To the Board of Trustees and Citizens of Arlington Independent School District,

Within these pages is Arlington ISD’s annual School FIRST (Financial Integrity Rating System of Texas) rating and annual financial management report. **The District received a School FIRST rating of “A - Superior” for 2019.**

Background on the Financial Accountability Rating System

School FIRST was initially authorized by the 76th Texas Legislature in 1999. HB 5, passed by the 83rd Texas Legislature in 2013, enacted major changes to the law that effectively directed the Commissioner of Education to include metrics in the financial accountability rating system to rate the future financial solvency of each school district and open-enrollment charter school in Texas. The changes required by HB 5 are described in more detail, below.

As stated by TEA, School FIRST “ensures that Texas public schools are held accountable for the quality of their financial management practices and that they improve those practices. The system is designed to encourage Texas public schools to better manage their financial resources to provide the maximum allocation possible for direct instructional purposes.” This is the 17th year that ratings have been assigned under the School FIRST system.

Financial Accountability Ratings

Under the School FIRST system, the Texas Education Agency (TEA) assigns each school district a financial accountability rating based on a district’s overall performance on certain financial measurements, ratios, and other indicators established by the Commissioner of Education. The worksheet for 2019 contained 14 indicators and resulted in ratings as follows:

SCHOOL FIRST RATINGS
A – Superior Achievement
B - Above-Standard Achievement
C – Standard Achievement
F – Substandard Achievement
SOURCE: 19 TAC Chapter 109, Subchapter AA

Districts that received the F or “Substandard” rating under School FIRST for any year were required to file a corrective action plan with the TEA.

In the future, the Commissioner of Education will evaluate the rating system every three years and may modify the system in order to improve its effectiveness. Any changes made to the rating system will be communicated to school districts by TEA along with the effective dates of the changes.

School District Reporting Requirements

Reporting the School FIRST rating to the public is a key component of the system. Each school district is required to prepare and make available an annual financial management report that presents the district’s performance on the current School FIRST indicators and a comparison with the previous year’s performance. A public hearing must be held on the annual financial management report to afford interested parties the opportunity to comment on the report. The public hearing must be held within two months after receipt of the final financial accountability rating.

2019 School FIRST Rating

The 2019 School FIRST rating was based on an analysis of staff and financial data submitted to the Texas Education Agency for the 2017-2018 school year and fiscal year. Fourteen indicators were evaluated to determine the rating.

The Arlington Independent School District received the rating of “A - Superior Achievement” for 2019, the highest School FIRST rating awarded by the State for this year. Similarly, the District received the highest rating for all prior years since School FIRST was established. The rating worksheet detailing the District’s performance on each of the 14 indicators for 2019 may be reviewed at Exhibit A-1. Explanations of the 14 indicators may be found at Exhibit A-2.

The 2019 financial report also includes the following disclosures, as required by 19 TAC Chapter 109, Subchapter AA:

2019 SCHOOL FIRST – EXPLANATION OF INDICATORS

NO.	INDICATOR	EXPLANATION
1	Was the complete Annual Financial Report (AFR) and data submitted to TEA within 30 days of the November 27 or January 28 deadline depending on the school district’s fiscal year end date of June 30 or August 31, respectively?	A simple indicator. Was the Annual Financial Report filed with the Texas Education Agency prior to the deadline?
2	The District fails indicator number 2 if it responds “No” to 2A or to both 2A and 2B.	N/A
2A	Was there an unmodified opinion in the AFR on the financial statements as a whole?	A “modified” version of the auditor’s opinion in the annual audit report means corrections are necessary for some reporting or financial controls. A district’s goal, therefore, is to receive an “unmodified opinion” on its Annual Financial Report.
2B	Was the AFR free of any instance(s) of material weaknesses in internal controls over financial reporting and compliance for local, state or federal funds?	A clean audit indicates the district has no material weaknesses in internal controls. Internal weaknesses create a risk of the district not being able to properly account for its use of public funds, and should be immediately addressed.
3	Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? (If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)	This indicator verifies whether the district has timely paid all obligations and bills, including financing arrangements/bond payments for school construction, buses, copy machines, etc.

2019 SCHOOL FIRST – EXPLANATION OF INDICATORS

NO.	INDICATOR	EXPLANATION
4	Did the District make timely payments to the Teacher Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies?	This indicator seeks to ensure all obligations to TRS, TWC and the IRS were fulfilled, including the transfer of payroll withholdings and any additional payroll-related obligations.
5	This indicator is not being scored.	
6	Was the number of days of cash on hand and current investments in the general fund sufficient to cover operating expenditures (excluding facilities acquisition and construction)?	This indicator measures how long in days after the end of the fiscal year the district could have met its operating expenditures without receiving any new revenue.
7	Was the measure of current assets to current liabilities ratio sufficient to cover short-term debt?	Measures whether the district had sufficient short-term assets at the end of the fiscal year to pay off its short-term liabilities.
8	Was the ratio of long-term liabilities to total assets sufficient to support long-term solvency? (If the District's 5 year % change in students was a 7% increase or more then answer Yes)	This question is similar to asking if an individual's mortgage exceeds the market value of their home. This indicator recognizes that fast growing districts may incur additional operating costs when opening new instructional campuses.
9	Did the general fund revenues equal or exceed expenditures (excluding facilities acquisition and construction)? If not, was the school district's number of days of cash on hand greater than or equal to 60 days?	A simple indicator that seeks to determine if a district spent more than it earned. The district will automatically pass this indicator if it had at least 60 days cash on hand.
10	Was the debt service coverage ratio sufficient to meet the required debt service?	Determines whether the district had the ability to make debt principal and interest payments that were due during the year.
11	Was the administrative cost ratio equal to or less than the threshold ratio?	Measures the percentage of a district's budget that was spent on administration.
12	Did the school district not have a 15 percent decline in the students to staff ratio over 3 years (total enrollment to total staff)? The district automatically passes if no decline.	If the district had a decline in students over 3 school years, this indicator asks if the number of staff on the payroll decreased proportionately.

2019 SCHOOL FIRST – EXPLANATION OF INDICATORS

NO.	INDICATOR	EXPLANATION
13	Did the comparison of PEIMS data to like information in the AFR result in an aggregate variance of less than 3 percent of all expenditures by function?	Measures the quality of audited financial data reported to PEIMS. If the difference in any fund type is 3 percent or more the district fails this measure.
14	Did the external independent auditor indicate the AFR was free of any instance(s) of material noncompliance for grants, contracts and laws related to local, state or federal funds?	A clean audit of the AFR would indicate the district has no material weaknesses in internal controls. Material weaknesses create a risk of not being able to properly account for the use of public funds, and should be addressed immediately.
15	Did the school district not receive an adjusted repayment schedule for more than one fiscal year for an over-allocation of Foundation School Program funds as a result of a financial hardship?	Asks if the district has to request an easy payment plan to return funds to TEA after spending overpayments from the Foundation Program state aid.

 - 3.2 **During Contract.** The Superintendent also agrees that, during the term of this Contract, the Superintendent will notify the Board in writing of any arrest or of any indictment, conviction, no contest or guilty plea, or other adjudication of the Superintendent for any felony, any offense involving moral turpitude, including but not limited to any single act constituting public intoxication, operating a motor vehicle while under the influence of alcohol, or disorderly conduct, any Class A or B misdemeanor, and any of the other offenses set forth in Board policy DH (LOCAL). The Superintendent agrees to provide such notification in writing within forty-eight (48) hours of the event or any shorter period specified in Board policy.
 - 3.3 **False Statements and Misrepresentations.** The Superintendent represents that any records or information provided in connection with his employment application are true and correct. The Board shall have the right to assign additional duties to the Superintendent and to make changes in responsibilities or work at any time during the contract term, but all duties assigned by the Board shall be appropriate to and consistent with the professional role and responsibility of the Superintendent.
- 4.2 **Standard.** Except as otherwise permitted by Board action, the Superintendent agrees to devote his full time and energy to the performance of his duties. For any speaking engagement, writing, lecturing, or other professional duty or obligation that involves an offer of honoraria, the Superintendent shall notify the Board and agrees to comply with applicable ethics rules, laws, and Board policy regarding reporting potential and actual conflicts of interest.

5. **Compensation.**

- 5.1 **Salary.** The District shall pay the Superintendent an annual salary of THREE HUNDRED TWO THOUSAND SEVEN HUNDRED FORTY-EIGHT and 94/100 DOLLARS (\$302,748.94) per year. In no event shall the Superintendent be paid less than the salary set forth in this section except by mutual agreement of the two parties or as otherwise permitted by law.
- 5.2 **Mid-Contract Salary Adjustments.** After the first full year of this Contract, the Board may, in its sole discretion and based upon the Board's evaluation of the Superintendent, increase the Superintendent's current base salary of (\$302,748.94) by up to five percent (5%). This salary adjustment shall be permanent and shall carry forward for the remainder of this Contract. In addition, at any time during the term of this Contract, the Board may, in its sole discretion, review and increase the Superintendent's salary as may be permitted by law. Nothing in this Contract shall be construed as granting any contract or other legal right or entitlement to any salary increase.
- 5.3 **Performance Incentives.** The District may, at the Board's sole discretion, pay monetary performance incentives in lump sums to the Superintendent up to fifteen

percent (15%) of the Superintendent's current base salary if the Superintendent demonstrates exceptional performance on measurable performance indicators mutually agreed upon in writing between the Board and Superintendent. Nothing in this Contract shall be construed as granting any contract or other legal right or entitlement to any performance incentive payments.

5.4 **Benefits.**

5.4.1 **Vacation Days.** The Superintendent shall receive five (5) vacation days in addition to the vacation days and any leave available to administrative employees on 12-month contracts. The Superintendent shall observe the same holidays and breaks as provided for other 12-month administrators in the Board's adopted annual calendar. The Superintendent shall schedule vacation and leave days with prior written approval of the Board President and at times that will least interfere with the performance of the Superintendent's duties. Accrued but unused vacation days, up to a maximum of ten (10) days annually, shall accumulate and carry forward from year to year. The maximum days permitted to be accumulated and carried forward at any one time during the term of this Contract is thirty (30). At the sole option of the Superintendent, either at the end of each year of the term of this Contract, at retirement, or when the Contract is terminated, either voluntarily or involuntarily, the District shall pay in a lump sum to the Superintendent such accrued but unused vacation days at the Superintendent's daily rate of pay as of the payment date.

5.4.2 **Transportation and Technology.** The District shall pay the Superintendent the sum of One Thousand and No/100 Dollars (\$1,000.00) per month during the term of this Contract in lieu of mileage expense reimbursement, gasoline, insurance, or other charges associated with such travel in Tarrant County and contiguous counties, and for the purchase and maintenance of communication devices, technology devices, national phone service plans, internet and other connectivity fees and other miscellaneous needs of this nature.

5.4.3 **Expenses.** The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract. The District agrees to pay the reasonable actual and incidental costs incurred by the Superintendent for travel outside of Tarrant County and contiguous counties. Such actual or incidental costs may include, but are not limited to, gasoline, hotels and accommodations, meals, rental car, and other reasonable expenses incurred in the performance of the business of the District. The Superintendent shall comply with all procedures and documentation requirements in accordance with Board policies.

5.4.4 **Professional Activities and Civic Organizations.** The Board encourages the Superintendent to become a member of clubs in the community and to participate in professional associations and community and civic affairs, including the chamber of commerce, civic clubs, governmental

committees, and educational organizations. The Board concludes that such membership and participation will serve a legitimate purpose related to the educational mission of the District. The District will reimburse the Superintendent for the reasonable expense of membership in these clubs and organizations, to a maximum amount of Five Thousand and No/100 Dollars (\$5,000.00) each District fiscal year.

5.4.5 **Life and Disability Insurance.** The District shall pay the Superintendent's annual premiums for maximum coverage under any life and disability insurance policies offered by the District. In addition, the District shall also pay the annual premiums for any life and disability insurance policies which the Superintendent obtains outside the District in an aggregate cost not to exceed Two Thousand and No/100 Dollars (\$2,000.00) annually. The Superintendent shall provide the Board with proof of such policies and the premium amounts. The District shall pay all of these premiums during the term of this Contract.

5.4.6 **Business Expense Allowance.** The District shall pay the Superintendent One Thousand and No/100 Dollars (\$1,000.00) per month for discretionary District business expenses that may be incurred by the Superintendent in the performance of his duties but that are not directly reimbursed by the District, e.g., meal and event expenses for gatherings with Board members, employees, business contacts and others who have a relationship with the District.

5.4.7 **Insurance.** The District shall pay the same premiums for hospitalization and major medical insurance coverage for the Superintendent pursuant to the group health care plan provided by the District for its administrative employees.

6. **Suspension.** In accordance with Texas Education Code Chapter 21, the Board may suspend the Superintendent without pay during the term of this Contract for good cause as lawfully determined by the Board.

7. **Termination and Nonrenewal of Contract.** Termination or nonrenewal of this Contract or resignation under this Contract will be pursuant to Texas Education Code Chapter 21. In the event that the Board terminates this Contract for "good cause," the Superintendent shall be afforded all the rights as set forth in the Board's policies and state and federal law.

a. **Retirement or Death.** This Contract shall be terminated upon the retirement or death of the Superintendent.

b. **Mutual Agreement.** This Contract may be terminated by the mutual agreement of the Superintendent and the Board in writing upon such terms and conditions as may be mutually agreed upon.

8. **In-District Residence.** As a condition of the Superintendent's employment and continued employment with the District, and for the convenience of the District, the

Superintendent shall be required to reside within the District's boundaries and such residence must be the Superintendent's permanent and primary residence.

9. **Annual Background Checks.** The Superintendent acknowledges and agrees that he will consent to and be subject to a review of his national criminal history record information (NCHRI) and credit check during January of each year, in accordance with applicable law and Board policy.

10.1 **Amendment.** This Contract may not be modified or amended except by written agreement of the Board and the Superintendent (the "Parties").

10.2 **Severability.** If any provision in this Contract is, for any reason, held to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other provision of the Contract. This Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been a part of the Contract.

10.3 **Entire Agreement.** All existing agreements and contracts, both verbal and written, between the Parties regarding the employment of the Superintendent are superseded by this Contract. This Contract constitutes the entire agreement between the Parties.

10.4 **Applicable Law and Venue.** Texas law shall govern construction of this Contract. The Parties agree that venue for any litigation relating to the Superintendent's employment with the District, including this Contract, shall be Tarrant County, Texas. If litigation is brought in federal court, the Parties agree that venue shall be in the Northern District of Texas.

10.5 **Paragraph Headings.** The headings used at the beginning of each numbered paragraph in this Contract are not intended to have any legal effect; the headings do not limit or expand the meaning of the paragraphs that follow them.

10.7 **Conflicts.** In the event of any conflict between the terms, conditions, and provisions of this Contract and the provisions of the Board's policies, or any permissive state or federal law, then, unless otherwise prohibited by law, the terms of this Contract shall take precedence over the contrary provisions of the Board's policies or any such permissive law during the term of the Contract.

11. **Notices.**

11.1 **To Superintendent.** The Superintendent agrees to keep a current address on file with the District's human resources office and the Board President. The Superintendent agrees that the Board may meet any legal obligation it has to give

the Superintendent written notice by delivering the notice through hand-delivery, certified mail, and/or express delivery service to the Superintendent's address of record.

- 11.2 **To Board.** The Board agrees that the Superintendent may meet any legal obligation to give the Board written notice by providing one copy of the notice to the President of the Board and one copy to the Vice President of the Board. 12. Review of Performance.

- 12.1 **Time and Basis of Evaluation.** The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year during the term of this Contract. The Board's evaluation and assessment of the Superintendent shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description and shall be based on the District's progress towards accomplishing the written goals adopted by the Board for the Superintendent.
- 12.2 **Confidentiality.** Unless the Superintendent expressly requests otherwise in writing, the evaluation of the Superintendent shall at all times be conducted in executive session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.
- 12.3 **Evaluation Format and Procedures.** The evaluation format and procedure shall be in accordance with the Board's policies and state and federal law. In the event the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.
13. **Reassignment.** The Superintendent cannot be reassigned from the position of Superintendent to another position without the Superintendent's express written consent.
14. **Board Meetings.** The Superintendent shall attend, and shall be permitted to attend, all meetings of the Board, both public and closed, with the exception of those closed meetings devoted to the consideration of any action or lack of action on the Superintendent's Contract, or the evaluation or discipline of the Superintendent or for purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal. In the event of illness or Board-approved absence, the Superintendent's designee shall attend such meetings.
15. **Indemnification.** To the extent it may be permitted to do so by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapter 102, the District does hereby agree to defend, hold harmless, and indemnify the Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys' fees

incurred in any legal proceedings brought against Superintendent in the Superintendent's individual or official capacity as an employee and as Superintendent of the District, providing the incident(s), which is (are) the basis of any such demand, claim, suits, actions, judgments, expenses and attorneys' fees, arose or does arise in the future from an act or omission of Superintendent as an employee of the District, acting within the course and scope of Superintendent's employment with the District ("Covered Claim"); excluding, however, any such demand, claim, suits, actions, judgments, expenses and attorneys' fees for those claims or any causes of action where it is determined that Superintendent committed official misconduct, or committed a willful or wrongful act or omission, or an act or omission constituting gross negligence, or acted in bad faith; and excluding any costs, fees, expenses or damages that would be recoverable or payable under an insurance contract, held either by the District or by Superintendent. The District's obligation to defend, hold harmless and indemnify does not apply to criminal investigations or criminal proceedings.

The selection of Superintendent's legal counsel shall be with the mutual agreement of the Superintendent and the District if such legal counsel is not also the District's legal counsel for any Covered Claim. A legal defense may be provided through insurance coverage, in which case the Superintendent's right to agree to legal counsel provided for him will depend on the terms of the applicable insurance contract. To the extent this Section 15 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, it shall be construed and modified accordingly. The provisions of this Section 15 shall survive the termination of this contract.

I have read this Contract and agree to abide by its terms and conditions:
