Overview

Update 115 focuses on updating and reorganizing several policies in the FFE series of the policy manual addressing student welfare. FFEA continues to focus on counseling, and a new code, FFEB, focuses on mental health provisions.

In addition to these changes, Update 115 includes several other policies affected by legislation from the 86th Legislative Session that were not included in Update 114 and incorporates numerous changes from revised Administrative Code rules.

Your Localized Update 115 packet also contains:

- **Explanatory Notes** describing the changes to each policy. Please note that, where appropriate, the Explanatory Notes ask you to verify that a particular policy reflects current district practice and to advise us of any changes needed so that our records and the district's policy manual accurately track the district's practice.

Explanatory notes may also provide important information about policies not included in the update packet.

- ***Vantage Points—A Board Member’s Guide to Update 115***, which provides local officials a highly summarized first glance at the local policies included in the update. Please distribute the *Vantage Points* to your board members with the review copies of the update.
- **Instructions** for incorporating this update into each of the district’s Localized Policy Manuals after board adoption. Use the enclosed Instruction Sheet as a guide to which policies should be added, replaced, and removed from your manual.

Legal Services Update Memo

TASB Legal Services’ [Legal Issues in Update 115 memo](#) (available in the myTASB Policy Service Resource Library under Policy Manual Update Resources) describes common legal concerns specific to the local policies recommended in this update for your consideration prior to board adoption of any local policies. Local policies will not be sent for a separate review by Legal Services as part of the update process. If after reviewing the memo you have questions about any specific provisions in your local policies, please contact TASB Legal Services at 800-580-5345.

(LEGAL) vs. (LOCAL) Policies: Remember the Difference

(LEGAL) policies:

- Reflect the ever-changing legal context for governance and management of the district
- Should inform local decision making
- Should NOT be adopted, but only reviewed

(LOCAL) policies:

- Require close attention by both the administration and the board
- Must reflect the practices of the district and the intentions of the board
- May only be changed by board action (adopt, revise, or repeal)

If your board adopts changes to the (LOCAL) policies contained in this packet, please notify your policy consultant.

How to Place Policy Changes on the Agenda for Board Action

TASB recommends that the district address this update on the agenda as follows:

“Policy Update 115:

- *(LEGAL) policies*
- *(LOCAL) policies (see attached list of codes)”*

(LEGAL) policies sub-item: TASB recommends that the board review, but not adopt, the (LEGAL) policies issued in the update. If the board may discuss certain issues addressed by the updated (LEGAL) policies, particularly if those issues are of interest to the public, then, for purposes of discussion, the relevant policy codes, titles, and subtitles should be listed under the sub-item.

(LOCAL) policies sub-item: Board action on the (LOCAL) policies included in the update must occur within a properly posted, open meeting of the board.

- You may use the “(LOCAL) Policy Action List” provided online in Local Manual Updates and include the list under the sub-item, or you may compile a list of (LOCAL) policy codes, titles, and subtitles from the Instruction Sheet and Explanatory Notes included in the update packet.
- A suggested motion for board action on the (LOCAL) policies included in the update:

“I move that the board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 115 [with the following changes:]”

How to Notify Policy Service of Board Action

Notify Policy Service of the board’s action on Update 115 by completing the electronic [Notify TASB of Policy Adoption](#) form on myTASB or by using the Update 115 Adoption Notification Form, enclosed, so Policy Service records remain accurate.

How to Keep Minutes

The board’s action on Localized Update 115 must be reflected in board minutes. Your minutes should include:

- The list of proposed (LOCAL) policy actions, such as the Instruction Sheet—annotated to reflect any changes made by the board

- The Explanatory Notes for the update (filed as an attachment to the minutes)
- Copies of new, replaced, or rescinded (LOCAL) policies

How to Maintain Your Historical Record

To construct a separate historical record of the manual, you must track the history of individual (LOCAL) policies. You should maintain a permanent historical record of every (LOCAL) policy adopted, revised, or rescinded by the board.

At a minimum, this record should include the following key pieces of information:

- Policy code
- Date of board action
- Text of policy

For more guidance on maintaining this record, please refer to:

- [The Administrator's Guide to Policy Management](#)
- [Tutorial videos](#) on handling an update

These guides are available in the myTASB Policy Service Resource Library.

How to Keep Your Administrative Regulations Current

[Regulations Resource Manual](#) Update 61, which includes revisions to model regulations and forms corresponding with Update 115, is now available on myTASB.

Inspect your district's administrative procedures and documents—including (EXHIBIT)s, (REGULATION)s, handbooks, and guides—that may be affected by Update 115 policy changes.

If you must make changes to the (REGULATION)s or (EXHIBIT)s contained in your board policy manual, please notify your policy consultant.

TASB Localized Policy Manual Update 115

Arlington ISD

ATTN(NOTE)

GENERAL INFORMATION ABOUT THIS UPDATE

Update 115 includes new Title IX regulations, effective August 14, 2020, which define sexual harassment under Title IX and establish detailed procedures for how districts must respond to notice or allegations of sexual harassment. The final Title IX regulations and related materials are available on the U.S. Department of Education [Office for Civil Rights](#) website.

Multiple changes at Update 115 are based on legislation from the Regular Session of the 86th Texas Legislature that impose changes effective with the 2020–21 school year. Unless otherwise noted, references to legislative bills throughout these explanatory notes refer to Senate Bills (SB) or House Bills (HB) from the 86th Legislature.

An overview video of the local policy changes is available under Policy Manual Update Resources in the myTASB [Policy Service Resource Library](#). **(LEGAL) policies provide the legal framework for key areas of district operations; they are not adopted by the board.**

AF(LEGAL)

INNOVATION DISTRICTS

Revisions to the Administrative Code, effective January 2020:

- Specify that an innovation district may not be exempted from Education Code Chapters 48 (Foundation School Program) and 49 (Options for Local Revenue Levels in Excess of Entitlement); and
- Authorize the commissioner to terminate district of innovation status for a district's failure to comply with the duty to discharge or refuse to hire certain employees or applicants as required by state law.

AIA(LEGAL)

ACCOUNTABILITY: ACCREDITATION AND PERFORMANCE INDICATORS

Administrative rule changes, effective August 2019, specify that districts with a local accountability system must use the local accountability system rating standards established by the commissioner. These standards will be updated annually and published in the *Local Accountability System Manual*.

Definitions for the various accreditation statuses have also been added.

AIB(LEGAL)

ACCOUNTABILITY: PERFORMANCE REPORTING

TEA has renamed the Performance-Based Monitoring Analysis System (PBMAS) to the Results Driven Accountability (RDA) system, effective December 3, 2019. This was to align with the Office of Special Education Programs (OSEP) framework.

AIC(LEGAL)

ACCOUNTABILITY: INTERVENTIONS AND SANCTIONS

Beginning with the 2020–21 school year, HB 4205 creates a new option for campuses that are required to submit campus turnaround plans—an accelerated campus excellence (ACE) turnaround plan. The commissioner is required to approve an ACE turnaround plan if the commissioner determines that the plan meets the statutory requirements.

Other changes are from revised Administrative Code rules, effective March 31, 2020. The rules clarify interventions and sanctions provisions, including campus intervention team membership and participation and campus turnaround plan submission, approval, and implementation processes.

Additional detail has been included about the required notice the campus intervention team must provide regarding the public meeting for soliciting input on development of a targeted improvement plan.

The bill also added requirements for a district to publish in the student handbook and on the district's website certain information on student physical and mental health resources, policies, and procedures and whether each campus has a full-time nurse or school counselor. The 2020–21 [TASB Model Student Handbook](#) has been updated to meet this requirement.

However, an amendment to the Texas constitution approved by voters in November 2019 authorizes a temporary exemption for property damaged in a disaster. These new provisions have been added to CCGA(LLEGAL) addressing ad valorem tax exemptions.

A board must conduct an efficiency audit before holding an election seeking voter approval to adopt an M&O tax rate. In conducting the audit, the auditor selected by the board must follow the Legislative Budget Board (LBB) guidelines, to which we have included a link.

DIA(LLEGAL)

EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

The Note pointing to other relevant policies has been updated to reflect Title IX changes. We have added the recent U.S. Supreme Court case, *Bostock v. Clayton County, Georgia*, which held that firing an employee on the basis of homosexuality or transgender status violates Title VII's prohibition against sex discrimination in employment. Margin notes have also been updated.

DIA(LOCAL)

EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

Recommended revisions to this policy incorporate the recent United States Supreme Court decision *Bostock v. Clayton County, Georgia*, which held that an adverse employment action against an employee on the basis of homosexuality or transgender status violates Title VII's prohibition on sex discrimination in employment. As a result, the policy clarifies that discrimination on the basis of sex includes discrimination on the basis of biological sex, gender identity, sexual orientation, gender stereotypes, or any other prohibited basis related to sex.

Based on the new Title IX regulations, recommended revisions include the following.

- The definition of Prohibited Conduct has been revised to include conduct that meets the Title IX definition of sexual harassment, but the policy retains the broader definitions of prohibited conduct in districts' current policies to ensure that all prohibited conduct is addressed.
- Text at Sex-Based Harassment and Investigation of Reports Other than Title IX directs readers to new provisions on responding to allegations of prohibited conduct that if proved would meet the definition of sexual harassment under Title IX, as the law requires a specific response process for these allegations. Allegations of prohibited conduct not based on sex or that would not meet the definition of sexual harassment under Title IX will follow the district's existing investigation process.
- The Title IX regulations provide that a district has actual knowledge of sexual harassment if notice or allegations are made to any employee; therefore, a new provision at Notice of Report requires *any* employee who receives a report of prohibited conduct based on sex to notify the Title IX coordinator.
- Text at Response to Sexual Harassment—Title IX addresses legally required actions when the district receives notice or allegations of conduct that would meet the definition of sexual harassment under Title IX.
- New provisions direct the superintendent to develop a Title IX formal complaint process that will apply following a formal complaint and that must comply with the elements in the new regulations, as included in FFH(LLEGAL).
- To determine responsibility in a Title IX formal complaint of sexual harassment, the policy designates that the district will use a *preponderance of the evidence* standard. **If the board wishes to instead use the *clear and convincing evidence* standard, which is a higher standard of evidence, please contact the district's policy consultant.** The district must use the same standard of evidence for investigation of all formal Title IX sexual harassment complaints, including complaints by students.
- Provisions on retaliation and records retention have been updated.

Policy Service also recommends updates to the examples for harassment to include cyberharassment and electronic communications and clarification of the provisions on distribution of the policy and any accompanying procedures.

TASB's Title IX model procedures are available in [TASB School Law eSource](#).

DIA(EXHIBIT) EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

Provisions addressing required training on child abuse, trafficking, and maltreatment have been updated based on revised Administrative Code rules, effective November 6, 2019.

HB 18 amends the SHAC's duties to include making recommendations about various aspects of student mental health.

EHB(LLEGAL) CURRICULUM DESIGN: SPECIAL PROGRAMS

New provisions on dyslexia compliance monitoring are from revised Administrative Code rules, effective December 25, 2019.

SB 2075 requires that a district notify the parent of a student who has or is at risk for dyslexia or a related disorder that the Texas State Library and Archives Commission provides audiobooks free of charge to students with eligible disabilities.

EHBA(LLEGAL) SPECIAL PROGRAMS: SPECIAL EDUCATION

Provisions on off-campus programs to provide special education and related services during school hours in a non-district facility are from new Administrative Code rules, effective November 10, 2019. The rules address placement in the programs, notification to and review by TEA, contract requirements, and changes of student residence.

EHBAB(LLEGAL) SPECIAL EDUCATION: ARD COMMITTEE AND INDIVIDUALIZED EDUCATION PROGRAM

New Administrative Code rules, effective March 30, 2020, address transition assistance for highly mobile students who are homeless or in substitute care. For such students who transfer into the district, the rules require the receiving district to:

- Accept a referral done by a previous district for a special education evaluation and complete any written report of a full individual and initial evaluation by the timelines in law, and
- Ensure that the district meets student transfer requirements relating to the ARD committee for a student who is already eligible for services.

EHBE(LLEGAL) SPECIAL PROGRAMS: BILINGUAL EDUCATION/ESL

This legally referenced policy on bilingual education has been revised throughout as a result of amended Administrative Code rules, effective April 10, 2020. Other revisions are to better match statute.

ACADEMIC ACHIEVEMENT

Provisions on partial award of credit have been updated to reflect revised Administrative Code rules, effective March 15, 2020. The rules revised terminology regarding awarding of credit proportionately when a student receives a passing grade in "half" of a course, rather than per "semester."

New Administrative Code rules, effective March 30, 2020, address transition assistance for highly mobile students who are homeless or in substitute care and require districts to:

- Adopt local policy to assist with awarding credit for a course that was earned prior to the student enrolling in or transferring to the district [see FD(LOCAL) recommendations in Update 115],
- Develop credit recovery plans for students who were denied credits outside the district or if the student's credit deficit would impede on-time promotion or graduation,
- Create course transition plans for students who were denied credit,
- Develop and administer personal graduation plans for junior or middle school students, and
- Comply with existing Education Code provisions regarding awarding of diplomas.

ACADEMIC ACHIEVEMENT

Provisions on partial credit have been updated to reflect revised Administrative Code rules, which changed terminology regarding awarding of credit proportionately when a student receives a passing grade in "half" of a course, rather than per "semester."

To provide flexibility, Policy Service is recommending deletion of the statement that a student shall be required to retake only the portion of the course with a failing grade. The ways a student can earn credit for the failed part of a course can include various methods other than retaking the failed portion, and board policy is not required to specify which particular method may be used.

New Administrative Code rules address transition assistance for highly mobile students who are homeless or in substitute care. Because these new rules address similar concepts as the district's current text on late enrollment or withdrawal of migrant or homeless students and to avoid conflict with the new rules, Policy Service recommends deleting this provision from local policy. Any specific practices in this area will need to align with the new rules and could be included in administrative procedures. See also FD(LOCAL) in this update for recommended changes addressing the new Administrative Code rules.

ACADEMIC ACHIEVEMENT: GRADUATION

Beginning with students enrolled in the 12th grade in the 2021–22 school year, HB 3 will require a student to complete and submit a federal or Texas application for financial aid to graduate. The provision has been added to the policy manual now in case the district starts receiving questions about this provision. TEA will be issuing rules with more details.

Details on forming an individual graduation committee, including acceptable alternate members, have been added from amended Administrative Code rules, effective February 10, 2020.

- Add numerous requirements for performance contracts; and
- Update the TEA approval process.

In accordance with amended Administrative Code rules, effective September 1, 2019, a performance contract for a partnership charter only needs to include assurances that the district has consulted with relevant campus personnel if the partnering entity is an open enrollment charter school and not for other partnering entities approved by TEA.

Based on the new Title IX regulations, recommended revisions include the following.

- The definition of Prohibited Conduct has been revised to include conduct that meets the Title IX definition of sexual harassment, but the policy retains the broader definitions of prohibited conduct in districts' current policies to ensure that all prohibited conduct is addressed.
- Text at Sex-Based Harassment and Investigation of Reports Other than Title IX directs readers to new provisions on responding to allegations of prohibited conduct that if proved would meet the definition of sexual harassment under Title IX, as the law requires a specific response process for these allegations. Allegations of prohibited conduct not based on sex or that would not meet the definition of sexual harassment under Title IX will follow the district's existing investigation process.
- The provision requiring an employee to report prohibited conduct has been updated to include either direct or indirect reports.
- Text at Response to Sexual Harassment—Title IX addresses legally required actions when the district receives notice or allegations of conduct that would meet the definition of sexual harassment under Title IX.
- New provisions direct the superintendent to develop a Title IX formal complaint process that will apply following a formal complaint and that must comply with the elements in the new regulations, as included in FFH(LEGAL).
- To determine responsibility in a Title IX formal complaint of sexual harassment, the policy designates that the district will use a *preponderance of the evidence* standard. **If the board wishes to instead use the *clear and convincing evidence* standard, which is a higher standard of evidence, please contact the district's policy consultant.** The district must use the same standard of evidence for investigation of all formal Title IX sexual harassment complaints, including complaints by employees.
- Provisions on retaliation and false claims have been updated and moved to the end of the policy.

Policy Service also recommends updates to the examples for harassment to include cyberharassment and electronic communications.

District of Innovation

A district is eligible for designation as a district of innovation if the district's most recent performance rating under Education Code 39.054 reflects at least acceptable performance.

A board may not vote on the final approval of the innovation plan if the district is assigned either a final or preliminary rating below acceptable performance. In the event the preliminary rating is changed, the board may then vote to become an innovation district.

Consideration of designation as a district of innovation may be initiated by a resolution adopted by the board or a petition signed by a majority of the members of the district-level committee [see BQA].

Public Hearing

After adopting a resolution or receiving a petition for consideration as a district of innovation, a board shall hold a public hearing as soon as possible, but not later than 30 days, to consider whether the district should develop a local innovation plan for the designation of the district as a district of innovation.

At the conclusion of the public hearing or within 30 days after conclusion of the public hearing, the board may decline to pursue designation of the district as a district of innovation or appoint a committee to develop a local innovation plan.

The plan must also identify requirements imposed by the Education Code that inhibit the goals of the plan and from which the district should be exempted on adoption of the plan, subject to Education Code 12A.004. [See Exceptions, below]

The commissioner of education shall maintain a list of provisions from which designated districts of innovation are exempt. The commissioner shall notify the legislature of each provision from which districts enrolling a majority of students in this state are exempt.

The public meeting may occur at any time, including up to or on the same date at which the board intends to vote on final adoption of the proposed plan.

The board may adopt a proposed local innovation plan by an affirmative vote of two-thirds of the membership of the board.

On adoption of a local innovation plan, the district is designated as a district of innovation for the term specified in the plan, but no longer than five calendar years, and shall begin operation in accordance with the plan. Accreditation

Each district must be accredited by Texas Education Agency (TEA). A district that is not accredited may not receive funds from TEA or hold itself out as operating a public school of this state. *Education Code 11.001, 39.052(f)*

District accreditation is determined in accordance with Education Code Chapter 39, Subchapter C and rules adopted by the commissioner of education at 19 Administrative Code, Chapter 97, Subchapter EE (related to Accreditation Status, Standards, and Sanctions). *Education Code 39.051*

Statuses

The commissioner shall determine criteria for the following accreditation statuses:

1. **Accredited.** Accredited means TEA recognizes the district as a public school of this state that meets the standards determined by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1059; and is not currently assigned an accreditation status of Accredited-Warned or Accredited-Probation;
2. **Accredited-Warned.** Accredited-Warned means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(b), that, if not addressed, will lead to probation or revocation of its accreditation status;
3. **Accredited-Probation.** Accredited-Probation means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(c), that must be addressed to avoid revocation of its accreditation status; and
4. **Not Accredited-Revoked.** Not Accredited-Revoked means TEA does not recognize the district as a Texas public school because the district's performance has failed to meet standards adopted by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1055(d).

Education Code 39.051; 19 TAC 97.1055(a)(1)

Annual Evaluation

Each year, the commissioner shall determine the accreditation status of each district. In determining the accreditation status of a district, the commissioner:

1. Shall evaluate and consider performance:
 - a. On achievement indicators under Education Code 39.053 [see Performance Indicators, below]; and

- b. Under the financial accountability rating system developed under Education Code, Chapter 39, Subchapter D [see CFA].
- 2. May evaluate and consider:
 - a. The district's compliance with statutory requirements and requirements imposed by rule of the commissioner or State Board of Education that relate to:
 - (1) Reporting data through the Public Education Information Management System (PEIMS) or other reports required by state or federal law or court order;
 - (2) High school graduation requirements; or
 - (3) Extracurricular activities, student health and safety, purchasing, elementary class size limits, removal of a disruptive student from the classroom, at-risk programs, and prekindergarten programs;
 - b. The effectiveness of the district's programs for special populations; and
 - c. The effectiveness of the district's career and technology program.

Based on a district's performance, the commissioner shall assign each district an accreditation status or revoke the accreditation of the district and order closure of the district.

A district's accreditation status may be raised or lowered based on the district's performance or may be lowered based on the performance of one or more campuses in the district that is below a standard required by Education Code Chapter 39, Subchapter C.

Education Code 7.056(e)(3)(C)-(I), 39.052; 19 TAC 97.1055

For additional information on the commissioner process for assigning accreditation status, see 19 Administrative Code 97.1055.

Notice of Status

The commissioner shall notify a district if the district has received an accreditation status of accredited-warned or accredited-probation, or a campus's performance is below standard. *Education Code 39.052(e)*

*To Parents and
Property Owners*

A district assigned an accreditation status of accredited-warned, accredited-probation, or not accredited-revoked shall notify the parents of students enrolled in the district and property owners in the district as specified in 19 Administrative Code 97.1055. The district's notice must contain information about the accreditation sta-

tus, the implications of such status, and the steps the district is taking to address the areas of deficiency identified by the commissioner. The district's notice shall use the format and language determined by the commissioner.

The district's notice must:

1. Not later than 30 calendar days after the accreditation status is assigned, appear on the home page of the district's website, with a link to the required notification, and remain until the district is assigned the accredited status; and
2. Appear in a newspaper of general circulation, as defined in 19 Administrative Code 97.1051 (relating to Definitions), in the district for three consecutive days as follows:

board meeting in which the notice was presented and publicly discussed.

19 TAC 97.1055(f)

Performance Indicators

The commissioner shall adopt a set of indicators of the quality of learning and achievement, including three domains of achievement indicators. [See Achievement Indicators, below] *Education Code 39.053(a)*

The indicators must measure and evaluate districts and campuses with respect to:

1. Improving student preparedness for success in subsequent grade levels and entering the workforce, the military, or post-secondary education;
2. Reducing, with the goal of eliminating, student academic achievement differentials among students from different racial and ethnic groups and socioeconomic backgrounds; and
3. Informing parents and the community regarding campus and district performance.

Education Code 39.053(a-1)

Achievement Indicators

Districts and campuses must be evaluated based on indicators of achievement grouped in three domains:

1. Student achievement domain;
2. School progress domain; and
3. Closing the gaps domain.

Education Code 39.053(c)

Performance on the achievement indicators in the three domains shall be compared to state-established standards. The indicators must be based on information that is disaggregated by race, ethnicity, and socioeconomic status. *Education Code 39.053(b)*

Each school district shall submit the data required for the indicators to the commissioner. *Education Code 39.053(i)*

A–F Performance Ratings

The commissioner shall adopt rules to evaluate district and campus performance and assign each district and campus an overall performance rating of A, B, C, D, or F.

In addition to the overall performance rating, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Education Code 39.053(c) [see Achievement Indicators, above].

An overall or domain performance rating of:

1. A reflects exemplary performance.
2. B reflects recognized performance.
3. C reflects acceptable performance.
4. D reflects performance that needs improvement.
5. F reflects unacceptable performance.

A district may not receive an overall or domain performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F. A reference in law to an acceptable rating or acceptable performance includes an overall or domain performance rating of A, B, C, or D or exemplary, recognized, or acceptable performance, or performance that needs improvement.

For purposes of assigning districts and campuses an overall and a domain performance rating, the commissioner shall ensure that the method used to evaluate performance is implemented in a manner that provides the mathematical possibility that all districts and campuses receive an A rating.

Not later than August 15 of each year, the performance ratings of each district and campus shall be made publicly available as provided by rules adopted by the commissioner.

Education Code 39.054(a), (a-3), (b)

Local Accountability System

The local accountability system rating standards established by the commissioner under Education Code 39.0544 shall be used by districts to locally evaluate the performance of districts and campuses. The procedures and criteria required to determine campus grades by the districts will be annually published in official TEA publications.

Ratings may be revised as a result of investigative activities by the commissioner as authorized under Education Code 39.057(d) and (e).

The specific criteria and standards used in the local accountability system manual are established annually by the commissioner and communicated to all districts.

19 TAC 97.1003(a), (c)–(d)

Campus Performance Ratings

A district authorized to assign campus performance ratings shall evaluate the performance of each campus and assign each cam-

pus a performance rating of A, B, C, D, or F for overall performance and for each locally developed domain or set of accountability measures. Not later than a date established by the commissioner, the district shall:

1. Report the performance ratings to the agency; and
2. Make the performance ratings available to the public as provided by commissioner rule.

Education Code 39.0544(e)

If a district has been approved under Education Code 39.0544 to assign campus performance ratings and the commissioner has not assigned a campus overall performance rating of D or F, the commissioner shall assign the campus an overall performance rating based on the district-assigned performance rating under the local accountability system. A reference in law to an acceptable rating or acceptable performance includes an overall domain performance rating of A, B, C, or D or performance that is exemplary, recognized, or acceptable performance, or performance that needs improvement. *Education Code 39.054(a)*

**Distinction
Designations for
Outstanding
Performance**

The commissioner shall award distinction designations for outstanding performance. A distinction designation awarded to a district or campus shall be referenced directly in connection with the performance rating assigned to the district or campus and made publicly available together with the A–F performance ratings.

A district or campus may not be awarded a distinction designation unless the district or campus has acceptable performance under the A–F performance ratings.

Education Code 39.201

Academic
Distinction

The commissioner shall establish an academic distinction designation for districts and campuses for outstanding performance in attainment of postsecondary readiness based on the commissioner's adopted criteria. *Education Code 39.202*

Campus Distinction

The commissioner shall award a campus a distinction designation for outstanding performance in:

1. Improvement in student achievement;
2. Closing student achievement differentials; and
3. Academic achievement in English language arts, mathematics, science, or social studies.

Education Code 39.203

**Excellence
Exemptions**

The commissioner may award a distinction designation for outstanding performance in advanced middle or junior high school student achievement. *Education Code 39.203(d)*

Except as listed below, a district or campus that is rated A (exemplary) is exempt from requirements and prohibitions imposed under the Education Code, including regulations adopted under the Education Code.

An exemplary campus or district is not exempt from:

1. A prohibition on conduct that constitutes a criminal offense;
2. Requirements imposed by federal law or rule, including requirements for special education or bilingual education programs;
3. A requirement, restriction, or prohibition relating to:
 - a. Curriculum essential knowledge and skills or high school graduation requirements;
 - b. Public school accountability;
 - c. Extracurricular activities;
 - d. Health and safety;
 - e. Purchasing;
 - f. Elementary class size limits;
 - g. Removal of a disruptive student from the classroom;
 - h. At-risk programs;
 - i. Prekindergarten programs;
 - j. Rights and benefits of school employees;
 - k. Special education programs; or
 - l. Bilingual education programs.

The commissioner may exempt an exemplary campus from class size limits if the campus submits a written plan showing steps that will be taken to ensure that the exemption will not be harmful to the academic achievement of the students on the school campus. If granted, the exemption remains in effect until the commissioner determines that achievement levels of the campus have declined.

Education Code 39.232

District Annual Report

The board shall publish an annual report describing the educational performance of the district and of each campus in the district that includes uniform student performance and descriptive information as determined under rules adopted by the commissioner of education. *Education Code 39.306(a)*

1. Terminate the contract, with the commissioner's consent, for nonperformance or breach of contract; and
2. Select another provider from an approved list provided by the commissioner.

If the evaluation fails to demonstrate significant improvement, as determined by the commissioner, by the second anniversary of the date of the management contract, the district shall:

1. Terminate the contract; and
2. Select another provider from an approved list provided by the commissioner or resume operation of the campus if approved by the commissioner.

If the commissioner approves the district's resumed operation of the campus, the commissioner shall assign a technical assistance team to assist the campus.

Applicability of Accountability Provisions

Each campus operated by a managing entity is subject to Education Code Chapters 39 and 39A in the same manner as any other campus in the district. *Education Code 39A.158*

Funding

The funding for a campus operated by a managing entity may not be less than the funding of the other campuses in the district on a per student basis so that the managing entity receives at least the same funding the campus would otherwise have received. *Education Code 39A.159*

Open Meetings and Public Information

With respect to the management of a campus by a managing entity:

1. A managing entity is considered to be a governmental body for purposes of the Texas Open Meetings Act and Public Information Act; and

amending the district's budget, reassigning staff, or relocating academic programs. The commissioner may adopt rules necessary to implement this subsection.

Education Code 39A.201

The commissioner may at any time replace a member of a board of managers. The commissioner may adopt rules necessary to implement this section. *Education Code 39A.207*

Expiration of
Appointment

A board of managers shall, during the period of the appointment, order the election of members of the board of trustees of the school district in accordance with the law. The members of the board of trustees do not assume any powers or duties after the election until the appointment of the board of managers expires.

Not later than the second anniversary of the date the board of managers of a school district was appointed, the commissioner shall notify the board of managers and the board of trustees of the date on which the appointment of the board of managers will expire. Following each of the last three years of the period of the appointment, one-third of the members of the board of managers shall be replaced by the number of members of the board of trustees who were elected at an election that constitutes, as closely as possible, one-third of the membership of the board of trustees.

If, before the second anniversary of the date the board of managers of a school district was appointed, the commissioner determines, after receiving local feedback, that insufficient progress has been made toward improving the academic or financial performance of the district, the commissioner may extend the authority of the board of managers for a period of up to two additional years.

On the expiration of the appointment of the board of managers, the board of trustees assumes all of the powers and duties assigned to a board of trustees by law, rule, or regulation.

Following the expiration of the period of appointment of a board of managers for a school district, the commissioner shall provide training in effective leadership strategies to the board of trustees.

Education Code 39A.208; 19 TAC 97.1073

Removal of Board
of Managers

The commissioner may remove a board of managers appointed to govern a school district only if the campus that was the basis for the appointment of the board of managers receives an acceptable performance rating for two consecutive school years.

If a campus that was the basis for the appointment of a board of managers receives an unacceptable performance rating for two additional consecutive years following the appointment of the board of managers, the commissioner may remove the board of managers and, in consultation with the local community, may appoint a new board of managers to govern the district.

Following the removal of a board of managers, or at the request of a managing entity to oversee the implementation of alternative management, the commissioner may appoint a conservator or monitor for the district to ensure district-level support for low-performing campuses and to oversee the implementation of the updated targeted improvement plan.

Education Code 39A.209; 19 TAC 97.1073

**Challenge of
Intervention or
Sanction**

A district that challenges the commissioner's decision to close the district or a campus or to pursue alternative management of a campus must appeal the decision as provided below.

Review of
Sanctions by SOAH

A challenge is under the substantial evidence rule [see Government Code, Chapter 2001, Subchapter G]. The commissioner shall adopt procedural rules for a challenge under this section.

Notwithstanding other law:

1. The State Office of Administrative Hearings (SOAH) shall conduct an expedited review of a challenge;
2. The administrative law judge shall issue a final order not later than the 30th day after the date on which the hearing is finally closed;

4. The decision of the administrative law judge may set an effective date for an action under this section.

Education Code 39A.301

Annual Review

The commissioner shall annually review the performance of a district or campus subject to intervention and sanction to determine the appropriate actions to be implemented.

The commissioner must review at least annually the performance of a district for which the accreditation status or performance rating

has been lowered due to insufficient student performance and may not raise the accreditation status or performance rating until the district has demonstrated improved student performance.

If the review reveals a lack of improvement, the commissioner shall increase the level of state intervention and sanction unless the commissioner finds good cause for maintaining the current status.

Education Code 39A.901

Increasing Intensity

If a district or campus does not exhibit improvement in student performance, the commissioner may increase the intensity of intervention and sanction that would otherwise be required by statute or rule, including ordering campus closure, district annexation, or appointment of a board of managers.

For purposes of this section, improvement means an increase in the scaled score for the overall academic performance rating under Education Code Chapter 39.

19 TAC 97.1070(a)–(b)

**Special

3. In response to complaints to TEA of alleged violations of civil rights or other requirements imposed on the state by federal law or court order;
4. In response to established compliance reviews of the district's financial accounting practices and state and federal reporting requirements;
5. When extraordinary numbers of student placements in disciplinary alternative education programs, other than placements under Education Code 37.006 and 37.007, are determined;
6. In response to an allegation involving a conflict between members of the board or between the board and the district administration if it appears that the conflict involves a violation of a role or duty of the board members or the administration clearly defined by the Education Code. If TEA's findings indicate the board has observed a lawfully adopted policy, TEA may not substitute its judgment for that of the board;

7. When excessive numbers of students in special education programs are assessed through modified assessment instruments;
8. In response to an allegation regarding, or an analysis using a statistical method result indicating, a possible violation of an assessment instrument security procedure;
9. When a significant pattern of decreased academic performance has developed as a result of the promotion in the preceding two school years of students who did not perform satisfactorily on the state assessments;
10. When excessive numbers of students eligible to enroll fail to complete an Algebra II course or any other advanced course as determined by the commissioner;
11. When resource allocation practices indicate a potential for significant improvement in resource allocation;
12. When a disproportionate number of students of a particular demographic group is graduating with a particular endorsement;
13. When an excessive number of students is graduating with a particular endorsement;
14. When a school district for any reason fails to produce, at the request of TEA, evidence or an investigation report relating to an educator who is under investigation by the State Board for Educator Certification;
15. In response to a complaint with respect to alleged inaccurate data that is reported through PEIMS or through other reports required by state or federal law or rule or court order and that is used by TEA to make a determination relating to public school accountability, including accreditation, under Education Code Chapter 39;
16. In response to repeated complaints concerning imposition of excessive paperwork requirements on classroom teachers; or
17. As the commissioner otherwise determines necessary.

Education Code 39.057(a)–(c)

TEA shall adopt written procedures for conducting special accreditation investigations, including procedures that allow TEA to obtain information from district employees in a manner that prevents a district or campus from screening the information. *Education Code 39.058(a); 19 TAC 102.1401*

Commissioner
Action

Based on the results of a special accreditation investigation, the commissioner may:

1. Take appropriate action under Education Code Chapter 39A, [see Interventions and Sanctions for School Districts, above];
2. Lower the district's accreditation status or a district's or campus's performance rating; or
3. Take action under both items 1 and 2 above.

Regardless of whether the commissioner lowers the accreditation status or a district's or campus's performance rating, the commissioner may impose one of the district- or campus-level interventions or sanctions under Education Code 39A.002 [see Interventions and Sanctions for School Districts, above].

Education Code 39.057(d), (e)

**Miscellaneous
Provisions**

Acquisition of
Professional
Services

In addition to other authorized interventions and sanctions, the commissioner may order a district or campus to acquire professional services at the expense of the district or campus to address the applicable financial, assessment, data quality, program, performance, or governance deficiency. The commissioner's order may require the district or campus to:

1. Select or be assigned an external auditor, data quality expert, professional authorized to monitor district assessment instrument administration, or curriculum or program expert; or
2. Provide for or participate in the appropriate training of district staff or board members in the case of a district, or campus staff, in the case of a campus.

1. Pay the costs using amounts withheld from any funds to which the district is otherwise entitled; or
2. Recover the amount of the costs in the manner provided for recovery of an over allocation of state funds under Education Code 48.272.

Monitoring Reviews
and On-Site
Investigations

Except as provided by Education Code 7.028(a), the commissioner may direct TEA to conduct monitoring reviews and random on-site visits of a district at any time, as authorized by Education Code 7.028, only as necessary to ensure:

1. Compliance with federal law and regulations;
2. Financial accountability, including compliance with grant requirements; and
3. Data integrity for purposes of:
 - a. The Public Education Information Management System (PEIMS);
 - b. Accountability under Education Code Chapter 39 and 39A; and
4. Qualification for funding under Chapter 48.

A monitoring review may include desk reviews and on-site visits, including random on-site visits. In conducting a monitoring review, TEA may obtain information from administrators, other district employees, parents of students enrolled in the district, and other persons as necessary.

The commissioner may at any time convert a monitoring review to a special accreditation investigation under Education Code 39.057, provided the commissioner promptly notifies the district of the conversion. TEA shall give written notice to the superintendent and the board of any impending monitoring review.

TEA shall report in writing to the superintendent and president of the board and shall make recommendations concerning any necessary improvements or sources of aid such as regional education service centers. A district that takes action with regard to the recommendations provided by TEA shall make a reasonable effort to seek assistance from a third party in developing an action plan to improve district performance using improvement techniques that are goal-oriented and research-based.

Education Code 7.028, 39.056

Immunity from Civil
Liability

An employee, volunteer, or contractor acting on behalf of the commissioner, or a member of a board of managers appointed by the commissioner, is immune from civil liability to the same extent as a professional employee of a district under Education Code 22.051.

19 TAC 97.1062

Failure to Submit
EOP

If TEA receives notice from the Texas School Safety Center of a district's failure to submit a multihazard emergency operations plan [see CKC], the commissioner may appoint a conservator for the district under Education Code Chapter 39A. The conservator may order the district to adopt, implement, and submit a multihazard emergency operations plan. If a district fails to comply with a conservator's order to adopt, implement, and submit a multihazard emergency operations plan within the time frame imposed by the commissioner, the commissioner may appoint a board of managers under Education Code Chapter 39A to oversee the operations of the district. *Education Code 37.1082(a)–(b)*

Note: The following provisions apply to a district with a central administrative office that is located in a county with a population of more than two million and that has a student enrollment that is more than 125,000 and less than 200,000, and that is operating under a turnaround plan.

Student Board
Member

Notwithstanding Education Code 11.051(b) (number of trustees on a school board), the board may adopt a resolution establishing as a nonvoting member a student trustee position. If a board adopts such a resolution, the board shall adopt a policy addressing the topics specified in statute. *Education Code 11.0511*

Note: If the district is subject to a court order or other binding legal determination, the district shall conduct its elections in accordance with that court order or determination, applicable law, and this policy. To the extent of any conflict, the court order or other legal determination shall prevail. [See BBB(LOCAL)]

2. Is a United States citizen;
3. Has not been determined by a final judgment of a court exercising probate jurisdiction to be totally mentally incapacitated or partially mentally incapacitated without the right to vote;

6. Is a registered voter.

Election Code 1.020, 11.002

Residency

“Residence”
Defined

“Residence” means domicile, one’s home and fixed place of habitation to which one intends to return after any temporary absence; one does not lose one’s residence status by leaving to go to another place for temporary purposes only. A person does not acquire a residence in a place to which the person has come for temporary purposes only and without the intention of making that place the person’s home. Residence shall be determined in accordance with the common-law rules, as enunciated by the courts of this state, except as otherwise provided by the Election Code. *Election Code 1.015*

Note: The issue of whether a candidate has satisfied residency requirements should be judicially determined. *State v. Fischer, 769 S.W.2d 619 (Tex. App.—Corpus Christi 1989, writ dismiss’d w.o.j.)*

Intent to Return

For purposes of satisfying the continuous residency requirement, a person who claims an intent to return to a residence after a temporary absence may establish that intent only in accordance with Election Code 141.001(a-1), which does not apply to a person displaced from the person’s residence due to a declared local, state, or national disaster. *Election Code 141.001(a-1)–(a-2)*

To the extent of any conflict, the court order or other legal determination shall prevail. [See BBB(LOCAL)]

Tie Votes

Second Election

In an election requiring a plurality, if two or more candidates for the same office tie for the number of votes required to be elected, a second election to fill the office shall be held in accordance with the deadlines and other requirements of Election Code 2.002.

Other Options

Casting Lots

The tying candidates may agree to cast lots to resolve the tie. The agreement must be filed with the board. The board president shall supervise the casting of lots.

Withdrawal

A tying candidate may resolve the tie by filing with the board a signed and acknowledged written statement of withdrawal. On receipt of the statement, the remaining candidate is the winner, and a second election or casting of lots is not held.

Automatic Recount

If the tie is not resolved by casting lots or withdrawal, an automatic recount shall be conducted under Election Code Chapter 216 before the second election is held.

Election Code 2.002

Runoff Election

In a district in which trustees are elected by majority vote under Education Code 11.057(c) [see BBB], if no candidate for a particular office receives the vote necessary to be elected, a runoff election for that office is required. *Election Code 2.021 et seq.*

If the candidates in a runoff election tie, an automatic recount shall be conducted under Election Code Chapter 216. If the recount does not resolve the tie, the tied candidates shall cast lots to determine the winner. The board president shall supervise the casting of lots. A tying candidate may resolve the tie by filing with the board president a signed and acknowledged written statement of withdrawal. On receipt of the statement, the remaining candidate is the winner, and a casting of lots is not held. *Election Code 2.028*

Ballot Order

The order of the candidates' names on the ballot of any resulting runoff election or election held to resolve a tie vote shall be the relative order of names on the original election ballot. *Election Code 2.002(d), 52.094(a)*

Recounts

The district shall conduct an authorized recount in accordance with Election Code Title 13. *Election Code 211.001*

A candidate in a board election may obtain an initial recount in an election if the difference in the number of votes received by the candidate and any candidate for the office who is shown by the election returns to be elected, tied, or entitled to a place on a runoff ballot, if applicable, is less than ten percent of that candidate's number of votes, or the total number of votes received by all candidates for the office is less than 1,000. *Election Code 212.022*

A ground for obtaining an initial recount is not required to obtain an initial recount of electronic voting system results. A candidate may obtain an initial recount of electronic voting system results in an election only if the candidate is shown by the election returns not to be elected. *Election Code 212.0241*

An initial recount may not be conducted unless an authorized candidate submits a petition for the recount to the presiding officer of the local canvassing authority in accordance with Election Code Chapter 212, Subchapter B, accompanied by a deposit to cover the costs of the recount in accordance with Subchapter E. *Election Code 212.025, .026, .111*

Effect of Petition

The submission of a recount petition before a board completes its canvass does not delay the canvass for the office involved in the recount. The board shall make a notation on the tabulation of any office involved in a recount. The submission of a recount petition delays the issuance of a certificate of election and qualification for the office involved in the recount pending completion of the recount. A candidate may not qualify for an office involved in a recount before completion of the recount. This provision does not affect a candidate who has received a certificate of election and qualified for office before the submission of a recount petition involving the office. *Election Code 212.033, .0331*

Canvass Returns

General Rule

Except as provided below, a board shall convene to conduct the local canvass at the time set by the presiding officer not later than the 11th day after election day and not earlier than the later of:

1. The third day after election day;
2. The date on which the early voting ballot board has verified and counted all provisional ballots, if a provisional ballot has been cast in the election; or
3. The date on which all timely received ballots cast from addresses outside of the United States are counted, if a ballot to be voted by mail in the election was provided to a person outside of the United States.

Crimes

A district must disclose, in a timely manner, in writing to the federal awarding agency or pass-through entity all violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Failure to make required disclosures can result in any of the remedies described in 2 C.F.R. 200.338 (Remedies for Noncompliance), including suspension or debarment. *2 C.F.R. 200.113*

*Procurement
Standards
District
Procedures*

The district must use its own documented procurement procedures [see below at Competition] which reflect applicable state, local, and tribal laws and regulations, provided that the procurements conform to applicable federal law and the standards identified in the Uniform Guidance.

STATE AND FEDERAL REVENUE SOURCES
FEDERAL

CBB
(LEGAL)

Oversight	The district must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.
Conflicts of Interest	The district must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. A conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the district must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, districts may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the district. [See BBFA, CAA(LOCAL), CB(LOCAL), DBD]
Records	The district must maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price. [See Pre-procurement Review and Contract Cost and Price, below] <i>2 C.F.R. 200.318</i>
<i>Financial Management</i>	The district's financial management systems, including records documenting compliance with federal statutes, regulations, and the terms and conditions of the federal award, must be sufficient to permit the preparation of reports required by general and program-specific terms and conditions; and the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the federal statutes, regulations, and the terms and conditions of the federal award. The district's financial management system must comply with 2 C.F.R. 200.302(b). <i>2 C.F.R. 200.302 [see also 2 C.F.R. 200.333 (Retention Requirements for Records), .334 (Requests for Transfer of Records), .335 (Methods for Collection, Transmission and Storage of Information),</i>

.336 (Access to Records), and .337 (Restrictions on Public Access to Records)]

Internal Controls

The district must:

1. Establish and maintain effective internal control over the federal award that provides reasonable assurance that the district is managing the award in compliance with federal statutes, regulations, and the terms and conditions of the award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States or the “Internal Control Integrated Framework” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
2. Comply with federal statutes, regulations, and the terms and conditions of the award.
3. Evaluate and monitor the district’s compliance with statutes, regulations and the terms and conditions of federal awards.
4. Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
5. Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency or pass-through entity designates as sensitive or the district considers sensitive consistent with applicable federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

2 C.F.R. 200.303

“Internal controls” means a process, implemented by a district, designed to provide reasonable assurance regarding the achievement of objectives in the following categories:

1. Effectiveness and efficiency of operations;
2. Reliability of reporting for internal and external use; and
3. Compliance with applicable laws and regulations.

2 C.F.R. 200.61

Competition

All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of 2 C.F.R. 200.319. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work,

or invitations for bids or requests for proposals must be excluded from competing for such procurements.

The district must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. Nothing in this provision preempts state licensing laws. When contracting for architectural and engineering services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

The district must have written procedures for procurement transactions. These procedures must ensure that all solicitations meet the requirements of 2 C.F.R. 200.319(c). [See Procurement Standards, above]

The district must ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the district must not preclude potential bidders from qualifying during the solicitation period.

2 C.F.R. 200.319

*Procurement
Methods*

The district must use one of the following methods of procurement.
2 C.F.R. 200.320

Note: For information on the amounts of the micro-purchase threshold and the simplified acquisition threshold, see [OMB Memorandum M-18-18](#),⁵ TEA's [To the Administrator Addressed letter](#)⁶ (August 28, 2018), and [New TEA Guidance on Micro-Purchase Flexibility Under EDGAR](#).⁷ For information regarding these thresholds and school nutrition purchases, see the Texas Department of Agriculture (TDA) Food and Nutrition Division's [Administrator's Reference Manual](#),⁸ Section 17, and [USDA Memo SB20-2019; CACFP07-2019; SFSP06-2019](#)⁹ (Revised October 30, 2019).

Micro-
Purchases

Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold. To the extent practicable, the district must distribute micro-purchases equitably among qualified suppli-

ers. Micro-purchases may be awarded without soliciting competitive quotations if the district considers the price to be reasonable. *2 C.F.R. 200.320(a)*

“Micro-purchase” means a purchase of supplies or services using simplified acquisition procedures, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchase procedures comprise a subset of a district’s small purchase procedures. The district uses such procedures in order to expedite the completion of its lowest-dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1 Definitions. *2 C.F.R. 200.67*

Small
Purchases

Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources. *2 C.F.R. 200.320(b)*

*Simplified
Acquisition
Threshold*

“Simplified acquisition threshold” means the dollar amount below which a district may purchase property or services using small purchase methods. Districts adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1 Definitions and in accordance with 41 U.S.C. 1908. *2 C.F.R. 200.88*

Sealed Bids

Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions set out below apply.

In order for sealed bidding to be feasible, the following conditions should be present:

1. A complete, adequate, and realistic specification or purchase description is available;
2. Two or more responsible bidders are willing and able to compete effectively for the business; and
3. The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

If sealed bids are used, the following requirements apply:

1. Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for local governments, the invitation for bids must be publicly advertised;
2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
3. All bids will be opened at the time and place prescribed in the invitation for bids, and for local governments, the bids must be opened publicly;
4. A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
5. Any or all bids may be rejected if there is a sound documented reason.

2 C.F.R. 200.320(c)

Competitive
Proposals

The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

1. Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;
2. Proposals must be solicited from an adequate number of qualified sources;
3. The district must have a written method for conducting technical evaluations of the proposals received and for selecting recipients;
4. Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
5. The district may use competitive proposal procedures for qualifications-based procurement of architectural/engineering

(A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

2 C.F.R. 200.320(d)

Sole Source

Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

1. The item is available only from a single source;
2. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
3. The federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-federal entity; or
4. After solicitation of a number of sources, competition is determined inadequate.

2 C.F.R. 200.320(f)

Cooperative Purchasing

To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the federal government, the district is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services. *2 C.F.R. 200.318(e)*

Affirmative Steps

The district must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by

small and minority businesses, and women's business enterprises;

4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in items 1 through 5 above.

2 C.F.R. 200.321

*Pre-procurement
Review*

The district must make available upon request, for the federal awarding agency or pass-through entity pre-procurement review, procurement documents, such as requests for proposals or invitations for bids, or independent cost estimates, when:

1. The district's procurement procedures or operation fails to comply with the procurement standards in 2 C.F.R. Part 200;
2. The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation;
3. The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product;
4. The proposed contract is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or
5. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

2 C.F.R. 200.324(b)

*Contract Cost
and Price*

The district must perform a cost or price analysis in connection with every procurement action in excess of the simplified acquisition threshold including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the district must make independent estimates before receiving bids or proposals.

The district must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all

cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

Costs or prices based on estimated costs for contracts under the federal award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the district under 2 C.F.R. Part 200, Subpart E—Cost Principles. The district may reference its own cost principles that comply with the federal cost principles.

The cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used.

2 C.F.R. 200.323

Contract Provisions

The district's contracts must contain the applicable provisions described in 2 C.F.R. Part 200, Appendix II—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. *2 C.F.R. 200.326*

Suspension and Debarment

Non-federal entities are subject to non-procurement debarment and suspension regulations at 2 C.F.R. Part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities. *2 C.F.R. 200.213*

Remedies for Noncompliance

If a district fails to comply with federal statutes, regulations, or the terms and conditions of a federal award, the federal awarding agency or pass-through entity may impose additional conditions, as described in 2 C.F.R. 200.207 (Specific Conditions). If the federal awarding agency or pass-through entity determines that non-compliance cannot be remedied by imposing additional conditions, the federal awarding agency or pass-through entity may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the district or more severe enforcement action by the federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
3. Wholly or partly suspend or terminate the federal award.

4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a federal awarding agency).
5. Withhold further federal awards for the project or program.
6. Take other remedies that may be legally available.

2 C.F.R. 200.338

Travel Costs

Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the district. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the district's non-federally funded activities and in accordance with the district's written travel reimbursement policies.

In the absence of an acceptable, written district policy regarding travel costs, the rates and amounts established under 5 U.S.C. 5701-11 (Travel and Subsistence Expenses; Mileage Allowances), or by the administrator of general services, or by the president (or his or her designee) pursuant to any provisions of such subchapter must apply to travel under federal awards [48 C.F.R. 31.205-46(a)].

2 C.F.R. 200.474(a), (d)

Property Standards

Federally
Owned Property

Title to federally owned property remains vested in the federal government. The district must submit annually an inventory listing of federally owned property in its custody to the federal awarding agency. Upon completion of the federal award or when the property is no longer needed, the district must report the property to the federal awarding agency for further federal agency utilization.

"Exempt federally owned property" means property acquired under a federal award where the federal awarding agency has chosen to vest title to the property to the district without further obligation to the federal government, based upon the explicit terms and conditions of the federal award.

2 C.F.R. 200.312(a), (c)

Property Trust
Relationship

Real property, equipment, and intangible property that are acquired or improved with a federal award must be held in trust by the district as trustee for the beneficiaries of the project or program under

which the property was acquired or improved. The federal awarding agency may require the district to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with a federal award and that use and disposition conditions apply to the property. *2 C.F.R. 200.316*

Real Property

Subject to the obligations and conditions set forth in 2 C.F.R. 200.311, title to real property acquired or improved under a federal award will vest upon acquisition in the district.

Except as otherwise provided by federal statutes or by the federal awarding agency, real property will be used for the originally authorized purpose as long as needed for that purpose, during which time the district must not dispose of or encumber its title or other interests.

When real property is no longer needed for the originally authorized purpose, the district must obtain disposition instructions from the federal awarding agency or pass-through entity. The instructions must provide for one of the following alternatives:

1. Retain title after compensating the federal awarding agency an amount determined under 2 C.F.R. 200.311(c)(1).
2. Sell the property and compensate the federal awarding agency an amount determined under 2 C.F.R. 200.311(c)(2).
3. Transfer title to the federal awarding agency or to a third party designated/approved by the federal awarding agency. The district is entitled to be paid an amount calculated by applying the district's percentage of participation in the purchase of the real property (and cost of any improvements) to the current fair market value of the property.

2 C.F.R. 200.311

Equipment

Title and Use

Subject to the obligations and conditions set forth in 2 C.F.R. 200.313, title to equipment acquired under a federal award will vest upon acquisition in the district. Unless a statute specifically authorizes the federal agency to vest title in the district without further obligation to the federal government, and the federal agency elects to do so, the title must be a conditional title. Title must vest in the district subject to the following conditions:

1. Use the equipment for the authorized purposes of the project during the period of performance, or until the property is no longer needed for the purposes of the project.
2. Not encumber the property without approval of the federal awarding agency or pass-through entity.

3. Use and dispose of the property in accordance with the provisions below.

Equipment must be used by the district in the program or project for which it was acquired in accordance with 2 C.F.R. 200.313(c).

Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a federal award, until disposition takes place will, as a minimum, meet the requirements of 2 C.F.R. 200.313(d).

Disposition

If the district is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

When original or replacement equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, except as otherwise provided in federal statutes, regulations, or federal awarding agency disposition instructions, the district must request disposition instructions from the federal awarding agency if required by the terms and conditions of the federal award. Disposition of the equipment will be made as prescribed in 2 C.F.R. 200.313(e), in accordance with federal awarding agency disposition instructions.

2 C.F.R. 200.313

Supplies

Title to supplies will vest in the district upon acquisition. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federal award, the district must retain the supplies for use on other activities or sell them, but must, in either case, compensate the federal government for its share. The amount of compensation must be computed in the same manner as for equipment under 2 C.F.R. 200.313(e)(2). *2 C.F.R. 200.314(a)*

Intangible
Property

Title to intangible property acquired under a federal award vests upon acquisition in the district. The district must use that property for the originally-authorized purpose, and must not encumber the property without approval of the federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property must occur in accordance with the provisions in 2 C.F.R. 200.313(e). *2 C.F.R. 200.315(a)*

4. The purchase of new school buses;
5. The retrofitting of school buses with emergency, safety, or security equipment; and
6. The purchase or retrofitting of vehicles to be used for emergency, safety, or security purposes.

The board may levy, pledge, assess, and collect annual ad valorem taxes sufficient to pay the principal of and interest on the bonds as or before the principal and interest become due, subject to the provisions at Bond Elections, below.

Education Code 45.001(a)

All bonds shall be issued in accordance with the Public Security Procedures Act. *Gov't Code, Ch. 1201*

Limitation

A district may not issue general obligation bonds to purchase, improve, or construct one or more improvements to real property, to purchase one or more items of personal property, or to do both, if the weighted average maturity of the issue of bonds exceeds 120 percent of the reasonably expected weighted average economic life of the improvements and personal property financed with the issue of bonds. *Gov't Code 1253.002*

Use of Proceeds for
Utilities

The proceeds of bonds issued by school districts for the construction and equipment of school buildings in the district and the purchase of the necessary sites for school buildings may be used, among other things, to pay the cost of acquiring, laying, and installing pipes or lines to connect with the water, sewer, or gas lines of a municipality or private utility company, whether or not the water, sewer, or gas lines adjoin the school, so that the school district may provide its public school buildings the water, sewer, or gas services. *Education Code 45.101*

“Instructional facility” means real property, an improvement to real property, or a necessary fixture of an improvement to real property that is used predominantly for teaching the required curriculum. *Education Code 46.001*

Under the Instructional Facilities Allotment, Education Code Chapter 46, Subchapter A, for each year, except as provided by Education Code 46.005 (limitation on the guaranteed amount) and 46.006 (shortage or excess of appropriated funds), a district is guaranteed a specified amount per student in state and local funds for each cent of tax effort, up to the statutory maximum in Education Code 46.003(b), to pay the principal of and interest on eligible bonds issued to construct, acquire, renovate or improve an instructional facility. *Education Code 46.003(a); 19 TAC 61.1032*

*Existing Debt
Allotment*

A district is guaranteed a specified amount per student in state and local funds for each cent of tax effort to pay the principal and interest on eligible bonds under Education Code Chapter 46, Subchapter B. Bonds are eligible to be paid with state and local funds under Subchapter B if the district made payments on the bonds during the final school year of the preceding state fiscal biennium or taxes levied to pay the principal and interest on the bonds were included in a district’s audited debt service collections for that school year, and the district does not receive state assistance under the Instructional Facilities Allotment for payment of the principal and interest on the bonds. *Education Code 46.032(a), .033; 19 TAC 61.1035*

Note: For information on the new instructional facility allotment, see CBA.

Investment of Bond
Proceeds

For legal requirements regarding investment of bond proceeds, see CDA(LEGAL).

Unspent Bond
Proceeds

A district may use unspent proceeds of issued general obligation bonds only:

1. For the specific purposes for which the bonds were authorized;
2. To retire the bonds; or
3. For a purpose other than the specific purposes for which the bonds were authorized if:
 - a. The specific purposes are accomplished or abandoned; and
 - b. The board at a public meeting held only for the purpose of considering the use of the unspent bond proceeds approves in separate votes the use of the proceeds for:

- (1) A purpose other than to retire the bonds; and
- (2) The purpose specified at the time the vote is taken.

In addition to other requirements, notice of a public meeting held under this provision must include a statement that the board will consider the use of unspent bond proceeds for a purpose other than the specific purposes for which the bonds were authorized. A public meeting held under this provision must provide the public an opportunity to address the board on the question of using the unspent bond proceeds for a purpose other than the specific purposes for which the bonds were authorized.

A school district may not issue capital appreciation bonds that are secured by ad valorem taxes unless:

1. The bonds have a scheduled maturity date that is not later than 20 years after the date of issuance;
2. The board has received a written estimate of the cost of the issuance, including:
 - a. The amount of principal and interest to be paid until maturity;
 - b. The amount of fees to be paid to outside vendors, including vendors who sell products to be financed by the bond issuance;

2. Transportation-related items, including buses.

*Unspent

3. That taxes sufficient to pay the principal of and interest on the debt obligations will be imposed.

Each single specific purpose for which debt obligations requiring voter approval are to be issued must be printed on the ballot as a separate proposition. A proposition may include as a specific purpose one or more structures or improvements serving the substantially same purpose and may include related improvements and equipment necessary to accomplish the specific purpose.

Exception

Notwithstanding the requirements at Ballot Contents, above, the question of whether to approve the issuance of bonds for the construction, acquisition, and equipment of school buildings in the district, the purchase of new school buses, and the purchase of necessary sites for school buildings may be submitted to the voters in a single ballot proposition, except that bonds for each of the following purposes must be stated in a separate proposition:

 - b. A natatorium;
 - c. Another recreational facility other than a gymnasium, playground, or play area;

2. An acquisition or update of technology equipment, other than equipment used for school security purposes or technology infrastructure integral to the construction of a facility.

The question of whether to approve the issuance of bonds for a building described by items 1a–e above must be printed on the ballot as a separate ballot proposition regardless of whether that building is proposed as part of the same complex or building that contains traditional classroom facilities. Each separate ballot proposition must state the principal amount of the bonds to be issued that constitutes the cost for construction of that portion of the building or complex attributable to the building described by items 1a–e above or to the traditional classroom facilities, as applicable.

Prior to publicly offering bonds, a school district must prepare and deliver to an underwriter an official statement containing the terms of the bond offering, a description of the district itself, financial and operating data of the district, and any other information that may be material to an investor interested in purchasing the district's bonds or otherwise required by Rule 15c2-12 of the Securities Exchange Commission (SEC) (SEC Rule 15c2-12(b)). *17 C.F.R. 240.15c2-12* [See Note, below]

Continuing
Disclosure after
Issuing Bonds

Except for exempt offerings, SEC Rule 15c2-12(b) requires underwriters to obtain a continuing disclosure agreement (CDA) from the district when the district issues bonds. A CDA obligates the district to prepare and file continuing disclosures of financial information and operating data annually after the bonds are issued. A CDA also requires filing notice regarding the occurrence of events listed under SEC Rule 15c2-12(b)(5)(i)(C) within 10 business days following the occurrence of any such event. *17 C.F.R. 240.15c2-12* [See Note, below]

Liability under
Federal Securities
Law

School districts, board members, and certain employees of the district are subject to liability under the antifraud provisions of the federal securities laws contained in Section 17(a) of the Securities Act of 1933 (the "Securities Act"), Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 of the SEC. The antifraud provisions generally prohibit false or misleading

statements made in connection with the offer or sale of a district's bonds (or the omission of material facts from such statements), including the official statement itself and any other statement reasonably expected to reach bond investors (disclosures). *SEC Exchange Act Release No. 33741 (Mar. 9, 1994)*

The antifraud provisions also apply to a district's continuing disclosure obligations under SEC Rule 15c2-12(b) after a district's bonds are issued. [See Continuing Disclosure after Issuing Bonds, above] *SEC Report on the Municipal Securities Market (July 31, 2012) (the "SEC 2012 Report") at pg. 29*

Note: In preparing an official statement, a district may reasonably rely on the advice of outside professionals who are also subject to the antifraud provisions, but a district is primarily liable for the content of its official statement and other disclosures. *SEC Exchange Act Release No. 36761 (Jan. 24, 1996)*

A district may engage qualified consultants, including qualified disclosure or securities counsel and a financial adviser, to assist with preparing an official statement and other primary disclosures relating to a bond offering. Creation of internal procedures may help to insulate a district against criticism or liability under federal securities laws.

Districts may also engage disclosure counsel and/or other professionals to assist with secondary disclosure, including advice and assistance ensuring that (1) reporting requirements imposed by a CDA are satisfied and (2) information disclosed in periodic and occasional reports is accurate and complete.

Internal procedures may provide for (1) appointment of, and disclosure training for, district officials and employees who will be part of the financing team, (2) a procedure of accountability for review of the disclosures, and (3) ensuring that any procedures established are in fact followed.

Tax Rate Adoption

Maintenance Taxes

The board may levy, assess, and collect annual ad valorem taxes for the maintenance of the district's schools. Taxes may not be levied unless authorized by a majority of the qualified voters of the district, voting at an election called for that purpose. *Education Code 45.002, .003(a)*

*Restriction on
Maintenance Tax
Levy*

A district may not increase the rate of the district's maintenance taxes to create a surplus in maintenance tax revenue for the purpose of paying the district's debt service. *Education Code 45.0021(a)* [See Taxpayer Injunction, below]

*Maintenance Tax
Rate
Components*

A district's tier one maintenance and operations tax rate is the number of cents levied by the district for maintenance and operations that does not exceed the maximum compressed rate, as determined under Education Code 48.2551.

Tier One

*Maximum
Compressed
Rate*

"MCR" is the district's maximum compressed rate, which is the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment to which the district is entitled under Education Code Chapter 48. The Texas Education Agency (TEA) shall calculate and make available school districts' maximum compressed rates.

Education Code 48.2551

School districts' maximum compressed maintenance and operations tax rates shall be calculated using locally certified property values and adjusted to estimate for exclusions under Government Code 403.302(d).

TEA will open a data collection from 12:01 a.m. on July 18 through 11:59 p.m. on August 1 for districts. Districts must submit the data specified in 19 Administrative Code 61.1000(c). TEA will use any available data to calculate MCR absent data collection submissions from a school district.

19 TAC 61.1000(b), (c), (h)

TEA will calculate and make available preliminary maximum compressed tier one tax rates to each district on or before August 5. If TEA receives an appeal of a preliminary MCR, TEA will issue a final determination to the district no later than August 31. If TEA does not receive an appeal of a preliminary MCR, the preliminary MCR automatically becomes a final MCR ten calendar days following TEA's approval of the district's preliminary MCR. *19 TAC 61.1000(d)-(f)*

A district may appeal its preliminary MCR through the following process:

LOCAL REVENUE SOURCES
AD VALOREM TAXES

CCG
(LEGAL)

1. The TEA division responsible for MCRs must receive a written appeal no later than ten calendar days after TEA's approval of the district's preliminary MCR. The appeal must include adequate evidence and additional information that supports the position of the district. Appeals received 11 calendar days or more after TEA approves a district's preliminary MCR will not be considered.
2. TEA will only consider appeals that would result in a change of the preliminary MCR.

19 TAC 61.1000(g)

Tier Two

A district's enrichment tax rate consists of:

1. Any cents of additional maintenance and operations tax effort, not to exceed eight cents over the maximum tier one tax rate; and
2. Any cents of additional maintenance and operations tax effort that exceeds the sum of the maximum tier one tax rate and the maximum number of cents permitted under item 1 above.

Education Code 45.0032(a), (b)

Districts Subject
to Disaster
Exception

For a district to which the Disaster Exception to Election Requirement described below applies, the amount by which the district's maintenance tax rate exceeds the district's voter-approval tax rate, excluding the district's current debt rate under Tax Code 26.08(n)(1)(C) for the preceding year is not considered in determining a district's tier one maintenance and operations tax rate or the district's enrichment tax rate for the current tax year. *Education Code 45.0032(d)*

*Maximum Tax
Rate*

For any year, the maintenance tax rate per \$100 of taxable value adopted by the district may not exceed the rate equal to the sum of \$0.17 and the district's maximum compressed rate, as determined under Education Code 48.2551.

A rate that exceeds the maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this provision may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year.

Education Code 45.003(d), (e)

Districts with
2005 Tax Rate
over \$1.50

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the district as permitted by special law [Art. 2784g Tex. Rev. Civ. Stat.] may not levy a maintenance tax at a rate that

exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of 66.67 percent multiplied by the rate of the maintenance tax levied by the district for the 2005 tax year, minus any amount by which \$1.00 exceeds the product of the state compression percentage, as determined under Education Code 48.255, multiplied by \$1.00. *Education Code 45.003(f)*

For a district described above, any cents of maintenance and operations tax effort that exceeds the maximum rate described at Maximum Tax Rate are not included in the district's tier one maintenance and operations tax rate or the district's enrichment tax rate and the district is not entitled to the guaranteed yield amount of state funds under Education Code 48.202 for those cents of tax effort. *Education Code 45.0032(c)*

Assessor and
Collector

The board may employ a person to assess or collect the district's taxes and may compensate the person as the board considers appropriate. This provision does not prohibit a district from providing for the assessment or collection of the district's taxes under a method authorized by Tax Code Chapter 6, Subchapter B. *Education Code 45.231*

A district that used a method of selection for the 1994 tax year that was authorized by former Education Code Chapter 23, Subchapter F, may continue to use that method until the district uses another method authorized above. *Education Code 45.232*

The assessor and collector shall assess, collect, or assess and collect taxes, as applicable. *Tax Code 6.23(b)*

Collector's Bond

A district that has its own collector shall require the collector to give bond conditioned on the faithful performance of duties. The bond must be made payable to and be approved by the board in an amount determined by the board. The board may require a new bond at any time, and failure to give new bond within a reasonable time after demand is a ground for removal from office. The board may prescribe additional requirements for the bond.

A district whose taxes are collected by a person other than the district's own collector may require that person to give bond conditioned on the faithful performance of duties. The bond must be payable to, approved by, and paid for by the board in an amount determined by the board. The board may prescribe additional requirements for the bond.

A district shall pay the premium for a required bond from its general fund or as provided by intergovernmental contract.

Certified Estimate of Values By April 30, the chief appraiser shall prepare and certify to the district's assessor an estimate of the taxable value of district property.
Tax Code 26.01(e)

Appraisal Roll By July 25, the chief appraiser shall prepare and certify to the assessor for the district that part of the appraisal roll that lists the property taxable by the district. The part certified to the assessor is the appraisal roll for the district.

If by July 20 the appraisal review board has not approved the appraisal records as required under Tax Code 41.12, the chief appraiser shall not later than July 25 prepare and certify to the assessor for a school district an estimate of the taxable value of property in the school district.

Tax Code 26.01(a)-(a-1)

By August 1 or as soon thereafter as practicable, the district's assessor shall submit to the board the district's appraisal roll, showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property.

By August 1 or as soon thereafter as practicable, a district's collector shall certify to the board the anticipated collection rate for the current year. If the collector certified an anticipated collection rate in the preceding year and the actual collection rate in that year exceeded the anticipated rate, the collector shall also certify the amount of debt taxes collected in excess of the anticipated amount in the preceding year.

Tax Code 26.04(b)

Designated Employee/Officer to Calculate Rates After the district's assessor submits the appraisal roll to the board, an officer or employee designated by the board shall calculate the no-new-revenue tax rate and the voter-approval tax rate for the district. *Tax Code 26.04(c)*

Truth-in-Taxation Requirements **Note:** The *Truth in Taxation* website maintained by the Texas comptroller of public accounts offers [detailed guidance on setting local property tax rates for school districts](#).¹

Traditional Method When the budget has been prepared under Education Code 44.002, the board president shall call a meeting of the board for the purpose of adopting a budget for the succeeding tax year. The budget must be adopted before the adoption of the tax rate for the tax year in which the fiscal year covered by the budget begins. *Education Code 44.004(a), (g)* [See CE]

<i>Published Notice</i>	<p>The board president shall provide for publication of notice of the budget and proposed tax rate meeting in a daily, weekly, or bi-weekly newspaper published in the district. If no daily, weekly, or biweekly newspaper is published in the district, the president shall provide for publication of notice in at least one newspaper of general circulation in the county in which the district's central administrative office is located. The notice shall be published not earlier than the 30th day or later than the tenth day before the date of the hearing.</p>
Form and Contents	<p>The notice of public meeting to discuss and adopt the budget and the proposed tax rate may not be smaller than one-quarter page of a standard-size or a tabloid-size newspaper, and the headline on the notice must be in 18-point or larger type and contain the information set out in Education Code 44.004(c) and (c-1).</p> <p>The notice must include a statement that a district may not increase its maintenance and operations tax rate to create a surplus in maintenance and operations tax revenue for the purpose of paying the district's debt service.</p> <p>A notice is not valid if it does not substantially conform to the language and format prescribed by the comptroller.</p> <p><i>Education Code 44.004(b)-(d)</i></p>

<i>Districts with July 1 Fiscal Year</i>	<p>Notwithstanding the provisions above, a district with a fiscal year beginning July 1 may use the certified estimate of the taxable value of district property in preparing the required notice if the district does not receive the certified appraisal roll on or before June 7. A district that uses a certified estimate may adopt a budget at the public meeting designated in the published notice prepared using the estimate, but the district may not adopt a tax rate before the district receives the certified appraisal roll for the district.</p> <p>After receipt of the certified appraisal roll, a district must publish a revised notice and hold another public meeting before the district may adopt a tax rate that exceeds:</p> <ol style="list-style-type: none">1. 2. The district's voter-approval rate determined under Tax Code 26.08 using the certified appraisal roll.

Education Code 44.004(h), (i)

*Early Adoption
Method*

Notwithstanding the provisions above or at Deadline below, a district may adopt a budget after the district adopts a tax rate for the tax year in which the fiscal year covered by the budget begins if the district elects to adopt a tax rate before receiving the certified appraisal roll for the district. If a district elects to adopt a tax rate before adopting a budget, the district must publish notice and hold a meeting for the purpose of discussing the proposed tax rate as provided above. Following adoption of the tax rate, the district must publish notice and hold another public meeting before the district may adopt a budget. The comptroller shall prescribe the language and format to be used in the notices. The district may use the certified estimate of taxable value in preparing a notice under this provision. *Education Code 44.004(j)*

The board of a district that elects to adopt a tax rate before the adoption of a budget for the fiscal year that begins in the current tax year may adopt a tax rate for the current tax year before receipt of the certified appraisal roll for the district if the chief appraiser of the appraisal district in which the district participates has certified to the assessor for the district an estimate of the taxable value of property in the district as specified at Certified Estimate of Values above. If a district adopts a tax rate under this provision, the non-revenue tax rate and the voter-approval tax rate of the district shall be calculated based on the certified estimate of taxable value. *Tax Code 26.05(g)*

Tax Rate Adoption
Requirements

Deadline

The board shall adopt a tax rate for the current tax year and shall notify the assessor of the tax rate adopted. [See Adoption of Tax Roll, below] The board must adopt a tax rate before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the district, except that the board must adopt a tax rate that exceeds the voter-approval tax rate not later than the 71st day before the next uniform election date that occurs in November of that year. [Note that Election Code 3.005(c) requires that an election to be held on a uniform date be ordered not later than the 78th day before election day; see Time for Election, below.]

The tax rate consists of two components, each of which must be approved separately. The components are:

1. The interest and sinking fund (debt service) rate calculated under Education Code 44.004(c)(5)(A)(ii)(b); and

2. The rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the district for the next year.

Tax Code 26.05(a)

*Tax Date for
Certain Districts*

A district that before January 1, 1989, has for at least ten years followed a practice of adopting its tax rate at a different date than as provided by Tax Code Chapter 26 and of billing for and collecting its taxes at different dates than as provided by Chapters 31 and 33 may continue to follow that practice. This does not affect the dates provided by the Property Tax Code (Tax Code Title 1) for other purposes, including those relating to the appraisal and taxability of property, the attachment of tax liens and personal liability for taxes, and administrative and judicial review under Chapters 41 and 42.

Tax Code 26.135

Vote

A board may not impose property taxes in any year until it has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. The vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the district's no-new-revenue maintenance and operations tax rate and the district's current debt rate must be a record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order.

Motion

A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be made in the following form: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue tax rate) percent increase in the tax rate."

*Language and
Internet Posting*

If the ordinance, resolution, or order sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the district that exceeds the amount of taxes imposed for that purpose in the preceding year the district must:

1. Include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:
 - a. The following statement: "THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE"; and
 - b. If the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: "THE TAX

RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount).”; and

2. Include on the home page of any internet website operated by the district:
 - a. The following statement: “(Insert name of unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR’S TAX RATE”; and
 - b. If the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: “THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount).”

Tax Code 26.05(b)

Adoption of Tax Roll On receipt of notice of the tax rate for the current tax year, the assessor for a district shall calculate the tax imposed on each property included on the appraisal roll for the district. The assessor shall enter the amount of tax in the appraisal roll and submit it to the board for approval. The appraisal roll with amounts of tax entered as approved by the board constitutes the district’s tax roll.
Tax Code 26.09(a), (e)

Failure to Adopt Tax Rate If the board does not adopt a tax rate before the date required at Deadline above, the tax rate for the district for that tax year is the lower of the no-new-revenue tax rate calculated for that tax year or the tax rate adopted by the district for the preceding tax year. A tax rate established by this provision is treated as an adopted tax rate. Before the fifth day after the establishment of a tax rate by this provision, the board must ratify the applicable tax rate in the manner set out at Tax Rate Adoption Requirements above. *Tax Code 26.05(c)*

Taxpayer Injunction A person who owns taxable property in a district is entitled to an injunction restraining the collection of taxes by the district if the district has not complied with the requirements above at Published

Notice, including Form and Contents, Districts with July 1 Fiscal Year, if applicable, and Tax Rate Adoption Requirements, and the failure to comply was not in good faith. An action to enjoin the collection of taxes must be filed before the date a district delivers substantially all of its tax bills. *Education Code 44.004(e); Tax Code 26.05(e)*

A person who owns taxable property in a district is entitled to an injunction restraining the collection of taxes by the district if the district adopts a maintenance tax in violation of the prohibition described above at Restriction on Maintenance Tax Levy. An action to enjoin the collection of taxes must be filed before the date a district delivers substantially all of its tax bills. *Education Code 45.0021(b)*

Tax Information to
County

A district shall provide to the county assessor-collector for each county in which all or part of district territory is located the district's adopted tax rate, maintenance and operations rate, debt rate, no-new-revenue tax rate, no-new-revenue maintenance and operations rate, and voter-approval tax rate for posting on the county's internet website. The district shall provide the information annually following the adoption of a tax rate by the district for the current tax year. *Tax Code 26.16(a)–(b)*

Appraisal District
Property Tax
Database

The officer or employee designated by the board to calculate the no-new-revenue tax rate and the voter-approval tax rate for the district must electronically incorporate into the database created and maintained by the chief appraiser under Tax Code 26.17 the information required by Tax Code 26.17(e). *Tax Code 26.17(e)*

**Internet Posting of
Tax Rate and Budget
Information**

Each district shall maintain an internet website or have access to a generally accessible internet website that may be used for the purposes of this provision. Each district shall post or cause to be posted on the internet website the information required by Tax Code 26.18 in a format prescribed by the comptroller. *Tax Code 26.18* [See CE for required information]

**Election to Approve
Tax Rate**

If the board adopts a tax rate that exceeds the district's voter-approval tax rate, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rate. *Tax Code 26.08(a), (n)*

[For information on conducting elections, see the BBB series.]

Efficiency Audit

"Efficiency audit" means an investigation of the operations of a district to examine fiscal management, efficiency, and utilization of resources.

The board shall conduct an efficiency audit before seeking voter approval to adopt a tax rate for the maintenance and operations of

the district at an election held for that purpose and may not hold an election without complying with this requirement.

The board may select the auditor that conducts the district's annual audit under Education Code 44.008 and may include the efficiency audit as part of the district's annual audit. [See CFC] A district must pay for the costs associated with an efficiency audit required under this provision. A district shall provide all documents, records, and personnel requested by the auditor as needed to conduct the audit in an efficient manner.

The board must select an auditor to conduct an efficiency audit not later than four months before the date on which the district proposes to hold an election to adopt a maintenance and operations tax rate. An auditor selected by the board must maintain independence from the district and complete the efficiency audit not later than three months after the date the auditor was selected.

Before an election at which a district seeks voter approval to adopt a tax rate, the board must hold an open meeting to discuss the results of the efficiency audit. Not later than 30 days before the date of the election, the results of an efficiency audit must be posted on the district's internet website.

Education Code 11.184

*Legislative
Budget Board
Guidelines*

The Legislative Budget Board (LBB) shall establish guidelines identifying the scope and areas of investigation of an efficiency audit, including identification of resources being used effectively and efficiently and identification of cost savings or reallocations. The auditor selected by the board of a district must follow the guidelines established by the LBB under this provision. *Education Code 11.184(f)*

[Efficiency Audit Guidelines](#)² are found on the LBB website.

*Disaster Exception
To Efficiency
Audit
Requirement*

The board of a district all or part of which is located in an area declared a disaster area by the governor may hold an election to seek voter approval to adopt a maintenance and operations tax rate during the two-year period following the date of the declaration without conducting an efficiency audit otherwise required above. *Education Code 11.184(b-1)*

*To Election
Requirement*

When increased expenditure of money by a district is necessary to respond to a disaster, including a tornado, hurricane, flood, wildfire, or other calamity, but not including a drought, that has impacted a district and the governor has requested federal disaster assistance for the area in which the district is located, an election is not required to approve the tax rate adopted by the board for the year following the year in which the disaster occurs. A tax rate adopted

under this provision applies only in the year for which the rate is adopted. If a district adopts a tax rate under this provision, the amount by which that rate exceeds the district's voter-approval tax rate for that tax year may not be considered when calculating the district's voter-approval tax rate for the tax year following the year in which the district adopts the rate. *Tax Code 26.08(a-1)*

Time for Election The board shall order that the election be held in the district on the next uniform election date prescribed by Election Code 41.001 that occurs after the date of the election order and that allows sufficient time to comply with the requirements of other law. *Tax Code 26.08(b)*

Uniform Election Date For an election to be held on a uniform election date, the election shall be ordered not later than the 78th day before election day.

An election to ratify a tax rate adopted by a board under the early adoption method described above shall be ordered not later than the 30th day before election day.

Election Code 3.005 [See BBBA]

Notice to County Clerk The board shall deliver notice of the election to the county clerk and voter registrar of each county in which the district is located not later than the 60th day before election day.

Exception A board that orders an election to ratify a tax rate adopted by the board under the early adoption method described above shall deliver notice of the election to the county clerk of each county in which the district is located not later than the 30th day before election day.

Election Code 4.008

Proposition At the election, the ballots shall be prepared to permit voting for or against the proposition: "Ratifying the ad valorem tax rate of _____ (insert adopted tax rate) in (name of school district) for the current year, a rate that will result in an increase of _____ (insert percentage increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year) percent in maintenance and operations tax revenue for the district for the current year as compared to the preceding year, which is an additional \$_____ (insert dollar amount of increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year)". *Tax Code 26.08(b)*

In addition to any other requirement imposed by law for a proposition, including a provision prescribing the proposition language, a

proposition submitted to the voters for approval of the imposition or increase of a tax shall specifically state the amount of or maximum tax rate of the tax or tax increase for which approval is sought.

Election Code 52.072(e)(1)

Each proposition on the ballot must identify the name of the authority ordering the election on the measure. *Election Code 52.095(c)*

Election Outcome

If a majority of the votes cast in an election favor the proposition, the tax rate for the current year is the rate that was adopted by the board. If the proposition is not approved, a board may not adopt a tax rate for the current year that exceeds the district's voter-approval tax rate. *Tax Code 26.08(c)–(d)*

A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. *Tax Code 11.26(a)*

Improvements

If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. *Tax Code 11.26(b)*

Exception

An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. *Tax Code 11.26(o)*

Among others, a board may grant additional tax exemptions in accordance with applicable law for:

1. Residential property owned by the United States or an agency of the United States and used to provide transitional housing for the indigent under a program operated or directed by the U.S. Department of Housing and Urban Development. *Tax Code 11.111*

Goods-in-Transit

A person is entitled to an exemption from taxation of the appraised value of that portion of the person's property that consists of goods-in-transit, as defined in Tax Code 11.253(a)(2).

A board, by official action, may provide for the taxation of goods-in-transit exempt under Tax Code 11.253(b) and not exempt under

other law. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the board proposes to tax goods-in-transit. Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). If the board provides for the taxation of the goods-in-transit as provided by this provision, the exemption stated above does not apply to that district. The goods-in-transit remain subject to taxation by the district until the board, by official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-transit in a tax year that begins on or after January 1, 2012, unless the board takes official action on or after October 1, 2011, to provide for the taxation of the goods-in-transit.

Exception

If a board, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the district, the district tax officials may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

3. One percent if the tax is paid during the third full calendar month following the date on which the tax bills were mailed.

Tax Code 31.05(c)

Both Options If a board adopts both discounts, the discounts described at Option 1 apply unless the tax bills for the district are mailed after September 30, in which case only the discounts described at Option 2 apply. *Tax Code 31.05(a)*

Rescission The board may rescind a discount lawfully adopted by the board. The rescission of a discount takes effect in the tax year following the year in which the discount is rescinded. *Tax Code 31.05(d)*

Property owners performing services for a district under this provision may only supplement or complement the regular personnel of the district. Except as provided at Large Municipality below, each district that levies taxes on real property in a reinvestment zone designated by a county or municipality in accordance with the Tax Increment Financing Act, Tax Code Chapter 311, may appoint one member of the reinvestment zone board of directors if the district has approved the payment of all or part of the tax increment produced by the district into the tax increment fund for the zone. A district may waive its right to appoint a director. *Tax Code 311.009(a), (b)*

*Large
Municipality*

In a reinvestment zone designated by a municipality which is wholly or partially located in a county with a population of less than 1.8 million in which the principal municipality has a population of 1.1 million or more, each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint a number of members to the board in proportion to the taxing unit's pro rata share of the total anticipated tax increment to be deposited into the tax increment fund during the term of the zone. *Tax Code 311.0091(a)–(c)*

Tax Increments
Amount

The amount of a district's tax increment for a year is the amount of property taxes levied and assessed by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone or the amount of property taxes levied and collected by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone. The board of the district shall determine which of the methods is used to calculate the amount of the district's tax increment.

"Captured
Appraised
Value"

The captured appraised value of real property taxable by a district for a year is the total taxable value of all real property taxable by the district and located in a reinvestment zone for that year less the tax increment base of the district.

"Tax Increment
Base"

The tax increment base of a district is the total taxable value of all real property taxable by the district and located in a reinvestment zone for the year in which the zone was designated under Tax Code Chapter 311.

Tax Code 311.012

*Collection and
Deposit*

Each district that taxes real property located in a reinvestment zone shall provide for the collection of its taxes in the zone as for any other property taxed by the district. Each district shall pay into the tax increment fund for the zone an amount equal to the tax increment produced by the district, less the sum of:

1. Property taxes produced from the tax increments that are, by contract executed before the designation of the area as a re-investment zone, required to be paid by the district to another political subdivision; and
2. A portion, not to exceed 15 percent, of the tax increment produced by the district as provided by the reinvestment zone financing plan or a larger portion as provided at Agreement Required below.

Tax Code 311.013(a)–(b)

Notwithstanding any termination of the reinvestment zone and unless otherwise specified by an agreement between the district and the municipality or county that created the zone, a district shall make the required payment not later than the 90th day after the later of the delinquency date for district property taxes or the date the municipality or county that created the zone submits to the district an invoice specifying the tax increment produced by the district and the amount the district is required to pay into the tax increment fund for the zone. A district is not required to pay into a tax increment fund the applicable portion of a tax increment attributable to delinquent taxes until those taxes are collected. *Tax Code 311.013(c), (i)*

A district whose taxable value is reduced under Government Code 403.302(d)(4) (determination of district property values by the comptroller) shall pay into the tax increment fund, in addition to the amount otherwise required to be paid, an amount equal to the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the district receives in state aid for the current tax year under Education Code 48.253 (additional state aid for tax increment financing payments). The district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Education Code 48.253. *Tax Code 311.013(n)*

*Agreement
Required*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in a reinvestment zone designated under Tax Code 311.005(a) or in an area added to a reinvestment zone under Tax Code 311.007 unless the district enters into an agreement to do so with the governing body of the municipality or county that designated the zone. *Tax Code 311.013(f)*

A district that participates in a zone is not required to increase the percentage or amount of the tax increment to be contributed by the district because of an amendment to the project plan or reinvestment zone financing plan for the zone unless the board by official action approves the amendment. *Tax Code 311.011(g)*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in an area added to the reinvestment zone under Tax Code 311.007(a) or (b) unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.013(k)*

If the governing body of the municipality or county that designated a reinvestment zone extends the term of all or a portion of the zone, a district is not required to participate in the zone or portion of the zone for the extended term unless the district enters into a written agreement to do so. *Tax Code 311.007(c)*

Notwithstanding the designation of a later termination date under Tax Code 311.017(a), a district that taxes real property located in the reinvestment zone is not required to pay any of its tax increment into the tax increment fund for the zone after the termination date designated in the ordinance or order creating the zone unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.017(a-1)*

**Property
Redevelopment and
Tax Abatement Act**

On or after September 1, 2001, a school district may not enter into a tax abatement agreement under Tax Code Chapter 312. *Tax Code 312.002(f)*

**Reinvestment Zone
for Chapter 313**

Notwithstanding any other provision of Tax Code Chapter 312 to the contrary, the board, in the manner required for official action and for purposes of Tax Code Chapter 313, Subchapter B or C [see Texas Economic Development Act below], may designate an area entirely within the territory of the district as a reinvestment zone if the board finds that, as a result of the designation and the granting of a limitation on appraised value, for property located in the reinvestment zone, the designation is reasonably likely to:

1. Contribute to the expansion of primary employment in the reinvestment zone; or
2. Attract major investment in the reinvestment zone that would:
 - a. Be a benefit to property in the reinvestment zone and to the district; and

- b. Contribute to the economic development of the region of this state in which the district is located.

The board may seek the recommendation of the commissioners court of each county and the governing body of each municipality that has territory in the district before designating an area as a reinvestment zone.

The commissioner shall ensure that publishers of instructional materials are informed of any potential delay in payment and that payment is subject to the availability of appropriated funds. Publishers may decline orders for which payments could be delayed. A publisher's decision to decline an order shall affect all of that publisher's orders for which payments could be delayed. Adjustment

The commissioner's determination is final. *Education Code 31.0211(e)*

*High Enrollment
Growth*

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

Enrollment growth calculations will be determined each fiscal year based on fall Texas Student Data Systems Public Education Information Management System (TSDS PEIMS) enrollment data. The amount of the adjustment determined by the commissioner is final and may not be appealed.

If sufficient funds are available, high-enrollment growth adjustments will be granted once each fiscal year. Notwithstanding this, a district that experiences an unexpected growth:

1. Of at least two percent due to a natural or man-made disaster or catastrophic event may apply for additional funding at any time during a fiscal year.
2. In its bilingual population of at least ten percent in any school year may apply for additional bilingual funding at any time during a fiscal year.

Any additional funding will be dependent on the availability of funds.

The per-student high-enrollment growth adjustment granted in the second year of a biennium shall not exceed one-half of the per-student amount established as the biennial allotment.

an employee discharged in violation of the above provision is entitled to reinstatement in the former position of employment. The burden of proof in a proceeding alleging violation of the above provision is on the employee. *Labor Code 451.002*

Claims by First
Responder

A first responder, as defined in Government Code 421.095, who alleges a violation of Labor Code 451.001 [at Prohibited Discrimination, above] by a district that employs the first responder may sue the district for relief provided by Labor Code Chapter 451. Sovereign or governmental immunity from suit is waived and abolished to the extent of liability created by Chapter 451. To the extent a person has official or individual immunity from a claim for damages, these provisions do not affect that immunity. *Labor Code 451.0025*

Note: A retaliatory discharge claim may not be brought against a school district without its consent. Except as stated above, current state law does not waive a school district's immunity and provide consent. *Labor Code 504.053(e); Travis Cent. Appraisal Dist. v. Norman, 342 S.W.3d 54 (Tex. 2011)*

Leaves of Absence

A district shall not terminate an employee who is on an unpaid leave of absence and receiving workers' compensation benefits, except when the termination is for a legitimate reason independent from the employee's workers' compensation claim. *Atty. Gen. Op. JM-227 (1984)* [See DEC(LEGAL) for information on absence control.]

Facilities Standards

All new facilities must meet the commissioner's standards for adequacy of school facilities to be eligible to be financed with state or local tax funds. *Education Code 46.008*

**State Standards
After January 1, 2004**

The requirements for school facility standards set out in 19 Administrative Code 61.1036 ("section 61.1036") apply to projects for new construction or major space renovations approved by a board or its authorized representative on or after January 1, 2004.
19 TAC 61.1036(b)

Definitions

"Major space renovation" means renovations to all or part of the facility's instructional space where the scope of the work in the affected part of the facility involves substantial renovations to the extent that most existing interior walls and fixtures are demolished and then subsequently rebuilt in a different configuration and/or function. Other renovations associated with repair or replacement of architectural interior or exterior finishes, fixtures, equipment, and electrical, plumbing, and mechanical systems are not subject to space or educational adequacy requirements of section 61.1036(d) and (e), but shall comply with applicable building codes under section 61.1036(f). *19 TAC 61.1036(a)(10)*

"Educational program" means a written document, developed and provided by a district, that includes the following information:

1. A summary of the school district's educational philosophy, mission, and goals; and
2. A description of the general nature of the district's instructional program in accordance with the 19 Administrative Code 74.1 (relating to Essential Knowledge and Skills). The written educational program should describe:
 - a. The learning activities to be housed, by instructional space;
 - b. How the subject matter will be taught (methods of instructional delivery);
 - c. The materials and equipment to be used and stored;
 - d. Utilities and infrastructure needs; and
 - e. The characteristics of furniture needed to support instruction.

19 TAC 61.1036(a)(2)

"Educational specifications" means a written document for a proposed new school facility or major space renovation that includes a description of the proposed project, expressing the range of issues

and alternatives. School districts that do not have personnel on staff with experience in developing educational specifications shall use the services of a design professional or consultant experienced in school planning and design to assist in the development of the educational specifications. The school district shall allow for input from teachers, other school campus staff, and district program staff in developing the educational specifications. The following information should be included in the educational specifications:

1. The instructional programs, grade configuration, and type of facility;
2. The spatial relationships—the desired relationships for the functions housed at the facility:
 - a. Should be developed by the school district to support the district's instructional program;
 - b. Should identify functions that should be:
 - (1) Adjacent to, immediately accessible;
 - (2) Nearby, easily accessible; and
 - (3) Removed from or away from; and
 - c. Should relate to classroom/instructional functions, instructional support functions, building circulation, site activities/functions, and site circulation.
3. Number of students;
4. A list of any specialized classrooms or major support areas, noninstructional support areas, outdoor learning areas, outdoor science discovery centers, living science centers, or external activity spaces;
5. A schedule of the estimated number and approximate size of all instructional and instructional support spaces included in the facility;
6. Estimated budget for the facility project;
7. School administrative organization;
8. Provisions for outdoor instruction;
9. Hours of operation that include the instructional day, extracurricular activities, and any public access or use;
10. The safety of students and staff in instructional programs, such as science and vocational instruction; and

11. The overall security of the facility.

19 TAC 61.1036(a)(3)

Certification of
Design and
Construction

The school district shall notify and obligate the architect or engineer to provide the required certification.

“Certify” indicates that the architect or engineer has reviewed the standards contained in 19 Administrative Code Chapter 61 and used the best professional judgment and reasonable care consistent with the practice of architecture or engineering in the state of Texas in executing the construction documents. The architect or engineer also certifies that these documents conform to the provisions of section 61.1036, except as indicated on the certification. The architect's or engineer's signature and seal on the construction documents shall certify compliance.

To ensure that facilities have been designed and constructed according to the provisions of section 61.1036, each involved party shall execute responsibilities as set forth in section 61.1036(c)(3).

19 TAC 61.1036(c)

Construction Quality
*Districts with
Building Codes*

A district located in an area that has adopted local construction codes shall comply with those codes (including building, fire, plumbing, mechanical, fuel gas, energy conservation, and electrical codes). If the local building authority does not require a plan review, then a qualified, independent third party, not employed by the design architect or engineer, shall review the plans and specifications for compliance with the requirements of the adopted building code. If the local building authority does not conduct reviews and inspections during the course of construction of the facility, then a qualified, independent third party, not employed by the design architect or engineer or contractor, should perform a reasonable number of reviews and inspections during the course of construction for compliance with the requirements of the adopted building code. *19 TAC 61.1036(f)(1)(A), (D)*

*Districts without
Building Codes*

A district located in an area that has not adopted local building codes shall adopt and use the building code and related fire, plumbing, mechanical, fuel gas, and energy conservation codes from the latest edition of the family of International Codes as published by the International Code Council (ICC); and the National Electric Code as published by the National Fire Protection Association (NFPA). As an alternative, a district may adopt the building code and related codes as adopted by a nearby municipality or county. A qualified, independent third party, not employed by the design architect or engineer, shall review the plans and specifications for compliance with the requirements of the adopted building

code. A qualified, independent third party, not employed by the design architect or engineer or contractor, should perform a reasonable number of reviews and inspections during the course of construction for compliance with the requirements of the adopted building code. *19 TAC 61.1036(f)(2)(A), (D)*

International
Energy
Conservation
Code

The International Energy Conservation Code as it existed on May 1, 2015, is adopted as the energy code for use in this state for all commercial construction. *Health and Safety Code 388.003(b); 34 TAC 19.53(b)*

Because a public school building is not a residential building, it falls within the scope of “commercial” construction for purposes of the International Energy Conservation Code and likely for purposes of Health and Safety Code Chapter 388. *Atty. Gen. Op. KP-148 (2017)*

Fire Protection

Fire alarms shall be provided. Districts should consider providing automatic sprinkler systems for fire protection, fire suppression, and life safety. *19 TAC 61.1036(f)(1)(B)–(C), (f)(2)(B)–(C)*

**State Standards
Before January 1,
2004**

The requirements for school facility standards set out in 19 Administrative Code 61.1033 apply to projects for new construction and major space renovations approved by a board before January 1, 2004. *19 TAC 61.1033(b)*

Fire Escapes

School buildings of at least two stories shall be equipped with fire escapes as required by law. *Health and Safety Code 791.002, .035, .036*

Security Criteria

A district that constructs a new instructional facility or conducts a major renovation of an existing instructional facility using Instructional Facilities Allotment funds shall consider, in the design of the instructional facility, appropriate security criteria. *Education Code 46.0081*

Accessibility

No qualified individual with a disability shall, because a district’s facilities are inaccessible to or unusable by individuals with disabilities, be excluded from participation in or be denied the benefits of the services, programs, and activities of a district or be subject to discrimination. *42 U.S.C. 12132; 28 C.F.R. 35.149; 29 U.S.C. 794; 34 C.F.R. 104.21*

A district shall operate each program, service, or activity so that when viewed in its entirety, it is readily accessible to and usable by individuals with disabilities. A district is not required to make each existing facility or every part of a facility accessible to and usable by individuals with disabilities.

A district may comply with these requirements by:

1. Redesigning or acquisitioning equipment.
2. Reassigning classes or other services to accessible buildings.
3. Assigning aides to qualified individuals with disabilities.
4. Home visits.
5. Delivery of services at alternate accessible sites.
6. Alteration of existing facilities.
7. Constructing new facilities that comply with 34 C.F.R. 104.23 and 28 C.F.R. 35.151.
8. Any other methods that result in making services, programs, and activities accessible to individuals with disabilities.

A district is not required to make structural changes in existing facilities when other methods will achieve compliance with Title II of the Americans with Disabilities Act and its implementing regulation. In choosing among available alternatives for meeting these requirements, a district shall give priority to methods that offer services, programs, and activities to qualified individuals with disabilities in the most integrated setting appropriate.

28 C.F.R. 35.150; 34 C.F.R. 104.22

Review of Plans

All plans and specifications for construction or for the substantial renovation or modification of a building or facility that has an estimated construction cost of \$50,000 or more shall be submitted to the Department of Licensing and Regulation for review and approval. A district as owner of the building or facility may not allow an application to be filed with a local governmental entity for a building construction permit related to the plans and specifications or allow construction, renovation, or modification of the building or facility to begin before the date the plans and specifications are submitted to the Department by the architect, interior designer, landscape architect, or engineer.

A district, as owner of each building or facility that has an estimated construction, renovation, or modification cost of at least \$50,000, is responsible for having the building or facility inspected for compliance with the standards and specifications adopted by the Commission of Licensing and Regulation not later than the first anniversary of the date that construction or substantial renovation or modification of the building or facility is completed. The inspection must be performed by the Department, an entity with whom the Commission contracts, or a person who holds a certificate of registration to perform inspections.

Gov't Code 469.101, .102(a), (c), .105

Notice

A district shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by persons with disabilities. *34 C.F.R. 104.22(f)*

**Relocatable
Educational Facility**

In this section, "relocatable educational facility" means a portable, modular building capable of being relocated, regardless of whether the facility is built at the installation site, that is used primarily as an educational facility for teaching the curriculum required under Education Code 28.002.

A relocatable educational facility that is purchased or leased on or after January 1, 2010, must comply with all provisions applicable to industrialized buildings under Occupations Code Chapter 1202.

Occupations Code 1202.004

Any portable, modular building capable of being relocated that is purchased or leased for use as a school facility by a district, whether that building is manufactured off-site or constructed on-site, must comply with all provisions of 19 Administrative Code 61.1036. *19 TAC 61.1036(a)(11), (f)(3)*

Playgrounds

Public funds may not be used to purchase or install:

1. Playground equipment that:
 - a. Does not comply with each applicable provision of ASTM Standard F1487-07ae1, "Consumer Safety Performance Specification for Playground Equipment for Public Use," published by ASTM International; or
 - b. Has a horizontal bare metal platform or a bare metal step or slide, unless the bare metal is shielded from direct sun by a covering provided with the equipment or by a shaded area in the location where the equipment is installed;
2. Surfacing for the area under and around playground equipment if the surfacing will not comply with each applicable provision of ASTM Standard F2223-04e1, "Standard Guide for ASTM Standards on Playground Surfacing," published by ASTM International.

Exception

Public funds may be used to maintain playground equipment or surfacing that was purchased before September 1, 2009, even if the equipment or surfacing does not comply with the applicable specifications described above.

Health and Safety Code 756.061

Outdoor Lighting

An outdoor lighting fixture may be installed, replaced, maintained, or operated using state funds only if it meets standards for state-funded outdoor lighting fixtures in Health and Safety Code Chapter 425.

Exceptions

The standards for state-funded outdoor lighting fixtures do not apply if:

1. A federal law, rule, or regulation preempts state law;
2. The fixture is used on a temporary basis;
3. Because emergency personnel temporarily require additional illumination for emergency procedures;
4. For nighttime work;
5. Special events or circumstances require additional illumination;
6. The fixture is used solely to enhance the aesthetic beauty of an object; or
7. A compelling safety interest cannot be addressed by another method.

Special events or situations that may require additional illumination include sporting events and illumination of monuments, historic structures, or flags. Illumination for special events or situations must be installed to shield the outdoor lighting fixtures from direct view and to minimize upward lighting and light pollution.

Health and Safety Code 425.002

Natural Gas Piping Pressure Testing

A district shall perform biennial pressure tests on the natural gas piping system in a school facility before the beginning of the school year. A district with more than one facility may perform the testing on a two-year cycle under which the district pressure tests the natural gas piping system in approximately one-half of the facilities each year. If a district operates the facilities on a year-round calendar, the pressure test in each of those facilities must be conducted and reported not later than July 1 of the year in which the pressure test is performed.

A natural gas piping pressure test performed under a municipal code in compliance with Railroad Commission rules shall satisfy the pressure testing requirements.

Utilities Code 121.502; 16 TAC 8.230(c)(1), (4)

Requirements of Test

A district shall perform the pressure test to determine whether the natural gas piping downstream of a district facility's meter holds at

least normal operating pressure over a specified period determined by the Railroad Commission. During the pressure test, each system supply inlet and outlet in the facility must be closed. The pressure test shall be performed by a person authorized under Railroad Commission rules. At a district's request, the Railroad Commission shall assist the district in developing a procedure for conducting the test. *Utilities Code 121.503; 16 TAC 8.230(c)(2), (3)*

Notice

A district shall provide written notice to the district's natural gas supplier specifying the date and result of each pressure test or other inspection. The supplier shall develop procedures for receiving such written notice from the district. *Utilities Code 121.504(a); 16 TAC 8.230(b)(1)*

Termination of Service

A supplier shall terminate service to a district facility if:

1. The supplier receives official notification from the firm or individual conducting the test of a hazardous natural gas leakage in the facility piping system; or
2. A test or other inspection is not performed as required.

Utilities Code 121.505(a)

A supplier shall develop procedures for terminating service to a district if the supplier:

1. Receives notification of a hazardous natural gas leak in the school facility piping system; or
2. Does not receive written notification from the district specifying the completion date and results of the testing.

16 TAC 8.230(b)(2)

Reporting Leaks

An identified natural gas leakage in a district facility must be reported to the board. The firm or individual conducting the natural gas piping pressure test shall immediately report any hazardous natural gas leak in a district facility to the board and the natural gas supplier. *Utilities Code 121.506; 16 TAC 8.230(c)(6)*

LP-Gas Systems Testing

At least biennially, a district shall perform leakage tests on the LP-gas piping system in each district facility before the beginning of the school year. The district may perform the leakage tests on a two-year cycle under which the tests are performed for the LP-gas piping systems of approximately half of the facilities each year. If a district operates one or more district facilities on a year-round calendar, the leakage test in each of those facilities must be conducted and reported not later than July 1 of the year in which the test is performed.

A test performed under a municipal code satisfies the testing requirements.

Natural Resources Code 113.352; 16 TAC 9.41

Requirements of
Test

A district shall perform the leakage test to determine whether the LP-gas piping system holds at least the amount of pressure specified by the Railroad Commission. The leakage test must be conducted in accordance with Railroad Commission rules at 16 Administrative Code 9.41. The leakage test shall be conducted by a person authorized under Railroad Commission rules. At a district's request, the Railroad Commission shall assist the district in providing for the certification of a district employee to conduct the test and in developing a procedure for conducting the test. *Natural Resources Code 113.353; 16 TAC 9.41(b)-(d)*

Notice

Before the introduction of any LP-gas into the LP-gas piping system, a district shall provide verification to its supplier that the piping has been tested.

Documentation

A district shall retain documentation specifying the date and the result of each leakage test or other inspection of each LP-gas piping system until at least the fifth anniversary of the date the test or other inspection was performed. The Railroad Commission may review a district's documentation of each leakage test or other inspection conducted by the district.

Natural Resources Code 113.354; 16 TAC 9.41(b)(3)-(4)

Termination of
Service

A supplier shall terminate service to a district facility if:

1. The supplier receives official notification from the district or the person conducting the test that there is leakage in a school LP-gas system;
2. The leakage test performed on a school LP-gas system was not performed as required; or
3. The supplier has not received a copy of the required form from the district verifying that the LP-gas system has been tested in accordance with 16 Administrative Code 9.41.

Natural Resources Code 113.355; 16 TAC 9.41(e)

Reporting Leaks

An identified school LP-gas leakage in a school district facility shall be reported to the board. The district shall immediately remove the affected school district facility from LP-gas service until repairs are made and it passes a subsequent school LP-gas system leakage test. If a district employee performs the initial test, then the subsequent test may not be performed by a district employee. *Natural Resources Code 113.356; 16 TAC 9.41(b)(2)*

Definitions

 - b. Does not receive a financial benefit directly attributable to the infringing activity, in a case in which the service provider has the right and ability to control such activity; and

- c. Upon notification of claimed infringement as described at Notification, below, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity, except that, for purposes of this provision, the information described in item 3 at Notification, below, shall be identification of the reference or link, to material or activity claimed to be infringing, that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit the service provider to locate that reference or link.

17 U.S.C. 512(a)–(d)

*Designated
Agent*

The limitations on liability established in item 3 at Limitation of Liability, above, apply to a service provider only if the service provider has designated an agent to receive notifications of claimed infringement described at Notification, below, by making available through its service, including on its website in a location accessible to the public, and by providing to the Copyright Office (the Office), substantially the following information:

1. The name, address, phone number, and electronic mail address of the agent.
2. Other contact information which the Register of Copyrights may deem appropriate.

17 U.S.C. 512(c)(2); 37 C.F.R. 201.38

The Register of Copyrights shall maintain a current directory of agents available to the public for inspection, including through the internet, and may require payment of a fee by service providers to cover the costs of maintaining the directory. *17 U.S.C. 512(c)(2)*

Amendment

All service providers must ensure the currency and accuracy of the information contained in designations submitted to the Office by timely updating information when it has changed. A service provider may amend a designation previously registered with the Office at any time to correct or update information.

Renewal

A service provider's designation will expire and become invalid three years after it is registered with the Office, unless the service provider renews such designation by either amending it to correct or update information or resubmitting it without amendment. Either amending or resubmitting a designation, as appropriate, begins a new three-year period before such designation must be renewed.

37 C.F.R. 201.38(c)(3)–(4)

Notification

To be effective, a notification of claimed infringement must be a written communication provided to the designated agent of a service provider that includes substantially the following:

1. A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.
2. Identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works at that site.
3. Identification of the material that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit the service provider to locate the material.
4. Information reasonably sufficient to permit the service provider to contact the complaining party, such as an address, telephone number, and, if available, an electronic mail address at which the complaining party may be contacted.
5. A statement that the complaining party has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law.
6. A statement that the information in the notification is accurate, and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

17 U.S.C. 512(c)(3)

*Disabling or
Removing
Access*

Subject to the exceptions below, a service provider shall not be liable to any person for any claim based on the service provider's good faith disabling of access to, or removal of, material or activity claimed to be infringing or based on facts or circumstances from which infringing activity is apparent, regardless of whether the material or activity is ultimately determined to be infringing.

Exceptions

The provision above shall not apply with respect to material residing at the direction of a subscriber of the service provider on a system or network controlled or operated by or for the service provider that is removed, or to which access is disabled by the service provider, pursuant to a notice provided under item 3c at Limitation of Liability, unless the service provider:

1. Takes reasonable steps promptly to notify the subscriber that it has removed or disabled access to the material;

2. Upon receipt of a counter notification described in 17 U.S.C. 512(g)(3), promptly provides the person who provided the notification under item 3c with a copy of the counter notification, and informs that person that it will replace the removed material or cease disabling access to it in ten business days; and
3. Replaces the removed material and ceases disabling access to it not less than ten, nor more than 14, business days following receipt of the counter notice, unless its designated agent first receives notice from the person who submitted the notification under item 3c that such person has filed an action seeking a court order to restrain the subscriber from engaging in infringing activity relating to the material on the service provider's system or network.

17 U.S.C. 512(g)

*Eligibility for
Limitations on
Liability*

The limitations on liability established by 17 U.S.C. 512 shall apply to a service provider only if the service provider:

1. Has adopted and reasonably implemented, and informs subscribers and account holders of the service provider's system or network of, a policy that provides for the termination in appropriate circumstances of subscribers and account holders of the service provider's system or network who are repeat infringers; and
2. Accommodates and does not interfere with standard technical measures. The term "standard technical measures" means technical measures that are used by copyright owners to identify or protect copyrighted works and:
 - a. Have been developed pursuant to a broad consensus of copyright owners and service providers in an open, fair, voluntary, multi-industry standards process;
 - b. Are available to any person on reasonable and nondiscriminatory terms; and
 - c. Do not impose substantial costs on service providers or substantial burdens on their systems or networks.

Such application may be made at any time within one year before the end of each successive ten-year period for which the registration was issued or renewed, or it may be made within a grace period of six months after the end of each successive ten-year period, upon payment of a fee and surcharge prescribed therefor. *15 U.S.C. 1059(a)*

Disparate

**Bankruptcy
Discrimination**

Definition of
Disability

“Disability” means:

1. An actual disability: a physical or mental impairment [see definition, below] that substantially limits one or more of an individual’s major life activities;
2. A record of having such an impairment; or
3. Being regarded as having such an impairment.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

*“Regarded as”
Having an
Impairment*

An individual meets the requirement of being “regarded as” having an impairment if the individual establishes that he or she has been subjected to an action prohibited by the ADA because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

Transitory and
Minor

The “regarded as” prong of the definition does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of six months or less. The “transitory” exception does not apply to the “actual disability” or “record of disability” prongs of the definition.

*Mitigating
Measures*

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

42 U.S.C. 12102(1), (3), (4); 29 C.F.R. 1630.2(g), (j)(1); Labor Code 21.002, .0021

Other Definitions

*Physical or
Mental
Impairment*

“Physical or mental impairment” means:

1. Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more body systems, such as neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine; or

2. Any mental or psychological disorder, such as an intellectual disability (formerly termed “mental retardation”), organic brain syndrome, emotional or mental illness, and specific learning disabilities.

29 C.F.R. 1630.2(h)

*Major Life
Activities*

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others, and working.

“Major life activities” also include the operation of major bodily functions, including functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within the body system.

42 U.S.C. 12102(2); 29 C.F.R. 1630.2(i); Labor Code 21.002

*Qualified
Individual*

“Qualified individual” means an individual who:

1. Satisfies the requisite skill, experience, education, and other job-related requirements of the employment position such individual holds or desires; and
2. With or without reasonable accommodation, can perform the essential functions of such position. Consideration shall be given to a district’s judgment as to what functions of a job are essential. A written job description prepared before advertising or interviewing applicants for the job is evidence of the job’s essential functions.

42 U.S.C. 12111(8); 29 C.F.R. 1630.2(m)

Reasonable
Accommodations

A district is required, absent undue hardship, to make a reasonable accommodation to an otherwise qualified individual who meets the definition of disability under the “actual disability” or “record of disability” prongs. A district is not required to provide a reasonable accommodation to an individual who meets the definition of disability solely under the “regarded as” prong. *42 U.S.C. 12112(b)(5); 29 C.F.R. 1630.2(o)(4), .9; 29 U.S.C. 794; 34 C.F.R. 104.11; Labor Code 21.128* [See DBB regarding medical examinations and inquiries under the Americans with Disabilities Act]

“Reasonable accommodation” includes:

A district shall not exclude or deny equal jobs or benefits to, or otherwise discriminate against, a qualified individual because of the known disability of an individual with whom the qualified individual is known to have a family, business, social, or other relationship or association. *42 U.S.C. 12112(b)(4); 29 C.F.R. 1630.8; 34 C.F.R. 104.11*

Illegal Drugs and
Alcohol

The term “qualified individual with a disability” does not include any employee or applicant who is currently engaging in the illegal use of drugs, when a district acts on the basis of such use.

Drug Testing

A district is not prohibited from conducting drug testing of employees and applicants for the illegal use of drugs or making employment decisions based on the results of such tests.

An applicant who answers affirmatively concerning an inappropriate relationship with a minor must disclose in the affidavit all relevant facts pertaining to the charge, adjudication, or conviction, including, for a charge, whether the charge was determined to be true or false.

An applicant is not precluded from being employed based on a disclosed charge if the district determines based on the information disclosed in the affidavit that the charge was false.

A determination that an employee failed to disclose required information is grounds for termination of employment.

SBEC may revoke the certificate of an administrator if the board determines it is reasonable to believe that the administrator employed an applicant for a position described by Education Code 21.003(a) or (b) despite being aware that the applicant had been adjudicated for or convicted of having an inappropriate relationship with a minor.

New Hires
I-9 Forms

A district shall ensure that an employee properly completes section 1—"Employee Information and Verification"—on Form I-9 at the time of hire.

A district must verify employment eligibility, pursuant to the Immigration Reform and Control Act, and complete Form I-9 by the following dates:

1. Within three business days of initial hiring. If a district hires an individual for employment for a duration of less than three business days, the district must verify employment at the time of hire. A district shall not be deemed to have hired an individual if the individual is continuing in his or her employment and has a reasonable expectation of employment at all times. When a district rehires an individual, the district may, in lieu of

completing a new I-9, inspect a previously completed I-9 executed within three years of the date of rehire, to determine whether the individual is still eligible to work.

2. For an individual whose employment authorization expires, not later than the date of expiration.

8 C.F.R. 274a.2(b)(1)(ii), (iii), (vii), (viii)

New Hire Reporting

A district shall furnish to the Directory of New Hires (Texas Attorney General's Office) a report that contains the name, address, and social security number of each newly hired employee. The report shall also contain a district's name, address, and employer identification number.

A district may also provide, at its option, the employee's date of hire, date of birth, expected salary or wages, and the district's payroll address for mailing of notice to withhold child support.

A district shall report new hire information on a Form W-4 or an equivalent form, by first class mail, telephonically, electronically, or by magnetic media, as determined by the district and in a format acceptable to the attorney general.

Deadline

New hire reports are due:

1. Not later than 20 calendar days after the date a district hires the employee; or
2. In the case of a district transmitting reports magnetically or electronically, by two monthly transmissions (if necessary) not less than 12 days nor more than 16 days apart.

New hire reports shall be considered timely if postmarked by the due date or, if filed electronically, upon receipt by the agency.

Penalties

A district that knowingly violates the new hire provisions may be liable for a civil penalty, as set forth at Family Code 234.105.

A district shall not deny to any individual any right, benefit, or privilege provided by law because of the individual's refusal to disclose his or her social security number.

Exceptions

The federal law does not apply to:

1. Any disclosure that is required by federal statute. The United States Internal Revenue Code provides that the social security number issued to an individual for purposes of federal income tax laws shall be used as the identifying number for taxpayers;
2. Any disclosure to a district maintaining a system of records in existence and operating before January 1, 1975, if such disclosure was required under statute or regulation adopted before such date to verify the identity of an individual; or
3. Any use for the purposes of establishing the identity of individuals affected by any tax, general public assistance, driver's license, or motor vehicle registration law within a district's jurisdiction.

2. The school employee has been charged with and acquitted or otherwise exonerated of the alleged misconduct; or
3. The case or investigation remains open and there have been no charges filed against, or indictment of, the school employee within four years of the date on which the information was reported to a law enforcement agency.

Solicitation of Sexual Conduct

“Solicitation of sexual conduct” means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an employee of a relationship with a student that is sexual in nature. Solicitation of sexual conduct is often characterized by a strong emotional or sexual attachment and/or by patterns of exclusivity but does not include appropriate relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an employee of sexual conduct with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the employee's job duties and evidence a sexual intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the intent of such communications or behavior, include, without limitation:
 - a. The nature of the communications;
 - b. The timing of the communications;
 - c. The extent of the communications;
 - d. Whether the communications were made openly or secretly;
 - e. The extent that the employee attempts to conceal the communications;
 - f. If the employee claims to be counseling a student, the commissioner of education may consider whether the employee's job duties included counseling, whether the employee reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the employee reported the abuse or neglect to the appropriate authorities; and
 - g. Any other evidence tending to show the context of the communications between employee and student;
2. Making inappropriate comments about a student's body, creating or transmitting sexually suggestive photographs or images, or encouraging the student to transmit sexually suggestive photographs or images;
3. Making sexually demeaning comments to a student;
4. Making comments about a student's potential sexual performance;

5. Requesting details of a student's sexual history;
6. Requesting a date, sexual contact, or any activity intended for the sexual gratification of the employee;
7. Engaging in conversations regarding the sexual problems, preferences, or fantasies of either party;
8. Inappropriate hugging, kissing, or excessive touching;
9. Providing the student with drugs or alcohol;
10. Violating written directives from school administrators regarding the employee's behavior toward a student;
11. Suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage; and
12. Any other acts tending to show that the employee solicited sexual conduct with a student.

Searches—General Rule

Citizens, including district employees, have a right to be free from unreasonable searches and seizures. *U.S. Const. Amendment IV; Tex. Const. Art. I, Sec. 9*

A district may search an employee or an employee's property if:

1. There are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct; and
2. The search is reasonably related in scope to the circumstances that justified the interference in the first place.

O'Connor v. Ortega, 480 U.S. 709 (1987); *New Jersey v. T.L.O.*, 469 U.S. 325 (1985)

In addition, a district may search an employee's workplace for non-investigatory, work-related purposes, if there are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct. *O'Connor v. Ortega*, 480 U.S. 709 (1987)

Drug/Alcohol Testing

Blood, urine, and breath tests of public employees to determine drug use are searches under the Fourth Amendment of the U.S. Constitution. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989)

Random Drug Testing

A district may conduct drug tests, without a warrant and without individualized suspicion, when the test serves special governmental needs that outweigh the individual's privacy expectation. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989); *Nat'l Treasury Employees Union v. Von Raab*, 489 U.S. 656 (1989)

Safety-Sensitive Positions

Random alcohol and drug testing of employees in "safety-sensitive" positions may be permissible when the intrusiveness of the search is minimal and a board is able to demonstrate that the drug-testing program furthers its interest in ensuring the physical safety of students. "Safety-sensitive" positions include those that involve the handling of potentially dangerous equipment or hazardous substances in an environment including a large number of children. *Aubrey v. Sch. Bd. of LaFayette Parish*, 148 F.3d 559 (5th Cir. 1998)

Education and
Treatment

A district is not required to provide an evaluation by a substance abuse professional or any subsequent recommended education or treatment for an employee who has violated a drug and alcohol regulation of the DOT.

However, if a district offers an employee an opportunity to return to a safety-sensitive duty following a violation, the district must, before the employee again performs that duty, ensure that the employee receives an evaluation by a substance abuse professional and that the employee successfully complies with the professional's evaluation recommendations.

49 C.F.R. 40.289

Return-to-Duty
Testing

If a district permits an employee who has violated a DOT drug and alcohol regulation to return to safety-sensitive functions, the district must ensure that the employee takes a return-to-duty test. This test cannot occur until after the substance abuse professional has determined that the employee has successfully complied with prescribed education and/or treatment. The employee must have a negative drug test result and/or an alcohol test with an alcohol concentration of less than 0.02 before resuming performance of safety-sensitive duties.

A district is not required to return an employee to safety-sensitive duties because the employee has met the conditions described in the preceding paragraph. Return-to-duty is a personnel decision that the district has the discretion to make subject to legal requirements.

49 C.F.R. 40.305(a)-(b)

Educational
Materials

A district shall provide educational materials that explain the federal requirements and the district's policies and procedures with respect to meeting the requirements. The district shall ensure that a copy of these materials is distributed to each driver before the start of alcohol and controlled substances testing under 49 C.F.R. Part 382 and to each driver subsequently hired or transferred into a position that requires driving a commercial motor vehicle. Written notice to representatives of employee organizations of the availability of this information shall also be provided. The materials shall include detailed discussion of at least the items listed at 49 C.F.R. 382.601. *49 C.F.R. 382.601*

**Criminal Offense—
Official Oppression**

A public servant acting under color of the public servant's office or employment commits an offense if the public servant intentionally subjects another to sexual harassment.

A public servant acts under color of the public servant's office or employment if the person acts or purports to act in an official capacity or takes advantage of such actual or purported capacity.

"Sexual harassment" means unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature, submission to which is made a term or condition of a person's exercise or enjoyment of any right, privilege, power, or immunity, either explicitly or implicitly.

Penal Code 39.03(a)(3), (b), (c)

**Harassment of
Employees
Prohibited**

Harassment on the basis of a protected characteristic is a violation of the federal anti-discrimination laws. A district has an affirmative duty, under Title VII, to maintain a working environment free of harassment on the basis of sex, race, color, religion, and national origin. *42 U.S.C. 2000e, et seq.; 29 C.F.R. 1606.8(a), 1604.11*

Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment. *Pennsylvania State Police v. Suders, 542 U.S. 129 (2004)*

Title VII does not prohibit all verbal and physical harassment in the workplace. For example, harassment between men and women is not automatically unlawful sexual harassment merely because the words used have sexual content or connotations. *Oncale v. Sun-downer Offshore Services, Inc., 523 U.S. 75 (1998)*

Firing an employee on the basis of homosexuality or transgender status violates Title VII's prohibition against sex discrimination in employment. *Bostock v. Clayton County, Georgia, 17-1618, 2020 WL 3146686, (U.S. June 15, 2020)*

Hostile Environment

Verbal or physical conduct based on a person's sex, race, color, religion, or national origin constitutes unlawful harassment when the conduct:

1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment;
2. Has the purpose or effect of unreasonably interfering with an individual's work performance; or
3. Otherwise adversely affects an individual's employment opportunities.

Pennsylvania State Police v. Suders, 542 U.S. 129 (2004); *Nat'l Railroad Passenger Corp. v. Morgan*, 536 U.S. 101 (2002); *Meritor Savings Bank v. Vinson*, 477 U.S. 57 (1986); 29 C.F.R. 1604.11, 1606.8

Quid Pro Quo

Conduct of a sexual nature also constitutes harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting the individual.

29 C.F.R. 1604.11(a)

Same-Sex Sexual Harassment

Same-sex sexual harassment constitutes sexual harassment. *Oncale v. Sundowner Offshore Services, Inc.*, 523 U.S. 75 (1998)

Harassment Policy

A district should take all steps necessary to prevent sexual harassment from occurring, such as affirmatively raising the subject, expressing strong disapproval, developing appropriate penalties, informing employees of their right to raise and how to raise the issue of harassment under Title VII, and developing methods to sensitize all concerned. 29 C.F.R. 1604.11(f)

Corrective Action

A district is responsible for acts of unlawful harassment by fellow employees and by nonemployees if the district, its agents, or its supervisory employees knew or should have known of the conduct, unless the district takes immediate and appropriate corrective action. 29 C.F.R. 1604.11(d), (e), 1606.8(d), (e)

When no tangible employment action is taken, a district may raise the following affirmative defense:

1. That the district exercised reasonable care to prevent and promptly correct any harassing behavior; and
2. That the employee unreasonably failed to take advantage of any preventive or corrective opportunities provided by the employer or to avoid harm otherwise.

Burlington Industries, Inc. v. Ellerth, 524 U.S. 742 (1998); *Faragher v. City of Boca Raton*, 524 U.S. 775 (1998)

**Harassment of
Unpaid Interns**

A district commits an unlawful employment practice if sexual harassment of an unpaid intern occurs and the district or its agents or supervisors know or should have known that the conduct constituting sexual harassment was occurring, and fail to take immediate and appropriate corrective action. *Labor Code 21.1065*

Note: This policy addresses discrimination, harassment, and retaliation against District employees. For Title IX and other provisions regarding discrimination, harassment, and retaliation against students, see FFH. For reporting requirements related to child abuse and neglect, see FFG.

Definitions

Solely for purposes of this policy, the term “employee” includes former employees, applicants for employment, and unpaid interns.

**Statement of
Nondiscrimination**

The District prohibits discrimination, including harassment, against any employee on the basis of race, color, religion, sex, national origin, age, disability, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Discrimination

Discrimination against an employee is defined as conduct directed at an employee on the basis of race, color, religion, sex, national origin, age, disability, or any other basis prohibited by law, that adversely affects the employee’s employment.

In accordance with law, discrimination on the basis of sex includes discrimination on the basis of biological sex, gender identity, sexual orientation, gender stereotypes, or any other prohibited basis related to sex.

Prohibited Conduct

In this policy, the term “prohibited conduct” includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Prohibited conduct also includes sexual harassment as defined by Title IX. [See FFH(LEGAL)]

**Prohibited
Harassment**

Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on an employee’s race, color, religion, sex, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee’s work performance;
2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee’s performance, environment, or employment opportunities.

Examples

Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or

practices, accent, skin color, gender identity, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; cyberharassment; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Sex-Based Harassment

As required by law, the District shall follow the procedures below at Response to Sexual Harassment—Title IX upon a report of sex-based harassment, including sexual harassment, when such allegations, if proved, would meet the definition of sexual harassment under Title IX. [See FFH(LEGAL)]

Sexual Harassment

Sexual harassment is a form of sex discrimination defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

Examples

Examples of sexual harassment may include sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, contact, or communication, including electronic communication.

Reporting Procedures

Any employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor or campus principal.

Alternatively, the employee may report the alleged acts to one of the District officials below.

General Response	<p>When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:</p>

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and administrative procedures.

Title IX Formal
Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. Program Placement A district may contract with an off-campus program provider to provide some or all of the special education and related services to a student in accordance with the requirements in 19 Administrative Code 89.1094.

Before the district places a student with a disability in, or refers a student to, an off-campus program, the district shall initiate and conduct:

1. An onsite review to ensure that the off-campus program is appropriate for meeting the student's educational needs; and
2. A meeting of the student's ARD committee to develop an IEP for the student in accordance with 34 C.F.R. 300.320–.325, state statutes, and commissioner of education rules in 19 Administrative Code Chapter 89 (Commissioner's Rules Concerning Special Education Services).

The appropriateness of the off-campus program for each student placed shall be documented in the IEP annually. The student's ARD committee may only recommend an off-campus program placement for a student if the committee determines that the nature and severity of the student's disability and special education needs are such that the student cannot be satisfactorily educated in the district. The district must follow the requirements of 19 Administrative Code 89.1094(b)(3)(A)–(C), regarding the review of the placement of the off-campus program for each student.

The placement of more than one student in the same off-campus program facility may be considered in the same on-site visit to a facility. However, the IEP of each student must be individually reviewed, and a determination of appropriateness of placement and services must be made for each student.

19 TAC 89.1094(b)

Notification and
Review

Within 30 calendar days from an ARD committee's decision to place a student in an off-campus program, a district must electronically submit to TEA notice of, and information regarding, the placement in accordance with submission procedures specified by TEA.

If the off-campus program is on the commissioner's list of approved off-campus programs, TEA will review the student's IEP and placement as required by 34 C.F.R. 300.120, and, in the case of a placement in or referral to a private school or facility, 34 C.F.R. 300.146. After review, TEA will notify the district whether federal or state funds for the off-campus program placement are approved. If TEA does not approve the use of funds, it will notify the district of the basis for the non-approval.

If the off-campus program is not on the commissioner's list of approved off-campus programs, TEA will begin the approval procedures described below. Districts must ensure there is no delay in implementing a child's IEP in accordance with 34 C.F.R. 300.103(c).

If an off-campus program placement is ordered by a special education hearing officer or court of competent jurisdiction, the district must notify TEA of the order within 30 calendar days. The off-campus program serving the student is not required to go through the approval procedures described in 19 Administrative Code 89.1094 for the ordered placement. If, however, the district or other districts intend to place other students in the off-campus program, the off-campus program will be required to go through the approval procedures to be included on the commissioner's list of approved off-campus programs.

19 TAC 89.1094(c)

Approval

Off-campus programs must have their educational programs approved for contracting purposes by the commissioner in accordance with 19 Administrative Code 89.1094(d).

Funding Procedures

The cost of off-campus program placements will be funded according to Education Code 42.151 (Special Education) and 19 Administrative Code 89.63(e) (Instructional Arrangements and Settings).

Contracts

Contracts between districts and approved off-campus programs must not exceed a district's fiscal year and shall not begin prior to July 1 of the contracted fiscal year.

Amendments to a contract must be electronically submitted to TEA in accordance with submission procedures specified by TEA no later than 30 calendar days from the change in placement or services within the school district's fiscal year.

19 TAC 89.1094(e)(1)–(2)

Change of
Residence

If a student who is placed in an off-campus program by a district changes his or her residence to another Texas district during the school year, the district must notify TEA within ten calendar days of the date on which the district ceased contracting with the off-campus program for the student's placement. The student's new district must meet the requirements of 34 C.F.R. 300.323(e), by providing comparable services to those described in the student's IEP from the previous district until the new district either adopts the student's IEP from the previous district or develops, adopts, and implements a new IEP. The new district must comply with all procedures described in 19 Administrative Code 89.1094 for continued or new off-campus program placement. *19 TAC 89.1094(e)(3)*

15. The name, position, and signature of each member participating in the meeting; and
16. An indication of whether the child's parents, the adult student, if applicable, and the administrator agreed or disagreed with the decisions of the ARD committee.

20 U.S.C. 1414(d); 34 C.F.R. 300.320; Education Code 29.005(b-1), .011; 19 TAC 89.1055

The written statement of a student's IEP may be required to include only information included in the model form developed by TEA under Education Code 29.0051(a) and posted on the TEA website. A district may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

Behavioral
Intervention Plan

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan (BIP) is appropriate for a student for whom the committee has developed an IEP. If the committee makes that determination, the BIP shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student. *Education Code 29.005(g); 19 TAC 89.1055(g)*

Translation of IEP
into Native
Language

If the parent is unable to speak English and Spanish is the parent's native language, a district shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, a district shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language. *Education Code 29.005(d)*

A written copy of the student's IEP translated into Spanish or the parent's native language means that all of the text in the student's IEP in English is accurately translated into the target language in written form. The IEP translated into the target language must be a comparable rendition of the IEP in English and not a partial translation or summary of the IEP in English.

An audio recording of the student's IEP translated into Spanish or the parent's native language means that all of the content in the student's IEP in English is orally translated into the target language and recorded with an audio device. A district is not prohibited from providing the parent with an audio recording of an ARD committee meeting at which the parent was assisted by an interpreter as long as the audio recording provided to the parent contains an oral translation into the target language of all of the content in the student's IEP in English.

If a parent's native language is not a written language, the district must take steps to ensure that the student's IEP is translated orally or by other means to the parent in his or her native language or other mode of communication.

Under 34 C.F.R. 300.322(f), a district must give a parent a written copy of the student's IEP at no cost to the parent. A school district meets this requirement by providing a parent with a written copy of the student's IEP in English or by providing a parent with a written translation of the student's IEP in the parent's native language as provided above.

19 TAC 89.1050(i)

Autism/Pervasive
Developmental
Disorder

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

1. Extended educational programming;
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and postsecondary environments;
6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders (ASD);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the student's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence;
8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1–11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made.

19 TAC 89.1055(e)–(f)

*Visual
Impairment*

If a district provides special education services to students with visual impairments, it shall have written procedures as required in Education Code 30.002(c)(10) (staff access to resources). *19 TAC 89.1075(b)*

Collaborative
Process

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions of the ARD committee concerning the required elements of the IEP shall be made by mutual agreement, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

Ten-Day Recess

When mutual agreement about all required elements of the IEP is not achieved, the parent who disagrees must be offered a single opportunity to recess and reconvene the ARD committee meeting. The period of time for reconvening the ARD committee meeting must not exceed ten school days, unless the parties mutually agree otherwise. The ARD committee must schedule the reconvened meeting at a mutually agreed upon time and place. The opportunity to recess and reconvene is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the ARD committee from recessing an ARD committee meeting for reasons other than the failure to reach mutual agreement about all required elements of an IEP.

During the recess, the ARD committee members must consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons who may assist in enabling the ARD committee to reach mutual agreement.

*Failure to Reach
Agreement*

If a recess is implemented and the ARD committee still cannot reach mutual agreement, a district shall implement the IEP it has determined to be appropriate for the student. Each member of the ARD committee who disagrees with the IEP developed by the ARD committee is entitled to include a statement of disagreement in the IEP.

If the IEP is not developed by agreement, the written statement of the program must include the basis of the disagreement. Each

member of the ARD committee who disagrees with the IEP developed by the committee is entitled to include a statement of disagreement in the written statement of the program.

Education Code 29.005(c); 19 TAC 89.1050(g)

**Modification of
Existing IEP**

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and district may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, a district shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

20 U.S.C. 1414(d)(3)(D)-(F); 34 C.F.R. 300.324(a)(4)-(6)

**Teacher Access to
IEP**

Each district must ensure that each teacher who provides instruction to a student with a disability has access to relevant sections of the student's current IEP, is informed of the teacher's specific responsibilities related to implementation of the IEP, and has an opportunity to request assistance regarding implementation of the student's IEP. *19 TAC 89.1075(c)*

**Teacher Request to
Review IEP**

Each district shall develop a process to be used by a teacher who instructs a student with a disability in a regular classroom setting:

1. To request a review of the student's IEP;
2. To provide input in the development of the student's IEP;
3. That provides for a timely district response to the teacher's request; and
4. That provides for notification to the student's parent or legal guardian of that response.

Responsibility**

Each district shall:

1. Identify English learners based on criteria established by the state;
2. Provide bilingual education and ESL programs as integral parts of the general program;

3. Seek appropriately certified teaching personnel to ensure that English learners are afforded full opportunity to master the essential knowledge and skills; and

19 TAC 89.1201(a)

Identification of LEP Students

Within the first four weeks of the first day of school, the language proficiency assessment committee (LPAC) shall determine and report to the board the number of LEP students on each campus and shall classify each student according to the language in which the student possesses primary proficiency. A board shall report that information to TEA before November 1 each year. *Education Code 29.053(b)*

Language Proficiency Assessment Committees (LPAC)

Each district that is required to offer bilingual and special language programs shall, by local board policy, establish an LPAC. A district shall establish and operate a sufficient number of LPACs to enable them to discharge their duties within four weeks of the enrollment of English learners. A district shall have on file policy and procedures for the selection, appointment, and training of members of the LPAC.

Membership of LPAC

1. An appropriately certified bilingual educator (for students served through a bilingual education program);
2. An appropriately certified English as a second language (ESL) educator (for students served through an ESL program);
3. A parent of an English learner participating in a bilingual or ESL program; and
4. A campus administrator.

A district may add other trained members to the committee.

No parent serving on the LPAC shall be an employee of the school district.

All members of the LPAC, including parents, shall be acting for the district and shall observe all laws and rules governing confidentiality of information concerning individual students. A district shall be responsible for the orientation and training of all members, including the parents, of the LPAC.

Education Code 29.063(a), (b); 19 TAC 89.1220(a)–(f)

Home Language Survey	<p>A district shall administer only one home language survey to each new student enrolling for the first time in a Texas public school in any grade from prekindergarten through grade 12. The district shall require that the survey be signed by the student’s parent for each student in prekindergarten through grade 8, or by the student in grades 9 through 12.</p> <p>It is the district's responsibility to ensure that the student's parent understands the language used in the survey and its implications. The original copy of the survey shall be kept in the student’s permanent record.</p> <p>The home language survey shall be provided in English, Spanish, and Vietnamese. For students of other language groups, the home language survey shall be translated into the primary language whenever possible.</p> <p>The home language survey shall elicit one language answer to each of the following questions:</p> <ol style="list-style-type: none">1. “What language is used in the child’s home most of the time?”2. “What language does the child use most of the time?” <p>If the response on the home language survey indicates that a language other than English is used, the student shall be tested in accordance with 19 Administrative Code 89.1226 (Testing and Classification of Students).</p> <p><i>19 TAC 89.1215(a)–(c), .1226</i></p>

The student’s score or relative degree of achievement on the TEA-approved English proficiency test is below the levels established by TEA as indicative of reasonable proficiency;3. The student’s primary language proficiency score as measured by a TEA-approved test is greater than the student’s proficiency in English; or4. The LPAC determines, based on other information, including a teacher evaluation, parental viewpoint, or student interview,

that the student's primary language proficiency is greater than the student's proficiency in English or that the student is not reasonably proficient in English.

Education Code 29.056(c)

Parental Notice and
Consent

Within ten days of the LPAC's classification of a student as LEP, the LPAC shall give written notice to the student's parent. *Education Code 29.056(d)*

The district shall notify the parent in English and in the parent's primary language that their child has been classified as an English learner and recommended for placement in the required bilingual education or ESL program. The district shall comply with the parent notification requirements described by 19 Administrative Code 89.1240(a).

The entry or placement of a student in the bilingual education or ESL program must be approved in writing by the student's parent in order to have the student included in the bilingual education allotment. The parent's approval shall be considered valid for the student's continued participation in the required bilingual education or ESL program until the student meets the reclassification criteria described in 19 Administrative Code 89.1226(i) (Testing and Classification of Students), the student graduates from high school, or a change occurs in program placement.

19 TAC 89.1240(a); Education Code 29.056(a)

2. The parent provides approval through a phone conversation or email that is documented in writing and retained; or
3. An adult who the district recognizes as standing in parental relation to the student provides written approval. This may include a foster parent or employee of a state or local governmental agency with temporary possession or control of the student.

19 TAC 89.1220(j), (m)

Participation of
Non-LEP Students

With the approval of a district and a student's parents, a student who is not LEP may also participate in a bilingual education program. *Education Code 29.058*

The number of participating English proficient students shall not exceed 40 percent of the number of students enrolled in the program district-wide. *19 TAC 89.1233(c)*

Students with
Disabilities

Districts shall implement assessment procedures that differentiate between language proficiency and disabling conditions in accordance with 19 Administrative Code Chapter 89, Subchapter AA. The district shall establish placement procedures that ensure that placement in a bilingual education or ESL program is not refused solely because the student has a disability. LPAC members shall meet in conjunction with admission, review, and dismissal (ARD) committee members to review and provide recommendations about the education needs of each English learner who qualifies for services in the special education program. [See EHBAB] *19 TAC 89.1230*

**Bilingual and ESL

19 TAC 89.1210(c)

ESL Program Models

The ESL program shall be implemented through one of the following program models:

1. An ESL/content-based program model is an English acquisition program that serves students identified as English learners through English instruction by a teacher appropriately certified in ESL under Education Code 29.061(c), through English language arts and reading, mathematics, science, and social studies. The goal of content-based ESL is for English learners to attain full proficiency in English in order to participate equitably in school. This model targets English language development through academic content instruction that is linguistically and culturally responsive in English language arts and reading, mathematics, science, and social studies.
2. An ESL/pull-out program model is an English acquisition program that serves students identified as English learners through English instruction provided by an appropriately certified ESL teacher under Education Code 29.061(c), through English language arts and reading. This model targets English language development through academic content instruction that is linguistically and culturally responsive in English language arts and reading. Instruction shall be provided by the ESL teacher in a pull-out or inclusionary delivery model.

19 TAC 89.1210(d)

5. Be developmentally appropriate and based on current best practices identified in research.

19 TAC 89.1227

*Two-Way DLIP
Enrollment*

Student enrollment in a two-way DLIP is optional for English proficient students. The program shall fully disclose candidate selection criteria and ensure that access to the program is not based on race, creed, color, religious affiliation, age, or disability. A district must obtain written parental approval for English proficient students through a district-developed process.

A district implementing a two-way DLIP shall develop a policy on enrollment and continuation for students in the program. The policy must address:

1. Eligibility criteria;
2. Program purpose;
3. The district's commitment to providing equitable access to services for English learners.
4. Grade levels in which the program will be implemented;

2. For English proficient students, the appropriate assessment option for the administration of the state criterion-referenced test each year is determined through a district-developed process.

19 TAC 89.1228(e)

*School District
Recognition*

A district may recognize one or more of its schools that implement an exceptional DLIP if the school meets all of the following criteria:

1. The school must meet the minimum requirements stated in 19 Administrative Code 89.1227.
2. The school must receive an acceptable performance rating in the state accountability system.

The school must not be identified for any stage of intervention for the district's bilingual and/or ESL program under the performance-based monitoring system.

*Student
Recognition*

A student participating in a DLIP or any other state-approved bilingual or ESL program may be recognized by the program and the board by earning a performance acknowledgement in accordance with 19 Administrative Code 74.14. [See EIF]

19 TAC 89.1229

For students previously enrolled in a Texas public school, the receiving district shall secure the student records, including the home language survey and LPAC documentation as described in 19 Administrative Code 89.1220(l), as applicable. All attempts to contact the sending district to request records shall be documented. Multiple attempts to obtain the student's home language survey shall be made. *19 TAC 89.1215(d)*

Summer Program

If a district is required to offer a bilingual education or special language program, it shall offer a voluntary summer school program for LEP children who will be eligible for admission to kindergarten or first grade at the beginning of the next school year.

A school that operates on a semester system shall offer the program during the period school is recessed for the summer and for one-half day for eight weeks or on a similar schedule approved by the board. A school that operates on any other system shall offer 120 hours of instruction on a schedule established by the board.

1. Bilingual education for the component of the program provided in a language other than English; and
2. Bilingual education or English as a second language for the component of the program provided in English.

A district that provides a bilingual education program using a dual language immersion/one-way or two-way program model may assign a teacher certified for the language other than English component of the program and a different teacher certified for the English language component.

Education Code 29.061(b-1)–(b-2)

Teachers assigned to ESL programs must be appropriately certified for ESL. *Education Code 29.061(c)*

A district that is unable to hire a sufficient number of teachers with bilingual teaching or ESL certificates may request the activation of the appropriate permits in accordance with 19 Administrative Code Chapter 230. A district that is unable to provide the required bilingual education program because of an insufficient number of appropriately certified teachers shall request from the commissioner an exception to the bilingual education program and the approval of an alternative language program. English learners with parental approval for program services under a bilingual education exception will be included in the bilingual education allotment designated for an alternative language program. [See Exceptions and Waivers, above] *19 TAC 89.1207(a)–(b), .1245(a); Education Code 29.054*

Program Exit

A district may transfer a LEP student out of a bilingual education or special language program for the first time or a subsequent time if the student is able to participate equally in a regular all-English instructional program as determined by:

1. TEA-approved tests administered at the end of each school year to determine the extent to which the student has developed oral and written language proficiency and specific language skills in English;

2. Satisfactory performance on the reading assessment instrument under Education Code 39.023(a) or an English language arts assessment instrument under Education Code 39.023(c), as applicable, with the assessment instrument administered in English, or, if the student is enrolled in the first or second grade, an achievement score at or above the 40th percentile in the reading and language arts sections of an English standardized test approved by TEA; and
3. TEA-approved criterion-referenced tests and the results of a subjective teacher evaluation.

Education Code 29.056(g)

Notice to Parents

A district shall give written notification to the student's parent of a student's reclassification as English proficient and his or her exit from the bilingual or ESL program and acquire written approval. Students meeting reclassification requirements may continue in the bilingual education or ESL program with parental approval. *19 TAC 89.1240(b)*

The academic achievement record (transcript) shall serve as the academic record for each student and shall be maintained permanently by a district.

Any credit earned by a student must be recorded on the academic achievement record (transcript), regardless of when the credit was earned.

A student's performance on a state assessment, including an end-of-course assessment instrument required under Education Code 39.023(c) [see EKB], must be included in the student's academic achievement record (transcript).

Copies of the record shall be made available to students transferring to another district. A district shall respond promptly to all requests for student records from receiving districts. [See also FD, FDA, and FL]

High School Diploma A student may graduate and receive a diploma only if the student:

1. Successfully completes the curriculum requirements identified by the State Board of Education (SBOE) [see State Graduation Requirements, below], has performed satisfactorily on applicable state assessments [see EKB], and complies with the financial aid application requirements in Education Code 28.0256 [see below]; or
2. Successfully completes an individualized education program (IEP) developed under Education Code 29.005. [See EHBAB]

Education Code 28.025(c)

Note: Education Code 28.0256 applies beginning with students enrolled at the 12th grade level during the 2021–22 school year.

FAFSA Required

Before graduating from high school, each student must complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA).

A student is not required to comply with the above provision if:

1. The student's parent or other person standing in parental relation submits a signed form indicating that the parent or other person authorizes the student to decline to complete and submit the financial aid application;
2. The student signs and submits the form described above on the student's own behalf if the student is 18 years of age or older or the student's disabilities of minority have been removed for general purposes under Family Code Chapter 31; or
3. A school counselor authorizes the student to decline to complete and submit the financial aid application for good cause, as determined by the school counselor.

A district shall adopt a form to be used for purposes of this provision. The form must be approved by the Texas Education Agency (TEA) and made available in English, Spanish, and any other language spoken by a majority of the students enrolled in a bilingual education or special language program under Education Code Subchapter B, Chapter 29, in the district.

If a school counselor notifies a district whether a student has complied with this section for purposes of determining whether the student meets high school graduation requirements under Education Code 28.025, the school counselor may only indicate whether the

student has complied with this section and may not indicate the manner in which the student complied.

Education Code 28.0256

Note: Education Code 28.0258 and 19 Administrative Code 74.1025 related to individual graduation committees expire September 1, 2023.

Individual
Graduation
Committee

Without complying with the requirements above, a student may receive a diploma if the person is eligible for a diploma as determined by an individual graduation committee (IGC) established under Education Code 28.0258. *Education Code 28.025(c-6)*

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. A student's admission, review, and dismissal (ARD) committee determines whether a student is required to achieve satisfactory performance on an end-of-course (EOC) assessment to graduate. *19 TAC 74.1025(n)* [See EHBAB]

For each 11th or 12th grade student who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses, the district shall establish an IGC at the end of or after the student's 11th grade year to determine whether the student may qualify to graduate. A student may not qualify to graduate as a result of an IGC decision before the student's 12th grade year.

The IGC shall be composed of:

1. The principal or principal's designee;
2. For each EOC assessment instrument on which the student failed to perform satisfactorily, the teacher of the course;
3. The department chair or lead teacher supervising the teacher(s) above; and
4. As applicable:
 - a. The student's parent or person standing in parental relation to the student;
 - b. A designated advocate if the parent is unable to serve; or
 - c. The student, at the student's option, if the student is at least 18 years of age or is an emancipated minor.

The superintendent shall establish procedures for convening the committee.

The district shall provide an appropriate translator, if available, for a parent, advocate, or student who is unable to speak English.

Education Code 28.0258(a)–(c), (c-2); 19 TAC 74.1025(b)

A district may not establish an initial IGC for eligible students after June 10 or before the start of the next school year. Once the IGC has been established, it is the original IGC for that student.

If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

In the event that the student's parent or person standing in parental relation to the student is unavailable to participate in the IGC, the principal shall designate an advocate with knowledge of the student to serve as an alternate member of the committee.

19 TAC 74.1025(c), (e), (g)–(i)

Notice

A district shall ensure a good faith effort is made to timely notify the appropriate person described under item 4 above of the time and place for convening the IGC and the purpose of the committee. The notice must be provided in person or by regular mail or email; clear and easy to understand; and written in English, in Spanish, or, to the extent practicable, in the native language of the appropriate person. *Education Code 28.0258(d)*

*Curriculum
Requirements*

To be eligible to graduate and receive a high school diploma from the IGC, a student must successfully complete the curriculum requirements required for high school graduation. [See State Graduation Requirements, below] *Education Code 28.0258(e)*

*Additional
Requirements to
Graduate*

A student's IGC shall recommend additional requirements by which the student may qualify to graduate, including additional remediation; and for each EOC assessment instrument on which the student failed to perform satisfactorily:

1. The completion of a project related to the subject area of the course that demonstrates proficiency in the subject area; or
2. The preparation of a portfolio of work samples in the subject area of the course, including work samples from the course that demonstrate proficiency in the subject area.

A student may submit to the IGC coursework previously completed to satisfy a recommended additional requirement.

Education Code 28.0258(f), (g)

In determining whether a student is qualified to graduate, the committee shall consider the criteria at Education Code 28.0258(h) and any other academic information designated for consideration by the board. After considering the criteria, the committee may determine that the student is qualified to graduate. A student may graduate and receive a high school diploma on the basis of the committee's decision only if the student successfully completes all additional requirements recommended by the committee, the student meets applicable curriculum requirements, and the committee's vote is unanimous. The decision of a committee is final and may not be appealed. *Education Code 28.0258(i)*

*English
Language
Learners*

For provisions related to an IGC and English language learners (ELL), see EKB(LEGAL).

In accordance with Education Code 28.02541, a district may award a high school diploma to an individual who:

1. Entered grade 9 before the 2011–12 school year;
2. Successfully completed the curriculum requirements for high school graduation applicable when the individual entered grade 9;
3. Has not performed satisfactorily on the exit-level assessment instrument or part of an assessment instrument required for high school graduation, including an alternative assessment instrument offered under Education Code 39.025(c-2);
4. Has been administered at least three times the required subject-area test(s) for which the individual has not performed satisfactorily on the exit-level assessment instrument applicable to the individual when the individual entered grade 9; and

5. Meets the alternative requirements for graduation in accordance with 19 Administrative Code 74.1027(c) or the local alternative requirements approved by the board in accordance with 19 Administrative Code 74.1027(d).

19 TAC 74.1027(a); Education Code 28.02541

<i>District Determination</i>	The district in which the individual is enrolled or was last enrolled shall determine whether the individual may qualify to graduate and receive a high school diploma on the basis of the alternative requirements for graduation. <i>19 TAC 74.1027(b)</i>
<i>Alternative Requirements</i>	The alternative requirements for graduation are listed at 19 Administrative Code 74.1027(c).
<i>Local Alternative Requirements</i>	With approval by the board, a district may develop recommendations for local alternative requirements if the requirements would allow an individual to demonstrate proficiency in the content related to an examination for which the individual has not performed satisfactorily. <i>19 TAC 74.1027(d)</i>
<i>Appeals</i>	A decision regarding whether the individual qualifies to graduate and receive a high school diploma is final and may not be appealed. <i>19 TAC 74.1027(e); Education Code 28.02541</i>

Special Education	A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation. <i>19 TAC 101.3023(a)</i> [See Graduation of Students Receiving Special Education Services, below, and EKB]
Posthumous Diploma	Beginning with students who would have graduated at the end of the 2019–20 school year, and on request of the student's parent, a district shall issue a high school diploma posthumously to each student who died while enrolled in the district at the end of the school year in which the student was expected to graduate under the regular schedule of school attendance. The high school diploma may not be issued before the graduation date of the class in which the student was enrolled at the time of death.
<i>Exception</i>	A district is not required to issue a posthumous diploma if the student was convicted of a felony offense under Title 5 or 6, Penal

Code, or adjudicated as having engaged in conduct constituting a felony offense under Title 5 or 6, Penal Code.

Education Code 28.0254

Diplomas for
Veterans

Notwithstanding any other provision of this policy, a district may issue a high school diploma to a person who is an honorably discharged member of the armed forces of the United States; was scheduled to graduate from high school after 1940 and before 1975 or after 1989; and left school after completing the sixth or a higher grade, before graduating from high school, to serve in:

1. World War II, the Korean War, the Vietnam War, the Persian Gulf War, the Iraq War, or the war in Afghanistan; or

Junior High or
Middle School PGP

A principal of a junior high or middle school shall designate a school counselor, teacher, or other appropriate individual to develop and administer a personal graduation plan (PGP) for each student enrolled in the junior high or middle school who:

1. Does not perform satisfactorily on a state assessment instrument; or
2. Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level 9, as determined by a district.

A PGP must:

1. Identify educational goals for the student;
2. Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. Include an intensive instruction program described in Education Code 28.0213 [see EHBC];
4. Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and

5. Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

Education Code 28.0212

*Students
Receiving
Special
Education
Services*

For a student receiving special education services, the student's ARD committee and the district are responsible for developing the student's PGP.

A student's IEP developed under Education Code 29.005 may be used as the student's PGP.

Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and
2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the

language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

Education Code 28.02121

Early Graduation

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

State Graduation Requirements

Note: For current state graduation requirements, including those for students who entered grade 9 before the 2007–08 school year but that are not otherwise referenced in this policy, see Education Code 28.025 and 19 Administrative Code Chapter 74.

2. Testing requirements for graduation under 19 Administrative Code Chapter 101 [see EKB]; and
3. Demonstrated proficiency, as determined by the district, in delivering clear verbal messages; choosing effective nonverbal behaviors; listening for desired results; applying valid critical-thinking and problem-solving processes; and identifying, analyzing, developing, and evaluating communication skills needed for professional and social success in interpersonal situations, group interactions, and personal and professional presentations.

A student shall enroll in the courses necessary to complete the curriculum requirements for the foundation high school program and the curriculum requirements for at least one endorsement.

Education Code 28.025(c); 19 TAC 74.11(a), (c)

Endorsements

A student shall specify in writing an endorsement the student intends to earn upon entering grade 9. A student may earn any of the following endorsements:

1. Science, technology, engineering, and mathematics (STEM);
2. Business and industry;
3. Public services;

A district must make at least one endorsement available to students. A district that offers only one endorsement curriculum must offer multidisciplinary studies.

To earn an endorsement a student must demonstrate proficiency in the curriculum requirements for the foundation high school program and, in accordance with 19 Administrative Code 74.13(e), earn:

1. A fourth credit in mathematics;

3. Two additional elective credits.

A course completed as part of the four courses needed to satisfy an endorsement requirement may also satisfy a requirement under

the foundation high school program, including an elective requirement. The same course may count as part of the set of four courses for more than one endorsement.

A district shall permit a student to enroll in courses under more than one endorsement before the student's junior year and to choose, at any time, to earn an endorsement other than the endorsement the student previously indicated.

A student must earn at least 26 credits to earn an endorsement, but a student is not entitled to remain enrolled to earn more than 26 credits.

A district may define advanced courses and determine a coherent sequence of courses for an endorsement area, provided that prerequisites in 19 Administrative Code Chapters 110–118, 126, 127, and 130 are followed.

Education Code 28.025; 19 TAC 74.13

Exception

A student may graduate under the foundation high school program without earning an endorsement if, after the student's sophomore year:

1. The student and the student's parent or person standing in parental relation to the student are advised by a school counselor of the specific benefits of graduating from high school with one or more endorsements; and
2. The student's parent or person standing in parental relation to the student files with a school counselor written permission, on a form adopted by TEA, allowing the student to graduate under the foundation high school program without earning an endorsement.

19 TAC 74.11(d)

*Distinguished
Level of
Achievement*

A student may earn a distinguished level of achievement by successfully completing the curriculum requirements for the foundation high school program and the curriculum requirements for at least one endorsement, including four credits in science and four credits in mathematics, including Algebra II. *19 TAC 74.11(e)*

*Algebra II
Notification*

Not later than September 1 of each school year, a district shall notify by regular mail or email the parent of or other person standing in parental relation to each student enrolled in grade 9 or above that the student is not required to complete an Algebra II course to graduate under the foundation high school program. The notification must include information regarding the potential consequences

to a student of not completing an Algebra II course, including the impact on eligibility for:

1. Automatic college admission under Education Code 51.803; and
2. Certain financial aid authorized under Title 3 of the Education Code.

Education Code 28.02123

Prerequisites

A student may not be enrolled in a course that has a required prerequisite unless:

1. The student has completed the prerequisite course(s);
2. The student has demonstrated equivalent knowledge as determined by the district; or
3. The student was already enrolled in the course in an out-of-state, an out-of-country, or a Texas nonpublic school and transferred to a Texas public school prior to successfully completing the course.

A district may award credit for a course a student completed without having met the prerequisites if the student completed the course in an out-of-state, an out-of-country, or a Texas nonpublic school where there was not a prerequisite.

19 TAC 74.11(i)–(j)

Dual Credit Courses

Courses offered for dual credit at or in conjunction with an institution of higher education (IHE) that provide advanced academic instruction beyond, or in greater depth than, the essential knowledge and skills for the equivalent high school course required for graduation may satisfy graduation requirements, including requirements for required courses, advanced courses, and courses for elective credit as well as requirements for endorsements. *19 TAC 74.11(h)*

In accordance with local district policy, the required physical education credit may be earned through completion of any TEKS-based course that is not being used to satisfy another specific graduation requirement. [See Restrictions, below]

In accordance with local district policy, credit for any physical education course may be earned through participation in the following activities:

1. Athletics;
2. JROTC; and
3. Appropriate private or commercially sponsored physical activity programs conducted on or off campus. A district must apply to the commissioner of education for approval of such programs, which may be substituted for state graduation credit in physical education.  - a. Olympic-level participation and/or competition includes a minimum of 15 hours per week of highly intensive, professional, supervised training. The training facility, instructors, and the activities involved in the program must be certified by the superintendent to be of exceptional quality. Students qualifying and participating at this level may be dismissed from school one hour per day. Students dismissed may not miss any class other than physical education.

A credit allowed to be substituted may not also be used by the student to satisfy a graduation requirement other than completion of the physical education credit. The determination regarding a student's ability to participate in physical activity must be made by:

1. The student's ARD committee if the student receives special education services under Education Code Chapter 29, Subchapter A;
2. The committee established for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794) if the student does not receive special education services under Education Code Chapter 29, Subchapter A but is covered by the Rehabilitation Act of 1973; or
3. A committee, established by the district, of persons with appropriate knowledge regarding the student if each of the committees described above is inapplicable. This committee must follow the same procedures required of an ARD or a Section 504 committee.

The student must also successfully complete the student's IEP and meet one of the following conditions:

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

State Assessment of Academic Skills

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3–8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Limited English Proficient Students

In grades 3–12, a limited English proficient (LEP) student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)–(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

*Substitute
Passing Standard*

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

*Alternate Test
Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate

test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

Notice to Parents and Students

A superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of:

1. The testing requirements for grade advancement [see EIE] and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's kindergarten year, for students attending kindergarten in the district, and no later than the beginning of the student's first-grade year for all other students. The superintendent shall also provide such notice for students in grades 1–8 who are new to the district.
2. The testing requirements for graduation and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The superintendent shall also provide such notice for students in grades 7–12 who are new to the district. Notice of the dates, times, and locations of testing shall be

provided to each student who will take the tests and to out-of-school individuals.

19 TAC 101.3012

**Testing in
Grades 3–8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (LEP students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Writing, including spelling and grammar, in grades 4 and 7;
4. Social studies in grade 8;
5. Science in grades 5 and 8; and
6. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

Except as required for purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is receiving instruction in the entire curriculum for that subject.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument above the student's grade level.

Education Code 28.0211(p), 39.023(a-2); 19 TAC 101.3011

Kindergarten
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the

Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten
Assessment

Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.0237*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

19 TAC 101.3013; Education Code 39.023(a)–(c), (n); 34 C.F.R. 300.320(a)(6)

**End-of-Course
Assessments**

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history. The Algebra I EOC assessment instrument must be administered with the aid of technology, but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must provide a single score. A district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

Education Code 39.023(c)

Students Enrolled
Below High School
Level

Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student’s assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment
Requirements for
Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

Exceptions

English I or
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course’s assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English language learners who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

Credits Earned
Prior to
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment.

19 TAC 101.3021(e), .3022

Substitute
Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student’s assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who

qualifies for use of the Texas Success Initiative (TSI) as a substitute assessment and is enrolled in certain college preparatory courses).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a TSI assessment also meets the additional criteria of 19 Administrative Code 101.4002(d).

*TSI Additional
Criteria*

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSI as a substitute assessment.

*Accountability
Testing*

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not mark the substitute assessment bubble for that administration.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

19 TAC 101.4002

*Verification of
Results*

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Satisfactory
Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

Individual
Graduation
Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate.

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to re-take and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See Individual Graduation Committee, above]

19 TAC 101.3022(f)

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

Beginning with the 2011–12 school year, all grades 9–12 students with significant cognitive disabilities who are assessed with an alternate assessment as specified in the student’s IEP will be assessed using alternate versions of EOC assessments as listed in 19 Administrative Code 101.3011(b)(2).

19 TAC 101.3023(a), (b)

Credit by
Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Additional State
Assessments

TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student’s performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. *Education Code 39.023(c-2)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)

Reporting Results

To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board

A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.

To Parents,
Students, and
Teachers

A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student’s academic achievement record and shall be furnished for each student

transferring to another district or school. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

Parents Right-to-Know Under ESEA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*

Parental Access

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005, .006(a)(2)*

Out-of-State Transfers

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014

**Accelerated
Instruction**

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) in the third, fourth, fifth, sixth, seventh, or eighth grade, the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area. Accelerated instruction may require participation of the student before or after normal school hours and may include participation at times of the year outside normal school operations. *Education Code 28.0211(a-1)*

A district shall provide each student who fails to perform satisfactorily on an EOC assessment instrument with accelerated instruction in the subject assessed by the assessment instrument. *Education Code 39.025(b-1)* [See EHBC]

College Readiness

Each district shall partner with at least one institution of higher education to develop and provide courses in college preparatory mathematics and English language arts. The courses must be designed:

1. For students at the grade 12 level whose performance on:
 - a. An EOC assessment instrument required under Education Code 39.023(c) does not meet college readiness standards; or
 - b. Coursework, a college entrance examination, or an assessment instrument designated under Education Code 51.334(a) indicates that the student is not ready to perform entry-level college coursework; and
2. To prepare students for success in entry-level college courses.

A course must be provided on the campus of the high school offering the course or through distance learning or as an online course provided through the institution of higher education with which the district partners.

Faculty

Appropriate faculty of each high school offering courses and appropriate faculty of each institution of higher education with which the district partners shall meet regularly as necessary to ensure that each course is aligned with college readiness expectations.

Notice

Each district shall provide a notice to each eligible student and the student's parent or guardian regarding the benefits of enrolling in a course.

Credit Earned

A student who successfully completes an English language arts course may use the credit earned toward satisfying the advanced English language arts curriculum requirement for the foundation

high school program under Education Code 28.025(b-1)(1). A student who successfully completes a mathematics course may use the credit earned in the course toward satisfying an advanced mathematics curriculum requirement under Education Code 28.025 after completion of the mathematics curriculum requirements for the foundation high school program under Education Code 28.025(b-1)(2).

Dual Credit

A course may be offered for dual credit at the discretion of the institution of higher education with which a district partners.

Instructional Materials

Each district, in consultation with the institution of higher education with which the district partners, shall develop or purchase instructional materials for a course consistent with Education Code Chapter 31. The instructional materials must include technology resources that enhance the effectiveness of the course and draw on established best practices.

Education Code 28.014

Security and Confidentiality

All assessment instruments included in the student assessment program are considered secure, and the contents of these tests, including student information used or obtained in their administration, are confidential.

Districts and campuses and the superintendent and campus principals in each district and campus shall:

1. Implement and ensure compliance with state test administration procedures and training activities;
2. Notify TEA as soon as the district becomes aware of any alleged or suspected violation of the security or confidential integrity of a test [see Violations, below];
3. Report all confirmed testing violations to TEA within ten working days of the district becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;
4. Ensure that the only individuals with access to secure test materials are district employees who have:
 - a. Met the requirements to participate in the student assessment program;
 - b. Received annual training in test security and test administration procedures; and
 - c. Signed an oath affirming they understand their obligation to maintain and preserve the security and confidentiality

of all state assessments and student information, acknowledge their responsibility to report any suspected testing violation, and are aware of the range of penalties that may result from a violation of test security and confidentiality or a departure from test administration procedures; and

5. Ensure the security of the test materials as required by 19 Administrative Code 101.3031(a)(2)(E).

19 TAC 101.3031(a)(1)–(a)(2)

Violations

Violations of the security and confidential integrity of a test include:

1. Directly or indirectly assisting students with responses to test questions;
2. Tampering with student responses;
3. Falsifying holistic ratings or student responses;
4. Viewing secure test content before, during, or after an administration unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
5. Discussing or disclosing secure test content or student responses;
6. Scoring students' tests, either formally or informally;
7. Duplicating, recording, or electronically capturing confidential test content unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
8. Responding to secure test questions;
9. Fraudulently exempting or preventing a student from participating in the administration of a required state assessment;
10. Receiving or providing unallowable assistance during calibration activities (e.g., taking notes, providing answer sheets, or sharing answers);
11. Encouraging or assisting an individual to engage in the conduct described above or in any other serious violation of security and confidentiality;
12. Failing to report to an appropriate authority that an individual has engaged or is suspected of engaging in the above conduct or in any other serious violation of security and confidentiality under this provision;

13. Failing to implement sufficient procedures to prevent student cheating; and
14. Failing to implement sufficient procedures to prevent alteration of test documents by anyone other than the student.

Consequences

If a district determines that a student has cheated or attempted to cheat on a state assessment either by providing or receiving direct assistance, the district shall invalidate the student's test results.

Any violation of test security or confidential integrity may result in TEA:

1. Invalidating student test results;
2. Referring certified educators to the State Board for Educator Certification (SBEC) for sanctions in accordance with 19 Administrative Code Chapter 247 (Educators' Code of Ethics) and Chapter 249 (Disciplinary Proceedings, Sanctions, and Contested Cases); and
3. Lowering the district's accreditation status or a district's or campus's accountability rating in accordance with Education Code 39.057(d), or appointment of a monitor, conservator, or management team to the district in accordance with Education Code Chapter 39A.

Test Administration
Procedures

Test administration procedures shall be delineated in the test administration materials provided to districts annually. Districts must comply with all of the applicable requirements specified in the test administration materials.

Districts shall ensure that test coordinators and administrators receive training to ensure that testing personnel have the necessary skills and knowledge required to administer assessment instruments in a valid, standardized, and secure manner.

Records Retention

As part of test administration procedures, the commissioner shall require districts to maintain records related to the security of assessment instruments for five years.

19 TAC 101.3031(a-3)-(d)

Disciplinary Action
and Penalties

SBEC may take disciplinary action against a person who has violated the security or integrity of any assessment required by Education Code Chapter 39, Subchapter B or has committed an act that is a departure from the test administration procedures established by the commissioner under 19 Administrative Code Chapter 101.

The superintendent and campus principal must develop procedures to ensure the security and confidentiality of the tests and will be responsible for notifying TEA in writing of conduct that violates the security or confidentiality of a test. Failure to report can subject the person responsible to the applicable penalties.

19 TAC 249.15(a)–(b), (g)

Minimize Disruptions

In implementing the commissioner’s procedures for the administration of assessment instruments adopted or developed under Education Code 39.023, including procedures designed to ensure the security of the assessment, a district shall minimize disruptions to school operations and the classroom environment. *Education Code 39.0301(a-1)*

Confidentiality of Results

Individual student performance results are confidential and may be released only in accordance with the Family Educational Rights and Privacy Act of 1974. *Education Code 39.030(b)* [See FL and GBA]

Reading Instruments The commissioner of education shall adopt a list of reading instruments that a school district may use to diagnose student reading development and comprehension.

For use in diagnosing the reading development and comprehension of kindergarten students, the commissioner shall adopt a multidimensional assessment tool that includes a reading instrument and tests at least three developmental skills. A multidimensional assessment tool is considered to be a reading instrument.

The district-level committee may adopt a list of reading instruments in addition to the reading instruments on the commissioner's list for a grade level other than kindergarten. Each reading instrument adopted by the district-level committee shall be based on scientific research concerning reading skills development and reading comprehension. A list of adopted reading instruments shall provide for diagnosing the reading development and comprehension of students participating in a bilingual or special language program.

Education Code 28.006(a)–(b)

Kindergarten Each district shall administer at the kindergarten level a reading instrument adopted by the commissioner or an alternative reading instrument approved by the commissioner. The district shall administer the reading instrument in accordance with the commissioner's recommendations.

The commissioner may approve an alternative reading instrument for use in diagnosing the reading development and comprehension of kindergarten students that complies with the requirements above.

The commissioner by rule shall determine the performance on the reading instrument that indicates kindergarten readiness.

Education Code 28.006(b-1), (c-2)–(c-3)

First and Second Grades A district shall administer, at first- and second-grade levels, a reading instrument on the list adopted by the commissioner or by the district-level committee. A district shall administer the reading instrument in accordance with the commissioner's recommendations.

Seventh Grade A district shall administer a diagnostic reading instrument during the first six weeks of the school year to each student in grade 7 whose performance on the grade 6 state reading assessment did not meet the passing standard. If a student was administered the modified state assessment in reading, the admission, review, and dismissal (ARD) committee may determine if the diagnostic assessment is appropriate for use with that student.

A student in grade 7 who does not have a score for the state reading assessment in grade 6 may be given an equivalent comprehension assessment. If that student does not meet the passing standard, the student must be administered the diagnostic reading assessment.

A district must use the Texas Middle School Fluency Assessment and/or an alternate diagnostic reading instrument. A district must submit an alternate diagnostic reading instrument to the Texas Education Agency (TEA) for approval. An alternate diagnostic instrument must:

1. Be based on published scientific research in reading;
2. Be age and grade-level appropriate, valid, and reliable;
3. Identify specific skill difficulties in word analysis, fluency, and comprehension; and
4. Assist the teacher in making individualized instructional decisions based on the assessment results.

Reports

A superintendent shall:

1. Report to the commissioner and the board the results of the reading instruments;
2. Not later than the 60th calendar day after the date on which a reading instrument was administered, report, in writing, to a student's parent or guardian the student's results on the reading instrument; and
3. Using the school readiness certification system, report each student's raw score on the reading instrument to TEA using the school readiness certification system.

Cost

TEA shall ensure at least one reading instrument for each grade level for which a reading instrument is required to be administered is available to districts at no cost.

Notice to Parents

A district shall notify the parent or guardian of each student in kindergarten, first grade, or second grade who is determined, on the basis of reading instrument results, to be at risk for dyslexia or other reading difficulties. A district shall make a good-faith effort to ensure that this notice is provided in person or by regular mail, is clear and easy to understand, and is written in English and in the parent or guardian's native language.

Accelerated
Reading Instruction
Program

A district shall implement an accelerated reading instruction program that provides reading instruction that addresses reading deficiencies to those students and shall determine the form,

content, and timing of that program. [See Accelerated Reading Instruction Program at EHBC(LEGAL)]

Education Code 28.006; 19 TAC 101.6001

Note: The following provisions address requirements for a charter partnership to receive the benefits of Education Code 11.174 and 48.252. For the general campus charter requirements applicable to partnership charters, see EL(LEGAL).

**Contract Regarding
Operation of District
Campus**

The board may contract with a partner to operate a campus. The partner may be an open-enrollment charter school or, on approval by the commissioner of education, an entity granted a charter by the district under Chapter 12, Subchapter C that is eligible to be awarded a charter under Education Code 12.101(a). The campus must be granted a charter under Chapter 12, Subchapter C. *Education Code 11.174(a), (d)*

A campus operated under a contract qualifies for an exemption from intervention as provided below and qualifies for funding as provided by Education Code 48.252 [see Funding for Certain Students, below].

The board may enter into a contract only if:

1. The charter of the open-enrollment charter school has not been previously revoked;
2. For the three school years preceding the school year of the proposed operation of the campus, the open-enrollment charter school has received:
 - a. An overall performance rating of acceptable or higher; and
 - b. A financial accountability rating indicating financial performance of satisfactory or higher; or
3. The entity considered for a district-authorized charter has not previously operated an open-enrollment charter school in which the charter expired or was revoked or surrendered.

Education Code 11.174(a)–(b)

Intervention Pause

For a campus under a contract that received an overall performance rating of unacceptable under Education Code Chapter 39, Subchapter C for the school year before operation under the contract began, the commissioner may not impose a sanction or take action against the campus under Education Code 39A for failure to satisfy academic performance standards during the first two school years of operation of a campus under the contract. [See AIA, AIC]

A campus is eligible for an exemption from applicable sanctions or actions if the campus and the partnership to operate the campus

meet all applicable requirements and the campus was operated under the partnership from the first to the last day of the school year of the campus. A school year must include, at a minimum, all minutes of operation and instructional time conducted on the campus, and all the days for which the instructional workforce of the campus that provides education services for students are employed.

The overall performance rating received by the campus during those first two school years is not included in calculating consecutive school years and is not considered a break in consecutive school years.

Education Code 11.174(f); 19 TAC 97.1077

Applicability

A campus shall not qualify for an intervention pause unless during the school year prior to the operation of a partnership charter the campus received an unacceptable performance rating, except as provided by 19 Administrative Code 97.1077(e) (campus that operates a partnership charter for less than a year). *19 TAC 97.1062(b)*

The Texas Education Agency (TEA) will not withdraw or postpone issuing any orders or determinations required or authorized that arise due to the performance rating from the school year prior to the school year in which the campus qualifies for the intervention pause, and any order or determination will resume upon expiration of the intervention pause.

Any intervention or sanction not covered by the intervention pause shall continue.

If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance.

TEA will not pursue interventions under Education Code 39A.101–39A.109 and 39A.111 for a campus eligible for an intervention pause if one of the school years eligible for an intervention pause results in an acceptable or higher overall rating.

If after the expiration of the intervention pause a campus receives an unacceptable rating, TEA will apply the requisite interventions that apply to the consecutive year that corresponds to the campus's actual number of consecutive years of unacceptable performance minus the number of intervention pause years and, if applicable, accounting for the modification under 19 Administrative Code 97.1062(c).

If a campus qualifies for an intervention pause for a school year after the conclusion of the school year in which an order is authorized under Education Code 39A.111, the intervention under Education Code 39A.111 will not pause.

A campus that receives an intervention pause will still receive an accountability rating for that school year.

Performance of students at a campus that receives an intervention pause shall be considered in the accountability rating of the district and the application of an intervention pause to a campus shall not pause or alter any intervention applicable to the district or other campuses.

Appeal

A determination under this section that arises from the application of Education Code 28.020 is final and may not be appealed.

Partial Year

A partial school year that results in an intervention pause under 19 Administrative Code 97.1077(b) or (c) constitutes one full year of a pause. This provision expires on September 1, 2023.

19 TAC 97.1062(d), (f)-(n)

Additional Exemption

A campus that receives an exemption from a sanction or other action may receive another exemption while operating under a subsequent contract only if the campus receives approval for the exemption from the commissioner. *Education Code 11.174(g)*

Funding for Certain Students

A district that enters into a contract is entitled to receive for each student in average daily attendance at the campus an amount equivalent to the difference, if the difference results in increased funding, between the amount described by Education Code 12.106 and the amount to which the district would be entitled under this Education Code Chapter 48. This section applies only to a district that does not appoint a majority of the governing body of the charter holder. *Education Code 48.252*

Consultation with Campus Personnel

Before entering into a contract, the district must consult with campus personnel regarding the provisions to be included in the contract between the district and the open-enrollment charter school. All rights and protections afforded by current employment contracts or agreements may not be affected by the contract entered into between a district and an open-enrollment charter school. *Education Code 11.174(c)*

Notice to Commissioner

A district proposing to enter into a contract with a campus or program charter shall notify the commissioner of the district's intent to enter into the contract according to commissioner rules. The commissioner shall notify the district whether the proposed contract is

approved not later than the 60th day after the date the commissioner receives notice of the proposed contract and all information required by the commissioner to be submitted. If the commissioner fails to notify the district that the proposed contract has been approved or denied within the period prescribed by this subsection, the proposed contract is considered approved. *Education Code 11.174(k)*

Enrollment Eligibility The contract must include a provision addressing student eligibility for enrollment.

The contract must provide that any student residing in the attendance zone of the campus as the attendance zone existed before operation of the campus under the contract shall be admitted for enrollment at the campus. The contract must establish enrollment preference for students who do not reside in the attendance zone as follows:

1. Other students residing in the school district in which the campus is located; and
2. Students who reside outside the school district.

Education Code 11.174(h), (i)

Operating Partner An operating partner means a state authorized open-enrollment charter school or an eligible entity as defined by Education Code 12.101(a). *19 TAC 97.1075(b)(1)*

*Conferred
Authority*

The district must confer, at a minimum, the following enhanced authorities to the operating partner:

Staffing
Authorities

1. The operating partner must have authority to employ and manage the campus chief operating officer, including the initial and final non-delegable authority to hire, supervise, manage, assign, evaluate, develop, advance, compensate, continue employment, and establish any other terms of employment.
2. The operating partner must have authority over the employees of the operating partner, including initial and final non-delegable authority for the operating partner to employ and/or manage all of the operating partner's own administrators, educators, contractors, or other staff. Such authority includes the authority to hire, supervise, manage, assign, evaluate, develop, advance, compensate, continue employment and establish any other terms of employment.

3. The operating partner must have sole authority over the assignment of all district employees to the campus, including initial and final authority to approve the assignment of all district employees or contractors to the campus.
4. The operating partner must have initial, final, and sole authority to supervise, manage, evaluate, and rescind the assignment of any district employee or district contractor from the campus. If the operating partner rescinds the assignment of any district employee or district contractor, the district must grant the request within 20 working days.
5. The operating partner must directly manage the campus principal or chief operating officer, including having the sole responsibility for evaluating the performance of the campus principal or chief operating officer.

19 TAC 97.1075(c)(1)

Other Authorities

The operating partner must have:

1. Initial, final, and sole authority to approve all curriculum decisions beyond the minimum requirements outlined in 19 Administrative Code 74.2 and 74.3 (required elementary and secondary curriculum), lesson plans, instructional strategies, and instructional materials as defined by law, to be used at that campus;
2. Initial, final, and sole authority over educational programs for specific, identified student groups, such as gifted and talented students, students of limited English proficiency, students at risk of dropping out of school, special education students, and other statutorily defined populations;
3. Initial, final, and sole authority to set the school calendar and daily schedule, which may differ from those in other district campuses;
4. Initial, final, and sole authority to select and determine the use of any and all assessments to be used on the campus that are not required by the state of Texas;
5. Initial, final, and sole authority to determine how the entire campus budget, including any and all federal and state grant funds due the campus, is allocated. The governing body of the operating partner shall approve the campus budget in a meeting held under the Texas Open Meetings Act [see BE]. Notwithstanding such budget authority, the operating partner's expenditures must comply with the applicable restrictions on the use of state and federal funds; and

6. Initial, final, and sole authority to implement and adjust the campus budget.

19 TAC 97.1075(c)(2)

Performance
Contract

To contract to partner to operate under Education Code 11.174, the district's board must grant the operating partner a campus charter under Education Code Chapter 12, Subchapter C. The charter must include performance expectations memorialized in a performance contract as required by law. The performance contract must include, at a minimum, the following:

1. A clear and unambiguous description of enhanced authorities as outlined above;
2. Academic performance expectations and goals, which shall include, but are not limited to:

to terminate or extend if required by 19 Administrative Code 97.1075(d)(5);

6. A contract term stating that the campus is exempt from laws and rules to the fullest extent allowed by the Education Code, Chapter 12, Subchapter C, and is exempt from all district policies except for laws, rules, and policies that are specifically identified as applicable to the campus in the performance contract;
7. A section that describes the funding structure of the partnership as required by 19 Administrative Code 97.1075(d)(7);
8. Service-level agreements that list the resources and services the operating partner intends to purchase from the district and the specific costs of such services by pupil, square foot, campus, or the percentage of the total district budget for the specific resource or service. The resources and services may include:
 - a. Facility use and related matters;
 - b. Transportation;
 - c. Specific education program services, such as providing special education services; and
 - d. Access to other resources and services as agreed between the parties;
9. A section that describes the educational plan or academic model that the operating partner will implement on the campus or campuses;
10. An assurance that the district has consulted with campus personnel regarding the provisions included in the performance contract and that the rights and protections afforded by current employment contracts or agreements shall not be affected by this contract as required by Education Code 11.174(c), unless the district is partnering with an entity described in Education Code 11.174(a)(2); and
11. A description of the specific and material consequence(s) in the instance that either the district or the operating partner breaches the contract.

19 TAC 97.1075(d); Education Code 12.0531

Eligible partnerships must notify TEA of amendments to performance contracts within 30 calendar days of the amendment of the contract. *19 TAC 97.1075(g)*

Definitions

*Student with a
Disability*

A "student with a disability" is one who has a physical or mental impairment that substantially limits one or more of the student's major life activities, has a record of having such an impairment, or is being regarded as having such an impairment.

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices (which do not include ordinary eyeglasses or contact lenses), prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

A student meets the requirement of being "regarded as" having an impairment if the student establishes that he or she has been subjected to a prohibited action because of an actual or perceived physical or mental impairment whether or not the impairment limits

or is perceived to limit a major life activity. This provision does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of 6 months or less.

29 U.S.C. 705(20)(B), 42 U.S.C. 12102(1), (3)–(4)

Qualified Individual with a Disability

The term “qualified individual with a disability” means an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a district. *42 U.S.C. 12131(2)*

Major Life Activities

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. “Major life activity” also includes the operation of major bodily functions, including functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. *42 U.S.C. 12102(2)*

Reasonable Modification

A district shall make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless the district can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity. *28 C.F.R. 35.130(b)(7)*

Direct Threat

“Direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices or procedures, or by the provision of auxiliary aids or services as provided below. *28 C.F.R. 35.104*

The ADA does not require a district to permit an individual to participate in or benefit from the services, programs, or activities of that district when that individual poses a direct threat to the health or safety of others.

In determining whether an individual poses a direct threat to the health or safety of others, a district must make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence, to ascertain:

1. The nature, duration, and severity of the risk;
2. The probability that the potential injury will actually occur; and

3. Whether reasonable modifications of policies, practices, or procedures or the provision of auxiliary aids or services will mitigate the risk.

28 C.F.R. 35.139

Free Appropriate
Public Education
(FAPE)

A district shall provide a free appropriate public education to each qualified student with a disability within the district's jurisdiction, regardless of the nature or severity of the student's disability.

A student with a disability is "qualified" if he or she is between the ages of three and 21, inclusive. *20 U.S.C. 1412(a)(1); 34 C.F.R. 104.3(l)(2)*

An appropriate education is the provision of regular or special education and related services that are:

1. Designed to meet the student's individual educational needs as adequately as the needs of students who do not have disabilities are met; and
2. Based on adherence to procedures that satisfy federal requirements for educational setting, evaluation and placement, and procedural safeguards, as set forth below.

34 C.F.R. 104.33(b)

Implementation of an individualized education program (IEP) under IDEA is one means for providing FAPE. *34 C.F.R. 104.33(b)(2)*

Note: See EHBA series for policies regarding the provision of special education to students with disabilities under IDEA who require special education in order to benefit from a free appropriate public education.

Educational Setting

A district shall place a student with a disability in the regular educational environment, unless the district demonstrates that education in the regular environment with the use of supplemental aids and services cannot be achieved satisfactorily. *34 C.F.R. 104.34(a)*

In providing or arranging for nonacademic and extracurricular services and activities, a district shall ensure that a student with a disability participates with students who do not have disabilities to the maximum extent appropriate to the needs of the student with a disability. *34 C.F.R. 104.34(b), 104.37*

Evaluation and
Placement

A district shall conduct an evaluation of any person who, because of disability, needs or is believed to need special education or related services before taking any action with respect to the initial

placement of the person in regular or special education and any subsequent significant change in placement.

*Evaluation
Procedures*

A district shall establish standards and procedures for the evaluation and placement which ensure that:

1. Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;
2. Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and
3. Tests are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

*Placement
Procedures*

In interpreting evaluation data and in making placement decisions, a district shall:

1. Draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social and cultural background, and adaptive behavior;
2. Establish procedures to ensure that information obtained from all such sources is documented and carefully considered;
3. Ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options; and
4. Ensure that the placement decision is made in conformity with 34 C.F.R. 104.34.

Reevaluation

A district shall establish procedures for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act [now IDEA] is one means of meeting this requirement.

34 C.F.R. 104.35

<i>Military Dependents</i>	In compliance with the requirements of Section 504, and with Title II of the Americans with Disabilities Act (42 U.S.C. Sections 12131–12165), the district shall make reasonable accommodations and modifications to address the needs of incoming military dependents with disabilities, subject to an existing Section 504 or Title II Plan, to provide the student with equal access to education. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. <i>Education Code 162.002 art. V, § C</i> [See FDD]
Procedural Safeguards	<p>A district shall establish a system of procedural safeguards with respect to the identification, evaluation, and educational placement of persons who need or are believed to need special instruction or related services.</p> <p>The system shall include notice, an opportunity for the student’s parent or guardian to examine relevant records, an impartial hearing with the opportunity for participation by the student’s parents or guardian and representation by counsel, and a review procedure. Compliance with the procedural safeguards of IDEA is one means of meeting this requirement. <i>34 C.F.R. 104.36</i></p>
Children Who Are Homeless	A district shall adopt policies and practices to ensure that homeless children are not stigmatized or segregated on the basis of their homeless status. [See FDC]
Liaison	<p>A district shall designate an appropriate staff person, able to carry out the required duties, as the district liaison for homeless children. A district shall inform school personnel, service providers, advocates working with homeless families, parents and guardians of homeless children, and homeless children of the duties of the liaison. [See FFC]</p> <p><i>42 U.S.C. 11432(g)(1)(J)(i), (ii), (g)(6)(B)</i></p>
Religious Freedom	A district may not substantially burden a student’s free exercise of religion, unless the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that interest. <i>Civ. Prac. & Rem. Code 110.003</i> [See also DAA and GA]
Adverse Action Prohibited	Notwithstanding any other law, a district may not take any adverse action against any person based wholly or partly on the person’s membership in, affiliation with, or contribution, donation, or other support provided to a religious organization. <i>Gov’t Code 2400.002</i> [See GA]

**Discrimination on
the Basis of Sex**

Title IX

No person in the United States shall, on the basis of sex, be excluded from participation in, denied the benefits of, or be subjected to discrimination by any district receiving federal financial assistance. *20 U.S.C. 1681(a)* [See FFH for information regarding Title IX coordinator designation, policy notification, and complaint procedures.]

A district shall not provide any course or otherwise carry out any of its educational programs or activities separately on the basis of sex, or require or refuse participation therein on the basis of sex, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses. *34 C.F.R. 106.34* [See FFH for information on sexual harassment that may constitute discrimination on the basis of sex under Title IX.]

Separate Facilities

A district may provide separate toilet, locker room, and shower facilities on the basis of sex, but the facilities provided for one sex shall be comparable to the facilities provided for the other sex. *34 C.F.R. 106.33*

Human Sexuality
Classes

Portions of classes in elementary and secondary school that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.

Vocal Music
Activities

A district may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

34 C.F.R. 106.34

Single-Sex
Programs

A district shall not, on the basis of sex, exclude any student from admission to an institution of vocational education or any other school or educational unit operated by the district. *34 C.F.R. 106.35*

Pregnancy and
Marital Status

A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex. *34 C.F.R. 106.40* [See FND]

Physical Education
Classes

A district may group students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

*Skills
Assessment*

Where use of a single standard of measuring skill or progress in physical education classes has an adverse effect on members of one sex, a district shall use appropriate standards that do not have such effect.

Contact Sports

A district may separate students by sex within physical education classes or activities during participation in wrestling, boxing, rugby,

ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

34 C.F.R. 106.34, .43

Athletic Programs

A district shall not discriminate, on the basis of sex, in interscholastic or intramural athletics or provide any such athletics separately on such basis.

*Single-Sex
Teams*

A district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but not for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try-out for the team offered unless the sport involved is a contact sport.

*Equal Athletic
Opportunities*

A district that operates or sponsors interscholastic or intramural athletics shall provide equal athletic opportunity for members of both sexes. The following factors shall be considered in determining whether a district provides equal athletic opportunities:

1. Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;
2. Provision of equipment and supplies;
3. Scheduling of games and practice time;
4. Travel and per diem allowance;
5. Opportunity to receive coaching and academic tutoring;
6. Assignment and compensation of coaches and tutors;
7. Provision of locker rooms and practice and competitive facilities;

10. Publicity.

34 C.F.R. 106.41

Note: The following provisions address equal educational opportunity for all students in accordance with law. For provisions addressing discrimination, harassment, and retaliation involving District students, see FFH.

Title IX Coordinator The District designates and authorizes the Title IX coordinator for students to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended. [See FB(EXHIBIT)]

ADA / Section 504 Coordinator The District designates and authorizes the ADA/Section 504 coordinator for students to coordinate its efforts to comply with Title II of the Americans with Disabilities Act of 1990, as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973 ("Section 504"), as amended. [See FB(EXHIBIT)]

Superintendent The Superintendent shall serve as coordinator for purposes of District compliance with all other nondiscrimination laws.

Equal Educational Opportunity
General Education The District shall provide necessary services and supports to provide students equal access to educational opportunities. [See EHBC] Certain instructional or other accommodations, including on state-mandated assessments, may be made when necessary, when allowable, and when these accommodations do not modify the rigor or content expectations of a subject, course, or assessment. [See EKB]

Additional Services and Supports If the District has reason to believe that a student has a disability that may require additional services and supports in order for the student to receive an appropriate education as this term is defined by law, Section 504 and/or the Individuals with Disabilities Education Act (IDEA) shall govern the evaluation, services, and supports provided by the District. [See also EHBA series]

[For information regarding dyslexia and related disorders, see EHB.]

Note: The following provisions address the District's compliance efforts and system of procedural safeguards as required by federal regulations for a student with a disability as defined by Section 504. A report of discrimination or harassment based on a student's disability shall be made in accordance with FFH.

Section 504 Committees The District shall form Section 504 committees as necessary. The Section 504 coordinator and members of each Section 504 committee shall receive training in the procedures and requirements for

identifying and providing educational and related services and supports to a student who has a disability that results in a substantial limitation of a major life activity.

Each Section 504 committee shall be composed of a group of persons knowledgeable about the student, the meaning of the evaluation data, placement options, and the legal requirements regarding least restrictive environment and comparable facilities for students with disabilities.

Referrals	If a teacher, school counselor, administrator, or other District employee has reason to believe that a student may have a disability as defined by Section 504, the District shall evaluate the student. A student may also be referred for evaluation by the student's parent.
Notice and Consent	The District shall seek written parental consent prior to conducting a formal evaluation. Ordinary observations in the classroom or other school setting shall not require prior parental consent.
Evaluation and Placement	The results of an evaluation shall be considered before any action is taken to place a student with a disability or make a significant change in placement in an instructional program. The Superintendent shall ensure that the District's procedures for tests and other evaluation materials comply with the minimum requirements of law. In interpreting evaluation data and when making decisions related to necessary services and supports, each Section 504 committee shall carefully consider and document information from a variety of sources in accordance with law.
Review and Reevaluation Procedure	<p>To address the periodic reevaluation requirement of law, the District shall adhere to the reevaluation timelines in the IDEA regulations.</p> <p>A parent, teacher, or other District employee may request a review of a student's services and supports at any time, but a formal reevaluation shall generally occur no more frequently than once a year.</p>
Examining Records	A parent shall make any request to review his or her child's education records to the campus principal or other identified custodian of records. [See FL]
Right to Impartial Hearing	A parent shall be given written notice of the due process right to an impartial hearing if the parent has a concern or complaint about the District's actions regarding the identification, evaluation, or educational placement of a student with a disability. The impartial hearing shall be conducted by a person who is knowledgeable about Section 504 issues and who is not employed by the District or related to a member of the Board in a degree that would be prohibited under the nepotism statute [see DBE]. The impartial hearing officer is

not required to be an attorney. The District and the parent shall be entitled to legal representation at the impartial hearing.

Records Retention

Records specific to identification, evaluation, and placement as these pertain to Section 504 shall be retained by the District in accordance with law and the District's local records control schedules. [See CPC]

Persons Age 21 and Over

The District shall admit persons who are at least age 21 and under age 26 for the purpose of completing the requirements for a high school diploma.

Registration Forms

The student's parent, legal guardian, or other person having lawful control shall annually complete registration forms. A student who has reached age 18 shall be permitted to complete these forms.

Proof of Residency

At the time of initial registration and on an annual basis thereafter, the parent, guardian, or other person having lawful control of the student under order of a court shall present proof of residency in accordance with administrative regulations developed by the Superintendent. The District may investigate stated residency as necessary.

Minor Living Apart

Person Standing in Parental Relation

A minor student residing in the District but whose parent, guardian, or other person having lawful control under a court order does not reside in the District shall present a power of attorney or an authorization agreement as provided in Chapter 34 of the Family Code assigning responsibility for the student in all school-related matters to an adult resident of the District.

Misconduct

A minor student living apart who has engaged in misconduct that results in any of the consequences found in Education Code 25.001(d) shall not be permitted to attend a District school.

Exceptions

Based on an individual student's circumstance, the Superintendent shall have authority to grant exceptions to the requirement for a power of attorney or authorization agreement and to the exclusion for misconduct.

Extracurricular Activities

The Superintendent shall determine whether a minor student living apart is present in the District for the primary purpose of participating in extracurricular activities.

Nonresident Student in Grandparent's After-School Care

The parent and grandparent of a nonresident student requesting admission under Education Code 25.001(b)(9) shall provide to the Superintendent the required information on the grandparent's residency and complete a form provided by the District describing the extent of after-school care to be provided by the grandparent.

The Superintendent shall have authority to approve or deny such admissions requests in accordance with criteria approved by the Board.

"Accredited" Defined

For the purposes of this policy, "accredited" shall be defined as accreditation by TEA, an equivalent agency from another state, or an accrediting association recognized by the commissioner of education.

Grade-Level Placement

Accredited Schools

The parent, guardian, or other person having lawful control of a student enrolling in a District school from an accredited public, private, or parochial school shall provide evidence of the prior schooling outside the District. The student shall be placed initially at the grade level reached elsewhere, pending observation by the classroom teacher, guidance personnel, and the principal. On the basis of these observations and results of tests that may be administered by appropriate District personnel, the principal shall determine the final grade placement.

Nonaccredited Schools

A student enrolling in a District school from a nonaccredited public, private, or parochial school, including a homeschool, shall be placed initially at the discretion of the principal, pending observation by classroom teachers, guidance personnel, and the principal. Criteria for placement may include:

1. Scores on achievement tests, which may be administered by appropriate District personnel.
2. Recommendation of the sending school.
3. Prior academic record.
4. Chronological age and social and emotional development of the student.
5. Other criteria deemed appropriate by the principal.

Transfer of Credit

Accredited Texas Public Schools

Credit toward state graduation requirements earned in an accredited public school district in Texas shall be transferable and recognized by the District.

Other Accredited or Nonaccredited Schools

Before recognizing credit in a course earned in an accredited non-public school, an accredited school outside of Texas, or a nonaccredited school, appropriate personnel shall evaluate a student's records and transcript. The District may require the student to demonstrate mastery of the content or use alternative methods to verify course content for the award of credit.

Transition Assistance

In accordance with law, when a student who is identified as homeless or in substitute care enrolls in the District, the District shall assess the student's available records and other relevant information to determine transfer of credit for subjects and courses taken prior to enrollment.

[See EI]

Withdrawal

A parent or guardian wishing to withdraw a minor student shall present a signed statement that includes the reason for the withdrawal. A student who is 18 or older may submit a withdrawal statement without a parent's or guardian's signature.

[For District withdrawal of students no longer in attendance, see FEA(LOCAL).]

Assignments

A board or its designee may assign and transfer any student from one school facility or classroom to another facility or classroom within its jurisdiction. *Education Code 25.031*

A board or its designee must make the decision concerning the assignment or transfer of a student on an individual basis and may not consider as a factor in its decision any matter relating to the national origin of the student or the student's ancestral language. *Education Code 25.032*

Multiple Birth Siblings

"Multiple birth sibling" means a twin, triplet, quadruplet, or other sibling resulting from a multiple birth.

"Parent" includes a person standing in parental relation.

Placement

The parent of multiple birth siblings who are assigned to the same grade level and school may request in writing, not later than the 14th day after the first day of enrollment, that the school place the siblings in the same classroom or in separate classrooms.

A school shall provide the placement requested, except that a district is not required to place multiple birth siblings in separate classrooms if the request would require the district to add an additional class to the grade level of the siblings.

The school may recommend to a parent the appropriate classroom placement and may provide professional educational advice to assist the parent with the decision.

These provisions do not affect:

1. A right or obligation regarding the individual placement decisions of the admission, review, and dismissal (ARD) committee with respect to students receiving special education services [see EHBAB]; or
2. The right of a district or teacher to remove a student from a classroom under Chapter 37 [see FOA].

Reassignment by Principal

At the end of the first grading period following the multiple birth siblings' enrollment in the school, if the principal of the school, in consultation with the teacher of each classroom in which the siblings are placed, determines that the requested classroom placement is disruptive to the school, the principal may determine the appropriate classroom placement for the siblings.

Appeal

A parent may appeal the principal's classroom placement in the manner provided by district policy. During an appeal, the siblings shall remain in the classroom chosen by the parent. [See FNG]

Education Code 25.043

Placement of Older Students

A person who is 21 years of age or older who is admitted by a district to complete the requirements for a high school diploma and who has not attended school in the three preceding school years may not be placed with a student who is 18 years of age or younger in a classroom setting, a cafeteria, or another district-sanctioned school activity. This restriction does not prevent the student from attending a school-sponsored event that is open to the public as a member of the public. *Education Code 25.001(b-2)*

Petitions and Objections

The parent or person standing in parental relation to any student may by written petition either:

1. Request the assignment or transfer of the student to a designated school or to a school to be designated by the board; or
2. File objections to the assignment of the student to the school to which the student has been assigned.

Education Code 25.033, 26.003(a)(1)

Procedure

Upon receiving a written petition, a board shall proceed as follows:

1. If no hearing is requested, act on the petition not later than the 30th day after the petition is submitted and notify the petitioner of its conclusion; or
2. If a hearing is requested, designate a time and place for holding a hearing not later than the 30th day after the petition is submitted.

If a hearing is requested, it shall be conducted by a board in compliance with the following:

1. The petitioner may present evidence relevant to the student.
2. The board may conduct investigations as to the objection or request, examine any student involved, and employ agents, professional or otherwise, for the purpose of examinations and investigations.

Board's Decision

The board must grant the request made in the petition unless the board determines that there is a reasonable basis for denying the request. The decision of a board, with or without a hearing, is final, unless the student, or the parent, guardian, or custodian of the student as next friend, files an exception to the decision as constituting a denial of any right of the student guaranteed under the U.S. Constitution.

If such an exception is filed, a board may reconsider its decision. If a board has not ruled on the exception before the 16th day after the date of the filing, the objection is considered overruled. If the

exception is overruled, an appeal of a board's decision may be filed in the district court of the county in which the board is located.

Education Code 25.034

Students Who Are Victims of Bullying

On the request of a parent or other person with authority to act on behalf of a student who is a victim of bullying, a board or its designee shall transfer the victim to:

1. Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
2. A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred.

Students Who Engage in Bullying

The board may transfer the student who engaged in bullying to:

1. Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
2. A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred, in consultation with a parent or other person with authority to act on behalf of the student who engaged in bullying.

Education Code 37.004 (Placement of Students with Disabilities) applies to a transfer under this provision of a student with a disability who receives special education services.

Definition

"Bullying" has the meaning assigned by Education Code 37.0832. [See FFI]

Verification

A board or designee shall verify that a student has been a victim of bullying before transferring the student. A board may consider past student behavior when identifying a bully.

The determination by a board or designee is final and may not be appealed. The procedures set forth at Education Code 25.034 [see Petitions and Objections—Procedure, above] do not apply to a transfer under this provision.

A district is not required to provide transportation to a student who transfers to another campus under this provision.

Education Code 25.0342

Note: For bullying rising to the level of prohibited harassment, see FFH. For all other bullying, see FFI. For transfers related to sexual assault or school safety, see FDE.

**Others in Special
Education Student's
Household**

If a district assigns a student to a district campus other than the campus the student would attend based on the student's residence, for purposes of receiving special education services, the district shall permit the student's parent, guardian, or other person standing in parental relation to the student to obtain a transfer to the assigned campus for any other student residing in the household of the student receiving special education services, provided that:

1. The other student is entitled to attend school in the district [see FD]; and
2. The appropriate grade level for the other student is offered at the campus.

This provision does not apply if the student receiving special education services resides in a residential facility.

Education Code 25.034 [see Petitions and Objections—Procedure, above] does not apply to a transfer under this provision.

Transportation

A district is not required to provide transportation to a student who transfers to another campus under this provision. This provision does not affect any transportation services provided by a district in accordance with other law for the student receiving special education services.

Education Code 25.0343

**Students in
Unacceptable
Schools**

A student is eligible to attend another public school in the district in which the student resides if the student is assigned to attend a public school campus assigned an unacceptable rating that is made publicly available under Education Code 39.054 for:

1. The student achievement domain under Education Code 39.053(c)(1); and
2. The school progress domain under Education Code 39.053(c)(2). [See AIA]

Education Code 29.202(a) [See FDAA]

**Students in Schools
Identified for
Support and
Improvement**

A district may provide all students enrolled in a school identified by TEA for comprehensive support and improvement under 20 U.S.C. 6311(c)(4)(D)(i) with the option to transfer to another public school served by the district, unless such an option is prohibited by state law.

A district shall give priority to the lowest achieving children from low-income families. A student who uses the option to transfer shall be enrolled in classes and other activities in the public school to

which the student transfers in the same manner as all other students at the public school.

A district shall permit a student who transfers to another school to remain in that school until the child has completed the highest grade in that school. A district may spend an amount equal to not more than five percent of its allocation under 20 U.S.C. Chapter 70, Part A, Subpart 2 (Title I basic program allocations) to pay for the provision of transportation for students who transfer under these provisions to the schools to which they transfer.

20 U.S.C. 6311(d)(1)(D)

Note: See FDE for the school safety transfer option in Title I programs.

Class Changes

A parent or person standing in parental relation is entitled to reasonable access to the school principal, or to a designated administrator with authority to reassign a student, to request a change in the class or teacher to which the parent's child has been assigned, if the reassignment or change would not affect the assignment or reassignment of another student. The decision of a board regarding such a request is final and may not be appealed. *Education Code 26.002, .003(a)(2), (b)* [See FNG]

Compulsory Attendance

Students who are at least six years of age, or who have been previously enrolled in first grade, and who have not yet reached their 19th birthday shall attend school for the entire period the program is offered, unless exempted as indicated below. On enrollment in prekindergarten or kindergarten, a student shall attend school. *Education Code 25.085(a)–(c)*

Voluntary Enrollment of Students 19 and Over

A person who voluntarily enrolls in school or voluntarily attends school after the person's 19th birthday shall attend school each school day for the entire period the program of instruction is offered. A board may adopt a policy requiring the student who is under 21 years of age to attend school until the end of the school year.

After the third unexcused absence of a person who voluntarily enrolls, a district shall issue a warning letter to the person that states the person's enrollment may be revoked for the remainder of the school year if the person has more than five unexcused absences in a semester.

A district may revoke for the remainder of the school year the enrollment of a person who has more than five unexcused absences in a semester, except a school district may not revoke the enrollment of a person under this provision on a day on which the person is physically present at school.

A person whose enrollment is revoked for exceeding this limit may be considered an unauthorized person on school grounds for the purposes of Education Code 37.107 regarding trespassing.

As an alternative to revoking a person's enrollment, a school district may impose a behavior improvement plan described by Education Code 25.0915(a-1)(1).

Education Code 25.085(e)–(h)

Accelerated / Compensatory Programs

Unless specifically exempted, a student must also attend:

1. An extended-year program for which the student is eligible that is provided by a district for students identified as likely not to be promoted to the next grade level or tutorial classes required by the district under Education Code 29.084 [see EHBC];

To a student placed in in-school suspension or other alternative setting, other than a disciplinary alternative education program (DAEP), who has been offered the opportunity to complete before the beginning of the next school year each course in which the student was enrolled at the time of removal. *Education Code 37.021* [See FO]
 - b. To a student removed to a DAEP who has been offered an opportunity to complete coursework, before the beginning of the next school year. *Education Code 37.008(l)* [See FOCA]

Education Code 25.085(d)

*Affirmative
Defense—Parent*

It is an affirmative defense to prosecution that one or more of the absences required to be proven was excused by a school official or should be excused by the court. A decision by the court to excuse an absence for this purpose does not affect the ability of a district to determine whether to excuse the absence for another purpose.

Education Code 25.093

Student Liability

A child engages in truant conduct if the child is required to attend school under the compulsory attendance laws, and fails to attend

school on ten or more days or parts of days within a six-month period in the same school year. Truant conduct may be prosecuted only as a civil case in a truancy court. *Family Code 65.003(a), (b)*

“Child” means a person who is 12 years of age or older and younger than 19 years of age. *Family Code 65.002(1)*

Truancy Courts

The following are designated as truancy courts:

1. The constitutional county court in a county with a population of 1.75 million or more;
2. Justice courts; and
3. Municipal courts.

A truancy court has exclusive original jurisdiction over cases involving allegations of truant conduct.

Family Code 65.004(a), (b)

*Affirmative
Defense—
Student*

It is an affirmative defense to an allegation of truant conduct that one or more of the absences required to be proven have been excused by a school official or by the court or that one or more of the absences were involuntary, but only if there is an insufficient number of unexcused or voluntary absences remaining to constitute truant conduct. The burden is on the child to show by a preponderance of the evidence that the absence has been or should be excused or that the absence was involuntary. A decision by the court to excuse an absence does not affect the ability of the district to determine whether to excuse the absence for another purpose.

Family Code 65.003(c)

**Truancy Prevention
Measures**

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described below, the district shall initiate truancy prevention measures on the student. [See FED] *Education Code 25.0915(a-4)*

**District Complaint or
Referral**

If a student fails to attend school without excuse on ten or more days or parts of days within a six-month period in the same school year, a district shall within ten school days of the student’s tenth absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). [See FED] *Education Code 25.0951*

Records

A district must maintain records to reflect the average daily attendance for the allocation of Foundation School Program (FSP) funds and other funds allocated by the Texas Education Agency (TEA). The district must maintain records and make reports concerning student attendance and participation in special programs as required by the commissioner of education. The superintendent, principals, and teachers are responsible to the board and the state to maintain accurate, current attendance records. *19 TAC 129.21(a), (e)*

Districts shall use the student attendance accounting standards established by the commissioner to maintain records and make reports on student attendance and student participation in special programs. The official standards are described in TEA's *Student Attendance Accounting Handbook (SAAH)*. *19 TAC 129.1025*

The superintendent is responsible for the safekeeping of all attendance records and reports. The superintendent may determine whether the properly certified attendance records or reports for the school year are to be stored in the central office, on the respective school campuses of a district, or at another secure location. Regardless of where such records are filed or stored, they must be readily available for audit by TEA. *19 TAC 129.21(d)*

Minimum Enrollment

A student must be enrolled for at least two hours of instruction to be considered in membership for one half day, and for at least four hours of instruction to be considered in membership for one full day.

Full-Day Students

Students enrolled on a full-day basis may earn one full day of attendance each school day.

Half-Day Students

Students enrolled on a half-day basis may earn only one half day attendance each school day. Attendance is determined for these pupils by recording absences in a period during the half day they are scheduled to be present.

Alternative
Attendance
Accounting
Program

Students who are enrolled in and participating in an alternative attendance accounting program approved by the commissioner will earn attendance according to the statutory and rule provisions applicable to that program.

**Attendance for State
Funding Purposes**

Attendance for all grades shall be determined by the absences recorded at the official attendance-taking time during the campus's instructional day, unless the board adopts a policy, or delegates to the superintendent the authority to establish procedures for recording absences in an alternative hour, or unless the students for which attendance is being taken are enrolled in and participating in a commissioner-approved alternative attendance accounting program.

The established period in which absences are recorded may not be changed during the school year.

Students absent at the time the attendance roll is taken, during the daily period selected, are counted absent for the entire day, unless the students are enrolled in and participating in a commissioner-approved alternative attendance accounting program. Students present at the time the attendance roll is taken, during the daily period selected, are counted present for the entire day, unless the students are enrolled in and participating in a commissioner-approved alternative attendance accounting program.

19 TAC 129.21(g)–(h)

A student removed to a disciplinary alternative education program is counted in computing the average daily attendance of students in a district for the student's time in actual attendance in the program. *Education Code 37.008(f)*

**Incentive for
Additional
Instructional Days**

The commissioner shall adjust the average daily attendance of a district under Education Code 48.005 in the manner provided by Education Code 48.0051(b) if the district:

1. Provides the minimum number of minutes of operational and instructional time required under Education Code 25.081 and commissioner rules adopted under that section over at least 180 days of instruction; and
2. Offers an additional 30 days of half-day instruction for students enrolled in prekindergarten through fifth grade.

Education Code 48.0051(a)

**Funding for Off-
Campus Programs**

Funding eligibility for a student participating in an off-campus program will include time instructed in the off-campus program. A campus may choose an alternate attendance-taking time for a group of students that is scheduled to be off-campus during the regular attendance-taking time. The alternate attendance-taking time will be in effect for the period of days or weeks for which the group is scheduled to be off-campus during the regular attendance-taking time (for example, for the semester or for the duration of employment). This alternate attendance-taking time may not be changed once it is selected for a particular group of students. If attendance is taken at an off-campus location, the district must ensure that attendance is taken in accordance with the *SAAH*.

For a district to receive FSP funding for a student participating in an off-campus program, the district must have documentation of an agreement between the district and the college.

19 TAC 129.1031(c), (d) [See EHDD]

Exceptions

A student not actually on campus when attendance is taken may be considered in attendance for FSP purposes if:

1. The student is participating in a board-approved activity under the direction of a member of a district's professional or paraprofessional staff, or an adjunct staff member who has a bachelor's degree and is eligible for participation in the Teacher Retirement System of Texas (TRS). [See FM]
2. The student is participating in a mentorship approved by district personnel to serve as one or more of the advanced measures needed to complete the Distinguished Achievement Program outlined in 19 Administrative Code Chapter 74. [See EIF]
3. The student is absent for one of the purposes listed at Excused Absences for Compulsory Attendance Determinations in FEA(LEGAL).
4. The student is in attendance at a dropout recovery education program under Education Code 29.081. [See GNC]
5. The student's absence is permitted by other conditions related to off-campus instruction described in the *SAAH*.

Education Code 25.087, 29.081(e), (f); 19 TAC 129.21(i)–(k)

Disasters

The commissioner may adjust the average daily attendance of a district all or part of which is located in an area declared a disaster area by the governor under Government Code Chapter 418 if the district experiences a decline in average daily attendance that is reasonably attributable to the impact of the disaster.

The commissioner may make the adjustment under this section for the two-year period following the date of the governor's initial proclamation or executive order declaring the state of disaster.

Education Code 48.006(a), (c)

Parental Consent to Leave Campus

Before a district may count a student in attendance under these provisions or in attendance when the student was allowed to leave campus during any part of the school day, the board must adopt a policy, or delegate to the superintendent the authority to establish procedures, addressing parental consent for a student to leave campus and the district must distribute the policy or procedures to staff and to all parents of students in the district. *19 TAC 129.21(l)*

**Attendance
Accounting System**

The Superintendent shall be responsible for designating the official attendance-taking time during the campus's instructional day and maintaining a student attendance accounting system in accordance with statutory and TEA requirements. [See also FD for admissions and residency requirements.]

Alternative
Attendance-Taking
Time

The Superintendent is authorized to establish written procedures permitting a campus to record absences in an alternative hour from the District's official attendance-taking time or for a designated group of students at a campus. The alternative attendance-taking time shall be determined in accordance with TEA's *Student Attendance Accounting Handbook* and administrative regulations.

**Parental Consent to
Leave Campus**

The Superintendent shall establish procedures regarding parental consent for a student to leave campus, including procedures for documenting a student's absence. The procedures shall be communicated in the employee and student handbooks.

FFAC
(LEGAL)

Definitions	“All hours the campus is open” is defined as, at a minimum, during regular on-campus school hours, and when school personnel are physically on site for school-sponsored activities.
<i>All Hours the Campus Is Open</i>	
<i>Campus</i>	A “campus” is defined as a unit of a school district that has an assigned administrator, has enrolled students who are counted for average daily attendance, has assigned instructional staff, provides instructional services to students, has one or more grades in the range from early childhood education through grade 12 or is ungraded, and complies with relevant Texas laws.
<i>Unassigned Epinephrine Auto-Injector</i>	An “unassigned epinephrine auto-injector” is an epinephrine auto-injector prescribed by an authorized health-care provider in the name of the school issued with a non-patient-specific standing delegation order for the administration of an epinephrine auto-injector, issued by a physician or person who has been delegated prescriptive authority under Occupations Code Chapter 157. <i>25 TAC 37.603</i>
Prompt Notification	Local emergency medical services must be promptly notified by the school when an individual is suspected of experiencing anaphylaxis and when an epinephrine auto-injector is administered. If the trained school personnel or school volunteer is the only individual available to notify emergency medical services, the trained individual should administer the unassigned epinephrine auto-injector before notifying emergency medical services. The parent, legal guardian, or emergency contact must be promptly notified by the school when an unassigned epinephrine auto-injector is utilized on their child as soon as is feasible during the emergency response to suspected anaphylaxis. <i>25 TAC 37.605(e)–(f)</i>

In order to increase the number of trained individuals in the administration of unassigned epinephrine auto-injectors, schools may distribute to school personnel or school volunteers in the district, at least once per school year, a notice that includes a description of the request seeking volunteers to be trained to administer an epinephrine auto-injector to a person believed to be experiencing anaphylaxis and a description of the training that the school personnel or school volunteers will receive in the administration of epinephrine with an auto-injector.

25 TAC 37.606(a)–(b)

Signed Statement

Trained school personnel or school volunteers who administer the unassigned epinephrine auto-injector must submit a signed statement indicating that they agree to perform the service of administering an unassigned epinephrine auto-injector to a student or individual that may be experiencing anaphylaxis. *25 TAC 37.606(c)*

A district that adopts an unassigned epinephrine auto-injector written policy is responsible for training school personnel and school volunteers in the recognizing of anaphylaxis signs and symptoms and administration of an unassigned epinephrine auto-injector.

Each assigned school personnel or school volunteer shall receive initial training and an annual refresher training. Training shall be consistent with the most recent [Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs](#)¹ published by the federal Centers for Disease Control and Prevention.

25 TAC 37.609

Storage

Unassigned epinephrine auto-injectors shall be stored in a secure, easily accessible area for an emergency, in accordance with manufacturer's guidelines. It is recommended that the school administrator develop a map to be placed in high traffic areas that indicates the location of the unassigned epinephrine auto-injectors on each school campus. It is recommended that the map also indicates the locations of the automated external defibrillator (AED). *25 TAC 37.605(h)*

Maintenance and Administration of Asthma Medicine

A district may adopt and implement a policy authorizing a school nurse to maintain and administer asthma medicine at each campus in the district.

The policy must provide that the school nurse may administer prescription asthma medicine to a student only if the school nurse has written notification from a parent or guardian of the student stating that the student has been diagnosed as having asthma and stating that the school nurse may administer prescription asthma medicine to the student. A school nurse may administer the prescription asthma medicine only at a school campus.

Education Code 38.208(a-1), (b-1)

Storage

The supply of asthma medicine at each campus must be stored in a secure location and be easily accessible to the school nurse.

School-Based Health Centers

A district may, if it identifies the need, design a model for the delivery of cooperative health-care programs for students and their families and may compete for grants to provide such programs. The model program may provide for delivery of conventional health services and disease prevention of emerging health threats that are specific to a district.

On the recommendation of an advisory council [see Advisory Council, below] or on the initiative of the board, a district may establish a school-based health center at one or more campuses to meet the health-care needs of students and their families. A district may contract with a person to provide services at a school-based health center.

Education Code 38.051

Programs Goals

All health-care programs should be designed to meet the following goals:

1. Reducing student absenteeism;
2. Increasing a student's ability to meet the student's academic potential; and
3. Stabilizing the physical well-being of a student.

Education Code 38.063(c)

Consent Required

A school-based health center may provide services to a student only if a district or the provider with whom a district contracts obtains the written consent of the student's parent or guardian or another person having legal control of the student. The student's parent or guardian or another person having legal control of the student may give consent to receive ongoing services or may limit consent to one or more services provided on a single occasion. The consent form must list every service the center delivers in a format that complies with all applicable state and federal laws and allows a person to consent to one or more categories of services.

Education Code 38.053

Permissible Services

The permissible categories of services are:

1. Family and home support;
2. Physical health care, including immunizations;
3. Dental health care;

Threat Assessment

Definitions

“Harmful, threatening, or violent behavior” includes behaviors, such as verbal threats, threats of self harm, bullying, cyberbullying, fighting, the use or possession of a weapon, sexual assault, sexual harassment, dating violence, stalking, or assault, by a student that could result in:

1. Specific interventions, including mental health or behavioral supports;
2. In-school suspension;
3. Out-of-school suspension; or
4. The student’s expulsion or removal to a disciplinary alternative education program (DAEP) or a juvenile justice alternative education program (JJAEP).

“Team” means a threat assessment and safe and supportive school team established by the board under Education Code 37.115.

Education Code 37.115(a)

Threat Assessment
Team

The board shall establish a threat assessment and safe and supportive school team to serve at each campus of the district and shall adopt policies and procedures for the teams.

The team is responsible for developing and implementing the safe and supportive school program in compliance with Texas Education Agency (TEA) rules at the district campus served by the team.

The policies and procedures adopted under Education Code 37.115 must:

1. Be consistent with the model policies and procedures developed by the Texas School Safety Center (TxSSC) [see Education Code 37.220];
2. Require each team to complete training provided by the TxSSC or a regional education service center (ESC) regarding evidence-based threat assessment programs; and
3. Require each team established under this section to report the required information regarding the team’s activities to TEA [see Reporting to TEA, below].

Membership

The superintendent shall ensure that the members appointed to each team have expertise in counseling, behavior management, mental health and substance use, classroom instruction, special education, school administration, school safety and security, emergency management, and law enforcement. A team may serve more

than one campus of a district, provided that each district campus is assigned a team.

Oversight
Committee

The superintendent may establish a committee, or assign to an existing committee established by the district, the duty to oversee the operations of teams established for the district. A committee with oversight responsibility must include members with expertise in human resources, education, special education, counseling, behavior management, school administration, mental health and substance use, school safety and security, emergency management, and law enforcement.

Team Duties

Each team shall:

1. Conduct a threat assessment that includes assessing and reporting individuals who make threats of violence or exhibit harmful, threatening, or violent behavior in accordance with district policies and procedures; and gathering and analyzing data to determine the level of risk and appropriate intervention, including:
 - a. Referring a student for mental health assessment; and
 - b. Implementing an escalation procedure, if appropriate, based on the team's assessment, in accordance with district policy;
2. Provide guidance to students and school employees on recognizing harmful, threatening, or violent behavior that may pose a threat to the community, school, or individual; and
3. Support the district in implementing the district's multihazard emergency operations plan [see CKC].

Consent for Mental
Health-Care Service

A team may not provide a mental health-care service to a student who is under 18 years of age unless the team obtains written consent from the parent of or the person standing in parental relation to the student before providing the mental health-care service. The consent must be submitted on a form developed by the district that complies with all applicable state and federal law. The student's parent or person standing in parental relation to the student may give consent for a student to receive ongoing services or may limit consent to one or more services provided on a single occasion.

Education Code 37.115(c)–(g)

Determination of
Risk

On determination that a student or other individual poses a serious risk of violence to self or others, a team shall immediately report the team's determination to the superintendent. If the individual is a student, the superintendent shall immediately attempt to inform the

parent or person standing in parental relation to the student. These requirements do not prevent an employee of the school from acting immediately to prevent an imminent threat or respond to an emergency.

A team identifying a student at risk of suicide shall act in accordance with the district's suicide prevention program. If the student at risk of suicide also makes a threat of violence to others, the team shall conduct a threat assessment in addition to actions taken in accordance with the district's suicide prevention program.

A team identifying a student using or possessing tobacco, drugs, or alcohol shall act in accordance with district policies and procedures related to substance use prevention and intervention.

Education Code 37.115(h)–(j)

Reporting to TEA

A team must report to TEA in accordance with TEA-developed guidelines the following information regarding the team's activities and other information for each campus the team serves:

1. The occupation of each person appointed to the team;
2. The number of threats and description of the type of threats reported to the team;

"Enrollment conference" means a student-centered meeting for a newly enrolled student to identify academic and extracurricular interests; introduce school processes and opportunities for engagement; develop course and instructional strategies; review credits and assessment information; determine social-emotional support; and communicate confidential information that may impact a student's success, if needed.

"Records" means documents in printed or electronic form that include, but are not limited to, student transcripts; individual course grades; academic achievement records; course credits, whether full or partial; individualized education program referrals; intervention data; immunizations; state assessment scores; student attendance data; disciplinary reports; graduation endorsements; special education/Section 504 committee records; performance acknowledgements; and personal graduation plans.

19 TAC 89.1601(7)-(8)

Transfer of Student
Records

Each district must ensure that copies of student records are made available to schools to which students who are homeless or in substitute care transfer.

Each district is required to transfer student records within ten working days of receipt of a request from a district to which a student who is homeless or in substitute care enrolls, as required by Education Code 25.002(a-1) [see FD(LEGAL)]. The discretionary authority under Education Code 31.104(d) [see CMD(LEGAL)] to withhold records of a student if the student has not returned or paid for instructional materials or technological equipment does not exempt a district from the mandatory provision to send records to another public school in which the student enrolls.

Proof of enrollment in a different district permits retroactive withdrawal to the date a student enrolled in the new school. The date of enrollment in the new district is considered the date of withdrawal from the previous district.

Student records must be requested, sent, and received using the Texas Records Exchange (TREx) system.

If a district fails to receive the required information within ten working days, the requesting district may report the noncompliant district to the division responsible for TREx Support at TEA.

19 TAC 89.1603

Systems and
Procedures

Each district shall develop systems to ease transition of a student who is homeless or in substitute care during the first two weeks of enrollment at a new school. These systems shall include the following:

1. Welcome packets containing applicable information regarding enrollment in extracurricular activities, club activities, information on fee waivers, tutoring opportunities, the student code of conduct, and contact information for pertinent school staff such as counselors, nurses, social workers, the foster care liaison, the homeless liaison, the principal and any assistant principals, and related contacts;
2. Introductions for new students that maintain student privacy and confidentiality to the school environment and school processes by district faculty, campus-based student leaders, or ambassadors; and
3. Mechanisms to ensure that a process is in place for all students who qualify to receive nutrition benefits upon enrollment, as all students who are homeless or in substitute care are eligible for United States Department of Agriculture Child

Nutrition Programs. The process must expedite communication with the district nutrition coordinator to ensure that eligible students are not charged in error or experience delays in receiving these benefits.

19 TAC 89.1605(a)

Pertinent staff members (such as principals, registrars, counselors, designated liaisons, nutrition coordinators, transportation specialists, etc.) should be knowledgeable concerning communication, processes, and procedures for facilitating successful school transitions for students who are homeless or in substitute care.

For each district, the TReX, the Personal Identification Database (PID), or the Person Enrollment Tracking (PET) application must be used to expedite coordination and communication between the sending and receiving schools.

19 TAC 89.1605(c)-(d)

Enrollment
Conference

A district shall convene an enrollment conference with the student within the first two weeks of enrollment or within the first two weeks after the student is identified as homeless or in substitute care. The convening of the enrollment conference shall not delay or impede the enrollment of the student.

The enrollment conference shall address the student's credit recovery, credit completion, attendance plans and trauma-informed interventions, interests and strengths, discipline or behavior concerns, previous successes, college readiness, and social and emotional supports as well as district policies relating to transfers and withdrawals and communication preferences with parents or guardians.

The enrollment conference may be comprised of:

1. School administrators;
2. Homeless or foster care liaisons;
3. A social worker;
4. Teachers;
5. Counselors;
6. Dropout prevention specialists;
7. Attendance/truancy officers;
8. The relative caregiver, foster placement caregiver, or case manager;
9. The DFPS designated educational decision-maker;

10. The DFPS caseworker, Court Appointed Special Advocates (CASA) volunteer, or other volunteer, as applicable; and
11. A parent and/or guardian, unless the caseworker indicates the parent's and/or guardian's rights to participate have been restricted by the court.

19 TAC 89.1605(b)

Educational
Placement

When a student who is homeless or in substitute care transfers before or during the school year, the receiving district shall initially place the student in educational programs and courses based on the student's prior enrollment in and current educational assessments from the sending school.

Educational programs include, but are not limited to, gifted and talented program services, bilingual or special language services for English learners, career and technical education, and early college high school.

Course placement includes, but is not limited to, honors, International Baccalaureate, Advanced Placement, vocational, technical, and career pathway courses.

Each district must ensure that a student who is homeless or in substitute care has the ability to earn the same endorsement categories, if applicable. If only one endorsement is offered, it must be multidisciplinary studies.

To the extent possible, each district shall ensure the continuation of a student's educational and course programs from the previous district and promote placement in academically challenging and career preparation courses.

19 TAC 89.1609

[For award of credit for students who are homeless or in substitute care, see EI. For special education services for students who are homeless or in substitute care, see EHBAA.]

Extracurricular
Programs

Appropriate district staff must facilitate the process to complete and submit a University Interscholastic League (UIL) waiver of residence application form for a student who is homeless or in substitute care and plans to participate in varsity athletics or other UIL-sponsored activities.

Districts must comply with Education Code 25.001(f) [see FD] and a durational residence requirement may not prohibit a student in substitute care from fully participating in any activity sponsored by the district.

Students in foster care remaining in their school of origin but residing outside of the district of attendance shall be afforded a waiver, as allowed under UIL Constitution and Contest Rules Section 442: Residence in School District and Attendance Zone.

19 TAC 89.1611

Promotion of
Postsecondary
Information

District counselors or other designated staff shall work with district homeless and foster care liaisons to ensure that all students who are identified as homeless or in substitute care graduate with endorsements, if applicable, and have postsecondary plans identified in their personal graduation plans, to the extent required [see EIF].

District counselors or other designated staff must inform unaccompanied homeless youths of their rights and status as independent students for the purpose of applying for financial aid for higher education and provide verification of such status for the Free Application for Federal Student Aid (FASFA), pursuant to 42 United States Code 11432(g)(6)(A)(x).

Each district shall ensure that a student in substitute care who is enrolled in grade 11 or 12 in that district is provided information regarding tuition and fee exemptions under Education Code 54.366, for dual-credit or other courses provided by a public institution of higher education for which a high school student may earn joint high school and college credit.

19 TAC 89.1613

Notice of Events

Each district must provide notice in writing to the educational decision-maker and caseworker of a student who is homeless or in substitute care regarding events that may significantly impact the education of the student.

Events that may significantly impact the education of a child include:

Subject Areas

The list must include programs and practices in the following areas:

1. Early mental health prevention and intervention;
2. Building skills related to managing emotions, establishing and maintaining positive relationships, and responsible decision-making;
3. Substance abuse prevention and intervention;
4. Suicide prevention, intervention, and postvention;
5. Grief-informed and trauma-informed practices;
6. Positive school climates;
7. Positive behavior interventions and supports;
8. Positive youth development; and
9. Safe, supportive, and positive school climate.

“School climate” means the quality and character of school life, including interpersonal relationships, teaching and learning practices, and organizational structures, as experienced by students

enrolled in the district, parents of those students, and personnel employed by the district.

[For information on employee training, see DMA.]

Practices and
Procedures

A district shall develop practices and procedures concerning each area listed above, including mental health promotion and intervention, substance abuse prevention and intervention, and suicide prevention, that:

1. Include a procedure for providing educational material to all parents and families in the district that contains information on identifying risk factors, accessing resources for treatment or support provided on and off campus, and accessing available student accommodations provided on campus;
2. Include a procedure for providing notice of a recommendation for early mental health or substance abuse intervention regarding a student to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs, which may include declining academic performance, depression, anxiety, isolation, unexplained changes in sleep or eating habits, and destructive behavior toward self and others;
3. Include a procedure for providing notice of a student identified as at risk of attempting suicide to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs;
4. Establish that the district may develop a reporting mechanism and may designate at least one person to act as a liaison officer in the district for the purposes of identifying students in need of early mental health or substance abuse intervention or suicide prevention;
5. Set out available counseling alternatives for a parent or guardian to consider when his or her child is identified as possibly being in need of early mental health or substance abuse intervention or suicide prevention; and
6. Include procedures:
 - a. To support the return of a student to school following hospitalization or residential treatment for a mental health condition or substance abuse; and
 - b. For suicide prevention, intervention, and postvention.

The practices and procedures may address multiple subject areas [see Subject Areas, above]. The practices and procedures must

prohibit the use without the prior consent of a student's parent or guardian of a medical screening of the student as part of the process of identifying whether the student is possibly in need of early mental health or substance abuse intervention or suicide prevention.

The practices and procedures developed must be included in the annual student handbook and the district improvement plan under Education Code 11.252. [See BQ]

Nothing in these provisions is intended to interfere with the rights of parents or guardians and the decision-making regarding the best interest of the child. Practices and procedures developed in accordance with these provisions are intended to notify a parent or guardian of a need for mental health or substance abuse intervention so that a parent or guardian may take appropriate action. These provisions do not give districts the authority to prescribe medications. Any and all medical decisions are to be made by a parent or guardian of a student.

"Postvention" includes activities that promote healing necessary to reduce the risk of suicide by a person affected by the suicide of another.

Education Code 38.351(a)-(f), (i)-(o)

Immunity

The above requirements do not waive any immunity from liability of a district or of district officers or employees, create any liability for a cause of action against a district or against district officers or employees, or waive any immunity from liability under Civil Practice and Remedies Code 74.151. *Education Code 38.352*

Consent to Examinations, Tests, or Treatment

A district employee must obtain the written consent of a child's parent before the employee may conduct a psychological examination, test, or treatment, unless the examination, test, or treatment is required by:

1. TEA's policy concerning child abuse investigations and reports under Education Code 38.004; or
2. State or federal law regarding requirements for special education.

Education Code 26.009(a)(1) [See FNG]

[For more information about consent to medical treatment, including psychological treatment, see FFAC. For information about consent to counseling, see FFEA.]

**Professional's
Authority**

A licensed or certified physician, psychologist, counselor, or social worker having reasonable grounds to believe that a child has been sexually, physically, or emotionally abused; is contemplating suicide; or is involved in chemical or drug addiction or dependency may:

1. Counsel the child without the consent of the child's parents, managing conservator, or guardian;
2. With or without the consent of a child who is a client, advise the parents, managing conservator, or guardian of the treatment given to or needed by the child;
3. Rely on the written statement of the child containing the grounds on which the child has capacity to consent to his or her own treatment as provided above.

Exception: Court
Order

The physician, psychologist, counselor, or social worker may not counsel a child if consent is prohibited by a court order, unless consent is obtained as otherwise allowed by law.

Family Code 32.004(b), (c)

[See DP for more information about LSSP and school counselor responsibilities.]

Consent to LSSP

Informed consent for a licensed specialist in school psychology (LSSP) must be obtained in accordance with the Individuals with Disabilities Education Improvement Act (IDEIA) and the U.S. Department of Education's rules governing parental consent when delivering school psychological services in the public schools, and is considered to meet the requirements for informed consent under the Texas State Board of Examiners of Psychologists (TSBEP) rules. No additional informed consent, specific to any TSBEP rules, is necessary in this context.

2. Discloses to the student's parent, managing conservator, or guardian any relationship between the district and the outside counselor.
3. Informs the student and the student's parent, managing conservator, or guardian of any alternative public or private source of care or treatment reasonably available in the area.
4. Requires the approval of appropriate district personnel before a student may be referred for care or treatment or before a referral is suggested as being warranted.

1. Recommend that a student use a psychotropic drug; or
2. Suggest any particular diagnosis; or
3. Use the refusal by a parent to consent to administration of a psychotropic drug to a student or to a psychiatric evaluation or examination of a student as grounds, by itself, for prohibiting the child from attending a class or participating in a school-related activity.

Psychotropic drug means a substance that is used in the diagnosis, treatment, or prevention of a disease or as a component of a medication and intended to have an altering effect on perception, emotion, or behavior.

Education Code 38.016(b) does not:

1. Prevent an appropriate referral under the Child Find system required under 20 U.S.C. Section 1412, as amended; or
2. Prohibit a school district employee, or an employee of an entity with which the district contracts, who is a registered nurse, advanced nurse practitioner, physician, or nonphysician mental health professional licensed or certified to practice in this state from recommending that a child be evaluated by a physician or nonphysician mental health professional; or

3. Prohibit a school employee from discussing any aspect of a child's behavior or academic progress with the child's parent or another school district employee.

A board shall adopt a policy to ensure implementation and enforcement of Education Code 38.016. [See FFAC]

A violation of Education Code 38.016(b) does not override the immunity from personal liability granted in Education Code 22.0511 or other law or a district's sovereign or governmental immunity.

Nonphysician mental health professional has the meaning assigned by Education Code 38.0101 [see DP].

Education Code 38.016

**Reporting Child
Abuse and Neglect**

Any person who has cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 48 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

A person is required to make a report if the person has cause to believe that an adult was a victim of abuse or neglect as a child

and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A state or local law enforcement agency;
2. The Child Protective Services (CPS) division of the Texas Department of Family and Protective Services (DFPS) at (800) 252-5400 or the [Texas Abuse Hotline Website](#)¹;
3. A local CPS office; or
4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility.

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus principal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

Confidentiality

In accordance with state law, the identity of a person making a report of suspected child abuse or neglect shall be kept confidential

and disclosed only in accordance with the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

Failing to Report Suspected Child Abuse or Neglect

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;
2. Violates the law and may be subject to legal penalties, including criminal sanctions for knowingly failing to make a required report;
3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
4. May have his or her certification from the State Board for Educator Certification suspended, revoked, or canceled in accordance with 19 Administrative Code Chapter 249.

It is a criminal offense to coerce someone into suppressing or failing to report child abuse or neglect.

Responsibilities Regarding Investigations

In accordance with law, District officials shall be prohibited from:

1. Denying an investigator's request to interview a child at school in connection with an investigation of child abuse or neglect;
2. Requiring that a parent or school employee be present during the interview; or
3. Coercing someone into suppressing or failing to report child abuse or neglect.

District personnel shall cooperate fully and without parental consent, if necessary, with an investigation of reported child abuse or neglect. [See GKA]

The notification must state that the requirement not to discriminate in the education program or activity extends to admission and employment, and that inquiries about the application of Title IX to such district may be referred to the district's Title IX Coordinator, to the assistant secretary for civil rights of the Department of Education, or both.

34 C.F.R. 106.2(d), .8(b)(1)

Publication Requirements A district must prominently display the contact information required to be listed for the Title IX Coordinator and the nondiscrimination policy described at Notification of Policy, above, on its website, if any, and in each handbook that it makes available to the Parties Entitled to Notice, above.

A district must not use or distribute a publication stating that the district treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX.

34 C.F.R. 106.8(b)(2)

Note: To distinguish the process described below from the District’s general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District’s “Title IX formal complaint process.”

Complaint
Procedures

A district must adopt and publish procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX and a Title IX formal complaint process that complies with 34 C.F.R. 106.45 for formal complaints as defined below.

A district must provide notice to the Parties Entitled to Notice, above, of the district’s procedures and Title IX formal complaint process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the district will respond.

The requirements of this provision apply only to sex discrimination occurring against a person in the United States.

34 C.F.R. 106.8(c)–(d)

Response to Sexual
Harassment
Definitions

“Actual knowledge” means notice of sexual harassment or allegations of sexual harassment to a district’s Title IX Coordinator or any official of the district who has authority to institute corrective measures on behalf of the district, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the district with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the district. “Notice” as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.

“Complainant” means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Consent” is not defined by the Title IX regulations, nor do the regulations require districts to adopt a particular definition of consent with respect to sexual assault.

“Formal complaint” means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment

against a respondent and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the district. As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to a Title IX formal complaint, and must comply with the requirements of the Title IX formal complaint process, including the informal resolution process.

“Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity; or
3. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

“Supportive measures” means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines

or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or district-provided housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

34 C.F.R. 106.2, .30(a)

*Deliberate
Indifference*

A district with actual knowledge of sexual harassment in an education program or activity of the district against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

*Education
Program or
Activity*

For the purposes of 34 C.F.R. 106.30 [see Definitions, above] and 106.45 [see Process for Title IX Formal Complaint, below], “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

34 C.F.R. 106.44(a)

*Title IX Coordinator
Response*

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Title IX Coordinator must respond in this manner with or without a formal complaint. *34 C.F.R. 106.44(b)(1)*

*Supportive
Measures
Required*

A district’s response must treat complainants and respondents equitably by offering supportive measures and by following a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below] before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. [For Emergency Removal procedures, see below.]

*Constitutional
Restrictions*

The Department of Education may not deem a district to have satisfied the district’s duty to not be deliberately indifferent under Title

IX based on the district's restriction of rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment.

34 C.F.R. 106.44(a)

*Response to a
Formal Complaint*

In response to a formal complaint, a district must follow a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below]. *34 C.F.R. 106.44(b)(1)*

*Emergency
Removal*

The Title IX regulations do not preclude a district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district:

1. Undertakes an individualized safety and risk analysis;
2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

34 C.F.R. 106.44(c)

*Administrative
Leave*

The Title IX regulations do not preclude a district from placing a nonstudent employee respondent on administrative leave during the pendency of a Title IX formal complaint. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act. *34 C.F.R. 106.44(d)*

Process for Title IX
Formal Complaint

For the purpose of addressing formal complaints of sexual harassment, a district's process must comply with the following requirements. Any provisions, rules, or practices other than those required by this provision that a district adopts as part of its process for handling formal complaints of sexual harassment must apply equally to both parties. *34 C.F.R. 106.45(b)*

A district's Title IX formal complaint process must:

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures

against a respondent. Remedies must be designed to restore or preserve equal access to the district's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent;

2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
3. Require that any individual designated by a district as a Title IX Coordinator, investigator, decision-maker, or any person designated by a district to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A district must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and Title IX formal complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A district must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. [See Hearings, below] A district also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. [See Investigation of a Formal Complaint, below] Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment;
4. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process;
5. Include reasonably prompt time frames for conclusion of the Title IX formal complaint process, including reasonably

prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;

6. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility;
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;
8. Include the procedures and permissible bases for the complainant and respondent to appeal;
9. Describe the range of supportive measures available to complainants and respondents; and
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

34 C.F.R. 106.45(b)(1)

*Notice of
Allegations*

Upon receipt of a formal complaint, a district must provide the following written notice to the parties who are known:

1. Notice of the district's Title IX formal complaint process, including any informal resolution process.
2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - a. The identities of the parties involved in the incident, if known;

- b. The conduct allegedly constituting sexual harassment;
and
- c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence [see Investigation of a Formal Complaint, below]. The written notice must inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Notice of Allegations, above, the district must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2)

*Dismissal of a
Formal Complaint*

The district must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the district's education program or activity, or did not occur against a person in the United States, then the district must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of the district's code of conduct.

The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal required or permitted pursuant to 34 C.F.R. 106.45(b)(3), the district must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

*Consolidation of
Formal
Complaints*

A district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a Title IX formal complaint process involves more than one complainant or more than one respondent, references in this provision to the singular “party,” “complainant,” or “respondent” include the plural, as applicable.

34 C.F.R. 106.45(b)(3)–(4)

*Investigation of a
Formal Complaint*

When investigating a formal complaint and throughout the Title IX formal complaint process, a district must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party’s voluntary, written consent to do so for a Title IX formal complaint (if a party is not an “eligible student,” as defined in 34 C.F.R. 99.3 then the district must obtain the voluntary, written consent of a “parent,” as defined in 34 C.F.R. 99.3) [see FL(LEGAL) at Education Records];
2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
4. Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or Title IX formal complaint proceeding; however, the district may establish restrictions regarding

the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report. The district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
7. Create an investigative report that fairly summarizes relevant evidence and, at least ten days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5)

Hearings

The district's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after the district has sent the investigative report to the parties pursuant to 34 C.F.R. 106.45(b)(5)(vii) [see Investigation of a Formal Complaint, above] and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior

sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. *34 C.F.R. 106.45(b)(6)(ii)*

*Determination
Regarding
Responsibility*

The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the district must apply the standard of evidence described at Process for Title IX Formal Complaint, above.

The written determination must include:

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the district's code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
6. The district's procedures and permissible bases for the complainant and respondent to appeal.

The district must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

34 C.F.R. 106.45(b)(7)(i)–(ii)

*Implementation
of Remedies*

The Title IX Coordinator is responsible for effective implementation of any remedies. *34 C.F.R. 106.45(b)(7)(iv)*

Appeals

A district must offer both parties an appeal from a determination regarding responsibility, and from a district's dismissal of a formal complaint or any allegations therein, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

A district may offer an appeal equally to both parties on additional bases.

As to all appeals, the district must:

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with the standards in the Title IX regulations regarding conflict of interest and bias [see Process for Formal Title IX Complaint, item 3, above];
4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
5. Issue a written decision describing the result of the appeal and the rationale for the result; and
6. Provide the written decision simultaneously to both parties.

34 C.F.R. 106.45(b)(8)

*Informal
Resolution*

A district may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent

with Title IX. Similarly, a district may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

1. Provides to the parties a written notice disclosing:
 - a. The allegations;
 - b. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint; and
 - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

34 C.F.R. 106.45(b)(9)

Recordkeeping

A district must maintain for a period of seven years records of:

1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and
4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. A district must make these training materials publicly available on its website or if the district does not maintain a website the district must make these materials

available upon request for inspection by members of the public.

For each response required under Title IX Coordinator Response, above, a district must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity.

If a district does not provide a complainant with supportive measures, then the district must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

34 C.F.R. 106.45(b)(10)

Retaliation
Prohibited

No district or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the Process for Title IX Formal Complaint above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX formal complaint proceeding does not constitute retaliation prohibited by Title IX, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

34 C.F.R. 106.71(a)-(b)

Confidentiality

The district must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA) statute, 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. *34 C.F.R. 106.71(a)*

Note: This policy addresses discrimination, harassment, and retaliation against District students. For provisions regarding discrimination, harassment, and retaliation against District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Note that FFH shall be used in conjunction with FFI (bullying) for certain prohibited conduct.

Statement of Nondiscrimination

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Discrimination

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, that adversely affects the student.

Prohibited Conduct

In this policy, the term “prohibited conduct” includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Prohibited conduct also includes sexual harassment as defined by Title IX. [See FFH(LEGAL)]

Prohibited Harassment

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student’s race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
3. Otherwise adversely affects the student’s educational opportunities.

Prohibited harassment includes dating violence as defined by law and this policy.

Examples

Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or

practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name calling, slurs, or rumors; cyberharassment; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

**Sex-Based
Harassment**

As required by law, the District shall follow the procedures below at Response to Sexual Harassment—Title IX upon a report of sex-based harassment, including sexual harassment, gender-based harassment, and dating violence, when such allegations, if proved, would meet the definition of sexual harassment under Title IX. [See FFH(LEGAL)]

**Sexual Harassment
By an Employee**

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or other inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

By Others

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, contact, or communications, including electronic communication.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Gender-Based Harassment

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; cyberharassment; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of dating violence against a student may include physical or sexual assaults; name-calling; put-downs; or threats directed at the student, the student's family members, or members of the student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

Reporting Procedures

Student Report

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a teacher, school counselor, principal, other District employee, or the appropriate District official listed in this policy.

Employee Report

Any District employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed in this policy and take any other steps required by this policy.

Definition of District Officials

For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

*Title IX
Coordinator*

Reports of discrimination based on sex, including sexual harassment, gender-based harassment, or dating violence, may be directed to the designated Title IX coordinator for students. [See FFH(EXHIBIT)]

*ADA /
Section 504
Coordinator*

Reports of discrimination based on disability may be directed to the designated ADA/Section 504 coordinator for students. [See FFH(EXHIBIT)]

Superintendent

The Superintendent shall serve as coordinator for purposes of District compliance with all other nondiscrimination laws.

Alternative Reporting Procedures

An individual shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

To ensure the District's prompt investigation, reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act.

Notice to Parents

The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult.

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Investigation of Reports Other Than Title IX

The following procedures apply to all allegations of prohibited conduct other than allegations of harassment prohibited by Title IX. [See FFH(LEGAL)] For allegations of sex-based harassment that, if proved, would meet the definition of sexual harassment under Title IX, including sexual harassment, gender-based harassment, and dating violence, see the procedures below at Response to Sexual Harassment—Title IX.

The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proved, would constitute prohibited conduct as defined by this policy. If so, the District shall immediately undertake an investigation, except as provided below at Criminal Investigation.

If the District official determines that the allegations, if proved, would not constitute prohibited conduct as defined by this policy, the District official shall refer the complaint for consideration under FFI.

Interim Action

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the District shall promptly take interim action calculated to address prohibited conduct or bullying prior to the completion of the District's investigation.

District Investigation	<p>The investigation may be conducted by the District official or a designee, such as the principal, or by a third party designated by the District, such as an attorney. When appropriate, the principal shall be involved in or informed of the investigation.</p> <p>The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.</p>
Criminal Investigation	<p>If a law enforcement or regulatory agency notifies the District that a criminal or regulatory investigation has been initiated, the District shall confer with the agency to determine if the District investigation would impede the criminal or regulatory investigation. The District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has finished gathering its evidence, the District shall promptly resume its investigation.</p>
Concluding the Investigation	<p>Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.</p> <p>The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.</p>
<i>Notification of Outcome</i>	<p>Notification of the outcome of the investigation shall be provided to both parties in compliance with FERPA.</p>
District Action <i>Prohibited Conduct</i>	<p>If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the Student Code of Conduct and may take corrective action reasonably calculated to address the conduct.</p>
Corrective Action	<p>Examples of corrective action may include a training program for those involved in the report, a comprehensive education program for the school community, counseling to the victim and the student who engaged in prohibited conduct, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of</p>

areas where prohibited conduct has occurred, and reaffirming the District's policy against discrimination and harassment.

Bullying

If the results of an investigation indicate that bullying occurred, as defined by FFI, the District official shall refer to FFI for appropriate notice to parents and District action. The District official shall refer to FDB for transfer provisions.

Improper Conduct

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take disciplinary action in accordance with the Student Code of Conduct or other corrective action reasonably calculated to address the conduct.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A student or parent who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student or parent shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

Response to Sexual Harassment—Title IX

For purposes of the District's response to reports of harassment prohibited by Title IX, definitions can be found in FFH(LEGAL).

General Response

When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and the Student Code of Conduct.

Title IX Formal
Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;
6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;

10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and
12. Other local procedures as determined by the Superintendent.

Standard of Evidence

The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retaliation under this policy also includes retaliation against a student who refuses to participate in any manner in an investigation under Title IX.

Examples

Examples of retaliation may include threats, intimidation, coercion, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action in accordance with law.

Records Retention

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records control schedules, but for no less than the minimum amount of time required by law. [See CPC]

[For Title IX recordkeeping and retention provisions, see FFH(LEGAL) and the District's Title IX formal complaint process.]

Access to Policy and Procedures

Information regarding this policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and readily available at each campus and the District's administrative offices.

UIL Rules and District Policies

A student enrolled in a district or who participates in an extracurricular activity or a University Interscholastic League (UIL) competition is subject to district policy and UIL rules regarding participation only when the student is under the direct supervision of an employee of the school or district in which the student is enrolled or at any other time specified by resolution of a board. *Education Code 33.081(b)* [See FO regarding additional standards of conduct for extracurricular activities]

A campus that is determined by the superintendent to be out of compliance with the safety training requirements or the requirements regarding unsafe practices and safety precautions (see below) shall be subject to the range of penalties determined by the UIL.

Education Code 33.206

Unsafe Practices A coach, trainer, or sponsor for an extracurricular athletic activity may not encourage or permit a student participant to engage in any unreasonably dangerous athletic technique that unnecessarily endangers the health of a student, including using a helmet or any other sports equipment as a weapon. *Education Code 33.204*

Safety Precautions A coach, trainer, or sponsor for an extracurricular athletic activity shall at each athletic practice or competition ensure that:

1. Each student participant is adequately hydrated;
2. Any prescribed asthma medication for a student participant is readily available to the student;
3. Emergency lanes providing access to the practice or competition area are open and clear; and
4. Heatstroke prevention materials are readily available.

If a student participating in a practice or competition becomes unconscious during the activity, the student may not:

1. Return to the activity during which the student became unconscious; or
2. Participate in any extracurricular athletic activity until the student receives written authorization for such participation from a physician.

Education Code 33.205

*Concussion
Oversight Team*

The board of a district with students enrolled who participate in an interscholastic athletic activity shall appoint or approve a concussion oversight team. *Education Code 38.153(a)*

Each concussion oversight team must include at least one physician and, to the greatest extent practicable, considering factors including the population of the metropolitan statistical area in which the district is located, district enrollment, and the availability of and access to licensed health-care professionals in the district or charter school area, must also include one or more of the following: an athletic trainer, an advanced practice nurse, a neuropsychologist, or a physician assistant. If a district employs an athletic trainer, the athletic trainer must be a member of the concussion oversight team. If a district employs a school nurse, the school nurse may be a member of the district concussion oversight team if requested by the school nurse.

Each member of the concussion oversight team must have had training in the evaluation, treatment, and oversight of concussions at the time of appointment or approval as a member of the team. The members also must take a training course at least once every two years and submit proof of timely completion to the superintendent or designee in accordance with Education Code 38.158.

*Required Annual
Form*

A student may not participate in an interscholastic athletic activity for a school year until both the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion. The form must be approved by the UIL. *Education Code 38.155*

*Removal from
Play*

A student shall be removed from an interscholastic athletics practice or competition immediately if one of the following persons believes the student might have sustained a concussion during the practice or competition: a coach; a physician; a licensed health-care professional, as defined by Education Code 38.151(5); a licensed chiropractor; a school nurse; or the student's parent or

guardian or another person with legal authority to make medical decisions for the student. *Education Code 38.156*

Return to Play

A student removed from an interscholastic athletics practice or competition under Education Code 38.156 may not be permitted to practice or compete again following the force or impact believed to have caused the concussion until:

1. The student has been evaluated, using established medical protocols based on peer-reviewed scientific evidence, by a treating physician chosen by the student or the student's parent or guardian or another person with legal authority to make medical decisions for the student;
2. The student has successfully completed each requirement of the return-to-play protocol established under Education Code 38.153 necessary for the student to return to play;

 - a. Has been informed concerning and consents to the student participating in returning to play in accordance with the return-to-play protocol;
 - b. Understands the risks associated with the student returning to play and will comply with any ongoing requirements in the return-to-play protocol;
 - c. Consents to the disclosure to appropriate persons, consistent with the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, of the treating physician's written statement and, if any, the return-to-play recommendations of the treating physician; and
 - d. Understands the immunity provisions under Education Code 38.159.

A coach of an interscholastic athletics team may not authorize a student's return to play.

The superintendent or designee shall supervise an athletic trainer or other person responsible for compliance with the return-to-play protocol. The person who has supervisory responsibilities may not be a coach of an interscholastic athletics team.

Education Code 38.157

Immunity

These provisions do not:

1. Waive any immunity from liability of a district or of district officers or employees;
2. Create any liability for a cause of action against a district or against district officers or employees;
3. Waive any immunity from liability under Civil Practice and Remedies Code 74.151; or

Results of such steroid tests are confidential and, unless required by court order, may be disclosed only to the student and the student's parent and the activity directors, principal, and assistant principals of the school attended by the student.

Education Code 33.091(d)–(e)

**Cardiac
Assessment**

A district must provide a district student who is required under UIL rule or policy to receive a physical examination before being allowed to participate in an athletic activity sponsored or sanctioned by the UIL, information about sudden cardiac arrest and electrocardiogram testing and notification of the option of the student to request the administration of an electrocardiogram, in addition to the physical examination.

A student may request an electrocardiogram from any health-care professional, including a health-care professional provided through a district program, provided that the health-care professional is appropriately licensed in Texas and authorized to administer and interpret electrocardiograms under the health-care professional's scope of practice, as established by the health-care professional's Texas licensing act.

Immunity

These provisions do not create a cause of action or liability or a standard of care, obligation, or duty that provides a basis for a cause of action or liability against a health-care professional described in the provision, the UIL, a district, or a district officer or employee for:

1. The injury or death of a student participating in or practicing for an athletic activity sponsored or sanctioned by the UIL based on or in connection with the administration or interpretation of or reliance on an electrocardiogram; or

A child may not participate in a rodeo associated with the child's school during a school year unless the child has completed the educational program not more than one year before the first day of the rodeo.

Protective Gear for Bull Riding

A child may not engage in bull riding, including engaging in bull riding outside a rodeo for the purpose of practicing bull riding, unless the child is wearing a protective vest and bull riding helmet in accordance with 25 Administrative Code 104.3.

Health and Safety Code 768.001(6), .003; 25 TAC 104.2-.4

Eligibility

A student otherwise eligible to participate in an extracurricular activity or a UIL competition is not ineligible because the student is enrolled in a course offered for joint high school and college credit, or in a course offered under a concurrent enrollment program, regardless of the location at which the course is provided. *Education Code 33.087*

Military Dependents

The district shall facilitate the opportunity for transitioning military children's inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified. *Education Code 162.002 art. VI, § B* [See FDD]

Suspension from Extracurricular Activities

A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by a district or the UIL after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than a course described below at Exempt Courses.

Length of Suspension

A suspension continues for at least three school weeks and is not removed during the school year until the conditions of Reinstatement, described below, are met. A suspension shall not last beyond the end of a school year.

Grade Evaluation Period

"Grade evaluation period" means:

1. The six-week grade reporting period; or

2. The first six weeks of a semester and each grade reporting period thereafter, in the case of a district with a grade reporting period longer than six weeks.

Education Code 33.081(c)

School Week

Exempt Courses

The suspension and reinstatement provisions of Education Code 33.081(c) and (d) do not apply to an advanced placement or international baccalaureate course, or to an honors or dual credit course in the subject areas of English language arts, mathematics, science, social studies, economics, or a language other than English. *Education Code 33.081(d-1)*

Honors classes for purposes of eligibility to participate in extracurricular activities are listed at 19 Administrative Code 74.30(a).

Districts may identify additional honors courses in the subject areas of English language arts, mathematics, science, social studies, or a language other than English for the purposes of extracurricular eligibility but must identify such courses before the semester in which any exemptions related to extracurricular activities occur.

Districts are neither required to nor restricted from considering courses as honors for the purpose of grade point average calculation.

19 TAC 74.30

Students with
Disabilities

In the case of a student with a disability that significantly interferes with the student's ability to meet regular academic standards, suspension must be based on the student's failure to meet the requirements of the student's individualized education program (IEP). The determination of whether the disability substantially interferes with the student's ability to meet the requirements of the student's IEP must be made by the admission, review, and dismissal (ARD) committee.

For the purposes of this provision, "student with a disability" means a student who is eligible for a district's special education program under Education Code 29.003(b).

Education Code 33.081(e)

may not participate in a competition or other public performance.

Education Code 33.081(f)

Reinstatement

Until the suspension is removed or the school year ends, a district shall review the grades of a student at the end of each three-week period following the date on which the suspension began. At the time of a review, the suspension is removed if the student's grade in each class, other than a course described above at Exempt Courses, is equal to or greater than the equivalent of 70 on a scale of 100. The principal and each of the student's teachers shall make the determination concerning the student's grades. *Education Code 33.081(d)*

Attendance and Participation

The State Board of Education (SBOE) by rule shall limit participation in and practice for extracurricular activities during the school day and the school week.

The board of a district may adopt a policy establishing the number of times a student who is otherwise eligible to participate in an extracurricular activity may be absent from class to participate in an extracurricular activity sponsored or sanctioned by the district, UIL, or an organization sanctioned by board resolution. The policy must permit a student to be absent from class at least ten times during the school year, and the policy prevails over any conflicting policy adopted by the SBOE.

Education Code 33.081(a), .0811

SBOE Rules

The following provisions apply to any UIL activity.

Other organizations requiring student participation that causes a student to miss a class may request sanction from a board. If sanctioned by resolution of the board, student participation in the organization's activities shall be subject to all provisions of statute and to 19 Administration Code 76.1001. If a board does not grant sanction, any absences incurred by a student while participating with that organization's activities shall be subject to the attendance provisions of the Education Code. *19 TAC 76.1001(f)* [See FEB]

Extracurricular Activities

An extracurricular activity is an activity sponsored by the UIL, a board, or an organization sanctioned by board resolution. The activity is not necessarily directly related to instruction of the essential knowledge and skills but may have an indirect relation to some areas of the curriculum.

Extracurricular activities include, but are not limited to, public performances, contests, demonstrations, displays, and club activities. In addition, an activity is subject to this policy if any one of the following criteria applies:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered extracurricular;
3. The activity is held off-campus, except in a case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

Exceptions

*Public

1. The general public is invited; and
2. The requirement for student participation in public is stated in the essential knowledge and skills of the course.

*State-Approved
Music Courses*

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in UIL Concert and Sight-Reading Evaluation, may perform with the ensemble during the UIL evaluation performance.

19 TAC 76.1001(a)

1. For any given extracurricular activity, a student may not participate in more than one activity per school week, excluding holidays, except as provided in item 2, below.
2. A student may also participate in a tournament or post-district contest, as well as a contest postponed by weather or public disaster that may determine advancement to a post-district level of competition.
3. For each extracurricular activity, a district must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.
4. The commissioner recommends that districts avoid scheduling extracurricular activities or public performances on the day or evening immediately preceding the day on which the statewide student assessment program is scheduled for grades 3–11.

*During the
School Day*

Limitations on practice and rehearsal during the school day shall be as follows:

1. A district must limit a student to one period of practice during the regularly scheduled school day for practice of extracurricular activities, such as athletics, drill team, or cheerleading.
2. The limit in item 1 does not prohibit a student from enrolling in any state-approved class. A student who is enrolled in a state-approved class that includes essential knowledge and skills that relate to the preparation for an extracurricular activity may practice that extracurricular activity for no more than one period during the school day.
3. A student may not be permitted to miss a scheduled academic class to practice for an unrelated extracurricular activity.
4. A district must limit extracurricular practice during the school day to ensure that class periods for extracurricular practice do not exceed the time allotted for other class periods.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and
Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District. Forms may be obtained from the District's legal office.

Copies of any documents that support the complaint should be attached to the complaint form. If the student or parent does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student or parent unless the student or parent did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiled is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Three following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following

the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the principal to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level Two decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline. If the appeal notice is untimely, not on the District's form, or incomplete in any material or substantial way, the Superintendent, after consultation with the Board President, may dismiss the complaint and provide written notice of dismissal to the complainant.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two appeal to the Level Three administrator. The student or parent may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The Level Three administrator shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One and Level Two and identified in the Level Three appeal notice. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level Two decision. The Level Three administrator may set reasonable time limits for the conference.

The Level Three administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Three administrator may consider the Level One and Level Two records, information provided at the Level

Three conference, and any other relevant documents or information the Level Three administrator believes will help resolve the complaint.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

Level Four

If the student or parent did not receive the relief requested at Level Three or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Three response or, if no response was received, within ten days of the Level Three response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Three appeal. The student or parent may request a copy of the Level Three record.

The Level Three record shall include:

1. The Level One record.
2. The Level Two record.
3. The notice of appeal from Level Two to Level Three.
4. The written response issued at Level Three and any attachments.
5. All other documents relied upon by the administration in reaching the Level Three decision.

The appeal shall be limited to the issues and documents considered at Level Three, except that if at the Level Four hearing, the administration intends to rely on evidence not included in the Level Three record, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the student or parent or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint
Processes

Complaints by members of the public shall be filed in accordance with this policy, except that complaints concerning instructional resources shall first be filed in accordance with EF, with appeals submitted in accordance with GF after the relevant complaint process.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the individual, at any point during the complaint process. A school administrator, school resource officer, or school district peace officer may refuse to allow persons to enter on or may eject a person from property under the district's control if the person refuses to leave peaceably on request and:
