

*Leaf Art Tutorials*

The background is a dark charcoal grey. It is decorated with several autumn-themed elements: a green leaf in the top left, an orange leaf below it, a yellow leaf in the top right, and a pinkish-red leaf in the top right corner. There are also two sprigs of berries, one in the bottom left and one in the bottom right, with berries in shades of yellow, orange, and red. Scattered throughout the background are small, glowing yellow and pink dots.

# Marker Prints

Gather your supplies:  
Aluminum foil, any brand  
washable markers and a  
leaf.

Color in your aluminum foil with the markers of your choice. Your coloring can be random.

Mist your leaf with water.  
I used a spray bottle.

Place your damp leaf on top of your colored foil and press it down by tapping your fingers on it. The leaf will absorb the color from the foil.
