District Board of Trustees  
Communication**

<b>Meeting Date:</b> October 6, 2022	<b>Discussion-Action Item</b>
<b>Subject:</b> 2019 Bond Program Update	

**Purpose:**

To review the Phase II of the 2019 Bond Program Realignment Plan with the Board of Trustees as it relates to economic impacts of inflation and supply chain interruptions on the progress of the 2019 Bond Program and allow the Board to consider approval

**Background:**

Voters approved a bond proposition for \$966 million on November 5, 2019. The 2019 Bond Program is a five-year capital program that includes new construction, renovations and facility condition improvements along with capital purchases for technology, fine arts and transportation.

A total of \$702,461,300 in bonds have been authorized and sold as of February 2022, for the 2019 Bond Program. The Phase I issuance was \$311,104,011, the Phase II issuance was \$194,414,161, and the Phase III issuance was 196,943,128.

Phases I, II and III of the 2019 Bond Program are in progress. Projects in Phase I and II of the 2019 Bond Program are in various stages of design, bidding, construction and closeout. Projects in Phase III are currently in the planning, design or bidding stage.

Unprecedented inflation in the building construction industry has had a considerable impact on the District over the past eighteen months relative to the 2019 Bond Program. While early projects in Phase I of the bond program bid at or below the planned budgets, recent project bids and estimates are coming in 30-50% greater than initial estimates. District Administration has prepared a project budget realignment plan to continue moving forward with all 2019 Bond Program projects, while operating within the voter approved bond program funding. On June 28, 2022, the Board approved moving forward with Phase I of the 2019 Bond Program Realignment Plan.

Administration will review the 2019 Bond Program Realignment Plan with the Board of Trustees to discuss and consider action on Administration's recommendation to proceed with Phase II of the Realignment Plan.

Request for Proposal Number **23-15** is for property insurance for the District. Please see the attached recommendation letter.

**MEMORANDUM**

**TO:** Lisa Phillips,  
Director of Purchasing

**FROM:** Curt Fernandez,  
Director of Risk Management

**DATE:** September 13, 2022

**SUBJECT:** RFP 23-15 Property Insurance

The District issued RFP 23-15 to solicit proposals for AISD property insurance for the policy term of October 25, 2022 through October 24, 2023. Our current vendor, Frost Insurance, provided the only response.

The property insurance market is highly volatile due to the storm damages from the past years. Because of changes in property values, AISD saw significant price increases for our property insurance renewal. A tiered approach to insurance coverage is necessary to insure AISD properties due to our total property value.

Based on conversations with other school districts and TASB, the total cost is representative of the current rates for our insurance market. I recommended approving the proposal submitted by Frost Insurance for RFP 23-15 Property Insurance.

PROGRAM AND/OR PRESENTATION:

A. Student Performance by Bowie High School Orchestral Ensemble

Communications Manager Anthony Andro introduced the Bowie High School Orchestral Ensemble under the direction of Jennifer Cliborn and Marisa Cox, as they performed "Velocity" by Brian Balmages. The student musicians were violinists An Pham, Ethan Pham, Arissa Perez, and Ariana Mays, violists Jeffrey Kaysonpheth and Bill Vo, cellist Cindy Luu, and bassist Jaxon Hogue. In 1836, James Bowie was asked to "Cross the Line" in service at the Alamo. As the James Bowie High School Orchestra, the students honor that idea with outstanding musical performance, community service, and academic achievement. The orchestras consistently earn superior ratings at UIL concert and sightreading and solo and ensemble competitions. They participate in school projects including Spookapaloosa, Deck the Halls, and Bowie Gives Back for their neighborhood community, as well as entertaining patrons at local senior living communities. The students achieve the highest academic rankings, often featured in the top ten, salutatorian, and valedictorian positions, and receive multiple acceptance letters from major universities and trade schools.

B. Student of the Month

Arlington High School Principal Stacie Humbles introduced the September 2022 student of the month, Molly Ruby. Molly is a senior at Arlington High School and a top performer at AHS in academics, athletics and the arts. She is currently in the top two percent of her class, taking all advanced placement and international baccalaureate courses. Molly is a member of the National Honor Society and is the Youth Board President of Carson Cares, a local non-profit serving all AISD junior high schools and high schools. She is currently on the varsity soccer and cross-country teams at AHS and is the bell girl for the Colt Calvary. Molly is a talented artist and was a state finalist at Virtual Arts Scholastic Event (VASE) with two pieces selected in 2022 and one piece selected in 2021.

C. Community Engaged for Excellence Award of Appreciation

Executive Director of Engagement, Equity and Access Mr. Aaron Perales reported that Baylor Scott and White Spine and Orthopedic Hospital at Arlington was receiving the Community Engaged for

Excellence Award of Appreciation. Allan Beck, CEO, was present to accept the award. Baylor Scott and White Orthopedic and Spine Hospital at Arlington has provided care for the community since 2010. When reviewing their mission statement, BOSHA is driven by delivering service with the highest standard, excellence, dignity and respect. Beyond the care they provide to their patients, BOSHA is committed to supporting the community they serve. Over the past four years, BOSHA has donated a total of \$40,000 to support the AISD Back to School Kickoff. In terms of connecting students with school supplies, this equates to nearly 1,000 backpacks with school supplies in each of the past four years. Two of those years were at the height of COVID when first responders were at the peak of strain. BOSHA still came through with funding and volunteer support for the event. Continuing their commitment to Arlington ISD, BOSHA is an active contributor to the AISD Education Foundation, which raises funds to support AISD classroom and school district grants. In fact, this past school year, BOSHA donated a \$10,000 grant awarded to the Larson Elementary *Wonderbooks Would Be Wonderful* Program. This past April, BOSHA was a presenting sponsor for the foundation's AISD Education Celebration at Six Flags Over Texas, a community fundraising event that supports AISD classroom grants. These are some of the highlights of AISD support that they provide. Baylor Scott and White Orthopedic and Spine Hospital is truly representative of a Community Engaged for Excellence for AISD.

DISCUSSION:

A. 2019 Bond Program Update

Assistant Superintendent of Facility Services Kelly Horn presented an update on the 2019 bond program, a five-year capital program that includes new construction, renovations and facility condition improvements, and capital purchases for technology, fine arts and transportation. Mr. Horn reported that phases one, two and three of the 2019 bond program are in progress, including forty-two total projects. To date for phase one through three facilities, \$161.4 million has been expended, \$99.5 million is encumbered and \$365.7 million remains available. Mr. Horn provided an overview of facility projects and presented pictures highlighting their progress. The historically underutilized business (HUB) tier two participation commitment for phases one through three is 23 percent and as of May 31, 2022, actual achieved participation is 32.97 percent. Procurement of vehicles, instruments, fine arts uniforms and technology for year three of the bond program is on schedule.

B. TASB Policy Update 119 and Revisions to Policy EF (LOCAL)

Assistant Superintendent of Administration Dr. Michael Hill provided an overview of TASB Policy Update 119 and the revisions recommended to Policy EF (LOCAL). Policy Update 119 includes 51 legal policies and nine local policies. Legal policies are not adopted only reviewed and local policies require board action. Appropriate staff, the Board Governance Committee and general counsel reviewed the legal and local policy changes. Dr. Hill highlighted some of the policy revisions recommended. Following their review, the Board Governance Committee asked for some additional information and administration discussed the recommendations with the policy division of the Texas Association of School Boards (TASB). Administration will continue to review and revise, as appropriate, the local policies in Update 119 and Policy EF (LOCAL) and bring back to the Board for consideration at the September 15, 2022 board meeting.

OPEN FORUM FOR NON-AGENDA ITEMS:

Rachelle Sanders spoke regarding safety precautions for media threats, credible versus non-credible.

SUPERINTENDENT'S REPORT:

Dr. Cavazos recommended trying the lunch at one of the high schools, or any AISD campus. Students from a culinary class at Bowie High School are leaving their fingerprints all over the menu. Last year, Dr. Cavazos had the opportunity to do some taste testing of potential menu items made by a culinary class at Bowie. AISD's food and nutrition services director, David Lewis, said the top recipes would make their way to the high school menus this year, and that started last week when a blackened chicken mozzarella po boy sold out at Bowie. This week the chicken and waffles, one of Dr. Cavazos' personal favorites, debuted. This is a credit to the students, their teacher Amber Craven, and the food and nutrition services team.

On behalf of the district, Superintendent Cavazos offered condolences to the family of Bob Burgin. Mr. Burgin, an AISD namesake for Burgin Elementary, died on August 19, 2022 at 87 years old. Bob Burgin leaves a huge legacy not only for AISD but the entire community for the work he, his wife Tillie and the rest of the Burgin family have done for the entire Arlington area with their work at Mission Arlington/Mission Metroplex, as well as his church work. His district work alone is incredible, as Mr. Burgin started his career as a math teacher at Carter Junior High 62 years ago and ended his full-time career as the principal at Arlington High from 1989 to 1993. He made several stops along the way and helped in personnel after retiring from full-time service. He was a wonderful representative for the Arlington ISD and the City of Arlington.

Superintendent Cavazos congratulated Chief Financial Officer Darla Moss and her team for AISD's score of 98 from the Schools Financial Integrity Rating Systems of Texas (FIRST). The score is based on the analysis of financial data for the fiscal year 2021 and is based on a system of 100 total points. The 98 earned AISD a *superior achievement* rating and is two points higher than the score last year, when AISD also achieved a *superior achievement* rating. FIRST ensures that public schools are held accountable for the quality of their financial management practices.

Dr. Cavazos also congratulated Boles Junior High Principal Codi Van Duzee for being selected to represent AISD in the Cahn Fellows Program for Distinguished Principals. This program allows representatives from across the country to gather to discuss the role that systems, equity, gender, race, communication and other elements play in education. Principal Van Duzee is an outstanding representative for the district.

Assistant Superintendent of Financial Services Carla Martin presented the proposed 2022 tax rate. The certified estimate of taxable values received was \$36,378,362,528. Based on the 2022 property values certified by Tarrant Appraisal District as of July 21, 2022 and the Maximum Compressed Rate (MCR) determined by the Texas Education Agency, administration proposed a tax rate of \$1.0080 for maintenance and operations and \$0.3007 for interest and sinking. The proposed overall tax rate is \$1.3087. This is \$0.0521 less than the 2021-2022 adopted tax rate.

Trustee Wilbanks noted that even though there was a legal requirement for the motion language, compared to last year, the tax rate is actually going down by five cents.

Motion by David Wilbanks second by Kecia Mays, that the property tax rate be increased by the adoption of a tax rate of \$1.3087, which is effectively a 5.40 percent increase of the tax rate.

Dr. Lopez presented the House Bill 3 goals, progress measures and yearly targets with recommended updates for 2022-2023. STAAR 2021 was used to set House Bill 3 five-year goals for 2021-2022. Since the results of the STAAR 2022 scores exceeded expectations, the STAAR 2022 results were used to update the goals for the 2022-2023 school year through the end of the five-year period. Dr. Lopez presented the 2022-2023 district improvement plan goals and performance objectives, with yearly targets through 2026:

DISCUSSION:

A. 2022-2023 Financial Update

Chief Financial Officer Darla Moss provided a financial update. Financials in the board packet included the monthly financial report and monthly investment report for the period ending July 31, 2022 and a list of purchases greater than \$50,000 exempt from bid. Mrs. Moss presented the 2021-2022 fiscal year-end closing timeline and reported that the audit committee will review the annual comprehensive financial report, then it will be presented for approval at the regularly scheduled November 17, 2022 board meeting. The AISD received a 98, *Superior Achievement*, from the Financial Integrity Rating System of Texas (FIRST) for the 2021-2022 year based on financial data for the fiscal year ending June 30, 2021. For 2022-2023, Mrs. Moss presented updates on ESSER (elementary and secondary emergency relief) funds, the 2014 bond program and the 2019 bond program. Mrs. Moss reported that as of July 31, 2022, all ESSER I funds were expended, thirty percent of ESSER II funds remain and seventy-five percent of ESSER III funds remain. The 2014 bond program remaining funds are \$8 million. For the 2019 bond program, as of July 31, 2022, bonds have been issued for \$709.8 million with current available funding of \$410 million. Historically AISD has completed bond sales in February, however, staff and the financial advisor are currently evaluating, reviewing interest rates, and considering possibly having a bond sale in August.

Voting For: 7

President Fowler reported that the motion passed.

Regarding Item A 22-09-15-05, Trustee Hibbs noted the District and security are consistently trying to improve layering of security process. A security detection system gives another opportunity in assisting with security measures. It assists with individuals entering schools and is a proactive tool for weapons potentially entering schools. This is another layer and tool in safety procedures and protocols. This is not a catch-all but will give one more opportunity to provide for schools to be protected and give teachers, students and visitors another level of confidence. The District is working with community authorities, putting measures in place, doing everything possible for school safety. The funding will

come from the 2014 bond program and falls under the security measures voters approved in 2014. Mr. Hibbs is in full favor of the purchase, stating it is a good use for the capital funds.

Motion by John Hibbs, second by David Wilbanks, to accept consent agenda Item A 22-09-15-05 Security Detection System.

Trustee Reich asked if the motion needed to include the funding source. Superintendent Cavazos responded that it was not required. There was no change made to the motion.

#### SUPERINTENDENT'S REPORT:

Superintendent Cavazos congratulated Dan Dipert Career and Technical Center teacher Alyce Monroe for being named the Dallas Cowboys Reliant Class Acts teacher of the month. He was present when the Cowboys and Reliant surprised her during a staff meeting with a jersey and a check for \$4,000 for the school. Dallas Cowboys great George Teague was also there for the surprise, along with Arlington Mayor Jim Ross. Since the award is kind of related to sports, Dr. Cavazos provided a quick scoring update. They have given this award fourteen times to teachers from across the Metroplex. Four of those winners have come from the Arlington ISD.

Today, September 15<sup>th</sup>, is the first day of Hispanic Heritage Month. Hispanic Heritage Month runs from September 15 to October 15. Starting today and throughout the month, the district is going to spotlight different ways the campuses are honoring the Hispanic heritage of their staff and students. The Wimbish World Language Academy had a mariachi band welcome students to school this morning, which is a great way to get things started. Stories will be available throughout the month on AISD's *Looped In* blog.

Dr. Cavazos reported that Arlington ISD students will take a big step in the process toward college by taking college entrance tests. These tests are all free and done during the school day, which eliminates two big barriers for students. All seniors take the ACT test while every eighth grader and seventh grade AVID students take the PSAT 8/9 test. Sophomores and juniors as well as ninth grade AVID students take the PSAT/National Merit Qualifying test. These tests are outstanding opportunities for AISD students to shine and helps them toward their goal of going to college, if that is their choice.

Earlier in the week, Dr. Cavazos joined several AISD board members at the Center for Visual and Performing Arts for the annual pastoral leaders' luncheon. The luncheon with leaders from faith-based organizations was a great way to show off the CVPA as well as provide updates about all the great things going on in the District. The luncheon is the kickoff to this year's stakeholder events put on by the Parent and Community Engagement department.

President Fowler noted that the opportunity for students to take tests for free, during the school day, shows that the AISD is removing barriers and making sure all students have access. AISD is providing equity for all students across the district.

#### SCHOOL BOARD'S REPORT:

Trustee McMurrough reported that tonight was literacy night, also known as *Camp Read a Lot*, at Little Elementary School. She appreciates being back to holding community engagement and family engagement events. She offered a "shout out" to Heather Bush and the family liaisons, under Eric Phillips in the PACE Department, for a wonderful job.

Trustee Mays reported that today starts National Hispanic Heritage month and she wanted to recognize the contributions and influence of Hispanic Americans, the history, culture, achievements and flavor. This celebration is based on ancestors that came from Spain, Mexico, the Caribbean and Central and South America. September 15 is significant because it is the anniversary of independence for Latin American countries, Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence on September 16 and September 18. Susana Martinez, the first Hispanic female governor in the history of the United States said, "My parents taught me to never give up and to always believe that my future could be whatever I dreamt it to be." Mrs. Mays encouraged everyone to go enjoy some activity to recognize Hispanic Heritage Month and many opportunities are available in AISD.

Trustee Chapa reported that his family has parakeets, and one was quite sick. At the Arlington Animal Hospital on Division Street, AISD students were assisting the veterinarians. There is a program for all students at the Dan Dipert Career and Technical Center. He also offered a “shout out” to the PTAs from Duff Elementary, Bailey Junior High and Arlington High School for earning *School of Excellence* awards. Very few nationwide receive this distinction. He thanked the parents and community for their involvement, in a nationally recognized way.

President Fowler reported that Saturday is Operation Graduation. Trustees, staff and volunteers will go to the community to visit students who have not returned to school. They will check with parents and students for any barriers preventing their return, reaching out to high school students and encouraging them to return to school.

Secretary McMurrrough had two items to report. Mr. Wilbanks requested to look at formally adopting being in the top quartile for House Bill 3 goals and alignment. Mrs. McMurrrough requested for Dr. Lopez to get the general percentage of districts that administered STAAR on a digital platform last year.

**ADJOURNMENT:**

President Fowler adjourned the meeting at 8:43 p.m. The Board did not return to closed session.

<b>Subject:</b>	Consider the Interlocal Agreement between Arlington ISD and Dispute Resolution Program of Tarrant County	

**Purpose:**

To give the Board of Trustees the opportunity to consider the interlocal agreement between Arlington ISD and Dispute Resolution Program of Tarrant County (DRP).

**Background:**

Restorative practices is a relational approach to building school climate and addressing student behavior. The approach fosters belonging over exclusion, social engagement over control, and meaningful accountability over punishment. AISD has campus RP Specialists to aide in its' commitment of implementing a continuum of restorative practices. This continuum includes practices that ensure students develop relationships with others and repair relationships when harm is done.

Within the continuum, the AISD has developed a restorative process to assist students in re-entering their home campuses when returning from discipline settings such as DAEP and JJAEP. To aide the transitioning of students from JJAEP to their home campuses, the AISD desires to partner with the team of highly vetted and trained staff of the DRP to implement re-entry process. The process includes:

- *Management of communications and scheduling of participants in the re-entry process*
- *Facilitation of the Re-Entry Circle*
- *Follow up on agreements and commitments made by all stakeholders involved*

**Recommendation:**

The administration recommends the Board of Trustees approve the interlocal agreement between Arlington ISD and Dispute Resolution Program of Tarrant County (DRP) as it is presented.

To provide the Board with progress update pertaining to House Bill 3 (HB 3) requirements for improvement plans addressing early childhood literacy and mathematics proficiency and performance objectives outlined in the District Improvement Plan (DIP) in alignment with the Board adopted monitoring calendar.

**Background:**

In the spring of 2019, the 86<sup>th</sup> Legislature passed the finance bill, HB 3, which included specific requirements pertaining to goal setting and the progress monitoring process for improved outcomes in early childhood literacy and mathematics, as well as college, career, and military readiness (CCMR). The statute requires school boards to adopt plans that include annual goals for aggregate growth on 3<sup>rd</sup> grade reading and mathematics achievement, annual targets for closing achievement gaps among student groups, targeted professional development for classroom teachers and annual targets for students being served in bilingual and ESL programs. The bill also calls for aggregate annual goals and targets for CCMR readiness as evaluated under the state accountability system’s student achievement domain and for each student group articulated in the closing the gaps domain. This discussion item will provide a progress update pertaining to student outcomes on the first curriculum assessment and the DIP goal related to attendance.
