MEMORANDUM

TO: Wm. Kelly Horn, Asst. Superintendent of Facility Services
FROM: Mike Parkos, Director of Facility Planning and Construction
DATE: May 4, 2022
SUBJECT: Competitive Sealed Proposal #23-46 for the 2019 Bond Program, Phase 2, Bid Package 2, Sam Houston High School Renovations Project

The District approved the Sam Houston High School Renovations Project as a part of the 2019 Bond program. Additionally, the Board of Trustees approved VLK Architects (VLK) as the design professional and approved Competitive Sealed Proposal (CSP) as the method of construction procurement for the project.

The project architect, VLK Architects, completed the construction documents and the District requested proposals. Notification of the request for CSP was sent to local contractors, area chambers’ of commerce and contractors on a list supplied by the DFW Minority Business Council. Notice of the request for CSP was also advertised in accordance with state law.

Proposals were received from four general contractors:

- Hutcherson Construction, Inc.
- MDI General Contractors
- Phillips | May Corporation
- Big Sky Construction

Competitive Sealed Proposals received from the proposers were evaluated based on criteria published in the CSP document:

Price	35%
Qualifications	40%
HUB Participation	10%
Interview	15%

An evaluation committee consisting of the Director of Facility Planning and Construction, the Senior Project Manager, the District’s Staff Architect, the District’s Project Manager, and the Design Architect completed evaluations. MDI General Contractors, Inc. (MDI) ranked highest amongst all proposers at 86.88 points. District staff worked with MDI to ensure that the intended project scope is being addressed, to identify opportunities to reduce the proposed cost and to verify the final project construction cost.

The total project construction budget for the Sam Houston High School Project is \$7,901,000.

MDI offered a competitive sealed proposal amount of \$5,400,000 for the project. Administration recommends accepting Alternate #1, adding \$1,710,000 to replace the library windows and roof; Alternate #2, adding \$292,000 to replace existing library carpet, ceilings and lights; Alternate #3 adding \$260,000 to replace the lights in the auditorium ceiling and Alternate #4 adding \$356,000 to improve the main courtyard drainage system. The final contract amount including the recommended alternates is \$8,018,000. The proposed construction contract is \$117,000 more than the total project construction budget.

Based on this evaluation, District administration recommends accepting the Competitive Sealed Proposal, including the above listed alternates for the Sam Houston High School Renovations project for a total contract amount of \$8,018,000.

The architect's letter of recommendation for construction contract award for the Sam Houston High School Renovations Project is attached.

Pending approval of the CSP, work on this project will begin in June 2023, with final completion expected in the summer of 2024.

Dear Mike:

As you know, Competitive Sealed Proposals were solicited for this project and were received by Arlington ISD. Four proposers responded to **CSP #23-46** and those proposals were reviewed by the committee. After evaluating the proposers for completeness of information, responsiveness of their proposal, and overall value to the district, MDI General Construction has proven to be the highest ranked proposer.

Based upon the application of the evaluation process which the committee has undertaken, it is my opinion that MDI General Construction provides the best value to Arlington I.S.D. with their proposed cost of \$8,018,000 including the Alternates and should be awarded as the successful proposer for Sam Houston high School renovation project.

Sincerely,

SUBJECT: CSP#23-47 for the Sam Houston and Seguin High School P-Tech Renovations

The project architect, BRW Architects, completed the construction documents and the District requested proposals. Notification of the request for Competitive Sealed Proposals (CSP) was sent to local contractors, area chambers' of commerce and contractors on a list supplied by the DFW Minority Business Council. Notice of the request for CSP was also advertised in accordance with state law.

Proposals were received from two general contractors:

Falkenberg Construction Company, Inc.
Hutcherson Construction Company

After the evaluation process was completed, Hutcherson Construction Company (Hutcherson) ranked highest amongst all proposers with 83.89 points and represents "best value" to the District. District administration has confirmed that Hutcherson's proposal includes the entire scope of work for the project. Further, administration has worked with Hutcherson to identify opportunities to reduce the proposed cost and to verify the project schedule.

The total project construction budget for the Sam Houston and Seguin High School P-Tech Renovations Project is \$622,000. Hutcherson offered a competitive sealed proposal amount of \$470,000 for the project. District administration recommends accepting certain value engineering (VE) options and a slight reduction in owner contingency for a total proposed project contract amount, including VE items, of \$620,300. The total project is \$1,700 under budget.

Based on this evaluation, District administration recommends awarding the Sam Houston and Seguin High School P-Tech renovation project to Hutcherson Company based on overall best value, in the amount of \$620,300. Funding for this project will be provided utilizing the District's Capital Projects Fund (Local Construction).

The architect's letter of recommendation for construction contract award for the Sam Houston and Seguin High School P-Tech Renovation Project is attached.

Bid Number **23-60** is an annual contract for transportation supplies for inventory. In addition to the inventory line items, the bid asked for a discount from the vendor's catalog, shelf price or price list. This will allow the District to purchase items or services which are not identified at this time.

It is recommended that the low bids meeting specifications be awarded by line item, unless noted as all-or-none awards. For all-or-none sections, it is recommended that the lowest overall bid meeting specification and providing all items be awarded. It is also recommended that all vendors meeting specifications submitting catalog bids be approved.

Arlington Independent School District Board of Trustees Communication

Meeting Date:	May 18, 2023	Consent Item
Subject:	Resolution Designating Individuals Authorized to Calculate the No-New-Revenue Tax Rate, the Voter-Approval Tax Rate, and Other Truth-In-Taxation Requirements	

Purpose:

To provide the Board a resolution approving designation of the individuals authorized to calculate the no-new-revenue tax rate, the voter-approval tax rate, and other truth-in-taxation requirements.

Background:

In accordance with Board Policy CCG (LEGAL) and Section 26.04 of the Texas Property Tax Code, the Board of Trustees must designate the individual(s) authorized to calculate the no-new-revenue tax rate, the voter-approval tax rate, and other truth-in-taxation requirements.

The Board has previously approved the Executive Director of Financial Services, the Assistant Superintendent of Financial Services, and the CFO, as individuals authorized to calculate the rates. Since the Tarrant County Tax Assessor-Collector also performs this calculation for other school districts, Administration recommends adding the Tarrant County Tax Assessor-Collector as an approved individual authorized to calculate the rates.

Recommendation:

Administration recommends adding the Tarrant County Tax Assessor-Collector as an approved individual authorized to calculate the no-new-revenue tax rate, the voter-approval tax rate, and other truth-in-taxation requirements for the District.

Subject:	Resolution and Agreement Extending Depository Contract for Funds	

Purpose:

To provide the Board the resolution and agreement to extend the District's current Depository Contract with JPMorgan Chase Bank, N.A.

Background:

Texas Education Code (TEC) §45.205, requires school districts to enter into a contract with a qualifying bank for depository and banking services every two years, with the option to include provisions to extend the contract for two additional two-year terms.

Under the District's approved District of Innovation (DOI) Local Innovation Plan 2021-2027, the District sought relief from the terms of the depository contract. The District must evaluate the performance of the current depository bank and should the District determine services are provided effectively and the quality of services is acceptable, the District may negotiate terms to extend the contract for one additional two-year period.

A committee consisting of the Executive Director of Financial Services, Director of Budget and Finance, and Director of Accounting evaluated the performance of the current depository and recommended extending the current depository contract with JPMorgan Chase Bank, N.A for the period July 1, 2023 through June 30, 2025.

Recommendation:

Administration recommends extending the current depository contract with JPMorgan Chase Bank, N.A. for the period July 1, 2023 through June 30, 2025.

**EXTENSION OF ARLINGTON INDEPENDENT SCHOOL DISTRICT OF
DEPOSITORY CONTRACT FOR FUNDS**

This **EXTENSION AGREEMENT OF DEPOSITORY CONTRACT FOR FUNDS** (this “Extension Agreement”) dated effective July 1, 2023 is made and entered into by and between the **Arlington Independent School District** (the “District”) and **JPMorgan Chase Bank, N.A.**, (“Bank”).

WHEREAS, District and Bank are parties to a Depository Contract for Funds of Independent School Districts Under Texas Education Code, Chapter 45, Subchapter G, School District Depositories, as accepted by the District on June 2, 2011 (as amended from time to time, the “Agreement”), which was entered into based on Bank’s Proposal to Provide Bank Depository Services to the District, Bid. No. 11-134, dated May 6, 2011 (the “Proposal”);

WHEREAS, the District’s Board of Trustees adopted the District of Innovation Plan (the “Plan”), which provides for certain statutory exemptions under the Plan;

WHEREAS, the District sought an exemption to Texas Education Code, Section 45.205, which limits the terms of the District’s depository contract to two years, with the ability to extend the contract for two additional two-year terms, prior to initiating a formal Request for Proposal for a new contract;

WHEREAS, the Agreement’s additional two year term expires on June 30, 2023;

WHEREAS, based on the evaluation of the services provided by the Bank and the items listed in the Plan, the District desires, and the Bank agrees, to extend the Agreement an additional two-year term, subject to the terms and conditions provided in this Extension Agreement; and

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements contained herein, District and Bank hereby agree as follows:

1. District and Bank mutually agree to renew and extend the Agreement, for an additional two-year period under the same terms and conditions, unless otherwise

provided in this Extension Agreement, with such extension term to begin July 1, 2023, and continue thereafter in full force and effect through June 30, 2025, unless sooner terminated as provided in the Agreement.

2. Notwithstanding anything to the contrary in the Agreement:
 - (a) the earnings credit rate shall be based on the Bank's Premium Managed Rate, and
 - (b) the District's interest bearing accounts will accrue interest on balances at a rate based on the Bank's Premium Managed Rate for interest bearing accounts.

As used in this Section 2, Premium Managed Rate shall mean the earnings credit rate and interest bearing account rate are bank managed rates that are reviewed and updated periodically by J.P. Morgan after considering a range of factors, including the market rate environment. Using a managed rate helps to maintain pricing flexibility while helping to protect the District from short-term rate volatility.

3. The first three (3) months of account analysis fees for the renewal period beginning July 1, 2023 will be provided **at no cost** to the District.
4. Notwithstanding anything to the contrary in the Agreement, the District agrees to endeavour to utilize a letter of credit issued by a federal home loan bank to collateralize the District's deposits, either in part or in whole, at the discretion of District.
5. The Pricing Schedule attached hereto as Exhibit A, which is incorporated herein by reference, is hereby replacing and substituting any existing pricing or fee schedule that may be in existence in connection with the Agreement.
6. All terms and conditions of the Agreement that are not amended herein shall remain in full force and effect.
7. District and Bank hereby incorporate this Extension Agreement into the Agreement. Bank and District hereby ratify all of the terms and conditions of the Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Extension this _____ day of May, 2023.

Subject: Consider an Easement and Right-of-way for a 4,376 square foot (0.100 acres) tract of land situated in Lot 1, W.J. Berry Addition, to the City of Arlington, Tarrant County, Texas, according to the plat recorded in Volume 388-29, Page 391, of the Plat Records of Tarrant County, Texas, and being a Portion of the 10.471 acre tract of land conveyed to the Arlington Independent School District, by the deed recorded in Volume 3029, Page 128, of the Deed of Records of Tarrant County, Texas

Purpose: To provide the Board of Trustees the opportunity to consider granting an easement and right-of-way to Oncor Electric Delivery Company, LLC, for a 4,376 square foot (0.100 acres) tract of land situated in Lot 1, W.J. Berry Addition, to the City of Arlington, Tarrant County, Texas, according to the plat recorded in Volume 388-29, Page 391, of the Plat Records of Tarrant County, Texas, and being a Portion of the 10.471 acre tract of land conveyed to the Arlington Independent School District, by the deed recorded in Volume 3029, Page 128, of the Deed of Records of Tarrant County, Texas.

Background: The District is constructing an addition to Bailey Junior High School and Oncor Electric Delivery Company, LLC, requires an easement and right-of-way for underground electric supply lines, consisting of a variable number of wires and cables, surface mounted equipment, conduits, manholes, vaults, transformers, switches, switchgears, auto-transformers, protection, sectionalizing devices and all necessary or desirable appurtenances over, under, across and upon the subject property.

The easement gives Oncor access to construct, maintain, operate, repair, remove, replace, reconstruct, abandon in place, and to change the size and capacity of the facilities required to provide electric service to Bailey Junior High School and the right to relocate said facilities in the same relative direction of said facilities or same relative position to any adjacent road if and as such road is widened in the future. It also extends Oncor the right to lease wire space along the facilities and the right to restrict excavation or construction within the easement if Oncor determines that such work may endanger or interfere with their infrastructure. The easement will encompass 4,376 square feet (or 0.100 acres).

Recommendation: Administration recommends granting an easement and right-of-way to Oncor Electrical Delivery Company, LLC, for a 4,376 square foot (0.100 acres) tract of land situated in Lot 1, W.J. Berry Addition, to the City of Arlington, Tarrant County, Texas, according to the plat recorded in Volume 388-29, Page 391, of the Plat Records of Tarrant County, Texas, and being a Portion of the 10.471 acre tract of land conveyed to the Arlington Independent School District, by the deed recorded in Volume 3029, Page 128, of the Deed of Records of Tarrant County, Texas.
