

Rebuilding Schools

EARLY VOTING Oct. 21 - Nov. 1, 2019
ELECTION DAY November 5, 2019

Bond 2019 would fund the replacement of four schools with an average age of 61:

- Carter Junior High (1958)
- Berry Elementary (1955)
- Thornton Elementary (1956)
- Webb Elementary (1960)

Why replace?

- The cost to replace the buildings is less than the cost to renovate them for the types of learning spaces needed today.
- Though safe, the buildings are no longer efficient to operate.
- New schools will provide modern learning spaces for students and staff.
