**RE:** **RFP 24-03 Property Insurance**

Request for Proposal Number **24-03** is for property insurance for the District. Please see the attached recommendation letter.

**MEMORANDUM**

**TO:** Lisa Phillips,  
Director of Purchasing

**FROM:** Curt Fernandez,  
Director of Risk Management

**DATE:** October 2, 2023

**SUBJECT:** RFP 24-03 Property Insurance

The District (AISD) issued RFP 24-03 to solicit proposals for our property insurance for the policy term of October 25, 2023 through October 24, 2024. The RFP #24-03 was issued on July 14, 2023. The District's current vendor, Frost Insurance, provided the only response.

The property insurance market is highly volatile due to natural disasters (storm/hail damage) from the past years. Because of changes in the property insurance market, The District saw significant price increases for our property insurance renewal. A tiered approach to insurance coverage is necessary to insure AISD properties to the total property value of \$ 4,024,590,480.

Based on conversations with other school districts, TASB, and a Risk Management consultant, the total cost of \$ 9,252,025 is representative of the current rates in the District's insurance market. Risk Management recommends approving the proposal submitted by Frost Insurance for RFP 24-03 Property Insurance.

**SUBJECT: PROPERTY INSURANCE RENEWAL RESULTS**

**Market Conditions**

Since 1980, the United States has averaged 7.9 billion-dollar-damage weather disasters each year. Their average for the last three years has 20 billion-dollar-plus.

Texas has experienced massive hurricane, freeze, tornado, hail and flood losses that have affected RFP responses. Reinsurers insure insurers. We have seen premium increases close to 50%.

**Process**

Invitations were e-mailed to 18 agencies/companies who have been active in the market for school district property insurance. In addition, newspaper advertisements were placed as required by law and the advertisement appeared on Onvia, a subscription service.

Only three agents completed Questionnaires which included company information, references who had experienced losses, and insurance companies requested. Exclusive access to insurance companies was based on the agents' school insurance experience, insurance company relationships, location and the District's historical experience with the proposers. Because of the small size of the available marketplace, agents were originally requested to offer lower limit proposals than are ultimately needed.

Two of the agents, Arthur J. Gallagher and Higginbotham withdrew. Only Frost Insurance Services, the current agent, was able to offer a full limits proposal. A total of 44 companies was needed to obtain the limits of insurance required.

Request for Proposal Number **24-18** is for supplemental teacher workroom equipment. Please see the attached recommendation letter.

**MEMORANDUM**

**TO:** Lisa Phillips, Director of Purchasing  
**FROM:** Krista McCown, State and Federal Interventions and Operations Coordinator  
**DATE:** October 2, 2023  
**SUBJECT:** RFP 24-18 Supplemental Teacher Workroom Equipment

The State and Federal Interventions and Operations department is supporting AISD Title I campuses requiring supplemental teacher workroom equipment, to include poster printers, cold laminators, and supplies for each.

Proposals were received from 3 vendors:

Precision Business Machines	Gunny Rob, LLC
Brimmo Logistics Enterprises	

Proposals were evaluated based on criteria published in the RFP document:

Criteria	Number of Points
Price	31 points
Services & Support	30 points
Extent to which goods/services meet the District’s needs	29 points
Experience with AISD	10 points

The RFP was evaluated by the Director of State and Federal Interventions and Operations, the Coordinator of State and Federal Interventions and Operations, and the Secretary of State and Federal Interventions and Operations.

Due to the size of AISD and individual campus and student needs it is recommended one vendor be awarded. **The recommended vendor is Precision Business Machines.**

The committee evaluated all vendors and made the decision based on the best value to the District. The estimated budget for this program for the first year is \$314,054.25 and the three-year total would be \$453,278.45 if renewed.

This contract has the option to renew for two additional one-year periods.

## Arlington Independent School District Board of Trustees Communication

<b>Meeting Date:</b>	October 19, 2023	<b>Discussion Item</b>
<b>Subject:</b>	House Bill 3 (HB 3) & DIP Progress Monitoring Update	

**Purpose:**

To provide the Board with progress update pertaining to House Bill 3 (HB 3) requirements for improvement plans addressing early childhood literacy and mathematics proficiency and performance objectives outlined in the District Improvement Plan (DIP) in alignment with the Board adopted monitoring calendar.

**Background:**

In the spring of 2019, the 86<sup>th</sup> Legislature passed the finance bill, HB 3, which included specific requirements pertaining to goal setting and the progress monitoring process for improved outcomes in early childhood literacy and mathematics, as well as college, career, and military readiness (CCMR). The statute requires school boards to adopt plans that include annual goals for aggregate growth on 3<sup>rd</sup> grade reading and mathematics achievement, annual targets for closing achievement gaps among student groups, targeted professional development for classroom teachers and annual targets for students being served in bilingual and ESL programs. The bill also calls for aggregate annual goals and targets for CCMR readiness as evaluated under the state accountability system’s student achievement domain and for each student group articulated in the closing the gaps domain. This discussion item will provide a progress update pertaining to student outcomes on the beginning-of-year (BOY) universal screeners.
