts and Dual Language Academy, Crow Leadership Academy, the AISD food and nutrition center, and new playgrounds. HUB (historically underutilized business) participation is 26.40 percent, exceeding the goal. The East Arlington plan includes consolidation of Berry and Roark elementaries as well as Thornton and Knox elementaries. Berry Elementary will consolidate with Roark Elementary and open on the old Roark campus site August 2021 while Berry Elementary is being rebuilt. Thornton Elementary will consolidate with Knox Elementary and open on the old Knox campus site August 2021 while Thornton Elementary is being rebuilt. The new Berry Elementary and Thornton Elementary facilities are scheduled to open August 2023. The Family Literacy Program will relocate to Morton Elementary School.

President Mays thanked the community for voting for the bond and thanked the staff for the presentation letting the community know what is going on in their area.

OPEN FORUM FOR NON-AGENDA ITEMS: None

SUPERINTENDENT'S REPORT:

Superintendent Cavazos expressed his sincere thank you for Kelly Horn and his staff, the staff that is helping following the winter storms, with the relocation of students, and working on the bond projects. He noted that there are a number of people doing exceptional work, those that made the vaccinations possible on Monday coordinating the logistics over a short time with transportation, security, nurses, greeting people, administration staff, communication staff and research and accountability staff. Dr. Cavazos thanked Arlington Fire Chief Crowson, doing exceptional work when no one is paying attention and when people are paying attention. Chief Crowson called and made the vaccinations a reality, he put the pieces together and everyone targeted March 8, an asynchronous day. He also thanked the teachers for the work they are doing and thanked Mrs. Fowler for asking and surfacing the question, as we are indeed seeing an end and turning the corner and will feel better for all staff. He thanked staff for their dedication and shared his gratitude.

SCHOOL BOARD'S REPORT:

Ms. Walton reported that she was able to attend as the high school band trailers were unveiled. They are beautiful, functional and will move the instruments safer and better. She thanked the community for the bond that paid for the trailers and noted they are economical because the District is not renting

trucks to move things. It is much easier to load and care for the instruments. There are solar panels on the roof for the lights inside and the batteries for the hydraulics. She encouraged everyone to have a safe and happy spring break and to come back recharged and ready to go for the last weeks. Enjoy the time, but be safe.

President Mays reported that this month is national women's history month and challenged everyone to obtain some knowledge of some strong women that have changed the shape of the US and the world. She also challenged everyone to say something to a woman that has been inspirational in their life. President Mays quoted Beyoncé, "We need to reshape our own perception of how we view ourselves. We have to step up as women and take the lead." Mrs. Mays shared a shout out to J. B. Little Principal Ms. Woodard, Librarian Ms. Jackson and Ms. Connolly, second grade teacher, for opening up the classroom and letting her read How to Catch a Leprechaun. She thanked the students for being so attentive and polite, and was able to interact with both the in-class and virtual students.

Secretary Walton had no items to report.

ADJOURNMENT:

President Mays adjourned the meeting at 10:55 p.m. The Board did not return to closed session.

To ensure the accuracy of reported election returns, results printed on the tapes produced by Tarrant County's voting equipment will not be released to the participating authorities at the remote collection sites or by phone from individual polling locations.

The Elections Administrator will prepare the unofficial canvass reports that are necessary for compliance with Election Code Section 67.004 after all precincts have been counted and will deliver a copy of these unofficial canvass reports to each participating authority as soon as possible after all returns have been tabulated. Each participating authority shall be responsible for the official canvass of its respective election(s).

In the event of such runoff election, the terms of this Agreement shall automatically extend unless the participating authority notifies the Elections Administrator in writing within 3 business days after the original election, not counting election day.

Each participating authority shall reserve the right to reduce the number of early voting locations and/or Election Day voting locations in a runoff election.

Joint Election Agreement and Contract for Election Services Page 5			
Table 3			
	EA Initials	Entity Rep Initials	

Each participating authority agrees to order any runoff election(s) at its meeting for canvassing the votes from the May 1, 2021 election.

Each participating authority eligible to hold runoff elections agrees that the date of the runoff election, if necessary, shall be June 5, 2021.

XI. ELECTION EXPENSES AND ALLOCATION OF COSTS

The participating authorities agree to share the costs of administering the Joint Election. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared according to a formula which is based on the average cost per Election Day polling place (unit cost) as determined by adding together the overall expenses and dividing the expenses equally among the total number of polling places. Costs for polling places shared by more than one participating authority shall be pro-rated equally among the participants utilizing that polling place.

It is agreed that charges for Election Day judges and clerks and Election Day polling place rental fees shall be directly charged to the appropriate participating authority rather than averaging those costs among all participants.

Costs for Voting by Personal Appearance shall be allocated based upon the actual costs associated with each voting site. Each participating authority shall be responsible for a pro-rata portion of the actual costs associated with the voting sites located within their jurisdiction. Participating authorities that do not have a voting site within their jurisdiction shall pay a pro-rata portion of the nearest regular early voting site.

Costs for Early Voting by Mail shall be allocated according to the actual number of ballots mailed to each participating authority's voters.

Participating authorities having the majority of their voters in another county, and fewer than 500 registered voters in Tarrant County, and that do not have an Election Day polling place or early voting site within their jurisdiction shall pay a flat fee of \$400 for election expenses.

Each participating authority agrees to pay the Tarrant County Elections Administrator an administrative fee equal to ten percent (10%) of its total billable costs (but not less than \$ 75.00) in accordance with Section 31.100(d) of the Texas Election Code.

The Tarrant County Elections Administrator shall deposit all funds payable under this contract into the appropriate fund(s) within the county treasury in accordance with Election Code Section 31.100.

Cost schedule and invoicing.

A cost estimate for the services, equipment, and supplies provided by the Elections Administrator for the election and the runoff election is shown below and in section XII of this Agreement. This cost estimate shall serve as the cost schedule agreed upon by the contracting parties, as referenced in Section 31.093(a), Texas Election Code.

As soon as reasonably possible after the election or the runoff election, the Elections Administrator will submit an itemized invoice to each Party (i) for the actual expenses he/she incurred as described above and (ii) for the Elections Administrator's fee as described above. The invoice shall reflect any advance monies paid and any direct payments made. The Elections Administrator will use his/her best efforts to submit the invoice within thirty (30) days after the election or within ten (10) days after the runoff election.

The Elections Administrator's invoice shall be due and payable by each Party to the address set forth in the invoice within thirty (30) days after its receipt by the Party. If the Party disputes any portion of the invoice, the Party shall notify the Elections Administrator in writing within such thirty-day period or the invoice will be presumed to be a true and accurate rendering of the amount that is due.

XII. COST ESTIMATES AND DEPOSIT OF FUNDS

The total estimated obligation for each participating authority under the terms of this agreement is listed below. Each participating authority agrees to pay the Tarrant County Elections Administrator a deposit of approximately 75% of

Joint Election Agreement and Contract for Election Services Pa	ge 6

this estimated obligation within fifteen (15) days after execution of this Agreement. The exact amount of each participating authority's obligation under the terms of this agreement shall be calculated after the May 1, 2021 election (or runoff election, if applicable), and if the amount of an authority's total obligation exceeds the amount deposited, the authority shall pay to the Elections Administrator the balance due within thirty (30) days after the receipt of the final invoice from the Elections Administrator. XIII. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

Any participating authority may withdraw from this Agreement and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code. The withdrawing authority is fully liable for any expenses incurred by the Tarrant County Elections Administrator on behalf of the authority plus an administrative fee of ten percent (10%) of such expenses (but not less than \$ 75.00). Any monies deposited with the Elections Administrator by the withdrawing authority shall be refunded, minus the aforementioned expenses and administrative fee if applicable.

It is agreed that any of the joint election early voting sites that are not within the boundaries of one or more of the remaining participating authorities, with the exception of the early voting site located at the Tarrant County Elections Center, may be dropped from the joint election unless one or more of the remaining participating authorities agree to fully fund such site(s). In the event that any early voting site is eliminated under this section, an addendum to the contract shall be provided to the remaining participants within five days after notification of all intents to withdraw have been received by the Elections Administrator.

XIV. RECORDS OF THE ELECTION

The Elections Administrator is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each participating authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. The election records shall be stored at the offices of the Elections Administrator or at an alternate facility used for storage of county records. The Elections Administrator shall ensure that the records are maintained in an orderly manner so that the records are clearly identifiable and retrievable.

Records of the election shall be retained and disposed of in accordance with the provisions of Section 66.058 of the Texas Election Code. If records of the election are involved in any pending election contest, investigation, litigation, or public information request, the Elections Administrator shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each participating authority to bring to the attention of the Elections Administrator any notice of pending election contest, investigation, litigation or public information request which may be filed with the participating authority.

- 1. It is understood that to the extent space is available, other districts and political subdivisions may wish to participate in the use of the County's election equipment and voting places, and it is agreed that the Elections Administrator may contract with such other districts or political subdivisions for such purposes and that in such event there may be an adjustment of the pro-rata share to be paid to the County by the participating authorities.
- 2. The Elections Administrator shall file copies of this document with the Tarrant County Judge and the Tarrant County Auditor in accordance with Section 31.099 of the Texas Election Code.
- 3. Nothing in this Contract prevents any party from taking appropriate legal action against any other party and/or other election personnel for a breach of this contract or a violation of the Texas Election Code.
- 4. This Agreement shall be construed under and in accord with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Tarrant County, Texas.
- 5. In the event that one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
- 6. All Parties shall comply with all applicable laws, ordinances, and codes of the State of Texas, all local governments, and any other entities with local jurisdiction.
- 7. The waiver by any party of a breach of any provision of this Agreement shall not operate as or be construed as a waiver of any subsequent breach.
- 8. Any Amendments of this agreement shall be of no effect unless in writing and signed by all Parties hereto.
- 9. In the event of an emergency or unforeseen event on Election Day that requires adjustment to these procedures to keep the election operating in a timely, fair, and accessible manner, Elections Administrator may make such adjustments to the procedures herein as the circumstances require.
