

**ARLINGTON INDEPENDENT SCHOOL DISTRICT
2020 - 2021
Procedure for Securing Off-Campus Physical Education Credit**

1. All students interested in obtaining Off-Campus Physical Education credit will be directed to their counselor.
2. The counselor will explain the two categories of Off-Campus Physical Education and give the student an Application for Off-Campus Physical Education.
3. The completed application should be returned to the counselor.
4. The counselor will then review the application with the principal and obtain the principal's signature on the application.
5. The counselor will forward the application to the Athletic Department office for final approval. After final approval, the application will be returned to the counselor. ***Applications must receive final approval prior to the 1st week of each semester. No application will be accepted after the third week of each semester.***
6. Upon receipt of the approved application, the counselor will send the "provider-of-services packet" to the coach or organization providing the Off-Campus Physical Education services. The provider will finalize the process by returning the Acknowledgement of Responsibilities Statement to the counselor.
7. The counselor or principal designee will review the log and grade sheet each six weeks to verify that the student is meeting the AISD requirements for attendance and hours prior to entering the grade.

Off-Campus Physical Education Service Provider Application**

The Arlington Independent School District has agreed to consider physical activity offered at your site for credit in physical education if AISD guidelines are met. A visit to your site may be necessary during the school year.

Enclosed are copies of forms for recording attendance and grades for students at your site. Please make copies so that you will have the forms available for each six-week grading period. Also enclosed is a list of schools and addresses. The grade and participation log forms should be mailed, emailed, or hand delivered by your organization to the Counseling Office at the school where each student attends. Students should under no circumstances deliver their grade reports to the Counseling Office. The following guidelines are to be used in completing the forms:

- A student must be in attendance 90% of the stipulated hours, with no more than five (5) unexcused absences per semester. **The student will not receive credit if these requirements are not met.**
- A Participation Log and Grade Reporting form must be completed and verified by your business or organization for each six weeks.
- The Grade Reporting form and Participation Log must be mailed, emailed, or hand delivered by your organization to the Counseling Office for each six-week grading period. **The student will not receive credit if you fail to meet this requirement. Grades must be received by the due dates noted on the Grade Reporting Form or students will not receive credit.**
- Due to Grade Report schedules and Report Card deadlines, grades must be received by the counseling office no later than the 6-week grade report dates as specified on the Off-Campus Physical Education Participation Log and Grade Reporting Form.
