## MEMORANDUM

**TO:** Dr. Steven Wurtz, Chief Academic Officer

**FROM:** Jamie MacDougall, Director of Curriculum & Instruction

**DATE:** March 11, 2022

**SUBJECT:** New Math Screener Selection Process

The Curriculum and Instruction Department has facilitated the process of selecting a new math screener. The Screener Selection Committee met in October and November to create [screener specifications](#) which were presented to senior staff in December, finalized, and publicized to request for proposals. The Screener Selection Committee met on March 1, 2022 to discuss the proposals that were received and how they aligned with the required specifications.

Proposals were received from five vendors:

Savvas Learning Company LLC	Liberty Source
Northwest Evaluation Association	Curriculum Associates LLC
MIND Research Institute	

Proposals were evaluated based on the criteria published in the RFP document:

Criteria	Number of Points
The Purchase Price	35 points
The reputation of the vendor and of the vendor's goods or services	20 points
The quality of the vendor's goods or services	30 points
The vendor's past relationships with the district and other educational institutions	15 points

**The RFP was evaluated by the following Screener Selection Committee Members:**  
Jamie MacDougall, Director of Curriculum & Instruction

Dr. Kandi Hunter, Coordinator of Mathematics  
Delisse Hardy, Director of World Languages  
Steve Simpson, Director of Technology Integration & Innovation  
Jerod Zahn, Director of School Improvement  
Michelle Nedd, Instructional Facilitator of School Improvement  
Keith Boyd, Principal of Ellis Elementary  
Catherine Claiborne, Principal of Nichols Junior High  
Ray Borden, Principal of Seguin High School

The math screener selection committee recommended that NWEA MAP be awarded as the math screener that will be administered to students in kindergarten through Algebra I because of their ability to meet the specifications and address the specific criteria established in the RFP. NWEA MAP has an extensive reputation with more than 570 partners in Texas, including several large districts in the DFW area. In addition, NWEA MAP demonstrates the ability to collect all-inclusive data on student ability and student growth. Parent reports are comprehensive and easy to understand, MAP scores are a predictor of SAT and ACT scores, and assessments are fully available in English and Spanish.

### **Pricing**

We have approximately 42,000 students that would use the NWEA MAP assessment. Pricing is offered at one-year, two-year, and three-year options. In addition to the cost of the screener, there are additional reports that are available for purchase for \$35,000 as well as professional development pricing options. AISD paid \$22,400 in 2020 and \$23,968 in 2021 for our previous screener, Math Inventory. Although NWEA MAP is a significant increase, the screener selection committee determined that MAP is significantly more comprehensive than our previous screener and will provide specific and meaningful data at the campus and district level to better equip us to meet the instructional needs of AISD students in math. Additionally, the price increase represents a greater number of students taking the screener seeing how we are targeting K-10 whereas previously, we only conducted math screening for K-6.

<b>Pricing Options</b>	<b>Price Per Student</b>	<b>District Cost</b>
<b>1-Year</b>	<b>\$8.00</b>	<b>\$364,124</b>
<b>2-Year</b>	<b>\$7.50</b>	<b>\$341,370</b>
<b>3-Year</b>	<b>\$7.00</b>	<b>\$318,612</b>

### **Communication and Marketing Plan**

1. Communicate timeline and professional development plan with campuses and partner departments in an Access Weekly and in the April ILA.

2. Disseminate additional details and training opportunities to teachers and staff through C&I Cadre, Content Conversation sessions, Summer Impact sessions, Districtwide Back-to-School sessions, the ASPIRE program, Professional Learning Department and the Instructional Coach PL sessions, School Improvement Department (IFs), etc...

### **Professional Development Plan**

1. The C&I Department will coordinate with the technology department and NWEA MAP to upload the file to generate usernames and passwords to the NWEA MAP website.
2. The C&I department will make a short video to preview NWEA MAP and include comments from math screener committee members about why they selected NWEA MAP as our new math screener.
3. The C&I Department will work with NWEA MAP to schedule blended training opportunities at Summer Impact and Districtwide. We can use cohorts of staff who are trained to provide ongoing training for late hires.

**DATE:** April 21, 2022

**RE:** **BID 22-54 Furniture and Materials for Universal PreK**

Bid Number **22-54** is for classroom furniture and materials for the 2022-2023 universal Pre-Kindergarten classes. In addition to the line items, the bid asked for a discount from the vendor's catalog, price list, or shelf price. This will allow the District to purchase items which are not identified at this time.

The furniture in this bid is for the universal Pre-Kindergarten classroom adoption that the Board approved at the February 3, 2022 meeting. It is recommended that the bids meeting specifications be awarded by line item and all vendors meeting specifications be approved for catalog purchasing.

**Subject:** TASB Risk Management Fund Inter-Local Participation Agreement

### **Purpose:**

To obtain approval for TASB's proposed modifications to the TASB Risk Management Fund Inter-Local Participation Agreement.

### **Background:**

Arlington ISD currently utilizes TASB for risk management fund services through an inter-local agreement. These services include workers compensation insurance, auto liability insurance, physical damage insurance, and school/legal liability insurance.

TASB is requesting modifications to the current inter-local agreement to include:

1. The Program Coordinator position is now required to be an employee, and clarifies that the Fund will not communicate with a third party about claims unless it is an attorney.
2. The member is required to make an appeal to the Fund Board and mediation in Travis County before litigation. The modifications also require a lawsuit against the Fund to be brought in Travis County.
3. Waiver and estoppel language has been updated in the agreement.
4. New assignment language says that a member cannot assign benefits of coverage to a third party, such as an attorney or public adjuster. If the member makes the assignments, the Fund does not have to pay the claim until the agreement is terminated. Contingent fees are not allowed.

### **Recommendation:**

The administration recommends approval of the proposed modifications to the TASB Risk Management Fund Inter-Local Participation Agreement.

## TASB RISK MANAGEMENT FUND INTERLOCAL PARTICIPATION AGREEMENT

Pursuant to the Texas Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interlocal Participation Agreement (Agreement) is entered into by and between the Texas Association of School Boards Risk Management Fund (Fund) and the undersigned local government of the State of Texas (Fund Member). The Fund is an administrative agency of local governments (Fund Members) that cooperate in performing administrative services and governmental functions relative to risk management.

### TERMS AND CONDITIONS

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, including, without limitation, the agreement of the Fund and Fund Members to provide risk management programs as detailed in this Agreement, the receipt and sufficiency of which are hereby acknowledged, Fund Member and the Fund, intending to be legally bound, and subject to the terms, conditions, and provisions of this Agreement, agree as follows:

1. **Authority.** Fund Member hereby approves and adopts the Restatement of Interlocal Agreement, dated May 20, 1997, which restated the Interlocal Agreement dated July 2, 1974, establishing the predecessor of the Fund. The Restatement of Interlocal Agreement is incorporated into this Agreement by reference and is available from the Fund upon request. This Agreement serves to outline the relationship between the Fund and Fund Member. While the Texas Interlocal Cooperation Act provides the overarching basis for the Fund, certain Fund programs are further authorized pursuant to various statutes, such as Chapter 504 of the Texas Labor Code, pertaining to workers' compensation; and Chapter 2259, Subchapter B, of the Texas Government Code, pertaining to other risks or hazards.
2. **Program Participation.** This Agreement enables Fund Member to participate in one or more of the Fund's available programs. Because this is an enabling Agreement, Fund Member must also execute a separate Contribution and Coverage Summary (CCS) for each Fund program from which it seeks coverage and/or administrative services. Only a valid CCS will confer the right to participate in a specific program and each CCS shall be incorporated into this Agreement. Through participation in any Fund program, Fund Member waives none of its immunities and authorizes the Fund, or its designee, to assert such immunities on its behalf and on behalf of the Fund or its designee.
3. **Term of Agreement.** This Agreement shall be effective from the date of the last signature below and shall remain in effect unless terminated as provided in this Agreement. This Agreement will automatically terminate if Fund Member ceases to participate in at least one of the Fund's programs (due to the expiration of a CCS participation term or the valid termination of same) or fails to meet the membership qualifications of the Fund as provided in this Agreement and as determined by the Fund in writing.
4. **Termination.** Unless this Agreement is automatically terminated as described above, this Agreement, and/or any component CCS applicable to Fund Member, can be terminated as set forth below. However, unless specifically required in a CCS, the termination of any single Fund program under a CCS shall not also result in the automatic termination of another pending CCS, or this enabling Agreement if any other CCS is still in force for Fund Member. Rather, each Fund program can only be terminated as provided in this Agreement.
  - a. **By Either Party with 30 Days Notice before Renewal.** Any CCS may be terminated by either party with termination to be effective on any successive renewal date by giving written notice to the other party no later than 30 days prior to automatic renewal.
  - b. **By Fund Member upon Payment of Late Notice Fee.** If Fund Member fails to terminate a CCS as provided above, it may still terminate participation in any Fund program prior to the renewal date by paying a late notice fee as herein provided. If Fund Member terminates the CCS before the renewal date, but with fewer than 30 days' advance written notice, Fund Member agrees to pay the Fund a late notice fee in the amount of 25% of the annual contribution for the expiring participation term. Fund Member expressly acknowledges that the late notice fee is not a penalty, but a reasonable approximation of the Fund's damages for the Fund Member's untimely withdrawal from the program identified in the CCS. However, once the renewal term of a CCS commences, Fund Member can no longer terminate the CCS by paying a late notice fee; the CCS shall renew and Fund Member must pay 100% of the annual contribution for the renewal period.
  - c. **By the Fund upon Breach by Fund Member.** The Fund may terminate this Agreement or any CCS based on breach of any of the following obligations, by giving 10 days' written notice to Fund Member of the breach; and Fund Member's failure to cure the breach within said 10 days (or other time period allowed by the Fund):
    - 1) Fund Member fails or refuses to make the payments or contributions required by this Agreement;
    - 2) Fund Member fails to cooperate and comply with any reasonable requests for information and/or records made by the Fund;

- 3) Fund Member fails or refuses to follow loss prevention or statutory compliance requirements of the Fund, as provided in this Agreement; or
- 4) Fund Member otherwise breaches this Agreement.

If the Fund terminates this Agreement, or any CCS, based on breach as described above, Fund Member agrees that the Fund will have no responsibility of any kind or nature to provide coverage on the terminated Fund program post-termination. Further, Fund Member shall bear the full financial responsibility for any unpaid open claim and expense related to any claim, asserted or unasserted and reported or unreported, against the Fund or Fund Member, or incurred by the agents or representatives of Fund Member.

In addition to the foregoing, if termination is due to Fund Member's failure to make required payments or contributions, Fund Member agrees that it shall pay the Fund liquidated damages in the amount of 50% of the annual contribution for the participation term identified in the terminated CCS.

## 5. Contributions.

- a. **Agreement to Pay Contribution.** Fund Member agrees to pay its contribution for each Fund program in which it participates based on a plan developed by the Fund. The amount of contribution will be stated in the relevant CCS and will be payable upon receipt of an invoice from the Fund. Late fees amounting to the maximum interest allowed by law, but not less than the rate of interest authorized under Chapter 2251, Texas Government Code, shall begin to accrue daily on the first day following the due date and continue until the contribution and late fees are paid in full. If Fund Member fails to pay the amounts due under this Agreement, including any CCS, the Fund may redirect other amounts due to the Fund Member, payments received from Fund Member, or amounts held by the Fund for Fund Member's benefit, to offset the amount owed. Any offset will not extinguish Fund Member's obligation for any and all payments due under this Agreement, including any CCS.
- b. **Other Payments Due to the Fund.** In addition to contributions, if the Fund Member owes other payments to the Fund, such as deductibles or claim overpayments, and Fund Member fails to timely pay the amounts due, the Fund may redirect other amounts due to the Fund Member, payments received from Fund Member, or amounts held by the Fund for the Fund Member's benefit to offset the amounts owed.
- c. **Estimated Contribution and Contribution Adjustment.** In specified situations, the amount of contribution shown in the CCS will be identified as an estimate. The Fund reserves the right to request an audit of updated exposure information at the end of the CCS participation term and adjust contributions if Fund Member's exposure changes during the CCS participation term. As a result of the exposure review, any additional contribution payable to the Fund shall be paid by Fund Member, and any overpayment of contribution by Fund Member shall be returned or credited by the Fund. The Fund reserves the right to audit the relevant records of Fund Member in order to conduct this exposure review.

Upon expiration of each participation period, Fund Member may request a contribution adjustment due to exposure changes. Such request must be made in writing within 60 days after the end of the participation period. Fund Member must provide documentation as requested by the Fund to demonstrate that the exposure change warrants a contribution adjustment.

The annual contribution may be adjusted due to an exposure change or audit as presented in the CCS. The Fund may also request a contribution adjustment should the Fund's underwriting income for any program within a given program year be inadequate to pay the ultimate cost of claims incurred for that year, the Fund may collect an adjusted contribution from any current or former Fund Member if that Fund Member's contribution is inadequate to pay the Fund Member's claims incurred during that year.

6. **Contribution and Coverage Summary.** Fund Member agrees to abide by each CCS that governs its participation. A CCS will incorporate the program specific coverage document, if any, which sets forth the scope of coverage and/or services from the Fund. This Agreement will be construed to incorporate the CCS, Coverage Agreements, Endorsements, and Addenda, if any, whether or not physically attached. A CCS for a Fund program will state the participation term. After Fund Member's execution of a CCS, the CCS will automatically renew annually, unless terminated in accordance with this Agreement. Any renewal containing a change in the amount of contribution or other terms will be subject to the Amendment by Notice process described in this Agreement.
7. **Loss Prevention.** The Fund may provide loss prevention services to Fund Member. Fund Member agrees to adopt the Fund's reasonable and customary standards for loss prevention and to cooperate in implementing any and all reasonable loss prevention and statutory compliance recommendations or requirements. The Fund makes no warranty on Fund loss prevention recommendations.

8. **Other Duties of Fund Member.**

- a. **Standards of Performance.** Time shall be of the essence in Fund Member's reporting of any and all claims to the Fund, payment of any contributions or monies due to the Fund, and delivery of any written notices under this Agreement.
- b. **Claims Reporting.** Notice of any claim must be provided to the Fund as required by law or the applicable Coverage Agreement. Failure by Fund Member to timely report a claim may result in denial of coverage or payment of fines or penalties imposed by law or regulatory agencies. If the Fund advances payment of any fine or penalty arising from Fund Member's late claim reporting, Fund Member will reimburse the Fund for all such costs.
- c. **Cooperation and Access.** Fund Member agrees to cooperate and to comply in a timely manner with all reasonable requests for access, information and/or records made by the Fund or by a third-party acting for the Fund. Fund Member further agrees to provide complete and accurate statements of material facts, to not misrepresent or omit such facts, or make false statements to the Fund. The Fund Member agrees that any information held by the Fund's Administrator, or its' affiliated entities may be provided to the Fund. The Fund reserves the right to audit the relevant records of Fund Member to determine compliance with this Agreement.

9. **Administration of Claims.** The Fund or its designee agrees to administer all claims for which Fund Member has coverage after Fund Member provides timely written notice to the Fund. Fund Member hereby authorizes the Fund or its designee to act in all matters pertaining to handling of claims for which Fund Member has coverage pursuant to this Agreement. Fund Member expressly agrees that the Fund has sole authority in all matters pertaining to the administration of claims and grants the Fund or its designee full decision-making authority in all matters, including without limitation, discussions with claimants and their attorneys or other duly authorized representatives. Fund Member further agrees to be fully cooperative in supplying any information reasonably requested by the Fund in the handling of claims. All decisions on individual claims shall be made by the Fund or its designee, including, without limitation, decisions concerning claim values, payment due on the claim, settlement, subrogation, litigation, or appeals.

10. **Excess Coverage/Reinsurance.** The Fund, in its sole discretion, may purchase excess coverage or reinsurance for any or all Fund programs. In the event of a substantial change in terms or cost of such coverage, the Fund reserves the right to make adjustments to the terms and conditions of a CCS as allowed by the Amendment by Notice process under this Agreement. If any reinsurer, stop loss carrier, and/or excess coverage provider fails to meet its obligations to the Fund or any Fund Member, the Fund is not responsible for any payment or any obligations to Fund Member from any reinsurer, stop loss carrier, or excess coverage provider.

11. **Subrogation and Assignment of Rights.**

- a. Fund Member, on its own behalf and on behalf of any person entitled to benefits under this Agreement, assigns all subrogation rights to the Fund. The Fund has the right, in its sole discretion, without notice to Fund Member, to bring all claims and lawsuits in the name of Fund Member or the Fund. Fund Member agrees that all subrogation rights and recoveries belong first to the Fund, up to the amount of benefits, expenses, and attorneys' fees incurred by the Fund, with the balance, if any, being paid to Fund Member, unless otherwise specifically stated in the Agreement. Award of funds to any person entitled to coverage, whether by judgment or settlement, shall be conclusive proof that the injured party has been made whole. Fund Member's right to be made whole is expressly superseded by the Fund's subrogation rights. If Fund Member procures alternate coverage for a risk covered by the Fund, the latter acquired coverage shall be deemed primary coverage concerning that risk.
- b. Fund Member shall do nothing to prejudice or waive the Fund's existing or prospective subrogation rights under this Agreement. If Fund Member has waived any subrogation right without first obtaining the Fund's written approval, the Fund shall be entitled to recover from Fund Member any sums that it would have been able to recover absent such waiver. Recoverable amounts include attorneys' fees, costs, and expenses.

12. **Appeals.** Fund Member shall have the right to appeal any written decision or recommendation to the Fund's Board of Trustees, and the Board's determination will be final. Any appeal shall be made in writing to the Board Chair within 30 days of the decision or recommendation.

13. **Bylaws, Policies, and Procedures.** Fund Member agrees to abide by the Bylaws of the Fund, as they may be amended from time to time, and any and all written policies and procedures established by the Fund (which are available from the Fund upon written request). If a change is made to the Fund's Bylaws, written policies or procedures which conflicts with or impairs a CCS, such change will not apply to Fund Member until the renewal of such CCS, unless Fund Member specifically agrees otherwise.

14. **Payments.** Fund Member represents and warrants that all payments required under this Agreement of Fund Member shall be made from its available current revenues.

15. **Fund Member's Designation of Coordinator.** Fund Member agrees to designate an employee with appropriate authority as coordinator (Program Coordinator) for Fund Member on this Agreement or any CCS executed by Fund Member. Fund Member's Program Coordinator shall have express authority to represent and to bind Fund Member, shall fully communicate with the Fund regarding Fund business, and shall not delegate this communication to a third party. The Fund will not be required to contact any other individual regarding matters arising from or related to this Agreement. Fund Member reserves the right to change its Program Coordinator as needed, by giving written notice to the Fund; such notice is not effective until actually received by the Fund. Notice provided to the Chief Executive Officer of Fund Member shall also serve as notice to the Program Coordinator.
16. **Risk Sharing Agreement.** This Agreement is a risk sharing and risk participation agreement and should not be construed to be a contract of insurance. If any ambiguity exists in this Agreement, including any CCS or specific coverage document, the provision shall not be construed against the Fund as drafter of this Agreement. The Fund is not an insurance company nor is any member an insured. The Fund is a self-insured risk pool through which its members agree to share risk and actively participate in their contractual obligations to lessen risk and cost for all members. Any reference in this Agreement to an insurance term or concept is coincidental, is not intended to characterize the Fund as "insurance" as defined by law, shall be deemed to apply to self-insurance, and is not to be construed as being contrary to the self-insurance concept.
17. **Representation.** Fund Member authorizes the Fund to represent Fund Member in any lawsuit, dispute, or proceeding arising under or relating to any Fund program and/or coverage in which Fund Member participates. The Fund may exercise this right in its sole discretion and to the fullest extent permitted or authorized by law. Fund Member shall fully cooperate with the Fund, its designee, and the Fund's chosen counsel, including, without limitation, supplying any information necessary or relevant to the lawsuit, dispute, or proceeding in a timely fashion. Subject to specific revocation, Fund Member designates the Fund to act as a class representative on its behalf in matters arising out of this Agreement.
18. **Members' Equity.** The Fund Board, in its sole discretion, may declare a distribution of the Fund's members' equity to Fund Members. Members' equity belongs to the Fund. No current or former individual Fund Member is entitled to an individual allocation or portion of members' equity.
19. **Entire Agreement.** This Agreement, together with the Restated Interlocal Agreement, Bylaws, CCSs, and Coverage Agreements that are in effect as to Fund Member from time to time, represent and contain the complete understanding and agreement of the Fund and Fund Member, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Fund and Fund Member other than those set forth in this Agreement duly executed in writing. In the event of conflict between the terms of this Agreement and the Restated Interlocal Agreement, Bylaws, CCS, or any Coverage Agreement, the specific terms of the later adopted agreement shall prevail to the extent necessary to resolve the conflict. This Agreement replaces all previous Interlocal Participation Agreements between the Fund and Fund Member. Notwithstanding the foregoing, this Agreement does not supersede any unexpired participation term or pending claim under an existing agreement between Fund Member and Fund.
20. **Amendment by Notice.** This Agreement, including any of its component CCSs or coverage documents, may be amended by the Fund, in writing, by providing Fund Member with written notice before the earlier of (i) the effective date of the amendment or (ii) the date by which Fund Member can terminate without payment of late notice fees or liquidated damages. Unless this Agreement expressly provides otherwise, an amendment shall only apply prospectively and Fund Member shall have the right to terminate this Agreement, or a component CCS to which the amendment applies, before the amendment becomes effective, as provided in this Agreement. If Fund Member fails to give the Fund timely written notice of termination, Fund Member shall be deemed to have consented to the Fund's amendment and agrees to abide by and be bound by the amendment, without necessity of obtaining Fund Member's signature.

The Fund may amend this Agreement or any CCS effective upon renewal. Amendments may be for any reason including changes to the terms or contribution amount.

The Fund may also amend this Agreement or any CCS, effective during the term of a CCS, for any reason including but not limited to the following:

- a. State or federal governments, including any court, regulatory body, or agency thereof, adopt a statute, rule, decision, or take any action that would substantially impact the rights or financial obligations of the Fund as it pertains to this Agreement, or any Fund program or CCS.
- b. The terms of the Fund's stop-loss or excess coverage or reinsurance change substantially.

If the Fund exercises the option to amend the Agreement or any CCS during the term of a CCS and prior to renewal, the Fund shall give Fund Member 30 days advance written notice. Fund Member will then have the right during the 30-day period to give the Fund written notice of termination of the applicable Fund program, effective upon the expiration of the 30-day notice period (or longer period if so provided by the Fund in writing).

21. **Severability; Interpretation.** If any portion of this Agreement shall be declared illegal or held unenforceable for any reason, the remaining portions shall continue in full force and effect. Any questions of particular interpretation shall not be interpreted against the drafter of this Agreement, but rather in accordance with the fair meaning thereof.
22. **Dispute Resolution.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to conflict of law principles that would require the application of the laws of another state. The Fund retains its governmental immunity except to the extent it is waived by the legislature. The parties agree that the following adjudication procedures apply to any legal dispute, and that the Fund Member's right to file suit against the Fund is contingent upon compliance with these procedures pursuant to Texas Local Government Code section 271.154:
- Prior to filing suit, the Fund Member must comply with all of its obligations under this Agreement and any specific Coverage Agreement including an appeal to the Fund Board as described by Section 12 of this Agreement. A good-faith appeal to the Fund Board is a pre-suit adjudication procedure that is required before litigation by a Fund Member against the Fund.
  - Prior to filing suit, the Fund Member will participate in good faith in mediation in Travis County, Texas before a mediator approved by both parties; and
  - Any suit against the Fund must be brought in Travis County, Texas.

In the event of a lawsuit or formal adjudication between Fund Member and the Fund, the prevailing party is entitled to recover reasonable and necessary attorneys' fees and expenses, including expert fees, that are equitable and just.

**Waiver and Estoppel.** No provision of this Agreement will be deemed waived by either party unless expressly waived in writing by the waiving party. No waiver shall be implied by delay or any other act or omission. No waiver by either party of any provision of this Agreement shall be deemed a waiver of such provision with respect to any subsequent matter relating to such provision. Estoppel may not be asserted against either party so as to prevent that party from enforcing or insisting on the other party's compliance with any provision of this Agreement.

**Assignment.** This Agreement or any duties or obligations imposed by this Agreement shall not be assignable by Fund Member without the prior written consent of the Fund. Fund Member shall not transfer any interest in Fund claim related payments to any third party, including, but not limited to litigation finance companies, attorneys, banks, public adjusters, architects, engineers, or contractors. Any action by the Fund Member which grants or attempts to grant to any third party an interest in or control over any claim payment, including, but not limited to, the Member's entry into a contingent fee contract, will immediately suspend any obligation by the Fund to make any claim payment under this Agreement. The obligation of the Fund to make any such claim payments shall not be restored unless and until the Fund Member provides the Fund with evidence reasonably satisfactory to the Fund that any such transfer or attempt to transfer an interest in or control over such claim payment to a third party has effectively been terminated.

23. **Authorization.** By the execution of this Agreement, the undersigned individuals warrant that they have been authorized by all requisite governance action to enter into and to perform the terms and conditions of this Agreement and that the Fund Member authorizes the Program Coordinator or Chief Executive Officer to approve and bind the Fund Member to any current or future CCS entered into under this Agreement
24. **Notice.** Unless expressly stated otherwise in this Agreement, any notice required or provided under this Agreement by either party to the other party shall be in writing and shall be sent by first class mail, postage prepaid or by a carrier for overnight service or by electronic means typically used in commerce. Notice to the Fund shall be sufficient if made or addressed as follows: TASB Risk Management Fund, P.O. Box 301, Austin, Texas 78767-0301, or [tasbrmf@tasbrmf.org](mailto:tasbrmf@tasbrmf.org). The Fund's required notice address may be updated through explicit written or electronic notice to Fund Members. Notice to a Fund Member shall be sufficient if addressed to the Program Coordinator or Fund Member's Chief Executive Officer and mailed to Fund Member's physical or electronic address of record on file with the Fund.
25. **Miscellaneous.** These provisions apply throughout this Agreement:
- Fund reference.** Any reference to the Fund in this Agreement includes reference to its designees.
  - CCS reference.** References to a Contribution and Coverage Summary (CCS) includes a reference to all separate coverage portions of a CCS and/or any similar service agreement between the Fund and a Fund Member.
  - "Including."** Unless the context requires otherwise, the term "including" means "including but not limited to."
  - Successors.** This Agreement binds and inures to the benefit of the parties and their successors.
  - Headings.** The headings are for convenience only and do not affect the interpretation of this Agreement.

26. **Signatures/Counterparts.** The failure of a party to provide an original, manually executed signature to the other party shall not affect the validity or enforceability of this Agreement. Either party may rely upon a facsimile or imaged signature as if it were an original. This Agreement may be executed in several separate counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

This term includes the Assistant Elections Administrator in the Elections Administrator's absence or disability.

**RECITALS**

Each Participating Authority listed above plans to hold a general and/or special election on May 7, 2022. If a run-off election or a repeat election is necessary because of legal action, the date of that election will be June 18, 2022.

The County owns an electronic voting system, the Hart InterCivic Verity Voting System (Version 2.5), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122, as amended, and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The contracting political subdivisions, also known interchangeably as "Entities" or "Participating Authority(ies)", desire to use the County's electronic voting system and to compensate the County for such use and to share in certain other expenses connected with joint elections in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended. The entity desires to contract for the voting system as described, in tandem with the County's elections services through the Elections Administrator's office, and to compensate the County for such use and to share in other expenses connected with joint elections in accordance with the applicable provisions of law and of this contract.

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the Parties, IT IS AGREED as follows:

## **I. ADMINISTRATION**

The Parties agree to hold a joint election with each other ("Joint Election") in accordance with Chapter 271 of the Texas Election Code and this Agreement. The Tarrant County Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this Agreement. Each Participating Authority agrees to pay the Tarrant County Elections Administrator for equipment, supplies, services, and administrative costs as provided in this Agreement. The Tarrant County Elections Administrator shall serve as the administrator for the Joint Election; however, each Participating Authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each Participating Authority as necessary. Legal advice to or legal representation of the Entities/political subdivisions/Participating Authorities by the Election Administrator's office or lawyers who advise or represent the Election Administrator is not included herewith; each Entity should consult with its own counsel for any legal issues that arise, or with the Texas Secretary of State, as appropriate.

It is understood that other political subdivisions may wish to participate in the use of the County's electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes on terms and conditions generally similar to those set forth in this Contract. In such cases, costs shall be pro-rated among the participants according to Section XI of this Contract.

Each Participating Authority agrees to adopt the Verity Voting System v. 2.5, from HART InterCivic, as the Voting System for this election, so that it may be used, in accordance with the terms and conditions specified in the certification order issued by the Texas Secretary of State, for all forms of voting, including election day voting at polling locations, early voting in person, early voting by mail, and provisional voting.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The Participating Authorities shall share a mutual ballot in those polling places where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

## **II. LEGAL DOCUMENTS**

Each Participating Authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or the Participating Authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting system testing notices that are required by the Texas Election Code.

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of each Participating Authority, including translation to languages other than English, including (but not necessarily limited to), as required by law, Spanish and Vietnamese. Each Participating Authority shall provide a copy of their respective election orders and notices to the Tarrant County Elections Administrator.

## **III. VOTING LOCATIONS**

The Elections Administrator shall select and arrange for the use of and payment for all Election Day voting locations. Voting locations will be, whenever possible, the usual voting location for each election precinct in elections conducted by each participating city, and shall be compliant with the accessibility requirements established by Election Code Section 43.034 and the Americans with Disabilities Act (ADA). The proposed voting locations are listed in Attachment A of this Agreement. In the event that a voting location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location with the approval of the affected Participating Authorities. The Elections Administrator shall notify the Participating Authorities of any changes from the locations listed in Attachment A.

If polling places for the May 7, 2022 joint election are different from the polling place(s) used by a Participating Authority in its most recent election, the authority agrees to post a notice no later than May 7, 2022 at the entrance to any

previous polling places in the jurisdiction stating that the polling location has changed and stating the political subdivision's polling place names and addresses in effect for the May 7, 2022 election. This notice shall be written in both the English, Spanish, and Vietnamese languages.

#### **IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL**

Tarrant County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location. The Elections Administrator shall make emergency appointments of election officials if necessary.

Upon request by the Elections Administrator, each Participating Authority agrees to assist in recruiting polling place officials who are bilingual [(fluent in both English and Spanish) and (fluent in both English and Vietnamese)]. In compliance with the Federal Voting Rights Act of 1965, as amended, each polling place containing more than 5% Hispanic or Vietnamese population as determined by the most recent Census used for such determinations shall have one or more election officials who are fluent in both English and Spanish, or both English and Vietnamese, as applicable. If a presiding judge is not bilingual, and is unable to appoint a bilingual clerk, the Elections Administrator may recommend a bilingual worker for the polling place. If the Elections Administrator is unable to recommend or recruit a bilingual worker, the Participating Authority or authorities served by that polling place shall be responsible for recruiting a bilingual worker for interpretation and translation services as needed at that polling place.

The Elections Administrator shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code and will take the necessary steps to ensure that all election judges appointed for the Joint Election are eligible to serve.

The Elections Administrator shall arrange for the training and compensation of all election judges and clerks. The Elections Administrator shall arrange for the date, time, and place for presiding election judges to pick up their election supplies. Each presiding election judge will be sent a letter from the Elections Administrator notifying the judge of the appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge and clerk will receive compensation at the hourly rate established by Tarrant County pursuant to Texas Election Code Section 32.091 or other law applicable to compensation for the election-related work. The election judge will receive an additional sum of \$25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close.

Election judges and clerks who attend voting equipment training and/or procedures training shall be compensated at the same hourly rate that they are to be paid on Election Day.

The Elections Administrator may employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies during early voting and on Election Day, and for the efficient tabulation of ballots at the central counting station. Part-time personnel working as members of the Early Voting Ballot Board and/or central counting station on election night will be compensated at the hourly rate set by Tarrant County in accordance with Election Code Sections 87.005, 127.004, and 127.006.

#### **V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT**

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to, official ballots, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the election judges at the voting locations. The Elections Administrator shall ensure availability of tables and chairs at each polling place and shall procure rented tables and chairs for those polling places that do not have tables and/or chairs.

The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Each Participating Authority shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). Each Participating Authority shall

be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions.

The joint election ballots that contain ballot content for more than one joint participant because of overlapping territory shall be arranged in the following order: Independent School District, City, Water District(s), College District, and other political subdivisions.

The Elections Administrator shall be responsible for the preparation, testing, and delivery of the voting equipment for the election, as required by the Election Code.

The Elections Administrator shall conduct criminal background checks on relevant employees upon hiring as required by Election Code Section 129.051(g).

## **VI. EARLY VOTING**

The Participating Authorities agree to conduct joint early voting and to appoint the Election Administrator as the Early Voting Clerk in accordance with Sections 31.097 and 271.006 of the Texas Election Code. Each Participating Authority agrees to appoint the Elections Administrator's permanent county employees as deputy early voting clerks. The Participating Authorities further agree that the Elections Administrator may appoint other deputy early voting clerks to assist in the conduct of early voting as necessary, and that these additional deputy early voting clerks shall be compensated at an hourly rate set by Tarrant County pursuant to Section 83.052 of the Texas Election Code. Deputy early voting clerks who are permanent employees of the Tarrant County Elections Administrator or any Participating Authority shall serve in that capacity without additional compensation.

Early Voting by personal appearance will be held at the locations, dates, and times listed in Attachment "B" of this document. Any qualified voter of the Joint Election may vote early by personal appearance at any of the joint early voting locations.

As Early Voting Clerk, the Elections Administrator shall receive applications for early voting ballots to be voted by mail in accordance with Chapters 31 and 86 of the Texas Election Code. Any requests for early voting ballots to be voted by mail received by the Participating Authorities shall be forwarded immediately by fax or courier to the Elections Administrator for processing. The Elections Administrator will be responsible for managing the Annual Ballot by Mail voters for whom the Elections Administrator has received an Application for Ballot by Mail, including maintaining and making available the early voting roster information in conformance with Section 87.121 of the Texas Election Code. Upon request of a participating authority, the Early Voting Clerk will promptly make all information contained within the early voting roster available for inspection by the participating authority, including the information maintained under Section 87.121(f). The Participating Authorities understand that, as specified in section 87.121, information on the roster for a person to whom an early voting mail ballot has been sent is not available for public inspection, except to the voter seeking to verify that the information pertaining to the voter is accurate, until the first business day after election day.

In addition to making the information on the roster for a person who votes an early voting ballot by personal appearance available for public inspection not later than the beginning of the regular business hours on the day after the date the information is entered on the roster, the Elections Administrator shall post on the county website each Participating Authority's early voting report on a daily basis and a cumulative final early voting report following the close of early voting. In accordance with Section 87.121(g) of the Election Code, the daily reports showing the previous day's early voting activity will be posted to the county website no later than 10:00 AM each business day.

## **VII. EARLY VOTING BALLOT BOARD AND SIGNATURE VERIFICATION COMMITTEE**

Tarrant County shall appoint an Early Voting Ballot Board (EVBB) to process early voting results from the Joint Election. The Presiding Judge, with the assistance of the Elections Administrator, shall appoint two or more additional members to constitute the EVBB. The Elections Administrator shall determine the number of EVBB members required to efficiently process the early voting ballots.

The Elections Administrator shall determine whether a Signature Verification Committee is necessary, and if so, shall appoint the members.

## **VIII. CENTRAL COUNTING STATION AND ELECTION RETURNS**

The Elections Administrator shall be responsible for establishing and operating the central and remote counting stations to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this Agreement.

The Participating Authorities hereby, in accordance with Section 127.002, 127.003, and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Counting Station Manager:	Heider Garcia, Elections Administrator
Tabulation Supervisor:	Troy Havard, Assistant Elections Administrator
Presiding Judge:	David Lambertsen

The Counting Station Manager or his/her representative shall deliver timely cumulative reports of the election results as precinct report to the central and remote counting stations and are tabulated. The Counting Station Manager shall be responsible for releasing unofficial cumulative totals and precinct returns from the election to the joint participants, candidates, press, and general public by distribution of hard copies at the central counting station or by electronic distribution and by posting to the Tarrant County web site. To ensure the accuracy of reported election returns, results printed on the tapes produced by Tarrant County's voting equipment will not be released to the Participating Authorities at the remote collection sites or by phone from individual polling locations.

The Elections Administrator will prepare the unofficial canvass reports that are necessary for compliance with Election Code Section 67.004 after all precincts have been counted and will deliver a copy of these unofficial canvass reports to each Participating Authority as soon as possible after all returns have been tabulated. Each Participating Authority shall be responsible for the official canvass of its respective election(s).

The Elections Administrator will prepare the electronic precinct-by-precinct results reports for uploading to the Secretary of State as required by Section 67.017 of the Election Code. The Elections Administrator agrees to upload these reports for each Participating Authority unless requested otherwise.

The Elections Administrator shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each Participating Authority and the Secretary of State's Office.

## **IX. PARTICIPATING AUTHORITIES WITH TERRITORY OUTSIDE TARRANT COUNTY**

Each Participating Authority with territory containing population outside Tarrant County agrees that the Elections Administrator shall administer only the Tarrant County portion of those elections.

## **X. RUNOFF ELECTIONS**

Each Participating Authority shall have the option of extending the terms of this Agreement through its runoff election, if applicable. In the event of such runoff election, the terms of this Agreement shall automatically extend unless the Participating Authority notifies the Elections Administrator in writing within three (3) business days after the original election, not counting election day.

Each Participating Authority shall reserve the right to reduce the number of early voting locations and/or Election Day voting locations in a runoff election.

Each Participating Authority agrees to order any runoff election(s) at its meeting for canvassing the votes from the May 7, 2022 election.

Each Participating Authority eligible to hold runoff elections agrees that the date of the runoff election, if necessary, shall be June 18, 2022.

## **XI. ELECTION EXPENSES AND ALLOCATION OF COSTS**

The Participating Authorities agree to share the costs of administering the Joint Election. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared according to a formula which is based on the average cost per Election Day polling place (unit cost) as determined by adding together the overall expenses and dividing the expenses equally among the total number of polling places. Costs for polling places shared by more than one Participating Authority shall be pro-rated equally among the participants utilizing that polling place.

It is agreed that charges for Election Day judges and clerks and Election Day polling place rental fees shall be directly charged to the appropriate Participating Authority rather than averaging those costs among all participants.

Costs for Voting by Personal Appearance shall be allocated based upon the actual costs associated with each voting site. Each Participating Authority shall be responsible for a pro-rata portion of the actual costs associated with the voting sites located within their jurisdiction. Participating authorities that do not have a voting site within their jurisdiction shall pay a pro-rata portion of the nearest regular early voting site.

Costs for Early Voting by Mail shall be allocated according to the actual number of ballots mailed to each Participating Authority's voters.

Participating Authorities having the majority of their voters in another county, and fewer than 500 registered voters in Tarrant County, and that do not have an Election Day polling place or early voting site within their jurisdiction shall pay a flat fee of \$400 for election expenses.

Each Participating Authority agrees to pay the Tarrant County Elections Administrator an administrative fee equal to ten percent (10%) of its total billable costs (but not less than \$ 75.00) in accordance with Section 31.100(d) of the Texas Election Code.

The Tarrant County Elections Administrator shall deposit all funds payable under this Contract into the appropriate fund(s) within the county treasury in accordance with Election Code Section 31.100.

#### **Cost schedule and invoicing.**

A cost estimate for the services, equipment, and supplies provided by the Elections Administrator for the election and the runoff election is shown below and in section XII of this Agreement. This cost estimate shall serve as the cost schedule agreed upon by the contracting Parties, as referenced in Section 31.093(a), Texas Election Code.

As soon as reasonably possible after the election or the runoff election, the Elections Administrator will submit an itemized invoice to each Party: (i) for the actual expenses he/she incurred as described above and (ii) for the Elections Administrator's fee as described above. The invoice shall reflect any advance monies paid and any direct payments made. The Elections Administrator will use his/her best efforts to submit the invoice within thirty (30) days after the election or within ten (10) days after the runoff election.

The Elections Administrator's invoice shall be due and payable by each Party to the address set forth in the invoice within thirty (30) days after its receipt by the Party. If the Party disputes any portion of the invoice, the Party shall notify the Elections Administrator in writing within such thirty-day period, or the invoice will be presumed to be a true and accurate rendering of the amount that is due.

#### **XII. COST ESTIMATES AND DEPOSIT OF FUNDS**

The total estimated obligation for each Participating Authority under the terms of this Agreement is listed below. Each Participating Authority agrees to pay the Tarrant County Elections Administrator a deposit of approximately 75% of this estimated obligation within fifteen (15) days after execution of this Agreement. The exact amount of each Participating Authority's obligation under the terms of this Agreement shall be calculated after the May 7, 2022 election (or runoff election, if applicable), and if the amount of an authority's total obligation exceeds the amount deposited, the authority shall pay to the Elections Administrator the balance due within thirty (30) days after the receipt of the final invoice from the Elections Administrator. However, if the amount of the authority's total obligation is less than the amount deposited, the Elections Administrator shall refund to the authority the excess amount paid within thirty (30) days after the final costs are calculated.

The total estimated obligation and required deposit for each Participating Authority under the terms of this Agreement shall be as follows:

### **XIII. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION**

Any Participating Authority may withdraw from this Agreement and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code. The withdrawing authority is fully liable for any expenses incurred by the Tarrant County Elections Administrator on behalf of the authority plus an administrative fee of ten percent (10%) of such expenses (but not less than \$ 75.00). Any monies deposited with the Elections Administrator by the withdrawing authority shall be refunded, minus the aforementioned expenses and administrative fee if applicable.

It is agreed that any of the joint election early voting sites that are not within the boundaries of one or more of the remaining Participating Authorities, with the exception of the early voting site located at the Tarrant County Elections Center, may be dropped from the joint election unless one or more of the remaining Participating Authorities agree to fully fund such site(s). In the event that any early voting site is eliminated under this section, an addendum to the Contract shall be provided to the remaining participants within five days after notification of all intents to withdraw have been received by the Elections Administrator.

### **XIV. RECORDS OF THE ELECTION**

The Elections Administrator is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each Participating Authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. The election records shall be stored at the offices of the Elections Administrator or at an alternate facility used for storage of county records. The Elections Administrator shall ensure that the records are maintained in an orderly manner so that the records are clearly identifiable and retrievable.

Records of the election shall be retained and disposed of in accordance with the provisions of Section 66.058 of the Texas Election Code. If records of the election are involved in any pending election contest, investigation, litigation, or public information request, the Elections Administrator shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each Participating Authority to bring to the attention of the Elections Administrator any notice of pending election contest, investigation, litigation or public information request which may be filed with the Participating Authority.

### **XV. RECOUNTS**

A recount may be obtained as provided by Title 13 of the Texas Election Code. By signing this document, the presiding officer of the contracting Participating Authority agrees that any recount shall take place at the offices of the Elections Administrator, and that the Elections Administrator shall serve as Recount Supervisor and the Participating Authority's official or employee who performs the duties of a secretary under the Texas Election Code shall serve as Recount Coordinator.

The Elections Administrator agrees to provide advisory services to each Participating Authority as necessary to conduct a proper recount.

### **XVI. MISCELLANEOUS PROVISIONS**

1. It is understood that to the extent space is available, other districts and political subdivisions may wish to participate in the use of the County's election equipment and voting places, and it is agreed that the Elections Administrator may contract with such other districts or political subdivisions for such purposes and that in such event there may be an adjustment of the pro-rata share to be paid to the County by the Participating Authorities.
2. The Elections Administrator shall file copies of this document with the Tarrant County Judge and the Tarrant County Auditor in accordance with Section 31.099 of the Texas Election Code.
3. Nothing in this Contract prevents any Party from taking appropriate legal action against any other Party and/or other election personnel for a breach of this Contract or a violation of the Texas Election Code.

4. This Agreement shall be construed under and in accord with the laws of the State of Texas, and all obligations of the Parties created hereunder are performable in Tarrant County, Texas.
5. In the event that one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
6. All Parties shall comply with all applicable laws, ordinances, and codes of the State of Texas, all local governments, and any other entities with local jurisdiction.
7. The waiver by any party of a breach of any provision of this Agreement shall not operate as or be construed as a waiver of any subsequent breach.
8. Any Amendments of this Agreement shall be of no effect unless in writing and signed by all Parties hereto.
9. In the event of an emergency or unforeseen event on Election Day that requires adjustment to these procedures to keep the election operating in a timely, fair, and accessible manner, Elections Administrator may make such adjustments to the procedures herein as the circumstances require.

## Arlington Independent School District Board of Trustees Communication

**Meeting Date:** April 21, 2022

**Consent Item**

**Subject:** Instructional Materials Allotment and TEKS Certification, 2022-23

### Purpose:

TEA requires the district certify that all instructional materials which we purchase through the EMAT system are approved by the state of Texas and support the TEKS. This is an annual certification.

### Background:

Copies of the requirements were sent to all department heads and curriculum specialists asking them to sign off that instructional materials purchased for their areas using IMA funds meet the state requirements.

### Recommendation:

It is recommended that the form be approved in order for the district to have access to the IMA funds appropriated by the Legislature. These funds are used to purchase textbooks, online resources and consumable materials for student learning across the district.

This document can be downloaded as a PDF to be brought to the board meeting. Once this survey is submitted by clicking "Next" at the bottom of this page, an Approval link with a response summary will be sent to the Superintendent email address provided in the survey.

Below is a summary of your responses

[Download PDF](#)

## 2022–2023 Allotment & TEKS Certification Form

In accordance with [TEC 31.04](#), school districts and charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS). Districts and charters will be unable to order 2022–23 instructional materials through EMAT until the certification has been received by the Texas Education Agency (TEA).

Complete the form below, indicating the instructional materials the district has adopted or plans to adopt for the 2022–23 school year for each grade level and core subject or core course.

### Form Instructions:

The certification must be ratified by the LEA's board of trustees or governing body in an open, public-noticed meeting. The recommended steps are included below:

**1. Gather information** – Start by downloading a sample copy of the online survey to assist with collecting the information needed to complete the form. The form asks LEAs to indicate the instructional materials the LEA has adopted or plans to adopt for the 2022–23 school year for each grade level and core subject or core course, and some additional questions about instructional materials and local adoption procedures.

**2. Complete online form for approval** - The superintendent may identify a district representative to complete this survey. This may be the instructional materials coordinator or another district representative. *Note: the form will not be considered finalized until the superintendent submits final approval.*

- At the end of the survey, click *Generate Response Summary* to download and print a PDF version of the completed form which will be needed to complete step 3.
- After the PDF is generated, click *Next* to submit the draft of the survey. This will

automatically send a copy of the survey to the superintendent's email address provided in the survey, with instructions for submitting final approval (step 4 below).

**3. Obtain local board approval** - The LEA may take the PDF version of the completed form to the board meeting to obtain approval. *Note: board signatures are not required to be uploaded or submitted, so LEAs should plan to maintain documentation at the local level.*

**4. Superintendent to submit approved version** - After the district representative completes the form, the superintendent will get an email requesting approval of the completed form. Using a link in the email, the superintendent may go into the form and make any changes to the draft based on the local board meeting. Once the form is completed accurately, the superintendent may select *Approve* on the last page of the survey to officially submit the LEA's response to TEA.

If you have any questions or concerns, please submit a [Help Desk Ticket](#) on the Instructional Materials and Implementation website.

### Specific procedures to implement the MOU are as follows:

- A. CCA-HS program will initiate the scheduling of regular meetings with ISD. These will be held at least one (1) time annually. Additional meetings may be initiated by either agency as the need arises, and
- B. Staff (or contact persons) whose primary responsibilities for children with disabilities will be involved with these meetings. They will generally be ISD Special Education Director or designee and the CCA-HS Mental Health and Disabilities Coordinator or designee.

### Referrals to ISD

- A. CCA-HS will provide notification to the ISD Special Education Director of children receiving testing and/or services in Head Start who reside in the ISD attendance area on a regular basis during the year. This notification will include the address of residence, age of child, and services being provided to Head Start;
- B. CCA-HS will screen all enrolled children within the first forty-five days of enrollment. Based on these screening results, children who do not meet the established “cutoff points” will be referred by teaching staff to the assigned CCA-HS Disability Specialist who will initiate the RTI process with collaboration staff and refer the child to the ISD for further assessment if applicable. Further assessment will be requested only in the areas of concern identified by the screening results (teachers and parents with specific concerns may also initiate a referral for further assessment);
- C. Campus MTSS teams will ensure CCA-HS staff are invited to MTSS meetings;
- D. Campus ARD teams will ensure CCA-HS staff are invited to all initial and annual ARD meetings for students covered under this MOU;
- E. If a referral to the ISD is made, reports from all completed assessments are provided to the ISD;
- F. ISD Special Education Director or designee will request the referral meeting by contacting the CCA-HS Mental Health and Disabilities Coordinator after receiving the initial information;
- G. Meetings will be held at a CCA-HS facility or at the ISD facility as is mutually agreeable with parent, CCA-HS and ISD;
- H. The content of the referral meeting will include a description of ISD services and qualification requirements and completion of the referral packet if appropriate and parents’ written agreement;
- I. ISD Diagnostician or speech therapist for the child’s home school will notify the parents and the CCA-HS Disabilities Specialist of all meetings regarding the child’s assessment and/or placement following TEA rules and regulations;
- J. ISD Diagnostician or speech therapist will provide all Full Individual Evaluations and Individualized Education Programs and/or 504 plans developed within a timely manner;
- K. CCA-HS Mental Health and Disabilities Coordinator and/or staff will attend the ISD meetings, and
- L. Special Education timelines apply to all referrals.

### Referrals to Head Start

If ISD identifies a child under five (5) years of age who may qualify for Head Start services, the appropriate ISD staff will make a referral to the CCA-HS Mental Health and Disabilities Coordinator within five (5) working days.

### Service Coordination

- A. The CCA-HS Mental Health and Disabilities is responsible for fulfilling all service coordination needs of Head Start children unless otherwise specified in the Head Start IEP.
- B. Progress Notes:
  - 1. ISD will submit progress notes on their activities with the child at a minimum of every twelve (12) weeks or as requested by CCA-HS, and
  - 2. ISD and CCA-HS will maintain copies in the respective student eligibility folder.
- C. Main Chart:
  - 1. Eligibility folders are to be maintained in the child's designated home campus or in the school where ISD services are received. It will be the responsibility of that school to see that ISD Admission Review and Dismissal (ARD) meetings are held at the appropriate times, and
  - 2. Children, who qualify for ISD non-self-contained special education services but choose to continue attending Head Start and receive services from ISD, will be enrolled in both CCA-HS and ISD in order to receive ISD services as "pull-out" or "push-in" services.
- D. Other Agreements:
  - 1. Transition planning, transferring of records (with parent's written permission) and scheduling of ARD will occur as needed to provide for continuation of services to the child, and
  - 2. Joint staff professional development opportunities are shared between ISD and CCA-HS.

## Arlington Independent School District Board of Trustees Communication

**Meeting Date:** April 21, 2022

**Consent Item**

**Subject:** Consider Approval of 2019 Bond Program Playground Improvements for Phases II and III Equipment and Canopies Projects

**Purpose:**

To provide the Board of Trustees the opportunity to approve the 2019 Bond Program Playground Improvements for Phases II and III Equipment and Canopies Projects.

**Background:**

On January 13, 2022, the Board of Trustees approved a contract for the procurement of playground equipment and canopies for Phases II and III of the 2019 Bond Program Playground Improvements Project. At the time, the proposed completion timeline for the projects was identified as spring of 2023. In the intervening time, prior to the contract being signed, the awarded vendor has notified the District that the proposed timeline is no longer feasible due to delays in the availability of raw materials necessary to fabricate the playground equipment. The vendor has proposed a new completion timeline of spring of 2023 for the Phase II project and December 31, 2023 for the Phase III project. This extension of time allows the vendor an additional nine months for fabrication, shipment, and installation of all Phase II and Phase III sites.

During this delay, the District will slow the process of demolishing existing playgrounds and constructing new playground foundations in an effort to keep existing playgrounds in place for our students until the new equipment and canopies are delivered and installed.

**Recommendation:**

Administration recommends approval of the request for additional nine months, December 31, 2023, for delivery and installation of Equipment and Canopies for the 2019 Playground Improvements Phases II and III Equipment and Canopies Project.

<b>Meeting Date:</b>	April 21, 2022	<b>Discussion Item</b>
<b>Subject:</b>	Progress Report for Board of Trustees Continuing Education Credit	

### **Purpose:**

The purpose is to announce Continuing Education Credit for each Trustee per Texas Education Code section 11.159.

President Mays will also distribute, as required by the Education Code, the Framework for Governance Leadership (also known as the Framework for School Board Development) to all current members of the Board and the Superintendent.

### **Background:**

The Education Code states the minutes of the last regular meeting of the board of trustees held before an election of trustees must reflect whether each trustee has completed, exceeded or is deficient in meeting the training required to be completed as of the date of the meeting.

Each year every experienced Trustee is required to obtain three hours of team-building with the Board and Superintendent and five hours of additional continuing education. In a legislative year, each experienced Trustee is required to receive an Update to the Texas Education Code. Each Trustee is also required to complete training in the area of evaluating student academic performance, cybersecurity and child abuse prevention.

New Trustees are required to obtain ten hours of continuing education, attend an additional Local District Orientation, Orientation to the Texas Education Code and Open Meetings Training.

The last announcement of compliance for Arlington ISD Trustees was April 22, 2021.

The Board, administration, staff, and community stakeholders have collaboratively developed the new 2022-2027 *Powered by Possibilities* strategic plan to advance the district's innovative work focused on providing equitable programming for students while simultaneously addressing student and staff needs elevated within the current context of unfinished learning. This purpose of the plan is to define strategies, identify specific results and determine actions that lead to achieving the district's Call to Action plan and thereby increasing student achievement to ensure 100% of Arlington ISD students graduate exceptionally prepared. This strategic effort is grounded on three main pillars including a focus on:

- The learner experience;
