Internet Resources

Tarrant Cares

An online information service for individuals, families, caregivers and agencies. This one resource will provide you with countless solutions for issues your family may be facing. You can also create personal health records.

<http://www.tarrantcares.org/>

Autism Speaks

The mission of the Autism Speaks Family Services Committee is to empower families and individuals impacted by autism to make informed decisions that maximize the quality of life and development potential of affected individuals throughout the lifespan.

<http://www.autismspeaks.org/>

Texas Statewide Leadership for Autism Training

Provides a mechanism to access training, technical assistance, support, and resources for educators who serve students with autism.

<http://www.txautism.net/>

Ohio Center for Autism and Low Incidence

The Autism Center at OCALI serves as a clearinghouse for information on research, resources, and trends to address the autism challenge.

<http://www.ocali.org/center/family>

The Indiana Resource Center for Autism

Focuses on providing communities, organizations, agencies, and families with the knowledge and skills to support children and adults in typical early intervention, school, community, work, and home settings.

<https://www.iidc.indiana.edu/irca/index.html>

Texas Autism Research and Resource Center (TARRC)

Created by House Bill (HB) 1574 (81st Texas Legislature, Regular Session, 2009) in response to needs expressed by the autism community. The Center's primary purpose is to coordinate resources for individuals with autism spectrum disorder (ASD) and their families.
