**TO:** Darla Moss, Chief Financial Officer  
**FROM:** Wm. Kelly Horn, Asst. Supt. of Facility Services  
**DATE:** June 25, 2021  
**SUBJECT:** Competitive Sealed Proposal for the 2019 Bond Program, Phase I, Bid Package 7, Project 1 Thornton Replacement Elementary School Project

The District approved the Thornton Replacement Elementary School Project as a part of the 2019 Bond program. Additionally, the Board of Trustees approved Corgan Architects (Corgan) as the design professional and approved Competitive Sealed Proposal (CSP) as the method of construction procurement for the project.

The project architect, Corgan, completed the construction documents and the District requested proposals. Notification of the request for CSP was sent to local contractors, area chambers of commerce and contractors on a list supplied by the DFW Minority Business Council. Notice of the request for CSP was also advertised in accordance with state law.

Proposals were received from fourteen general contractors:

- Adolfson & Peterson Construction
- Batson-Cook Construction
- Big Sky Construction Company
- Construction Zone of DFW, LLC
- Imperial Construction, Inc.
- Joeris General Contractors, Ltd.
- Key Construction of Texas, LLC
- Lee Lewis Construction, Inc.
- MDI Inc., General Contractors
- Phillips | May Corporation
- Pogue Construction Co., LP
- RJM Contractors
- Ratcliff Constructors, LP
- Reeder General Contractors, Inc.

Competitive Sealed Proposals received from the proposers were evaluated based on criteria published in the CSP document:

Price	35%
Qualifications	40%
HUB Participation	10%
Interview	15%

An evaluation committee consisting of the Director of Facility Planning and Construction, the Senior Project Manager, the District's Staff Architect, two of the District's Project Managers, and the Design Architect completed evaluations. Pogue Construction, Co., LP (Pogue) ranked highest amongst all proposers at 95.02 points. District staff worked with Pogue to ensure that the intended project scope is being addressed, to identify opportunities to reduce the proposed cost and to verify the final project construction cost.

The total project construction budget for the Thornton Replacement Elementary School Project is \$29,908,500.

Pogue offered a competitive sealed proposal amount of \$29,490,000 for the project. Administration recommends accepting Deductive Alternate #1, in the amount of \$161,000 to provide LVT (luxury vinyl tile) in lieu of rubber tile flooring in common areas throughout the building. Additionally, administration recommends acceptance of Add Allowance #1, in the amount of \$100,000 to address city drainage review comments, and accepting certain value engineering (VE) options to reduce the proposed project cost by \$461,975. The final contract amount including deductive alternate, add allowance, and VE is \$28,967,025.

The proposed construction contract is \$941,475 less than the total project construction budget.

Based on this evaluation, the committee recommends accepting the Competitive Sealed Proposal, Deductive Alternate #1, Add Allowance #1, and the recommended Value Engineering options as submitted by Pogue for a total contract amount of \$28,967,025.

The architect's letter of recommendation for construction contract award for the Thornton Replacement Elementary School Project is attached.

Pending approval of the CSP, work on this project will begin in January, 2022, with final completion expected in the summer of 2023.

Re: Proposer Recommendation Letter for AISD's Thornton Elementary Replacement Project

Dear Mr. Horn:

On Thursday, June 3, 2021 the Arlington Independent School District received fourteen competitive sealed proposals for the Thornton Elementary Replacement Project located at 2301 East Park Row Drive in Arlington, Texas.

The proposals consisted of a base proposal and one alternate. All proposals received were from qualified general contractors and included staff qualifications and references as required by the proposal documents. All proposals were reviewed with the contractor's references being contacted and ranked based on the published evaluation criteria as specified in the request for proposals. The top five ranked proposers were invited to participate in an interview to conclude the evaluation phase.

After complete and careful review of the criteria including total submitted contract price, Corgan and the Arlington ISD evaluation committee has ranked Pogue Construction as the top ranked proposer. We recommend award of contract for the construction of the Thornton Elementary School Replacement for the total construction contract amount of \$28,967,025.00.

The contract construction cost includes the acceptance of Alternate #1 and Value Management options VM 14, VM 25, VM 26, VM 27, VM 38, VM 39, VM 46, VM 49, VM 50, VM 54, VM 56, VM 62, VM 66, VM 71, and VM 74. Also included within the total construction contract amount are allowances that include \$850,000.00 Owner Project Contingency Allowance, \$50,000.00 Structural Allowance, and \$100,000.00 City Review Allowance.

We trust this recommendation meets with your approval and look forward to the successful completion of this project.

Sincerely,

Susan Smith  
Principal  
Corgan
