Overview

Update 119 includes policy recommendations to address the remainder of the legislative changes from the 87th Legislature, Regular Session; other revisions resulting from legislation enacted during the special sessions; and revisions based on updates to the Texas Administrative Code. Recommended changes to local policies address the following topics:

- Records management
- Required staff development
- Required instruction
- Gifted and talent students
- Graduation
- Trauma-informed care
- Freedom from discrimination, harassment, and retaliation

Your Localized Update 119 packet also contains:

- **Explanatory Notes** describing the changes to each policy. Please note that, where appropriate, the Explanatory Notes ask you to verify that a particular policy reflects current district practice and to advise us of any changes needed so that our records and the district's policy manual accurately track the district's practice. Explanatory notes may also provide important information about policies not included in the update packet.
- **Instructions** for incorporating this update into each of the district's Localized Policy Manuals after board adoption. Use the enclosed Instruction Sheet as a guide to which policies should be added, replaced, and removed from your manual.

Local Policy Overview for Update 119

The *Local Policy Overview* provides a general, high-level overview of the changes to the (LOCAL) policies included in TASB updates. Presented in both video and written document formats, the *Local Policy Overview* is available on myTASB in [Policy Manual Update Resources](#).³ From there, you may forward it electronically or print the written document for distribution to staff and board members.

Legal Services Update Memo

TASB Legal Services' [Legal Issues in Update 119 memo](#)⁴ (available in the myTASB Policy Service Resource Library under Policy Manual Update Resources) describes common legal concerns specific to the local policies recommended in this update for your consideration prior to board adoption of any local policies. Local policies will not be sent for a separate review by Legal Services as part of the update process. If after reviewing the memo you have questions about any specific provisions in your local policies, please contact TASB Legal Services at 800-580-5345.

(LEGAL) vs. (LOCAL) Policies: Remember the Difference

(LEGAL) policies:

- Reflect the ever-changing legal context for governance and management of the district
- Should inform local decision making
- Should NOT be adopted, but only reviewed

(LOCAL) policies:

- Require close attention by both the administration and the board
- Must reflect the practices of the district and the intentions of the board
- May only be changed by board action (adopt, revise, or repeal)

If your board adopts changes to the (LOCAL) policies contained in this packet, please notify your policy consultant.

How to Place Policy Changes on the Agenda for Board Action

TASB recommends that the district address this update on the agenda as follows:

“Policy Update 119:

- *(LEGAL) policies*
- *(LOCAL) policies (see attached list of codes)”*

(LEGAL) policies: Although the board should not adopt (LEGAL) policies, TASB recommends that the board review them. Since review of the (LEGAL) policies may result in discussion, the agenda should, at a minimum, reference “(LEGAL) policies.” If board members plan on discussing specific (LEGAL) policy changes, the relevant policy codes, titles, and subtitles should be listed on the agenda.

(LOCAL) policies: Board action on the (LOCAL) policies included in the update must occur within a properly posted, open meeting of the board.

- Include the “Agenda Posting” list, provided online in Local Manual Updates, on the agenda.
- A suggested motion for board action on the (LOCAL) policies included in the update:

“I move that the board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 119 [with the following changes:]”

How to Notify Policy Service of Board Action

Notify Policy Service of the board’s action on Update 119 so our records remain accurate. Go to [Local Manual Updates](#)⁵ in myTASB and click the “notify TASB” link. Then fill out and submit the electronic Adoption Notification Form for TASB-Initiated Updates.

How to Keep Minutes

The board's action on Localized Update 119 must be reflected in board minutes. Your minutes should include:

- The list of proposed (LOCAL) policy actions, such as the Instruction Sheet—annotated to reflect any changes made by the board
- The Explanatory Notes for the update (filed as an attachment to the minutes)
- Copies of new, replaced, or rescinded (LOCAL) policies

How to Maintain Your Historical Record

To construct a separate historical record of the manual, you must track the history of individual (LOCAL) policies. You should maintain a permanent historical record of every (LOCAL) policy adopted, revised, or rescinded by the board.

At a minimum, this record should include the following key pieces of information:

- Policy code
- Date of board action
- Text of policy

For more guidance on maintaining this record, please refer to [The Administrator's Guide to Policy Management](#),⁶ available in the myTASB Policy Service Resource Library.

How to Keep Your Administrative Regulations Current

[Regulations Resource Manual](#)⁷ Update 65, which includes revisions to model regulations and forms corresponding with Update 119, is now available on myTASB.

Inspect your district's administrative procedures and documents—including (EXHIBIT)s, (REGULATION)s, handbooks, and guides—that may be affected by Update 119 policy changes.

If you must make changes to the (REGULATION)s or (EXHIBIT)s contained in your board policy manual, please notify your policy consultant.

Please note: SB 1267 requires SBEC to publish the clearinghouse by June 1, 2022, and districts to adopt a professional development policy by August 1, 2022. The commissioner shall design the website to ensure that public information is made available to the public, and information submitted by districts noted as confidential is not made available to the public.

A request for public information under this provision shall be submitted to the district that provides the agency with the information. TEA may not release information submitted by a district that is noted as confidential information.

Education Code 11.1516

Note: If the district is subject to a court order or other binding legal determination, the district shall conduct its elections in accordance with that court order or determination, applicable law, and this policy. To the extent of any conflict, the court order or other legal determination shall prevail. [See BBB(LOCAL)]

Membership

The board consists of the number of members that the district had on September 1, 1995. *Education Code 11.051(b)*

Increase in
Membership

A board that has three or five members may by resolution increase the membership to seven. A board that votes to increase its membership must consider whether the district would benefit from also adopting a single-member election system under Education Code 11.052. [See Single-Member Districts, below.]

A resolution increasing the number of trustees takes effect with the second regular election of trustees that occurs after the adoption of the resolution. The resolution must provide for a transition in the number of trustees so that when the transition is complete, trustees are elected as provided by Education Code 11.059 (terms).

Education Code 11.051(c)

Terms

A trustee of a district serves a term of three or four years.

Elections for trustees with three-year terms shall be held annually. The terms of one-third of the trustees, or as near to one-third as possible, expire each year.

Elections for trustees with four-year terms shall be held biennially. The terms of one-half of the trustees, or as near to one-half as possible, expire every two years.

Board policy must state the schedule on which specific terms expire.

Education Code 11.059

**Uniform Election
Dates**

Each general or special election of board members shall be on one of the following dates:

1. The first Saturday in May.

1. The election for the members of the governing body of a municipality located in the district;
2. The general election for state and county officers, which is held on the first Tuesday after the first Monday in November in even-numbered years under Election Code 41.002;
3. The election for the members of the governing body of a hospital district, if the school district:
 - a. Is wholly or partly located in a county with a population of less than 40,000 that is adjacent to a county with a population of more than three million; and
 - b. Held its election for board members jointly with the election for the members of the governing body of the hospital district before May 2007; or
4. The election for the members of the governing board of a public junior college district in which the school district is wholly or partly located.

Elections held on the same date as provided above shall be held as a joint election under Election Code Chapter 271, and the voters shall be served by common polling places consistent with Election Code 271.003(b).

Education Code 11.0581(a)–(c)

A board may enter into an agreement with another political subdivision holding an election on the same day in all or part of the same county to hold the elections jointly. The terms of a joint election agreement must be stated in an order, resolution, or other official action adopted by the board. *Election Code 271.002*

**Methods of
Election—Options**

At Large

In a district in which the positions of trustees are not designated by number or in which the trustees are not elected from single-member trustee districts, the candidates receiving the highest number of votes shall fill the positions the terms of which are normally expiring. *Education Code 11.057(b)*

Position or Place

The positions on the board shall be designated by number in any district in which the board by resolution orders that all candidates for trustee be voted on and elected separately for positions on the board and that all candidates be designated on the official ballot

according to the number of the positions for which they seek election.

Not later than the 60th day before the date of an election, the board must make the resolution and number the positions on the board in the order in which the terms of office expire. Once a board has ordered the election of trustees by numbered positions, neither the board nor their successors may rescind the action.

Education Code 11.058(c)–(f)

Single-Member
Districts

*On Board's
Motion*

Except as provided below, the board, on its own motion, may order that trustees of the district are to be elected from single-member districts or that not fewer than 70 percent of the members of the board are to be elected from single-member districts with the remaining board members to be elected from the district at large.

If a majority of the area of a district is located in a county with a population of less than 10,000, a board, on its own motion, may order that trustees of the district are to be elected from single-member districts or that not fewer than 50 percent of the members of the board are to be elected from single-member districts with the remaining board members to be elected from the district at large.

Before adopting an order, a board must:

1. Hold a public hearing at which registered voters of a district are given an opportunity to comment on whether or not they favor the election of trustees in the manner proposed by the board; and
2. Publish notice of the hearing in a newspaper that has general circulation in the district, not later than the seventh day before the date of the hearing.

An order adopted by the board must be entered not later than the 120th day before the date of the first election at which all or some of the trustees are elected from single-member districts authorized by the order.

Education Code 11.052(a)–(d)

By Voter Petition

If at least 15 percent or 15,000 of the registered voters of the district, whichever is less, sign and present to the board a petition requesting submission to the voters of the proposition that trustees be elected in a specific manner, which must be generally described on the petition and which must be a manner of election the board could have ordered on its own motion, the board shall order that the appropriate proposition be placed on the ballot at the first regular election of trustees held after the 120th day after the date the

petition is submitted to the board. The proposition must specify the number of trustees to be elected from single-member districts. Beginning with the first regular election of trustees held after an election at which a majority of the registered voters voting approve the proposition, trustees shall be elected in the manner prescribed by the approved proposition. *Education Code 11.052(e)*

*Board Member
Districts*

If single-member districts are adopted or approved by either method described above, the board shall divide the district into the appropriate number of trustee districts, based on the number of members that are to be elected from single-member districts, and shall number each trustee district. The trustee districts must be compact and contiguous and must be as nearly as practicable of equal population. In a district with 150,000 or more students in average daily attendance, the boundary of a trustee district shall not cross a county election precinct boundary except at a point at which the district boundary crosses the county election precinct boundary. Trustee districts must be drawn not later than the 90th day before the date of the first election of trustees from those districts. *Education Code 11.052(f)*

*Residency for
First Election*

Residents of each trustee district are entitled to elect one trustee to the board. A trustee elected to represent a trustee district at the first election of members must be a resident of the district the trustee represents not later than the 90th day after the date election returns are canvassed, or the 60th day after the date of a final judgment in an election contest filed concerning that trustee district. A trustee vacates the office if the trustee fails to move into the district the trustee represents within the time provided. [For more information on residency, see BBA and BBC.] *Education Code 11.052(g)*

*Number and
Term*

At the first election at which some or all of the trustees are elected from single-member trustee districts and after each redistricting, all positions on a board shall be filled. The trustees then elected shall draw lots for staggered terms as provided by Education Code 11.059 (terms). *Education Code 11.052(h)*

Redistricting

Not later than the 90th day before the date of the first regular board election at which trustees may officially recognize and act on the last preceding federal census, a board shall redivide a district into the appropriate number of trustee districts if the census data indicates that the population of the most populous district exceeds the population of the least populous district by more than ten percent. Redivision of a district shall be in the manner provided above at Board Member Districts. *Education Code 11.052(i)*

Phase-in Option

The board of a district that adopts a redistricting plan may provide for the trustees in office when the plan is adopted or the district is

redistricted to serve for the remainder of their terms in accordance with this provision. The trustee district and any at-large positions provided by the district's plan shall be filled as the staggered terms of trustees then in office expire. Not later than the 90th day before the date of the first election from trustee districts and after each re-districting, a board shall determine the order in which the positions will be filled. *Education Code 11.053*

**Boundary Change
Notice**

A district that changes its boundaries or the boundaries of districts used to elect members to the board shall not later than the 30th day after the date the change is adopted:

1. Notify the voter registrar of the county in which the area subject to the boundary change is located of the adopted boundary change; and

**Methods of Voting—
Options**

Plurality

Except as otherwise provided at Majority, below, to be elected to a public office, a candidate elected at large, at large by position, or by single-member districts must receive more votes than any other candidate for the office. *Education Code 11.057(a), (b); Election Code 2.001*

Cumulative

The board of a district that elects its trustees at large or at large by position may order that elections for trustees be held using the cumulative voting procedure.

If a board adopts an order requiring the use of cumulative voting, only the board member positions that were scheduled to be filled at the election are filled through the use of cumulative voting.

At an election at which more than one board member position is to be filled, all of the positions that are to be filled at the election shall be voted on as one race by all the voters of a district. Each voter is entitled to cast a number of votes equal to the number of positions to be filled at the election.

A voter may cast one or more of the specified number of votes for any one or more candidates in any combination. Only whole votes may be cast and counted. If a voter casts more than the number of votes to which the voter is entitled in the election, none of the voter's votes may be counted in that election. If a voter casts fewer votes than entitled, all of the voter's votes are counted in that election.

The candidates who are elected are those, in the number to be elected, receiving the highest number of votes.

A district that adopts an order requiring the use of cumulative voting may not elect its members by position as provided by Education Code 11.058.

Education Code 11.054

Majority

The board of a district in which the positions of trustees are designated by number or in which the trustees are elected from single-member districts may provide by resolution, not later than the 180th day before the date of an election, that a candidate must receive a majority of the votes cast for a position or in a trustee district, as applicable, to be elected.

The resolution is effective until rescinded by a subsequent resolution adopted not later than the 180th day before the date of the first election to which the rescission applies.

Education Code 11.057(c)

Note: If the district is subject to a court order or other binding legal determination, the district shall conduct its elections in accordance with that court order or determination, applicable law, and this policy. To the extent of any conflict, the court order or other legal determination shall prevail. [See BBB(LOCAL)]

Required Meeting Records

Minutes or Recording

A board shall prepare and keep minutes or make a recording of each open meeting. The minutes must state the subject matter of each deliberation and indicate each vote, order, decision, or other action taken. *Gov't Code 551.021*

Board Member Attendance

The minutes, certified agenda, or recording, as applicable, of a regular or special meeting of the board must reflect each member's attendance at or absence from the meeting. *Education Code 11.0621*

Availability

The minutes and recordings of an open meeting are public records and shall be available for public inspection and copying on request to the superintendent or designee. *Gov't Code 551.022; Education Code 11.0621*

Note: For website posting requirements regarding the record of a board meeting, see CQA.

Notice Required

A board shall give written notice of the date, hour, place, and subject of each meeting held by the board. *Gov't Code 551.041*

Continued Meeting

Government Code 551.041, above, does not require a board that recesses an open meeting to the following regular business day to post notice of the continued meeting if the action is taken in good faith and not to circumvent Government Code Chapter 551. If an open meeting is continued to the following regular business day and, on that following day, the board continues the meeting to another day, the board must give the required written notice of the meeting continued to that other day. *Gov't Code 551.0411(a)*

Inquiry During Meeting

If, at a meeting of a board, a member of the public or of the board inquires about a subject for which notice has not been given, the notice provisions do not apply to a statement of specific factual information given in response to the inquiry or a recitation of existing policy in response to the inquiry. Any deliberation of or decision about the subject of the inquiry shall be limited to a proposal to place the subject on the agenda for a subsequent meeting. *Gov't Code 551.042*

Time and Accessibility of Notice

The notice of a meeting of a board must be posted in a place readily accessible to the general public at all times for at least 72 hours before the scheduled time of the meeting, except as provided at Emergency Meeting or Emergency Addition to Agenda, below. A district shall post notice of each meeting on a bulletin board at a place convenient to the public in the central administrative office of the district. *Gov't Code 551.043(a), .051*

If a district is required to post notice of a meeting on the internet:

1. The district satisfies the requirement that the notice must be posted in a place readily accessible to the general public at all times by making a good-faith attempt to continuously post the notice on the internet during the prescribed period;
2. The district must still comply with any duty imposed by Government Code Chapter 551 to physically post the notice at a particular location; and
3. If the district makes a good-faith attempt to continuously post the notice on the internet during the prescribed period, the notice physically posted must be readily accessible to the general public during normal business hours.

Gov't Code 551.043(b)

Internet Posting—
Notice

If a district maintains an internet website, in addition to the other place at which notice is required to be posted, a board must also concurrently post notice of a meeting on the internet website.

A district that contains all or part of the area within the corporate boundaries of a municipality with a population of 48,000 or more must also concurrently post the agenda for the board meeting on the district's internet website.

The validity of a posted notice of a meeting or an agenda by a board subject to these provisions that made a good-faith attempt to comply with these requirements is not affected by a failure to comply that is due to a technical problem beyond the control of the district.

Gov't Code 551.056

[See CQA for other website posting requirements.]

**Specificity of
Agenda/Notice**

Agendas for all meetings must be sufficiently specific to inform the public of the subjects to be discussed at the meeting, setting out any special matters to be considered or any matter in which the public has a particular interest. *Cox Enterprises, Inc. v. A board may not deliberate or take action on a matter at a meeting for which notice or supplemental notice is posted as described above other than:

1. A matter directly related to responding to the emergency or urgent public necessity identified in the notice or supplemental notice of the meeting; or
2. An agenda item listed on a notice of the meeting before the supplemental notice was posted.

Exemptions

Homestead

Mandatory

An adult is entitled to exemption from taxation by a district of \$25,000 of the appraised value of the adult's residence homestead, as defined by Tax Code 11.13(j), except that only \$5,000 of the exemption applies to an entity operating under former Education Code Chapters 17, 18, 25, 26, 27, or 28, as those chapters existed on May 1, 1995, as permitted by Education Code 11.301. *Tax Code 11.13(b)*

Persons 65 or Older or Disabled

In addition to the mandatory exemption above, an adult who is disabled, as defined by Tax Code 11.13(m)(1), or 65 or older is entitled to an exemption of \$10,000 of the appraised value of the individual's residence homestead. *Tax Code 11.13(c)*

Tax Limitation

A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. *Tax Code 11.26(a)*

Improvements

If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. *Tax Code 11.26(b)*

Exception

An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. *Tax Code 11.26(o)*

AD VALOREM TAXES
EXEMPTIONS AND PAYMENTS

CCGA
(LEGAL)

Portability of Tax Limitation	If an individual who receives a tax limitation, including a surviving spouse, discussed below, subsequently qualifies a different residence homestead for the same exemption, a district may not impose ad valorem taxes on the subsequently qualified homestead in a year in an amount that exceeds the amount of taxes calculated in accordance with Tax Code 11.26(g). <i>Tax Code 11.26(g)</i>
Surviving Spouse	If an individual who qualifies for the exemption at Persons 65 or Older or Disabled, above, dies, the surviving spouse of the individual is entitled to the limitation applicable to the residence homestead of the individual if the surviving spouse is 55 years of age or older when the individual dies, and the residence homestead of the individual is the residence homestead of the surviving spouse on the date that the individual dies and remains the residence homestead of the surviving spouse. <i>Tax Code 11.26(i)</i>
<i>Local Options</i> All Taxpayers	In addition to other exemptions in Tax Code 11.13, an individual is entitled to an exemption from taxation by a district of a percentage of the appraised value of the individual's residence homestead if the exemption is adopted by the board before July 1 in the manner provided by law for official action by the board. If the percentage set by the district produces an exemption in a tax year of less than \$5,000 when applied to a particular residence homestead, the individual is entitled to an exemption of \$5,000 of the appraised value. The percentage adopted by the district may not exceed 20 percent. <i>Tax Code 11.13(n)</i>
Disabled or 65 or Older	An individual who is disabled or 65 or older is entitled to an exemption from taxation by a district of a portion of the appraised value of the individual's residence homestead if the exemption is adopted either by the board or by a favorable vote of a majority of the qualified voters of the district at an election called by the board, and the board shall call the election on the petition of at least 20 percent of the number of qualified voters who voted in the preceding election of the district.
<i>Amount</i>	The amount of an exemption adopted as provided at Disabled or 65 or Older is \$3,000 of the appraised value of the residence homestead unless a larger amount is specified by the board if the board authorizes the exemption or the petition for the election if the exemption is authorized through an election. Once authorized, an exemption adopted may be repealed or decreased or increased in amount by the board or by the petition and election procedure. In the case of a decrease, the amount of the exemption may not be reduced to less than \$3,000 of the market value. <i>Tax Code 11.13(d)–(f)</i>

<i>Continuation of Exemption during Construction</i>	If a qualified residential structure for which the owner receives a homestead exemption under Tax Code 11.13 is rendered uninhabitable or unusable by a casualty or by wind or water damage, the owner may continue to receive the exemption for the structure and the land and improvements used in the residential occupancy of the structure while the owner constructs a replacement qualified residential structure on the land in accordance with Tax Code 11.135. <i>Tax Code 11.135(a), .26(n); 34 TAC 9.416</i>

Exemption

A person is entitled to an exemption from taxation of the appraised value of that portion of the person's property that consists of goods-in-transit, as defined in Tax Code 11.253(a)(2). *Tax Code 11.253(b)*

The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the board proposes to tax goods-in-transit. Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). If the board provides for the taxation of the goods-in-transit as provided by this provision, the exemption stated above does not apply to that district. The goods-in-transit remain subject to taxation by the district until the board, by official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-

transit in a tax year that begins on or after January 1, 2012, unless the board takes official action on or after October 1, 2011, to provide for the taxation of the goods-in-transit.

Exception

If a board, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the district, the district tax officials may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

Bidding*

Except to the extent prohibited by other law and to the extent consistent with Education Code Chapter 44, Subchapter B, a district may use competitive bidding to select a vendor as authorized by Education Code 44.031(a)(1).

A district shall award a competitively bid contract at the bid amount to the bidder offering the best value for the district. In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria. The selection criteria may include the factors listed in Education Code 44.031(b) [see Contract Selection Factors, below].

Except as provided below, Local Government Code Chapter 271, Subchapter B (Competitive Bidding on Certain Public Works Contracts) does not apply to a competitive bidding process under this policy.

Local Government Code Sections 271.026 (Opening of Bids), 271.027(a) (Award of Contract), and 271.0275 (Safety Record of Bidder Considered) apply to a competitive bidding process under Education Code Chapter 44, Subchapter B. [See CVA for these requirements.]

*Competitive
Sealed Proposals*

In selecting a vendor through competitive sealed proposals as authorized by Education Code 44.031(a)(2), a district shall follow the procedures prescribed below.

Request for
Proposals

The district shall prepare a request for competitive sealed proposals that includes information that vendors may require to respond to the request. The district shall state in the request for proposals the selection criteria that will be used in selecting the successful offeror.

Opening
Proposals

The district shall receive, publicly open, and read aloud the names of the offerors and, if any are required to be stated, all prices stated in each proposal. Not later than the 45th day after the date on which the proposals are opened, the district shall evaluate and rank each proposal submitted in relation to the published selection criteria.

Selection

The district shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation. The district shall first attempt to negotiate a contract with the selected offeror. The district may discuss with the selected

offeror options for a scope or time modification and any price change associated with the modification. If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall, formally and in writing, end negotiations with that offeror and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.

In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria.

Education Code 44.0352

*Interlocal
Contracts*

“Interlocal contract” means a contract or agreement made under Government Code Chapter 791 (Interlocal Cooperation Act). A district may contract or agree with another local government or a federally recognized Indian tribe, as listed by the U.S. secretary of the interior under 25 U.S.C. 479a-1, whose reservation is located within the boundaries of this state to perform governmental functions and services in accordance with Government Code Chapter 791. A district may agree with another local government and with the state or a state agency, including the comptroller, to purchase goods and services. *Gov’t Code 791.003(2), .011(a), .025(a)*

An interlocal contract must:

1. Be authorized by the governing body of each party to the contract;
2. State the purpose, terms, rights, and duties of the contracting parties; and
3. Specify that each party paying for the performance of governmental functions or services must make those payments from current revenues available to the paying party.

An interlocal contractual payment must be in an amount that fairly compensates the performing party for the services or functions performed under the contract. An interlocal contract may be renewed. Notwithstanding item 2 above, an interlocal contract may have a specified term of years.

Gov’t Code 791.011(d)–(f), (i)

A district may agree with another local government, including a nonprofit corporation that is created and operated to provide one or more governmental functions and services, or with the state or a state agency, including the comptroller, to purchase goods and any services reasonably required for the installation, operation, or

maintenance of the goods. This provision does not apply to services provided by firefighters, police officers, or emergency medical personnel. *Gov't Code 791.025(b)*

A district that purchases goods and services under Government Code 791.025 satisfies the requirement to seek competitive bids for the purchase of the goods and services. *Gov't Code 791.025(c); Atty. Gen. Op. JC-37 (1999)*

Reverse Auction

“Reverse auction procedure” means:

1. A real-time bidding process usually lasting less than one hour and taking place at a previously scheduled time and internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services; or
2. A bidding process usually lasting less than two weeks and taking place during a previously scheduled period and at a previously scheduled internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services.

Gov't Code 2155.062(d)

Site-Based
Purchasing

If a purchase is made at the campus level in a district with a student enrollment of 180,000 or more that has formally adopted a site-based decision-making plan under Education Code Subchapter F, Chapter 11 [see BQ series], that delegates purchasing decisions to the campus level, Education Code 44.031 applies only to the campus and does not require the district to aggregate and jointly award purchasing contracts. A district that adopts site-based purchasing under this provision shall adopt a policy to ensure that campus purchases achieve the best value to the district and are not intended or used to avoid the requirement that a district aggregate purchases under Education Code 44.031(a). *Education Code 44.031(m)*

**Contract Selection

2. The reputation of the vendor and of the vendor's goods or services.
3. The quality of the vendor's goods or services.
4. The extent to which the goods or services meet the district's needs.
5. The vendor's past relationship with the district.
6. The impact on the ability of the district to comply with laws and rules relating to historically underutilized businesses.
7. The total long-term cost to the district to acquire the vendor's goods or services.
8. For a contract for goods and services, other than goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent company or majority owner has its principal place of business in this state or employs at least 500 persons in this state.
9. Any other relevant factor specifically listed in the request for bids or proposals.

Education Code 44.031(b)

This provision does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. Section 153. *Education Code 44.031(b-1)*

The factors listed above are the only criteria that may be considered by a district in its decision to award a contract. *R.G.V. Vending v. Weslaco Indep. Sch. Dist.*, 995 S.W.2d 897 (Tex. App.—Corpus Christi 1999, no pet.)

Preferences
*Agricultural
Products*

A district that purchases agricultural products shall give preference to those produced, processed, or grown in Texas if the cost to the district is equal and the quality is equal. If agricultural products produced, processed, or grown in Texas are not equal in cost and quality to other products, the district shall give preference to agricultural products produced, processed, or grown in other states of the United States, if the cost and quality of the U.S. and foreign products are equal.

“Agricultural products” includes textiles and other similar products.

“Processed” means canning, freezing, drying, juicing, preserving, or any other act that changes the form of a good from its natural state to another form.

A district may not adopt product purchasing specifications that unnecessarily exclude agricultural products produced, processed, or grown in Texas.

Preferences will be applied in accordance with state procurement statutes and rules. *30 TAC 328.203*

Subchapter K of 30 Administrative Code (Governmental Entity Recycling and Purchasing of Recycled Materials) does not apply to a district with a student enrollment of less than 10,000 students. *30 TAC 328.204(a)*

A district regularly shall review and revise its procurement procedures and specifications for the purchase of goods, supplies, equipment, and materials in order to:

1. Eliminate procedures and specifications that explicitly discriminate against products made of recycled materials;
2. Encourage the use of products made of recycled materials; and

Notice of the time by when and place where the bids or proposals, or the responses to a request for qualifications, will be received and opened shall be published in the county in which the district's central administrative office is located, once a week for at least two weeks before the deadline for receiving bids, proposals, or responses to a request for qualifications. If there is not a newspaper in that county, the advertising shall be published in a newspaper in the county nearest the county seat of the county in which a district's central administrative office is located. In a two-step procurement process, the time and place where the second-step bids, proposals, or responses will be received are not required to be published separately. *Education Code 44.031(g)*

Electronic Bids or Proposals

A district may receive bids or proposals under Education Code Chapter 44 through electronic transmission if the board adopts rules to ensure the identification, security, and confidentiality of electronic bids or proposals and to ensure that the electronic bids or proposals remain effectively unopened until the proper time.

Notwithstanding any other provision of Education Code Chapter 44, an electronic bid or proposal is not required to be sealed. A provision of Education Code Chapter 44 that applies to a sealed bid or proposal applies to a bid or proposal received through electronic transmission in accordance with the rules adopted by the board.

Education Code 44.043

**Contract with Person
Indebted to District**

The board by resolution may establish regulations permitting the district to refuse to enter into a contract or other transaction with a person indebted to the district. “Person” includes an individual, sole proprietorship, corporation, nonprofit corporation, partnership, joint venture, limited liability company, and any other entity that proposes or otherwise seeks to enter into a contract or other transaction with the district requiring approval by the board.

Education Code 44.044

Out-of-State Bidders

A district may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the greater of the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in the state in which the nonresident’s principal place of business is located, or the state in which a majority of the manufacturing relating to the contract will be performed. *Gov’t Code 2252.002*

This requirement does not apply to a contract involving federal funds. A district shall use the information published by the comptroller under Government Code 2252.003 (Publication of Other State’s Laws on Contracts) to evaluate the bid of a nonresident bidder. A district may rely on information published under Government Code 2252.003 to meet the requirements of Government Code 2252.002. *Gov’t Code 2252.003–.004*

Any school facility project consisting of new construction, major renovation, or minor renovation for which construction services are procured under Government Code Chapter 2269, in accordance with Education Code 44.031(a)(5). *19 TAC 61.1040(a)(4)* [See CV]

Implementation

The school facilities standards established in section 61.1040 shall apply to a capital improvement project for which at least one of the following has occurred on or after November 1, 2021:

1. A board adopts a fiscal year maintenance and operations budget where a capital improvement project title and a design or design and construction budget are delineated;
2. A board calls a bond election where one or more capital improvement project titles and design or design and construction budgets are delineated; or
3. A new contract or amendment to an existing contract for architectural services for new construction or a major renovation project or a contract for engineering services for a major renovation or minor renovation has been agreed to and signed and dated by both parties to the agreement.

19 TAC 61.1040(c)(1)

A district shall consider implementing the safety and security standards under section 61.1040(k) for any safety and security upgrades to an existing instructional facility that does not require compliance with section 61.1040. *19 TAC 61.1040(c)(4)*

*Option for
Actions Taken
Before
November 1,
2021*

A board may elect to treat a capital improvement project, for which an action listed above was taken prior to November 1, 2021, under standards established in 19 Administrative Code 61.1036, below, or under the standards established in section 61.1040. If an election to comply with section 61.1040 is made by a board, the district and architect may mutually agree that the contract for design services may be adjusted and then must signify in writing that the project will become subject to the facilities standards established in section 61.1040 through an affirmative indication on the required

Educational
Adequacy
*Long-Range
Facility Plan*

A district shall ensure that a capital improvement project subject to section 61.1040 complies with the requirements and standards as follows.

Elements

The long-range facility plan shall include all of the following elements that apply to the facility and project and must also be updated prior to commencement of construction to include the access control document required in section 61.1040(k)(1)(B):

1. Existing and proposed instructional programs at the project campus, including special education, dual language, course offerings, and partnerships;
2. The age and condition of all buildings and systems at the project campus;
3. History of completed capital improvement projects at the facility;
4. Site evaluation of the project campus, including, but not limited to, overall site; shape; useable land; suitability for intended use as well as planned improvements; adequate vehicular, pedestrian, and emergency access; queueing; parking; and site amenities;
5. The district's educational specifications;
6. The district's enrollment projections, maximum student enrollment of the facility, and the facility's maximum instructional capacity, if applicable; and
7. The noncompliance, partial compliance, or full compliance with each of the safety and security standards required in section 61.1040(k).

Process

The process of developing the long-range facility plan shall consider input from teachers, students, parents, taxpayers, and other district stakeholders.

Compliance The requirement for a long-range facility plan is met when a district completes the long-range facility plan, presents it to the board, and makes it available to the prime design professional for a capital improvement project. The long-range facility plan expires after five years from the date of the final plan presented to the board and must be updated prior to commencement of a subsequent capital improvement project. A long-range facility plan developed as part of a district-wide long-range facilities plan may be used to satisfy this requirement.

19 TAC 61.1040(d)(1)

Educational Specifications A district shall ensure that a project for new construction and major renovation subject to section 61.1040 complies with the requirements and standards as follows.

Elements Educational specifications are a written document prepared by the district and approved by the board and shall include all of the following:

1. The district mission, vision, goals, and pedagogy;
2. Preliminary details related to facility type, grades served, and maximum student enrollment;
3. Pertinent provisions of the multi-hazard emergency operations plan that may inform the functionality of the built environment, including how the district complies with Education Code 37.108 [see CKC];
4. A written statement that includes:
 - a. Inclusive design goals and considerations supported by the district; and
 - b. How inclusive design should be addressed in new and renovated facility designs;
5. Minimum total square footage required to comply with the quantitative method of compliance; and
6. Innovative teaching or operational practices intended for implementation at the instructional facility that may lead to the use of the qualitative method of compliance.

Schedule An educational specification shall be created for each campus type. If the design and construction of a new campus or major renovation of an existing campus differs substantially from an educational specification that exists for the same campus type, a separate educational specification must be developed. Educational specifications shall be initiated upon the first proposed project of its

type and must be completed prior to initiating the planning or programming phase of a project. Each educational specification must be updated after five years from the date of approval.

Compliance

The requirement for educational specifications is met when a district delivers the approved document to the architect.

19 TAC 61.1040(d)(2)

Exceptions

A district is exempt from the requirements of section 61.1040(d) (Educational Adequacy):

1. If a school facility experiences catastrophic damage and the board approves a capital improvement project in accordance with Education Code 44.0312(c) (delegation of contracting authority); or
2. In a situation deemed urgent by action of the board that warrants immediate action because, if left unresolved, it would impair the conduct of classes.

19 TAC 61.1040(d)(3)

Administration

Section 61.1040(e) establishes standards for the administration and procurements of design professional services and other professional services and for the administration of competitive bids and contracting requirements for construction services. A district shall comply with requirements in section 61.1040(e) and with all applicable requirements, restrictions, and responsibilities established in state law, administrative code, or by a local authority having jurisdiction.

A district shall comply with the administrative and procedural requirements established in section 61.1040(e) and with the standards established in section 61.1040(j) to promote construction quality and best value for a capital improvement project subject to section 61.1040.

A standard in section 61.1040 that incorporates by reference a key statutory provision or administrative rule is established as a compliance requirement for a district seeking to procure, obtain a competitive bid, or administer a contract for construction services, construction-related services, design professional services, or any other professional service required for a capital improvement project. The requirements establish a method by which a district shall demonstrate compliance with the requirements in section 61.1040(e) and with the construction quality standards and construction code requirements in section 61.1040(j). Any express reference to, or omission of, an applicable statutory provision in section 61.1040(e) may not be construed to diminish, alter, or abate a

provision of law applicable to a district or to a district capital improvement project subject to section 61.1040.

19 TAC 61.1040(e)(1)

*District
Requirements
and
Responsibilities*

In addition to the provisions below, district requirements and responsibilities are set out in section 61.1040(e)(2).

*Procurement
Transparency*

In accordance with Education Code 46.003(g), the board and voters of a district shall determine district needs concerning construction, acquisition, renovation, or improvement to instructional facilities. District funding is entrusted to the district by the taxpayers, and a district must ensure procurement processes and procedures are transparent and provide the best value to the district by complying with applicable laws governing procurement of professional design services and construction services [see CV] and with the standards established in section 61.1040(e) to promote construction quality. *19 TAC 61.1040(e)(2)(A)*

*Superintendent's
Duties*

In accordance with Education Code 11.201, a superintendent shall oversee and ensure compliance with the standards for school facilities established in section 61.1040 and shall ensure board consideration for any action specified as being required to be made by the board, whether by statute, board rule, or other applicable requirement. *19 TAC 61.1040(e)(2)(B)*

*Requirements for
Other Services*

Requirements for construction services, design professional services, and third-party consultants are set out in section 61.1040(e)(3)–(5).

*Certification of
Compliance with
Standards*

A district, design professional, contractor, and prime subcontractors, if applicable, shall certify compliance with all applicable standards required in section 61.1040(d), (g)–(k) as required by section 61.1040(f). *19 TAC 61.1040(f)(1)*

A district may use the qualitative method of compliance for a capital improvement project only if the board has prior documented approval of one or more instructional or operational practices for the proposed project that distributes or manages student capacity in an innovative or nontraditional manner. Prior to approving the qualitative method of compliance, all instructional and operational practices applicable to the proposed project must have been documented and approved by the board to demonstrate compliance with the requirements in section 61.1040(i). *19 TAC 61.1040(i)*

Construction Quality Standards

Construction Code Requirements

A capital improvement project for a school facility must reasonably comply with the following construction code requirements.

Projects located outside of a municipal jurisdiction in the unincorporated area of a county must reasonably comply with the requirements of section 61.1040(j)(1)(A).

A district shall develop a document that designates each exterior door of each instructional facility campus-wide as either primary, secondary, or nondesignated entrances and shall ensure that the documented designation of all exterior doors becomes part of the long-range facility plan prior to commencement of construction of a capital improvement project. *19 TAC 61.1040(k)(1)(B)*

Additional Standards Based on Budget

A district shall approve a project construction budget for a capital improvement project at completion of the design development phase of the project and prior to commencement of the construction documents phase. The project construction budget approved by the district shall determine how many of the additional safety and security standards established in section 61.1040(k)(3) are required for the project. A district shall designate in writing which of

the additional safety and security standards in section 61.1040(k)(3) have been approved by the board for a capital improvement project and shall provide to the prime design professional and each design professional of record written documentation of the approved safety and security standards for the proposed facility prior to commencement of the construction documents phase of a capital improvement project. The following standards shall apply to a capital improvement project for an instructional facility until all instructional facilities campus-wide fully comply with all of the additional safety and security standards specified in section 61.1040(k).

1. If a project construction budget is \$1 million to \$5 million, the facility is required to comply with at least one additional safety and security standard specified in section 61.1040(k)(3).
2. If a project construction budget is \$5 million to \$10 million, the facility is required to comply with at least two additional safety and security standards specified in section 61.1040(k)(3).

19 TAC 61.1040(k)(2)

Exceptions

A district may opt out of the requirements specified in section 61.1040(k)(2) if:

1. The facility is scheduled to, according to the long-range facilities plan, cease operations as an instructional facility within three years of the project; and
2. The five-year long-range facility plan clearly states that, prior to the end date of the plan, the facility will be compliant with at least two additional safety and security standards if ceasing operation does not occur or operation resumes. The long-range facility plan must specify which two additional safety and security standards will be implemented.

19 TAC 61.1040(k)(4)

Public Disclosure

A board shall ensure information or documents collected, developed, or produced by the district as part of a capital improvement project are reviewed to ensure that any project-specific safety and

security information is adjusted for disclosure if necessary to accommodate the requirement for a district to use protections provided in Education Code 37.108, which directs the district to protect sensitive information, while also providing general information to the public indicating district compliance commitments made in accordance with section 61.1040(k). *19 TAC 61.1040(k)(5)* [See CKC]

State Standards for Construction Before November 1, 2021

The requirements for school facility standards set out in 19 Administrative Code 61.1036 ("section 61.1036") shall apply to projects for new construction or major space renovations if:

1. A board adopts a fiscal year maintenance and operations budget where a capital improvement project title and a design or design and construction budget are delineated;

19 TAC 61.1036(b)

Definitions and Procedures

The words, terms, and procedures used in section 61.1036 shall have the meanings set out in section 61.1036(a) unless the context clearly indicates otherwise.

Certification of Design and Construction

In section 61.1036, "certify" indicates that the architect or engineer has reviewed the standards contained in 19 Administrative Code Chapter 61 and used the best professional judgment and reasonable care consistent with the practice of architecture or engineering in the state of Texas in executing the construction documents. The architect or engineer also certifies that these documents conform to the provisions of section 61.1036, except as indicated on the certification.

The district shall notify and obligate the architect or engineer to provide the required certification. The architect's or engineer's signature and seal on the construction documents shall certify compliance. To ensure that facilities have been designed and constructed according to the provisions of section 61.1036, each involved party shall execute responsibilities as set forth in section 61.1036(c)(3).

Natural Gas Piping Pressure Testing

A district shall perform biennial pressure tests on the natural gas piping system in a school facility before the beginning of the school year. A district with more than one facility may perform the testing on a two-year cycle under which the district pressure tests the natural gas piping system in approximately one-half of the facilities each year. If a district operates the facilities on a year-round calendar, the pressure test in each of those facilities must be conducted and reported not later than July 1 of the year in which the pressure test is performed.

A natural gas piping pressure test performed under a municipal code in compliance with Railroad Commission rules shall satisfy the pressure testing requirements.

Utilities Code 121.505(a)

A supplier shall develop procedures for terminating service to a district if the supplier:

1. Receives notification of a hazardous natural gas leak in the school facility piping system; or
2. Does not receive written notification from the district specifying the completion date and results of the testing.

16 TAC 8.230(b)(2)

Reporting Leaks

An identified natural gas leakage in a district facility must be reported to the board. The firm or individual conducting the natural gas piping pressure test shall immediately report any hazardous natural gas leak in a district facility to the board and the natural gas supplier. *Utilities Code 121.506; 16 TAC 8.230(c)(6)*

**LP-Gas Systems
Testing**

At least biennially, a district shall perform leakage tests on the LP-gas piping system in each district facility before the beginning of the school year. The district may perform the leakage tests on a

two-year cycle under which the tests are performed for the LP-gas piping systems of approximately half of the facilities each year. If a district operates one or more district facilities on a year-round calendar, the leakage test in each of those facilities must be conducted and reported not later than July 1 of the year in which the test is performed.

A test performed under a municipal code satisfies the testing requirements.

Natural Resources Code 113.352; 16 TAC 9.41

Requirements of
Test

A district shall perform the leakage test to determine whether the LP-gas piping system holds at least the amount of pressure specified by the Railroad Commission. The leakage test must be conducted in accordance with Railroad Commission rules at 16 Administrative Code 9.41. The leakage test shall be conducted by a person authorized under Railroad Commission rules. At a district's request, the Railroad Commission shall assist the district in providing for the certification of a district employee to conduct the test and in developing a procedure for conducting the test. *Natural Resources Code 113.353; 16 TAC 9.41(b)–(d)*

Notice

Before the introduction of any LP-gas into the LP-gas piping system, a district shall provide verification to its supplier that the piping has been tested.

Documentation

A district shall retain documentation specifying the date and the result of each leakage test or other inspection of each LP-gas piping system until at least the fifth anniversary of the date the test or other inspection was performed. The Railroad Commission may review a district's documentation of each leakage test or other inspection conducted by the district.

Natural Resources Code 113.354; 16 TAC 9.41(b)(3)–(4)

Termination of
Service

A supplier shall terminate service to a district facility if:

1. The supplier receives official notification from the district or the person conducting the test that there is leakage in a school LP-gas system;
2. The leakage test performed on a school LP-gas system was not performed as required; or
3. The supplier has not received a copy of the required form from the district verifying that the LP-gas system has been tested in accordance with 16 Administrative Code 9.41.

Natural Resources Code 113.355; 16 TAC 9.41(e)

Reporting Leaks An identified school LP-gas leakage in a school district facility shall be reported to the board. The district shall immediately remove the affected school district facility from LP-gas service until repairs are made and it passes a subsequent school LP-gas system leakage test. If a district employee performs the initial test, then the subsequent test may not be performed by a district employee. *Natural Resources Code 113.356; 16 TAC 9.41(b)(2)*

Definitions “School district facility” means each building or structure operated by a school district and equipped with a school LP-gas system in which students receive instruction or participate in school sponsored extracurricular activities, excluding maintenance or bus facilities, vehicle fueling facilities, administrative offices, and similar facilities not regularly used by students.

“School LP-gas system” means all piping, fittings, valves, regulators, appliance connectors, equipment, and connections supplying fuel gas from the outlet of the shutoff valve at each LP-gas storage container or upstream of each meter to the shutoff valve(s) on each appliance in a school district facility.

 - b. A list of any product transported in the segment of the pipeline that is within 1,000 feet of the school facility;
 - c. The designated emergency number for the pipeline facility operator;
 - d. Information on the state’s excavation one-call system; and
 - e. Information on how to recognize, report, and respond to a product release; and
2. Mail a copy of the requested items by certified mail, return receipt requested, to the superintendent of the district in which the school building or facility is located.

A pipeline operator or the operator's representative shall appear at a regularly scheduled board meeting to explain the above items if requested by the board or district.

The Railroad Commission may not require the release of parts of an emergency response plan that include security sensitive information, including maps or data. Security sensitive information shall be made available for review by but not provided to the board.

Contracts Valued at or Above \$50,000

Except as provided by Education Code Chapter 44, Subchapter B, all district contracts for the purchase of goods and services valued at \$50,000 or more in the aggregate for each 12-month period shall be made by the method, of the following methods, that provides the best value for a district [see also CH]:

1. An interlocal contract. *Education Code 44.031(a)(4)* [See CH]

Destruction*

For information on procurement options when school equipment, a facility, or personal property is destroyed or severely damaged as a result of an unforeseen catastrophe or emergency, under Education Code 44.031, see CH.

*Contracts
Requiring a Bond*

A reverse auction procedure may not be used to obtain services related to a public work contract for which a bond is required under Government Code 2253.021 [see Payment and Performance Bonds, below]. "Reverse auction procedure" has the meaning assigned by Government Code 2155.062 or a procedure similar to that described by Section 2155.062. *Gov't Code 2253.021(h)*

Notice Publication

A board shall advertise or publish notice of requests for bids, proposals, or qualifications in a manner prescribed by law.

For a contract entered into by a board under a method provided by Government Code 2269, the board shall publish notice of the time and place the bid or proposal or request for qualifications will be received and opened in a manner prescribed by law.

1. Any existing laws, including any criteria, related to historically underutilized businesses; and
2. Any existing laws, rules, or applicable municipal charters, including laws applicable to local governments, related to the use of women, minority, small, or disadvantaged businesses.

In determining the award of a contract, the district may consider:

1. The price.
2. The offeror's experience and reputation.
3. The quality of the offeror's goods or services.
4. The impact on the ability of the district to comply with rules relating to historically underutilized businesses.
5. The offeror's safety record.
6. The offeror's proposed personnel.
7. Whether the offeror's financial capability is appropriate to the size and scope of the project.
8. Any other relevant factor specifically listed in the request for bids, proposals, or qualifications.

Gov't Code 2269.055

**Using Method Other
Than Competitive
Bidding**

Determine Best
Value

The board that considers a construction contract using a method authorized by Government Code Chapter 2269 other than competitive bidding must, before advertising, determine which method provides the best value for the district.

Publish Criteria

The district shall base its selection among offerors on applicable criteria listed for the particular method used. The district shall publish in the request for proposals or qualifications:

1. The criteria that will be used to evaluate the offerors;

2. The applicable weighted value for each criterion; and
3. A detailed methodology for scoring each criterion.

Make Evaluations
Public

The district shall document the basis of its selection and shall make the evaluations public not later than the seventh day after the date the contract is awarded.

Gov't Code 2269.056

Submission

A person who submits a bid, proposal, or qualification to a governmental entity shall seal it before delivery. *Gov't Code 2269.059*

**Documents Related
to Evaluation and
Ranking**

An offeror who submits a bid, proposal, or response to a request for qualifications for a construction contract under Government Code Chapter 2269 may, after the contract is awarded, make a request in writing to the district to provide documents related to the evaluation of the offeror's submission.

Not later than the 30th day after the date a request is made, the district shall deliver to the offeror the documents relating to the evaluation of the submission including, if applicable, its ranking of the submission.

Gov't Code 2269.060

**Uniform General
Conditions for
Contracts**

After reviewing the uniform general conditions adopted by the Texas Facilities Commission under Government Code 2166.302, a school district may adopt uniform general conditions to be incorporated in all district building construction contracts. *Education Code 44.035*

Right to Work

While engaged in procuring goods or services, awarding a contract, or overseeing procurement or construction for a public work or public improvement under Government Code Chapter 2269, a district:

1. May not consider whether a person is a member of or has another relationship with any organization; and
2. Shall ensure that its bid specifications and any subsequent contract or other agreement do not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to an organization.

Gov't Code 2269.054

Collective
Bargaining

A district awarding a public work contract funded with state money, including the issuance of debt guaranteed by the state, may not:

1. Prohibit, require, discourage, or encourage a person bidding on the public work contract, including a contractor or subcontractor, from entering into or adhering to an agreement with a collective bargaining organization relating to the project; or
2. Discriminate against a person described by item 1 based on the person's involvement in the agreement, including the person's status or lack of status as a party to the agreement or willingness or refusal to enter into the agreement.

Gov't Code 2269.0541(a)

Out-of-State Bidders

For legal requirements regarding out-of-state bidders, see CH.

Change Orders

If a change in plans or specifications is necessary after the performance of a contract is begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the district may approve change orders making the changes. The district may grant general authority to an administrative official to approve the change orders.

The total contract price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants.

A contract with an original contract price of \$1 million or more may not be increased by more than 25 percent. If a change order for a contract with an original contract price of less than \$1 million increases the contract amount to \$1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

Education Code 44.0411

**Inspection,
Verification, and
Testing**

Independently of the contractor, construction manager-at-risk, or design-build firm, a district shall provide or contract for the construction materials engineering, testing, and inspection services and the verification testing services necessary for acceptance of the facility by the district. The district shall select the services for which it contracts in accordance with Government Code 2254.004.
Gov't Code 2269.058

Note: For additional requirements related to code compliance, including fees and contracts, see 19 Administrative Code 61.1040(e)(5).

Impact Fees

A district is not required to pay impact fees imposed under Local Government Code Chapter 395 unless the board consents to the

payment of the fees by entering a contract with the political subdivision that imposes the fees. The contract may contain terms the board considers advisable to provide for the payment of the fees.
Local Gov't Code 395.022

**Design
Professionals**

A district shall designate one design professional to be the prime design professional for a capital improvement project and shall contractually engage the prime design professional to review and coordinate the design of the project, allowing the prime design professional to rely on and contract for other design professionals where appropriate. *19 TAC 61.1040(a)(4), (e)(4)(D)*

A district shall require any design professional contractually engaged to procure professional design services from any other design professional as a subconsultant to select and subcontract the professional design services based on the qualification-based selection process established in Government Code Chapter 2254. [See Procuring Architectural or Engineering Services, below] *19 TAC 61.1040(e)(5)(B)*

**Architects and
Engineers**

An architect or engineer required to be selected or designated under Government Code Chapter 2269 has full responsibility for complying with Occupations Code Chapter 1051 or 1001, as applicable.

If the selected or designated architect or engineer is not a full-time employee of the district, the district shall select the architect or engineer on the basis of demonstrated competence and qualifications as provided by Government Code 2254.004 [see Procuring Professional Services, below].

Gov't Code 2269.057

**Registered
Architect**

An architectural plan or specification for any of the following may be prepared only by an architect:

1. A new building having construction costs exceeding \$100,000 that is to be:
 - a. Constructed and owned by a district; and
 - b. Used for education, assembly, or office occupancy; or
2. An alteration or addition having construction costs exceeding \$50,000 that:
 - a. Is to be made to an existing building that:
 - (1) Is owned by a district; and
 - (2) Is or will be used for education, assembly, or office occupancy; and

- b. Requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.

This provision does not prohibit an owner of a building from contracting with an architect or engineer as the prime design professional for a building construction, alteration, or addition project. Designation as the prime design professional does not expand the scope of practice of an architect or engineer beyond the scope of practice that the architect or engineer is authorized to practice under Occupations Code Chapter 1001 or 1051.

Occupations Code 1051.703; 22 TAC 1.212

*Registered
Engineer*

A district may not construct a public work involving engineering in which the public health, welfare, or safety is involved, unless:

1. The engineering plans, specifications, and estimates have been prepared by an engineer; and
2. The engineering construction is to be performed under the direct supervision of an engineer.

Occupations Code 1001.407

The following work is exempt from Occupations Code Chapter 1001 (Texas Engineering Practice Act):

1. A public work that involves electrical or mechanical engineering, if the contemplated expense for the completed project is \$8,000 or less; or
2. A public work that does not involve electrical or mechanical engineering, if the contemplated expense for the completed project is \$20,000 or less.

Occupations Code 1001.053

*Certification for
Purchases
Through
Purchasing
Cooperatives*

A district may not enter into a contract to purchase construction-related goods or services through a purchasing cooperative under Government Code Chapter 791 in an amount greater than \$50,000 unless a person designated by the district certifies in writing that:

1. The project for which the construction-related goods or services are being procured does not require the preparation of plans and specifications under Occupation Code Chapter 1001 or 1051; or
2. The plans and specifications required under Occupation Code Chapters 1001 and 1051 have been prepared.

“Purchasing cooperative” means a group purchasing organization that governmental entities join as members and the managing entity of which receives fees from members or vendors.

Gov’t Code 791.011(j) [See CH for more information on interlocal contracts and purchasing cooperatives.]

Procuring
Architectural or
Engineering
Services

Education Code 44.031 does not apply to a contract for professional services rendered, including the services of an architect. *Education Code 44.031(f)* [See CH for information on the Professional Services Procurement Act generally.]

In procuring architectural, engineering, or land-surveying services, a district shall:

1. First select the most highly qualified provider on the basis of demonstrated competence and qualifications; and
2. Then attempt to negotiate with that provider a contract at a fair and reasonable price.

If a satisfactory contract cannot be negotiated with the most highly qualified provider of architectural, engineering, or land-surveying services, a district shall formally end negotiations with that provider, select the next most highly qualified provider, and attempt to negotiate a contract with that provider at a fair and reasonable price. The district shall continue this process to select and negotiate with providers until a contract is entered into.

Gov’t Code 2254.004

An interlocal contract between a district and a purchasing cooperative may not be used to purchase engineering or architectural services. *Gov’t Code 791.011(h)*

Contracts for
Engineering or
Architectural
Services

Indemnification

A covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must indemnify or hold harmless the district against liability for damage, other than liability for damage to the extent that the damage is caused by or results from an act of negligence, intentional tort, intellectual property infringement, or failure to pay a subcontractor or supplier committed by the indemnitor or the indemnitor's agent, consultant under contract, or another entity over which the indemnitor exercises control.

Duty to Defend

Except as provided below, a covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which a district is a party is void and unenforceable if the

covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must defend a party, including a third party, against a claim based wholly or partly on the negligence of, fault of, or breach of contract by the district, the district's agent, the district's employee, or other entity, excluding the engineer or architect or that person's agent, employee, or subconsultant, over which the district exercises control. A covenant or promise may provide for the reimbursement of a district's reasonable attorney's fees in proportion to the engineer's or architect's liability.

*District as
Additional
Insured*

A district may require in a contract for engineering or architectural services to which the district is a party that the engineer or architect name the district as an additional insured under the engineer's or architect's general liability insurance policy and provide any defense provided by the policy.

Standard of Care

A contract for engineering or architectural services to which a district is a party must require a licensed engineer or registered architect to perform services:

1. With the professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license; and
2. As expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

In a contract for engineering or architectural services to which a district is a party, a provision establishing a different standard of care than a standard described above is void and unenforceable. If a contract contains a void and unenforceable provision, the standard of care described above applies.

Nothing in these provisions prohibits a district in a contract for engineering or architectural services to which the district is a party from including and enforcing conditions that relate to the scope, fees, and schedule of a project in the contract.

Local Gov't Code 271.904

**Payment and
Performance Bonds**

A district that makes a public work contract with a prime contractor shall require the contractor, before beginning the work, to execute to the district:

1. A performance bond if the contract is in excess of \$100,000; and
2. A payment bond if the contract is in excess of \$25,000.

A bond required by this provision must be executed by a corporate surety in accordance with Insurance Code Article 7.19-1 (now Insurance Code 3503.001–.005). A bond for a public work contract with a district must be payable to and its form must be approved by the awarding board.

Gov't Code 2253.021(a), (d)–(e)

The performance bond is solely for the protection of the district awarding the public work contract, in the amount of the contract, and conditioned on the faithful performance of the work in accordance with the plans, specifications, and contract documents. *Gov't Code 2253.021(b)*

The payment bond is solely for the protection and use of payment bond beneficiaries who have a direct contractual relationship with the prime contractor or a subcontractor to supply public work labor or material, and in the amount of the contract. *Gov't Code 2253.021(c)*

Failure to Obtain
Payment Bond

If a district fails to obtain from a prime contractor a payment bond as required above:

1. The district is subject to the same liability that a surety would have if the surety had issued a payment bond and if the district had obtained the bond; and
2. A payment bond beneficiary is entitled to a lien on money due to the prime contractor in the same manner and to the same extent as if the public work contract were subject to Property Code Chapter 53, Subchapter J (Lien on Money Due Public Works Contractor).

Gov't Code 2253.027(a)

Bond for Insured
Loss

A district shall ensure that an insurance company that is fulfilling its obligation under a contract of insurance by arranging for the replacement of a loss, rather than by making a cash payment directly to the district, furnishes or has furnished by a contractor:

1. A performance bond as described above for the benefit of a district; and
2. A payment bond, as described above for the benefit of the beneficiaries described above.

If the payment bond is not furnished, the district is subject to the same liability that a surety would have if the surety had issued the payment bond and the district had required the bond to be provided.

The bonds required to be furnished by the provisions above shall be furnished before the contractor begins work. It is an implied obligation under a contract of insurance for the insurance company to furnish these bonds.

*Exception to
Bond
Requirement*

These provisions do not apply to a district when a surety company is complying with an obligation under a bond that had been issued for the benefit of the district.

Gov't Code 2253.022

**Prevailing Wage on
Public Works**

"Worker" includes a laborer or mechanic. *Gov't Code 2258.001(3)*

A worker employed on a public work by or on behalf of a district shall be paid:

1. Not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed; and
2. Not less than the general prevailing rate of per diem wages for legal holiday and overtime work.

The requirements above do not apply to maintenance work. A worker is employed on a public work for purposes of this provision if the worker is employed by a contractor or subcontractor in the execution of a contract for public work with a district.

Gov't Code 2258.021

For a contract for a public work awarded by a district, the board shall determine the general prevailing rate of per diem wages in the district for each craft or type of worker needed to execute the contract and the prevailing rate for legal holiday and overtime work by:

1. Conducting a survey of the wages received by classes of workers employed on projects of a character similar to the contract work in the district in which the public work is to be performed; or
2. Using the prevailing wage rate as determined by the U.S. Department of Labor in accordance with the Davis-Bacon Act (40 U.S.C. Section 276a et seq.), and its subsequent amendments.

The board shall determine the general prevailing rate of per diem wages as a sum certain, expressed in dollars and cents. A board shall specify in the call for bids for the contract and in the contract itself the wage rates determined under these provisions. The

board's determination of the general prevailing rates of per diem wages is final.

Gov't Code 2258.022(a), (c)–(e)

Government Code 2258.022(b) applies to a public work located in a county bordering the United Mexican States or in a county adjacent to a county bordering the United Mexican States. *Gov't Code 2258.022(b)*

Enforcement

A board awarding a contract, and an agent or officer of the board, shall:

1. Take cognizance of complaints of all violations of Government Code Chapter 2258 committed in the execution of the contract; and
2. Withhold money forfeited or required to be withheld under Government Code Chapter 2258 from the payments to the contractor under the contract, except that the board may not withhold money from other than the final payment without a determination by the board that there is good cause to believe that the contractor has violated Government Code Chapter 2258.

On receipt of information, including a complaint by a worker, concerning an alleged violation of Government Code 2258.023 [see Penalty for Noncompliance, below] by a contractor or subcontractor, a board shall make an initial determination as to whether good cause exists to believe that the violation occurred. A board must make its determination before the 31st day after the date the board receives the information. A board shall notify in writing the contractor or subcontractor and any affected worker of its initial determination.

Gov't Code 2258.051–.052(a)–(c)

Retainage and
Reimbursement

A board shall retain any amount due under the contract pending a final determination of the violation. *Gov't Code 2258.052(d)*

Note: Arbitration of unresolved issues is governed by Government Code 2258.053–.055.

A board shall use any amounts retained under Government Code Chapter 2258 to pay the worker the difference between the amount the worker received in wages for labor on the public work at the rate paid by the contractor or subcontractor and the amount the worker would have received at the general prevailing rate as provided in the arbitrator's award. The board may adopt rules, orders,

or ordinances relating to the manner in which the reimbursement is made. *Gov't Code 2258.056(a)–(b)*

Penalty for
Noncompliance

The contractor who is awarded a contract by a district or a subcontractor of the contractor shall pay not less than the rates determined under these provisions to a worker employed by it in the execution of the contract. A contractor or subcontractor who violates this provision shall pay to the district on whose behalf the contract is made, \$60 for each worker employed for each calendar day or part of the day that the worker is paid less than the wage rates stipulated in the contract. A board awarding a contract shall specify this penalty in the contract. A contractor or subcontractor does not violate this section if a board awarding a contract does not determine the prevailing wage rates and specify the rates in the contract as required by these provisions. The board shall use any money collected under this provision to offset the costs incurred in the administration of Government Code Chapter 2258. *Gov't Code 2258.023*

Criminal Offense

An officer, agent, or representative of a district commits an offense if the person willfully violates or does not comply with a provision of Government Code 2258. *Gov't Code 2258.058(a)*

**Required Workers'
Compensation
Coverage**

A district shall ensure a contract for construction services required to be procured by a method in Government Code Chapter 2269 specifies the contractor's responsibilities for site safety and requires compliance with the requirement to provide workers' compensation insurance in accordance with Labor Code 406.096, below. *19 TAC 61.1040(e)(3)(D)*

A district that enters into a building or construction contract shall require the contractor to certify in writing that the contractor provides workers' compensation insurance coverage for each employee of the contractor employed on the public project. Each subcontractor shall provide such a certificate relating to coverage of the subcontractor's employees to the general contractor, who shall provide the subcontractor's certificate to the district. *Labor Code 406.096(a)–(b)*

A district that enters into a building or construction contract on a project shall:

1. Include in the bid specifications all the duties and responsibilities of contractors pertaining to required workers' compensation coverage, using the language required by 28 Administrative Code 110.110(c)(7).

2. As part of the contract, using the language required by 28 Administrative Code 110.110(c)(7), require the contractor to perform the duties and responsibilities pertaining to required workers' compensation coverage as set out in 28 Administrative Code 110.110(d).
3. Obtain from the contractor a certificate of coverage for each person providing services on the project, prior to that person beginning work on the project.
4. Obtain from the contractor a new certificate of coverage showing extension of coverage:
 - a. Before the end of the current coverage period, if the contractor's current certificate shows that the coverage period ends during the duration of the project; and
 - b. No later than seven days after the expiration of the coverage for each other person providing services on the project whose current certificate shows that the coverage period ends during the duration of the project.
5. Retain certificates of coverage on file for the duration of the project and for three years thereafter.
6. Provide a copy of the certificate of coverage to the Texas Department of Insurance, Division of Workers' Compensation upon request and to any person entitled to a copy by law.
7. Use the language contained in 28 Administrative Code 110.110(c)(7) for bid specifications and contracts, without any additional words or changes, except those required to accommodate the specific document in which they are contained or to impose stricter standards of documentation.

28 TAC 110.110(c)

Exception

This coverage requirement does not apply to sole proprietors, partners, and corporate officers who meet the requirements of Labor Code 406.097(c), and who are explicitly excluded from coverage in accordance with Labor Code 406.097(a). *28 TAC 110.110(i)*

Definitions

"Persons providing services on the project" includes all persons or entities performing all or part of the services the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes but is not limited to independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity furnishing persons to perform services on

the project. "Services" includes but is not limited to providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets. *28 TAC 110.110(a)(7)*

"Project" includes the provision of all services related to a building or construction contract for a district. *28 TAC 110.110(a)(8)*

Criminal Offenses For information on criminal offenses for violations of Education Code 44.031, see CH.

Enforcement Actions Government Code Chapter 2269 may be enforced through an action for declaratory or injunctive relief filed not later than the 15th day after the date on which the contract is awarded. *Gov't Code 2269.452*

Defects in Facilities A district that brings an action for recovery of damages for the defective design, construction, renovation, or improvement of a district facility financed by bonds shall provide the commissioner with written notice of the action by registered or certified mail, return receipt requested, not later than the 30th day after the date the action is filed. If the district fails to comply with this provision, the court or an arbitrator or other adjudicating authority shall dismiss the action without prejudice. The dismissal of an action under this provision extends the statute of limitations on the action for a period of 90 days.

The notice must include a copy of the petition and an itemized list of the defects in the design, construction, renovation, or improvement for which the district is seeking damages under the action.

In an action involving an instructional facility financed by bonds for which the district receives state assistance under Education Code Chapter 46, Subchapter A (Instructional Facilities Allotment), the commissioner may join in the action on behalf of the state to protect the state's share in the action.

A district that brings an action under these provisions shall use the net proceeds from the action for:

1. The repair of the defective design, construction, renovation, or improvement of the facility on which the action is brought, including the repair of any ancillary damage to furniture and fixtures;
2. The replacement of the facility on which the action is brought;

3. The reimbursement of the district for a repair or replacement;
or
4. Any other purpose with written approval from the commissioner.

Education Code 46.008 applies to the repair. A district shall provide to the commissioner an itemized accounting of any repairs made.

The state's share resulting from an action brought under these provisions involving an instructional facility financed by bonds for which the school district receives state assistance under Education Code Chapter 46, Subchapter A is state property. The district shall send to the comptroller any portion of the state's share not used by the district to repair the defective design, construction, renovation, or improvement of the instructional facility on which the action is brought or to replace the facility. Education Code 48.272 applies to the state's share.

Federal Law

A district that receives Title I funds shall have regulations or policies that prohibit any individual who is a school employee, contractor, or agent, or a district, from assisting a school employee in obtaining a new job, apart from the routine transmission of administrative and personnel files, if the individual or district knows, or has probable cause to believe, that such school employee engaged in sexual misconduct regarding a minor or student in violation of the law.

This requirement shall not apply if the information giving rise to probable cause has been properly reported to a law enforcement agency with jurisdiction over the alleged misconduct; and has been properly reported to any other authorities as required by federal, state, or local law, including Title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.) and the implementing regulations under Part 106 of Title 34, Code of Federal Regulations, or any succeeding regulations; and:

**Educator Excellence
Innovation Program**

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
 - a. The results of classroom observation, which may include student comments;

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and
4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

from the district. Unless the district and the educator have a written agreement to the contrary, the effective date of separation from employment is the first day that, without district permission, the educator fails to appear for work under the contract.

2. Renders a finding that good cause did not exist under Education Code 21.105(c)(2) (probationary contract), 21.160(c)(2) (continuing contract), or 21.210(c)(2) (term contract). This finding constitutes prima facie evidence of the educator's lack of good cause but is not a conclusive determination.
3. Submits the following required attachments to the written complaint:
 - a. The educator's resignation letter, if any;
 - b. The agreement with the educator regarding the effective date of separation from employment, if any;
 - c. The educator's contract; and

Education Code 21.105(d)–(f), .160(d)–(f), .210(d)–(f)

Good Cause

SBEC may consider the following factors good cause when an educator is reported to have abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c):

1. Serious illness or health condition of the educator or close family member of the educator;
2. Relocation to a new city as a result of change in employer of the educator's spouse or partner who resides with the educator;
3. Significant change in the educator's family needs that requires the educator to relocate or to devote more time than allowed by current employment; or
4. The educator's reasonable belief that the educator had written permission from the school district administration to resign.

Mitigating Factors

SBEC shall consider the following factors in seeking, proposing, or making a decision regarding an educator who has abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c). The educator:

1. Gave written notice to the school district 30 days or more in advance of the first day of instruction for which the educator will not be present;
2. Assisted the school district in finding a replacement educator to fill the position;
3. Continued to work until the school district hired a replacement educator;
4. Assisted in training the replacement educator;
5. Showed good faith in communications and negotiations with the school district;
6. Provided lesson plans for classes following educator's resignation;

**Employee Free
Speech**

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

**Whistleblower
Protection**

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A “report” is made to an “appropriate law enforcement authority” if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

Gov’t Code 554.002

“Law” means a state or federal statute, an ordinance of a local governmental entity, or a rule adopted under a statute or ordinance. *Gov’t Code 554.001(1)*

1. The employee believed that the conduct reported was a violation of law; and

2. The employee's belief was reasonable in light of the employee's training and experience.

Wichita County v. Hart, 917 S.W.2d 779 (Tex. 1996)

2. The employee's belief was reasonable in light of the employee's training and experience.

Tex. Dep't of Transp. v. Needham, 82 S.W.3d 314 (Tex. 2002)

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney's fees, as well as other relief specified in Government Code 554.003. *Gov't Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district's grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district's grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district's grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or
2. Terminate district grievance procedures and sue within the timelines established by Government Code 554.005 and 554.006.

**Failure to Follow
Scope and Sequence**

A district may not penalize a teacher who does not follow a recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level based on the teacher's determination that the teacher's students need more or less time in a specific area to demonstrate proficiency in the essential knowledge and skills for that subject and grade level [see EHAA].

A district may take appropriate action with respect to a teacher for conduct described above based on documented evidence of a deficiency in classroom instruction obtained through observation or substantiated and documented third-party information.

A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. Prac. & Rem. Code 122.001*

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. The district shall provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk.

A district is not required to compensate the employee receiving reasonable break time for any work time spent for such purpose.

A district that employs fewer than 50 employees is not subject to these requirements if the requirements would impose an undue hardship by causing the district significant difficulty or expense when considered in relation to the size, financial resources, nature, or structure of the district.

29 U.S.C. 207(r)

**Right to Express
Breast Milk**

A district employee is entitled to express breast milk at the employee's workplace. *Gov't Code 619.002*

Note: SBEC must publish the continuing education and training clearinghouse not later than June 1, 2022.

A district must adopt its professional development policy for district personnel not later than August 1, 2022.

A district is required to provide the training to an educator who works primarily outside the area of special education only if the educator does not possess the knowledge and skills necessary to implement the individualized education program developed for a student receiving instruction from the educator. A district may determine the time and place at which the training is delivered.

In developing or maintaining the training, a district must consult with persons with expertise in research-based practices for students with disabilities, including colleges, universities, private and nonprofit organizations, regional education service centers, qualified district personnel, and any other persons identified as qualified by the district, regardless of whether the training is provided at the campus or district level.

A district shall provide training described in the components above for teachers, school counselors, principals, and all other appropriate personnel. A school district may implement a program on TEA's list of recommended best practice-based programs [see FFEB] to satisfy this training requirement.

If a district provides the training, a district shall require completion in accordance with the district's professional development policy and maintain records that include district employees who participated in the training.

School Library

A district possesses significant discretion to determine the content of its school libraries. A district must, however, exercise its discretion in a manner consistent with the First Amendment.

Removal of Library
Materials

Students' First Amendment rights are implicated by the removal of books from the shelves of a school library. A district shall not remove materials from a library for the purpose of denying students access to ideas with which the district disagrees. A district may remove materials because they are pervasively vulgar or based solely upon the educational suitability of the books in question.

Bd. of Educ. v. Pico, 457 U.S. 853 (1982)

**Instructional
Materials**

Instructional materials selected for use in the public schools shall be furnished without cost to students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment [see CMD]. *Education Code 31.001*

Parental Access

A parent is entitled to:

1. Review all teaching materials, instructional materials, including while the child is participating in virtual or remote learning, and other teaching aids used in the classroom of the parent's child;
2. Review each test administered to the child after the test is administered; and
3. Observe virtual instruction while the parent's child is participating in virtual or remote learning to the same extent the parent would be entitled to observe in-person instruction of the child.

A district shall make teaching materials and tests readily available for parental review and may specify reasonable hours for such review.

*Taking Home
Materials*

A student's parent is entitled to request that a district allow the student to take home any instructional materials used by the student. Subject to the availability of the instructional materials, a district or school shall honor the request. A student who takes home instructional materials must return the instructional materials to school at the beginning of the next school day if requested to do so by the student's teacher.

*Students Without
Reliable Access
to Technology*

A district must provide the instructional materials to the student in printed format if the student does not have reliable access to technology at the student's home. This requirement does not require a

district to purchase printed copies of instructional materials that the district would not otherwise purchase. A district may comply with this requirement by providing the student a printout of the relevant electronic instructional materials.

*Learning
Management
System or Online
Portal*

A district that uses a learning management system or any online learning portal to assign, distribute, present, or make available instructional materials as defined by Education Code 31.002 [see EFA] to students shall provide login credentials to the system or portal to each student's parent.

1. The parent's right to inspect a survey created by a third party before the survey is administered or distributed by a school to the student and any applicable procedures for granting a request by a parent for reasonable access to such survey within a reasonable period of time after the request is received.

A district shall conduct a timely and meaningful consultation with private school representatives regarding the child find process and the provision of special education and related services to children enrolled in private schools in the district.

A district shall undertake activities similar to those undertaken for public school children and shall complete the child find process for children enrolled in private schools in a time period comparable to that for other students attending public schools in the district.

**Requests and
Referrals for
Evaluation**

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. *20 U.S.C. 1414(a)(1)(E)*

Either a parent, TEA, another state agency, or the district may initiate a request for an initial evaluation.

District Obligation to
Refer

Students experiencing difficulty in the general classroom should be considered for all support services available to all students, such as tutorial; remedial; compensatory; response to evidence-based intervention; and other academic or behavior support services. A student is not required to be provided with interventions for any

specific length of time prior to a referral being made or a full individual and initial evaluation being conducted. If the student continues to experience difficulty in the general classroom with the provision of interventions, district personnel must refer the student for a full individual and initial evaluation. A referral for a full individual and initial evaluation may be initiated at any time by school personnel, the student's parents or legal guardian, or another person involved in the education or care of the student.

19 TAC 89.1011(a)

Parental Request

If a parent submits a written request to a district's director of special education services or to a district administrative employee for a full individual and initial evaluation of a student, the district shall, not later than the 15th school day after the date the district receives the request:

1. Provide the parent with prior written notice of its proposal to conduct an evaluation consistent with 34 C.F.R. 300.503, a copy of the procedural safeguards notice required by 34 C.F.R. 300.504, and an opportunity to give written consent for the evaluation; or
2. Provide the parent with prior written notice of its refusal to conduct an evaluation consistent with 34 C.F.R. 300.503, and a copy of the procedural safeguards notice required by 34 C.F.R. 300.504.

19 TAC 89.1011(b); Education Code 29.004(c); 20 U.S.C. 1414(a)(1); 34 C.F.R. 300.301

Notice of Rights

A reasonable time before a district proposes or refuses to initiate the identification, evaluation, or educational placement of a student or the provision of a free appropriate public education (FAPE) to a student, the district shall provide written notice to the student's parent or guardian. *20 U.S.C. 1415(b)(3); 34 C.F.R. 300.503(a)* [See EHBAE]

Initial Evaluation
Required

A district shall conduct a full individual and initial evaluation before the initial provision of special education and related services. *20 U.S.C. 1414(a)(1)(A)*

*Consent for Initial
Evaluation*

Before a district conducts an initial evaluation, it shall make reasonable efforts to obtain informed parental consent.

If the parent does not provide consent for an initial evaluation, or if the parent fails to respond to a request to provide consent, a district may, but is not required to, pursue the initial evaluation by utilizing due process procedures [see EHBAE], except to the extent inconsistent with state law relating to such parental consent.

Parental consent to initial evaluation shall not be construed as consent for placement for special education and related services.

20 U.S.C. 1414(a)(1)(D)(i)(I); 34 C.F.R. 300.300(b)

Wards of the
State

If the child is a ward of the state and is not residing with the child's parent, a district shall make reasonable efforts to obtain the informed consent from the parent for an initial evaluation, unless:

1. Despite reasonable efforts to do so, the district cannot discover the whereabouts of the parent;
2. The rights of the parent have been terminated; or
3. The rights of the parent to make educational decisions have been subrogated and an individual appointed by a judge to represent the student has given consent for an initial evaluation.

20 U.S.C. 1414(a)(1)(D)(iii); 34 C.F.R. 300.300(a)(2)

*Time Frame for
Completion of
Written Report*

A district must complete the written report of a full individual and initial evaluation:

1. Not later than the 45th school day following the date on which the district receives written consent for the evaluation from the student's parent. If a student has been absent from school during that period on three or more school days, the period must be extended by a number of school days equal to the number of school days during that period on which the student has been absent; or
2. For students under five years of age by September 1 of the school year and not enrolled in public school and for students enrolled in a private or homeschool setting, not later than the 45th school day following the date on which the district receives written consent for the evaluation from the student's parent.

If a district receives written consent for the evaluation from the student's parent at least 35 but less than 45 school days before the last instructional day of the school year, the written report of a full individual and initial evaluation of a student must be provided to the student's parent not later than June 30 of that year.

If a district receives written consent signed by a student's parent less than 35 school days before the last instructional day of the school year or if the district receives the written consent at least 35 but less than 45 school days before the last instructional day of the school year but the student is absent from school during that period on three or more days, the report must be completed not later

than the 45th school day following the date the district received written consent, except that the period must be extended by a number of school days equal to the number of school days during that period on which the student has been absent.

A student is considered absent for the school day if the student is not in attendance at the school's official attendance taking time or at the alternate attendance taking time set for that student. A student is considered in attendance if the student is off campus participating in an activity that is approved by the school board and is under the direction of a professional staff member of the school district or an adjunct staff member who has a minimum of a bachelor's degree and is eligible for participation in the Teacher Retirement System of Texas.

"School day" does not include a day that falls after the last instructional day of the spring school term and before the first instructional day of the subsequent fall school term.

These time frames shall not apply if the parent repeatedly fails or refuses to produce the child for the evaluation.

Transfer
Students

A district shall ensure that evaluations of children who transfer from one district to another in the same academic year are coordinated with the children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations.

If a student was in the process of being evaluated for special education eligibility by a district and enrolls in another school district before the previous district completed the full individual and initial evaluation, the new district must coordinate with the previous district as necessary and as expeditiously as possible to ensure a prompt completion of the evaluation in accordance with 34 C.F.R., 300.301(d)(2) and (e) and 300.304(c)(5).

The timelines above do not apply in such a situation if:

1. The new school district is making sufficient progress to ensure a prompt completion of the evaluation; and
2. The parent and the new school district agree to a specific time when the evaluation will be completed.

20 U.S.C. 1414(a)(1)(C), (b)(3)(D); 34 C.F.R. 300.301(c)–(e); Education Code 29.004; 19 TAC 89.1011

*Psychological
Examinations*

If a district determines that an additional examination or test is required for the initial and individual evaluation, the district shall provide the information required by Education Code 29.0041(a) and

shall obtain additional parental consent. If a parent does not give consent within 20 calendar days after the district provided the information, the parent's consent is considered denied.

The time required for a district to provide information and seek consent may not be counted toward the time frame for completion of an evaluation. [See Time Frame for Completion of Written Report, above]

Education Code 29.0041

**Eligibility and
Reevaluations**

A student is eligible to participate in a district's special education program if:

1. The student is between the ages of 3 and 21, inclusive;
2. The student has one or more of the disabilities listed in federal regulations, state law, or both; and
3. The student's disability(ies) prevents the student from being adequately or safely educated in the public schools without the provision of special services.

20 U.S.C. 1401(3); Education Code 29.003(b); 19 TAC 89.1035

Disability Definitions

To be eligible to receive special education services, a student must be a "child with a disability," as defined in 34 C.F.R. 300.8(a), subject to the provisions of 34 C.F.R. 300.8(c), Education Code 29.003, and 19 Administrative Code 89.1040. The provisions in 19 Administrative Code 89.1040 specify criteria to be used in determining whether a student's condition meets one or more of the definitions in federal regulations or in state law. *19 TAC 89.1040*

**Visual and Auditory
Impairments**

Students with visual impairments or who are deaf or hard of hearing shall be eligible to participate in a district's special education program from birth. *19 TAC 89.1035(b); Education Code 30.002(e), .081*

**Determination of
Initial Eligibility**

Upon completion of the administration of assessments and other evaluation measures, a team of qualified professionals and the parent shall make the determination of whether the child has a disability and of the educational needs of the child.

A district shall provide a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.

20 U.S.C. 1414(b)(4); 34 C.F.R. 300.306(a)

The admission, review, and dismissal (ARD) committee must make its decisions regarding a student's initial eligibility determination and, if appropriate, individualized education program (IEP) and placement within 30 calendar days from the date of the completion

of the written full individual and initial evaluation report. If the 30th day falls during the summer and school is not in session, the student's ARD committee has until the first day of classes in the fall to finalize decisions concerning the student's initial eligibility determination, IEP, and placement, unless the full individual and initial evaluation indicates that the student will need extended school year (ESY) services during that summer.

When a report is provided to a parent not later than June 30 as described at Time Frame for Completion of Written Report, above, the ARD committee must meet not later than the 15th school day of the following school year to consider the evaluation. If, however, an evaluation indicates that a student will need ESY services, the ARD committee must meet as expeditiously as possible.

19 TAC 89.1011(d), (e)

Consent for
Services

*Initial Provision of
Services*

A district must obtain informed consent from the parent for the initial provision of special education and related services. If the parent of a child fails to respond to a request for, or refuses to consent to, the initial provision of services, the district:

1. May not use the procedures in 34 C.F.R. part 300 subpart E (including the mediation and due process procedures) in order to obtain agreement or a ruling that the services may be provided to the child;
2. Will not be considered to be in violation of the requirement to make FAPE available to the child for the failure to provide the services for which the district requests consent; and
3. Is not required to convene an ARD meeting or develop an IEP for the child for the services.

*Revoking
Consent*

If, at any time after the provision of initial services, the parent of a child revokes consent in writing for the continued provision of services, the district:

1. May not continue to provide services to the child, but must provide prior written notice before ceasing services;
2. May not use the procedures in 34 C.F.R. part 300 subpart E in order to obtain agreement or a ruling that the services may be provided to the child;
3. Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further services; and

4. Is not required to convene an ARD meeting or develop an IEP for further provision of services.

34 C.F.R. 300.300(b)

Reevaluations

A district shall ensure that each child with a disability is reevaluated if the district determines that the educational or related services needs of the child, including improved academic achievement and functional performance, warrant a reevaluation, or if the child's parent or teacher requests a reevaluation.

Reevaluation shall occur:

1. No more than once a year, unless the parent and the district agree otherwise; and
2. At least once every three years, unless the parent and district agree that a reevaluation is unnecessary.

A district shall obtain informed parental consent before conducting a reevaluation, except that informed parental consent is not needed if the district can demonstrate that it has taken reasonable measures to obtain consent and the child's parent has failed to respond.

20 U.S.C. 1414(a)(2), (c)(3); 34 C.F.R. 300.303

Evaluation for
Change in Eligibility

A district must evaluate a child with a disability before determining that the child is no longer a child with a disability. However, an evaluation is not required before the termination of eligibility due to graduation from secondary school with a regular diploma or due to exceeding the age eligibility for FAPE under state law. If a child's eligibility terminates under the aforementioned circumstances, a district must provide a summary of academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals. *34 C.F.R. 300.305(e); 20 U.S.C. 1414(c)(5)*

All students graduating under 19 Administrative Code 89.170 [see EIF] must be provided with a summary of academic achievement and functional performance as described above. This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070(b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C). *19 TAC 89.1070(g)*

Independent
Evaluation

The parents have a right to obtain an independent educational evaluation of their child. If a parent requests an independent evaluation, a district shall provide the parents with information regarding where one can be obtained and the district's criteria for independent evaluations.

The results of a parent-initiated independent educational evaluation, whether at public or private expense, must be considered by the district if it meets the district's criteria, in any decision made with respect to providing FAPE to the child.

*At Public
Expense*

If a parent requests an independent evaluation at public expense, the district shall, without unnecessary delay, either:

1. File a due process complaint to request a hearing to show that its evaluation is appropriate; or
2. Ensure that an independent evaluation is provided at public expense, unless the district demonstrates that the evaluation obtained by the parent did not meet district criteria.

*At Private
Expense*

If a district initiates a hearing, and the final decision is that the district's evaluation is appropriate, the parent still has a right to an independent evaluation, but not at public expense.

34 C.F.R. 300.502

**Prescription
Medication**

An employee of a district is prohibited from requiring a child to obtain a prescription for a substance covered under the federal Controlled Substances Act (21 U.S.C. 801 et seq.) as a condition of attending school, receiving an evaluation for special education, or receiving special education and related services.

An employee is not prohibited from consulting or sharing classroom-based observations with parents regarding a student's academic and functional performance, behavior in the classroom or school, or the need for evaluation for special education or related services.

20 U.S.C. 1412(a)(25)

When a student transitions from early childhood intervention (ECI) to early childhood special education (ECSE) services, the District shall develop and implement an individualized education program (IEP) by the child's third birthday.

**Admission, Review,
and Dismissal
Committee**

Each district must establish an admission, review, and dismissal (ARD) committee for each eligible student with a disability and for each student for whom a full individual and initial evaluation is conducted. The ARD committee is the individualized education program (IEP) team defined in federal law and regulations, including 34 C.F.R. 300.321.

The district is responsible for all of the functions for which the IEP team is responsible under federal law and regulations and for which the ARD committee is responsible under state law, including the responsibilities listed at 19 Administrative Code 89.1050.

19 TAC 89.1050(a); 34 C.F.R. 300.116(a), .321(a)

A district shall ensure that each ARD committee meeting includes all of the following:

1. The parents of a student with a disability;
2. At least one regular education teacher of the student (if the student is, or may be, participating in the regular education environment);
3. At least one special education teacher or, if appropriate, at least one special education provider of the student;
4. A representative of the district who:
 - a. Is qualified to provide or supervise the provision of specially designed instruction to meet the unique needs of students with disabilities;

9. For a student with a suspected or documented visual impairment, a teacher who is certified in the education of students with visual impairments;
10. For a student with suspected or documented deaf-blindness, a teacher who is certified in the education of students with visual impairments and a teacher who is certified in the education of students who are deaf or hard of hearing;
11. For a student with limited English proficiency, a member of the language-proficiency assessment committee (LPAC), who may also be a member as described at items 2 or 3;
12. A representative of any participating agency likely to be responsible for providing transition services for a student, as appropriate, and with the consent of the student's parents or a student who has reached the age of majority; and
13. When considering initial or continued placement of a student in a career and technical education program, a representative from career and technical education, preferably the teacher.

The special education teacher or special education provider that participates in the ARD committee meeting must be appropriately certified or licensed as required by 34 C.F.R. 300.18 and 300.156.

19 TAC 75.1023(d)(1), 89.1050(c); 20 U.S.C. 1414(d)(1)(B); 34 C.F.R. 300.321;

A district member of the ARD committee shall not be required to attend an IEP meeting, in whole or in part, if the parent and the district agree in writing that the attendance is not necessary because the member's area of the curriculum or related services is not being modified or discussed during the meeting.

A district member of the ARD committee may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of curriculum or related services if the parent, in writing, and the district consent to the excusal and the member submits, in writing, to the parent and the ARD committee, input into the development of the IEP before the meeting.

20 U.S.C. 1414(d)(1)(C); 34 C.F.R. 300.321(e)

*Regular
Education
Teacher*

If an ARD committee is required to include a regular education teacher, the regular education teacher must, to the extent practicable, be a teacher who is responsible for implementing a portion of the child's IEP. *Education Code 29.005(a)*

*Parent
Involvement*

A district shall take steps to ensure that one or both parents of a student with a disability are present at each ARD committee meeting or are afforded an opportunity to participate, including:

1. Notifying the parents of the meeting early enough to ensure that they will have an opportunity to attend (the notice shall include the purpose, time, and location of the meeting, who will be in attendance, that persons with knowledge or special expertise may be invited by either the parent or the district, and that the Part C service coordinator or other representatives of the Part C system may be invited to the initial meeting for a child previously served under a Part C early childhood intervention program); and
2. Scheduling the meeting at a mutually agreed on time and place.

If the purpose of the meeting is to consider transition services, the notice must also indicate this purpose, indicate that the district will invite the student, and identify any other agency that will be invited to send a representative.

*Alternative
Means of
Meeting
Participation*

If neither parent can attend an ARD meeting, the district must allow other methods of participation, such as through telephone calls or video conferencing. *20 U.S.C. 1414(f); 34 C.F.R. 300.322(c); 19 TAC 89.1050(d)*

An ARD meeting may be conducted without a parent in attendance if a district is unable to convince the parents that they should attend, but the district shall have a record of its attempts to arrange a mutually agreed on time and place, such as detailed records of telephone calls, correspondence, or visits made or attempted and the results of any of those actions. *34 C.F.R. 300.322(d)*

Meetings

A district shall initiate and conduct ARD committee meetings for the purpose of developing, reviewing, and revising the IEP of a child with a disability. The committee shall review each child's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once a year.

A "meeting" does not include informal or unscheduled conversations involving district personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provisions if those issues are not addressed in the child's IEP. A "meeting" also does not include preparatory activities that district

personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

*Meeting at
Parent's Request*

Upon receipt of a written request for an ARD committee meeting from a parent, the school district must schedule and convene a meeting in accordance with the procedures in 19 Administrative Code 89.1050(d) or within five school days, provide the parent with written notice explaining why the district refuses to convene a meeting. *19 TAC 89.1050(e)*

Written Notice

If a parent is unable to speak English, a district must provide the parent with a written notice regarding the ARD committee meeting required under 19 Administrative Code 89.1050(d) (notice for purposes of scheduling) or (e)(2) (notice explaining why the district refuses to convene a meeting) in the parent's native language, unless it is clearly not feasible to do so. If the parent's native language is not a written language, the school district must take steps to ensure that the notice is translated orally or by other means to the parent in his or her native language or other mode of communication so that the parent understands the content of the notice. *19 TAC 89.1050(f)*

Transfer Students

In-State Transfers

When a student transfers to a new district within the state in the same school year and the parents verify that the student was receiving special education services in the previous district or the previous district verifies in writing or by telephone that the student was receiving special education services, the new school district must meet the requirements of 34 C.F.R. 300.323(e) regarding the provision of special education services. The timeline for completing the requirements outlined in 34 C.F.R. 300.323(e)(1) or (2) is 30 school days from the date the student is verified as being a student eligible for special education services.

Transfers from
Another State

When a student transfers from a district in another state in the same school year and the parents verify that the student was receiving special education services in the previous district or the previous district verifies in writing or by telephone that the student was receiving special education services, the new district must meet the requirements of 34 C.F.R. 300.323(f) regarding the provision of special education services. If the new district determines that an evaluation is necessary, the evaluation is considered a full individual and initial evaluation and must be completed within the timelines established by 19 Administrative Code 89.1011(c) and (e). The timeline for completing the requirements in 34 C.F.R. 300.323(f)(2), if appropriate, is 30 calendar days from the date of

the completion of the evaluation report. If the school district determines that an evaluation is not necessary, the timeline for completing the requirements outlined in 34 C.F.R. 300.323(f)(2) is 30 school days from the date the student is verified as being a student eligible for special education services.

A student with a disability who has an IEP in place from a previous in- or out-of-state district and who enrolls in a new district during the summer is not considered a transfer student for the purposes of this provision or for 34 C.F.R. 300.323(e) or (f). For these students, the new district must implement the IEP from the previous district in full on the first day of class of the new school year or must convene an ARD committee meeting during the summer to revise the student's IEP for implementation on the first day of class of the new school year.

19 TAC 89.1050(j)

Transfer of Records

The district in which the child enrolls shall take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous district.

The previous district shall take reasonable steps to promptly respond to the request from the new district and must furnish the new school district with a copy of the student's records, including the student's special education records, not later than the tenth working day after the date a request for the information is received by the previous school district.

20 U.S.C. 1414(d)(2)(C)(ii); 34 C.F.R. 300.323(g); 19 TAC 89.1050(j)(3)

Students Who Are Homeless or in Substitute Care

When a student who is homeless or in substitute care transfers into a district after being referred by a previous district for a special education evaluation, the receiving district must accept the referral and ensure that any written report of a full individual and initial evaluation must be completed in accordance with the timelines established in 19 Administrative Code 89.1011 (relating to Full Individual and Initial Evaluation).

When a student who is already eligible for special education and is homeless or in substitute care transfers into a district during the school year, the receiving district must ensure that it meets the student transfer requirements of 19 Administrative Code 89.1050(j) (relating to the Admission, Review, and Dismissal Committee).

19 TAC 89.1615

Military Dependents

A district shall initially provide comparable services to a military student with disabilities based on his or her current IEP. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, C* [See FDD]

**Individualized
Education Program**

A district shall develop, review, and revise an IEP for each child with a disability. *20 U.S.C. 1412(a)(4); 34 C.F.R. 300.320(a)*

At the beginning of each school year, a district shall have in effect, for each child with a disability in its jurisdiction, an IEP. *20 U.S.C. 1414(d)(2)(A); 34 C.F.R. 300.323(a)*

 16. An indication of whether the child's parents, the adult student, if applicable, and the administrator agreed or disagreed with the decisions of the ARD committee.

20 U.S.C. 1414(d); 34 C.F.R. 300.320; Education Code 29.005(b-1), .011; 19 TAC 89.1055

The written statement of a student's IEP may be required to include only information included in the model form developed by TEA under Education Code 29.0051(a) and posted on the TEA website. A district may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

IEP Supplement

For each child who was enrolled in a district's special education program during the 2019–20 school year or the 2020–21 school year, the district shall prepare a supplement to be included with the written statement of the IEP. For more information about the re-

quired supplement, see Education Code 29.0052 and the commissioner rules, when adopted. This requirement expires September 1, 2023. *Education Code 29.0052*

Supplemental
Special Education
Services

The ARD committee of a student approved for participation in the supplemental special education services and instructional materials program shall provide to the student's parent at an ARD committee meeting for the student:

1. Information regarding the types of supplemental special education services available under the program and provided by agency-approved providers for which an account maintained under Education Code 29.042(b) for the student may be used; and
2. Instructions regarding accessing the account.

The supplemental special education services and instructional materials program (SSES) expires September 1, 2024.

Education Code 29.048

A district shall notify parents and guardians of students served by special education of the SSES program and how to apply.

A student's ARD committee may not consider a student's current or anticipated eligibility for any supplemental special education instructional materials or services that may be provided under the SSES program when developing or revising a student's IEP, when determining a student's educational setting, or in the provision of a free appropriate public education.

19 TAC 102.1601(i)-(j)

Behavioral
Intervention Plan

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan (BIP) is appropriate for a student for whom the committee has developed an IEP. If the committee makes that determination, the BIP shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student. *Education Code 29.005(g); 19 TAC 89.1055(g)*

If a behavior improvement plan or a behavioral intervention plan is included as part of a student's IEP, the committee shall review the plan at least annually and more frequently if appropriate to address the safety of the student or others or changes in a student's circumstances that may impact the student's behavior, such as:

1. The placement of the student in a different educational setting;

2. An increase or persistence in disciplinary actions taken regarding the student for similar types of behavioral incidents;
3. A pattern of unexcused absences; or
4. An unauthorized unsupervised departure from an educational setting.

Education Code 29.005(h)

Translation of IEP
into Native
Language

If the parent is unable to speak English and Spanish is the parent's native language, a district shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, a district shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language.

Education Code 29.005(d)

A written copy of the student's IEP translated into Spanish or the parent's native language means that all of the text in the student's IEP in English is accurately translated into the target language in written form. The IEP translated into the target language must be a comparable rendition of the IEP in English and not a partial translation or summary of the IEP in English.

An audio recording of the student's IEP translated into Spanish or the parent's native language means that all of the content in the student's IEP in English is orally translated into the target language and recorded with an audio device. A district is not prohibited from providing the parent with an audio recording of an ARD committee meeting at which the parent was assisted by an interpreter as long as the audio recording provided to the parent contains an oral translation into the target language of all of the content in the student's IEP in English.

If a parent's native language is not a written language, the district must take steps to ensure that the student's IEP is translated orally or by other means to the parent in his or her native language or other mode of communication.

Under 34 C.F.R. 300.322(f), a district must give a parent a written copy of the student's IEP at no cost to the parent. A school district meets this requirement by providing a parent with a written copy of the student's IEP in English or by providing a parent with a written translation of the student's IEP in the parent's native language as provided above.

19 TAC 89.1050(i)

Autism/Pervasive
Developmental
Disorder

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

1. Extended educational programming;
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and postsecondary environments;
6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders (ASD);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the student's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence;
8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1–11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made.

19 TAC 89.1055(e)–(f)

*Visual
Impairment*

If a district provides special education services to students with visual impairments, it shall have written procedures as required in Education Code 30.002(c)(10) (staff access to resources). *19 TAC 89.1075(b)*

Collaborative
Process

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions of the ARD committee concerning the required elements of the IEP shall be made by mutual agreement, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

Ten-Day Recess

When mutual agreement about all required elements of the IEP is not achieved, the parent who disagrees must be offered a single opportunity to recess and reconvene the ARD committee meeting. The period of time for reconvening the ARD committee meeting must not exceed ten school days, unless the parties mutually agree otherwise. The ARD committee must schedule the reconvened meeting at a mutually agreed upon time and place. The opportunity to recess and reconvene is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the ARD committee from recessing an ARD committee meeting for reasons other than the failure to reach mutual agreement about all required elements of an IEP.

During the recess, the ARD committee members must consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons who may assist in enabling the ARD committee to reach mutual agreement.

*Failure to Reach
Agreement*

If a recess is implemented and the ARD committee still cannot reach mutual agreement, a district shall implement the IEP it has determined to be appropriate for the student. Each member of the ARD committee who disagrees with the IEP developed by the ARD committee is entitled to include a statement of disagreement in the IEP.

If the IEP is not developed by agreement, the written statement of the program must include the basis of the disagreement. Each

member of the ARD committee who disagrees with the IEP developed by the committee is entitled to include a statement of disagreement in the written statement of the program.

Education Code 29.005(c); 19 TAC 89.1050(g)

**Modification of
Existing IEP**

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and district may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, a district shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

20 U.S.C. 1414(d)(3)(D)-(F); 34 C.F.R. 300.324(a)(4)-(6)

**Teacher Access to
IEP**

Each district must ensure that each teacher who provides instruction to a student with a disability has access to relevant sections of the student's current IEP, is informed of the teacher's specific responsibilities related to implementation of the IEP, and has an opportunity to request assistance regarding implementation of the student's IEP. *19 TAC 89.1075(c)*

**Teacher Request to
Review IEP**

Each district shall develop a process to be used by a teacher who instructs a student with a disability in a regular classroom setting:

1. To request a review of the student's IEP;
2. To provide input in the development of the student's IEP;
3. That provides for a timely district response to the teacher's request; and
4. That provides for notification to the student's parent or legal guardian of that response.

Education Code 29.001(11); 19 TAC 89.1075(d)

**Private School—
District Placed**

Student Receives
IEP

If a district places a child with a disability in a private school or facility, or refers the child to a private school or facility, as a means of carrying out the requirements of the special education laws, the district shall ensure that the child is provided special education and related services, in accordance with an individualized education program (IEP), at no cost to the parents. *20 U.S.C. 1412(a)(10)(B)(i)*

**Private School—
Parent Placed**

When a parentally placed child with a disability is referred to a district, the district shall convene an admission, review, and dismissal (ARD) committee to determine whether the district can offer the child a free appropriate public education (FAPE). If the district determines that it can offer FAPE, it is not responsible for providing educational services to the child, except that the district must develop and implement an individualized services plan (ISP). *19 TAC 89.1096(b)*

Offer of FAPE
Rejected

*Student Receives
ISP*

If a district made FAPE available to a child with a disability and the parents elected to place the child in a private school or facility, the district is not required to pay for the cost of education, including special education and related services. However, the district must develop and implement an ISP. *20 U.S.C. 1412(a)(10)(C)(i); 34 C.F.R. 300.148(a)*

FAPE Offered but
Not Provided

Reimbursement

If the parents of a child with a disability, who previously received special education and related services under the authority of a district, enroll the child in a private school without the consent or referral by the district, a court or a hearing officer may require the district to reimburse the parents for the cost of that enrollment if the court or hearing officer finds that the district had not made FAPE available to the child in a timely manner before the enrollment. This right of reimbursement is subject to the notice and other requirements set forth at *34 C.F.R. 300.148(d)*. *20 U.S.C. 1412(a)(10)(C)(ii); 34 C.F.R. 300.148(c)*

**Home School
Students**

A home school student is considered a private school student, for purposes of a district's obligations under IDEA, if the home school provides elementary or secondary education that incorporates an adopted curriculum designed to meet basic educational goals, including scope and sequence of courses, and formal review and documentation of student progress. *19 TAC 89.1096(a)(2)*

**Individualized
Services Plan (ISP)**

Each parentally placed private school child with a disability who has been designated to receive services shall have an ISP that describes the specific special education and related services that a district will provide the child.

Parentally placed private school children with disabilities may receive a different amount of services than children with disabilities in

public schools. No parentally placed private school child has an individual right to receive some or all of the special education and related services that the child would receive if enrolled in a public school.

Decisions about the services that will be provided must be made in accordance with 34 C.F.R. 300.134(c) (consultation process) and 300.137(c) (attendance of private school representatives at services plan committee meetings). A district must make the final decisions with respect to the services to be provided.

34 C.F.R. 300.137, .138

Dual Enrollment

Parents shall have the right to “dual enroll” an eligible student age three or four in both the public school and a private school beginning on the student’s third birthday and continuing until the end of the school year in which the student turns five, or until the student is eligible to attend a district’s kindergarten program, whichever comes first, subject to the following:

1. The student’s ARD committee shall develop an IEP designed to provide the student with FAPE in the least restrictive environment (LRE).
2. From the IEP, the parent and the district shall determine which special education and/or related services will be provided to the student and the location where those services will be provided, based on the requirements concerning placement in the LRE and the policies and procedures of the district.
3. The district shall be responsible for employing and supervising the personnel providing the service, providing the needed instructional materials, and maintaining pupil accounting records. Materials and services provided shall be consistent with those provided for students enrolled only in the public school and shall remain the property of the district.

19 TAC 89.1096(c)

Responsible District

The district where a student resides is responsible for providing special education and related services to a student whose parents choose dual enrollment.

If the parents decline dual enrollment, but request an ISP, the district where the private school is located is responsible for development of the ISP for a student designated to receive services.

19 TAC 89.1096(c), (d)

Transportation

If a student has been placed by his or her parents in a private school or facility, a district shall provide special transportation with federal funds only when the ARD committee determines that the condition of the student warrants the service in order for the student to receive the special education and related services (if any) set forth in the IEP. *19 TAC 89.1096(e)*

District Charter Schools

A district shall serve children with disabilities attending district charter schools in the same manner as it serves children with disabilities in its other schools and shall provide federal special education funds to those schools in the same manner as it provides those funds to its other schools. *20 U.S.C. 1413(a)(5); 34 C.F.R. 300.209(b)*

Residential Facilities

Identification of
Students

If a residential facility that is licensed by appropriate state agencies is located within the district's boundaries, the district must provide special education and related services to eligible students residing in the facility.

If, after contacting the facility to offer services to eligible students with disabilities, a district determines that educational services are provided through a charter school, approved non-public school, or a facility operated private school, the district is not required to provide services. However, a district shall annually contact the facility to offer services to eligible students with disabilities.

19 TAC 89.1001(c)

District Placements

A district may contract with a public or private facility, institution, or agency inside or outside of Texas for residential placement for a student with a disability when the ARD committee determines that a residential placement is necessary for the student to receive FAPE. Contracts for residential placement must be approved by the commissioner. *Education Code 29.008(a); 19 TAC 89.1092*

If placement in a public or private residential program is necessary to provide special education and related services, the program, including non-medical care and room and board, must be at no cost to the parents. *34 C.F.R. 300.104*

If a district contracts for education services, rather than providing the services itself, it shall oversee the implementation of the student's IEP and shall annually reevaluate the appropriateness of the arrangement. *Education Code 29.008(d)*

*Additional
Placement
Requirements*

A district shall have the responsibilities set forth at 19 Administrative Code 89.1092(a)(4) regarding students in residential placements. A district must contract with residential placements in accordance with 19 Administrative Code 89.1092.

Notification

Within 30 calendar days from an ARD committee's decision to place a student in a residential education program, a district must electronically submit to TEA notice of and information regarding the placement in accordance with submission procedures specified by TEA. *19 TAC 89.1092(b)*

School for the Blind and Visually Impaired and School for the Deaf

A district shall share the cost of education (excluding the summer program) for each of its students enrolled in the Texas School for the Blind and Visually Impaired or Texas School for the Deaf.

Before considering the student's educational placement for special education services, a district shall provide each parent of a student with visual or auditory impairments the following written information regarding the Texas School for the Deaf or Texas School for the Blind and Visually Impaired:

1. The availability of programs offered.
2. The eligibility and admissions requirements.
3. The student's rights to admission and to appeal admission decisions.

Education Code 30.003(a), .004(a); 19 TAC 89.62

A district may request services through the Texas School for the Blind and Visually Impaired or the Texas School for the Deaf in accordance with 19 Administrative Code 89.1085. *19 TAC 89.1085*

Adult Prisons

If a child with a disability is convicted as an adult under state law and incarcerated in an adult prison, the child's ARD committee may modify the child's IEP or placement, notwithstanding the LRE requirements, if the state has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated.

The following requirements do not apply to children with disabilities who are convicted as adults under state law and incarcerated in adult prisons:

1. Federal requirements pertaining to participation of students with disabilities in general assessments;
2. Requirements concerning transition planning and transition services, if the children's eligibility will end, because of their age, before they will be released from prison.

20 U.S.C. 1414(d)(7)

Referral	Students may be referred for the gifted and talented program at any time by teachers, school counselors, parents, or other interested persons.
Screening and Identification Process	<p>The District shall provide assessment opportunities to complete the screening and identification process for referred students at least once per school year.</p> <p>The District shall schedule a gifted and talented program awareness session for parents that provides an overview of the assessment procedures and services for the program prior to beginning the screening and identification process.</p>
Parental Consent	The District shall obtain written parental consent before any special testing or individual assessment is conducted as part of the screening and identification process. All student information collected during the screening and identification process shall be an educational record, subject to the protections set out in policies at FL.
Identification Criteria	The Board-approved program for the gifted and talented shall establish criteria to identify gifted and talented students. The criteria shall be specific to the state definition of gifted and talented and shall ensure the fair assessment of students with special needs, such as the culturally different, the economically disadvantaged, and students with disabilities.
Assessments	Data collected through both objective and subjective assessments shall be measured against the criteria approved by the Board to determine individual eligibility for the program. Assessment tools may include, but are not limited to, the following: achievement tests, intelligence tests, creativity tests, behavioral checklists completed by teachers and parents, student/parent conferences, and available student work products.
Selection	A selection committee shall evaluate each referred student according to the established criteria and shall identify those students for whom placement in the gifted and talented program is the most appropriate educational setting. The committee shall be composed of at least three professional educators who have received training in the nature and needs of gifted students, as required by law.
Notification	The District shall provide written notification to parents of students who qualify for services through the District's gifted and talented program. Participation in any program or services provided for gifted students shall be voluntary, and the District shall obtain written permission from the parents before placing a student in a gifted and talented program.

Reassessment	If the District reassesses students in the gifted and talented program, the reassessment shall be based on a student's performance in response to services and shall occur no more than once in elementary grades, once in middle school grades, and once in high school grades.
Transfer Students	When a student identified as gifted by a previous school district enrolls in the District, the selection committee shall review the student's records and conduct assessment procedures when necessary to determine if placement in the District's program for gifted and talented students is appropriate.
Interdistrict	[See FDD(LEGAL) for information regarding transfer students and the Interstate Compact on Educational Opportunities for Military Children]
Intradistrict	A student who transfers from one campus in the District to the same grade level at another District campus shall continue to receive services in the District's gifted and talented program.
Furloughs	The District may place on a furlough any student who is unable to maintain satisfactory performance or whose educational needs are not being met within the structure of the gifted and talented program. A furlough may be initiated by the District, the parent, or the student. Education Allotment**

Census Block

On a schedule determined by the commissioner of education and in accordance with Education Code 48.104, each district shall report to the agency the census block group in which each student enrolled in the district who is educationally disadvantaged resides.
Education Code 48.104(i)

Use

At least 55 percent of the district's compensatory education funds must be used to:

1. Fund supplemental programs and services, including services provided by an instructional coach, designed to eliminate any disparity in performance on assessment instruments administered under Education Code Chapter 39, Subchapter B or disparity in the rates of high school completion between:
 - a. Students who are educationally disadvantaged and students who are not educationally disadvantaged; and
 - b. Students at risk of dropping out of school, as defined below, and all other students; or
2. Support a program eligible under Title I of the Elementary and Secondary Education Act of 1965 [see AID], and its subsequent amendments, and by federal regulations implementing that Act.

Education Code 48.104(k)

Dropout Prevention
Strategies

A district with a high dropout rate, as determined by the commissioner, shall submit a plan to the commissioner describing the manner in which the district intends to use its compensatory education allotment for developing and implementing research-based strategies for dropout prevention.

A district shall submit the plan not later than December 1 of each school year preceding the school year in which the district will receive the compensatory education allotment to which the plan applies.

A district may not spend or obligate more than 25 percent of the district's compensatory education allotment unless the commissioner approves the plan.

A district's plan shall:

1. Design a dropout recovery plan that includes career and technology education courses or technology applications courses that lead to industry or career certification;

2. Integrate into the dropout recovery plan research-based strategies to assist students in becoming able academically to pursue postsecondary education, including:
 - a. High-quality, college readiness instruction with strong academic and social supports;
 - b. Secondary to postsecondary bridging that builds college readiness skills, provides a plan for college completion, and ensures transition counseling; and
 - c. Information concerning appropriate supports available in the first year of postsecondary enrollment to ensure postsecondary persistence and success, to the extent funds are available for the purpose; and
3. Plan to offer advanced academic and transition opportunities, including dual credit courses and college preparatory courses, such as advanced placement courses.

A district may enter into a partnership with a public junior college in accordance with Education Code 29.402 [see GNC] in order to fulfill a plan.

Any program designed to fulfill a plan must comply with the requirements of Education Code 29.081(e) and (f).

Education Code 29.918

Reporting

A district shall report financial information relating to expenditure of the state compensatory education allotment under the Foundation School Program to the Texas Education Agency (TEA), according to standards for financial accounting provided in 19 Administrative Code 109.41 (relating to *Financial Accountability System Resource Guide*). Costs charged to state compensatory education shall be for programs and services that supplement the regular education program. 19 TAC 109.25(a)

A district shall ensure that supplemental direct costs and personnel attributed to compensatory education and accelerated instruction are identified in district and/or campus improvement plans at the summary level for financial units or campuses. A district shall maintain documentation that supports the attribution of supplemental costs and personnel to compensatory education. A district must also maintain sufficient documentation supporting the appropriate identification of students in at-risk situations, under criteria established in Education Code 29.081 [see Definition of At-Risk Student, below]. 19 TAC 109.25(b)

**Educationally
Disadvantaged
Students**

Student Eligibility

To be considered educationally disadvantaged in order to be counted to generate the compensatory education allotment pursuant to Education Code 48.104, a student must meet the income requirements for eligibility under the National School Lunch Program (NSLP), authorized by 42 U.S.C. 1751, et seq.

Districts may use the following approved methods for the purpose of receiving the compensatory education allotment pursuant to Education Code 48.104:

1. Parent certification, where the parent or guardian asserts meeting the income requirements for eligibility;
2. Direct certification, where the process by which eligible children are certified for free meals without the need for a household application based on household participation in one or more federal assistance programs; or
3. Direct verification, where public records are used to verify a student's eligibility for free or reduced-price meals when verification of student eligibility is required.

19 TAC 61.1027(a)

Virtual School
Network

Districts must request prior approval from the commissioner to claim students receiving a full-time virtual education through the state virtual school network in their counts of educationally disadvantaged students. The request must include a plan detailing the enhanced services to be delivered to full-time state virtual school network students and submitted in a manner and with a deadline specified by the commissioner. *19 TAC 61.1027(b)(3)(B)*

**Services After
Unsatisfactory
Performance on
State Assessments**

Accelerated
Learning Committee

A district shall establish an accelerated learning committee for each student who does not perform satisfactorily on the following state assessment instruments [see EKB]:

1. The third grade mathematics or reading assessment;
2. The fifth grade mathematics or reading assessment; or
3. The eighth grade mathematics or reading assessment.

Education Code 28.0211(a)

Composition

The accelerated learning committee shall be composed of the principal or the principal's designee, the student's parent or guardian, and the teacher of the subject of an assessment instrument on which the student failed to perform satisfactorily. The district shall notify the parent or guardian of the time and place for convening the accelerated learning committee and the purpose of the committee. *Education Code 28.0211(c)*

Educational Plan

An accelerated learning committee shall, not later than the start of the subsequent school year, develop an educational plan for the student that provides the necessary accelerated instruction to enable the student to perform at the appropriate grade level by the conclusion of the school year. The educational plan must be documented in writing, and a copy must be provided to the student's parent or guardian.

During the school year, the student shall be monitored to ensure that the student is progressing in accordance with the educational

plan. The district shall administer to the student the assessment instrument for the grade level in which the student is placed at the time the district regularly administers the assessment instruments for that school year.

The board shall adopt a policy consistent with the grievance procedure adopted under Education Code 26.011 [see FNG] to allow a parent to contest the content or implementation of an educational plan.

Education Code 28.0211(f)–(f-3)

*Failure in a
Subsequent
School Year*

If a student who fails to perform satisfactorily on the third, fifth, or eighth grade math or reading assessment fails in the subsequent school year to perform satisfactorily on an assessment instrument in the same subject, the superintendent, or the superintendent's designee, shall meet with the student's accelerated learning committee to:

1. Identify the reason the student did not perform satisfactorily; and
2. Determine, in order to ensure the student performs satisfactorily on the assessment instrument at the next administration of the assessment instrument, whether the educational plan developed for the student must be modified to provide the necessary accelerated instruction for that student and any additional resources are required for that student.

The superintendent's designee may be an employee of a regional education service center and may not be a person who served on the student's accelerated learning committee.

Education Code 28.0211(f-4)–(f-5)

ARD Meeting

The admission, review, and dismissal (ARD) committee of a student who does not perform satisfactorily on a third, fifth, or eighth grade math or reading assessment must meet to determine the manner in which the student will participate in an accelerated instruction program. *Education Code 28.0211(i)*

Parent Request

Each district shall establish a process allowing for the parent or guardian of a student who fails to perform satisfactorily on a third, fifth, or eighth grade math or reading assessment to make a request for district consideration that the student be assigned to a particular classroom teacher in the applicable subject area for the subsequent school year, if more than one classroom teacher is available. *Education Code 28.0211(a-5)*

*Classroom
Assignment*

A student who fails to perform satisfactorily on a third, fifth, or eighth grade math or reading assessment and is promoted to the next grade level must be assigned in the subsequent school year in each subject in which the student failed to perform satisfactorily on the applicable assessment instrument to an appropriately certified teacher who meets all state and federal qualifications to teach that subject and grade.

In a manner consistent with federal law and notwithstanding any other law, the commissioner may waive the requirement regarding the assignment of a student to an appropriately certified classroom teacher on the request of a district.

Education Code 28.0211(n)–(n-1)

*Accelerated
Instruction*

Each time a student fails to perform satisfactorily on a state assessment instrument in the third, fourth, fifth, sixth, seventh, or eighth grade [see EKB], the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4) [see below].

*Participation
Requirements*

Accelerated instruction provided during the following school year may require participation of the student before or after normal school hours.

In providing accelerated instruction, a district may not remove a student, except under circumstances for which a student enrolled in the same grade level who is not receiving accelerated instruction would be removed, from:

1. Instruction in the foundation curriculum and enrichment curriculum adopted under Education Code 28.002 [see EHA series] for the grade level in which the student is enrolled; or
2. Recess or other physical activity that is available to other students enrolled in the same grade level.

*Supplemental
Instruction
Requirements*

Notice to Parents of
Performance and
Accelerated
Instruction

Assessments Not
Required

Education Code 28.0211 does not require the administration of a fifth or eighth grade assessment instrument in a subject under Education Code 39.023(a) to a student enrolled in the fifth or eighth grade, as applicable, if the student:

1. Is enrolled in a course in the subject intended for students above the student's grade level and will be administered an

assessment instrument adopted or developed under Education Code 39.023(a) [see EKB] that aligns with the curriculum for the course in which the student is enrolled; or

2. Is enrolled in a course in the subject for which the student will receive high school academic credit and will be administered an end-of-course assessment instrument [see EKB] for the course.

Notwithstanding any other provision of Education Code 28.0211, the student may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student, nor may a student in grade 5 or grade 8 be denied promotion to the next grade on the basis of failure to perform satisfactorily on a reading or mathematics assessment instrument intended for use above the student's grade level.

Education Code 28.0211(o)–(p)

Accelerated
Instruction After
EOC Assessments

A district shall provide accelerated instruction to an enrolled student who has taken an end-of-course (EOC) assessment instrument and has not performed satisfactorily or who is at risk of dropping out of school.

A district shall offer before the next scheduled administration of the assessment instrument, without cost to the student, additional accelerated instruction to each student in any subject in which the student failed to perform satisfactorily on an end-of-course assessment instrument required for graduation.

A district that is required to provide accelerated instruction must separately budget sufficient funds for that purpose. [See CE]

“Online School (OLS) program” is a full-time, virtual instructional program that is made available through an approved course provider and is designed to serve students in grades 3–12 who are not physically present at school. *19 TAC 70.1001(7)*

A TXVSN OLS may serve students in grades 3–12 but may not serve students in kindergarten–grade 2.

A school district that operates a TXVSN OLS that serves students in full-time virtual instruction shall, prior to the start of each academic year, notify TEA of grade levels to be served and the total number of students to be served during that academic year. A school district may not add grade levels after the start of the school year.

A TXVSN OLS or a school district wishing to add additional grade levels to its online program shall certify that the OLS has courses sufficient to comprise a full instructional program for each additional grade level to be served by the OLS prior to serving that grade level.

School districts approved to serve as TXVSN OLSs shall follow the TEA procedures related to obtaining a campus number for the virtual campus through which they serve their TXVSN OLS students.

School districts serving as TXVSN OLSs must follow all requirements in 19 Administrative Code 70.1011.

19 TAC 70.1011

Statewide Course Catalog

“Statewide course catalog” is a supplemental online high school instructional program available through approved providers. *19 TAC 70.1001(10)*

Course Providers

A TXVSN course provider is an entity that provides an electronic course through the TXVSN. Course providers include TXVSN OLSs and providers in the statewide course catalog. *19 TAC 70.1001(8)*

Electronic Course

“Electronic course” means an educational course in which:

1. Instruction and content are delivered primarily over the internet;
2. A student and teacher are in different locations for a majority of the student’s instructional period;
3. Most instructional activities take place in an online environment;
4. The online instructional activities are integral to the academic program;
5. Extensive communication between a student and a teacher and among students is emphasized; and
6. A student is not required to be located on the physical premises of a school district or open-enrollment charter school.

An electronic course is the equivalent of what would typically be taught in one semester. For example: English IA is treated as a single electronic course and English IB is treated as a single electronic course.

A student taking a course through the TXVSN statewide course catalog or a TXVSN OLS program is considered to:

1. Be enrolled in a TXVSN course when he or she begins receiving instruction and actively engages in instructional activities in a TXVSN subject area or course;
2. Have successfully completed a course if the student demonstrates academic proficiency and earns credit for the course, as determined by the TXVSN teacher; and

Based upon successful completion of a TXVSN course for students in grades 9–12 or a TXVSN OLS instructional program for students in grades 3–8, students are considered to have met attendance requirements for that course or program. A student who has successfully completed the grade level or course is eligible to receive any weighted funding for which the student is eligible.

For audit purposes, TXVSN course providers and TXVSN receiver districts shall maintain documentation to support the students' successful completion and to support verification of compulsory attendance.

"TXVSN receiver district" means a Texas public school district that has students enrolled in the school district who take one or more online courses through the TXVSN statewide course catalog.

The policy must be consistent with the requirements regarding notice, enrollment requests, and students with disabilities as described below.

A district shall, at least once per school year, send to a parent of each district student enrolled at the middle or high school level a copy of the policy. A district may send the policy with any other information that the district sends to a parent.

Education Code 30A.007; 19 TAC 70.1033

Notice

At the time and in the manner that a district informs students and parents about courses that are offered in the district's traditional

classroom setting, the district shall notify parents and students of the option to enroll in an electronic course offered through the TXVSN.

*Requests to
Enroll*

Except as provided below, a district may not deny the request of a parent of a full-time student to enroll the student in an electronic course offered through the TXVSN.

A district may deny a request to enroll a student in an electronic course if:

1. A student attempts to enroll in a course load that is inconsistent with the student's high school graduation plan or requirements for college admission or earning an industry certification;
2. The student requests permission to enroll in an electronic course at a time that is not consistent with the enrollment period established by the district providing the course; or
3. The district offers a substantially similar course.

The course provider shall make all reasonable efforts to accommodate the enrollment of a student in the course under special circumstances.

If a parent of a student requests permission to enroll the student in a TXVSN course, a district has discretion to select a course provider approved by TEA for the course in which the student will enroll based on factors including the informed choice report required by Education Code 30A.108(b).

Appeals

A parent may appeal to the commissioner a district's decision to deny a request to enroll a student in an electronic course offered through the TXVSN. The commissioner's decision under this subsection is final and may not be appealed.

*Students with
Disabilities*

For purposes of the policy, the determination of whether or not an electronic course will meet the needs of a student with a disability shall be made by the student's admission, review, and dismissal (ARD) committee in a manner consistent with state and federal law, including the Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., and Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794. *Education Code 30A.007(b)*

Inducements for Enrollment Prohibited	<p>A course provider may not promise or provide equipment or any other thing of value to a student or a student's parent as an inducement for the student to enroll in an electronic course offered through the TXVSN. The commissioner shall revoke approval of electronic courses offered by a course provider that violates this prohibition. The commissioner's action under this section is final and may not be appealed. <i>Education Code 30A.1052</i></p>

If the district declines to pay the cost, a student is able to enroll in additional electronic courses at the student's cost. <i>Education Code 26.0031(c-1)</i></p>

Course Cost

A district may charge the course cost for enrollment in a TXVSN course to a student who resides in this state and:

1. Is enrolled in the district as a full-time student with a course load greater than that normally taken by students in the equivalent grade level in other school districts; or
2. Elects to enroll in a TXVSN course for which the district in which the student is enrolled as a full-time student declines to pay the cost as authorized by Education Code 26.0031(c-1).

A district may charge the course cost for enrollment in a TXVSN course during the summer.

A district shall charge the course cost for enrollment in a TXVSN course to a student who resides in this state and is not enrolled in a school district or open-enrollment charter school as a full-time student.

A TXVSN course cost may not exceed the lesser of the cost of providing the course or \$400.

A district may decline to pay the course costs for a student who chooses to enroll in more than three year-long electronic courses, or the equivalent, during any school year. This does not limit the ability of the student to enroll in additional electronic courses offered through the TXVSN at the student's expense.

A district that is not the course provider may charge a student enrolled in the district a nominal fee, not to exceed \$50, if the student enrolls in a TXVSN course that exceeds the course load normally taken by students in the equivalent grade level.

A course provider in the TXVSN statewide course catalog shall receive:

1. No more than 70 percent of the catalog course cost prior to a student successfully completing the course; and
2. The remaining 30 percent of the catalog course cost when the student successfully completes the course.

Education Code 30A.155(a)-(c-1); 19 TAC 70.1025

Educators of
Electronic Courses

Each instructor of an electronic course, including a dual credit course, offered through the TXVSN by a course provider must be certified under Education Code Chapter 21, Subchapter B, to teach that course and grade level or meet the credentialing requirements of the institution of higher education with which they are affiliated and that is serving as a course provider.

In addition, each instructor must successfully complete one continuing professional development course specific to online learning every three years, and:

1. Successfully complete a professional development course or program approved by TXVSN central operations before teaching an electronic course offered through the TXVSN; or

Each instructor of an electronic course, including a dual credit course, offered through the TXVSN by a course provider must meet highly qualified teacher requirements under the Elementary and Secondary Education Act, as applicable.

TXVSN course providers shall affirm the preparedness of teachers of TXVSN electronic courses to teach public school-age students in a highly interactive online classroom and shall:

1. Maintain records documenting:
 - a. Valid Texas educator certification credentials appropriate for the instructor's TXVSN assignment;
 - b. Successful initial completion of TXVSN-approved professional development, evidence of prior online teaching, or a graduate degree in online or distance learning; and
 - c. Instructors' demonstrated mastery of the iNACOL National Standards for Quality Online Teaching prior to teaching through the TXVSN;
2. Conduct and maintain records for background checks;
3. Maintain records of successful completion of continuing professional development;
4. Maintain records documenting successful completion of TXVSN-approved professional development before the end of the school year for any instructor who is hired after the school year has begun; and

5. Make the records specified in this subsection available to TEA and TXVSN central operations upon request.

19 TAC 70.1027

Revocation

The commissioner may revoke the right to participation in the TXVSN based on any of the following factors:

1. Noncompliance with relevant state or federal laws;
2. Noncompliance with requirements and assurances outlined in the contractual agreements with TXVSN central operations and/or these provisions and Education Code Chapter 30A; or
3. Consistently poor student performance rates as evidenced by results on statewide student assessments, student withdrawal rates, student completion rates, successful completion rates, or campus accountability ratings.

19 TAC 70.1029

Applicability

Unless a district chooses to participate in providing an electronic course or an electronic diagnostic assessment under Education Code Chapter 30A to a student who is located on the physical premises of a school district or open-enrollment charter school, Chapter 30A does not affect the provision of a course to such a student.

Requirements imposed by or under Education Code Chapter 30A do not apply to a virtual course provided by a district only to district students if the course is not provided as part of the TXVSN.

Education Code 30A.004

Average Daily Attendance for Certain Programs

A district may provide one or more off-campus electronic courses, an off-campus electronic program, or an instructional program that combines in-person instruction and off-campus electronic instruction to students enrolled in the district who have reasonable access to in-person services at a district or school facility. Off-campus electronic instruction for a course or program provided under this provision may be provided synchronously or asynchronously. A student enrolled in a course or program provided under this provision shall be counted toward the district's average daily attendance in the same manner as other district students. The off-campus electronic instruction for a course or program provided under this provision shall be counted for average daily attendance (ADA) in accordance with Education 48.0071 and commissioner-adopted rule. *Education Code 48.0071(a)–(b)*

[For information regarding a local remote learning program, authorized by Education Code 29.9091, see EHDF.]

Note: The local remote learning program is a specially authorized program under the Education Code. The provisions below are set to expire on September 1, 2023. For information about other remote instruction, including the TxVSN and distance learning and correspondence courses, see EHDE.

A district assigned an overall performance rating of C or higher under Education Code 39.054 [see AIA] for the preceding school year or the most recent school year in which a performance rating was assigned may operate a local remote learning program to offer virtual courses outside the state virtual school network to eligible students.

District Requirements

A district that operates a full-time local remote learning program must include in the program at least one grade level in which a state assessment instrument is required to be administered under Education Code 39.023(a), including each subject for which an assessment instrument is required or a complete high school program, including each course for which an end-of-course assessment instrument is required to be administered under Education Code 39.023(c) [see EKB].

The district must offer the option for a student's parent or person standing in parental relation to select in-person instruction for the student.

Type of Instruction

A virtual course offered under a local remote learning program may be provided through synchronous instruction, asynchronous instruction, or a combination of synchronous and asynchronous instruction; and may be provided in combination with in-person instruction as appropriate to meet the needs of individual students.

Student Eligibility

A student is eligible to enroll in a virtual course offered under a local remote learning program if the student is enrolled in a district, has reasonable access to in-person services for the course at a district facility, and meets any additional criteria, including minimum academic standards, established by the district in which the student is enrolled.

Student Performance and Attendance

A district that operates a local remote learning program shall periodically assess the performance of students enrolled in virtual courses under the program.

A district that operates a local remote learning program may not count a student for purposes of calculating the district's average

daily attendance if the student has ten or more unexcused absences in the program in a six-month period.

Education Code 29.9091(a)–(e)(1), (e)(3)

Returning a Student to In-Person Instruction

A district that operates a local remote learning program may remove a student from virtual courses under the program and return the student to in-person instruction if the district determines that the student does not meet the criteria described at Student Eligibility, above.

A district may remove a student from virtual courses only if the district establishes a process to ensure that each student and the student's parent or person standing in parental relation have sufficient notice and opportunity to provide input before the student is removed from those courses.

Education Code 29.9091(e)(2), (f)

Contract with a District

A district may contract with another district or open-enrollment charter school to allow a student enrolled in the sending district to enroll in virtual courses offered under the local remote learning program of the receiving district. A student enrolled in virtual courses under an agreement described by this provision is considered enrolled in the sending district for purposes of average daily attendance [see FEB] and accountability under Chapters 39 and 39A [see AIB].

State Assessment

A state assessment instrument administered under Education Code 39.023 or 39.025 [see EKB] to a student enrolled in a virtual course offered under a local remote learning program shall be administered to the student in the same manner in which the assessment instrument is administered to other district students.

Special Education

If a district offers virtual courses under a local remote learning program for students receiving special education services, the courses must meet the needs of a participating student in a manner consistent with Education Code Chapter 29, Subchapter A (special education program) and with federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.) and Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794).

Teacher Requirements

A teacher may not provide instruction for a virtual course offered under a full-time local remote learning program unless the teacher has completed a professional development course on virtual instruction.

A district may not directly or indirectly coerce any teacher to agree to an assignment to teach a full-time local remote learning program.

A district may not require a teacher to provide both virtual instruction and in-person instruction for a course during the same class period. The commissioner may waive this requirement for courses included in the enrichment curriculum under Education Code 28.002 [see EHAA].

**Extracurricular
Activities**

A student enrolled in a virtual course offered under a local remote learning program may participate in an extracurricular activity sponsored or sanctioned by the district in which the student is enrolled or by the University Interscholastic League in the same manner as other district students.

**Attendance
Accounting**

A student enrolled in a virtual course offered under a local remote learning program shall be counted toward the district's average daily attendance in the same manner as other district students, unless the student has ten or more unexcused absences in the program in a six-month period. The commissioner shall adopt rules providing for a method of taking attendance, once each school day, for students enrolled in a virtual course offered under a local remote learning program.

Education Code 29.9091(g)–(n)

Except for students enrolled in programs or courses offered under Education Code Chapter 30A (Texas Virtual School Network) or Education Code 48.053 (allotment for certain special purpose districts), a district may not count for purposes of calculating the district's average daily attendance a student who received virtual or remote instruction for a majority of the instructional days during the preceding school year if the student:

1. Did not achieve satisfactory performance or higher or the equivalent in the preceding school year on:
 - a. Each state assessment instrument administered to the student under Education Code 39.023 or 39.025; or
 - b. If the student was not administered a required state assessment instrument during the preceding school year, an assessment instrument designed to show grade-level proficiency in the essential knowledge and skills identified under Education Code 28.002 by the State Board of Education for the student's grade level;

2. Had a number of unexcused absences that exceeds ten percent of the number of instructional days in the preceding school year; or
3. Did not earn a grade of C or higher or the equivalent in each of the foundation curriculum courses taken virtually or remotely in the preceding school year.

Education Code 48.005(m-1)

TXVSN

Education Code Chapter 30A (Texas Virtual School Network) does not apply to a virtual course offered under a local remote learning program. Education Code 29.9091 does not prohibit a student enrolled in a district that operates a local remote learning program from enrolling in courses offered through the state virtual school network. *Education Code 29.9091(o)–(p)*

Enrollment Cap

A district that operates a local remote learning program may not enroll in the program a number of students that exceeds ten percent of the total number of students enrolled in the district during the 2021–22 school year. The commissioner may waive this provision on application by a district in response to a public health emergency.

In calculating the number of students that may be enrolled in a local remote learning program, a district shall count students who spend at least half of the student's instructional time during the 2021–22 school year or 2022–23 school year, as applicable, enrolled in virtual courses or receiving remote instruction, other than by enrollment in electronic courses offered through the state virtual school network, including students enrolled in virtual courses or who received remote instruction during the 2021–22 school year or 2022–23 school year, as applicable, because the student was:

1. Medically fragile;
2. Placed in a virtual setting by an admission, review, and dismissal committee; or
3. Receiving accommodations under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794).

Individual
Graduation
Committee

A student may receive a diploma if the person is eligible for a diploma as determined by an individual graduation committee (IGC) established under Education Code 28.0258. *Education Code 28.025(c-6)*

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. A student's admission, review, and dismissal (ARD) committee determines whether a student is required to achieve satisfactory performance on an end-of-course (EOC) assessment to graduate. *19 TAC 74.1025(n)* [See EHBAB]

For each 11th or 12th grade student who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses, the district shall establish an IGC at the end of or after the student's 11th grade year to determine whether the student may qualify to graduate. A student may not qualify to graduate as a result of an IGC decision before the student's 12th grade year.

The IGC shall be composed of:

1. The principal or principal's designee;
2. For each EOC assessment instrument on which the student failed to perform satisfactorily, the teacher of the course;
3. The department chair or lead teacher supervising the teacher(s) above; and
4. As applicable:
 - a. The student's parent or person standing in parental relation to the student;
 - b. A designated advocate if the parent is unable to serve; or
 - c. The student, at the student's option, if the student is at least 18 years of age or is an emancipated minor.

The superintendent shall establish procedures for convening the committee.

The district shall provide an appropriate translator, if available, for a parent, advocate, or student who is unable to speak English.

Education Code 28.0258(a)–(c), (c-2); 19 TAC 74.1025(b)

A district may not establish an initial IGC for eligible students after June 10 or before the start of the next school year. Once the IGC has been established, it is the original IGC for that student.

If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

In the event that the student's parent or person standing in parental relation to the student is unavailable to participate in the IGC, the principal shall designate an advocate with knowledge of the student to serve as an alternate member of the committee.

19 TAC 74.1025(c), (e), (g)–(i)

Notice

A district shall ensure a good faith effort is made to timely notify the appropriate person described under item 4 above of the time and place for convening the IGC and the purpose of the committee. The notice must be provided in person or by regular mail or email; clear and easy to understand; and written in English, in Spanish, or, to the extent practicable, in the native language of the appropriate person. *Education Code 28.0258(d)*

*Curriculum
Requirements*

To be eligible to graduate and receive a high school diploma from the IGC, a student must successfully complete the curriculum requirements required for high school graduation. [See State Graduation Requirements, below] *Education Code 28.0258(e)*

*Additional
Requirements to
Graduate*

A student's IGC shall recommend additional requirements by which the student may qualify to graduate, including additional remediation; and for each EOC assessment instrument on which the student failed to perform satisfactorily:

1. The completion of a project related to the subject area of the course that demonstrates proficiency in the subject area; or
2. The preparation of a portfolio of work samples in the subject area of the course, including work samples from the course that demonstrate proficiency in the subject area.

A student may submit to the IGC coursework previously completed to satisfy a recommended additional requirement.

Education Code 28.0258(f), (g)

In determining whether a student is qualified to graduate, the committee shall consider the criteria at Education Code 28.0258(h) and any other academic information designated for consideration by the board. After considering the criteria, the committee may determine that the student is qualified to graduate. A student may graduate and receive a high school diploma on the basis of the committee's decision only if the student successfully completes all additional requirements recommended by the committee, the student meets applicable curriculum requirements, and the committee's vote is unanimous. The decision of a committee is final and may not be appealed. *Education Code 28.0258(i)*

The high school diploma may not be issued before the graduation date of the class in which the student was enrolled at the time of death.
<i>Exception</i>	A district is not required to issue a posthumous diploma if the student was convicted of a felony offense under Title 5 or 6, Penal

Code, or adjudicated as having engaged in conduct constituting a felony offense under Title 5 or 6, Penal Code.

*Students
Receiving
Special

Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and

2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

A student must demonstrate proficiency in the program requirements listed at 19 Administrative Code 74.73. <i>Education Code 28.025; 19 TAC 74.63, .73</i>
<i>Advanced / Distinguished Achievement High School Program</i>	A student who entered grade 9 in the 2012–13 or 2013–14 school year must earn at least 26 credits to complete the Advanced/Distinguished Achievement High School Program. A student must demonstrate proficiency in the program requirements listed at 19 Administrative Code 74.74. <i>Education Code 28.025; 19 TAC 74.64, .74</i>
<i>Substitutions</i>	No substitutions are allowed for high school graduation requirements in the Recommended and Advanced/Distinguished Achievement High School Programs, except as provided by State Board rule. <i>19 TAC 74.63(d), .64(e), .73(d), .74(e)</i>
<i>AP or IB Courses</i>	College Board advanced placement and international baccalaureate courses may be substituted for required courses in appropriate

areas. These courses may be used as electives in all three high school graduation programs. *19 TAC 74.61(k), .71(i)*

Reading

A district may offer a maximum of 3 credits of reading for state graduation elective credit for identified students if the district:

1. Adopts policies to identify students in need of additional reading instruction;
2. Has procedures that include assessment of individual student needs and ongoing evaluation of each student's progress; and
3. Monitors instructional activities to ensure that student needs are addressed.

Reading credits may be selected from Reading I, II, or III.

19 TAC 74.61(h), .71(f)

College Courses

A student may comply with the curriculum requirements under the Minimum, Recommended, or Advanced/Distinguished Achievement High School Program for each subject of the foundation curriculum and for languages other than English by successfully completing appropriate courses in the core curriculum of an IHE. *19 TAC 74.61(l), .71(j)*

*Physical
Education
Substitutions*

In accordance with local district policy, credit for any physical education course may be earned through participation in the following activities:

Other Physical
Activity

1. Athletics;
2. JROTC; and
3. Appropriate private or commercially sponsored physical activity programs conducted on or off campus. A district must apply to the commissioner for approval of such programs, which may be substituted for state graduation credit in physical education. Such approval may be granted under the following conditions:
 - a. Olympic-level participation and/or competition includes a minimum of 15 hours per week of highly intensive, professional, supervised training. The training facility, instructors, and the activities involved in the program must be certified by the superintendent to be of exceptional quality. Students qualifying and participating at this level may be dismissed from school one hour per day. Students dismissed may not miss any class other than physical education.

- b. Private or commercially sponsored physical activities include those certified by the superintendent to be of high quality and well supervised by appropriately trained instructors. Student participation of at least five hours per week must be required. Students certified to participate at this level may not be dismissed from any part of the regular school day.

In accordance with local district policy, up to one credit for any one of the physical education courses listed in 19 Administrative Code Chapter 74 [see EHAC] may be earned through participation in any of the following activities:

1. Drill team;
2. Marching band; and
3. Cheerleading.

Restrictions

All substitution activities must include at least 100 minutes per five-day school week of moderate to vigorous physical activity.

No more than four substitution credits may be earned through any combination of substitutions listed above.

*Student with
Disability or
Illness*

A student who is unable to participate in physical activity due to disability or illness may substitute an academic elective credit in English language arts, mathematics, science, or social studies for the required physical education credit. A credit allowed to be substituted may not also be used by the student to satisfy a graduation requirement other than completion of the physical education credit. The determination regarding a student's ability to participate in physical activity must be made by:

1. The student's ARD committee if the student receives special education services under Education Code Chapter 29, Subchapter A;
2. The committee established for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794) if the student does not receive special education services under Education Code Chapter 29, Subchapter A but is covered by the Rehabilitation Act of 1973; or
3. A committee, established by the district, of persons with appropriate knowledge regarding the student if each of the committees described above is inapplicable. This committee must follow the same procedures required of an ARD or a Section 504 committee.

<i>Student with Physical Limitations</i>	<p>If a student entering grade 9 during the 2007–08 school year or thereafter is unable to comply with all of the requirements for a physical education course due to a physical limitation certified by a licensed medical practitioner, a modification to a physical education course does not prohibit the student from earning a Recommended or Advanced/Distinguished High School Program diploma. A student with a physical limitation must still demonstrate proficiency in the relevant knowledge and skills in a physical education course that do not require physical activity.</p> <p><i>Education Code 28.025(b-10)–(b-11); 19 TAC 74.62(b)(7), .63(b)(7), .64(b)(7), .72(b)(6), .73(b)(6), .74(b)(6)</i></p>
Transfers from Out-of-State or Nonpublic Schools	<p>Out-of-state or out-of-country transfer students (including foreign exchange students) and transfer students from Texas nonpublic schools are eligible to receive Texas diplomas but shall complete all applicable high school graduation requirements. Any course credits required for graduation that are not completed before enrollment may be satisfied through credit by examination, correspondence courses, distance learning, or completing the course, according to the provisions of 19 Administrative Code 74.26. <i>19 TAC 74.11(g)</i> [See EHDB, EHDC, EHDE, and EI]</p>
Graduation of Students Receiving Special Education Services	<p>Modified curriculum and modified content refer to any reduction of the amount or complexity of the required knowledge and skills in 19 Administrative Code Chapters 110–117, 126–128, and 130. Substitutions that are specifically authorized in statute or rule must not be considered modified curriculum or modified content. <i>19 TAC 89.1070(k)</i></p>
Modified Curriculum and Content	
Employability and Self-Help Skills	<p>Employability and self-help skills are those skills directly related to the preparation of students for employment, including general skills necessary to obtain or retain employment. <i>19 TAC 89.1070(i)</i></p>
Summary of Academic Achievement and Evaluation	<p>All students graduating must be provided with a summary of academic achievement and functional performance as described in 34 C.F.R. 300.305(e)(3). This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1) (evaluation to determine that the child is no longer a child with a disability), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070(b)(2), (b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C). Students who participate in graduation ceremonies but who are not graduating under subsections (b)(2), (b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C) and who will remain in school to complete their education do not have to be evaluated. <i>19 TAC 89.1070(g)–(h)</i></p>

*Students
Entering Grade 9
in or After the
2014–15 School
Year*

A student entering grade 9 in the 2014–15 school year and thereafter who receives special education services may graduate and be awarded a regular high school diploma if the student meets one of the following conditions:

1. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program applicable to students in general education as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments.
2. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program specified in 19 Administrative Code 74.12 applicable to students in general education but the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation.
3. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program through courses, one or more of which contain modified curriculum that is aligned to the standards applicable to students in general education, as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments, unless the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation. The student must also successfully complete the student's IEP and meet one of the following conditions:
 - a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.
 - b. Consistent with the IEP, the student has demonstrated mastery of specific employability skills and self-help

skills that do not require direct ongoing educational support of the local school district.

- c. The student has access to services that are not within the legal responsibility of public education or employment or educational options for which the student has been prepared by the academic program.
- d. The student no longer meets age eligibility requirements.

When a student receives a diploma under item 2 or 3(a), (b), or (c), above, the ARD committee must determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age eligibility requirements.

19 TAC 89.1070(b), (j)

Endorsements

A student who is enrolled in a special education program may earn an endorsement on the student's transcript by:

- 1. Successfully completing, with or without modification of the curriculum:
 - a. The curriculum requirements identified by the SBOE for the foundation high school program; and
 - b. The additional endorsement curriculum requirements prescribed by the SBOE; and
- 2. Successfully completing all curriculum requirements for that endorsement adopted by the SBOE:
 - a. Without modification of the curriculum; or
 - b. With modification of the curriculum, provided that the curriculum, as modified, is sufficiently rigorous as determined by the student's ARD committee.

The ARD committee of a student in a special education program shall determine whether the student is required to achieve satisfactory performance on an end-of-course assessment instrument to earn an endorsement on the student's transcript.

Education Code 28.025(c-7)–(c-8), 19 TAC 89.1070(c)

*Students
Entering Grade 9
Before the 2014–
15 School Year*

A student receiving special education services who entered grade 9 before the 2014–15 school year may graduate and be awarded a high school diploma under the foundation high school program in accordance with 19 Administrative Code 89.1070.

**Graduation of
Military Dependents**

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII, A, C [See FDD]

**Graduation of
Student Who Is
Homeless or in
Conservatorship of
DFPS**

If an 11th or 12th grade student who is homeless or in the conservatorship of the Department of Family and Protective Services transfers to a different school district and the student is ineligible to graduate from the district to which the student transfers, the district from which the student transferred shall award a diploma at the student's request, if the student meets the graduation requirements of the district from which the student transferred. *Education Code 28.025(i)*

Course Requirements	To graduate, a student must complete the courses required by the District in addition to the courses mandated by the state.
Foundation Program	The courses that satisfy District requirements under the Foundation program, including courses for the distinguished level of achievement and courses for endorsements offered by the District, shall be listed in appropriate District publications.
Without an Endorsement	The District requires no additional credits beyond the number mandated by the state to graduate under the Foundation program without an endorsement. Graduation under the Foundation program without an endorsement shall be permitted only as authorized under state law and rules.
With an Endorsement	The District requires no additional credits beyond the number mandated by the state to graduate under the Foundation program with an endorsement.
Distinguished Level of Achievement	The District requires no additional credits beyond the number mandated by the state to graduate under the Foundation program with the distinguished level of achievement.
No Fine Arts Substitutions	The District shall not award state graduation credit in fine arts for participation in a community-based fine arts program.
Physical Education Substitutions	To the extent permitted by state rules, the District shall award state graduation credit in physical education for participation in approved activities and elective courses.
Activities and Courses	
Private or Commercial Programs	The District shall award state graduation credit in physical education for appropriate private or commercially sponsored physical activity programs conducted either on or off campus, upon approval by the commissioner of education. [See also EHAC]
Financial Aid Application Confirmation	As confirmation of a student's completion and submission of a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA), the District shall accept the following: <ol style="list-style-type: none">1. A screenshot that includes the processed date field in ApplyTexas Counselor Suite FAFSA data;2. Notification, such as a copy of an email, from the United States Department of Education verifying completion of the FAFSA;3. A copy or screenshot of the FAFSA acknowledgment page;4. A screenshot of the TASFA submission acknowledgment page (from those institutions that offer an electronic form);

5. An acknowledgment receipt from an institution of higher education (IHE); or
6. A copy of a financial aid award letter from an IHE.

[For students who choose not to complete and submit a FAFSA or a TASFA, see EIF(LEGAL).]

State Assessment of Academic Skills

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3–8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Emergent Bilingual Students

In grades 3–12, an emergent bilingual student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student’s admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student’s performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student’s developmental level as determined by the student’s ARD committee.

The student’s ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)–(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

*Substitute
Passing Standard*

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

On request by a district, the commissioner may allow the district to administer an assessment instrument on the first instructional day

of a week if administering the assessment instrument on another instructional day would result in a significant administrative burden due to specific local conditions. *Education Code 39.023(c-3)*

*Alternate Test
Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

Test Administration
Training

The commissioner may require training for district employees involved in the administration of the assessment instruments. The commissioner may only require for the employee at each district campus who oversees the administration of the assessment instruments to annually receive the training. The district employee who oversees test administration on a district campus may, with discretion, require other district employees involved in the administration of assessment instruments to repeat the training. *Education Code 39.0304(a), (b-1)–(b-2)*

**Notice to Parents
and Students**

A superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of:

1. The testing requirements for grade advancement [see EIE] and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's kindergarten year, for students attending kindergarten in the district, and no later than the beginning of the student's first-grade year for all other students. The superintendent shall also provide such notice for students in grades 1–8 who are new to the district.
2. The testing requirements for graduation and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The superintendent shall also provide such notice for students in grades 7–12 who are new to the district. Notice of the dates, times, and locations of testing shall be provided to each student who will take the tests and to out-of-school individuals.

19 TAC 101.3012

**Testing in
Grades 3–8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (emergent bilingual students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Social studies in grade 8;
4. Science in grades 5 and 8; and
5. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3–8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student’s enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument above the student’s grade level.

Education Code 28.0211(o)–(p), 39.023(a-2); 19 TAC 101.3011(a)(1)–(4)

Kindergarten
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten
Assessment

Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.0237*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student’s ARD committee shall determine the allowable accommodations and shall document them in the student’s individualized education program (IEP). [See Special Education, above]

19 TAC 101.3013; Education Code 39.023(a)–(c), (n); 34 C.F.R. 300.320(a)(6)

**End-of-Course
Assessments**

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history. The Algebra I EOC assessment instrument must be administered with the aid of technology, but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must provide a single score. A district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

Education Code 39.023(c)

Students Enrolled
Below High School
Level

Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment
Requirements for
Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

Exceptions

English I or
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English language learners who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

Credits Earned
Prior to
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment.

19 TAC 101.3021(e), .3022

Substitute
Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student's assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who qualifies for use of the Texas Success Initiative (TSI) as a substitute assessment and is enrolled in certain college preparatory courses).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a Texas Success Initiative Assessment (TSIA) or a Texas Success Initiative Assessment, Version 2.0 (TSIA2) also meets the additional criteria of 19 Administrative Code 101.4002(d).

*TSI Additional
Criteria*

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSIA or TSIA2 as a substitute assessment.

Accountability
Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

19 TAC 101.4002

Verification of Results

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Satisfactory Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

Individual Graduation Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate.

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment

while enrolled in a special education program is not required to re-take and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See Individual Graduation Committee, above]

19 TAC 101.3022(f)

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

Beginning with the 2011–12 school year, all grades 9–12 students with significant cognitive disabilities who are assessed with an alternate assessment as specified in the student's IEP will be assessed using alternate versions of EOC assessments as listed in 19 Administrative Code 101.3011(b)(2).

19 TAC 101.3023(a), (b)

Credit by
Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Additional State
Assessments

TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. *Education Code 39.023(c-2)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to

retake the assessment if the student is required to retake the course.

Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)

Reporting Results

To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board

A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.

To Parents,
Students, and
Teachers

A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or school. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

Parents Right-to-
Know Under ESEA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*

Parental Access

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access

does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005, .006(a)(2)*

**Out-of-State
Transfers**

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014

**Accelerated
Instruction**

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) in the third, fourth, fifth, sixth, seventh, or eighth grade, the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4). [See EHBC]

Education Code 28.0211(a-1)

A district shall provide each student who fails to perform satisfactorily on an EOC assessment instrument with accelerated instruction under Education Code 28.0217 in the subject assessed by the assessment instrument. *Education Code 39.025(b-1)* [See EHBC]

College Readiness

Each district shall partner with at least one institution of higher education to develop and provide courses in college preparatory mathematics and English language arts. The courses must be designed:

1. For students at the grade 12 level whose performance on:
 - a. An EOC assessment instrument required under Education Code 39.023(c) does not meet college readiness standards; or

- b. Coursework, a college entrance examination, or an assessment instrument designated under Education Code 51.334(a) indicates that the student is not ready to perform entry-level college coursework; and
2. To prepare students for success in entry-level college courses.

A course must be provided on the campus of the high school offering the course or through distance learning or as an online course provided through the institution of higher education with which the district partners.

Faculty Appropriate faculty of each high school offering courses and appropriate faculty of each institution of higher education with which the district partners shall meet regularly as necessary to ensure that each course is aligned with college readiness expectations.

Notice Each district shall provide a notice to each eligible student and the student's parent or guardian regarding the benefits of enrolling in a course.

Credit Earned A student who successfully completes an English language arts course may use the credit earned toward satisfying the advanced English language arts curriculum requirement for the foundation high school program under Education Code 28.025(b-1)(1). A student who successfully completes a mathematics course may use the credit earned in the course toward satisfying an advanced mathematics curriculum requirement under Education Code 28.025 after completion of the mathematics curriculum requirements for the foundation high school program under Education Code 28.025(b-1)(2).

Dual Credit A course may be offered for dual credit at the discretion of the institution of higher education with which a district partners.

Instructional Materials Each district, in consultation with the institution of higher education with which the district partners, shall develop or purchase instructional materials for a course consistent with Education Code Chapter 31. The instructional materials must include technology resources that enhance the effectiveness of the course and draw on established best practices.

Education Code 28.014

Security and Confidentiality

All assessment instruments included in the student assessment program are considered secure, and the contents of these tests, including student information used or obtained in their administration, are confidential.

Districts and campuses and the superintendent and campus principals in each district and campus shall:

3. Report all confirmed testing violations to TEA within ten working days of the district becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;
4. Ensure that the only individuals with access to secure test materials are district employees who have:
 - a. Met the requirements to participate in the student assessment program;
 - b. Received training in test security and test administration procedures; and
 - c. Signed an oath affirming they understand their obligation to maintain and preserve the security and confidentiality of all state assessments and student information, acknowledge their responsibility to report any suspected testing violation, and are aware of the range of penalties that may result from a violation of test security and confidentiality or a departure from test administration procedures; and
5. Ensure the security of the test materials as required by 19 Administrative Code 101.3031(a)(2)(E).

13. Failing to implement sufficient procedures to prevent student cheating; and
14. Failing to implement sufficient procedures to prevent alteration of test documents by anyone other than the student.

Consequences

If a district determines that a student has cheated or attempted to cheat on a state assessment either by providing or receiving direct assistance, the district shall invalidate the student's test results.

Any violation of test security or confidential integrity may result in TEA:

1. Invalidating student test results;
2. Referring certified educators to the State Board for Educator Certification (SBEC) for sanctions in accordance with 19 Administrative Code Chapter 247 (Educators' Code of Ethics) and Chapter 249 (Disciplinary Proceedings, Sanctions, and Contested Cases); and

The superintendent and campus principal must develop procedures to ensure the security and confidentiality of the tests and will be responsible for notifying TEA in writing of conduct that violates the security or confidentiality of a test. Failure to report can subject the person responsible to the applicable penalties.

19 TAC 249.15(a)-(b), (g)

Limitations

A parent or person standing in parental relation is not entitled to remove the parent's child from a class or other school activity to avoid a test or to prevent the child from taking a subject for an entire semester. This provision does not exempt a child from satisfying grade level or graduation requirements in a manner acceptable to the district and the Texas Education Agency (TEA).

Education Code 26.002, .010

3. An individual should be discriminated against or receive adverse treatment solely or partly because of the individual's race or sex;
4. An individual's moral character, standing, or worth is necessarily determined by the individual's race or sex;
5. An individual, by virtue of the individual's race or sex, bears responsibility, blame, or guilt for actions committed by other members of the same race or sex;

A district may take appropriate action involving the employment of any teacher, administrator, or other employee based on the individual's compliance with state and federal laws and district policies.

Education Code 28.0022 may not be construed as prohibiting a teacher employed by a district from directing a classroom activity that involves students communicating with an elected official so long as the district, school, or teacher does not influence the content of a student's communication.

Education Code 28.0022(e)–(g)

**Absences
Considered**

In order to receive credit or a final grade for a class, a student is required to attend class 90 percent of the days class is offered regardless of whether the student's absences are excused [see FEA] or unexcused. *Atty. Gen. Op. JC-0398 (2001)*

90 Percent Rule

Except as provided below, a student in any grade level from kindergarten through grade 12 shall not be given credit or a final grade for a class unless the student is in attendance 90 percent of the days the class is offered. This restriction does not affect a student's right to excused absences to observe religious holy days [see FEA] and does not apply to a student who receives credit by examination for a class as provided by Education Code 28.023. [See EHDC]

Serious or Life-Threatening Illness Exception

A student's excused absence resulting from a serious or life-threatening illness or related treatment [see FEA] may not be considered in determining whether the student has satisfied the attendance requirement under the 90 percent rule.

Local Remote Learning Program Exception

A district may adopt a policy to exempt students from the requirements of the 90 percent rule for one or more courses identified in the policy that are offered under a local remote learning program [see EHDF].

Principal's Plan

A student who is in attendance for at least 75 percent but less than 90 percent of the days a class is offered may be given credit or a final grade if the student completes a plan approved by the school's principal that provides for the student to meet the instructional requirements of the class. However, a student under the jurisdiction of a court in a criminal or juvenile justice proceeding may not receive credit or a final grade without the consent of the judge presiding over the student's case.

**Extenuating
Circumstances**

An attendance committee may give class credit or a final grade to a student because of extenuating circumstances. A board shall establish guidelines for determining what constitutes extenuating circumstances.

A board shall adopt policies that establish alternative ways for students to make up work or regain credit or a final grade lost because of absences. The alternative ways must include at least one option that does not require a student to pay a fee. The availability of such option must be substantially the same as the availability of the educational program for which a district may charge a fee. [See FP]

**Attendance
Committee**

A board shall appoint one or more attendance committees to hear petitions for class credit or a final grade by students who have not met the 90 percent rule and have not earned class credit or a final

grade by completing a principal's plan. Classroom teachers shall comprise a majority of the attendance committee.

Appeal

If the committee denies a student credit or a final grade, the student may appeal the decision to the board. A board's decision may be appealed to the district court of the county in which the district's central administrative office is located.

Additional Duties

A certified employee may not be assigned additional instructional duties as a result of the above provision outside of the regular workday unless the employee is compensated for the duties at a reasonable rate of pay.

Education Code 25.092

**Trauma-Informed
Care Program**

The District's trauma-informed care program, as included in the District improvement plan, shall provide for the integration of trauma-informed care practices in the school environment, including increasing staff and parent awareness of trauma-informed care, implementation of trauma-informed practices and care by District and campus staff, and providing information about available counseling options for students affected by trauma or grief.

Training

The District shall provide training in trauma-informed care to District educators as required by law and the Board-approved District professional development plan. The District improvement plan shall specify required training for any other District employees as applicable.

Policy and Program to Address Sexual Abuse, Trafficking, and Maltreatment

A district shall provide child abuse antivictimization programs in elementary and secondary schools. *Education Code 38.004*

A district shall adopt and implement a policy addressing sexual abuse, sex trafficking, and other maltreatment of children, to be included in the district improvement plan [see BQ] and any information handbook provided to students and parents. *Education Code 38.0041(a)*

The policy included in any informational handbook provided to students and parents must address the following:

1. Methods for increasing staff, student, and parent awareness of issues regarding sexual abuse, trafficking, and other forms of maltreatment of children, including prevention techniques and knowledge of likely warning signs indicating that a child may be a victim;
2. Actions a child who is a victim of sexual abuse, trafficking, or other maltreatment should take to obtain assistance and intervention; and
3. Available counseling options for students affected by sexual abuse, trafficking, or other maltreatment.

and Psychological
Testing

An employee may not use or threaten to use the refusal of a parent, guardian, or managing or possessory conservator to administer or consent to the administration of a psychotropic drug to a child, or to consent to any other psychiatric or psychological testing or treatment of the child, as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or

2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Education Code 26.0091; Family Code 261.111(a) [See FFEB]

**Immunity from
Liability**

A person acting in good faith who reports or assists in the investigation of a report of alleged child abuse or neglect or who testifies or otherwise participates in a judicial proceeding arising from a report, petition, or investigation of alleged child abuse or neglect is immune from any civil or criminal liability that might otherwise be incurred or imposed. *Family Code 261.106*

A district may not suspend or terminate the employment of, or otherwise discriminate against, or take any other adverse employment action against a professional who makes a good faith report of abuse or neglect. *Family Code 261.110(b)* [See DG]

Criminal Offenses

Failure to Report

A person commits a Class A misdemeanor if he or she is required to make a report under Family Code 261.101(a) [see Duty to Report, above] and knowingly fails to make a report as provided by law.

A person who is a professional commits a Class A misdemeanor if the person is required to make a report under Family Code 261.101(b) [see Duty to Report] and knowingly fails to make a report as provided by law. The professional commits a state jail felony if he or she intended to conceal the abuse or neglect.

Family Code 261.109

False Report

A person commits an offense if, with the intent to deceive, the person knowingly makes a report of abuse and neglect that is false. The offense is a state jail felony, except that it is a felony of the third degree if the person has previously been convicted of the offense. *Family Code 261.107(a)*

Coercion

A public servant, including as a school administrator, who coerces another into suppressing or failing to report child abuse or neglect to a law enforcement agency commits a Class C misdemeanor offense. *Penal Code 39.06*

**SBEC Disciplinary
Action**

The State Board for Educator Certification (SBEC) may take any of the actions listed in 19 Administrative Code 249.15(a) (impositions, including revocation of a certificate and administrative penalties) based on satisfactory evidence that the person has failed to report or has hindered the reporting of child abuse pursuant to Family Code 261.001, or has failed to notify the SBEC, the commissioner of education, or the school superintendent or director under the circumstances and in the manner required by Education Code 21.006, 21.0062, 22.093, and 19 Administrative Code 249.14(d)–(f). *19 TAC 249.15(b)(4)*

Note: The following legal provisions address child abuse and neglect investigations generally. See GRA for additional legal provisions addressing notification requirements and right of access to students when DFPS investigates reports of abuse and neglect at school.

Investigations

Reports to District

If DFPS initiates an investigation and determines that the abuse or neglect involves an employee of a public elementary or secondary school, and that the child is a student at the school, the department shall orally notify the superintendent of the district in which the employee is employed. *Family Code 261.105(d)*

On request, DFPS shall provide a copy of the completed report of its investigation to the board, the superintendent, and the school principal, unless the principal is alleged to have committed the abuse or neglect. The report shall be edited to protect the identity of the person who made the report. *Family Code 261.406(b)*

Interview of Student The investigating agency shall be permitted to interview the child at any reasonable time and place, including at the child's school. *Family Code 261.302(b)* [See GRA]

Interference with Investigation A person may not interfere with an investigation of a report of child abuse or neglect conducted by DFPS. *Family Code 261.303(a)*

Confidentiality A photograph, videotape, audiotape, or other audio or visual recording, depiction, or documentation of a child that is made by DFPS in the course of an inspection or investigation is confidential, is not subject to release under the Public Information Act, and may be released only as required by state or federal law or rules adopted by the DFPS. *Human Resources Code 42.004*

Reporting Policy

A board shall adopt and annually review policies for reporting child abuse and neglect. The policies shall follow the requirements of Family Code Chapter 261. *19 TAC 61.1051(b)*

The policies must require every school employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect to submit a written or oral report to at least one of the authorities listed above [see To Whom Reported, above] within 48 hours or less, as determined by the board, after learning of facts giving rise to the suspicion. *19 TAC 61.1051(b)(1)*

The policies must be consistent with the Family Code, Chapter 261, and 40 Administrative Code Chapter 700 (CPS) regarding investigations by DFPS, including regulations governing investigation of abuse by school personnel and volunteers. [See GRA]

The policies must require a report to DFPS if the alleged abuse or neglect involves a person responsible for the care, custody, or welfare of the child and must notify school personnel of the following:

1. Penalties under Penal Code 39.06 (misuse of official information), Family Code 261.109 (failure to report), and 19 Administrative Code Chapter 249 (actions against educator's certificate) for failure to submit a required report of child abuse or neglect;
2. Applicable prohibitions against interference with an investigation of a report of child abuse or neglect, including:
 - a. Family Code 261.302 and 261.303, prohibiting school officials from denying an investigator's request to interview a student at school; and

- b. Family Code 261.302, prohibiting school officials from requiring the presence of a parent or school administrator during an interview by an investigator.
3. Immunity provisions applicable to a person who reports child abuse or neglect or otherwise assists an investigation in good faith;
4. Confidentiality provisions relating to a report of suspected child abuse or neglect;
5. Any disciplinary action that may result from noncompliance with a district's reporting policy; and
6. The prohibition under Education Code 26.0091 [see Psychotropic Drugs and Psychological Testing, above].

19 TAC 61.1051(b)(2)

The policies may not require that school personnel report suspicions of child abuse or neglect to a school administrator before making a report to one of the agencies listed above.

The policies must:

1. Include the current toll-free number for DFPS;
2. Provide for cooperation with law enforcement child abuse investigations without the consent of the child's parent, if necessary, including investigations by DFPS; and
3. Include child abuse anti-victimization programs in elementary and secondary schools consisting of age-appropriate, research-based prevention designed to promote self-protection and prevent sexual abuse and trafficking.

19 TAC 61.1051(b)(5)–(b)(8)

Annual Distribution
and Staff
Development

The policies required by these provisions and adopted by the board shall be distributed to all personnel at the beginning of each school year. The policies shall be addressed in staff development programs at regular intervals determined by a board. *19 TAC 61.1051(c)* [See also DH and GRA]

[For training requirements under these provisions, see DMA.]

Required Poster

Using a format and language that is clear, simple, and understandable to students, each public school shall post, in English and in Spanish:

1. The current toll-free DFPS Abuse Hotline telephone number;
2. Instructions to call 911 for emergencies; and

3. Directions for accessing the DFPS [Texas Abuse Hotline website](#)¹ for more information on reporting abuse, neglect, and exploitation.

A district shall post the information specified above at each school campus in at least one high-traffic, highly and clearly visible public area that is readily accessible to and widely used by students. The information must be on a poster (11x17 inches or larger) in large print and placed at eye-level to the student for easy viewing. Additionally, the current toll-free Texas Department of Family and Protective Services Abuse Hotline telephone number should be in bold print.

Note: The following legal provisions address dating violence and sexual harassment. For legal provisions addressing discrimination on the basis of disability, sex, and other protected characteristics, see FB.

Dating Violence

Policy Requirements

A district shall adopt and implement a dating violence policy to be included in the district improvement plan.

A dating violence policy must include:

1. A definition of dating violence that includes the intentional use of physical, sexual, verbal, or emotional abuse by a person to harm, threaten, intimidate, or control another person in a dating relationship, as defined by Family Code 71.0021;
2. A clear statement that dating violence is not tolerated at school; and
3. Reporting procedures and guidelines for students who are victims of dating violence, including a procedure for immediately notifying the parent or guardian of a student about a report received by the district identifying the student as an alleged victim or perpetrator of dating violence.

A dating violence policy must also address safety planning, enforcement of protective orders, school-based alternatives to protective orders, training for teachers and administrators at each district campus that instructs students in grade 6 or higher, counseling for affected students, and awareness education for students and parents.

Education Code 37.083, .0831 [See BQ]

Student Resources

To the extent possible, a district shall make available to students age-appropriate educational materials that include information on the dangers of dating violence and resources to students seeking help. *Education Code 37.0831(c)*

Note: References to Title IX, part, or subpart in the following legal provisions refer to Title IX and its corresponding regulations.

The U.S. Department of Education's Office for Civil Rights has issued a formal interpretation that discrimination on the basis of sex under Title IX includes discrimination on the basis of sexual orientation and gender identity.

Sexual Harassment

A district may develop and implement a sexual harassment policy to be included in the district improvement plan. *Education Code 37.083* [See BQ]

Sexual abuse of a student by an employee, when there is a connection between the physical sexual activity and the employee's duties and obligations as a district employee, violates a student's constitutional right to bodily integrity. Sexual abuse may include fondling, sexual assault, or sexual intercourse. *U.S. Const. Amend. 14; Doe v. Taylor Indep. Sch. Dist., 15 F.3d 443 (5th Cir. 1994)*

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance. *20 U.S.C. 1681 (Title IX)*

A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX. *34 C.F.R. 106.45; 20 U.S.C. 1681* [See also FB regarding Title IX]

Designation of
Title IX Coordinator

A district must designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under Title IX, which employee must be referred to as the "Title IX Coordinator."

Parties Entitled to
Notice

The district must notify applicants for admission and employment, students, parents or legal guardians, employees, and all professional organizations holding professional agreements with the district ("Parties Entitled to Notice") of the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator.

34 C.F.R. 106.8(a)

Reporting

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during nonbusiness hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.

Notification of Policy

A district must notify the Parties Entitled to Notice, above, that the district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner. The notification must state

that the requirement not to discriminate in the education program or activity extends to employment, and that inquiries about the application of Title IX to such district may be referred to the district's Title IX Coordinator, to the assistant secretary for civil rights of the Department of Education, or both.

34 C.F.R. 106.2(d), .8(b)(1)

Publication
Requirements

A district must prominently display the contact information required to be listed for the Title IX Coordinator and the nondiscrimination policy described at Notification of Policy, above, on its website, if any, and in each handbook that it makes available to the Parties Entitled to Notice, above.

A district must not use or distribute a publication stating that the district treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX.

34 C.F.R. 106.8(b)(2)

Note: To distinguish the process described below from the district's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of Title IX sexual harassment in an education program or activity and against a person in the United States as the district's "Title IX formal complaint process."

Adopting and
Publishing
Complaint
Procedures

A district must adopt and publish procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX and a Title IX formal complaint process that complies with 34 C.F.R. 106.45 for formal complaints as defined below.

A district must provide notice to the Parties Entitled to Notice, above, of the district's procedures and Title IX formal complaint process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the district will respond.

The requirements of this provision apply only to sex discrimination occurring against a person in the United States.

34 C.F.R. 106.8(c)–(d)

Response to Sexual
Harassment

Definitions

“Actual knowledge” means notice of sexual harassment or allegations of sexual harassment to a district’s Title IX Coordinator or any official of the district who has authority to institute corrective measures on behalf of the district, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the district with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the district. “Notice” as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.

“Complainant” means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Consent” is not defined by the Title IX regulations, nor do the regulations require districts to adopt a particular definition of consent with respect to sexual assault.

“Formal complaint” means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the district. As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to a Title IX formal complaint, and must comply with the requirements of the Title IX formal complaint process, including the informal resolution process.

“Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity; or
3. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

"Supportive measures" means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or district-provided housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

34 C.F.R. 106.2, .30(a)

*Deliberate
Indifference*

A district with actual knowledge of sexual harassment in an education program or activity of the district against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

*Education
Program or
Activity*

For the purposes of 34 C.F.R. 106.30 [see Definitions, above] and 106.45 [see Process for Title IX Formal Complaint, below], "education program or activity" includes locations, events, or circumstances over which the district exercised substantial control over

both the respondent and the context in which the sexual harassment occurs.

34 C.F.R. 106.44(a)

Title IX Coordinator
Response

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Title IX Coordinator must respond in this manner with or without a formal complaint. *34 C.F.R. 106.44(b)(1)*

*Supportive
Measures
Required*

A district's response must treat complainants and respondents equitably by offering supportive measures and by following a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below] before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. [For Emergency Removal procedures, see below.]

*Constitutional
Restrictions*

The Department of Education may not deem a district to have satisfied the district's duty to not be deliberately indifferent under Title IX based on the district's restriction of rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment.

34 C.F.R. 106.44(a)

*Response to a
Formal Complaint*

In response to a formal complaint, a district must follow a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below]. *34 C.F.R. 106.44(b)(1)*

*Emergency
Removal*

The Title IX regulations do not preclude a district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district:

1. Undertakes an individualized safety and risk analysis;
2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

34 C.F.R. 106.44(c)

*Administrative
Leave*

The Title IX regulations do not preclude a district from placing a nonstudent employee respondent on administrative leave during the pendency of a Title IX formal complaint. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act. *34 C.F.R. 106.44(d)*

Process for Title IX
Formal Complaint

For the purpose of addressing formal complaints of sexual harassment, a district's process must comply with the following requirements. Any provisions, rules, or practices other than those required by this provision that a district adopts as part of its process for handling formal complaints of sexual harassment must apply equally to both parties. *34 C.F.R. 106.45(b)*

A district's Title IX formal complaint process must:

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies must be designed to restore or preserve equal access to the district's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent;
2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
3. Require that any individual designated by a district as a Title IX Coordinator, investigator, decision-maker, or any person designated by a district to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A district must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training

on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and Title IX formal complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A district must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. [See Hearings, below] A district also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. [See Investigation of a Formal Complaint, below] Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment;

4. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process;
5. Include reasonably prompt time frames for conclusion of the Title IX formal complaint process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;
6. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility;
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints

against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;

8. Include the procedures and permissible bases for the complainant and respondent to appeal;
9. Describe the range of supportive measures available to complainants and respondents; and
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

34 C.F.R. 106.45(b)(1)

*Notice of
Allegations*

Upon receipt of a formal complaint, a district must provide the following written notice to the parties who are known:

1. Notice of the district's Title IX formal complaint process, including any informal resolution process.
2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - a. The identities of the parties involved in the incident, if known;
 - b. The conduct allegedly constituting sexual harassment; and
 - c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence [see Investigation of a Formal Complaint, below]. The written notice must inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not

included in the Notice of Allegations, above, the district must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2)

*Dismissal of a
Formal Complaint*

The district must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the district's education program or activity, or did not occur against a person in the United States, then the district must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of the district's code of conduct.

The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal required or permitted pursuant to 34 C.F.R. 106.45(b)(3), the district must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

*Consolidation of
Formal
Complaints*

A district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a Title IX formal complaint process involves more than one complainant or more than one respondent, references in this provision to the singular "party," "complainant," or "respondent" include the plural, as applicable.

34 C.F.R. 106.45(b)(3)–(4)

*Investigation of a
Formal Complaint*

When investigating a formal complaint and throughout the Title IX formal complaint process, a district must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or

paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a Title IX formal complaint (if a party is not an "eligible student," as defined in 34 C.F.R. 99.3 then the district must obtain the voluntary, written consent of a "parent," as defined in 34 C.F.R. 99.3) [see FL(LEGAL) at Education Records];

2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
4. Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or Title IX formal complaint proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report. The

district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and

7. Create an investigative report that fairly summarizes relevant evidence and, at least ten days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5)

Hearings

The district's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after the district has sent the investigative report to the parties pursuant to 34 C.F.R. 106.45(b)(5)(vii) [see Investigation of a Formal Complaint, above] and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. *34 C.F.R. 106.45(b)(6)(ii)*

*Determination
Regarding
Responsibility*

The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the district must apply the standard of evidence described at Process for Title IX Formal Complaint, above.

The written determination must include:

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any

notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the district's code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
6. The district's procedures and permissible bases for the complainant and respondent to appeal.

The district must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

34 C.F.R. 106.45(b)(7)(i)–(ii)

*Implementation
of Remedies*

The Title IX Coordinator is responsible for effective implementation of any remedies. *34 C.F.R. 106.45(b)(7)(iv)*

Appeals

A district must offer both parties an appeal from a determination regarding responsibility, and from a district's dismissal of a formal complaint or any allegations therein, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

A district may offer an appeal equally to both parties on additional bases.

As to all appeals, the district must:

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with the standards in the Title IX regulations regarding conflict of interest and bias [see Process for Formal Title IX Complaint, item 3, above];
4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
5. Issue a written decision describing the result of the appeal and the rationale for the result; and
6. Provide the written decision simultaneously to both parties.

34 C.F.R. 106.45(b)(8)

*Informal
Resolution*

A district may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with Title IX. Similarly, a district may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

1. Provides to the parties a written notice disclosing:
 - a. The allegations;
 - b. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint; and
 - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;

2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

34 C.F.R. 106.45(b)(9)

Recordkeeping

A district must maintain for a period of seven years records of:

1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and
4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. A district must make these training materials publicly available on its website or if the district does not maintain a website the district must make these materials available upon request for inspection by members of the public.

For each response required under Title IX Coordinator Response, above, a district must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity.

If a district does not provide a complainant with supportive measures, then the district must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

34 C.F.R. 106.45(b)(10)

Retaliation
Prohibited

No district or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated

or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the Process for Title IX Formal Complaint above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX formal complaint proceeding does not constitute retaliation prohibited by Title IX, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

34 C.F.R. 106.71(a)–(b)

Confidentiality

The district must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA) statute, 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. Part 99, or as required by law, or to carry out the purposes of 34 C.F.R. Part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. *34 C.F.R. 106.71(a)*

Note: This policy addresses discrimination, including harassment, and retaliation against District students. For provisions regarding discrimination, including harassment, and retaliation against District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Note that FFH shall be used in conjunction with FFI (bullying) for certain prohibited conduct.

Prohibited Conduct In this policy, the term “prohibited conduct” includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Prohibited conduct also includes sexual harassment as defined by Title IX. [See FFH(LEGAL)]

Statement of Nondiscrimination The District prohibits discrimination, including harassment, against any student. Discrimination is defined as treating a student or group of students differently from similarly situated students on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. One type of harassment this policy prohibits is dating violence, as defined below. Retaliation against anyone exercising their rights under this policy is a violation of District policy and is prohibited.

Harassment Harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student’s race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
3. Otherwise adversely affects the student’s educational opportunities.

Harassment includes dating violence as defined by law and this policy.

Examples Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name call-

ing, slurs, or rumors; cyberharassment; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Title IX Sexual Harassment

As required by law, the District shall follow the procedures below at Response to Title IX Sexual Harassment upon a report of sex-based harassment, including sexual harassment, gender-based harassment, and dating violence, when such allegations, if proved, would meet the definition of sexual harassment in an education program or activity and against a person in the United States under Title IX. [See FFH(LEGAL)]

Other Sexual Harassment

By an Employee

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or other inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

By Others

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, contact, or communications, including electronic communication.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Gender-Based Harassment

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; cyberharassment; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of dating violence against a student may include physical or sexual assaults; name-calling; put-downs; or threats directed at the student, the student's family members, or members of the student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

**Reporting
Procedures**

Student Report

Any student who believes that he or she has experienced prohibited conduct and any person who believes that a student has experienced prohibited conduct should immediately report the alleged acts to a teacher, school counselor, principal, other District employee, or the appropriate District official listed in this policy.

Employee Report

Any District employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed in this policy and take any other steps required by this policy.

Definition of District
Officials

For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

*Title IX
Coordinator*

Reports of discrimination based on sex, including sexual harassment, gender-based harassment, or dating violence, may be directed to the designated Title IX coordinator for students. [See FFH(EXHIBIT)]

*ADA /
Section 504
Coordinator*

Reports of discrimination based on disability may be directed to the designated ADA/Section 504 coordinator for students. [See FFH(EXHIBIT)]

Superintendent

The Superintendent shall serve as coordinator for purposes of District compliance with all other nondiscrimination laws.

**Alternative
Reporting
Procedures**

An individual shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX

coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

To ensure the District's prompt investigation, reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act.

Notice to Parents

The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult. [For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

When the District receives a report of prohibited conduct that includes dating violence, the appropriate District official shall immediately notify the parent or guardian of the student who has been identified in the report as the alleged victim or perpetrator.

Investigation of Reports Other Than Title IX

The following procedures apply to all allegations of prohibited conduct other than allegations of harassment prohibited by Title IX. [See FFH(LEGAL)] For allegations of sex-based harassment that, if proved, would meet the definition of sexual harassment under Title IX, including sexual harassment, gender-based harassment, and dating violence, see the procedures below at Response to Title IX Sexual Harassment.

The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proved, would constitute prohibited conduct as defined by this policy. If so, the District shall immediately undertake an investigation, except as provided below at Criminal Investigation.

If the District official determines that the allegations, if proved, would not constitute prohibited conduct as defined by this policy, the District official shall refer the complaint for consideration under FFI.

Interim Action

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the District shall promptly take interim action calculated to address prohibited conduct or bullying prior to the completion of the District's investigation.

District Investigation	<p>The investigation may be conducted by the District official or a designee, such as the principal, or by a third party designated by the District, such as an attorney. When appropriate, the principal shall be involved in or informed of the investigation.</p> <p>The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.</p>

After the law enforcement or regulatory agency has finished gathering its evidence, the District shall promptly resume its investigation.</p>
Concluding the Investigation	<p>Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.</p> <p>The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.</p>

Corrective Action	<p>Examples of corrective action may include a training program for those involved in the report, a comprehensive education program for the school community, counseling to the victim and the student who engaged in prohibited conduct, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of</p>

areas where prohibited conduct has occurred, and reaffirming the District's policy against discrimination, harassment, and retaliation.

Bullying

If the results of an investigation indicate that bullying occurred, as defined by FFI, the District official shall refer to FFI for appropriate notice to parents and District action. The District official shall refer to FDB for transfer provisions.

Improper Conduct

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take disciplinary action in accordance with the Student Code of Conduct or other corrective action reasonably calculated to address the conduct.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A student or parent who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student or parent has the right to file a complaint with the United States Department of Education Office for Civil Rights.

Response to Title IX Sexual Harassment

For purposes of the District's response to reports of harassment prohibited by Title IX, definitions can be found in FFH(LEGAL).

General Response

When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed or dismissed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and the Student Code of Conduct. The Title IX coordinator also reserves the right to sign a formal complaint, initiating the Title IX grievance process, if it would be deliberately indifferent not to investigate and respond to the prohibited conduct in accordance with Board policies and the Student Code of Conduct.

Title IX Formal
Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;
6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a

dismissal of a Title IX formal complaint or any allegations therein;

9. A description of the supportive measures available to the complainant and respondent;
10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and
12. Other local procedures as determined by the Superintendent.

Standard of Evidence

The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retaliation under this policy also includes retaliation against a student who refuses to participate in any manner in an investigation under Title IX. In the absence of a formal complaint, allegations of retaliation shall be investigated under Investigation of Reports Other Than Title IX, above.

Examples

Examples of retaliation may include threats, intimidation, coercion, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action in accordance with law.

Records Retention

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records control schedules, but for no less than the minimum amount of time required by law. [See CPC]

[For Title IX recordkeeping and retention provisions, see FFH(LEGAL) and the District's Title IX formal complaint process.]

**Access to Policy and
Procedures**

Information regarding this policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and readily available at each campus and the District's administrative offices.

A student enrolled in a district or who participates in an extracurricular activity or a University Interscholastic League (UIL) competition is subject to district policy and UIL rules regarding participation only when the student is under the direct supervision of an employee of the school or district in which the student is enrolled or at any other time specified by resolution of a board. *Education Code 33.081(b)* [See FO regarding additional standards of conduct for extracurricular activities]

Athletic Activities

UIL Forms

Each student participating in an extracurricular athletic activity must complete the UIL forms entitled “Preparticipation Physical Evaluation—Medical History” and “Acknowledgement of Rules.” Each form must be signed by both the student and the student’s parent or guardian. *Education Code 33.203(a)*

Notices

Each school that offers an extracurricular athletic activity shall:

1. Prominently display at its administrative offices the telephone number and electronic mail address that the commissioner of education maintains for reporting violations of Education Code Chapter 33, Subchapter F; and
2. Provide each student participant and the student’s parent or guardian a copy of the text of Education Code 33.201–33.207 and a copy of the UIL’s parent information manual. The document may be provided in an electronic format unless otherwise requested.

Education Code 33.207(b), .208

Records

A superintendent shall maintain complete and accurate records of the district’s compliance and the district shall make available to the public proof of compliance for each person enrolled in the district who is required to receive safety training.

A campus that is determined by the superintendent to be out of compliance with the safety training requirements or the requirements regarding unsafe practices and safety precautions (see below) shall be subject to the range of penalties determined by the UIL.

Education Code 33.206

Unsafe Practices

A coach, trainer, or sponsor for an extracurricular athletic activity may not encourage or permit a student participant to engage in any unreasonably dangerous athletic technique that unnecessarily endangers the health of a student, including using a helmet or any other sports equipment as a weapon. *Education Code 33.204*

- Safety Precautions A coach, trainer, or sponsor for an extracurricular athletic activity shall at each athletic practice or competition ensure that:
1. Each student participant is adequately hydrated;
 2. Any prescribed asthma medication for a student participant is readily available to the student;
 3. Emergency lanes providing access to the practice or competition area are open and clear; and
 4. Heatstroke prevention materials are readily available.
- If a student participating in a practice or competition becomes unconscious during the activity, the student may not:
1. Return to the activity during which the student became unconscious; or
 2. Participate in any extracurricular athletic activity until the student receives written authorization for such participation from a physician.

Education Code 33.205

- Concussions “Interscholastic athletic activity” includes practice and competition, sponsored or sanctioned by a district, including a home-rule district, or a public school, including any school for which a charter has been granted under Education Code Chapter 12, or the UIL.
Education Code 38.152

“Concussion” means a complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns, and involve loss of consciousness.
Education Code 38.151(4)

- Concussion Oversight Team* The board of a district with students enrolled who participate in an interscholastic athletic activity shall appoint or approve a concussion oversight team. *Education Code 38.153(a)*

Each concussion oversight team must include at least one physician and, to the greatest extent practicable, considering factors including the population of the metropolitan statistical area in which the district is located, district enrollment, and the availability of and access to licensed health-care professionals in the district or charter school area, must also include one or more of the following: an athletic trainer, an advanced practice nurse, a neuropsychologist, or a physician assistant. If a district employs an athletic trainer, the athletic trainer must be a member of the concussion oversight

team. If a district employs a school nurse, the school nurse may be a member of the district concussion oversight team if requested by the school nurse.

Each member of the concussion oversight team must have had training in the evaluation, treatment, and oversight of concussions at the time of appointment or approval as a member of the team. The members also must take a training course at least once every two years and submit proof of timely completion to the superintendent or designee in accordance with Education Code 38.158.

Education Code 38.154, .158

Return-to-Play
Protocol

Each concussion oversight team shall establish a return-to-play protocol, based on peer-reviewed scientific evidence, for a student's return to interscholastic athletics practice or competition following the force or impact believed to have caused a concussion.

A student may not participate in an interscholastic athletic activity for a school year until both the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion. The form must be approved by the UIL. *Education Code 38.155*

*Removal from
Play*

A student shall be removed from an interscholastic athletics practice or competition immediately if one of the following persons believes the student might have sustained a concussion during the practice or competition: a coach; a physician; a licensed health-care professional, as defined by Education Code 38.151(5); a licensed chiropractor; a school nurse; or the student's parent or guardian or another person with legal authority to make medical decisions for the student. *Education Code 38.156*

Return to Play

A student removed from an interscholastic athletics practice or competition under Education Code 38.156 may not be permitted to practice or compete again following the force or impact believed to have caused the concussion until:

1. The student has been evaluated, using established medical protocols based on peer-reviewed scientific evidence, by a treating physician chosen by the student or the student's parent or guardian or another person with legal authority to make medical decisions for the student;

2. The student has successfully completed each requirement of the return-to-play protocol established under Education Code 38.153 necessary for the student to return to play;
3. The treating physician has provided a written statement indicating that, in the physician's professional judgment, it is safe for the student to return to play; and
4. The student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have acknowledged that the student has completed the requirements of the return-to-play protocol necessary for the student to return to play, have provided the treating physician's written statement to the person responsible for compliance with the return-to-play protocol and the person who has supervisory responsibilities, and have signed a consent form indicating that the person signing:
 - a. Has been informed concerning and consents to the student participating in returning to play in accordance with the return-to-play protocol;
 - b. Understands the risks associated with the student returning to play and will comply with any ongoing requirements in the return-to-play protocol;
 - c. Consents to the disclosure to appropriate persons, consistent with the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, of the treating physician's written statement and, if any, the return-to-play recommendations of the treating physician; and
 - d. Understands the immunity provisions under Education Code 38.159.

A coach of an interscholastic athletics team may not authorize a student's return to play.

The superintendent or designee shall supervise an athletic trainer or other person responsible for compliance with the return-to-play protocol. The person who has supervisory responsibilities may not be a coach of an interscholastic athletics team.

These provisions do not:

1. Waive any immunity from liability of a district or of district officers or employees;

2. Create any liability for a cause of action against a district or against district officers or employees;
3. Waive any immunity from liability under Civil Practice and Remedies Code 74.151; or
4. Create any cause of action or liability for a member of a concussion oversight team arising from the injury or death of a student participating in an interscholastic athletics practice or competition, based on service or participation on the concussion oversight team.

Education Code 33.094(a)–(c)

Steroid Testing

The UIL shall adopt rules for the annual administration of a steroid testing program under which high school students participating in an athletic competition sponsored or sanctioned by the league are tested at multiple times throughout the year for the presence of steroids [see FNF].

Results of such steroid tests are confidential and, unless required by court order, may be disclosed only to the student and the student's parent and the activity directors, principal, and assistant principals of the school attended by the student.

Education Code 33.091(d)–(e)

Cardiac
Assessment

A district must provide a district student who is required under UIL rule or policy to receive a physical examination before being allowed to participate in an athletic activity sponsored or sanctioned by the UIL, information about sudden cardiac arrest and electrocardiogram testing and notification of the option of the student to request the administration of an electrocardiogram, in addition to the physical examination.

A student may request an electrocardiogram from any health-care professional, including a health-care professional provided through a district program, provided that the health-care professional is ap-

appropriately licensed in Texas and authorized to administer and interpret electrocardiograms under the health-care professional's scope of practice, as established by the health-care professional's Texas licensing act.

Immunity

These provisions do not create a cause of action or liability or a standard of care, obligation, or duty that provides a basis for a cause of action or liability against a health-care professional described in the provision, the UIL, a district, or a district officer or employee for:

1. The injury or death of a student participating in or practicing for an athletic activity sponsored or sanctioned by the UIL based on or in connection with the administration or interpretation of or reliance on an electrocardiogram; or
2. The content or distribution of the information required under these provisions or the failure to distribute the required information.

Interscholastic
Athletic Competition
Based on Biological
Sex

An interscholastic athletic team sponsored or authorized by a district may not allow a student to compete in an interscholastic athletic competition sponsored or authorized by the district that is designated for the biological sex opposite to the student's biological sex as correctly stated on the student's official birth certificate, as described below, or if the student's official birth certificate is unobtainable, another government record.

Exception

An interscholastic athletic team sponsored or authorized by a district may allow a female student to compete in an interscholastic athletic competition that is designated for male students if a corresponding interscholastic athletic competition designated for female students is not offered or available.

*Birth Certificate
Statement*

For purposes of this provision, a statement of a student's biological sex on the student's official birth certificate is considered to have correctly stated the student's biological sex only if the statement was entered at or near the time of the student's birth or modified to correct any type of scrivener or clerical error in the student's biological sex.

Education Code 33.0834

This section applies only to a primary or secondary school that sponsors, promotes, or otherwise is associated with a rodeo in which children who attend the school are likely to participate.

“Rodeo” means an exhibition or competition, without regard to whether the participants are compensated, involving activities related to cowboy skills, including:

1. Riding a horse, with or without a saddle, with the goal of remaining on the horse while it attempts to throw off the rider;
2. Riding a bull;
3. Roping an animal, including roping as part of a team;
4. Wrestling a steer; and
5. Riding a horse in a pattern around preset barrels or other obstacles.

Educational Program

A primary or secondary school to which this section applies shall, before the first rodeo associated with the school in each school year, conduct a mandatory educational program on safety, including the proper use of protective gear, for children planning to participate in the rodeo, in accordance with 25 Administrative Code 104.4. The educational program may consist of an instructional video, subject to the Department of State Health Services approval.

Restriction on Participation

A child may not participate in a rodeo associated with the child's school during a school year unless the child has completed the educational program not more than one year before the first day of the rodeo.

Protective Gear for Bull Riding

A child may not engage in bull riding, including engaging in bull riding outside a rodeo for the purpose of practicing bull riding, unless the child is wearing a protective vest and bull riding helmet in accordance with 25 Administrative Code 104.3.

Health and Safety Code 768.001(6), .003; 25 TAC 104.2-.4

Eligibility

A student otherwise eligible to participate in an extracurricular activity or a UIL competition is not ineligible because the student is enrolled in a course offered for joint high school and college credit, or in a course offered under a concurrent enrollment program, regardless of the location at which the course is provided. *Education Code 33.087*

Military Dependents

The district shall facilitate the opportunity for transitioning military children's inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified. *Education Code 162.002 art. VI, § B [See FDD]*

Attendance and Participation

The State Board of Education (SBOE) by rule shall limit participation in and practice for extracurricular activities during the school day and the school week.

The board of a district may adopt a policy establishing the number of times a student who is otherwise eligible to participate in an extracurricular activity may be absent from class to participate in an extracurricular activity sponsored or sanctioned by the district, UIL, or an organization sanctioned by board resolution. The policy must permit a student to be absent from class at least ten times during the school year, and the policy prevails over any conflicting policy adopted by the SBOE.

Education Code 33.081(a), .0811

SBOE Rules

The following provisions apply to any UIL activity.

Other organizations requiring student participation that causes a student to miss a class may request sanction from a board. If sanctioned by resolution of the board, student participation in the organization's activities shall be subject to all provisions of statute and to 19 Administration Code 76.1001. If a board does not grant sanction, any absences incurred by a student while participating with that organization's activities shall be subject to the attendance provisions of the Education Code. *19 TAC 76.1001(f)* [See FEB]

Extracurricular Activities

An extracurricular activity is an activity sponsored by the UIL, a board, or an organization sanctioned by board resolution. The activity is not necessarily directly related to instruction of the essential knowledge and skills but may have an indirect relation to some areas of the curriculum.

Extracurricular activities include, but are not limited to, public performances, contests, demonstrations, displays, and club activities. In addition, an activity is subject to this policy if any one of the following criteria applies:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered extracurricular;
3. The activity is held off-campus, except in a case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

Exceptions

*Public
Performances*

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved course that requires demonstration of the mastery of the essential knowledge and skills in a public performance, may participate in the performance if:

1. The general public is invited; and
2. The requirement for student participation in public is stated in the essential knowledge and skills of the course.

*State-Approved
Music Courses*

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in UIL Concert and Sight-Reading Evaluation, may perform with the ensemble during the UIL evaluation performance.

Limits on
Participation and
Practice

*During the
School Week*

Limitations on practice, rehearsal, and student participation during the school week shall be as follows:

1. For any given extracurricular activity, a student may not participate in more than one activity per school week, excluding holidays, except as provided in item 2, below.
2. A student may also participate in a tournament or post-district contest, as well as a contest postponed by weather or public disaster that may determine advancement to a post-district level of competition.
3. For each extracurricular activity, a district must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.
4. The commissioner recommends that districts avoid scheduling extracurricular activities or public performances on the day or evening immediately preceding the day on which the statewide student assessment program is scheduled for grades 3–11.

19 TAC 76.1001(d); Education Code 33.081(a)

*During the
School Day*

Limitations on practice and rehearsal during the school day shall be as follows:

1. A district must limit a student to one period of practice during the regularly scheduled school day for practice of extracurricular activities, such as athletics, drill team, or cheerleading.
2. The limit in item 1 does not prohibit a student from enrolling in any state-approved class. A student who is enrolled in a state-approved class that includes essential knowledge and skills that relate to the preparation for an extracurricular activity

may practice that extracurricular activity for no more than one period during the school day.

3. A student may not be permitted to miss a scheduled academic class to practice for an unrelated extracurricular activity.
4. A district must limit extracurricular practice during the school day to ensure that class periods for extracurricular practice do not exceed the time allotted for other class periods.
5. Regardless of the schedule type in place (traditional or non-traditional), a school may elect to practice extracurricular activities daily, provided the total minutes allowed for the extracurricular practice is not greater than 300 minutes during the school week.

19 TAC 76.1001(e); Education Code 33.081(a)

Record of Absences

A district shall maintain an accurate record of extracurricular absences for each student in the district each school year. *19 TAC 76.1001(c)*

Students Receiving
Outpatient Mental
Health Services

A district may not adopt or enforce policies that restrict participation in UIL activities by a student who receives outpatient mental health services from a mental health facility and is enrolled in the district or otherwise receives public education services from a district based solely on the student's receipt of outpatient mental health services from a mental health facility or the student's absence during instructional time while receiving outpatient mental health services from a mental health facility.

This provision does not exempt a student to whom this section applies from any eligibility requirement for participation in UIL activities other than an eligibility requirement based solely on the criteria of receipt of outpatient mental health services from a mental health facility.

Education Code 33.0832(c)–(d)

Participation by
Homeschooled
Students

A public school that participates in an activity sponsored by UIL may provide a non-enrolled student, who otherwise meets UIL eligibility standards to represent that school in a UIL activity, with the opportunity to participate in the activity on behalf of the school in the same manner that the school provides the opportunity to participate to students enrolled in the school.

"Non-enrolled student" means a student who receives instruction as a homeschooled student as described by Education Code 29.916(a)(1) from a nonpublic school [see EK].

Relevant Policies A non-enrolled student who seeks to participate or participates in a UIL activity on behalf of a school is subject to the following relevant policies that apply to students enrolled in the school:

1. Registration for UIL activities;
2. Age eligibility;
3. Fees;
4. Insurance;
5. Transportation;
6. Physical condition;
7. Qualifications;
8. Responsibilities;
9. Event schedules;
10. Standards of behavior; and
11. Performance.

Residency Requirements A non-enrolled student may only participate in a UIL activity for the school in the district that the student would be eligible to attend based on the student's residential address. A non-enrolled student who seeks to participate in a UIL activity on behalf of a school shall be required to establish minimum proof of residency acceptable to the district in the same manner as an applicant to attend a school in the district under Education Code 25.001 [see FD].

Academic Requirements The parent or person standing in parental relation to a non-enrolled student is responsible for oversight of academic standards relating to the student's participation in a UIL activity. As a condition of eligibility to participate in a UIL activity during the first six weeks of a school year, a non-enrolled student must demonstrate grade-level academic proficiency on any nationally recognized, norm-referenced assessment instrument, such as the Iowa Test of Basic Skills, Stanford Achievement Test, California Achievement Test, or Comprehensive Test of Basic Skills. A non-enrolled student demonstrates the required academic proficiency by achieving a composite, core, or survey score that is within the average or higher than average range of scores, as established by the applicable testing service. A district shall accept assessment results administered or reported by a third party.

A non-enrolled student's demonstration of academic proficiency is sufficient for the school year in which the student achieves the required score and the subsequent school year.

After the first six weeks of a school year, the parent or person standing in parental relation to a non-enrolled student participating in a UIL activity on behalf of a public school must periodically, in accordance with the school's grading calendar, provide written verification to the school indicating that the student is receiving a passing grade in each course or subject being taught.

Previous Enrollment in Public School

A non-enrolled student is not authorized by this section to participate in a UIL activity during the remainder of any school year during which the student was previously enrolled in a public school.

Prohibitions

With respect to a non-enrolled student's education program, nothing in these provisions shall be construed to permit an agency of this state, a public school district, or any other governmental body to exercise control, regulatory authority, or supervision over a non-enrolled student or a parent or person standing in parental relation to a non-enrolled student beyond the control, regulatory authority, or supervision required to participate in a UIL activity.

Subject only to eligibility requirements, the curriculum or assessment requirements, performance standards, practices, or creed of the education program provided to a non-enrolled student may not be required to be changed in order for the non-enrolled student to participate in a UIL activity. Subject only to eligibility requirements, for a non-enrolled student participating in an education program on January 1, 2021, the education program provided to that student may not be required to comply with any state law or agency rule relating to that education program unless the law or rule was in effect on January 1, 2021.

Education Code 33.0832

Suspension from Extracurricular Activities

A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by a district or the UIL after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than a course described below at Exempt Courses.

Length of Suspension

A suspension continues for at least three school weeks and is not removed during the school year until the conditions of Reinstatement, described below, are met. A suspension shall not last beyond the end of a school year.

Grade Evaluation Period

"Grade evaluation period" means:

1. The six-week grade reporting period; or

2. The first six weeks of a semester and each grade reporting period thereafter, in the case of a district with a grade reporting period longer than six weeks.

Education Code 33.081(c)

School Week

The school week is defined as beginning at 12:01 a.m. on the first instructional day of the calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays. *19 TAC 76.1001(b)*

Exempt Courses

The suspension and reinstatement provisions of Education Code 33.081(c) and (d) do not apply to an advanced placement or international baccalaureate course, or to an honors or dual credit course in the subject areas of English language arts, mathematics, science, social studies, economics, or a language other than English. *Education Code 33.081(d-1)*

Honors classes for purposes of eligibility to participate in extracurricular activities are listed at 19 Administrative Code 74.30(a).

Districts may identify additional honors courses in the subject areas of English language arts, mathematics, science, social studies, or a language other than English for the purposes of extracurricular eligibility but must identify such courses before the semester in which any exemptions related to extracurricular activities occur.

Districts are neither required to nor restricted from considering courses as honors for the purpose of grade point average calculation.

19 TAC 74.30

Students with
Disabilities

In the case of a student with a disability that significantly interferes with the student's ability to meet regular academic standards, suspension must be based on the student's failure to meet the requirements of the student's individualized education program (IEP). The determination of whether the disability substantially interferes with the student's ability to meet the requirements of the student's IEP must be made by the admission, review, and dismissal (ARD) committee.

For the purposes of this provision, "student with a disability" means a student who is eligible for a district's special education program under Education Code 29.003(b).

Education Code 33.081(e)

Practice or
Rehearsal

A student suspended under Education Code 33.081 may practice or rehearse with other students for an extracurricular activity but may not participate in a competition or other public performance.

This provision does not apply to a student prohibited from participation for certain conduct involving extracurricular officials [see below]. *Education Code 33.081(f)*

Reinstatement

Until the suspension is removed or the school year ends, a district shall review the grades of a student at the end of each three-week period following the date on which the suspension began. At the time of a review, the suspension is removed if the student's grade in each class, other than a course described above at Exempt Courses, is equal to or greater than the equivalent of 70 on a scale of 100. The principal and each of the student's teachers shall make the determination concerning the student's grades. *Education Code 33.081(d)*

Suspension for
Certain Conduct
Involving
Extracurricular
Officials

A student who is enrolled in a district in Texas or who participates in a UIL competition shall be prohibited from participation in any future extracurricular activity sponsored or sanctioned by the district or the UIL if the state executive committee of the league determines that the student intentionally, knowingly, or recklessly causes bodily injury to a person serving as referee, judge, or other official of an extracurricular activity in retaliation for or as a result of the person's actions taken in performing the duties of a referee, judge, or other official of the extracurricular activity.

*Reinstatement
After Conduct*

A student prohibited from participation may submit to the UIL a request that the student be permitted to participate in future extracurricular activities sponsored or sanctioned by the UIL. The request must be submitted at least one year after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in eighth grade or below at the time of the conduct or two years after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in ninth grade or above at the time of the conduct.

Education Code 33.081(e-1)–(e-2)

**Parental Notice and
Consent**

A parent is entitled to full information regarding the school activities of a parent's child except as provided by Education Code 38.004 (child abuse investigations). *Education Code 26.008(a)*

Anonymous
Evaluations

Anonymous evaluations of a student that determine whether the student may participate in a school-related program do not provide full information about the student's school activities. A district may by policy establish the parameters for parental contact with evaluating teachers, taking into account the type of evaluation, the information elicited in the evaluation, and scheduling and workload requirements of the teachers. *Byard v. Clear Creek Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 020-R5-1001 (June 17, 2002)*

Videotaping and
Recording

A district employee is not required to obtain the consent of a child's parent before the employee may videotape the child or record the child's voice if the videotape or recording is to be used only for a purpose related to a cocurricular or extracurricular activity. *Education Code 26.009(b)(2)*

Discriminatory Club

An extracurricular activity sponsored or sanctioned by a district, including an athletic event or an athletic team practice, may not take place at an athletic club located in the United States that denies any person full and equal enjoyment of equipment or facilities provided by the athletic club because of the person's race, color, religion, creed, national origin, or sex.

"Athletic club" means an entity that provides sports or exercise equipment or facilities to its customers or members or to the guests of its customers or members.

Education Code 33.082

**Special Olympics
Recognition**

If a district allows high school students to earn a letter for academic, athletic, or extracurricular achievements, the district must allow high school students to earn a letter on the basis of a student's participation in a Special Olympics event. *Education Code 33.093*

**Student Election
Clerks**

Unless applied toward instructional requirements [see EIA], a student who is appointed as a student election clerk under Election Code 32.0511 or as a student early voting clerk under Election Code 83.012, may apply the time served toward a service requirement for participation in a school-sponsored extracurricular activity at the discretion of the school sponsor. *Education Code 33.092*

**Before-School and
After-School
Programs**

The board may establish before-school or after-school programs for students enrolled in elementary or middle school grades. A program established under this section may operate before, after, or before and after school hours.

A student is eligible to participate in the district's before-school or after-school program if the student is enrolled in a public or private school or resides within the boundaries of the district.

A district shall conduct a request for proposals procurement process to enable the district to determine if contracting with a child-care facility that provides a before-school or after-school program, as defined by Human Resources Code 42.002, to provide the district's before-school or after-school program would serve the district's best interests. Following the request for proposals procurement process, the district may enter into a contract with a child-care facility or implement a before-school or after-school program operated by the district. If the district enters into a contract with a

child-care facility, the contract must comply with the requirements of Education Code 44.031 and may not exceed a term of three years.

The board may adopt rules in accordance with Education Code 11.165 [see BAA] to provide access to school campuses before or after school hours for the purpose of providing a before-school or after-school program.

Education Code 33.9031

First Amendment

A district shall take no action respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition a board for a redress of grievances.
U.S. Const. Amend. I

Freedom of Speech

Students do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate. At school and school events, students have First Amendment rights, applied in light of the special characteristics of the school environment.

Student expression that is protected by the First Amendment may not be prohibited absent a showing that the expression will materially and substantially interfere with the operation of the school or the rights of others.

Tinker v. Des Moines Indep. Cmty. Sch. Dist., 393 U.S. 503 (1969)
[See also FNCl]

The special characteristics of the school environment and the governmental interest in stopping student drug abuse allow a district to restrict student expression that it reasonably regards as promoting illegal drug use. *Morse v. Frederick*, 551 U.S. 393 (2007)

When a student threatens violence against a student body, such specific threatening speech to a school or its population is unprotected by the First Amendment: school officials may punish such speech without first collecting evidence sufficient to prove a reasonable belief that disruption would occur as a result of the speech. *Ponce v. Socorro Indep. Sch. Dist.*, 508 F.3d 765 (5th Cir. 2007)

The inculcation of fundamental values necessary to the maintenance of a democratic society is part of the work of the school. The First Amendment does not prevent school officials from determining that particular student expression is vulgar and lewd, and therefore contrary to the school's basic educational mission. *Bethel Sch. Dist. No. 403 v. Fraser*, 478 U.S. 675 (1986)

Public schools may have a special interest in regulating some off-campus student speech, however, the interest must be sufficient to overcome the student's interest in free expression. Circumstances that may implicate a school's regulatory interests include serious or severe bullying or harassment targeting particular individuals; threats aimed at teachers or other students; the failure to follow rules concerning lessons, the writing of papers, the use of computers, or participation in other online school activities; and breaches of school security devices. *Mahanoy Area School District v. *Prayer at School
Activities*

A public school student has an absolute right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt the instructional or other activities of the school. A student shall not be required, encouraged, or coerced to engage in or refrain from such prayer or meditation during any school activity. *Education Code 25.901*

Nothing in the Constitution as interpreted by the U.S. Supreme Court prohibits any public school student from voluntarily praying at any time before, during, or after the school day. But the religious liberty protected by the Constitution is abridged when a district affirmatively sponsors the particular religious practice of prayer.

A district shall not adopt a policy that establishes an improper majoritarian election on religion and has the purpose and creates the perception of encouraging the delivery of prayer at a series of important school events.

Santa Fe Indep. Sch. Dist. v. Doe, 530 U.S. 290 (2000) (addressing school-sponsored, student-led prayer delivered over the public address system at high school football games) [For invocations and benedictions at commencement, see FMH.]

Federal Funds

As a condition of receiving federal funds under the Elementary and Secondary Education Act (ESEA), a district shall certify in writing to TEA that no policy of the district prevents, or otherwise denies participation in, constitutionally protected prayer in public schools, as detailed in the guidance from the United States secretary of education regarding constitutionally protected prayer. The certification shall be provided by October 1 of each year.

By November 1 of each year, TEA shall report to the secretary a list of districts that have not filed the certification or against which complaints have been made to TEA that the district is not in compliance with this section. The secretary may issue and secure compliance with rules or orders with respect to a district that fails to certify, or is found to have certified in bad faith, that no policy of the district prevents, or otherwise denies participation in, constitutionally protected prayer in public schools.

20 U.S.C. 7904

**Expression of
Religious Viewpoints**

A district shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject. *Education Code 25.151*

Policies

A district shall adopt and implement a local policy regarding a limited public forum and voluntary student expression of religious viewpoints. If a district voluntarily adopts and follows the model policy governing voluntary religious expression in public schools at Education Code 25.156, the district is in compliance with the provisions of Education Code Chapter 25, Subchapter E covered by the model policy.

A district shall adopt a policy that includes the establishment of a limited public forum for student speakers at all school events at which a student is to publicly speak. The policy regarding the limited public forum must also require a district to:

1. Provide the forum in a manner that does not discriminate against a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject;
2. Provide a method, based on neutral criteria, for the selection of student speakers at school events and graduation ceremonies;
3. Ensure that a student speaker does not engage in obscene, vulgar, offensively lewd, or indecent speech; and
4. State, in writing, orally, or both, that the student's speech does not reflect the endorsement, sponsorship, position, or expression of the district.

Student expression on an otherwise permissible subject may not be excluded from the limited public forum because the subject is expressed from a religious viewpoint.

Disclaimer

The disclaimer required by item 4, above, must be provided at all graduation ceremonies. A district must continue to provide the disclaimer at any other event in which a student speaks publicly for as long as a need exists to dispel confusion over the district's non-sponsorship of the student's speech.

Education Code 25.152, .155

Class Assignments

Students may express their beliefs about religion in homework, artwork, and other written and oral assignments free from discrimination based on the religious content of their submissions. Homework and classroom assignments must be judged by ordinary academic standards of substance and relevance and against other legitimate pedagogical concerns identified by a district. Students may not be penalized or rewarded on account of the religious content of their work. *Education Code 25.153*

**Patriotic
Observances**

A district may officially encourage students to express love for the United States by reciting historical documents or singing official anthems that contain religious references; such patriotic or ceremonial occasions do not constitute a school-sponsored religious exercise. *Engel v. Vitale*, 370 U.S. 421 (1962)

A district shall not, however, compel students to participate in patriotic observances. *West Virginia State Bd. of Educ. v. Barnette*, 319 U.S. 624 (1943) (*holding unconstitutional a requirement that students salute the United States flag and recite the Pledge of Allegiance*)

Winter Celebrations

A district may educate students about the history of traditional winter celebrations, and allow students and district staff to offer traditional greetings regarding the celebrations, including:

1. "Merry Christmas";
2. "Happy Hanukkah"; and
3. "Happy holidays."

A district may display on school property scenes or symbols associated with traditional winter celebrations, including a menorah or a Christmas image such as a nativity scene or Christmas tree, if the display includes a scene or symbol of more than one religion or one religion and at least one secular scene or symbol.

A display relating to a traditional winter celebration may not include a message that encourages adherence to a particular religious belief.

**Completion of
Proceedings Upon
Withdrawal**

If a student withdraws from a district before an order for placement in a DAEP is entered, the principal or board, as appropriate, may complete the proceedings and enter an order. If the student re-enrolls in the district the same or subsequent school year, the district may enforce the order at that time except for any period of the placement that has been served by the student in another district that honored the order. If the principal or board fails to enter an order after the student withdraws, the next district in which the student enrolls may complete the proceedings and enter an order. *Education Code 37.009(i)*

**Enrollment in
Another District**

If a student placed in a DAEP enrolls in another district before the expiration of the placement, a board shall provide to the district in which the student enrolls a copy of the placement order at the same time it provides other records. The district in which the student enrolls shall inform each educator who will have responsibility for, or will be under the direction and supervision of an educator who will have responsibility for, the instruction of the student of the contents of the placement order. Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law.

The district in which the student enrolls may continue the placement or allow the student to attend regular classes without completing the period of placement. [See FO] The district in which the student enrolls may take any of these actions if:

1. The student was placed in a DAEP by an open-enrollment charter school and the charter school provides the district a copy of the placement order; or
2. The student was placed in a DAEP by a district in another state and:
 - a. The out-of-state district provides a copy of the placement order; and
 - b. The grounds for placement are the same as grounds for placement in the enrolling district.

Education Code 37.008(j)

**Out-of-State
Placement**

If a student was placed in a DAEP in another state for more than one year and the enrolling district continues the placement under Education Code 37.008(j), the enrolling district shall reduce the period of placement so that the aggregate period does not exceed one year unless the enrolling district determines that:

Court-Ordered Placement

Unless a board and the juvenile board for the county in which a district's central administrative office is located have entered into a memorandum of understanding concerning the juvenile probation department's role in supervising and providing other support services for students in DAEP programs:

1. A court may not order a student expelled under Section 37.007 to attend a school district DAEP as a condition of probation;
2. A court may not order a student to attend a DAEP without a district's consent, until the student has successfully completed any sentencing requirements, if the court has ordered the student to attend a DAEP as a condition of probation once during a school year and the student is referred to juvenile court again during that school year.

Education Code 37.010(c)-(d)

School Activities

Any court placement in a DAEP must prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.010(e)*

Placement After Court Disposition

After the student has successfully completed any court disposition requirements, including conditions of deferred prosecution or conditions required by the prosecutor or probation department, a district may not refuse to admit the student if the student meets the requirements for admission into the public schools. A district may place the student in the DAEP.

Notwithstanding Education Code 37.002(d) [see FOA], the student may not be returned to the classroom of the teacher under whose supervision the offense occurred without that teacher's consent. The teacher may not be coerced to consent.

Education Code 37.010(f)

**Not Guilty/

The office of the prosecuting attorney or the office or official designated by the juvenile board shall, within two working days, notify the school district that removed a student to a DAEP under Education Code 37.006 if:

On receipt of the notice, the superintendent or designee shall review the student's placement in the DAEP. The student may not be returned to the regular classroom pending the review. The superintendent or designee shall schedule a review of the student's placement with the student's parent or guardian not later than the third class day after the superintendent or designee receives notice from the office or official designated by the court.

After reviewing the notice and receiving information from the student's parent or guardian, the superintendent or designee may continue the student's placement in the DAEP if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

Education Code 37.006(h); Code of Criminal Procedure 15.27(g)

Appeal After
Placement Upheld

The student or the student's parent or guardian may appeal a superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. A board shall, at the next scheduled meeting, review the notice provided by the office of the prosecuting attorney or the office or official designated by the juvenile board; receive information from the student, the student's parent or guardian, and the superintendent or designee; and confirm or reverse the superintendent's decision. The board shall make a record of the proceedings.

If a board confirms the decision, the board shall inform the student and the student's parent or guardian of the right to appeal to the commissioner of education. The student may not be returned to the regular classroom pending the appeal to the commissioner.

120-Day Review of
Status

A student placed in a DAEP shall be provided a review of the student's status, including a review of the student's academic status, by a board's designee at intervals not to exceed 120 days. In the case of a high school student, the board's designee, with the student's parent or guardian, shall review the student's progress toward meeting high school graduation requirements and shall establish a specific graduation plan for the student. The district is not required to provide a course in the DAEP, except as required by

[See board-adopted Student Code of Conduct for information regarding DAEP.]

**Joint/Contracted
DAEP**

A district may provide a DAEP jointly with one or more other districts or may contract with third parties for DAEP services. The district must require and ensure compliance with district responsibilities that are transferred to the third-party provider. *Education Code 37.008(d); 19 TAC 103.1201(d)*

A DAEP may provide for a student's transfer to a different campus, a school-community guidance center, or a community-based alternative school. *Education Code 37.008(b)*

Community
Organizations

A district shall cooperate with government agencies and community organizations that provide services in the district to students placed in a DAEP. *Education Code 37.008(e)*

Shared Service
Arrangements

A district that participates in a shared service arrangement for DAEP services shall ensure that the district improvement plan and each campus-level plan include the performance of the DAEP student group for the district in accordance with 19 Administrative Code 103.1201(b) [see BQ]. *19 TAC 103.1201(b)*

Funding

A student removed to a DAEP is counted in computing a district's average daily attendance for the student's time in actual attendance in the program. *Education Code 37.008(f)*

A district shall allocate to a DAEP the same expenditure per student attending the DAEP that would be allocated to the student's school if the student were attending the student's regularly assigned education program, including a special education program. *Education Code 37.008(g)* [See also EHBC(LEGAL), Limit on DAEP Expenditures]

Location

A DAEP shall be provided in a setting other than the student's regular classroom. *Education Code 37.008(a)(1)*

A DAEP may be located on-campus or off-campus in adherence with requirements of the *Student Attendance Accounting Handbook*. For reporting purposes, the DAEP shall use the county-district-campus number of the student's locally assigned campus (the

campus the student would be attending if the student was not attending the DAEP). *19 TAC 103.1201(c); Education Code 37.008(a)(2)*

An off-campus DAEP is not subject to a requirement imposed by the Education Code, other than a limitation on liability, a reporting requirement, or a requirement imposed by Education Code Chapter 37 or Chapter 39 or 39A. *Education Code 37.008(c)*

An elementary school student may not be placed in a DAEP with a student who is not an elementary school student. The designation of elementary and secondary is determined by adopted local policy. *Education Code 37.006(f); 19 TAC 103.1201(h)(1)*

Students who are assigned to the DAEP shall be separated from students who are not assigned to the program. Notwithstanding this requirement, summer programs provided by the district may serve students assigned to a DAEP in conjunction with other students, as determined by local policy.

Students in the DAEP shall be separated from students in a juvenile justice alternative education program.

Education Code 37.008(a)(3), (c); 19 TAC 103.1201(f)(3), (h)(3)

Safety

A district is responsible for the safety and supervision of the students assigned to the DAEP; however, the immunity from the liability established in Education Code 22.0511 [see DG], shall not be impacted. The DAEP staff shall be prepared and trained to respond to health issues and emergencies.

Each district shall establish a board-approved policy for discipline and intervention measures to prevent and intervene against unsafe behavior and include disciplinary actions that do not jeopardize students' physical health and safety, harm emotional well-being, or discourage physical activity.

19 TAC 103.1201(h)

Staffing

A DAEP shall employ only teachers who meet certification requirements under Education Code Chapter 21, Subchapter B. The certified teacher-to-student ratio in a DAEP shall be one teacher for each 15 students in elementary through high school grades. *Education Code 37.008(a)(7); 19 TAC 103.1201(h)(1)*

Staff at each DAEP shall participate in training programs on education, behavior management, and safety procedures that focus on positive and proactive behavior management strategies. The training programs must also target prevention and intervention that include:

1. Training on the education and discipline of students with disabilities who receive special education services;
2. Instruction in social skills and problem-solving skills that addresses diversity, dating violence, anger management, and conflict resolution to teach students how to interact with teachers, family, peers, authority figures, and the general public; and
3. Annual training on established procedures for reporting abuse, neglect, or exploitation of students.

19 TAC 103.1201(i)

Entrance Procedures

Procedures for each DAEP shall be developed and implemented for newly entering students and their parents or guardians on the expectations of the DAEP. These procedures shall include written contracts between students, parents or guardians, and the DAEP that formalize expectations and establish the students' individual plans for success. *19 TAC 103.1201(j)*

Academics

The academic mission of DAEPs shall be to enable students to perform at grade level. A DAEP shall focus on English language arts, mathematics, science, history, and self-discipline. *Education Code 37.008(a)(4), (m)*

A district shall provide an academic and self-discipline program that leads to graduation and includes instruction in each student's currently enrolled foundation curriculum necessary to meet the student's individual graduation plan, including special education services. A student's required high school personal graduation plan [see EIF] may not be altered when the student is assigned to a DAEP.

**Opportunity to
Complete Course**

A district shall offer a student removed to a DAEP an opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal, before the beginning of the next school year, through any method available, including a correspondence course, distance learning, or summer school. The district may not charge the student for a course provided under this provision.

Education Code 37.008(l); 19 TAC 103.1201(f)

A district shall provide the parents of a student removed to a DAEP with written notice of the district's obligation to provide the student with an opportunity to complete coursework required for graduation. The notice must include information regarding all methods available for completing the coursework and state that the methods are available at no cost to the student. *Education Code 37.008(l-1)*

School Day The school day for a DAEP shall be at least 240 minutes in length each day, including intermissions and recesses. *19 TAC 103.1201(f)(2)*

Accountability The campus of accountability for student performance must be the student's locally assigned campus, including when the district or shared services arrangement contracts with a third party for DAEP services. *19 TAC 103.1201(e)*

Academic Assessments A district shall administer to a student placed in a DAEP program for a period of 90 school days or longer an assessment instrument:

1. Initially on placement of the student in the program; and
2. Subsequently on the date of the student's departure from the program, or as near that date as possible.

The assessment instrument:

1. Must be designed to assess at least a student's basic skills in reading and mathematics;
2. May be:
 - a. Comparable to any assessment instrument generally administered to students placed in juvenile justice alternative education programs for a similar purpose; or
 - b. Based on an appropriate alternative assessment instrument developed by the agency to measure student academic growth; and
3. Is in addition to the required state assessments [see EKB].

Education Code 37.0082

Released state assessments for reading and mathematics for the appropriate grade may be used. A district may apply for approval of an assessment that includes the Texas Essential Knowledge and Skills for reading and mathematics for the student's assigned grade. The commissioner will publish on the TEA website a list of assessments approved for use in each school year. A district may contact TEA to obtain accommodated versions of particular assessments.

The grade level of an assessment shall be based upon the academic grade completed prior to the student being assigned to a DAEP if placement occurs in the fall or first semester of the academic school year. If placement occurs in the spring or second semester of the academic school year, the student shall be administered an assessment based on the current grade level.

Each district shall provide an academic report to the student's locally assigned campus, which shall include the pre- and post-assessment results of the student's basic skills in reading and mathematics, within ten school days of the student completing the post-assessment.

Procedures for administering the pre- and post-assessment, including appropriate accommodations as needed, shall be developed and implemented in accordance with local district policy.

A student in the district's DAEP must also be assessed under the required state assessment [see EKB].

Special Populations

Special Education

A DAEP serving a student with a disability who receives special education services shall provide educational services that will support the student in meeting the goals identified in the individualized education program (IEP) established by a duly-constituted admission, review, and dismissal (ARD) committee, in accordance with Education Code 37.004 and federal requirements. *19 TAC 103.1201(g)*

Drug and Alcohol
Treatment

A program of educational and support services may be provided to a student and the student's parents when the offense involves drugs or alcohol as specified under Education Code 37.006 and 37.007. A DAEP that provides chemical dependency treatment services must be licensed under Health and Safety Code Chapter 464. *Education Code 37.008(k)*

**Transition to Regular
Classroom**

The transition services established for a student who is exiting a DAEP and returning to the student's locally assigned campus shall be implemented as required by Education Code 37.023. *19 TAC 103.1201(k)*

Education Code 37.023(e)–(f)

**Students with
Disabilities Under
Section 504**

A district shall conduct an evaluation in accordance with 34 C.F.R. 104.35(b) before taking any action with respect to any significant change in placement of a student with a disability who needs or is believed to need special education and related services. *34 C.F.R. 104.35(a)*

A district may take disciplinary action pertaining to the use or possession of illegal drugs or alcohol against any student with a disability who is currently engaging in the illegal use of drugs or in the use of alcohol to the same extent that the district would take disciplinary action against nondisabled students. The due process procedures afforded under Section 504 do not apply to such disciplinary action. *29 U.S.C. 705(20)(C)(iv)*

Note: The provisions below apply only to students eligible for special education and related services under the Individuals with Disabilities Education Act (IDEA).

**Students Receiving
Special Education
Services**

All disciplinary actions regarding students with disabilities must be determined in accordance with 34 C.F.R. 300.101(a) and 300.530–300.536; Education Code Chapter 37, Subchapter A; and 19 Administrative Code 89.1053 (Procedures for Use of Restraint and Time-Out). *19 TAC 89.1050(k)*

Except as set forth below, the placement of a student with a disability who receives special education services may be made only by a duly constituted admission, review, and dismissal (ARD) committee. Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations. *Education Code 37.004(a)–(b)*

The methods adopted in the Student Code of Conduct [see FO] for discipline management and for preventing and intervening in student discipline problems must provide that a student who is enrolled in the special education program may not be disciplined for bullying, harassment, or making hit lists until an ARD committee meeting has been held to review the conduct. *Education Code 37.001(b-1)*

**DAEP Placement
Not Solely for
Educational
Purposes**

A student with a disability who receives special education services may not be placed in a disciplinary alternative education program (DAEP) solely for educational purposes. A teacher in a DAEP who has a special education assignment must hold an appropriate certificate or permit for that assignment. *Education Code 37.004(c)–(d)*

Services During
Removal

A district is required to provide services during the period of removal if the district provides services to a child without disabilities who is similarly removed. *34 C.F.R. 300.530(d)*

**Subsequent
Removals of Ten
Days or Less**

School personnel may remove the student for additional removals of not more than ten consecutive school days in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change in placement (see below). *34 C.F.R. 300.530(b)(1)*

Services During
Removal

After a student has been removed from his or her current placement for ten school days in the same school year, during any subsequent removal of ten consecutive school days or less, school personnel, in consultation with at least one of the student's teachers, shall determine the extent to which services are needed so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's individualized education program (IEP). *20 U.S.C. 1415(k)(1)(D); 34 C.F.R. 300.530(d)(4)*

Notice of
Procedural
Safeguards

Not later than the date on which the decision to take the disciplinary action is made, a district shall notify the student's parents of the decision and of all procedural safeguards [see EHBAE]. *20 U.S.C. 1415(k)(1)(H)*

**Removals That Are a
Change in Placement**

Any disciplinary action that would constitute a change in placement may be taken only after the student's ARD committee conducts a manifestation determination review.

Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations, including laws or regulations requiring the provision of functional behavioral assessments; positive behavioral interventions, strategies, and supports; behavioral intervention plans; and the manifestation determination review [see Manifestation Determination, below].

Education Code 37.004(b)

Behavior
Assessment and
Intervention

If a district takes a disciplinary action regarding a student with a disability who receives special education services that constitutes a change in placement under federal law, the district shall:

1. Not later than the tenth school day after the change in placement:

- a. Seek consent from the student's parent or person standing in parental relation to the student to conduct a functional behavioral assessment of the student, if a functional behavioral assessment has never been conducted on the student or the student's most recent functional behavioral assessment is more than one year old; and
 - b. Review any previously conducted functional behavioral assessment of the student and any behavior improvement plan or behavioral intervention plan developed for the student based on that assessment; and
2. As necessary, develop a behavior improvement plan or behavioral intervention plan for the student if the student does not have a plan or, if the student has a behavior improvement plan or behavioral intervention plan, revise the student's plan.

Education Code 37.004(b-1)

Change in
Placement

For purposes of disciplinary removal of a student with a disability, a change in placement occurs if a student is:

1. Removed from the student's current educational placement for more than ten consecutive school days; or
2. Subjected to a series of removals that constitute a pattern because:
 - a. The series of removals total more than ten school days in a school year;
 - b. The student's behavior is substantially similar to the student's behavior in the previous incidents that resulted in the series of removals; and
 - c. Additional factors exist, such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

The district determines, on a case-by-case basis, whether a pattern of removals constitutes a change in placement. The district's determination is subject to review through due process and judicial proceedings.

34 C.F.R. 300.536

School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a student who violates a code of student conduct. *20 U.S.C. 1415(k)(1)(A)*

Manifestation
Determination

Within ten school days of any decision to change the placement of a student because of a violation of a code of student conduct, a district, parents, and relevant members of the ARD committee (as determined by the parent and the district) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents to determine whether the conduct in question was:

1. Caused by, or had a direct and substantial relationship to, the student's disability; or
2. The direct result of the district's failure to implement the IEP.

If the district, the parent, and relevant members of the ARD committee determine that either of the above is applicable, the conduct shall be determined to be a manifestation of the student's disability.

If the district, the parent, and relevant members of the ARD committee determine the conduct was the direct result of the district's failure to implement the IEP, the district must take immediate steps to remedy those deficiencies.

20 U.S.C. 1415(k)(1)(E); 34 C.F.R. 300.530(e)

Not a Manifestation

If the determination is that the student's behavior was not a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to the student in the same manner and for the same duration as for students without disabilities. The ARD committee shall determine the interim alternative educational setting. *20 U.S.C. 1415(k)(1)(C), (k)(2); 34 C.F.R. 300.530(c)*

Expulsion

In a county with a juvenile justice alternative education program (JJAEP) [see FODA], a district must invite the administrator of the JJAEP or the administrator's designee to an ARD committee meeting convened to discuss the discretionary expulsion under Education Code 37.007 of a student with a disability. The district must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. A copy of the student's current IEP must be provided to the JJAEP representative with the notice. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP representative may participate in the meeting to the extent that the meeting relates to the student's placement in the JJAEP and implementation of the student's current IEP in the JJAEP. *19 TAC 89.1052*

*Services During
Removal*

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(1)–(2)

For a student with a disability who was expelled under a discretionary expulsion under Education Code 37.007, an ARD committee meeting must be convened to reconsider placement of the student in the JJAEP if the JJAEP provides written notice to the district of specific concerns that the student's education or behavioral needs cannot be met in JJAEP.

The district must invite the JJAEP administrator or the administrator's designee to the meeting and must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP may participate in the meeting to the extent that the meeting relates to the student's continued placement in JJAEP.

19 TAC 89.1052

Manifestation

If the district, the parents, and relevant members of the ARD committee determine that the conduct was a manifestation of the student's disability, the ARD committee shall:

1. Conduct a functional behavioral assessment (FBA), unless the district had conducted an FBA before the behavior that resulted in the change in placement occurred, and implement a behavioral intervention plan (BIP) for the student; or
2. If a BIP has already been developed, review the BIP and modify it, as necessary, to address the behavior.

Except as provided at Special Circumstances, below, the ARD committee shall return the student to the placement from which the

student was removed, unless the parent and the district agree to a change in placement as part of the modification of the BIP.

20 U.S.C. 1415(k)(1)(F); 34 C.F.R. 300.530(f)

**Special
Circumstances**

School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability, if the student:

1. Carries or possesses a weapon to or at school, on school premises, or to or at a school function under the jurisdiction of the Texas Education Agency (TEA) or a school district;
2. Knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school, on school premises, or at a school function under the jurisdiction of TEA or a school district; or
3. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of TEA or the district.

20 U.S.C. 1415(k)(1)(G); 34 C.F.R. 300.530(g)

The ARD committee shall determine the interim alternative education setting. *20 U.S.C. 1415(k)(2)*

**Services During
Removal**

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(1)

Appeals

A parent who disagrees with a placement decision or the manifestation determination may request a hearing. A district that believes that maintaining a current placement of a student is substantially likely to result in injury to the student or others may request a hearing. *20 U.S.C. 1415(k)(3)(A); 34 C.F.R. 300.532(a); 19 TAC 89.1151*

However, if a request is made for an evaluation during the time period in which the student is subjected to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

**Behavior
Management
Techniques**

It is the policy of the state to treat all students with dignity and respect, including students with disabilities who receive special education services. Any behavior management technique and/or discipline management practice must be implemented in such a way as to protect the health and safety of the student and others. No discipline management practice may be calculated to inflict injury, cause harm, demean, or deprive the student of basic human necessities. *Education Code 37.0021(a); 19 TAC 89.1053(j)*

[For restrictions on aversive techniques, see FO.]

**Rules on Restraint
and Seclusion**

The commissioner by rule shall adopt procedures for the use of restraint and time-out by a district employee or volunteer or an independent contractor of a district in the case of a student with a disability receiving special education services. The procedures must be consistent with Education Code 37.0021(d). *Education Code 37.0021(d)*

**School Peace
Officers**

This section and any rules or procedures adopted under this section apply to a peace officer only if the peace officer:

1. Is employed or commissioned by a school district; or
2. Provides, as a school resource officer, a regular police presence on a school district campus under a memorandum of understanding between the district and a local law enforcement agency.

Education Code 37.0021(h); 19 TAC 89.1053(l)

Exceptions Education Code 37.0021 (use of confinement, seclusion, restraint, and time-out) does not apply to:

1. A peace officer, while performing law enforcement duties, except as provided above [see School Peace Officers] and by Education Code 37.0021(i) [see Restraint, Documentation, below];
2. Juvenile probation, detention, or corrections personnel; or
3. An educational services provider with whom a student is placed by a judicial authority, unless the services are provided in an educational program of a school district.

Law Enforcement Duties

“Law enforcement duties” means activities of a peace officer relating to the investigation and enforcement of state criminal laws and other duties authorized by the Code of Criminal Procedure.

Education Code 37.0021(b)(4), (g); 19 TAC 89.1053(l), (m)

Further, Education Code 37.0021 does not prevent a student’s locked, unattended confinement in an emergency situation while awaiting the arrival of law enforcement personnel if:

1. The student possesses a weapon; and
2. The confinement is necessary to prevent the student from causing bodily harm to the student or another person.

For these purposes, “weapon” includes any weapon described under Education Code 37.007(a)(1). [See FNCG]

Education Code 37.0021(f)

Confinement A student with a disability who receives special education services may not be confined in a locked box, locked closet, or other specially designed locked space as either a discipline management practice or a behavior management technique. *Education Code 37.0021(a)*

Seclusion A district employee or volunteer or an independent contractor of a district may not place a student in seclusion. *Education Code 37.0021(c)*

“Seclusion” means a behavior management technique in which a student is confined in a locked box, locked closet, or locked room that:

1. Is designed solely to seclude a person; and
2. Contains less than 50 square feet of space.

Education Code 37.0021(b)(2)

- Restraint** A school employee, volunteer, or independent contractor may use restraint only in an emergency and with the following limitations:
1. Restraint shall be limited to the use of such reasonable force as is necessary to address the emergency.
 2. Restraint shall be discontinued at the point at which the emergency no longer exists.
 3. Restraint shall be implemented in such a way as to protect the health and safety of the student and others.
 4. Restraint shall not deprive the student of basic human necessities.

19 TAC 89.1053(c)

“Restraint” means the use of physical force or a mechanical device to significantly restrict the free movement of all or a portion of a student’s body.

- Emergency** “Emergency” means a situation in which a student’s behavior poses a threat of:

1. Imminent, serious physical harm to the student or others; or
2. Imminent, serious property destruction.

19 TAC 89.1053(b)(1)–(2)

- Training** Training for school employees, volunteers, or independent contractors regarding the use of restraint shall be provided according to the requirements set forth at 19 Administrative Code 89.1053(d).

- Documentation** In a case in which restraint is used, school employees, volunteers, or independent contractors shall implement the documentation requirements set forth at 19 Administrative Code 89.1053(e).

A district shall report electronically to TEA, in accordance with standards provided by commissioner rule, information relating to the use of restraint by a peace officer performing law enforcement duties on school property or during a school-sponsored or school-related activity. The report must be consistent with the requirements adopted by commissioner rule for reporting the use of restraint involving students with disabilities.

Education Code 37.0021(i)

- Time-Out** A school employee, volunteer, or independent contractor may use time-out with the following limitations:

1. Physical force or threat of physical force shall not be used to place a student in time-out.

2. Time-out may only be used in conjunction with an array of positive behavior intervention strategies and techniques and must be included in the student's IEP and/or BIP if it is utilized on a recurrent basis to increase or decrease targeted behavior.
3. Use of time-out shall not be implemented in a fashion that precludes the ability of the student to be involved in and progress in the general curriculum and advance appropriately toward attaining the annual goals specified in the student's IEP.

19 TAC 89.1053(g)

"Time-out" means a behavior management technique in which, to provide a student with an opportunity to regain self-control, the student is separated from other students for a limited period in a setting:

1. That is not locked; and
2. From which the exit is not physically blocked by furniture, a closed door held shut from the outside, or another inanimate object.

19 TAC 89.1053(b)(3)

Training

Training for school employees, volunteers, or independent contractors regarding the use of time-out shall be provided according to the requirements set forth at 19 Administrative Code 89.1053(h).

Documentation

Necessary documentation or data collection regarding the use of time-out, if any, must be addressed in the IEP or BIP. The ARD committee must use any collected data to judge the effectiveness of the intervention and provide a basis for making determinations regarding its continued use.

PROPOSED REVISIONS

Note: For information related to the selection process and accounting of instructional materials, as this term is defined by state law and rule, see CMD and EFA.

The District shall provide a wide range of instructional resources for students and faculty that present varying levels of difficulty, diversity of appeal, and a variety of points of view. Although the Superintendent shall ensure that professional staff select instructional resources in accordance with District policy and administrative regulations, the ultimate authority for determining and approving the curriculum and instructional program of the District lies with the Board.

Objectives

In this policy, “instructional resources” includes both instructional materials and library materials.

Instructional materials may include textbooks, supplementary resources for classroom use, and any other instructional resources, including electronic resources, used for formal or informal teaching and learning purposes. The primary objectives of instructional materials are to implement, enrich, and support the District’s educational program.

Library materials may include printed and electronic library acquisitions and other ancillary or supplementary materials maintained in a campus library. In accordance with state and local guidelines, library collections should enrich and support the state and local curriculum. Collections should also provide materials of high interest to encourage student reading and learning for pleasure.

Library materials may be used to enhance the instructional program, for formal or informal teaching and learning purposes, and for voluntary inquiry or self-selected reading.

In accordance with state and local standards, school libraries are essential interactive collaborative learning environments, ever evolving to provide equitable physical and virtual access to ideas, information, and learning tools for the entire school community.

School libraries are essential, safe, and inviting centers for teaching and learning that provide equitable access to emerging technologies and physical and virtual collections of high quality, reflecting input from stakeholders.

2. Are appropriate for the subject area and for the age, ability level, learning styles, interests, and social and emotional development of the students for whom they are selected.
3. Meet high standards for artistic quality, literary style, authenticity, educational significance, factual content, physical format, presentation, readability, and technical quality.
4. Present various sides of controversial issues so that students have an opportunity to develop, under guidance, skills in critical analysis and in making informed judgments in their daily lives. [See also EMB regarding instruction about controversial issues.]
5. Promote literacy.

Selection of resources is an ongoing process that includes the removal of resources no longer appropriate and the periodic replacement or repair of resources that still have educational value.

Additional
Instructional
Materials

In addition to the criteria above, District professional staff may select additional instructional materials in accordance with administrative regulations.

Library Materials

In addition to the criteria above, librarians and other professional staff shall strive to ensure that library materials:

1. Develop a balanced collection presenting multiple viewpoints related to controversial issues to foster critical thinking skills and encourage discussion based on rational analysis [see EMB regarding instruction about controversial issues];
2. Represent many ethnic, religious, and cultural groups and their contributions to the national heritage and world community;
3. Provide a wide range of background information that will enable students to make intelligent decisions in their daily lives;
4. Demonstrate literary merit, quality, value, and significance;

Gifts

Gifts of instructional resources shall be evaluated according to the provisions above and accepted or rejected in accordance with CDC(LOCAL).

Challenged Resources

A parent of a District student, a student who is 18 years of age or older, an individual employee, or any District resident may challenge an instructional resource used in the District's educational program on the basis that the instructional material fails to meet the standards set forth in this policy.

Guiding Principles

The following principles shall guide the Board and staff in responding to challenges of instructional resources:

1. A complainant may raise an objection to an instructional resource used in a school's educational program, despite the fact that the professional staff selecting the resources were qualified to make the selection, followed the proper procedure, and adhered to the objectives and criteria for instructional resources set out in this policy.
2. A parent's ability to exercise control over instruction extends only to his or her own child as set forth in Education Code Chapter 26.

INSTRUCTIONAL RESOURCES

EF
(LOCAL)

3. Access to a challenged resource shall not be restricted during the reconsideration process, except the District may deny access to a child if requested by the child's parent.

The major criterion for the final decision on challenged resources is the appropriateness of the resource for its intended educational use. No challenged instructional resource shall be removed solely because of the ideas expressed therein.

Informal
Reconsideration

When the District or a campus receives an objection about the appropriateness of an instructional resource, the appropriate administrator shall try to resolve the matter informally. The administrator shall explain the selection process and discuss the intended educational purpose for the instructional resource. If appropriate, the administrator may offer a concerned parent an alternative instructional resource to be used by that parent's child in place of the challenged material.

If the complainant wishes to make a formal challenge, the administrator shall provide the complainant a copy of this policy and a form to request a formal reconsideration of the instructional resource.

Formal
Reconsideration

A complainant shall make any formal objection to an instructional resource on the form provided by the District and shall submit the completed and signed form to the [S position receiving formal objection for resource]. Upon receipt of the form, the [S position receiving formal objection for resource] shall appoint a reconsideration committee.

The reconsideration committee shall include at least one member of the instructional staff who has experience using the challenged resource with students or is familiar with the challenged resource's content. Other members of the committee may include District-level staff, library staff, secondary-level students, parents, and any other appropriate individuals.

All members of the committee shall review the challenged instructional resource in its entirety. As soon as reasonably possible, the committee shall meet and determine whether the challenged resource conforms to the principles of selection set out in this policy and whether the challenged material will continue to be used in the educational program. The committee shall prepare a written report of its findings. The Superintendent, other appropriate administrators, and the complainant shall receive copies of the report.

*Frequency of
Review*

After an instructional resource has been reviewed through formal reconsideration, it shall not be reviewed again until it is evaluated in the periodic local selection or maintenance process, as applicable.
