Arlington Independent School District Board of Trustees Communication

Meeting Date: March 21, 2024 Action Item

Subject: Consider Authorizing the Sale of Real Property Being Four Adjacent Tracts of Land (5200 Lake

Ridge Parkway, 2501 Lynn Road, 2912 Lynn Road and 2914 Lynn Road) Comprising a Total of

15.631 Acres Located in Grand Prairie, Tarrant County, Texas

Purpose:

To give the Board of Trustees the opportunity to discuss and possibly act on authorizing the sale of real property being four adjacent tracts of land (5200 Lake Ridge Parkway, 2501 Lynn Road, 2912 Lynn Road and 2914 Lynn Road) comprising a total of 15.631 acres located in Grand Prairie, Tarrant County, Texas. The properties are located on the southeast corner of the intersection of Camp Wisdom Road and Lake Ridge Parkway in Grand Prairie, Tarrant County, Texas.

Background:

AISD owns four adjacent parcels of land at the southeast corner of the intersection of Camp Wisdom Road and Lake Ridge Parkway in Grand Prairie, Tarrant County, Texas. The property at 5200 Lake Ridge Parkway is approximately 3.35 acres, 2501 Lynn Road is approximately 11.145 acres, 2912 Lynn Road is approximately 0.971 acres and 2914 Lynn Road 0.165 acres. Together the four parcels total approximately 15.631 acres. The properties were being held in reserve for a new elementary school. Residential development in this area has slowed substantially as it is virtually built out. This coupled with the proximity to district boundaries for both Grand Prairie ISD and Mansfield ISD, the Arlington ISD no longer needs this property for the operation of the district.

The Board of Trustees approved a resolution on June 21, 2022, declaring the property to be surplus to the District's operations and authorizing the sale of the property. An offer has been received for the purchase of the property. AISD and the offerer have agreed to terms for the transaction including the purchase price, a 60-day inspection period, a 180-day entitlement period with three optional 30-day extensions, closing within 30 days of the end of the entitlement period, earnest money deposit of \$100,000 and realtor commission. The instruments required for the sale of the property have been prepared for execution by the Board President.

Recommendation:

Administration recommends that the Board approve the sale of real property being four adjacent tracts of land (5200 Lake Ridge Parkway, 2501 Lynn Road, 2912 Lynn Road and 2914 Lynn Road) comprising a total of 15.631 acres located in Grand Prairie, Tarrant County, Texas, on the southeast corner of the intersection of Camp Wisdom Road and Lake Ridge Parkway in Grand Prairie, Tarrant County, Texas.

EARNEST MONEY CONTRACT

STATE OF TEXAS

§ §

COUNTY OF TARRANT

8

This Earnest Money Contract ("Contract") is made by and between ARLINGTON INDEPENDENT SCHOOL DISTRICT, of 690 E. Lamar Blvd., Suite 433, Arlington, Texas, 76011, hereinafter referred to as "Seller," and ARCADIA GROUP LLC, of 910 S. Pearl Expwy, Dallas, Texas, 75201, hereinafter referred to as "Buyer" upon the terms and conditions set forth herein.

ARTICLE I

Purchase and Sale

1.01. Subject to the terms hereof, Seller hereby agrees to sell and convey to Buyer, and Buyer hereby agrees to purchase from Seller, the SURFACE ESTATE ONLY of a tract of land containing approximately 15.416 acres, located in Tarrant County, Texas, more particularly described in Exhibit A attached hereto (hereinafter the "Property").

1.02 Reservation from sale. Seller reserves and excepts from this sale, however, all of the mineral and water rights in the described property for grantor, grantor's heirs, executors, and assigns, this reservation being understood to include by its terms, oil, gas, and any other minerals on, in, and under the property conveyed; provided, however, Seller will waive all rights to access the surface of the Property for any mining, drilling, access, storage or other use relative to the reservation of such mineral and/or water rights. The form of such surface waiver shall be satisfactory to Buyer in the form attached hereto as Exhibit C.

ARTICLE II

Purchase Price

2.01. The "Purchase Price" of the Property shall be the sum of five million, six hundred twenty-five thousand dollars and no cents (\$5,625,000.00) based on an expected 671,520.96 square feet of land (15.416 acres) based on an approximate \$8.38 per square foot, provided, however, if the Survey to be obtained as provided below shows that the land actually contains more or less than 671,520.96 square feet, then the five million, six hundred twenty-five thousand dollars and no cents (\$5,625,000.00) sum shall be decreased or increased at the rate of \$8.38 per square foot of the total area within the land. Within three (3) business days following the effective date of this Contract, Buyer shall deposit with the "Title Company" (as defined in Article V of this Contract), the sum of \$100,000.00 as earnest money to bind this sale (the "Earnest Money").

Payment of Purchase Price

2.02. The Purchase Price shall be payable in cash, or other evidence of good funds available for immediate disbursement at closing.

ARTICLE III

Condition of Title and Title Report and Survey

3.01. <u>Preliminary Title Report</u>. Following the date of receipt of the Earnest Money by the Title Company herein, Title Company shall, with due diligence and no more than fifteen (15) days following the effective date of this Contract, prepare and deliver to Buyer a preliminary Commitment for Owner Policy of Title Insurance (the "Title Report") concerning

the Property, together with a true, correct and legible copy of all documents referenced in the Title Report as exceptions to title to the Property (the "Title Documents"). The Title Company shall also deliver a copy of such items to the Seller.

3.02 Procedures for Objections to Title. Buyer shall give Seller written notice on or before 12:00 PM on the expiration of 15 calendar days after Buyer receives the Title Report and the Title Documents, that the condition of title, as set forth in the Title Report or as shown on the Survey (if applicable), is or is not satisfactory, and in such event Seller may, but shall not be required to, promptly make all reasonable efforts to eliminate or modify all unacceptable matters to the reasonable satisfaction of Buyer. In the event Seller (i) fails or is unable to eliminate such exceptions to title to the reasonable satisfaction of Buyer within 7 days prior to the date of closing, or (ii) provides written notice to Buyer of Seller's unwillingness to remove an objection to title, Buyer, at its option, may terminate this Contract without liability to Seller by providing Seller with written notice of same prior to closing, in which event the Earnest Money shall be returned to Buyer, as Buyer's sole remedy. Buyer may also, at its option, waive any unacceptable matters and require that Seller proceed to closing as required herein by providing Seller with written notice of same. Any title exceptions disclosed in the Title Report or the Survey and approved by Buyer, or for which Buyer has waived any objections shall be referred to herein as "Permitted Exceptions." If, upon the expiration of fifteen calendar days, Buyer does not provide Seller with any objections then any objections are waived and become Permitted Exceptions.

3.03 <u>Survey</u>. Seller shall provide all surveys of or including the Property in Seller's possession conducted on the Property but makes no warranty of them. Buyer shall rely upon the provided surveys at their own risk. Buyer, at Buyer's expense, may obtain a new or updated survey of the Property (the "Survey"), if desired or needed.

ARTICLE IV

Condition of Property

4.01 **No Warranty.**

EXCEPT AS EXPRESSLY PROVIDED IN THE CONTRACT, BUYER ACKNOWLEDGES THAT IT IS NOT RELYING IN WHOLE OR IN PART ON ANY STATEMENT MADE OR INFORMATION OR DOCUMENTATION PROVIDED BY OR ANY WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, OF ANY KIND, TYPE, CHARACTER, OR NATURE WHATSOEVER, MADE OR FURNISHED BY SELLER, ITS AGENTS, ADMINISTRATORS, EMPLOYEES, CONTRACTORS, REPRESENTATIVES, ATTORNEYS, TRUSTEES, OR OTHER AFFILIATES.

4.02 **Property is Sold "As Is."**

EXCEPT FOR THE WARRANTY OF TITLE CONTAINED IN THE DEED AND EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, (A) THE PROPERTY IS SOLD BY SELLER AND PURCHASED AND ACCEPTED BY BUYER ON AN "AS IS," "WHERE IS" AND "WITH ALL FAULTS" BASIS, SUBJECT TO ANY CONDITION THAT MAY EXIST, AND WITHOUT THE EXISTENCE OF AND WITHOUT RELIANCE ON ANY REPRESENTATION, WARRANTY, AGREEMENT, OR STATEMENT BY SELLER, OR ANYONE ACTING ON SELLER'S BEHALF, INCLUDING, WITHOUT LIMITATION, ANY BROKER, ENGINEER, ARCHITECT, ATTORNEY, SURVEYOR, APPRAISER, OR ENVIRONMENTAL CONSULTANT; (B) BUYER HAS, OR WILL HAVE BEFORE CLOSING, THOROUGHLY INSPECTED AND EXAMINED THE PROPERTY TO THE EXTENT THAT BUYER MAY DEEM NECESSARY IN ORDER TO FULLY EVALUATE THE PROPERTY; AND (C) BUYER IS RELYING SOLELY ON SUCH INSPECTIONS, EXAMINATION, AND EVALUATION OF THE PROPERTY BY BUYER IN PURCHASING THE PROPERTY. EXCEPT FOR THOSE MATTERS EXPRESSLY STATED IN THIS CONTRACT AND ANY ATTACHMENTS, SELLER HAS NO (AND BUYER WAIVES ANY) OBLIGATION TO DISCLOSE ANY AND ALL MATERIAL FACTS REGARDING THE PROPERTY, REGARDLESS OF WHETHER SUCH FACTS ARE DISCOVERABLE BY BUYER. TO THE GREATEST EXTENT ALLOWED BY LAW, SELLER SPECIFICALLY - WITHOUT LIMITATION — DISCLAIMS ANY AND ALL LIABILITY OR WARRANTY FOR ANY CONSTRUCTION **DEFECTS.**

4.03 **Environmental Matters.** After Closing, as between Buyer and Seller, the risk of liability or expense for environmental problems affecting the Property will be Buyer's absolute responsibility, regardless of whether such environmental problems existed or were known or unknown at Closing.

BUYER HEREBY ASSUMES THE RISK THAT ENVIRONMENTAL CONDITIONS MAY EXIST ON THE PROPERTY, INCLUDING ASBESTOS, AND HEREBY RELEASES SELLER FROM ANY AND ALL CLAIMS, ACTIONS, DEMANDS, RIGHTS, DAMAGES, COSTS, OR EXPENSES THAT COULD ARISE OUT OF OR IN CONNECTION WITH THE ENVIRONMENTAL CONDITION OF THE PROPERTY.

- 4.04 **No Waiver.** Buyer expressly understands that Seller is a political subdivision of the State of Texas, and nothing in this Contract will be construed as a waiver or relinquishment by Seller of its right to claim such exemptions, privileges, and immunities as may be provided by law.
- 4.05 Inspections. Buyer and its agents, representatives, engineers and consultants ("Buyer's Representatives") shall have the right, at Buyer's sole risk, cost and expense, to conduct such non-destructive physical engineering, feasibility and other studies and tests of the Land as Buyer considers to be appropriate and enter into the Property for the purpose of making studies, tests and inspections. All of such entries upon the Property shall be at reasonable times during normal business hours. All inspection fees, appraisal fees, engineering fees and other costs and expenses of any kind incurred by Buyer relating to such inspection and its other due diligence shall be at the sole cost and expense of Buyer. If any inspection or test disturbs the Property, Buyer will restore the Land to substantially the same condition as existed before the inspection or test. Buyer agrees to abide by reasonable entry rules imposed by Seller. Buyer shall have sixty (60) days after the Effective Date of the Contract (the "Inspection Period") to

conduct inspections for \$1,000.00 nonrefundable consideration (the "Independent Consideration"). Should, upon inspection, the Buyer find the property unsatisfactory, for any reason or no reason, the Buyer may terminate the Contract upon delivery of written notice of such termination to Seller on or before 12:00 PM on the expiration of the Inspection Period. Upon receipt of the written notice, the Contract shall terminate and Buyer shall receive a refund of its Earnest Money, minus the Independent Consideration.

- 4.06 <u>DTPA.</u> Buyer acknowledges and agrees, on its own behalf and on behalf of any permitted assigns and successors of Buyer hereafter, that the Texas Deceptive Trade Practices-Consumer Protection Act, Subchapter E of Chapter 17 of the Texas Business and Commerce Code (the "DTPA"), is not applicable to this transaction. Accordingly, Buyer's rights and remedies with respect to the transaction contemplated under this Contract, and with respect to all acts or practices of the Seller past, present, and future in connection with such transaction, shall be governed by legal principles other than the DTPA.
- 4.07 **Entitlement Period.** Buyer shall receive one hundred-eighty (180) days after the expiration of the Inspection Period (the "Entitlement Period") to obtain the zoning classification to permit the Property to be used for Residential and Mixed-Uses from the City of Grand Prairie ('the City") and to have a preliminary plat of the Property approved by the City. Buyer will prepare a zoning application for the Property and submit same for approval to Seller, not to be unreasonably withheld, conditioned or delayed. If Buyer has a pending zoning or platting application that has not been disapproved by the City upon expiration of the Entitlement Period, Buyer will receive up to three extensions of the Entitlement Period of thirty (30) days

each. The first 30-day extension shall cost Buyer \$10,000 of non-refundable Earnest Money (the "First Entitlement Extension EM") immediately payable by Title Company to Seller. The second 30-Day Extension shall cost Buyer \$15,000 of non-refundable Earnest Money (the "Second Entitlement Extension EM") immediately payable by Title Company to Seller. The third 30-Day Extension shall cost Buyer \$20,000 of non-refundable Earnest Money (the "Third Entitlement Extension EM") immediately payable by Title Company to Seller. All payments of Entitlement Extension EM will be applicable to Purchase Price. If, upon the expiration of the third extension of the Entitlement Period the Buyer has still not received necessary zoning and/or platting approvals from the City, Buyer may terminate the Contract upon written notice to Seller. If Buyer exercises its right to extend the Entitlement Period then each payment of Entitlement Extension EM paid by Purchaser for extensions of the Entitlement Period is nonrefundable and shall be immediately paid by Title Company to Seller, but the initial deposit of Earnest Money paid by Purchaser to the Title Company in accordance with Section 2.01 hereof shall be refunded to Purchaser, and after such payments this Contract shall terminate and neither party shall have any further duties or obligations hereunder, other than those matters that expressly survive such termination.

4.08 **No Other Commissions.** Seller shall pay a commission of four percent (4%) of the first \$1,000,000 of the purchase price and three percent (3%) thereafter to Peyco Southwest Realty Inc. ("Seller's Broker") representing the Seller in this transaction.

Complaints

In this policy, the terms "complaint" and "grievance" shall have the same meaning.

Other Complaint Processes

Complaints by members of the public shall be filed in accordance with this policy, except that complaints concerning instructional resources shall first be filed in accordance with the EF series, with appeals submitted in accordance with GF after the relevant complaint process.

Complaints regarding refusal of entry to or ejection from District property based on Education Code 37.105 shall be filed in accordance with this policy. However, the timelines shall be adjusted as necessary to permit the complainant to address the Board in person within 90 calendar days of filing the initial complaint, unless the complaint is resolved before the Board considers it. [See GKA(LE-GAL)]

Guiding Principles

Informal Process

The Board encourages the public to discuss concerns with an appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

An individual may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the

appropriate administrator or designated representative no more than three days after the deadline.

Scheduling Conferences The District shall make reasonable attempts to accommodate scheduling conflicts for hearings. If the individual fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the individual's absence.

Response

At Levels One, Two, and Three, "response" shall mean a written communication to the individual from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the individual's email address of record, or sent by U.S. Mail to the individual's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by an individual to represent the individual in the complaint process.

The individual may designate a representative through written notice to the District at any level of this process. If the individual designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating Complaints Complaints arising out of an event or a series of related events shall be addressed in one complaint. An individual shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the individual, at any point during the complaint process. The individual may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint, including copies.

Complaint and Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

- Within 15 days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
- With the lowest level administrator who has the authority to remedy the alleged problem.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Three following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the individual within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a

conference with the Level Two administrator to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

- 1. The original complaint form and any attachments.
- 2. All other documents submitted by the individual at Level One.
- The written response issued at Level One and any attachments.
- All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may request a conference with the Superintendent or designee to appeal the Level Two decision.

GF(LOCAL)-X

Adopted:

GF (LOCAL)

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two appeal to the Level Three administrator. The individual may request a copy of the Level Two record.

The Level Two record shall include:

- The Level One record.
- 2. The notice of appeal from Level One to Level Two.
- The written response issued at Level Two and any attachments.
- All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The Level Three conference shall be an informal conference. The conference may be recorded. The purpose of the Level Three conference is to determine if any administrative resolution is available that the complainant and the administration can agree upon absent further appeal. If a resolution is agreed upon, then the appeal is concluded.

Absent extenuating circumstances, the Level Three administrator shall provide the individual a written response within ten days following the conference.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

Level Four

If the individual did not receive the relief requested at Level Three or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Three response or, if no response was received, within ten days of the Level Three response deadline.

The Superintendent or designee shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

DATE ISSUED: 7/6/2020 UPDATE 115 GF(LOCAL)-X Adopted:

(LOCAL)

The Superintendent or designee shall provide the Board the record of the lower level appeals. The individual may request a copy of the Level Three record.

The Level Three record shall include:

- The Level One record.
- The Level Two record.
- The notice of appeal from Level Two to Level Three.
- The written response issued at Level Three and any attachments.
- All other documents relied upon by the administration in reaching the Level Three decision.

The appeal shall be limited to the issues and documents considered at Level Three, except that if at the Level Four hearing the administration intends to rely on evidence not included in the Level Three record, the administration shall provide the individual notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the individual or his or her representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.

RE: BID 24-35 Custodial Supplies for Inventory & Catalog

Bid Number **24-35** is an annual contract for custodial supplies for inventory. In addition to the inventory line items, the bid asked for a discount from the vendor's catalog, price list or shelf price. This will allow the District to purchase items which are not identified at this time. Items marked with an asterisk were marked "not as specified" due incorrect brand substitution.

It is recommended that the low bids meeting specifications be awarded by line item, unless noted as all-ornone awards. For all-or-none sections, it is recommended that the lowest overall bid meeting specification and providing all items be awarded. It is also recommended that all vendors meeting specifications submitting catalog bids be approved.

RE: Bid Number **24-43** Fall Athletic Sports Supplies & Catalog

Bid Number **24-43** is an annual contract for fall athletic sports supplies. The supplies for this bid will be bought for archery, basketball, baseball/softball, cheerleading, football, golf, tennis, track, and volleyball. It is recommended that the low bids meeting specifications be awarded by line item, and that all vendors meeting specifications submitting catalog bids be approved.

Assistant Superintendent of Administration Dr. Michel Hill presented a revision to the 2024-2025 calendar approved in December. Following approval Tarrant County College (TCC) released their calendar and theirs did not match up with Arlington ISD's calendar. This mismatch caused an issue for AISD students at Arlington Collegiate High School, Arlington College and Career High School and four (4) P-Tech programs whose students attend classes at TCC.

Motion by Sarah McMurrough, second by David Wilbanks that the board adopt the revised 2024-2025 school calendar as presented.

Assistant Superintendent of Administration Dr. Michael Hill provided a summary review of TASB policy update 122, previously reviewed by the board governance committee.

B. 2019 Bond Program Update

Assistant Superintendent of Facility Services Kelly Horn provided an update on the 2019 bond program. The 2019 bond program is a \$966 million five-year capital program which includes new construction, renovations, facility condition improvements, as well as capital purchases for technology, fine arts and transportation. C. Special Education Program Update

These action steps were developed from the recommendations made by the Public Consulting Group after their comprehensive review of our special education program in 2022.

OPEN FORUM FOR NON-AGENDA ITEMS:

David Jarvis spoke on denial of access to all AISD administrators.

SUPERINTENDENT'S REPORT:

Superintendent Smith spot lighted two Arlington ISD graduates that will be playing in Super Bowl this coming Sunday. Rookie tight end Brayden Willis is a Martin graduate and assistant coach Andrew Hayes-Stoker graduated from Lamar in 1997. He recognized the Corey Cubs Chorus was one of three elementary groups selected to perform at the Texas Music Educators Association convention in San Antonio. The students from Corey Academy of Fine Arts and Dual Language sang today.

Smith also celebrated Arlington High senior Brooklyn Sinclair! Brooklyn was one of our students who showed animals at the Fort Worth Stock Show. Not only did Brooklyn show her steer Kerosene, but she was also one of 270 students whose steer earned a spot in the auction. Kerosene sold for \$47,500. She was one of three Tarrant County students to make it to auction and the first ever from Arlington ISD. Brooklyn did all this since being diagnosed with Hodgkins lymphoma. She's continuing to fight that with her main focus on her animals.

Last Friday, Smith watched top spellers compete in the area 7 and area 8 spelling bees. 61 students qualified for the bees. And, he congratulated all of them and wish the best of luck to Wimbish World Language Academy's Morgan Garner and Ditto Elementary's Will Farnell at the regional bee.

Superintendent Smith thanked all the counselors and recognized National School Counseling Week.

SCHOOL BOARD'S REPORT:

School Board President Melody Fowler acknowledged and celebrated Black History Month. This is a time for us to reflect on the significant contributions and achievements of African Americans, not only in our nation's history but also in our local communities.

Black History Month is a reminder that our schools and society are responsible for teaching and learning about the rich history and culture of African Americans. It's essential that we continue to uplift and celebrate the stories, experiences, and contributions of Black people, past and present.

As we celebrate Black History Month, let us commit to creating safe and inclusive learning

environments for all students. We must continue to address and dismantle systemic racism, implicit biases and discrimination within our schools and communities.

Let us also recognize and celebrate the achievements of Black educators, administrators, and staff members who have made significant contributions to our schools and district. Their leadership, dedication, and hard work have positively impacted the lives of countless students and families.

We are delighted to announce that we have a special guest presentation coming up on February 16 at Sam Houston High School. Opal Lee, the grandmother of Juneteenth, will share her experiences for all of us to learn from. I hope you will join us at 6 p.m. Tickets are \$3 and you can learn more and register at A I S D dot net or pay at the door if any seats are available.

In closing, I encourage everyone to take the time to learn about and celebrate Black History Month. Let us use this month as an opportunity to deepen our understanding and appreciation of Black history and culture, and to commit to creating more equitable and inclusive schools and communities for all.

In addition, Melody Fowler recognized Shannon Porter, with River Legacy Foundation, and Jessie Allen, with Lamar High School, for the work they are doing on an outdoor garden.

Secretary McMurrough had no items to report.

Arlington Independent School District Board of Trustees Communication

Meeting Date: March 21, 2024 Discussion Item

Subject: House Bill 3 Progress Update

Purpose:

To provide the Board with progress update pertaining to House Bill 3 (HB 3) requirements for improvement plans addressing early childhood literacy and mathematics proficiency in alignment with the Board adopted monitoring calendar.

Background:

In the spring of 2019, the 86th Legislature passed the finance bill, HB 3, which included specific requirements pertaining to goal setting and the progress monitoring process for improved outcomes in early childhood literacy and mathematics, as well as college, career, and military readiness (CCMR). The statute requires school boards to adopt plans that include annual goals for aggregate growth on 3rd grade reading and mathematics achievement, annual targets for closing achievement gaps among student groups, targeted professional development for classroom teachers and annual targets for students being served in bilingual and ESL programs. The bill also calls for aggregate annual goals and targets for CCMR readiness as evaluated under the state accountability system's student achievement domain and for each student group articulated in the closing the gaps domain. This discussion item will provide a progress update pertaining to student outcome on the middle-of-year reading and mathematics screeners for grades PK-3.
