

ARLINGTON ISD CLOSES SCHOOL UNTIL MARCH 30, 2020
All Academics and Activities Canceled at all 78 Campuses because of COVID-19

ARLINGTON, TEXAS, March 13, 2020 – In an attempt to slow the spread of COVID-19, and in partnership with public health officials, the Arlington ISD will close all 78 schools/campuses until March 30, 2020.

“We don’t decide to close schools very often,” said Marcelo Cavazos, Superintendent. “But we’re in an unprecedented situation that requires us to take unprecedented action.”

Athletics, fine arts activities, clubs and organizations and all other gatherings will be canceled. Essential administration personnel will remain on duty with a plan to work remotely as much as possible.

The District will notify all parents, students and staff throughout the day. Additionally, the District will be working on a comprehensive plan to ensure that students continue learning and have access to meals and snacks. Once that plan is finalized, it will be communicated to all parents.

Updates can be found on the Arlington ISD [Coronavirus](#) website.
