Sanctions for School
Districts**

Grounds for
Commissioner
Action

The commissioner of education shall take any of the actions authorized by Education Code Chapter 39A, Subchapter A, to the extent the commissioner determines necessary if:

1. A district does not satisfy:

 - b. The improvements in performance expected by the Texas Education Agency (TEA); and
 - c. The interventions and sanctions that may be imposed if the performance does not improve;
3. Order the preparation of a student achievement improvement plan that addresses each academic achievement indicator under Education Code 39.053(c) for which the district's performance is insufficient, the submission of the plan to the commissioner for approval, and the implementation of the plan;
4. Order a hearing to be held before the commissioner or the commissioner's designee at which the president of the board and the district's superintendent shall appear and explain the district's low performance, lack of improvement, and plans for improvement;

10. Order the use of the board improvement and evaluation tool as provided by Education Code 11.182 [see BG].

Education Code 39A.002

Regardless of whether the commissioner lowers a district's status or rating, the commissioner may take action under Education Code Chapters 39 and 39A or 19 Administrative Code 97.1057 if the commissioner determines that the action is necessary to improve any area of performance by the district or campus.

Subject to 19 Administrative Code 97.1057(h)–(k), once the commissioner takes action under 19 Administrative Code Chapter 97, Subchapter EE (accreditation status, standards, and sanctions), the commissioner may impose on the district or campus any other sanction under Education Code Chapter 39 or 39A, or Subchapter EE, singly or in combination, to the extent the commissioner determines is reasonably required to achieve the purposes specified in 19 Administrative Code 97.1053.

19 TAC 97.1057(c), (e)

In making a determination to impose district and campus accreditation sanctions under 19 Administrative Code Chapter 97, Subchapter EE, the commissioner shall meet the requirements of 19 Administrative Code 97.1059. *19 TAC 97.1059*

Management Team

The commissioner shall clearly define the powers and duties of a conservator or management team appointed to oversee the operations of a district.

At least every 90 days, the commissioner shall review the need for the conservator or management team and shall remove the conservator or management team unless the commissioner determines that continued appointment is necessary for effective governance of the district or delivery of instructional services.

A conservator or management team, if directed by the commissioner, shall prepare a plan for the implementation of the appointment of a board of managers or the revocation of accreditation.

The conservator or management team may:

Education Code 39A.003

Regardless of whether a district has satisfied the accreditation criteria, if for two consecutive school years, including the current school year, a district has had a conservator or management team assigned to the district or campus for any reason, the commissioner may appoint a board of managers, a majority of whom must be residents of the district, to exercise the powers and duties of the board of trustees. For purposes of this subsection, a school year begins on the first day of instruction and includes any portion of the school year. This applies to an appointed conservator or management team, regardless of the scope or any changes to the scope of the conservator's or team's oversight. *19 TAC 97.1057(d); Education Code 39A.006(a)–(b)*

A performance rating of D that is considered acceptable may not be included in calculating consecutive school years of unacceptable performance ratings and is not considered a break in consecutive school years of unacceptable performance ratings.

Interventions or sanctions implemented prior to a pause shall continue during a school year for which interventions or sanctions listed above are paused.

Education Code 39A.118

Education Code 39A.151

Qualifications of
Managing Entity

To qualify for consideration as a managing entity, the entity must submit a proposal that provides information relating to the entity's management and leadership team that will participate in management of the campus under consideration, including information relating to individuals who have:

1. Documented success in whole school interventions that increased the educational and performance levels of students in campuses considered to have an unacceptable performance rating;

Education Code 39A.152

Contract with
Managing Entity

If the commissioner has ordered alternative management of a campus, the district shall execute a contract with an approved provider to serve as a managing entity for the campus. The term of the contract may not exceed five years with an option to renew the contract. The district must execute the contract and relinquish control of the campus before January 1 of the school year.

The management contract must include:

1. A provision describing the district's responsibilities in supporting the operation of the campus; and

2. Provisions approved by the commissioner requiring the managing entity to demonstrate improvement in campus performance, including negotiated performance measures.

Performance measures must be consistent with the priorities of Education Code Chapters 39 and 39A.

The management contract must be approved by the commissioner before the contract is executed. As appropriate, the commissioner may require the district, as a term of the contract, to support the campus in the same manner as the district was required to support the campus before the execution of the contract.

*Extension of
Management
Contract*

The commissioner may require a district to extend the term of a management contract with a managing entity if the commissioner determines that extending the contract on expiration of the initial term is in the best interest of the students attending the campus. The terms of the contract must be approved by the commissioner.
Education Code 39A.154

*Evaluation of
Managing Entity*

The commissioner shall evaluate a managing entity's performance on the first and second anniversaries of the date of the management contract.

**Challenge of
Intervention or
Sanction**

Review of
Sanctions by SOAH

A district must appeal under this provision if the district intends to challenge the commissioner's decision to close the district or a campus, pursue alternative management of a campus, appoint a board of managers to the district, or appoint a conservator or management team to the district.

A challenge is under the substantial evidence rule [see Government Code Chapter 2001, Subchapter G]. The commissioner shall adopt procedural rules for a challenge under this section.

Notwithstanding other law:

1. The State Office of Administrative Hearings (SOAH) shall conduct an expedited review of a challenge;
2. The administrative law judge shall issue a final order not later than the 30th day after the date on which the hearing is finally closed;
3. The decision of the administrative law judge is final and may not be appealed; and
4. The decision of the administrative law judge may set an effective date for an action under this section.

Education Code 39A.301

Appeals

If an order, decision, or determination is described as final in Education Code Chapter 7, 11, 12, 39, or 39A, an interlocutory or intermediate order, decision, report, or determination made or reached before the final order, decision, or determination may be appealed only as specifically authorized by the Education Code or a rule adopted under the Education Code. *Education Code 5.003*

A decision by the commissioner under Education Code Chapter 39 or 39A is final and may not be appealed unless an applicable provision of Chapter 39 or 39A provides otherwise. *Education Code 39A.906*

Annual Review

The commissioner shall annually review the performance of a district or campus subject to intervention and sanction to determine the appropriate actions to be implemented.

The commissioner must review at least annually the performance of a district for which the accreditation status or performance rating has been lowered due to insufficient student performance and may not raise the accreditation status or performance rating until the district has demonstrated improved student performance.

If the review reveals a lack of improvement, the commissioner shall increase the level of state intervention and sanction unless the commissioner finds good cause for maintaining the current status.

Education Code 39A.901

Increasing Intensity

If a district or campus does not exhibit improvement in student performance, the commissioner may increase the intensity of intervention and sanction that would otherwise be required by statute or rule, including ordering campus closure, district annexation, or appointment of a board of managers.

For purposes of this section, improvement means an increase in the scaled score for the overall academic performance rating under Education Code Chapter 39.

19 TAC 97.1070(a)–(b)

**Intervention

ACE Turnaround
Plan

A campus may submit an accelerated campus excellence (ACE) turnaround plan. The plan must meet the requirements of Education Code 39A.105(b). *Education Code 39A.105(b)–(c)*

To apply to be designated as a resource campus, the campus must have received an overall performance rating of F for four years over a ten-year period of time. *Education Code 29.934(a)–(b)*

Strong Foundations
Intervention

Notwithstanding when a D rating is considered acceptable or any other law, the commissioner may require a district to comply with all requirements of the strong foundations grant program under Education Code 29.0881 at a campus that:

1. Includes students at any grade level from prekindergarten through fifth grade;
2. Is assigned an overall performance rating of D or F; and
3. Is in the bottom five percent of campuses in the state based on student performance on the grade three state reading assessment during the previous school year, as determined by the commissioner.

Education Code 39A.064(a)

**Miscellaneous
Provisions**

Acquisition of
Professional
Services

In addition to other authorized interventions and sanctions, the commissioner may order a district or campus to acquire professional services at the expense of the district or campus to address the applicable financial, assessment, data quality, program, performance, or governance deficiency. The commissioner's order may require the district or campus to:

1. Select or be assigned an external auditor, data quality expert, professional authorized to monitor district assessment instrument administration, or curriculum or program expert; or
2. Provide for or participate in the appropriate training of district staff or board members in the case of a district, or campus staff, in the case of a campus.

Education Code 39A.902

Special Program
Performance
Determination

The commissioner shall assign districts an annual determination level based on performance levels of certain special populations student groups under 19 Administrative Code 97.1005 (Results Driven Accountability) [see AIB] according to the criteria and requirements in 19 Administrative Code 97.1071.

The commissioner shall notify in writing each district identified for review under this section as a result of assigned determination level or cyclical selection prior to requiring a district to implement or

participate in any activities included in 19 Administrative Code 97.1071(f)(1)–(6).

Actions taken under this section are intended to assist the district in raising its performance and/or achieving compliance under 19 Administrative Code 97.1005 and 74.28 and Education Code sections 28.006 and 38.003 and do not preclude or substitute for a sanction under another provision of Chapter 97, Subchapter EE.

19 TAC 97.1071(c), (g), (h)

Intervention Pause

Except as otherwise provided by 19 Administrative Code 97.1062 and unless extended by the commissioner, TEA will cease to enforce the interventions under Education Code 39A.101–39A.111 until conclusion of the second consecutive school year of operation under:

2. Designation as a mathematics innovation zone under Education Code 28.020 and applicable rules.

Any intervention or sanction not covered by the provision above shall continue.

If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance.

19 TAC 97.1062

Failure to Submit
Emergency
Operations Plan

If TEA receives notice from the Texas School Safety Center of a district's failure to submit a multihazard emergency operations plan [see CKC], the commissioner may appoint a conservator for the district under Education Code Chapter 39A. The conservator may order the district to adopt, implement, and submit a multihazard emergency operations plan. If a district fails to comply with a conservator's order to adopt, implement, and submit a multihazard emergency operations plan within the time frame imposed by the commissioner, the commissioner may appoint a board of managers under Education Code Chapter 39A to oversee the operations of the district. *Education Code 37.1082(a)–(b)*

Note: The following provisions apply to a district with a central administrative office that is located in a county with a population of more than two million and that has a student enrollment that is more than 125,000 and less than 200,000, and that is operating under a turnaround plan.

Student Board
Member

Notwithstanding Education Code 11.051(b) (number of trustees on a school board), the board may adopt a resolution establishing as a nonvoting member a student trustee position. If a board adopts such a resolution, the board shall adopt a policy addressing the topics specified in statute. A student trustee may not participate in a closed session of a board meeting [see BEC] in which any issue related to a personnel matter is considered. *Education Code 11.0511(a)–(f)*

**Special
Investigations**

The commissioner may authorize a special investigation:

1. When excessive numbers of absences of students eligible to be tested on state assessment instruments are determined;
2. When excessive numbers of allowable exemptions from the required state assessment are determined;
3. In response to complaints to the Texas Education Agency (TEA) of alleged violations of civil rights or other requirements imposed on the state by federal law or court order;
4. In response to established compliance reviews of the district's financial accounting practices and state and federal reporting requirements;
5. When extraordinary numbers of student placements in disciplinary alternative education programs, other than placements under Education Code 37.006 and 37.007, are determined;
6. In response to an allegation involving a conflict between members of the board or between the board and the district administration if it appears that the conflict involves a violation of a role or duty of the board members or the administration clearly defined by the Education Code. If TEA's findings indicate the board has observed a lawfully adopted policy, TEA may not substitute its judgment for that of the board;
7. When excessive numbers of students in special education programs are assessed through modified assessment instruments;
8. In response to an allegation regarding, or an analysis using a statistical method result indicating, a possible violation of an assessment instrument security procedure;
9. When a significant pattern of decreased academic performance has developed as a result of the promotion in the preceding two school years of students who did not perform satisfactorily on the state assessments;
10. When excessive numbers of students eligible to enroll fail to complete an Algebra II course or any other advanced course as determined by the commissioner;
11. When resource allocation practices indicate a potential for significant improvement in resource allocation;

13. When an excessive number of students is graduating with a particular endorsement;
14. When a school district for any reason fails to produce, at the request of TEA, evidence or an investigation report relating to an educator who is under investigation by the State Board for Educator Certification;
15. When ten percent or more of the students graduating in a particular school year from a particular high school campus are awarded a diploma based on the determination of an individual graduation committee under Education Code 28.0258;

17. In response to repeated complaints concerning imposition of excessive paperwork requirements on classroom teachers; or
18. As the commissioner otherwise determines necessary.

The commissioner may authorize special investigations to be conducted in response to repeated complaints submitted to the agency concerning imposition of excessive paperwork requirements on classroom teachers.

Education Code 39.003(a), (c)

TEA shall adopt written procedures for conducting special accreditation investigations, including procedures that allow TEA to obtain information from district employees in a manner that prevents a district or campus from screening the information. *Education Code 39.004*

Note: The procedures for conducting a special investigation, holding a hearing following an investigation, the process for commissioner determinations, and judicial appeal are described in Education Code 39.004–.007.

Commissioner
Action

Based on the results of a special investigation, the commissioner may:

1. Take appropriate action under Education Code Chapter 39A, [see AIC];

2. Lower the district's accreditation status or a district's or campus's performance rating; or
3. Take action under both items 1 and 2 above.

Education Code 39.003(d)

At any time before issuing a report with the TEA's final findings, the commissioner may defer taking the above action until:

Exemptions

Homestead

Mandatory

An adult is entitled to exemption from taxation by a district of \$25,000 of the appraised value of the adult's residence homestead, as defined by Tax Code 11.13(j), except that only \$5,000 of the exemption applies to an entity operating under former Education Code Chapters 17, 18, 25, 26, 27, or 28, as those chapters existed on May 1, 1995, as permitted by Education Code 11.301. *Tax Code 11.13(b)*

*Persons 65 or
Older or Disabled*

In addition to the mandatory exemption above, an adult who is disabled, as defined by Tax Code 11.13(m)(1), or 65 or older is entitled to an exemption of \$10,000 of the appraised value of the individual's residence homestead. *Tax Code 11.13(c)*

Tax Limitation

A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. *Tax Code 11.26(a)*

Improvements

If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. *Tax Code 11.26(b)*

Exception

An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. *Tax Code 11.26(o)*

Surviving Spouse	If an individual who qualifies for the exemption at Persons 65 or Older or Disabled, above, dies, the surviving spouse of the individual is entitled to the limitation applicable to the residence homestead of the individual if the surviving spouse is 55 years of age or older when the individual dies, and the residence homestead of the individual is the residence homestead of the surviving spouse on the date that the individual dies and remains the residence homestead of the surviving spouse. <i>Tax Code 11.26(i)</i>

If the percentage set by the district produces an exemption in a tax year of less than \$5,000 when applied to a particular residence homestead, the individual is entitled to an exemption of \$5,000 of the appraised value. The percentage adopted by the district may not exceed 20 percent. <i>Tax Code 11.13(n)</i>

<i>Amount</i>	The amount of an exemption adopted as provided at Disabled or 65 or Older is \$3,000 of the appraised value of the residence homestead unless a larger amount is specified by the board if the board authorizes the exemption or the petition for the election if the exemption is authorized through an election. Once authorized, an exemption adopted may be repealed or decreased or increased in amount by the board or by the petition and election procedure. <i>Surviving Spouse of Veteran</i>	The surviving spouse of a disabled veteran, as defined by Tax Code 11.22(h)(3), is entitled to the same exemption from taxation of the same property to which the disabled veteran's exemption applied or would have applied if it had been in effect on the date of death if: <ol style="list-style-type: none">1. Among others, a board may grant additional tax exemptions in accordance with applicable law for:

Goods-in-Transit
Exemption

A person is entitled to an exemption from taxation of the appraised value of that portion of the person's property that consists of goods-in-transit, as defined in Tax Code 11.253(a)(2). *Tax Code 11.253(b)*

[For information on the board's option in a district located in a disaster area to extend the date by which goods-in-transit must be transported, see Tax Code 11.253(l).]

Option to Tax

A board, by official action, may provide for the taxation of goods-in-transit exempt under Tax Code 11.253(b) and not exempt under other law. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the board proposes to tax goods-in-transit. Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). If the board provides for the taxation of the goods-in-transit as provided by this provision, the exemption stated above does not apply to that district. The goods-in-transit remain subject to taxation by the district until the board, by official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-

transit in a tax year that begins on or after January 1, 2012, unless the board takes official action on or after October 1, 2011, to provide for the taxation of the goods-in-transit.

Exception

If a board, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the district, the district tax officials may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

Each district is required to report information and financial accountability ratings to parents, taxpayers, and other stakeholders by implementing the reporting procedures below. *19 TAC 109.1001(q)*

Report
Requirements

Each district must prepare and distribute an annual financial management report in accordance with 19 Administrative Code 109.1001(q). *19 TAC 109.1001(q)(1)*

The annual financial management report for a district must include:

1. A description of its financial management performance based on a comparison, provided by TEA, of its performance on the indicators established by the commissioner and reflected in 19 Administrative Code 109.1001. The report will contain information that discloses:
 - a. State-established standards; and
 - b. The district's financial management performance under each indicator for the current and previous year's financial accountability ratings [see CFC];
2. Any descriptive information required by the commissioner, including:
 - a. A copy of the superintendent's current employment contract or other written documentation of employment if no contract exists. This must disclose all compensation and benefits paid to the superintendent. The district may publish the superintendent's employment contract on its website instead of publishing it in the annual financial management report;

- b. A summary schedule for the fiscal year (12-month period) of expenditures paid on behalf of the superintendent and each board member and total reimbursements received by the superintendent and each board member. This includes transactions on the district's credit card(s), debit card(s), stored-value card(s), and any other similar instrument(s) to cover expenses incurred by the superintendent and each board member. The summary schedule must separately report reimbursements for meals, lodging, transportation, motor fuel, and other items. The summary schedule of total reimbursements should not include reimbursements for supplies and materials that were purchased for the operation of the district;
- c. A summary schedule for the fiscal year of the dollar amount of compensation and fees received by the superintendent from an outside school district or any other outside entity in exchange for professional consulting or other personal services. The schedule must separately report the amount received from each entity;
- d. A summary schedule for the fiscal year of the total dollar amount of gifts that had a total economic value of \$250 or more received by the executive officers and board members.
 - (1) This reporting requirement applies only to:
 - (a) Gifts received by the district's executive officers and board members (and their immediate family as described by Government Code Chapter 573, Subchapter B, Relationships by Consanguinity or by Affinity) from an outside entity that received payments from the district in the prior fiscal year, and
 - (b) Gifts from competing vendors that were not awarded contracts in the prior fiscal year;
 - (2) This reporting requirement does not apply to reimbursement by an outside entity for travel-related expenses when the purpose of the travel was to investigate matters directly related to an executive officer's or board member's duties or to investigate matters related to attendance at education-related conferences and seminars with the primary purpose of providing continuing education (this exclusion does not apply to trips for entertainment purposes or pleasure trips);

- (3) This reporting requirement excludes an individual gift or a series of gifts from a single outside entity that had a total economic value of less than \$250 per executive officer or board member; and
 - e. A summary schedule for the fiscal year of the dollar amount received by board members for the total amount of business transactions with the district. This reporting requirement is not to duplicate the items disclosed in the summary schedule of reimbursements received by board members; and
 3. Any other information the board of the district determines to be useful.

19 TAC 109.1001(q)(3)

Public Hearing

Each district must provide the public with an opportunity to comment on the report at a public hearing. *19 TAC 109.1001(q)(2)*

The board must hold a public hearing on the report within two months after receiving a final financial accountability rating. The public hearing must be held at a location in the district's facilities.

At the hearing, the district must provide the annual financial management report to the attending parents and taxpayers.

19 TAC 109.1001(q)(4), (5); Education Code 39.083(d)

Notice

The board must give notice of the hearing to owners of real property in the geographic boundaries of the district and to parents of district students.

In addition to other notice required by law, the board must provide notice of the hearing:

1. To a newspaper of general circulation in the geographic boundaries of the district in one posting prior to holding the public meeting, providing the time and place of the hearing. The notice in the newspaper may not be earlier than 30 days or later than ten days before the date of the hearing. If no newspaper is published in the county in which the district's central administration office is located, then the board must publish the notice in the county nearest to the county seat of the county in which the district's central administration office is located; and

2. Through electronic mail to the mass communication media serving the district, including, but not limited to, radio and television.

19 TAC 109.1001(q)(4); Education Code 39.083(d)

Dissemination After the hearing, the report shall be disseminated in the district in the manner prescribed by the commissioner. *Education Code 39.083(e)*

Records Retention The district must retain the annual financial management report for at least three years after the public hearing and make it available to parents and taxpayers upon request. *19 TAC 109.1001(q)(6)*

Corrective Action Plan Each district that received an F rating must file a corrective action plan with TEA, prepared in accordance with instructions from the commissioner, within one month after the district's public hearing. *19 TAC 109.1001(q)(7); Education Code 39.0824*

Projected Deficit If the commissioner, based on the indicators adopted under Education Code 39.082 [see CFC], projects a deficit for a district general fund within the following three school years, TEA shall provide the district interim financial reports, including projected revenues and expenditures, to evaluate the district's current budget status.

TEA may require a district to submit additional information needed to produce a financial report. If a district fails to provide information requested or if the commissioner determines that the information submitted by a district is unreliable, the commissioner may order the district to acquire professional services under Education Code 39A.902 [see AIC].

Education Code 39.0823

Annual Audit

The board shall have its district fiscal accounts audited annually at district expense by a certified or public accountant holding a permit from the State Board of Public Accountancy. The audit must be completed following the close of each fiscal year.

The independent audit must meet at least the minimum requirements and be in the format prescribed by the State Board of Education (SBOE), subject to review and comment by the state auditor. The audit shall include an audit of the accuracy of the fiscal information provided by the district through the Public Education Information Management System (PEIMS).

Education Code 44.008(a), (b)

**Audit Requirements
and Procedures**

A district must file with the Texas Education Agency (TEA) an annual financial and compliance report and, if applicable, a state compensatory agreed-upon procedures report. These reports must be audited by an independent auditor, and the audit must be reviewed by TEA, including review of auditors' working papers, in accordance with the *Financial Accountability System Resource Guide*, as adopted by reference in 19 Administrative Code 109.41.

The annual financial audit report and state compensatory agreed-upon procedures report are due 150 days after the end of the fiscal year.

*Independent
Auditor*

The district must hire at its own expense an independent auditor to conduct an independent audit of its financial statements and provide an opinion on its annual financial and compliance report.

The independent auditor must:

1. Be associated with a certified public accountancy (CPA) firm that has a current valid license issued by the Texas State Board of Public Accountancy or a state licensing agency from another state;
2. Be a certified public accountant with a current valid license issued by the Texas State Board of Public Accountancy, as required under Education Code 44.008; and
3. Adhere to the generally accepted auditing standards (GAAS), adopted by the American Institute of CPAs (AICPA), as amended, and the generally accepted government auditing standards (GAGAS), adopted by the U.S. Government Accountability Office, as amended.

The CPA firm must:

1. Be a member of the AICPA Governmental Audit Quality Center (GAQC);

2. Adhere to GAQC's membership requirements; and
3. Collectively have the knowledge, skills, and experience to be competent for the audit being conducted, including thorough knowledge of the government auditing requirements and:
 - a. Texas public school district environment;
 - b. Public sector; or
 - c. Nonprofit sector.

If at any time the TEA division responsible for financial compliance reviews an audit firm's working papers and finds that the firm or the quality of the work does not meet the required standards, the division may require the district to change its audit firm.

19 TAC 109.23

Financial
Accountability
System Resource
Guide

The rules for financial accounting are described in the official TEA publication *Financial Accountability System Resource Guide*, Version 18.0, which is adopted by reference as TEA's official rule. A copy is available on the TEA website with information related to financial compliance. *19 TAC 109.41, .5001*

Filing of Report

A copy of the annual audit report, approved by the board, shall be filed with TEA not later than the 150th day after the end of the fiscal year for which the audit was made. If a board declines or refuses to approve its auditor's report, it shall nevertheless file with TEA a copy of the audit report with its statement detailing reasons for failure to approve the report. *Education Code 44.008(d)*

Internet Posting of
Audit

Each district shall maintain an internet website or have access to a generally accessible internet website that may be used for the purposes of this provision. Each district shall post or cause to be posted on the internet website the information required by Tax Code 26.18, including the district's most recent financial audit, in a format prescribed by the comptroller. *Tax Code 26.18* [See CE for other required information that must be posted.]

Note: For information on the efficiency audit required before a district may hold an election to seek voter approval to adopt a maintenance and operations tax rate, see CCG.

Financial Records

Each treasurer receiving or having control of any school fund of any district shall keep a full and separate itemized account with each of the different classes of its school funds coming into the treasurer's hands. The treasurer's records of the district's itemized accounts and records shall be available to audit. *Education Code 44.008(c)*

**Financial
Accountability
Rating System
(School FIRST)**

TEA will assign a financial accountability rating to each district as required by Education Code 39.082.

TEA will base the financial accountability rating of a district on its overall performance on the financial measurements, ratios, and other indicators established by the commissioner. Financial accountability ratings for a rating year are based on the data from the immediate prior fiscal year.

A financial accountability rating remains in effect until replaced by a subsequent rating.

19 TAC 109.1001(b), (e), (l)

Issuance of Ratings

TEA will issue a preliminary financial accountability rating to a district on or before August 8 of each year. TEA will not delay the issuance of a preliminary or final rating if a district fails to meet the statutory deadline under Education Code 44.008 for submitting the annual financial report (AFR). Instead, the district will receive an F rating for substandard achievement.

Appeals

A district may appeal its preliminary financial accountability rating through the appeals process described at 19 Administrative Code 109.1001(n).

If TEA receives an appeal of a preliminary rating, TEA will issue a final rating to the district no later than 60 days after the deadline for submitting appeals. If TEA does not receive an appeal of a preliminary rating, the preliminary rating automatically becomes a final rating 31 days after issuance of the preliminary rating.

A final rating issued by TEA may not be appealed under Education Code 7.057 or any other law or rule.

19 TAC 109.1001(m)–(o)

[For information on the reporting requirements regarding a district's financial accountability rating, see CFA.]

Mandatory Drills

Each district shall conduct emergency safety drills in accordance with Education Code 37.114. Drills do not include persons role playing as active aggressors or other simulated threats.

Definitions

The following words and terms related to drills and exercises shall have the following meanings, unless the context clearly indicates otherwise. These definitions do not apply to an active threat exercise, which is defined in Education Code 37.1141 [see Active Threat Exercises, below].

Active aggressor: An individual actively engaged in killing or attempting to kill people in a confined and populated area.

Drill: A set of procedures that test a single, specific operation or function. Drills do not include persons role playing as active aggressors or other simulated threats. Drill examples include evacuating for a fire or locking down from an internal threat.

Evacuation drill: A response action schools take to quickly move students and staff from one place to another. The primary objective of an evacuation is to ensure that all staff, students, and visitors can quickly move away from the threat. Evacuation examples include a bomb threat or internal gas leak.

Exercise: An instrument to train for, assess, practice, and improve performance in mitigation, prevention, preparedness, response, and recovery in a risk-free environment. While drills and exercises may overlap in some aspects, discussion-based and operation-based exercises are often more in depth and multi-faceted.

Fire evacuation drill: A method of practicing how a building would be vacated in the event of a fire. The purpose of fire drills in buildings is to ensure that everyone knows how to exit safely as quickly as possible.

Full-scale exercise: Typically the most complex and resource-intensive type of exercise. It involves multiple agencies, organizations, and jurisdictions and validates many facets of preparedness. This exercise often includes many players operating under cooperative systems such as the Incident Command System (ICS) or Unified Command. Resources and staff are mobilized as needed. All actions are taken as if the emergency is real. A full-scale exercise is the most time-consuming activity in the exercise continuum and is a multiagency, multijurisdictional effort in which all resources are deployed. A full-scale exercise tests collaborations among the agencies and participants, public information systems, communication systems, and equipment. An Emergency Operations Center is established by either law enforcement or fire services, and the ICS is activated. Because of all the logistics and resources needed for

a full-scale exercise, it often takes a year to plan and is not held often. Usually, a school district is not the organizer of such an exercise, but the district or school would play a critical role in both function and potential facility use.

Functional exercise: Designed to validate and evaluate capabilities, multiple functions and/or sub-functions, or interdependent groups of functions. A functional exercise is typically focused on exercising plans, policies, procedures, and staff members involved in management, direction, command, and control functions. It allows participants to practice their specific roles or functions in an emergency. This type of exercise is conducted in a realistic, real-time simulated environment and often includes simulators (individuals who assist with the facilitation of the exercise) and follows a master scenario events list that dictates additional information, occurrences, or activities that affect the exercise scenario.

Lockdown drill: A response action schools take to secure interior portions of school buildings and grounds during incidents that pose an immediate threat of violence inside the school. The primary objective is to quickly ensure all school students, staff, and visitors are secured away from immediate danger.

Secure drill: A response action schools take to secure the perimeter of school buildings and grounds during incidents that pose a threat or hazard outside of the school building. This type of drill uses the security of the physical facility to act as protection to deny entry.

Seminar exercise: A discussion-based exercise designed to orient participants to new or updated plans, policies, or procedures through informal discussions. Seminar exercises are often used to impart new information and formulate new ideas.

Shelter-in-place for hazardous materials (hazmat) drill: A response action schools take to quickly move students, staff, and visitors indoors, perhaps for an extended period of time, because it is safer inside the building than outside. Affected individuals may be required to move to rooms without windows or to rooms that can be sealed. Examples of a shelter-in-place for hazmat drill include train derailment with chemical release or smoke from a nearby fire.

Shelter for severe weather drill: A response action schools take to quickly move students, staff, and visitors indoors, perhaps for an extended period of time, because it is safer inside the building than outside. For severe weather, depending on the type and/or threat level (watch versus warning), affected individuals may be required to move to rooms without windows on the lowest floor possible or to a weather shelter.

Tabletop exercise: A small group discussion that walks through a scenario and the courses of action a school will need to take before, during, and after an emergency to lessen the impact on the school community. Participants problem-solve together through a detailed discussion of roles, responsibilities, and anticipated courses of action. A tabletop exercise leverages a defined scenario to direct discussion and may need an experienced facilitator depending on the complexity and objectives of the exercise.

Workshop exercise: A type of discussion-based exercise focused on increased participant interaction and achieving or building a product (e.g., plans or policies). A workshop exercise is typically used to test new ideas, processes, or procedures; train groups in coordinated activities; and obtain consensus. A workshop exercise often uses breakout sessions to explore parts of an issue with smaller groups.

Frequency

Education Code 37.114(2) requires the commissioner of education to designate the number of mandatory school drills to be conducted each semester of the school year, not to exceed eight drills each semester and sixteen drills for the entire school year. Neither 19 Administrative Code 103.1209, nor the law, precludes a district from conducting more drills as deemed necessary and appropriate by the district. Following is the required minimum frequency of drills by type:

1. Secure drill — One per school year.
2. Lockdown drill — Two per school year (once per semester).
3. Evacuation drill — One per school year.
4. Shelter-in-place for hazmat drill — One per school year.
5. Shelter for severe weather drill — One per school year.
6. Fire evacuation drill — Districts should consult with their local fire marshal and comply with their local fire marshal's requirements and recommendations. If a district does not have a local fire marshal, it shall conduct four per school year (two per semester).

Best Practices

For more information about best practices for conducting drills and exercises, refer to Texas School Safety Center (TxSSC) guidance.

Drills and exercises should be designed and conducted in accordance with guidance and best practice resources provided by the TxSSC.

Drill and exercise design should include purpose, goals, and objectives that are stated in plans for each type of drill. Purpose, goals,

and objectives should be developed with input from all sectors of the school community. Input in planning should be sought from multiple stakeholder perspectives for each type of drill and exercise, including from:

1. The district School Safety and Security Committee;
2. First responders;
3. Mental and behavioral health professionals;
4. Students and families; and
5. Staff, including nontraditional teachers, coaches, trade instructors, custodians, and food service workers.

Drill and exercise design elements should include:

1. Physical and psychological safety for all participants;
2. Planning in a trauma-informed manner to maximize learning and to minimize potential trauma for students and staff;
3. Providing advance notification of drills and exercises;
4. Planning for post-drill or after-action reviews of each drill and exercise; and
5. Ensuring drills and exercises are age and developmentally appropriate with the understanding that more complex drills and exercises will require a hierarchy of learning to achieve or obtain more advanced goals or objectives.

Exercises tend to be more complex than drills and should be conducted in accordance with guidance and resources provided by the TxSSC. It is imperative that districts conduct exercises that match their experience and capabilities. It is usually best to start with discussion-based exercises and work up to operation-based exercises over time. Discussion-based exercises include seminar exercises, tabletop exercises, and workshop exercises. Operation-based exercises include functional exercises and full-scale exercises. Exercises can be used for:

1. Testing and validating policies, plans, procedures, training, equipment, and interagency agreements;
2. Clarifying and training personnel in roles and responsibilities;
3. Improving interagency coordination and communications;
4. Identifying gaps in resources;
5. Improving individual performance; and

6. Identifying opportunities for improvement.

19 TAC 103.1209; Education Code 37.114

Active Threat Exercises

Not Mandatory

A district that elects to conduct an active threat exercise, defined as any exercise that includes a simulated active aggressor or an active shooter simulation, shall do so in accordance with Education Code 37.1141 and 19 Administrative Code 103.1211.

Districts are not required to conduct active threat exercises.

Districts may consider using a tabletop exercise as defined in 19 Administrative Code 103.1209 [see Mandatory Drills, above] to achieve the purpose, goals, and objectives of the exercise rather than using a functional or full-scale active threat exercise.

Districts may consider conducting an active threat exercise during a noninstructional time when nonparticipants are not present in the facility.

19 TAC 103.1211(a)(1), (2)

Adequate Notice

Prior to conducting an active threat exercise, a district must:

1. Provide adequate notice of the exercise directly to individuals participating in the exercise, parents of students participating in the exercise, and all other individuals impacted by the exercise. Adequate notice of the active threat exercise shall also be posted through multiple distribution networks, including, but not limited to, the district's website and social media platforms.
 - a. To be considered adequate notice, notice shall be provided and posted at least two weeks prior to the exercise.
 - b. The notice shall include the following required elements specified in Education Code 37.1141(a)(1):
 - (1) The date on which the exercise will occur;
 - (2) The content, form, and tone of the exercise; and
 - (3) Whether the exercise will include a live simulation that mimics or appears to be an actual shooting incident.
 - c. The notice shall be provided to parents in the parents' native language to the greatest extent practicable; and
2. Make an audible announcement over the campus public address system immediately prior to the commencement of the

exercise to signal the start of the exercise to the participants, noting that it is only an exercise and not a real emergency. If applicable, the announcement must state that the exercise will include a live simulation that mimics or appears to be an actual threat, such as a shooting incident.

19 TAC 103.1211(b)(1), (2); Education Code 37.1141(a)(1), (2)

Notice to First
Responders and
Creation of Safe
Zone

Before a district may conduct an active threat exercise, a district shall ensure that:

1. First responder organizations that would likely respond in the event of a false report or alarm are notified regarding the exercise; and
2. A safe zone is created around the area in which the exercise will be conducted to keep out actual firearms, ammunition, and other weapons, other than firearms, ammunition, or other weapons carried by a peace officer, school resource officer, or school marshal or any other person authorized by the district to carry those items on school grounds.

Item 2 above may not be construed to prohibit a parent, legal guardian, or other person acting on a parent's or legal guardian's behalf from transporting or storing in the person's motor vehicle a firearm, ammunition, or other weapon that the person is legally authorized to possess while the person is picking up a child from school.

Education Code 37.1141(a)(3), (4)

Content

Before a district may conduct an active threat exercise, a district shall ensure that the content of the exercise:

1. Is age appropriate and developmentally appropriate;
2. Has been developed by a team of school administrators, teachers, school-based mental health professionals, and law enforcement officers, with input from parents and students; and
3. Is designed to support the well-being of students who participate in the exercise before, during, and after the exercise is conducted.

A district must ensure that the content of the exercise, which includes planning and execution of the exercise, addresses the following elements:

1. Input from multiple stakeholder perspectives in the design of the exercise;

2. The physical and psychological safety of all participants before, during, and after the exercise, including:
 - a. Planning in a trauma-informed manner to minimize potential trauma for students, staff, and other participants;
 - b. The development and communication of a predetermined method for participants to withdraw from the exercise before or during the exercise; and
 - c. Access to mental health supports before, during, and after the exercise; and
3. The developmental appropriateness of the exercise, which includes a comprehensive perspective that supports the cognitive and emotional well-being of each individual and considers the impact that prior trauma, grief, and crisis experiences have had on a participant's development prior to the exercise. Developmental appropriateness considerations include the needs of special populations, including students with disabilities and emergent bilingual students.

Education Code 37.1141(a)(5); 19 TAC 103.1211(b)(3)

Data Collection

In accordance with Education Code 37.1141(c), data regarding the efficacy and impact of an active threat exercise shall be collected and submitted to the TxSSC using the methods developed by the TxSSC. *19 TAC 103.1211(c); Education Code 37.1141(a)(6), (c)*

Eye and Face Protection

Required Devices

Each teacher and student shall wear industrial-quality eye-protective devices in appropriate situations as determined by district policy. *Education Code 38.005*

Recommended Guidelines

For selection and use of face and eye protection in public schools, the Texas Department of State Health Services (TDSHS) recommends the guidelines entitled "Eye and Face Protection," available at 29 C.F.R. 1910.133.

For hazard assessment and face and eye protective equipment selection in public schools, TDSHS recommends the guidelines entitled "Non-mandatory Compliance Guidelines for Hazard Assessment and Personal Protective Equipment Selection," available at 29 C.F.R. Part 1910, Subpart I, Appendix B.

Application

The guidelines are applicable to all staff members, students, and visitors within Texas public schools participating in educational activities and programs that involve:

1. The use of hazardous chemicals;
2. The use of hot liquids or solids;

3. The use of molten materials;
4. Performing grinding, chipping, or other hazardous activities where there is danger of flying particles;
5. Milling, sawing, turning, shaping, cutting, or stamping of any solid materials;
6. Heat treatment, tempering, or kiln firing of any metal or other materials;
7. Cutting, welding, or brazing operations;
8. The use of hazardous radiation, including the use of infrared and ultraviolet light or lasers;
9. Repair or servicing of any vehicle; or
10. Any process or activity in a vocational, art, industrial arts or science course or laboratory that might have a tendency to cause damage to the eyes.

25 TAC 295.141–.142

**Emergency
Operations Plan**

The Superintendent shall ensure updating of the District's emergency operations plan and ongoing staff training.

As required by law, the emergency operations plan shall include the District's procedures addressing:

1. Reasonable security measures when District property is used as a polling place;
2. Response to an active shooter emergency;
3. Response to a nearby train derailment, as applicable; and
4. Access to campus buildings and materials necessary for a substitute teacher to carry out the duties of a District employee during an emergency or an emergency drill.

Note: For provisions regarding selection and adoption of instructional materials, see EFA.

**Instructional
Materials and
Technology**

Instructional materials selected for use in the public schools shall be furnished without cost to the students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment. *Education Code 31.001*

Each instructional material, including electronic instructional material only to the extent of any applicable licensing agreement, purchased as provided by Education Code Chapter 31 for a district is the property of the district. *Education Code 31.102(a)–(b)*

Allotment

A district is entitled to an allotment each biennium from the state instructional materials and technology fund for each student enrolled in the district on a date during the last year of the preceding biennium specified by the commissioner of education. The commissioner shall determine the amount of the allotment per student each biennium on the basis of the amount of money available in the state instructional materials and technology fund to fund the allotment. The allotment shall be transferred from the state instructional materials and technology fund to the credit of the district's instructional materials and technology account as provided by Education Code 31.0212. *Education Code 31.0211(a)*

The commissioner shall, as early as practicable during each biennium, notify each district of the estimated amount to which the district will be entitled during the next fiscal biennium. *Education Code 31.0215(a)*

No Appeal

The amount of the allotment determined by the commissioner is final and may not be appealed. *19 TAC 66.1307(d)*

**Delayed Publisher
Payment Option**

A district may requisition and receive state-adopted instructional materials before allotment funds for those materials are available. The total cost of delayed-payment-option materials requisitioned may not exceed 80 percent of the district's expected allotment for the subsequent biennium.

When a district submits a requisition for instructional materials under this provision, the Texas Education Agency (TEA) will expend a district's existing allotment balance before applying the delayed payment option. TEA will make payment for any remaining balance for a district's order as the allotment funds become available and

will prioritize payment for requisitions under this provision over reimbursement of purchases made directly by a district.

19 TAC 66.1312(a)–(e)

The commissioner shall ensure that publishers of instructional materials are informed of any potential delay in payment and that payment is subject to the availability of appropriated funds. *Education Code 31.0215(d)*

Publishers may decline orders for which payments could be delayed. A publisher's decision to decline an order shall affect all of that publisher's orders for which payments could be delayed. Publishers may not selectively decline individual orders or orders from individual districts. *19 TAC 66.1312(f); Education Code 31.0215(d)*

Government Code Chapter 2251 (payments for goods and services) does not apply to requisitions under this provision. *Education Code 31.0215(e); 19 TAC 66.1312(g)*

Allotment
Adjustment
*Change in
Enrollment*

Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. *Education Code 31.0211(e)*

*High Enrollment
Growth*

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

High-enrollment growth adjustments will be based on the difference between the district's percentage of enrollment growth and that of the state. Enrollment growth calculations will be determined each fiscal year based on fall Texas Student Data Systems Public Education Information Management System (TSDS PEIMS) enrollment data. The amount of the adjustment determined by the commissioner is final and may not be appealed.

If sufficient funds are available, high-enrollment growth adjustments will be granted once each fiscal year. Notwithstanding this, a district that experiences an unexpected growth:

EQUIPMENT AND SUPPLIES MANAGEMENT
INSTRUCTIONAL MATERIALS CARE AND ACCOUNTING

CMD
(LEGAL)

1. Of at least two percent due to a natural or man-made disaster or catastrophic event may apply for additional allotment funding at any time during a fiscal year.
2. In its bilingual population of at least ten percent in any school year may apply for additional bilingual allotment funding at any time during a fiscal year.

Any additional funding will be dependent on the availability of funds.

The per-student high-enrollment growth adjustment granted in the second year of a biennium shall not exceed one-half of the per-student amount established as the biennial allotment.

19 TAC 66.1309

Permitted
Expenditures

Each district's allotment funds must be expended according to the following priorities established in Education Code 31.0211:

1. First, instructional materials necessary to permit the district to certify that the district has instructional materials that cover all elements of the essential knowledge and skills of the required curriculum, other than physical education, for each grade level as required by Education Code 28.002; and
2. Then, any other instructional materials or allowed technological equipment.

Maintaining the priorities above, the allotment funds may be used to pay for:

1. Instructional materials on the list adopted by the commissioner under Education Code 31.0231;
2. Instructional materials on the list adopted by the State Board of Education (SBOE) under Education Code 31.024;
3. Non-adopted instructional materials;
4. Consumable instructional materials;

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the

student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

A district may tailor the instruction developed under this section as appropriate for the district’s community. In tailoring the instruction, the district shall solicit input from local law enforcement agencies, driver training schools, and the community.

A district shall clearly indicate on the transcript or academic achievement record the year in which the instruction was provided to the student.

**Admission, Review,
and Dismissal
Committee**

Each district must establish an admission, review, and dismissal (ARD) committee for each eligible student with a disability and for each student for whom a full individual and initial evaluation is conducted. The ARD committee is the individualized education program (IEP) team defined in federal law and regulations, including 34 C.F.R. 300.321.

The district is responsible for all of the functions for which the IEP team is responsible under federal law and regulations and for which the ARD committee is responsible under state law, including the responsibilities listed at 19 Administrative Code 89.1050.

19 TAC 89.1050(a); 34 C.F.R. 300.116(a), .321(a)

The special education teacher or special education provider that participates in the ARD committee meeting must be appropriately certified or licensed as required by 34 C.F.R. 300.18 and 300.156.

19 TAC 75.1023(d)(1), 89.1050(c); 20 U.S.C. 1414(d)(1)(B); 34 C.F.R. 300.321;

A district member of the ARD committee shall not be required to attend an IEP meeting, in whole or in part, if the parent and the district agree in writing that the attendance is not necessary because the member's area of the curriculum or related services is not being modified or discussed during the meeting.

A district member of the ARD committee may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of curriculum or related services if the parent, in writing, and the district consent to the excusal and the member submits, in writing, to the parent and the ARD committee, input into the development of the IEP before the meeting.

*Regular
Education
Teacher*

If an ARD committee is required to include a regular education teacher, the regular education teacher must, to the extent practicable, be a teacher who is responsible for implementing a portion of the child's IEP. *Education Code 29.005(a)*

*Parent
Involvement*

A district shall take steps to ensure that one or both parents of a student with a disability are present at each ARD committee meeting or are afforded an opportunity to participate, including:

1. Notifying the parents of the meeting early enough to ensure that they will have an opportunity to attend (the notice shall include the purpose, time, and location of the meeting, who will be in attendance, that persons with knowledge or special expertise may be invited by either the parent or the district, and that the Part C service coordinator or other representatives of the Part C system may be invited to the initial meeting for a child previously served under a Part C early childhood intervention program); and
2. Scheduling the meeting at a mutually agreed on time and place.

If the purpose of the meeting is to consider transition services, the notice must also indicate this purpose, indicate that the district will invite the student, and identify any other agency that will be invited to send a representative.

34 C.F.R. 300.322(a)–(b); 19 TAC 89.1050(d)

*Alternative
Means of
Meeting
Participation*

If neither parent can attend an ARD meeting, the district must allow other methods of participation, such as through telephone calls or video conferencing. *20 U.S.C. 1414(f); 34 C.F.R. 300.322(c); 19 TAC 89.1050(d)*

An ARD meeting may be conducted without a parent in attendance if a district is unable to convince the parents that they should attend, but the district shall have a record of its attempts to arrange a mutually agreed on time and place, such as detailed records of telephone calls, correspondence, or visits made or attempted and the results of any of those actions. *34 C.F.R. 300.322(d)*

Meetings

A district shall initiate and conduct ARD committee meetings for the purpose of developing, reviewing, and revising the IEP of a child with a disability. The committee shall review each child's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once a year.

A "meeting" does not include informal or unscheduled conversations involving district personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provisions if those issues are not addressed in the child's IEP. A "meeting" also does not include preparatory activities that district

personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

20 U.S.C. 1414(d)(4); 34 C.F.R. 300.116(b)(1), .324(b), (c)(1), .501(b)(3)

*Meeting at
Parent's Request*

Upon receipt of a written request for an ARD committee meeting from a parent, the school district must schedule and convene a meeting in accordance with the procedures in 19 Administrative Code 89.1050(d) or within five school days, provide the parent with written notice explaining why the district refuses to convene a meeting. *19 TAC 89.1050(e)*

Written Notice

If a parent is unable to speak English, a district must provide the parent with a written notice regarding the ARD committee meeting required under 19 Administrative Code 89.1050(d) (notice for purposes of scheduling) or (e)(2) (notice explaining why the district refuses to convene a meeting) in the parent's native language, unless it is clearly not feasible to do so. If the parent's native language is not a written language, the school district must take steps to ensure that the notice is translated orally or by other means to the parent in his or her native language or other mode of communication so that the parent understands the content of the notice. *19 TAC 89.1050(f)*

Transfer Students

In-State Transfers

When a student transfers to a new district within the state in the same school year and the parents verify that the student was receiving special education services in the previous district or the previous district verifies in writing or by telephone that the student was receiving special education services, the new school district must meet the requirements of 34 C.F.R. 300.323(e) regarding the provision of special education services. The timeline for completing the requirements outlined in 34 C.F.R. 300.323(e)(1) or (2) is 30 school days from the date the student is verified as being a student eligible for special education services.

Transfers from
Another State

When a student transfers from a district in another state in the same school year and the parents verify that the student was receiving special education services in the previous district or the previous district verifies in writing or by telephone that the student was receiving special education services, the new district must meet the requirements of 34 C.F.R. 300.323(f) regarding the provision of special education services. If the new district determines that an evaluation is necessary, the evaluation is considered a full individual and initial evaluation and must be completed within the timelines established by 19 Administrative Code 89.1011(c) and (e). The timeline for completing the requirements in 34 C.F.R. 300.323(f)(2), if appropriate, is 30 calendar days from the date of

the completion of the evaluation report. If the school district determines that an evaluation is not necessary, the timeline for completing the requirements outlined in 34 C.F.R. 300.323(f)(2) is 30 school days from the date the student is verified as being a student eligible for special education services.

A student with a disability who has an IEP in place from a previous in- or out-of-state district and who enrolls in a new district during the summer is not considered a transfer student for the purposes of this provision or for 34 C.F.R. 300.323(e) or (f). For these students, the new district must implement the IEP from the previous district in full on the first day of class of the new school year or must convene an ARD committee meeting during the summer to revise the student's IEP for implementation on the first day of class of the new school year.

19 TAC 89.1050(j)

Transfer of Records

The district in which the child enrolls shall take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous district.

The previous district shall take reasonable steps to promptly respond to the request from the new district and must furnish the new school district with a copy of the student's records, including the student's special education records, not later than the tenth working day after the date a request for the information is received by the previous school district.

20 U.S.C. 1414(d)(2)(C)(ii); 34 C.F.R. 300.323(g); 19 TAC 89.1050(j)(3)

Students Who Are Homeless or in Substitute Care

When a student who is homeless or in substitute care transfers into a district after being referred by a previous district for a special education evaluation, the receiving district must accept the referral and ensure that any written report of a full individual and initial evaluation must be completed in accordance with the timelines established in 19 Administrative Code 89.1011 (relating to Full Individual and Initial Evaluation).

When a student who is already eligible for special education and is homeless or in substitute care transfers into a district during the school year, the receiving district must ensure that it meets the student transfer requirements of 19 Administrative Code 89.1050(j) (relating to the Admission, Review, and Dismissal Committee).

19 TAC 89.1615

Military Dependents

A district shall initially provide comparable services to a military student with disabilities based on his or her current IEP. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, C* [See FDD]

Individualized Education Program

A district shall develop, review, and revise an IEP for each child with a disability. *20 U.S.C. 1412(a)(4); 34 C.F.R. 300.320(a)*

At the beginning of each school year, a district shall have in effect, for each child with a disability in its jurisdiction, an IEP. *20 U.S.C. 1414(d)(2)(A); 34 C.F.R. 300.323(a)*

1. A statement of the student’s present levels of academic achievement and functional performance;

3. A description of how the student’s progress toward the annual goals will be measured and when periodic reports on the progress of the student will be provided;

or district-wide assessment, a statement of why the student cannot participate in the regular assessment and why the particular assessment selected is appropriate for the student;

10. If the ARD committee determines that a student is in need of extended school year (ESY) services, identification of the goals and objectives that will be addressed during ESY services;
11. Beginning not later than when a student reaches 14 years of age and updated annually thereafter, the ARD committee's consideration and decisions regarding the transition issues under 19 Administrative Code 89.1055(h) [see EHBAD];
12. Beginning not later than the first IEP to be in effect when the student is 16, or younger if determined appropriate by the ARD committee, and updated annually thereafter, a statement of appropriate measurable postsecondary goals and transition services needed to assist the student in reaching those goals [see EHBAD];
13. Beginning not later than one year before the student reaches the age of 17, a statement that the student has been informed of the rights that will transfer to the student upon reaching the age of majority;
14. The date of the meeting;
15. The name, position, and signature of each member participating in the meeting; and
16. An indication of whether the child's parents, the adult student, if applicable, and the administrator agreed or disagreed with the decisions of the ARD committee.

20 U.S.C. 1414(d); 34 C.F.R. 300.320; Education Code 29.005(b-1), .011; 19 TAC 89.1055

The written statement of a student's IEP may be required to include only information included in the model form developed by the Texas Education Agency (TEA) under Education Code 29.0051(a) and posted on the TEA website. A district may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

IEP Supplement

For each child who was enrolled in a district's special education program during the 2019–20 school year or the 2020–21 school year, the district shall prepare a supplement to be included with the written statement of the IEP. For more information about the re-

quired supplement, see Education Code 29.0052 and the commissioner rules, when adopted. This requirement expires September 1, 2023. *Education Code 29.0052*

Supplemental
Special Education
Services

The ARD committee of a student approved for participation in the supplemental special education services and instructional materials program shall provide to the student's parent at an ARD committee meeting for the student:

1. Information regarding the types of supplemental special education services available under the program and provided by agency-approved providers for which an account maintained under Education Code 29.042(b) for the student may be used; and
2. Instructions regarding accessing the account.

The supplemental special education services and instructional materials program (SSES) expires September 1, 2024.

Education Code 29.048

A district shall notify parents and guardians of students served by special education of the SSES program and how to apply.

A student's ARD committee may not consider a student's current or anticipated eligibility for any supplemental special education instructional materials or services that may be provided under the SSES program when developing or revising a student's IEP, when determining a student's educational setting, or in the provision of a free appropriate public education.

19 TAC 102.1601(i)-(j)

Behavioral
Intervention Plan

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan is appropriate for a student for whom the committee has developed an IEP. *Education Code 29.005(g)*

If the committee makes that determination, the behavior improvement plan or behavioral intervention plan shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student.

If a behavior improvement plan or a behavioral intervention plan is included as part of a student's IEP, the ARD committee shall review the plan at least annually, and more frequently if appropriate, to address:

1. Changes in a student's circumstances that may impact the student's behavior, such as:

- a. The placement of the student in a different educational setting;
 - b. An increase or persistence in disciplinary actions taken regarding the student for similar types of behavioral incidents;
 - c. A pattern of unexcused absences; or
 - d. An unauthorized, unsupervised departure from an educational setting; or
2. The safety of the student or others.

19 TAC 89.1055(g); Education Code 29.005(h)

Translation of IEP
into Native
Language

If the parent is unable to speak English and Spanish is the parent's native language, a district shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, a district shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language.
Education Code 29.005(d)

A written copy of the student's IEP translated into Spanish or the parent's native language means that all of the text in the student's IEP in English is accurately translated into the target language in written form. The IEP translated into the target language must be a comparable rendition of the IEP in English and not a partial translation or summary of the IEP in English.

An audio recording of the student's IEP translated into Spanish or the parent's native language means that all of the content in the student's IEP in English is orally translated into the target language and recorded with an audio device. A district is not prohibited from providing the parent with an audio recording of an ARD committee meeting at which the parent was assisted by an interpreter as long as the audio recording provided to the parent contains an oral translation into the target language of all of the content in the student's IEP in English.

If a parent's native language is not a written language, the district must take steps to ensure that the student's IEP is translated orally or by other means to the parent in his or her native language or other mode of communication.

Under 34 C.F.R. 300.322(f), a district must give a parent a written copy of the student's IEP at no cost to the parent. A school district meets this requirement by providing a parent with a written copy of the student's IEP in English or by providing a parent with a written

translation of the student's IEP in the parent's native language as provided above.

19 TAC 89.1050(i)

Autism/Pervasive
Developmental
Disorder

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

1. Extended educational programming;
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and postsecondary environments;
6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders (ASD);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the student's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence;
8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1–11 above, the IEP shall include a

statement reflecting that decision and the basis upon which the determination was made.

19 TAC 89.1055(e)-(f)

*Visual
Impairment*

If a district provides special education services to students with visual impairments, it shall have written procedures as required in Education Code 30.002(c)(10) (staff access to resources). *19 TAC 89.1075(b)*

*Collaborative
Process*

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions of the ARD committee concerning the required elements of the IEP shall be made by mutual agreement, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

Ten-Day Recess

When mutual agreement about all required elements of the IEP is not achieved, the parent who disagrees must be offered a single opportunity to recess and reconvene the ARD committee meeting. The period of time for reconvening the ARD committee meeting must not exceed ten school days, unless the parties mutually agree otherwise. The ARD committee must schedule the reconvened meeting at a mutually agreed upon time and place. The opportunity to recess and reconvene is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the ARD committee from recessing an ARD committee meeting for reasons other than the failure to reach mutual agreement about all required elements of an IEP.

During the recess, the ARD committee members must consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons who may assist in enabling the ARD committee to reach mutual agreement.

*Failure to Reach
Agreement*

If a recess is implemented and the ARD committee still cannot reach mutual agreement, a district shall implement the IEP it has determined to be appropriate for the student. Each member of the ARD committee who disagrees with the IEP developed by the ARD

committee is entitled to include a statement of disagreement in the IEP.

If the IEP is not developed by agreement, the written statement of the program must include the basis of the disagreement. Each member of the ARD committee who disagrees with the IEP developed by the committee is entitled to include a statement of disagreement in the written statement of the program.

Education Code 29.005(c); 19 TAC 89.1050(g)

**Modification of
Existing IEP**

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and district may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, a district shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

20 U.S.C. 1414(d)(3)(D)-(F); 34 C.F.R. 300.324(a)(4)-(6)

**Teacher Access to
IEP**

Each district must ensure that each teacher who provides instruction to a student with a disability has access to relevant sections of the student's current IEP, is informed of the teacher's specific responsibilities related to implementation of the IEP, and has an opportunity to request assistance regarding implementation of the student's IEP. *19 TAC 89.1075(c)*

**Teacher Request to
Review IEP**

Each district shall develop a process to be used by a teacher who instructs a student with a disability in a regular classroom setting:

1. To request a review of the student's IEP;
2. To provide input in the development of the student's IEP;
3. That provides for a timely district response to the teacher's request; and
4. That provides for notification to the student's parent or legal guardian of that response.

Education Code 29.001(11); 19 TAC 89.1075(d)

**Procedural
Safeguards**

A district shall establish and maintain procedures to ensure that children with disabilities and their parents are guaranteed procedural safeguards with respect to the provision of a free appropriate public education (FAPE). *20 U.S.C. 1415(a)*

These procedures shall include the following:

1. An opportunity for the parents to review all education records and to participate in meetings relating to the identification, evaluation, and educational placement of the child and the provision of FAPE to the child. *34 C.F.R. 300.501*
2. An opportunity for the parents to obtain an independent educational evaluation of the child. *34 C.F.R. 300.502*
3. Protecting the rights of a child when no parent can be identified, a district cannot locate the parents, or the child is a ward of the state, which may include the assignment of an individual to act as a surrogate parent. *34 C.F.R. 300.519*
4. Prior written notice to the parents when a district proposes to initiate or change, or refuses to initiate or change, the identification, evaluation, or educational placement of the child, or the provision of FAPE to the child. *34 C.F.R. 300.503* [See Prior Notice and Consent, below]
5. Procedures to allow parties to resolve disputes through a mediation process. *34 C.F.R. 300.506*
6. An opportunity for any party to file a due process complaint on any matter relating to the identification, evaluation, or educational placement of the child, or the provision of FAPE to the child. [See Dispute Resolution, below] *34 C.F.R. 300.507*
7. Procedures that require either party, or the attorney representing a party, to provide to the other party a due process complaint (which shall remain confidential). *34 C.F.R. 300.508*

Consent

Consent means that:

1. The parent has been fully informed of all information relevant to the activity for which consent is sought, in his or her native language, or other mode of communication;
2. The parent understands and agrees in writing to the activity for which his or her consent is sought, and the consent describes that activity and lists the records (if any) that will be released and to whom; and

3. The parent understands that the granting of consent is voluntary on the part of the parent and may be revoked at any time. A revocation of consent is not retroactive.

If the parent revokes consent in writing for his or her child's receipt of services after the child is initially provided special education and related services, the district is not required to amend the child's education records to remove any references to the child's receipt of services because of the revocation of consent.

34 C.F.R. 300.9

Language of Notices

The procedural safeguards and prior notices described below must be written in language understandable to the general public. The notice must be provided in the native language of the parent or other mode of communication used by the parent, unless it is clearly not feasible to do so. *34 C.F.R. 300.503(c), .504(d)*

Electronic Delivery of Notices

A parent may elect to receive the procedural safeguards notice, prior notice, or notice of due process complaint by electronic mail if a district makes that option available. *34 C.F.R. 300.505*

Notice of Procedural Safeguards

A district shall provide a copy of the procedural safeguards to parents only one time a year, except that a copy also shall be given to the parents:

1. Upon initial referral or parental request for evaluation;
2. Upon receipt of the first state complaint and upon receipt of the first due process complaint in a school year;
3. On the date of a decision to make a disciplinary removal that is a change in placement; and
4. Upon request by a parent.

A district may place a current copy of the procedural safeguards notice on its website, if it has one.

Contents of Notice

The notice shall include a full explanation of the procedural safeguards relating to:

1. Independent educational evaluations;
2. Prior written notice;
3. Parental consent;
4. Access to educational records;

5. Opportunity to present and resolve complaints through the due process complaint and state complaint procedures, including:
 - a. The time period in which to file a complaint;
 - b. The opportunity for the district to resolve the complaint; and
 - c. The difference between the due process complaint and the state complaint procedures, including the jurisdiction of each procedure, what issues may be raised, filing and decisional timelines, and relevant procedures.
6. The availability of mediation;
7. The child's placement during pendency of any due process proceedings;
8. Procedures for children who are subject to placement in an interim alternative educational setting;
9. Requirements for unilateral placement by parents of children in private schools at public expense;
10. Hearings on due process complaints, including requirements for disclosure of evaluation results and recommendations;
11. Civil actions, including the time period in which to file such actions; and
12. Attorneys' fees.

20 U.S.C. 1415(a)–(b), (d); 34 C.F.R. 300.504

**Prior Notice and
Consent**

A district shall provide prior written notice to the parents a reasonable time before the district proposes to initiate or change, or refuses to initiate or change, the identification, evaluation, or educational placement of a child or the provision of FAPE to the child. *34 C.F.R. 300.503(a)*

Notice must be provided to the parent in the parent's native language or other mode of communication at least five school days before the school district proposes or refuses the action unless the parent agrees to a shorter time frame. *19 TAC 89.1050(h)*

Contents of Notice

The notice must include:

1. A description of the action proposed or refused by the district;
2. An explanation of why the district proposes or refuses to take the action;

3. A description of each evaluation procedure, assessment, record, or report the district used as a basis for the proposed or refused action;

**Due Process
Complaint**

Whenever a due process complaint has been received by a district, the parent or the district shall have an opportunity for an impartial due process hearing, which shall be conducted by an impartial hearing officer selected by TEA. [For TEA rules on due process hearings, see 19 Administrative Code 89.1151–.1191.] *20 U.S.C. 1415(f)(1)(A); 19 TAC 89.1151(a), .1170(a)*

Timeline

Beginning September 1, 2022, a parent or a district must request a hearing within two years of the date the parent or public education agency knew or should have known about the alleged action that serves as the basis for the request, unless tolled, as described below.

Prior to September 1, 2022, a parent or public education agency must request a hearing within one year of the date the parent or public education agency knew or should have known about the alleged action that serves as the basis for the request, unless tolled

pursuant to 50 U.S.C. 3936, as set forth in 19 Administrative Code 89.1151(e), below.

19 TAC 89.1151(c)

Tolled Timeline

TEA will include in the Notice of Procedural Safeguards a statement that the statute of limitations for the parent of a student to request an impartial due process hearing may be tolled if:

1. The parent is an active-duty member of the armed forces, the Commissioned Corps of the National Oceanic and Atmospheric Administration, or the Commissioned Corps of the United States Public Health Service; and
2. 50 U.S.C. 3936 (statute of limitations for military service) applies to the parent.

19 TAC 89.1151(e)

*Timeline
Exception*

This timeline shall not apply if the parent was prevented from requesting a hearing due to:

1. A specific misrepresentation by a district that it had resolved the problem forming the basis of the complaint; or
2. A district's withholding of information from the parent that the district was required by the IDEA to provide.

20 U.S.C. 1415(f)(3)(D); 34 C.F.R. 300.511(f), 19 TAC 89.1151(d)

"Stay Put"

During the pendency of any proceeding conducted under IDEA part B (except proceedings to challenge a disciplinary change of placement or manifestation determination), the child shall remain in the then-current educational placement unless the district and the parent agree otherwise. If the child is applying for initial admission to a public school, the child shall, with the consent of the parents, be placed in the public school program until all proceedings have been completed. *20 U.S.C. 1415(j); 34 C.F.R. 300.518, .533*

Exception

When a due process hearing has been requested by a parent or district concerning a disciplinary change of placement or manifestation determination, the child shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the child's assignment to the alternative setting, or the 45-day timeline, if applicable, whichever occurs first, unless the parent and district agree otherwise. *20 U.S.C. 1415(k)(3)(A), 1415(k)(4)(A); 34 C.F.R. 300.533 [See FOF]*

Resolution Process

Within 15 calendar days of receiving notice of a parent's due process complaint, and before initiating a due process hearing, a district shall convene a meeting with the parent and the relevant

member or members of the ARD committee. The purpose of the meeting is for the parent to discuss the due process complaint and the facts that form the basis of the due process complaint, so that the district has the opportunity to resolve the dispute.

The meeting need not be held if the parent and the district agree in writing to waive the meeting, or the parent and the district agree to use the mediation process.

If the district has not resolved the due process complaint to the satisfaction of the parent within 30 calendar days of the receipt of the complaint, the due process hearing may occur. If the district is unable to obtain the participation of the parent in the resolution meeting after reasonable efforts have been made, the district may, at the conclusion of the 30-day period, request that a hearing officer dismiss the parent's request for a hearing.

**Special Education
Decision-Making for
Children in Foster
Care**

A foster parent may act as a parent of a child with a disability, as authorized under 20 U.S.C. Section 1415(b) and its subsequent amendments, if:

1. The Department of Family and Protective Services (DFPS) is appointed as the temporary or permanent managing conservator of the child;
2. The rights and duties of the department to make decisions regarding education provided to the child under Family Code 153.371 have not been limited by court order; and
3. The foster parent agrees to:
 - a. Participate in making special education decisions on the child's behalf; and
 - b. Complete a training program that complies with minimum standards established by agency rule.

Training

A foster parent who will act as a parent of a child with a disability must complete a training program before the next scheduled ARD committee meeting for the child but not later than the 90th day after the date the foster parent begins acting as the parent for the purpose of making special education decisions.

A district may not require a foster parent to retake a training program to continue serving as a child's parent or to serve as the surrogate parent for another child if the foster parent has completed a training program to act as a parent of a child with a disability provided by:

1. DFPS;

2. A school district;
3. An education service center; or
4. Any other entity that receives federal funds to provide special education training to parents.

A foster parent who is denied the right to act as a parent by a school district may file a complaint with TEA in accordance with federal law and regulations.

Not later than the fifth day after the date a child with a disability is enrolled in a school, DFPS must inform the appropriate school district if the child's foster parent is unwilling or unable to serve as a parent.

A school district must appoint an individual to serve as the surrogate parent for a child if the district is unable to identify or locate a parent for a child with a disability or the foster parent of a child is unwilling or unable to serve as a parent for the purposes of this subchapter.

Education Code 29.0151(a)–(b)

**Eligibility and Duties
of a Surrogate
Parent**

A surrogate parent appointed by a school district may not be an employee of TEA, the school district, or any other agency involved in the education or care of the child; or have any interest that conflicts with the interests of the child.

The district may appoint a person who has been appointed to serve as a child's guardian ad litem or as a court-certified volunteer advocate, as provided under Section 107.031(c), Family Code, as the child's surrogate parent.

Education Code 29.0151(c)–(d); 19 TAC 89.1047

Notice of

As soon as practicable after appointing a surrogate parent, a district shall provide written notice of the appointment to the child's educational decision-maker and caseworker as required under Education Code 25.007(b)(10)(H) [see FFC]. *Education Code 29.0151(e-1)*

Failure to Properly
Perform

If a court appoints a surrogate parent for a child with a disability under Family Code 263.0025, and the school district determines that the surrogate parent is not properly performing the duties, the district shall consult with DFPS regarding whether another person should be appointed to serve as the surrogate parent for the child. *Education Code 29.0151(f); 19 TAC 89.1047*

Education Allotment**

Census Block

On a schedule determined by the commissioner of education and in accordance with Education Code 48.104, each district shall report to the agency the census block group in which each student enrolled in the district who is educationally disadvantaged resides.
Education Code 48.104(i)

Use

At least 55 percent of the district's compensatory education funds must be used to:

1. Fund supplemental programs and services, including services provided by an instructional coach, designed to eliminate any disparity in performance on assessment instruments administered under Education Code Chapter 39, Subchapter B or disparity in the rates of high school completion between:
 - a. Students who are educationally disadvantaged and students who are not educationally disadvantaged; and
 - b. Students at risk of dropping out of school, as defined below, and all other students; or
2. Support a program eligible under Title I of the Elementary and Secondary Education Act of 1965 [see AID], and its subsequent amendments, and by federal regulations implementing that Act.

Education Code 48.104(k)

Dropout Prevention
Strategies

A district with a high dropout rate, as determined by the commissioner, shall submit a plan to the commissioner describing the manner in which the district intends to use its compensatory education allotment for developing and implementing research-based strategies for dropout prevention.

A district shall submit the plan not later than December 1 of each school year preceding the school year in which the district will receive the compensatory education allotment to which the plan applies.

A district may not spend or obligate more than 25 percent of the district's compensatory education allotment unless the commissioner approves the plan.

A district's plan shall:

1. Design a dropout recovery plan that includes career and technology education courses or technology applications courses that lead to industry or career certification;

2. Integrate into the dropout recovery plan research-based strategies to assist students in becoming able academically to pursue postsecondary education, including:
 - a. High-quality, college readiness instruction with strong academic and social supports;
 - b. Secondary to postsecondary bridging that builds college readiness skills, provides a plan for college completion, and ensures transition counseling; and
 - c. Information concerning appropriate supports available in the first year of postsecondary enrollment to ensure postsecondary persistence and success, to the extent funds are available for the purpose; and
3. Plan to offer advanced academic and transition opportunities, including dual credit courses and college preparatory courses, such as advanced placement courses.

A district may enter into a partnership with a public junior college in accordance with Education Code 29.402 [see GNC] in order to fulfill a plan.

Any program designed to fulfill a plan must comply with the requirements of Education Code 29.081(e) and (f).

Education Code 29.918

Reporting

A district shall report financial information relating to expenditure of the state compensatory education allotment under the Foundation School Program to the Texas Education Agency (TEA), according to standards for financial accounting provided in 19 Administrative Code 109.41 (relating to *Financial Accountability System Resource Guide*). Costs charged to state compensatory education shall be for programs and services that supplement the regular education program. *19 TAC 109.25(a)*

A district shall ensure that supplemental direct costs and personnel attributed to compensatory education and accelerated instruction are identified in district and/or campus improvement plans at the summary level for financial units or campuses. A district shall maintain documentation that supports the attribution of supplemental costs and personnel to compensatory education. A district must also maintain sufficient documentation supporting the appropriate identification of students in at-risk situations, under criteria established in Education Code 29.081 [see Definition of At-Risk Student, below]. *19 TAC 109.25(b)*

**Educationally
Disadvantaged
Students**

Student Eligibility

To be considered educationally disadvantaged in order to be counted to generate the compensatory education allotment pursuant to Education Code 48.104, a student must meet the income requirements for eligibility under the National School Lunch Program (NSLP), authorized by 42 U.S.C. 1751, et seq.

Districts may use the following approved methods for the purpose of receiving the compensatory education allotment pursuant to Education Code 48.104:

1. Parent certification, where the parent or guardian asserts meeting the income requirements for eligibility;
2. Direct certification, where the process by which eligible children are certified for free meals without the need for a household application based on household participation in one or more federal assistance programs; or
3. Direct verification, where public records are used to verify a student's eligibility for free or reduced-price meals when verification of student eligibility is required.

19 TAC 61.1027(a)

Virtual School
Network

Districts must request prior approval from the commissioner to claim students receiving a full-time virtual education through the state virtual school network in their counts of educationally disadvantaged students. The request must include a plan detailing the enhanced services to be delivered to full-time state virtual school network students and submitted in a manner and with a deadline specified by the commissioner. *19 TAC 61.1027(b)(3)(B)*

**Services After
Unsatisfactory
Performance on
State Assessments**

Accelerated
Learning Committee

A district shall establish an accelerated learning committee for each student who does not perform satisfactorily on the following state assessment instruments [see EKB]:

2. The fifth grade mathematics or reading assessment; or
3. The eighth grade mathematics or reading assessment.

Education Code 28.0211(a)

Composition

The accelerated learning committee shall be composed of the principal or the principal's designee, the student's parent or guardian, and the teacher of the subject of an assessment instrument on which the student failed to perform satisfactorily. The district shall notify the parent or guardian of the time and place for convening the accelerated learning committee and the purpose of the committee. *Education Code 28.0211(c)*

If a student is changing campuses, the committee must include the receiving principal or designee, the sending principal or designee, the receiving content teacher or designee, and the sending content teacher or designee. *19 TAC 104.1001(e)(1)*

Educational Plan

An accelerated learning committee shall, not later than the start of the subsequent school year, develop an educational plan for the student that provides the necessary accelerated instruction to enable the student to perform at the appropriate grade level by the

conclusion of the school year. The educational plan must be documented in writing, and a copy must be provided to the student's parent or guardian.

During the school year, the student shall be monitored to ensure that the student is progressing in accordance with the educational plan. The district shall administer to the student the assessment instrument for the grade level in which the student is placed at the time the district regularly administers the assessment instruments for that school year.

The board shall adopt a policy consistent with the grievance procedure adopted under Education Code 26.011 [see FNG] to allow a parent to contest the content or implementation of an educational plan.

1. Identify the reason the student did not perform satisfactorily; and
2. Determine, in order to ensure the student performs satisfactorily on the assessment instrument at the next administration of the assessment instrument, whether the educational plan developed for the student must be modified to provide the necessary accelerated instruction for that student and any additional resources are required for that student.

The superintendent's designee may be an employee of a regional education service center and may not be a person who served on the student's accelerated learning committee.

Education Code 28.0211(f-4)–(f-5)

EHBC
(LEGAL)

Students Who
Meet Criteria for
the Alternative
Assessment

The ARD committee must serve as the accelerated learning committee for students who meet the criteria for participation in alternative assessment instruments under Education Code 39.023(b) [see EKB], who do not perform satisfactorily on a mathematics or reading assessment instrument in grade 3, 5, or 8. The ARD committee must determine the manner in which the student will participate in supplemental accelerated instruction; however, the requirements for supplemental accelerated instruction described by 19 Administrative Code 104.1001(b) do not apply.

ARD Committee
Responsibilities

In serving as the accelerated learning committee for a student served by special education, the ARD committee must meet and develop a plan [see Education Plan, above] to determine the manner in which the student will participate in supplemental accelerated instruction, and this meeting must include the required members of a properly constituted ARD committee [see EHBAB].

When the ARD committee for a student served by special education serves as the accelerated learning committee, efforts must be taken to ensure parental participation as specified within the requirements of 19 Administrative Code 89.1050(d) and 34 Code of Federal Regulations 300.322 [see EHBAB].

The ARD committee, serving as the accelerated learning committee, must document decisions regarding supplemental accelerated instruction in writing and a copy must be provided to the student's parent or guardian. This documentation may either be included in ARD deliberations or as a supplemental attachment to the student's individualized education program.

Dispute
Resolution

A parent or guardian of a student served by special education may use a dispute resolution mechanism specified in 19 Administrative Code 89.1150 [see EHBAE] to resolve any dispute between the parent and a public education agency relating to the identification, evaluation, or educational placement of or the provision of a free appropriate public education (FAPE) to a student with a disability. If a parent or guardian of a student served by special education does not agree with the decision of the ARD committee serving as the accelerated learning committee regarding supplemental accelerated instruction, the parent or guardian may follow the district grievance policy [see FNG].

19 TAC 104.1001(f)

Parent Request

Each district shall establish a process allowing for the parent or guardian of a student who fails to perform satisfactorily on a third, fifth, or eighth grade math or reading assessment to make a request for district consideration that the student be assigned to a particular classroom teacher in the applicable subject area for the

subsequent school year, if more than one classroom teacher is available. *Education Code 28.0211(a-5); 19 TAC 104.1001(g)*

*Classroom
Assignment*

A student who fails to perform satisfactorily on a third, fifth, or eighth grade math or reading assessment and is promoted to the next grade level must be assigned in the subsequent school year in each subject in which the student failed to perform satisfactorily on the applicable assessment instrument to an appropriately certified teacher who meets all state and federal qualifications to teach that subject and grade.

In a manner consistent with federal law and notwithstanding any other law, the commissioner may waive the requirement regarding the assignment of a student to an appropriately certified classroom teacher on the request of a district.

Education Code 28.0211(n)-(n-1)

Accelerated
Instruction

Each time a student fails to perform satisfactorily on a state assessment instrument in the third, fourth, fifth, sixth, seventh, or eighth grade [see EKB], the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4) [see below].

Education Code 28.0211(a-1)

*Participation
Requirements*

Supplemental accelerated instruction may require a student to participate before or after normal school hours and may include participation at times of the year outside normal school operations. *19 TAC 104.1001(c)*

In providing accelerated instruction, a district may not remove a student, except under circumstances for which a student enrolled in the same grade level who is not receiving accelerated instruction would be removed, from:

1. Instruction in the foundation curriculum and enrichment curriculum adopted under Education Code 28.002 [see EHA series] for the grade level in which the student is enrolled; or

2. Recess or other physical activity that is available to other students enrolled in the same grade level.

Education Code 28.0211(a-3)

The foundation curriculum includes English language arts, mathematics, science, and social studies. Courses in the enrichment curriculum include languages other than English; health, with emphasis on physical health, proper nutrition, and exercise; mental health, including instruction about mental health conditions, substance abuse, skills to manage emotions, establishing and maintaining positive relationships, and responsible decision making; suicide prevention; physical education; fine arts; career and technical education; technology applications; religious literature; and personal financial literacy.

19 TAC 104.1001(c)

*ARD Committee
Determination*

For a student served by special education who does not perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) [see EKB], the student's admission, review, and dismissal (ARD) committee must determine the manner in which the student will engage in supplemental accelerated instruction. ARD committees must consider the individual needs of a student with a disability when determining the manner in which supplemental accelerated instruction is to be provided to the student. If supplemental accelerated instruction is to be provided to the student, the supplemental accelerated instruction must meet the requirements outlined in this subsection unless the ARD committee specifically determines that some or all of the requirements for supplemental accelerated instruction would deny the student access to a FAPE. *19 TAC 104.1001(b)(3)*

*Supplemental
Instruction
Requirements for
Certain Funding*

If a district receives funding under Education Code 29.0881, the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (Div. M, Pub. L. No. 116-260), or the American Rescue Plan Act of 2021 (Pub. L. No. 117-2), then supplemental instruction provided by a district must:

1. Include targeted instruction in the essential knowledge and skills for the applicable grade levels and subject area;
2. Be provided in addition to instruction normally provided to students in the grade level in which the student is enrolled;

3. Be provided for no less than 30 total hours during the subsequent summer or school year and, unless the instruction is provided fully during summer, include instruction no less than once per week during the school year;
4. Be designed to assist the student in achieving satisfactory performance in the applicable grade level and subject area;
5. Include effective instructional materials designed for supplemental instruction;
6. Be provided to a student individually or in a group of no more than three students, unless the parent or guardian of each student in the group authorizes a larger group;
7. Be provided by a person with training in the applicable instructional materials for the supplemental instruction and under the oversight of the district; and
8. To the extent possible, be provided by one person for the entirety of the student's supplemental instruction period.

Education Code 28.0211(a-4)

A district shall provide students required to attend the accelerated programs described above with transportation to those programs if the programs occur outside of regular school hours. *Education Code 28.0211(j)*

*Notice to Parents
of Performance
and Accelerated
Instruction*

Whenever a district is required to notify a parent or guardian about the requirements related to promotion and accelerated instruction, the district shall make a good-faith effort to ensure that the notice is provided either in person or by regular mail, is clear and easy to understand, and is written in English or in the parent or guardian's native language. *Education Code 28.0211(h)*

Assessments Not
Required

Education Code 28.0211 does not require the administration of a fifth or eighth grade assessment instrument in a subject under Education Code 39.023(a) to a student enrolled in the fifth or eighth grade, as applicable, if the student:

1. Is enrolled in a course in the subject intended for students above the student's grade level and will be administered an assessment instrument adopted or developed under Education Code 39.023(a) [see EKB] that aligns with the curriculum for the course in which the student is enrolled; or
2. Is enrolled in a course in the subject for which the student will receive high school academic credit and will be administered an end-of-course assessment instrument [see EKB] for the course.

Notwithstanding any other provision of Education Code 28.0211, the student may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student, nor may a student in grade 5 or grade 8 be denied promotion to the next grade on the basis of failure to perform satisfactorily on a reading or mathematics assessment instrument intended for use above the student's grade level.

Education Code 28.0211(o)–(p)

Accelerated
Instruction After
EOC Assessments

A district shall provide accelerated instruction to an enrolled student who has taken an end-of-course (EOC) assessment instrument and has not performed satisfactorily or who is at risk of dropping out of school.

A district shall offer before the next scheduled administration of the assessment instrument, without cost to the student, additional accelerated instruction to each student in any subject in which the student failed to perform satisfactorily on an end-of-course assessment instrument required for graduation.

A district that is required to provide accelerated instruction must separately budget sufficient funds for that purpose. [See CE]

A district shall evaluate the effectiveness of accelerated instruction programs and annually hold a public hearing to consider the results.

Education Code 29.081(b), (b-1), (b-2), (b-3), 39.025(b-1)

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(c), the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area.

Accelerated instruction may require participation of the student before or after normal school hours and may include participation at times of the year outside normal school operations and must comply with the requirements for accelerated instruction provided under Education Code 28.0211 [see above].

Education Code 28.0217

Effectiveness

A district shall evaluate and document the effectiveness of the accelerated instruction in reducing any disparity in performance on state assessment instruments or disparity in the rates of high school completion between students at risk of dropping out of school and all other district students. *Education Code 29.081(c)*

No Available Test
Score

The superintendent of each district shall establish procedures to ensure that each eligible student who is absent or does not receive a test score for any test administration shall receive appropriate supplemental accelerated instruction as warranted on an individual student basis. *19 TAC 104.1001(b)(4)*

Education Programs**

A district may use a private or public community-based dropout recovery education program to provide alternative education programs for students at risk of dropping out of school. The program may be offered at a campus or through the use of an online program that leads to a high school diploma and prepares the student to enter the workforce. A campus-based dropout recovery education program must meet the criteria set forth at Education Code 29.081(e-1)(1)–(5). An online dropout recovery education program must meet the criteria set forth at Education Code 29.081(e-2)(1)–(8).

2. Students who are not performing successfully in a mathematics course or science course to assist those students in successfully completing the course; or
3. Other students as determined by the district.

Before providing a program, a board must adopt a policy for:

1. Determining student eligibility for participating in the program that:

A parent or guardian may elect for a student to:

1. Repeat prekindergarten;
2. Enroll in prekindergarten, if the student would have been eligible to enroll in prekindergarten during the previous school year under Education Code 29.153(b) [see EHBG] and the student has not yet enrolled in kindergarten;
3. Repeat kindergarten;
4. Enroll in kindergarten, if the student would have been eligible to enroll in kindergarten in the previous school year and has not yet enrolled in first grade; or
5. For grades 1 through 3, repeat the grade in which the student was enrolled during the previous school year.

An election made by a parent or guardian shall be made in writing to a district.

**Retention
Committee**

If a district disagrees with the election, the district must convene a retention committee and meet with the parent or guardian to discuss retention. The meeting shall be conducted in person unless an alternative means is agreeable to the parent or guardian. A student may not be retained for a grade or retake a course under this

provision if the parent or guardian does not meet with the retention committee.

A retention committee shall be composed of:

1. The principal or the principal's designee;
2. The student's parent or guardian;
3. The teacher who taught the grade or course for which the parent wants the student retained or repeated; and
4. Additional teachers at the discretion of the principal, if the student will potentially repeat multiple courses.

A retention committee shall:

1. Discuss the merits of and concerns with advancement and retention; and
2. Review and consider the student's grade in each subject or course, the results of any formative or summative assessments administered to the student, and any other available academic information to determine the student's academic readiness for the next grade or a given course.

If established, after the parent or guardian has participated in a retention committee meeting, the parent or guardian shall decide whether the student should be retained or retake a grade or course. The district must abide by the decision of the parent or guardian.

Retention
Considerations

Except as provided by this provision or other law, retention of a student pursuant to a parent's or guardian's election under this provision shall be considered the same as retention of a student by a district.

Transfer of Rights

The rights of a parent or guardian under this provision transfer to a student if the student is 18 years of age or older or has had the disabilities of a minor removed, unless the student is under a form of guardianship imposed by law or court order that continues after the student turns 18 years of age.

Education Code 28.02124

**Students with
Dyslexia**

In measuring the academic achievement or proficiency of a student who has dyslexia, the student's potential for achievement or proficiency in the area must be considered. *Education Code 28.021(b)* [See policies at EHB, EKB, and FB]

**Optional Extended-
Year Program**

An optional extended year program may extend the day, the week, or the year to provide additional support and instruction for eligible

A student is eligible for services in accordance with Education Code 29.082(a)(1)–(2). A student who does not demonstrate proficiency in a subject area as determined by the district is also eligible for services. *19 TAC 105.1001(c); Education Code 29.082(a)(1)–(2)*

A student who attends at least 90 percent of the extended-year program days and who satisfies the requirements for promotion (academic achievement or demonstrated proficiency of the subject matter of the course or grade level) shall be promoted to the next grade level at the beginning of the next school year. However, if the student's parent presents a written request to the school principal asking that the student not be promoted, the principal shall hold a formal meeting with the parent, the teacher, and the school counselor, as soon as practicable after receiving such a request. During the meeting, the principal, teacher, or school counselor shall explain the possible effects of not promoting a student. If the parent withdraws the request after the meeting, the student shall be promoted, and the district shall continue to use innovative practices to ensure that the student is successful in school in succeeding school years.

If a district provides an extended-year program, it shall adopt a policy designed to lead to immediate reduction and ultimate elimination of student retention.

1. Successfully completes the curriculum requirements identified by the State Board of Education (SBOE) [see State Graduation Requirements, below], has performed satisfactorily on applicable state assessments [see EKB], and complies with the financial aid application requirements in Education Code 28.0256 [see below]; or
2. Successfully completes an individualized education program (IEP) developed under Education Code 29.005. [See EHBAB]

Education Code 28.025(c)

Note: Education Code 28.0256 applies beginning with students enrolled at the 12th grade level during the 2021–22 school year.

FAFSA Required

Before graduating from high school, each student must complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA), except as provided below.

A student is not required to comply with the above provision if:

1. The student's parent or other person standing in parental relation submits a signed form indicating that the parent or other person authorizes the student to decline to complete and submit the financial aid application;
2. The student signs and submits the form described above on the student's own behalf if the student is 18 years of age or older or the student's disabilities of minority have been removed for general purposes under Family Code Chapter 31; or
3. A school counselor authorizes the student to decline to complete and submit the financial aid application for good cause, as determined by the school counselor.

If a school counselor notifies a district whether a student has complied with this section for purposes of determining whether the student meets high school graduation requirements under Education Code 28.025, the school counselor may only indicate whether the student has complied with this section and may not indicate the manner in which the student complied, except as necessary for the district to comply with the commissioner's rules.

A school counselor may not indicate that a student has not complied with this section if the district fails to provide the required form

to the student or the student's parent or other person standing in parental relation to the student.

Opt-Out Form

The board shall adopt the standard opt-out form provided by the Texas Education Agency (TEA).

The opt-out form shall be available in English, Spanish, and any other language spoken by a majority of the students enrolled in a bilingual education or special language program in the district. A district is responsible for translations not provided by TEA.

The opt-out form must include the student's signature of intent to decline to complete a financial aid application prior to the student's anticipated graduation date.

19 TAC 74.1023(c)

For completion and submission of the FAFSA:

1. ApplyTexas Counselor Suite FAFSA data;
2. Notification from the U.S. Department of Education that demonstrates a student has completed and submitted a FAFSA; or
3. A local policy developed by a district for the method by which a student must provide proof that the student has completed a FAFSA.

A district shall develop a local policy for the method by which a student must provide proof that the student has completed a TASFA.

19 TAC 74.1023(e)

Information Submission and Confidentiality

A district shall report through the Texas Student Data System Public Education Information Management System (TSDS PEIMS) not later than December 1 of each school year for students awarded diplomas in the previous school year the number of students who completed and submitted a financial aid application and the number of students who submitted an exception.

A district shall maintain student financial aid application information securely and ensure compliance with federal law regarding the

confidentiality of student educational information, including the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. Section 1232g), and any state law relating to the privacy of student information [see FL].

19 TAC 74.1023(f)–(g)

Individual
Graduation
Committee

A student may receive a diploma if the person is eligible for a diploma as determined by an individual graduation committee (IGC) established under Education Code 28.0258. *Education Code 28.025(c-6)*

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. A student's admission, review, and dismissal (ARD) committee determines whether a student is required to achieve satisfactory performance on an end-of-course (EOC) assessment to graduate. *19 TAC 74.1025(n)* [See EHBAB]

For each 11th or 12th grade student who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses, the district shall establish an IGC at the end of or after the student's 11th grade year to determine whether the student may qualify to graduate. A student may not qualify to graduate as a result of an IGC decision before the student's 12th grade year.

The IGC shall be composed of:

1. The principal or principal's designee;
2. For each EOC assessment instrument on which the student failed to perform satisfactorily, the teacher of the course;
3. The department chair or lead teacher supervising the teacher(s) above; and
4. As applicable:
 - a. The student's parent or person standing in parental relation to the student;
 - b. A designated advocate if the parent is unable to serve; or
 - c. The student, at the student's option, if the student is at least 18 years of age or is an emancipated minor.

The superintendent shall establish procedures for convening the committee.

The district shall provide an appropriate translator, if available, for a parent, advocate, or student who is unable to speak English.

Education Code 28.0258(a)–(c), (c-2); 19 TAC 74.1025(b)

A district may not establish an initial IGC for eligible students after June 10 or before the start of the next school year. Once the IGC has been established, it is the original IGC for that student.

If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

In the event that the student's parent or person standing in parental relation to the student is unavailable to participate in the IGC, the principal shall designate an advocate with knowledge of the student to serve as an alternate member of the committee.

19 TAC 74.1025(c), (e), (g)–(i)

Notice

A district shall ensure a good faith effort is made to timely notify the appropriate person described under item 4 above of the time and place for convening the IGC and the purpose of the committee. The notice must be provided in person or by regular mail or email; clear and easy to understand; and written in English, in Spanish, or, to the extent practicable, in the native language of the appropriate person. *Education Code 28.0258(d)*

*Curriculum
Requirements*

To be eligible to graduate and receive a high school diploma from the IGC, a student must successfully complete the curriculum requirements required for high school graduation. [See State Graduation Requirements, below] *Education Code 28.0258(e)*

*Additional
Requirements to
Graduate*

A student's IGC shall recommend additional requirements by which the student may qualify to graduate, including additional remediation; and for each EOC assessment instrument on which the student failed to perform satisfactorily:

1. The completion of a project related to the subject area of the course that demonstrates proficiency in the subject area; or
2. The preparation of a portfolio of work samples in the subject area of the course, including work samples from the course that demonstrate proficiency in the subject area.

A student may submit to the IGC coursework previously completed to satisfy a recommended additional requirement.

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The

PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

A student entering grade 9 in the 2014–15 school year and thereafter who receives special education services may graduate and be awarded a regular high school diploma if the student meets one of the following conditions:

1. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program applicable to students in general education as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments.
2. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program specified in 19 Administrative Code 74.12 applicable to students in general education but the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation.
3. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program through courses, one or more of which contain modified curriculum that is aligned to the standards applicable to students in general education, as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments,

unless the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation. The student must also successfully complete the student's IEP and meet one of the following conditions:

- a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.
- b. Consistent with the IEP, the student has demonstrated mastery of specific employability skills and self-help skills that do not require direct ongoing educational support of the local school district.
- c. The student has access to services that are not within the legal responsibility of public education or employment or educational options for which the student has been prepared by the academic program.
- d. The student no longer meets age eligibility requirements.

When a student receives a diploma under item 2 or 3(a), (b), or (c), above, the ARD committee must determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age eligibility requirements.

19 TAC 89.1070(b), (j)

Endorsements

A student who is enrolled in a special education program may earn an endorsement on the student's transcript by:

1. Successfully completing, with or without modification of the curriculum:
 - a. The curriculum requirements identified by the SBOE for the foundation high school program; and
 - b. The additional endorsement curriculum requirements prescribed by the SBOE; and
2. Successfully completing all curriculum requirements for that endorsement adopted by the SBOE:
 - a. Without modification of the curriculum; or
 - b. With modification of the curriculum, provided that the curriculum, as modified, is sufficiently rigorous as determined by the student's ARD committee.

The ARD committee of a student in a special education program shall determine whether the student is required to achieve satisfactory performance on an end-of-course assessment instrument to earn an endorsement on the student's transcript.

Education Code 28.025(c-7)–(c-8), 19 TAC 89.1070(c)

*Students
Entering Grade 9
Before the 2014–
15 School Year*

A student receiving special education services who entered grade 9 before the 2014–15 school year may graduate and be awarded a high school diploma under the foundation high school program in accordance with 19 Administrative Code 89.1070.

**Graduation of
Military Dependents**

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth-grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII, A, C [See FDD]

**Graduation of
Student Who Is
Homeless or in
Conservatorship of
DFPS**

If an 11th or 12th grade student who is homeless or in the conservatorship of the Department of Family and Protective Services transfers to a different school district and the student is ineligible to graduate from the district to which the student transfers, the district from which the student transferred shall award a diploma at the student's request, if the student meets the graduation requirements of the district from which the student transferred. *Education Code 28.025(i)*

State Assessment of Academic Skills

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3–8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Emergent Bilingual Students

In grades 3–12, an emergent bilingual student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student’s admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student’s performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student’s developmental level as determined by the student’s ARD committee.

The student’s ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)–(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

*Substitute
Passing Standard*

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

On request by a district, the commissioner may allow the district to administer an assessment instrument on the first instructional day

of a week if administering the assessment instrument on another instructional day would result in a significant administrative burden due to specific local conditions. *Education Code 39.023(c-3)*

*Alternate Test
Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

Test Administration
Training

The commissioner may require training for district employees involved in the administration of the assessment instruments. The commissioner may only require for the employee at each district campus who oversees the administration of the assessment instruments to annually receive the training. The district employee who oversees test administration on a district campus may, with discretion, require other district employees involved in the administration of assessment instruments to repeat the training. *Education Code 39.0304(a), (b-1)–(b-2)*

**Notice to Parents
and Students**

A superintendent shall be responsible for the following in order to provide timely and full notification of graduation requirements:

1. Notifying each student and his or her parent or guardian in writing no later than the beginning of the student's seventh-grade year of the testing requirements for graduation;
2. Notifying each student in grades 7–12 new to the district and his or her parent or guardian in writing of the testing requirements for graduation; and
3. Notifying each student who shall take the tests required for graduation and his or her parent or guardian, as well as out-of-school individuals, of the dates, times, and locations of testing.

19 TAC 101.3012

**Testing in
Grades 3–8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (emergent bilingual students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Social studies in grade 8;
4. Science in grades 5 and 8; and
5. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3–8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student.

Education Code 28.0211(o)–(p), 39.023(a-2); 19 TAC 101.3011(a)(1)–(4)

Kindergarten
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten
Assessment

Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.0237*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

19 TAC 101.3013; Education Code 39.023(a)–(c), (n); 34 C.F.R. 300.320(a)(6)

**End-of-Course
Assessments**

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United

States history. The Algebra I EOC assessment instrument must be administered with the aid of technology, but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must provide a single score. A district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

Education Code 39.023(c)

Students Enrolled
Below High School
Level

Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment
Requirements for
Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) in order to be eligible to receive a Texas diploma, except as described below at Exceptions, Credits Earned Prior to Enrollment, Individual Graduation Committee, and Special Education.

The standard in place when a student first takes an EOC assessment is the standard that will be maintained throughout the student's school career.

Exceptions

English I or
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to emergent bilingual students who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

19 TAC 101.3022(a)–(c)

Credits Earned
Prior to
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment. *19 TAC 101.3021(e)*

Substitute
Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student's assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who qualifies for use of the Texas Success Initiative (TSI) as a substitute assessment and is enrolled in certain college preparatory courses).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a Texas Success Initiative Assessment (TSIA) or a Texas Success Initiative Assessment, Version 2.0 (TSIA2) also meets the additional criteria of 19 Administrative Code 101.4002(d).

*TSI Additional
Criteria*

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSIA or TSIA2 as a substitute assessment.

Accountability
Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

19 TAC 101.4002

*Verification of
Results*

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Satisfactory
Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

Individual
Graduation
Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

A student may not graduate under an IGC if the student did not take each required EOC assessment or an approved substitute assessment for each course in which the student was enrolled in a Texas public school for which there is an EOC assessment. A district shall determine whether the student took each required EOC assessment or an approved substitute assessment. For purposes of this provision only, a student who does not make an attempt to take all required EOC assessments may not qualify to graduate by means of an individual graduation committee.

Notwithstanding any action taken by a student's individual graduation committee, a district must provide a student an opportunity to retake an EOC assessment under Education Code 39.023(c) if the student has not previously achieved satisfactory performance on

an assessment for that course. A student is not required to retake a course in order to be administered a retest of an EOC assessment.

19 TAC 101.3022(e)(1), (3)

For provisions related to an IGC and emergent bilingual students, see EKBA.

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate. [See EIF]

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to retake and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See Individual Graduation Committee, above]

19 TAC 101.3022(f)

For more information on graduation requirements for special education students, see EIF.

Credit by
Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Additional State
Assessments

TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. *Education Code 39.023(c-2)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)

Reporting Results

To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board

A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.

To Parents,
Students, and
Teachers

A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or charter school or private school. The scoring contractor will provide districts with the results of the machine-scorable assessments within a 21-day period following the close of the testing window. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014(a)–(d)

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the

questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

Parents Right-to-Know Under ESEA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*

Parental Access

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005, .006(a)(2), 39.023(e)*

Out-of-State Transfers

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014(e)

Accelerated Instruction

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) in the third, fourth, fifth, sixth, seventh, or eighth grade, the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4). [See EHBC]

Education Code 28.0211(a-1)

A district shall provide each student who fails to perform satisfactorily on an EOC assessment instrument with accelerated instruction under Education Code 28.0217 in the subject assessed by the assessment instrument. *Education Code 39.025(b-1)* [See EHBC]

College Readiness

Each district shall partner with at least one institution of higher education to develop and provide courses in college preparatory mathematics and English language arts. The courses must be designed:

1. For students at the grade 12 level whose performance on:
 - a. An EOC assessment instrument required under Education Code 39.023(c) does not meet college readiness standards; or
 - b. Coursework, a college entrance examination, or an assessment instrument designated under Education Code 51.334(a) indicates that the student is not ready to perform entry-level college coursework; and
2. To prepare students for success in entry-level college courses.

A course must be provided on the campus of the high school offering the course or through distance learning or as an online course provided through the institution of higher education with which the district partners.

Faculty

Appropriate faculty of each high school offering courses and appropriate faculty of each institution of higher education with which the district partners shall meet regularly as necessary to ensure that each course is aligned with college readiness expectations.

Notice

Each district shall provide a notice to each eligible student and the student's parent or guardian regarding the benefits of enrolling in a course.

Credit Earned

A student who successfully completes an English language arts course may use the credit earned toward satisfying the advanced English language arts curriculum requirement for the foundation high school program under Education Code 28.025(b-1)(1). Limitations on Exemptions

First Year After Enrollment

An emergent bilingual student may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to one year after initial enrollment in a school in the United States if the student has not demonstrated proficiency in English as determined by the assessment system developed to evaluate academic progress of an emergent bilingual student. *Education Code 39.027(a)(1)*

Subsequent Years

An emergent bilingual student granted the initial exemption period above may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to:

1. An additional two years if the student is a recent unschooled immigrant or is in a grade for which no assessment instrument in the primary language of the student is available; or
2. An additional four years if the student’s initial enrollment in a school in the United States was as an unschooled asylee or refugee.

The LPAC must determine that the student lacks the academic language proficiency in English necessary for an assessment in English to measure the student’s academic progress in a valid, reliable manner.

Minimum Days for Enrollment	<p>Regardless of the date on which the student initially enrolled in a school in the United States, unless a student is enrolled in a school in the United States for a period of at least 60 consecutive days during a year, the student may not be considered to be enrolled in a school in the United States for that year for the purpose of determining a number of years under Education Code 39.027(a)(1), (2), or (3).</p> <p><i>Education Code 39.027(a)(1)–(2), (a-1), (a-2), (g)</i></p>
Testing in Grades 3–8	<p>An English language learner shall participate in the grades 3–8 assessments and, except as provided below, shall be administered the general form of the English-version state assessment.</p>

Linguistically Accommodated Assessments	<p>An English language learner in grade 3 or higher may be administered the linguistically accommodated English version of the state’s mathematics, science, or social studies assessment if:</p> <ol style="list-style-type: none">1. A Spanish-version assessment does not exist or is not the most appropriate measure of the student’s academic progress;2. The student has not yet demonstrated English language proficiency in reading as determined by the English language proficiency assessments required above [see English Language Proficiency Tests, above]; and3. The student has been enrolled in U.S. schools for three school years or less or qualifies as an unschooled asylee or refugee enrolled in U.S. schools for five school years or less [see Definitions, above].
Exemption for Asylee or Refugee	<p>An unschooled asylee or refugee who meets the criteria at Spanish-Version Assessment and Linguistically Accommodated Assessments above shall be granted an exemption from an administration of an assessment instrument under Education Code 39.023(a), (b), or (l). This exemption will only apply during the school year an unschooled asylee or refugee is first enrolled in a U.S. public school.</p> <p><i>19 TAC 101.1005(b), (c)</i></p>
Refusal of Services	<p>An English language learner whose parent or guardian has declined bilingual education/ESL services is not eligible for special assessment, accommodation, or accountability provisions made</p>

End-of-Course Assessments

An English language learner shall participate in the end-of-course assessments as required by Education Code 39.023(c) and, except as provided below, shall be administered the general form of the English-version state assessment. *19 TAC 101.1005(b)*

Exception

If an English language learner enrolled in English I or English for Speakers of Other Languages I has not yet demonstrated English language proficiency in reading as determined by the English language proficiency assessments required above [see English Language Proficiency Tests, above] and has been enrolled in U.S. schools for three school years or less, or qualifies as an un-schooled asylee or refugee enrolled in U.S. schools [see Definitions, above] for five school years or less, then he or she shall not be required to retake the applicable English I assessment in which the student is enrolled each time it is administered if the student passes the course but fails to achieve the passing standard on the assessment [See EKB]

19 TAC 101.1007(a), (b)

Individual Graduation Committees

An emergent bilingual student who qualifies for the English I special exception in 19 Administrative Code 101.1007, above, may graduate without an individual graduation committee (IGC) if the student achieves satisfactory performance on the remaining end-of-course (EOC) assessments that the student is required to take.

The qualifying emergent bilingual student becomes eligible for IGC review by failing to achieve satisfactory performance on the English I EOC assessment and one other EOC assessment or by failing to achieve satisfactory performance on no more than two of the remaining EOC assessments if the student achieved satisfactory performance on the English I EOC assessment.

If a qualifying emergent bilingual student does graduate by means of an IGC, the student is required to complete IGC requirements for each course in which the student did not achieve satisfactory performance on the EOC assessment for that course.

19 TAC 101.3022(e)(2)

Non-LEP Students

School districts may administer the assessment of academic skills in Spanish to a student who is not identified as limited English proficient but who participates in a bilingual program if the LPAC determines the assessment in Spanish to be the most appropriate measure of the student's academic progress. *19 TAC 101.1005(g)*

Special Education

Selecting
Assessments

For each English language learner who receives special education services, the student's ARD committee in conjunction with the student's LPAC shall select the appropriate assessments.

The ARD committee shall document the decisions and justifications in the student's individualized education program (IEP).

19 TAC 101.1005(a)

In rare cases, the ARD committee in conjunction with the LPAC may determine that it is not appropriate for an English learner who receives special education services to participate in the general required English language proficiency assessment [see English Language Proficiency Tests, above] for reasons associated with the student's particular disability. Students with the most significant cognitive disabilities who cannot participate in the general English language proficiency assessment, even with allowable accommodations, shall participate in the alternate English language proficiency assessment to meet federal requirements. The ARD committee shall document the decisions and justifications in the student's IEP, and the LPAC shall document the decisions and justifications in the student's permanent record file. *19 TAC 101.1003(b)*

In the case of an English learner who receives special education services, the ARD committee in conjunction with the LPAC shall determine and document the need for allowable testing accommodations in accordance with administrative procedures established by TEA. *19 TAC 101.1003(c)*

Definitions

Student with a Disability

A "student with a disability" is one who has a physical or mental impairment that substantially limits one or more of the student's major life activities, has a record of having such an impairment, or is being regarded as having such an impairment.

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices (which do not include ordinary eyeglasses or contact lenses), prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

A student meets the requirement of being “regarded as” having an impairment if the student establishes that he or she has been subjected to a prohibited action because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity. This provision does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of 6 months or less.

29 U.S.C. 705(20)(B), 42 U.S.C. 12102(1), (3)–(4)

Qualified Individual with a Disability

The term “qualified individual with a disability” means an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a district. *42 U.S.C. 12131(2)*

Major Life Activities

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. “Major life activity” also includes the operation of major bodily functions, including functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. *42 U.S.C. 12102(2)*

Reasonable Modification

A district shall make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless the district can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity. *28 C.F.R. 35.130(b)(7)*

Direct Threat

“Direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices or procedures, or by the provision of auxiliary aids or services as provided below. *28 C.F.R. 35.104*

The ADA does not require a district to permit an individual to participate in or benefit from the services, programs, or activities of that district when that individual poses a direct threat to the health or safety of others.

In determining whether an individual poses a direct threat to the health or safety of others, a district must make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence, to ascertain:

1. The nature, duration, and severity of the risk;
2. The probability that the potential injury will actually occur; and
3. Whether reasonable modifications of policies, practices, or procedures or the provision of auxiliary aids or services will mitigate the risk.

28 C.F.R. 35.139

Free Appropriate
Public Education
(FAPE)

A district shall provide a free appropriate public education to each qualified student with a disability within the district's jurisdiction, regardless of the nature or severity of the student's disability.

A student with a disability is "qualified" if he or she is between the ages of three and 21, inclusive. *20 U.S.C. 1412(a)(1); 34 C.F.R. 104.3(l)(2)*

An appropriate education is the provision of regular or special education and related services that are:

1. Designed to meet the student's individual educational needs as adequately as the needs of students who do not have disabilities are met; and
2. Based on adherence to procedures that satisfy federal requirements for educational setting, evaluation and placement, and procedural safeguards, as set forth below.

34 C.F.R. 104.33(b)

Implementation of an individualized education program (IEP) under IDEA is one means for providing FAPE. *34 C.F.R. 104.33(b)(2)*

Note: See EHBA series for policies regarding the provision of special education to students with disabilities under IDEA who require special education in order to benefit from a free appropriate public education.

Educational Setting

A district shall place a student with a disability in the regular educational environment, unless the district demonstrates that education in the regular environment with the use of supplemental aids and services cannot be achieved satisfactorily. *34 C.F.R. 104.34(a)*

In providing or arranging for nonacademic and extracurricular services and activities, a district shall ensure that a student with a disability participates with students who do not have disabilities to the maximum extent appropriate to the needs of the student with a disability. *34 C.F.R. 104.34(b), 104.37*

Evaluation and
Placement

A district shall conduct an evaluation of any person who, because of disability, needs or is believed to need special education or related services before taking any action with respect to the initial placement of the person in regular or special education and any subsequent significant change in placement.

*Evaluation
Procedures*

A district shall establish standards and procedures for the evaluation and placement which ensure that:

1. Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;
2. Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and
3. Tests are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

*Placement
Procedures*

In interpreting evaluation data and in making placement decisions, a district shall:

1. Draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social and cultural background, and adaptive behavior;
2. Establish procedures to ensure that information obtained from all such sources is documented and carefully considered;
3. Ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options; and

4. Ensure that the placement decision is made in conformity with 34 C.F.R. 104.34.

Reevaluation

A district shall establish procedures for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act [now IDEA] is one means of meeting this requirement.

34 C.F.R. 104.35

Military Dependents

In compliance with the requirements of Section 504, and with Title II of the Americans with Disabilities Act (42 U.S.C. Sections 12131–12165), the district shall make reasonable accommodations and modifications to address the needs of incoming military dependents with disabilities, subject to an existing Section 504 or Title II Plan, to provide the student with equal access to education. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, § C [See FDD]*

Procedural Safeguards

A district shall establish a system of procedural safeguards with respect to the identification, evaluation, and educational placement of persons who need or are believed to need special instruction or related services.

The system shall include notice, an opportunity for the student's parent or guardian to examine relevant records, an impartial hearing with the opportunity for participation by the student's parents or guardian and representation by counsel, and a review procedure. Compliance with the procedural safeguards of IDEA is one means of meeting this requirement. *34 C.F.R. 104.36*

Children Who Are Homeless

A district shall adopt policies and practices to ensure that homeless children are not stigmatized or segregated on the basis of their homeless status. [See FDC]

Liaison

A district shall designate an appropriate staff person, able to carry out the required duties, as the district liaison for homeless children. A district shall inform school personnel, service providers, advocates working with homeless families, parents and guardians of homeless children, and homeless children of the duties of the liaison. [See FFC]

42 U.S.C. 11432(g)(1)(J)(i), (ii), (g)(6)(B)

Religious Freedom

A district may not substantially burden a student's free exercise of religion, unless the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering

	that interest. <i>Civ. Prac. & Rem. Code 110.003</i> [See also DAA and GA]
Adverse Action Prohibited	Notwithstanding any other law, a district may not take any adverse action against any person based wholly or partly on the person's membership in, affiliation with, or contribution, donation, or other support provided to a religious organization. <i>Gov't Code 2400.002</i> [See GA]
Discrimination on the Basis of Sex	No person in the United States shall, on the basis of sex, be excluded from participation in, denied the benefits of, or be subjected to discrimination by any district receiving federal financial assistance. <i>20 U.S.C. 1681(a)</i> [See FFH for information regarding Title IX coordinator designation, policy notification, and complaint procedures.]
Title IX	A district shall not provide any course or otherwise carry out any of its educational programs or activities separately on the basis of sex, or require or refuse participation therein on the basis of sex, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses. <i>34 C.F.R. 106.34</i> [See FFH for information on sexual harassment that may constitute discrimination on the basis of sex under Title IX.]
Separate Facilities	A district may provide separate toilet, locker room, and shower facilities on the basis of sex, but the facilities provided for one sex shall be comparable to the facilities provided for the other sex. <i>34 C.F.R. 106.33</i>
Human Sexuality Classes	Portions of classes in elementary and secondary school that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

A student or parent may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any student or parent for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If a student or parent fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the student's or parent's absence.

Response

At Levels One, Two, and Three, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are post-marked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by the student or parent to represent the student or parent in the complaint process. A student may be represented by an adult at any level of the complaint.

The student or parent may designate a representative through written notice to the District at any level of this process. If the student or parent designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student or parent shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student or parent, at any point during the complaint process. The student or parent may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms Complaints and appeals under this policy shall be submitted in writing on a form provided by the District. Forms may be obtained from the District's legal office.

Copies of any documents that support the complaint should be attached to the complaint form. If the student or parent does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student or parent unless the student or parent did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refileing is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Three following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the principal to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level Two decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline. If the appeal notice is untimely, not on the District's form, or incomplete in any material or substantial way, the Superintendent, after consultation with the Board President, may dismiss the complaint and provide written notice of dismissal to the complainant.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two appeal to the Level Three administrator. The student or parent may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The Level Three administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One and Level Two and identified in the Level Three appeal notice. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level Two decision. The Level Three administrator may set reasonable time limits for the conference.

The Level Three administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Three administrator may consider the Level One and Level Two records, information provided at the Level Three conference, and any other relevant documents or information the Level Three administrator believes will help resolve the complaint.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

Level Four

If the student or parent did not receive the relief requested at Level Three or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Three response or, if no response was received, within ten days of the Level Three response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Three appeal. The student or parent may request a copy of the Level Three record.

The Level Three record shall include:

1. The Level One record.
2. The Level Two record.
3. The notice of appeal from Level Two to Level Three.
4. The written response issued at Level Three and any attachments.
5. All other documents relied upon by the administration in reaching the Level Three decision.

The appeal shall be limited to the issues and documents considered at Level Three, except that if at the Level Four hearing, the administration intends to rely on evidence not included in the Level Three record, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the student or parent or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.

Student Code of Conduct

The District's rules of discipline are maintained in the Board-adopted Student Code of Conduct and are established to support an environment conducive to teaching and learning.

Rules of conduct and discipline shall not have the effect of discriminating on the basis of gender, race, color, disability, religion, ethnicity, sexual orientation, or national origin.

At the beginning of the school year and throughout the school year as necessary, the Student Code of Conduct shall be:

1. Posted and prominently displayed at each campus or made available for review in the principal's office, as required by law; and
2. Made available on the District's website and/or as a hard copy to students, parents, teachers, administrators, and others on request.

Revisions

Revisions to the Student Code of Conduct approved by the Board during the year shall be made available promptly to students and parents, teachers, administrators, and others.

Extracurricular Standards of Behavior

With the approval of the principal and Superintendent, sponsors and coaches of extracurricular activities may develop and enforce standards of behavior that are higher than the District-developed Student Code of Conduct and may condition membership or participation in the activity on adherence to those standards. Extracurricular standards of behavior may take into consideration conduct that occurs at any time, on or off school property. Extracurricular standards of behavior shall not have the effect of discrimination on the basis of gender, race, color, disability, religion, ethnicity, sexual orientation, or national origin.

A student shall be informed of any extracurricular behavior standards at the beginning of each school year or when the student first begins participation in the activity. A student and his or her parent shall sign and return to the sponsor or coach a statement that they have read the extracurricular behavior standards and consent to them as a condition of participation in the activity.

Standards of behavior for an extracurricular activity are independent of the Student Code of Conduct. Violations of these standards of behavior that are also violations of the Student Code of Conduct may result in independent disciplinary actions.

A student may be removed from participation in extracurricular activities or may be excluded from school honors for violation of extracurricular standards of behavior for an activity or for violation of the Student Code of Conduct.

“Parent” Defined

Throughout the Student Code of Conduct and discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the child.

General Discipline Guidelines

A District employee shall adhere to the following general guidelines when imposing discipline:

1. A student shall be disciplined when necessary to improve the student’s behavior, to maintain order, or to protect other students, school employees, or property.
2. A student shall be treated fairly and equitably. Discipline shall be based on an assessment of the circumstances of each case. Factors to consider shall include:
 - a. The seriousness of the offense;
 - b. The student’s age;
 - c. The frequency of misconduct;
 - d. The student’s attitude;
 - e. The potential effect of the misconduct on the school environment;
 - f. Requirements of Chapter 37 of the Education Code; and
 - g. The Student Code of Conduct adopted by the Board.
3. Before a student under 18 is assigned to detention outside regular school hours, notice shall be given to the student’s parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Corporal Punishment

The Board prohibits the use of corporal punishment in the District. Students shall not be spanked, paddled, or subjected to other physical force as a means of discipline for violations of the Student Code of Conduct.

Physical Restraint

Note: A District employee may restrain a student with a disability who receives special education services only in accordance with law. [See FOF(LEGAL)]

Within the scope of an employee’s duties, a District employee may physically restrain a student if the employee reasonably believes restraint is necessary in order to:

1. Protect a person, including the person using physical restraint, from physical injury.

2. Obtain possession of a weapon or other dangerous object.
3. Protect property from serious damage.
4. Remove a student refusing a lawful command of a school employee from a specific location, including a classroom or other school property, in order to restore order or to impose disciplinary measures.

Video Monitoring

Video recording equipment shall be used for safety purposes to monitor student behavior on District property.

The District shall post signs notifying students and parents about the District's use of video recording equipment. Students shall not be notified when the equipment is turned on.

Use of Recordings

The principal shall review recordings as needed, and evidence of student misconduct shall be documented. A student found to be in violation of the District's Student Code of Conduct shall be subject to appropriate discipline.

Access to Recordings

Recordings shall remain in the custody of the campus principal and shall be maintained as required by law. A parent or student who wishes to view a recording in response to disciplinary action taken against the student may request such access under the procedures set out by law. [See FL(LEGAL)]

**Students with
Disabilities Under
Section 504**

A district shall conduct an evaluation in accordance with 34 C.F.R. 104.35(b) before taking any action with respect to any significant change in placement of a student with a disability who needs or is believed to need special education and related services. *34 C.F.R. 104.35(a)*

A district may take disciplinary action pertaining to the use or possession of illegal drugs or alcohol against any student with a disability who is currently engaging in the illegal use of drugs or in the use of alcohol to the same extent that the district would take disciplinary action against nondisabled students. The due process procedures afforded under Section 504 do not apply to such disciplinary action. *29 U.S.C. 705(20)(C)(iv)*

Note: The provisions below apply only to students eligible for special education and related services under the Individuals with Disabilities Education Act (IDEA).

**Students Receiving
Special Education
Services**

All disciplinary actions regarding students with disabilities must be determined in accordance with 34 C.F.R. 300.101(a) and 300.530–300.536; Education Code Chapter 37, Subchapter A; and 19 Administrative Code 89.1053 (Procedures for Use of Restraint and Time-Out). *19 TAC 89.1050(k)*

ARD Committee
Required

Except as set forth below, the placement of a student with a disability who receives special education services may be made only by a duly constituted admission, review, and dismissal (ARD) committee. Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations. *Education Code 37.004(a)–(b)*

The methods adopted in the Student Code of Conduct [see FO] for discipline management and for preventing and intervening in student discipline problems must provide that a student who is enrolled in the special education program may not be disciplined for bullying, harassment, or making hit lists until an ARD committee meeting has been held to review the conduct. *Education Code 37.001(b-1)*

DAEP Placement
Not Solely for
Educational
Purposes

A student with a disability who receives special education services may not be placed in a disciplinary alternative education program (DAEP) solely for educational purposes. A teacher in a DAEP who has a special education assignment must hold an appropriate certificate or permit for that assignment. *Education Code 37.004(c)–(d)*

Services During
Removal

A district is required to provide services during the period of removal if the district provides services to a child without disabilities who is similarly removed. *34 C.F.R. 300.530(d)*

**Subsequent
Removals of Ten
Days or Less**

School personnel may remove the student for additional removals of not more than ten consecutive school days in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change in placement (see below). *34 C.F.R. 300.530(b)(1)*

Services During
Removal

After a student has been removed from his or her current placement for ten school days in the same school year, during any subsequent removal of ten consecutive school days or less, school personnel, in consultation with at least one of the student's teachers, shall determine the extent to which services are needed so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's individualized education program (IEP). *20 U.S.C. 1415(k)(1)(D); 34 C.F.R. 300.530(d)(4)*

Notice of
Procedural
Safeguards

Not later than the date on which the decision to take the disciplinary action is made, a district shall notify the student's parents of the decision and of all procedural safeguards [see EHBAE]. *20 U.S.C. 1415(k)(1)(H)*

**Removals That Are a
Change in Placement**

Any disciplinary action that would constitute a change in placement may be taken only after the student's ARD committee conducts a manifestation determination review.

Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations, including laws or regulations requiring the provision of functional behavioral assessments; positive behavioral interventions, strategies, and supports; behavioral intervention plans; and the manifestation determination review [see Manifestation Determination, below].

Education Code 37.004(b)

Behavior
Assessment and
Intervention

If a district takes a disciplinary action regarding a student with a disability who receives special education services that constitutes a change in placement under federal law, the district shall:

1. Not later than the tenth school day after the change in placement:

- a. Seek consent from the student's parent or person standing in parental relation to the student to conduct a functional behavioral assessment of the student, if a functional behavioral assessment has never been conducted on the student or the student's most recent functional behavioral assessment is more than one year old; and
 - b. Review any previously conducted functional behavioral assessment of the student and any behavior improvement plan or behavioral intervention plan developed for the student based on that assessment; and
2. As necessary, develop a behavior improvement plan or behavioral intervention plan for the student if the student does not have a plan or, if the student has a behavior improvement plan or behavioral intervention plan, revise the student's plan.

Education Code 37.004(b-1); 19 TAC 89.1050(k)

Change in
Placement

For purposes of disciplinary removal of a student with a disability, a change in placement occurs if a student is:

1. Removed from the student's current educational placement for more than ten consecutive school days; or
2. Subjected to a series of removals that constitute a pattern because:
 - a. The series of removals total more than ten school days in a school year;
 - b. The student's behavior is substantially similar to the student's behavior in the previous incidents that resulted in the series of removals; and
 - c. Additional factors exist, such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

The district determines, on a case-by-case basis, whether a pattern of removals constitutes a change in placement. The district's determination is subject to review through due process and judicial proceedings.

34 C.F.R. 300.536

School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a student who violates a code of student conduct. *20 U.S.C. 1415(k)(1)(A)*

Manifestation
Determination

Within ten school days of any decision to change the placement of a student because of a violation of a code of student conduct, a district, parents, and relevant members of the ARD committee (as determined by the parent and the district) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents to determine whether the conduct in question was:

1. Caused by, or had a direct and substantial relationship to, the student's disability; or
2. The direct result of the district's failure to implement the IEP.

If the district, the parent, and relevant members of the ARD committee determine that either of the above is applicable, the conduct shall be determined to be a manifestation of the student's disability.

If the district, the parent, and relevant members of the ARD committee determine the conduct was the direct result of the district's failure to implement the IEP, the district must take immediate steps to remedy those deficiencies.

20 U.S.C. 1415(k)(1)(E); 34 C.F.R. 300.530(e)

Not a Manifestation

If the determination is that the student's behavior was not a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to the student in the same manner and for the same duration as for students without disabilities. The ARD committee shall determine the interim alternative educational setting. *20 U.S.C. 1415(k)(1)(C), (k)(2); 34 C.F.R. 300.530(c)*

Expulsion

In a county with a juvenile justice alternative education program (JJAEP) [see FODA], a district must invite the administrator of the JJAEP or the administrator's designee to an ARD committee meeting convened to discuss the discretionary expulsion under Education Code 37.007 of a student with a disability. The district must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. A copy of the student's current IEP must be provided to the JJAEP representative with the notice. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP representative may participate in the meeting to the extent that the meeting relates to the student's placement in the JJAEP and implementation of the student's current IEP in the JJAEP. *19 TAC 89.1052*

*Services During
Removal*

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(1)–(2)

For a student with a disability who was expelled under a discretionary expulsion under Education Code 37.007, an ARD committee meeting must be convened to reconsider placement of the student in the JJAEP if the JJAEP provides written notice to the district of specific concerns that the student's education or behavioral needs cannot be met in JJAEP.

The district must invite the JJAEP administrator or the administrator's designee to the meeting and must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP may participate in the meeting to the extent that the meeting relates to the student's continued placement in JJAEP.

19 TAC 89.1052

Manifestation

If the district, the parents, and relevant members of the ARD committee determine that the conduct was a manifestation of the student's disability, the ARD committee shall:

1. Conduct a functional behavioral assessment (FBA), unless the district had conducted an FBA before the behavior that resulted in the change in placement occurred, and implement a behavioral intervention plan (BIP) for the student; or
2. If a BIP has already been developed, review the BIP and modify it, as necessary, to address the behavior.

Except as provided at Special Circumstances, below, the ARD committee shall return the student to the placement from which the

student was removed, unless the parent and the district agree to a change in placement as part of the modification of the BIP.

20 U.S.C. 1415(k)(1)(F); 34 C.F.R. 300.530(f)

**Special
Circumstances**

School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability, if the student:

1. Carries or possesses a weapon to or at school, on school premises, or to or at a school function under the jurisdiction of the Texas Education Agency (TEA) or a school district;
2. Knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school, on school premises, or at a school function under the jurisdiction of TEA or a school district; or
3. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of TEA or the district.

The ARD committee shall determine the interim alternative education setting. *20 U.S.C. 1415(k)(2)*

**Services During
Removal**

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(1)

A parent who disagrees with a placement decision or the manifestation determination may request a hearing. A district that believes that maintaining a current placement of a student is substantially likely to result in injury to the student or others may request a hearing. *20 U.S.C. 1415(k)(3)(A); 34 C.F.R. 300.532(a); 19 TAC 89.1151 [See EHBAE]*

However, if a request is made for an evaluation during the time period in which the student is subjected to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

It is the policy of the state to treat all students with dignity and respect, including students with disabilities who receive special education services. Any behavior management technique and/or discipline management practice must be implemented in such a way as to protect the health and safety of the student and others. No discipline management practice may be calculated to inflict injury, cause harm, demean, or deprive the student of basic human necessities. *Education Code 37.0021(a); 19 TAC 89.1053(j)*

[For restrictions on aversive techniques, see FO.]

**Rules on Restraint
and Seclusion**

The commissioner by rule shall adopt procedures for the use of restraint and time-out by a district employee or volunteer or an independent contractor of a district in the case of a student with a disability receiving special education services. The procedures must be consistent with Education Code 37.0021(d). *Education Code 37.0021(d)*

Education Code 37.0021(b)(4), (g); 19 TAC 89.1053(l), (m)

Further, Education Code 37.0021 does not prevent a student’s locked, unattended confinement in an emergency situation while awaiting the arrival of law enforcement personnel if:

1. The student possesses a weapon; and
2. The confinement is necessary to prevent the student from causing bodily harm to the student or another person.

For these purposes, “weapon” includes any weapon described under Education Code 37.007(a)(1). [See FNCG]

Education Code 37.0021(f)

“Restraint” means the use of physical force or a mechanical device to significantly restrict the free movement of all or a portion of a student’s body. *19 TAC 89.1053(b)(2)*

The following provisions do not apply to the use of physical force or a mechanical device that does not significantly restrict the free movement of all or a portion of the student’s body. Restraint that involves significant restriction as referenced above does not include:

1. Physical contact or appropriately prescribed adaptive equipment to promote normative body positioning and/or physical functioning;
2. Limited physical contact with a student to promote safety (e.g., holding a student’s hand), prevent a potentially harmful action (e.g., running into the street), teach a skill, redirect attention, provide guidance to a location, or provide comfort;
3. Limited physical contact or appropriately prescribed adaptive equipment to prevent a student from engaging in ongoing, repetitive self-injurious behaviors, with the expectation that instruction will be reflected in the IEP as required by 34 C.F.R. 300.324(a)(2)(i) to promote student learning and reduce and/or prevent the need for ongoing intervention; or
4. Seat belts and other safety equipment used to secure students during transportation.

19 TAC 89.1053(f)

*Limitations on
Use of Restraint*

A school employee, volunteer, or independent contractor may use restraint only in an emergency and with the following limitations:

1. Restraint shall be limited to the use of such reasonable force as is necessary to address the emergency.
2. Restraint shall be discontinued at the point at which the emergency no longer exists.
3. Restraint shall be implemented in such a way as to protect the health and safety of the student and others.
4. Restraint shall not deprive the student of basic human necessities.

19 TAC 89.1053(c)

Emergency

“Emergency” means a situation in which a student’s behavior poses a threat of:

2. Imminent, serious property destruction.

19 TAC 89.1053(b)(1)

Training

Training for school employees, volunteers, or independent contractors regarding the use of restraint shall be provided according to the requirements set forth at 19 Administrative Code 89.1053(d).

Documentation

In a case in which restraint is used, school employees, volunteers, or independent contractors shall implement the documentation and notification requirements set forth at 19 Administrative Code 89.1053(e).

A district shall report electronically to TEA, in accordance with standards provided by commissioner rule, information relating to the use of restraint by a peace officer performing law enforcement duties on school property or during a school-sponsored or school-related activity. The report must be consistent with the requirements adopted by commissioner rule for reporting the use of restraint involving students with disabilities.

Education Code 37.0021(i)

Time-Out

“Time-out” means a behavior management technique in which, to provide a student with an opportunity to regain self-control, the student is separated from other students for a limited period in a setting:

1. That is not locked; and
2. From which the exit is not physically blocked by furniture, a closed door held shut from the outside, or another inanimate object.

19 TAC 89.1053(b)(3)

*Limitations on
Use of Time-Out*

A school employee, volunteer, or independent contractor may use time-out with the following limitations:

1. Physical force or threat of physical force shall not be used to place a student in time-out.
2. Time-out may only be used in conjunction with an array of positive behavior intervention strategies and techniques and must be included in the student’s IEP and/or behavior improvement plan or behavioral intervention plan if it is utilized on a recurrent basis to increase or decrease targeted behavior.

3. Use of time-out shall not be implemented in a fashion that precludes the ability of the student to be involved in and progress in the general curriculum and advance appropriately toward attaining the annual goals specified in the student's IEP.

19 TAC 89.1053(g)

Training

Training for school employees, volunteers, or independent contractors regarding the use of time-out shall be provided according to the requirements set forth at 19 Administrative Code 89.1053(h).

Documentation

Necessary documentation or data collection regarding the use of time-out, if any, must be addressed in the IEP and/or behavior improvement plan or behavioral intervention plan. If a student has a behavior improvement plan or behavioral intervention plan, the district must document each use of time-out prompted by a behavior of the student specified in the student's behavior improvement plan or behavioral intervention plan, including a description of the behavior that prompted the time-out. The ARD committee must use any collected data to judge the effectiveness of the intervention and provide a basis for making determinations regarding its continued use.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, using, or recording leave shall mean the number of hours per day equivalent to the employee’s usual assignment, whether full-time or part-time.

School Year

A “school year” for purposes of earning, using, or recording leave shall mean the term of the employee’s annual employment as set by the District for the employee’s usual assignment, whether full-time or part-time.

Catastrophic Illness
or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

State Leave Proration

If an employee separates from employment with the District before his or her last duty day of the school year or begins employment after the first duty day of the school year, state personal leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family;

3. The employee requests FMLA leave for the employee's serious health condition; a serious health condition of the employee's spouse, parent, or child; or for military caregiver leave.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used.

Nondiscretionary Use

Nondiscretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Nondiscretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use

Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

*Request for
Leave*

In deciding whether to approve or deny a request for discretionary use of state personal leave, the supervisor shall not seek or consider the reasons for which an employee requests to use leave. The supervisor shall, however, consider the duration of the requested absence in conjunction with the effect of the employee's absence on the educational program and District operations, as well as the availability of substitutes.

Local Leave

Each professional employee hired prior to the 1988–1989 school year shall earn ten paid local leave days per school year in accordance with administrative regulations.

Each employee in any other position shall earn five paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate to a maximum of 50 leave days.

Local leave shall be used according to the terms and conditions of state personal leave. [See State Personal Leave, above]

**Catastrophic Sick
Leave Bank**

The District shall establish a catastrophic sick leave bank that employees may join through contribution of local leave.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request leave from the bank if the employee or the employee's spouse or child experiences a catastrophic illness or injury and has exhausted all paid leave and any applicable compensatory time.

A request for catastrophic sick leave must be accompanied by medical certification of the illness or injury.

The Superintendent shall develop regulations for the operation of the catastrophic sick leave bank that address the following:

1. Membership in the catastrophic sick leave bank, including the number of days an employee must contribute to become a member;
2. Procedures to request leave from the catastrophic sick leave bank;
3. The maximum number of days per school year a member employee may receive from the catastrophic sick leave bank;
4. The administrator authorized to consider requests for leave from the catastrophic sick leave bank and criteria for granting requests; and
5. Other procedures deemed necessary for the operation of the catastrophic sick leave bank.

The District shall require the employee to use temporary disability leave and paid leave, including any compensatory time, concurrently with FMLA leave.

**Workers'
Compensation**

Note: Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance.

The District shall not permit the option for paid leave offset in conjunction with workers' compensation income benefits. [See CRE]

The employee's eligibility for reasonable accommodations, as required by the Americans with Disabilities Act [see DAA(LEGAL)], shall be considered before termination. If terminated, the employee may apply for reemployment with the District.

An employee whose concerns are resolved may withdraw a formal complaint at any time.</p> <p>The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.</p>
Freedom from Retaliation	Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint.
Whistleblower Complaints	<p>Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent or designee beginning at Level Two. Response	<p>At Levels One, Two, and Three, “response” shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the employee’s e-mail address of record, or sent by U.S. Mail to the employee’s mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.</p>
Days	<p>“Days” shall mean District business days, unless otherwise noted. In calculating time lines under this policy, the day a document is filed is “day zero.” The following business day is “day one.”</p>
Representative	<p>“Representative” shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process.</p> <p>The employee may designate a representative through written notice to the District at any level of this process. The representative may participate in person or other arrangement as agreed to by the District. If the employee designates a representative with fewer than three days’ notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District’s counsel. The District may be represented by counsel at any level of the process.</p>

Untimely Filings	<p>All time limits shall be strictly followed unless modified by mutual written consent.</p> <p>If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.</p>
Costs Incurred	<p>Each party shall pay its own costs incurred in the course of the complaint, including copies.</p>

Complaint and
Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint shall be attached to the complaint form. If the employee does not have access to these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refileing is within the designated time for filing.

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within ten days following the con-

ference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Level Two administrator to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level Two decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two appeal to the Level Three administrator. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The Level Three conference shall be an informal conference. The conference may be recorded. The purpose of the Level Three conference is to determine if any administrative resolution is available that the complainant and the administration can agree upon absent further appeal. If a resolution is agreed upon, then the appeal is concluded.

Absent extenuating circumstances, the Level Three administrator shall provide the individual a written response within ten days following the conference.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

Level Four

If the employee did not receive the relief requested at Level Three or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Three response or, if no response was received, within ten days of the Level Three response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the lower level appeals. The employee may request a copy of the Level Three record.

The Level Three record shall include:

1. The Level One record.
2. The Level Two record.
3. The notice of appeal from Level Two to Level Three.
4. The written response issued at Level Three and any attachments.
5. All other documents relied upon by the administration in reaching the Level Three decision.

The appeal shall be limited to the issues and documents considered at Level Three, except that if at the Level Four hearing the administration intends to rely on evidence not included in the Level Three record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next

regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.

Specific rank in class shall not appear on any student's academic achievement record (transcript).

For the purpose of applications to institutions of higher education, the District shall provide students ranked in the top ten percent a certification of class rank containing the student's numerical rank in class. Note: This policy addresses discrimination, including harassment, and retaliation against District students. For provisions regarding discrimination, including harassment, and retaliation against District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Note that FFH shall be used in conjunction with FFI (bullying) for certain prohibited conduct.

Prohibited Conduct In this policy, the term “prohibited conduct” includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Prohibited conduct also includes sexual harassment as defined by Title IX. [See FFH(LEGAL)]

Statement of Nondiscrimination The District prohibits discrimination, including harassment, against any student. Discrimination is defined as treating a student or group of students differently from similarly situated students on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. One type of harassment this policy prohibits is dating violence, as defined below. Retaliation against anyone exercising their rights under this policy is a violation of District policy and is prohibited.

Harassment Harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student’s race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
3. Otherwise adversely affects the student’s educational opportunities.

Harassment includes dating violence as defined by law and this policy.

**Title IX Sexual
Harassment**

As required by law, the District shall follow the procedures below at Response to Title IX Sexual Harassment upon a report of sex-based harassment, including sexual harassment, gender-based harassment, and dating violence, when such allegations, if proved, would meet the definition of sexual harassment in an education program or activity and against a person in the United States under Title IX. [See FFH(LEGAL)]

**Other Sexual
Harassment**

By an Employee

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or other inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

By Others

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

Gender-Based Harassment

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

District Investigation	<p>The investigation may be conducted by the District official or a designee, such as the principal, or by a third party designated by the District, such as an attorney. When appropriate, the principal shall be involved in or informed of the investigation.</p> <p>The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.</p>
Criminal Investigation	<p>If a law enforcement or regulatory agency notifies the District that a criminal or regulatory investigation has been initiated, the District shall confer with the agency to determine if the District investigation would impede the criminal or regulatory investigation. The District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has finished gathering its evidence, the District shall promptly resume its investigation.</p>
Concluding the Investigation	<p>Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.</p> <p>The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.</p>

Confidentiality	To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.
Appeal	A student or parent who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student or parent has the right to file a complaint with the United States Department of Education Office for Civil Rights.
Response to Title IX Sexual Harassment	For purposes of the District's response to reports of harassment prohibited by Title IX, definitions can be found in FFH(LEGAL).
General Response	<p>When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:</p> <ul style="list-style-type: none">• Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;• Consider the complainant's wishes with respect to supportive measures; and• Explain to the complainant the option and process for filing a formal complaint. <p>The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.</p>

If a formal complaint is not filed or dismissed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and the Student Code of Conduct. The Title IX coordinator also reserves the right to sign a formal complaint, initiating the Title IX grievance process, if it would be deliberately indifferent not to investigate and respond to the prohibited conduct in accordance with Board policies and the Student Code of Conduct.

Title IX Formal
Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;
6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a

dismissal of a Title IX formal complaint or any allegations therein;

9. A description of the supportive measures available to the complainant and respondent;
10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and
12. Other local procedures as determined by the Superintendent.

Standard of Evidence

The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retaliation under this policy also includes retaliation against a student who refuses to participate in any manner in an investigation under Title IX. In the absence of a formal complaint, allegations of retaliation shall be investigated under Investigation of Reports Other Than Title IX, above.

Examples

Examples of retaliation may include threats, intimidation, coercion, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action in accordance with law.

Records Retention

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records control schedules, but for no less than the minimum amount of time required by law. [See CPC]

[For Title IX recordkeeping and retention provisions, see FFH(LEGAL) and the District's Title IX formal complaint process.]

**Access to Policy and
Procedures**

Information regarding this policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and readily available at each campus and the District's administrative offices.

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint Processes

Student or parent complaints shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with FNG after the relevant complaint process:

Notice to Students and Parents

The District shall inform students and parents of this policy through appropriate District publications.

Guiding Principles

Informal Process

The Board encourages students and parents to discuss their concerns with the appropriate teacher, principal, or other campus administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

A student or parent may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any student or parent for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are post-marked by U.S. Mail on or before the deadline.</p>

level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and
Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District. Forms may be obtained from the District's legal office.

Copies of any documents that support the complaint shall be attached to the complaint form. If the student or parent does not have access to these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student or parent unless the student or parent did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Three following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following

the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the principal to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level Two decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline. If the appeal notice is untimely, not on the District's form, or incomplete in any material or substantial way, the Superintendent, after consultation with the Board President, may dismiss the complaint and provide written notice of dismissal to the complainant.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two appeal to the Level Three administrator. The student or parent may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Three response or, if no response was received, within ten days of the Level Three response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Three appeal. The student or parent may request a copy of the Level Three record.

The Level Three record shall include:

1. The Level One record.
2. The Level Two record.
3. The notice of appeal from Level Two to Level Three.
4. The written response issued at Level Three and any attachments.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the student or parent or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.
